SILVER CHARM RETIRED Silver Charm (Silver Buck--Bonnie's Poker, by Poker), winner of the 1997 Kentucky Derby and Preakness and the 1998 Dubai World Cup, has been retired after finishing a disappointing fourth in Saturday's GII Stephen Foster H. at Churchill Downs. The five-year-old, never worse than second in 17 of his first 18 career starts, started the year with a win in the \$200,000 San Pasqual H. at Santa Anita, but finished third in his next two tries and then failed in his attempt to defend his Dubai World Cup title, running sixth in what would be his penultimate appearance. Silver Charm showed little of the fire in the Stephen Foster that earned him 12 victories, allowing Victory Gallop (Cryptoclearance) to charge past him unchallenged and trailing home 8 1/2 lengths behind that rival. It has been a tough month for owner Bob Lewis, who watched as his Triple Crown hopeful, Charismatic, ran third in the June 5 Belmont S., then pulled up just yards past the wire after fracturing two bones in his left front leg. "It's difficult, maybe tears are shed, but you just have to deal with it and move on," Lewis said. "(Retiring Silver Charm) was something that's been in my mind for some time. He ran a creditable race in the Stephen Foster and he came out of it in grand style, but he certainly didn't show the ability to run with that class of horses any longer. He doesn't seem to have the late kick he did have and he doesn't seem to have the high level of competitive spirit he showed when he performed so magnificently in the Triple Crown races and in Dubai. Rather than demean the horse after such a great career, we feel it's the appropriate time to go on to the next stage in his life, out in the pasture, serving as a stallion. Surely we would love to have Silver Charm and Charismatic and Exploit on the racetrack, but realistically we can't do that. It is much easier when they retire sound, as Silver Charm has, but we have had good fortune with Charismatic as well. He has come through his surgery in excellent condition, and we will have three very fine stallions." Silver Charm retires with earnings of \$6,944,369, the third-highest total for a North American racehorse behind Cigar (\$9,999,815) and Skip Away (\$9,616,360). It has not yet been decided where he will stand at stud. Lewis, who will retain "a meaningful share" in his stallions, said, "We'll probably know where (Charismatic and Silver Charm) will be standing in 60 to 90 days, but we have a lot of time 'til Feb. 15."

Also ran: Louve, Juvenia, (DH) All Glory (GB) & Cerulean Sky (Ire), Calando, La Sylphide (Swi), Nasheed, Karmifira (Fr), Farfala (Fr), Zenne (Ire), Apple Of Kent.

After breaking her maiden in a conditions event at Chantilly May 17 in what was only her second career start, Daryaba would not have been considered the likely winner of this on bare form alone. But her owner-trainer-jockey combination (the Aga Khan, Alain de Royer-Dupre and Gerald Mosse) had won the previous two runnings of this race, with Vereva (Ire) in 1997 and Zainta (Ire) last year. Daryaba grabbed the lead after a furlong and she still held the advantage while racing down the center of the course as they turned into the home straight. Star Of Akkar, last coming into the stretch, made steady progress on the inside, but the winner responded well to her jockey's strong driving and ran on resolutely to hold off the late challenge. Visionnaire, prominent throughout, proved the best of the remainder and kept on well for third. Winning trainer de Royer-Dupre said, "I would rate her on a par with Vereva, who was impressive when winning in 1997. She was quite a heavy filly last year and we had to give her time to mature. This is why we didn't ask her to do too much last year and she has only come to hand lately. On her first start this year at Chantilly Apr. 26, she ran an encouraging race, which gave us thoughts about today. As far as her future is concerned, I think she is entered in the [G1] Irish Oaks [July 11], but we need time to see how she comes out of this race before making a decision."

EXCELLENT MEETING RETURNS SUNDAY

Excellent Meeting (General Meeting) worked six furlongs in a bullet 1:11 Saturday and will be back in action in Sunday's GII Princess S. at Hollywood Park. The three-year-old filly finished fifth in the Kentucky Derby and pulled up three furlongs from the wire in the May 15 Preakness, but came back none the worse for the wear and has been working sharply at Santa Anita.

A Group 3 winner in France, Silic made one start in the U.S. last year, running sixth in the Itsallgreetkome S. at Santa Anita in November, then went to the shelf for 5 1/2 months before returning to be fourth in the Radar Ahead H. over this course Apr. 25. The bay had trained sharply since that effort. Off a bit slowly, he saved ground while rating in seventh for the opening half, found running room on the inside at the top of the stretch to take the lead and outgamed Ladies Din to the wire for a very narrow score. "We were just waiting on the inside for the hole to open and when it did, I had a horse who exploded through there," said jockey Corey Nakatani. "He just ran a tremendous race to get there." Trainer Julio Canani, who saddled the first two finishers and also gave jockey Bill Shoemaker his final ride aboard Patchy Groundfog, added, "I've been telling (the owners) that he is a top, top miler and he proved it today."

The winner of the G3 Cumberland Lodge S. at Ascot last September, Capri could only manage a seventh-place finish when favorite in the G3 John Porter S. at Newbury Apr. 17, his sole start this year. He put that disappointment behind him with a powerful front-running display to take this prize back across the English Channel. Ridden into the lead as the gates opened, he set a strong pace, quickening readily at the quarter-mile marker. Only Epistolaire seemed able to make a challenge. The runner-up was at his closest when Capri swerved off the rail slightly entering the final furlong, and switched to the inner as Capri rolled back in, but any interference that occurred was minimal and the winner was going away at the end. The stewards enquired into the interference, but allowed the result to stand. Winning jockey Kieren Fallon said, "He's a very nice horse and we have always thought a lot of him. He disappointed early this year, but he needed the run when he ran at Newbury. He's done it well today. The cameramen and the cameras near the winning post, he just ducked out from them."

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a + will denote winners who are first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Time Off took five starts to break his maiden, but scored by a head Nov. 19 when switched to the turf for the first time, albeit against New York-breds. Given time off after that effort, the chestnut returned to take an Aqueduct turf allowance field wire-to-wire Apr. 29 to win by two lengths. Unable to find a softer spot for the colt since that race, the connections decided to try stakes company and looked to be the controlling speed. And so it was. The speedt state-bred bobbed a bit leaving the starting gate, but got his feet quickly under him to dictate the pace well within himself for the opening six furlongs. Asked to pick it up entering the stretch, Time Off was 1 1/2 lengths clear at the eighth pole and dug in gamely to resist the closing punch of Hoyle for the victory. Winning trainer Scott Schwartz indicated that the next start for his trainee could come in the 10-furlong GIII Lexington S. July 18.

Trying winners for the first time, the chestnut was off slowly again, rallied along the inside in the stretch, split rivals at the eighth pole and got up to win by a head at odds of 7-2. After breaking alertly, the \$100,000 FTSAUG yearling was placed close to the front from the inside, dug in when asked in the stretch and outlasted Bill Mott-trainee Stormy Squall (Summer Squall) to win by a length at odds of 9-2. He was most recently fourth by two lengths with the addition of the hood last out May 15. Adding Lasix for this effort, the bay sat just off the pace on the outside, was roused to the lead at the top of the lane and cruised home by 5 3/4 lengths as the 7-10 favorite. Given another break following that effort, the \$630,000 FTSAUG yearling was let go at 8-1; she cut out moderate fractions on a clear lead, then battled first-time starter Luricon (Lure) through the final quarter to prevail by a neck. Three-for-four on the turf and coming off a win in the Needles S. at Calder May 23, Special Coach was nevertheless let go at long odds. The dark bay sat a stalking second while under a hold along the inside, came with his bid three furlongs from home, took command at the top of the stretch and pulled away in an impressive effort. Favored Air Rocket, winner of the GIII Crown Royal American Turf S. at Churchill Apr. 30, was never far from the lead, launched a challenge as they headed into the final bend, but tired in the drive and was edged out for second while narrowly hanging on to the show spot.

The dark bay pressed the early pace, swept to the front on the far turn, opened up three lengths at the top of the stretch, but just held on to best a resurgent Honey Hill Lil (The Prime Minister) by a neck. King Edward Breeders' Cup H. cont.

You have to go all the way back to August 31, 1997 for Desert Waves' last victory, that coming in the 12-furlong Niagara Breeders' Cup. Behind him that day were Down The Aisle and Crown Attorney. The Samson homebred had made three starts in 1999, finishing third in a Keeneland allowance Apr. 22, but was well-beaten in a pair of starts at Woodbine, including a distant eighth-place finish in the GII Connaught Cup last out May 29. Entered as a pacemaker for his more highly-touted stablemate Sky Colony, Desert Waves set sail down the long Woodbine backstretch, cutting out very comfortable fractions. With three furlongs to run, it was still the venerable gelding on a half-length lead, with defending champion Crown Attorney and favored Down The Aisle gaining, but the rabbit had something left for the finish and held the competition at bay.

\$10,000 live foal due Oct. 1

Oppenheim-Colonia-Union-Rennen cont.

Unbeaten German 2000 Guineas winner Sumitas (Lomitas {GB}) tasted defeat for the first time in six starts here as the "other" son of Lomitas, Silvano, pulled off a shocking but deserved victory, setting himself up as one of the favorites for the G1 German Derby at Hamburg July 4. Montalban (Mondrian {Ger}) set a slow early pace with Sumitas racing in midfield along the rail. The early leader quickened affairs down the backstretch and still led entering the straight, and Sumitas appeared to be going easily at this stage, but he failed to quicken a quarter-mile out. Karakal made a powerful move to grab the lead, but he could not withstand the strong late surge of Silvano, who had come from the rear of the field in the straight for the victory. Silvano broke his maiden at Bremen last September on his only start as a juvenile and stepped straight into Group company on his first start this year, finishing sixth in the G3 Quotenhaus Frankfurt-Preis at Frankfurt Apr. 25. He then returned to Bremen May 23 to win a valuable conditions race by five lengths.

Prix de la Jonchere cont.

Unplaced in the May 16 French 2000 Guineas at Longchamp on his last start, Grazelema benefitted from the rules of racing, French style, when he was awarded this prize in the stewards' room. Emerald Park set a strong pace and was soon 10 lengths in advance of the remainder, who were headed by Raftery and Grazelema, as Irish Prize allowed the leader at least 20 lengths grace. On the run to the final quarter, the pacesetter was still five lengths clear, but the gap was reduced drastically within half a furlong as both Grazelema and Raftery came to challenge. The face of the race changed dramatically at this point as Emerald Park veered to his left; Raftery became the meat in an Emerald Park and Grazelema sandwich, nearly coming down in the process. Grazelema went on in the final 100 yards, but Irish Prize, still last with two furlongs to go, swooped on the wide outside, finishing extremely fast to snatch the lead on the line under a determined ride by Olivier Doleuze. The expected stewards' enquiry followed, with both Emerald Park and stablemate Irish Prize disqualified due to Emerald Park's interference. Under French racing rules, if a horse is disqualified, so is any horse that is coupled in the mutuel betting. Emerald Park's jockey, Nicolas Guesdon, incurred a 10-day suspension. Indrianos and Raftery each moved up two positions to second and third, respectively.
