STAR-STUDED CATALOGUE FOR

KEENELAND JULY

The Keeneland July Selected Yearling Sale perennially attracts world-class pedigrees and major buyers from around the world and this year's auction, which kicks off this evening at 7:30 in Lexington, is no exception. The catalogue includes the customary allotment of fashionable sires such as A.P. Indy, Danzig, Deputy Minister, Forty Niner, Gone West, Mr. Prospector, Nureyev, Seattle Slew, Seeking the Gold and Storm Cat. The latter is the sire of hip 195, a colt out of MGSW Weekend Surprise, the dam of A.P. Indy and Summer Squall. This chestnut is part of a formidable Lane's End consignment. The sale also features the first foal from Serena's Song (Rahy). Selling as hip 44, the filly is by the late Mr. Prospector and is consigned by Craig Bandoroff's Denali Stud, acting as agent for Bob and Beverly Lewis. "She is a lovely filly and has a very sweet temperament," said Bandoroff, who also consigns a Gone West filly out of SW Miraloma (hip 167). Deputy Minister is represented by a pair of fillies from the Eaton Sales consignment of Tom Van Meter and Reiley McDonald. Hip 164 is a liver chestnut filly out of Lemon Dove (Forty Niner) and one that Van Meter has very high hopes for. "She sold for \$1 million as a foal and is a powerful and well-balanced filly. She is medium sized and comes from one of the best families in the book," he said. Hip 18 is a half sister to crack sprinters Chaposa Springs and You and I and brought \$750,000 as a weanling. A Gone West colt out of Laguna Seca (Seattle Slew) from the consignment of Three Chimneys Farm (hip 19) should represent his sire well. According to Three Chimneys General Manager Dan Rosenberg, "He is a strong, athletic and well-balanced individual. I just like everything about him." A half-dozen first crop sires of yearlings are represented, including Hennessy (nine yearlings), Grindstone, Smart Strike, and Unbridled's Song (two each), and Honour and Glory and Afternoon Deelites (one each). Grindstone's lone filly in the sale, hip 149, is a half sister to 1997 Horse of the Year Favorite Trick. Also attracting attention is hip 15, a half sister to 1998 Horse of the Year Skip Away by Seeking the Gold. But despite the upper-end nature of the sale, Rogers Beasley, Keeneland's director of sales, says, "There are a number of horses which have sold for \$150,000 to \$200,000 who have become nice racehorses. There is something for everyone."

Also Ran: Desert Hero.

Cat Thief, with 11 on-the-board finishes but only two victories, had developed a reputation as a consistent, but not particularly driven horse. He erased all doubts about his determination with a hard-fought victory over GI Santa Anita Derby winner General Challenge to earn the first Grade I victory of his career yesterday. Cat Thief, third in the Kentucky Derby, hadn't won a race since taking the GII Breeders Futurity at Keeneland last October and hadn't raced since running sixth in the May 29 GI Metropolitan H. The chestnut homebred duelled with Desert Hero (Sea Hero) in the early going and put that rival away nearing the final turn only to be joined by favored General Challenge. General Challenge put a head in front at midstretch, but Cat Thief battled back gamely to earn a narrow victory. "It was a gutsy performance in the last eighth of a mile, much more so than what I'd gotten from him in the two times I'd ridden him earlier this year," admitted winning rider Pat Day. "Today, he was tenacious. I mean, he was determined and I don't think if we'd have gone around two more times the other horse was going to get by us."

Plicck, a three-time winner in France under the tutelage of Carlos Laffon-Parias, hit the board only once in his first four American starts, winning the restricted San Marino H. in February, but returned from a two-month freshening to win a May 14 optional claimer and ran third in the Gill Golden Gate H. in his last outing June 19. The Irish-bred bay was never far out of it, rallied between rivals into the stretch and rushed up to take a short lead in the shadow of the wire. Shortly after the finish, Plicck was pulled up lame and vanned off the track. River Bay, who rallied from last and fell just short at the wire, also finished lame and was taken off the track in an ambulance. Dr. Ray Baran reported that injuries to both horses were not life threatening. "Plicck is lame in left front, but I can't tell you exactly what. River Bay ruptured his distal sesamoidean ligament, which is the ligament below the sesamoids."

Dubai Millennium suffered his only defeat in four starts when he was ninth in the G1 Vodafone Derby at Epsom June 5. He appeared not to handle the unique track on that occasion and also failed to stay the 12-furlong trip. Dropping back in class and distance here, however, he fairly trounced his rivals under a fine tactical Frankie Dettori ride to become the second successive British-trained winner of this race, following Dr Fong's win last year. Instructed to lead if there was insufficient pace, Dettori sent Dubai Millennium to the front soon after the start and set a strong gallop. He steadied the pace at halfway but continued to hold the call over his rivals. Soon after turning into the straight, Dettori asked his mount for his main effort and the two quickly scooted clear of his rivals to win easily. Said winning trainer Saeed Bin Suroor: "The drop back in distance really suited him and the track conditions were perfect for him today. We have no definite plans for him at the moment. We'll just take him home and see how he comes out of this race. I'm sure we'll just go for another Group race for his next start...we think his best distance might be a mile now, but he stays 10 furlongs."

SILVER CHARM TO THREE CHIMNEYS The 1997 Kentucky Derby and Preakness and 1998 Dubai World Cup winner Silver Charm (Silver Buck--Bonnie's Poker, by Poker) will stand at Mr. & Mrs. Robert Clay's Three Chimneys Farm in Midway, Kentucky. The champion three-year-old of 1997 earned \$6.94 million during a career in which he won 12 of 24 starts. Silver Charm, who raced in the colors of Bob and Beverly Lewis, will stand for \$25,000 guaranteed live foal and will be owned in a partnership between the Lewises and Clay. "We're extremely pleased to have our near-Triple Crown winner standing alongside noted Triple Crown victor Seattle Slew," said Bob Lewis. Robert Clay added, "We're looking forward not only to standing Silver Charm--a horse of amazing ability and consistency and an interesting stallion pedigree--but to welcoming his fans."

Famous Girl (Ger) (Motley) led the field until the end of the back straight, only to stumble badly and lose her action. Catella, settled in midfield early, swept into the lead in the upper stretch and soon went clear and cruised home for an easy score and now looks set to step up further in class.

Mythical Gem led every step to post the upset here, but pulled up lame and had to be vanned off the track. "He has a possible lateral condylar fracture of the left front ankle," said Dr. Neal Cleary, the track veterinarian. "He's a candidate for surgery, I would think. He's very comfortable." The colt had won his first two starts over the lawn in wire-to-wire fashion, including the Honor Guard S. at Pimlico May 31, but suffered his first turf loss in his latest, missing by a half length after setting the pace in the Nick Shuk Memorial S. at Delaware Park June 20. Overlooked with a jump into the graded-stakes ranks, the speedster went right to the front under new jockey Jorge Chavez and was never headed. "After the wire he started to bobble a little and I tried to take care of him," Chavez, who won five races on the day, said. The slight favorite, 3-1 Special Coach (Zafarrancho {Arg}), chased the pace, but couldn't close in the stretch and had to settle for fourth.

Back home for his latest, the gray finished third as the 3-5 chalk in the Victoria Park S. June 12. The second choice in the first division of this event, he set all the pace and was never challenged in a decisive victory.

Let, the runner-up in last year's GI Ashland S., hadn't been to the winner's circle since taking the Dowry S. at Philly Park last September, but had been facing tough company lately. She was fifth in the GII Shuvee H. May 22 and then fourth after losing a shoe and grabbing a quarter at the start of the GI Hempstead H. June 19. The second choice facing a much softer field, she chased the pace while wide, gained command at the quarter pole and pulled away to the wire.

"We came very close to scratching him because he's got a little bit of a high white blood cell count. We're going to freshen him for 60 days and look forward to the California Cup this fall."
