FASIG-TIPTON SARATOGA FINALE: KEEPING UP WITH THE JONESES

The rest of the buyers knew he was serious when Kevin McKathan, acting as agent for Aaron and Marie Jones, opened the bidding at a cool \$2 million for a bay son of Mr. Prospector at last night's final session of the 1999 Fasig-Tipton Saratoga Yearling Sales in Saratoga Springs, New York. When the gavel fell, Hip No. 186 belonged to the Joneses. The colt, consigned by Angus Glen Farm (1996) Limited, with Taylor Made Sales Agency as agent, was ultimately purchased for \$3 million. "He was just one of those horses you've got to put in the barn," McKathan said. "We just loved him. We think he is as good a horse as we have seen in a long time." As for his buying strategy, McKathan said, "We were hoping to flush everybody out with \$2 million as the opening bid. We thought he could have brought any number...but \$3 million was about on target with what we had in mind." Coolmore Stud was the underbidder, going to \$2.8 million before dropping out. The half-brother to stakes winner and graded stakes-placed Spire (Topsider) will stay at Taylor Made until October before going to McKathan Farm in Florida to be broken. Bob Baffert will train the colt. The Mr. Prospector was the only seven-figure yearling on the night, but the average at the three-day '99 Saratoga Summer Sales, \$261,456, still showed a 24.7 percent increase over 1998, setting a record for the venue. The previous record average of \$258,980 was set in 1985. The median over the three days of the auction, \$190,000, was up 18.75 percent from last year. "The market is good and we had a number of nice horses," Fasig-Tipton President Walt Robertson said. Added Chairman D. G. Van Clief, Jr., "Saratoga has always been and remains a magical place to sell a yearling. We are deeply indebted to the consignors who supply us our product and to the people who buy them." VICTORY GALLOP STILL COUGHING GI Whitney H. winner **Victory Gallop** (Cryptoclearance) continued to cough yesterday morning and his trip to Del Mar for the Aug. 29 GI Pacific Classic is now in jeopardy. "We'll have to see how that cough goes," trainer Elliott Walden commented yesterday at Saratoga. "I'm not sure when we're going to breeze him. If we don't get to breeze in the next couple of days, then I'm very concerned about making the race." Scheduled flights westward on Friday and Tuesday were scrapped after the four-year-old colt began coughing last week.

The full to Hansel, Ch. 3yo, MGSW, \$2,936,586; and Lahint, MSW & MGSP, \$376,991, broke his maiden two back at Belmont June 23 and returned to edge Gone Fishin in a Belmont allowance July 11. Back on her preferred surface, the 1/2 to Jazz Club (Dixieland Band), MGSW, \$273,947, battled on the front end early before shaking loose at the top of the lane and pulling away to a three-length score as the 2-1 chalk. The 9-5 favorite relaxed early, saved ground on the turn, angled out in upper stretch and was along in time to score by three-quarters of a length over Exclusive Band (Dixieland Band). Negotiator was a \$40,000 FTKJUL yearling and a \$60,000 FTFEB juvenile purchase. Lifetime Record: 4-1-0-0, \$28,800.

Trainer Bill White Saddles Winner No. 1,000:

Trainer Bill White picked up the 1,000th winner of his career yesterday, sending out Spendasheba to win the 10th race at Calder. "I won my first race with a bottom maiden claimer and now I've won my 1,000th race with a bottom maiden claimer," White laughed. "I've come a long way, haven't I?" But he added, "For any trainer that has won 1,000 races, and there are plenty that have, they'll tell you about the tremendous amount of hard work it takes on the part of many people." The Illinois native took out his first trainer's license at Tampa Bay Downs in 1983. He has been the leading conditioner at Calder six times and at Hialeah twice.

CORAL TO GO OFF SHORE; WILLIAM HILL NEXT

Coral yesterday became the highest-profile British bookmaking firm to announce that it is setting up an off-shore betting operation that will not be liable to British betting tax and levy. Victor Chandler and Stan James already have similar outlets in Gibraltar which were initially aimed at high-rolling punters but now attract smaller bettors because of their low deductions, three percent in the case of Victor Chandler compared to the general nine percent in Britain. "We just can't afford to sit back and do nothing," said Coral public relations manager Malcolm Palmer. "And it looks like our main competitors will be doing the same thing. We are looking at various sites and will move as soon as logistically possible." Coral is number three in the British market and the number two bookmaker William Hill is also set to go off-shore with telephone betting. "I would say it's inevitable that we will be doing it," said spokesman Graham Sharpe. "It's not something we want to do, but it looks like we will have to do it. We simply can't afford to be left behind and have our business picked off." Ladbroke, the market leader, will make a statement at an Aug. 26 press conference.

RACEFORM BOUGHT BY RACING POST

Raceform, which had previously provided the only competition to the Racing Post as publishers of weekly racing papers and form books, was bought yesterday by the Post's parent company, the Mirror Group Plc. Raceform will continue to operate from its base in Berkshire, and the company's managing director James de Wesselow said, "The alliance will allow for increased resources in all our titles from our Compton base as well as giving us the umbrella of the *Racing Post* in terms of the logistics of printing, distribution and electronic media." Mirror Group has said that all the existing Raceform titles will continue to be published.

AVERTI STAYS ON COMEBACK TRAIL; JUDDMONTE INTERNATIONAL DRAWS 18

There were 18 acceptors for Tuesday's G1 £370,000 Juddmonte International: Almushtarak, Almutawakel, Bienamado, Central Park, Chester House, Compton Admiral, Dubai Millenium, Fantastic Light, Fruits of Love, Golden Snake, Greek Dance, Kissogram, Make No Mistake, Pegnitz, Royal Anthem, Saffron Walden, Salford Express and Wallace. NOW EVERYBODY CAN RIDE DOUBLE TRIGGER

The popular stayer Double Trigger (Ire) (Ela-Mana-Mou {GB}) is to have a train named after him by Great North Eastern Railway, who sponsor the Doncaster Cup, a race that Mark Johnston's former charge won for a record third time last year. David Mallender, spokesman for GNER, said yesterday, "It is a nice tie-in with our sponsorship, so we approached the horse's connections and they were delighted. It is the first time since the demise of steam that a train has been named after a racehorse." Ron Huggins, Double Trigger's owner, was delighted at the news. "It's absolutely fantastic, isn't it?" he said, adding that Doncaster racecourse is building a statue of Double Trigger, who now is a stallion at East Burrow Farm in Devon.

PRIOLO TO MOVE TO IRISH NATIONAL STUD

Priolo (USA) (Sovereign Dancer {USA}) will stand at the Irish National Stud next season, at a fee to be announced, because Sean Collins' Corbally Stud in Ireland is giving up standing stallions. Priolo has had a great flag-bearer this season in the shape of G1 Poule d'Essai des Poulains and G1 St James's Palace S. winner Sendawar (Ire). The 12-year-old Priolo, who won the Prix du Moulin, Prix Jacques le Marois and Prix Jean Prat, is also the sire of Group 1 winners Priory Belle (Ire) and Brilliance (Fr). His 1999 fee was Ir£3,000. John Clarke, the Irish National Stud manager, said yesterday, "As a successful proven sire he should prove very popular with our clients." A spokeswoman for Corbally confirmed yesterday that the Co Kildare farm would not have any stallions next season, but was unable to provide plans for the remainder of the team--Desert Style (Ire) (Green Desert {USA}), Paris House (GB) (Petong {GB}) and Persian Bold (GB) (Persian Lad {Ire}).
