SHEIK MOHAMMED PURCHASES INTEREST IN TOP GERMAN SIRE

In an event unprecedented in German thoroughbred history, Sheik Mohammed al Maktoum has purchased a 10.8-percent interest in leading European second-crop sire **Lomitas (GB)** (Niniski). The 11-year-old will remain at Gestut Fahrhof in Germany and stand the 2000 breeding season for a stud fee of DM38,000 (\$19,841). Lomitas' book will be limited to 65 mares, though to date 125 applications have been received. Sheik Mohammed will be entitled to send seven mares to the stallion. A three-time Group 1 winner and multiple champion in Germany, Lomitas is the sire of the 1998 highweight German two year old and 1999 G2 German 2000 Guineas winner **Sumitas (Ger)** and this year's G1 Deutsches Derby hero **Belenus (Ger)**.

OAKS TRIPLE FOR RAMRUMA

With the English and Irish Oaks already in the bag, **Ramruma (Diesis {GB})** completed a famous hat-trick of Oaks wins with a score in yesterday's Yorkshire Oaks at York Racecourse in England, repelling all challenges throughout the length of the long straight for her third Group 1 success. The win also brought a tremendous gesture from her owner. Prince Fahd Salman promised to give £5,000 to the Spinal Injuries Association should his filly win and in the euphoria of the winner's circle that figure was doubled. **Mary Stuart (Ire)** (Nashwan) went straight to the lead but jockey Pat Eddery, unhappy with the moderate pace, sent Ramruma to the front after only two furlongs. She still held sway with three furlongs to run, but the challenges were beginning to mount as **Noushkey (GB)** (Polish Precedent) and **Zahrat Dubai (GB)** (Unfuwain) made brief yet fruitless bids. Ramruma was game in front and still had more to offer as **Ela Athena (Ire)** (Ezzoud {Ire}) came down the wide outside to deliver one final challenge. Ramruma kept up a relentless gallop and won with a bit in hand. Salman said, "If I could sum it up in just one word I would say 'smashing.' As far as the Arc and St Leger are concerned, the plans are still open as I haven't made up my mind yet, but I think I will keep her in training as a four-year-old. She's very lazy but she wouldn't let anything pass her."

SPRINTERS LINE UP AT YORK

Another rung on the ladder toward the European champion sprinter will be climbed at York today, and **Stravinsky** will be short odds to confirm the excellent form he showed when running away with the G1 July Cup at Newmarket July 8. This will be no formality, as he faces a furlong shorter trip and softer ground conditions. Adding to those concerns, he also faces some stern opposition, most notably from **Sainte Marine**, second in this event last year. This French-trained filly has been in smart form this season and was a highly convincing winner of the G2 Prix du Gros Chene at Chantilly June 5. She has since finished third in the G2 King's Stand S. at Royal Ascot June 18, and should have an outstanding chance here. **Lochangel**, last year's winner, has had this as her main target all season. She was second to **Tipsy Creek** in the G2 Temple S. at Sandown May 31, and was fourth in the King's Stand S. **Flanders** was second in the King's Stand S. and enters calculations on that form alone. She has solid each-way claims. (Nunthorpe S. field p2)

Gaining ample compensation for his defeat by City On A Hill in the G3 July S. at Newmarket July 7, Mull Of Kintyre simply ground the opposition down to score his first Group win. In doing so, he afforded his owners the opportunity of making the traditional winner's speech at the Gimcrack Dinner later in the year. With the victory, Mull Of Kintyre became the first Irish-trained winner of the race since Nebbiolo in 1976. Breaking well, he raced prominently in the third lane off the the rail as Foe dictated the early tempo, with Ma Yoram racing widest of all in fourth. Approaching the final quarter, it became apparent that Mull Of Kintyre was travelling best of all and it was only a question of when Mick Kinane's patience for sitting handy ran out. The question was no sooner asked than answered as Mull Of Kintyre quickened clear approaching the final furlong and settled the matter in an instant. He was only kept up to his work to score in convincing style. Ma Yoram was not disgraced by the obviously high-class winner and ran on well to secure second place. Bally Pride kept on well from the rear and proved best of the others when taking third from Day Journey (Dayjur) close to home. Winning co-owner Michael Tabor said, "He's up there with the best that we've got, without saying he is the best. It's difficult to gauge these things with two-year-olds. We haven't discussed a plan for him at this stage; it is just a question of taking it one step at a time."

Saratoga Special cont.

With pro-tem leader More Than Ready staying in the barn awaiting the GI Hopeful S. Sept. 4, the Saratoga Special presented an opportunity for Eastern juveniles to help themselves to graded-stakes credentials. Bevo proved himself most capable as he returned from a two-month layoff to capture his first added-money event. After breaking his maiden by two lengths at Aqueduct Apr. 29, Bevo had some trouble when third to More Than Ready in the Flash S. at Belmont June 4. The chestnut colt then trounced an allowance field at Belmont June 18 in his most recent start. Drawing the outside, Bevo veered right at the break, but settled quickly in fourth as Afternoon Affair and Dance Master (Gone West) dueled through fractions of :21 4/5 and :45 1/5. Bevo launched his bid three wide off the turn and drew clear through the lane under a drive. "Today, it looked like there was plenty of speed, so we took back to make one run," said winning trainer Billy Badgett. "We'll think about the Hopeful, but...I think hell be better going longer. Our plan all along is to get him stretched out for the races later in the year." Winning jockey Edgar Prado captured his second graded stakes in two days after piloting Regally Appealing in Monday's GII Adirondack S. "He shot through at the top of the stretch and kept going," said Prado. "He's still learning with every race." Favored Afternoon Affair held gamely after his pace battle and will return to fight another day. "We'll nominate him for the Hopeful, and see what develops," said trainer Stanley Hough.

Best Pal S. cont

The field for the Best Pal sported a combined nine wins in 11 starts, including the two-for-two record achieved by Dixie Union. The 2.40-1 favorite in his June 13 debut at Hollywood Park, the dark bay allowed himself to be taken off a very hot pace set that day by Caller One (Phone Trick), then collared and passed that rival to win by 1 1/2 lengths. Give five weeks, Dixie Union next appeared in the GIII Hollywood Juvenile Championship and dueled on the lead with Exchange Rate, eventually getting the better of that foe late while down on the inside to win by 1 1/4 lengths. Caller One set the early fractions with Exchange Rate in between horses in second and Dixie Union in a striking position from third. Entering the stretch, Caller One hoisted the white flag, and it was a rematch of the Hollywood race. Exchange Rate was a half length in front at the eighth pole with Dixie Union pinned on the rail, but the latter showed good courage and got up to nip Exchange Rate at the line. Winning trainer Dick Mandella commented, "Even as close as it was, it just seemed he had that look about him turning for home that he was the dominant force there and that's the way it was." Added winning rider Alex Solis, "I think he is going to be one of those horses who doesn't win by many. But I think he is going to do lot of winning." The closing day GII Del Mar Futurity Sept. 8 is next for the winner and runner up.

Yet another Aidan O'Brien inmate makes the journey across the Irish Sea in an attempt for further Group race glory for the powerful Irish team. **Warrior Queen** is Ballydoyle's representative and reopposes **Rowaasi**, who finished in front of her when they were third and second, respectively, in the G3 Queen Mary S. at Royal Ascot June 16. It is worth noting that **Warrior Queen** was reported to have hit her head when a touch fractious in the stalls and her performance was more creditable than the bare form would suggest. **Journalist** was most impressive on her debut when winning a maiden at Newmarket July 8, and she reaffirmed the promise of that run with a fine second in the G3 Princess Margaret S. at Ascot July 24. She looks a classy sort and has the necessary ability to figure.

Saturday, Saratoga Race Course:

ALABAMA S.-GI, \$400,000, 3yo, f, 1 1/4m

Champion **Silverbulletday** (Silver Deputy) breezed five furlongs over Saratoga's main track in 1:00 2/5 Tuesday. The three-year-old filly galloped out six furlongs in 1:12 3/5 and is expected to face five other rivals, including GI CCA Oaks winner **On a Soapbox** (Mi Cielo).

Sharp Cat had notched up three of those Grade I wins by the time her half brother by Theatrical was consigned by Kirkwood Stables to Barretts' 1997 sale. Although the Thoroughbred Corporation team had to go to such prices as \$1,000,000 and \$900,000 to secure other yearlings, they was able to purchase the Theatrical colt--the future Royal Anthem--for \$500,000. The colt now looks an even bigger bargain than Sharp Cat, with considerable future earnings surely awaiting him on the track and at stud.

Royal Anthem and Sharp Cat were both sired by grandsons of Northern Dancer, but the two grandsons involved are very different types. Whereas Storm Cat is a robust, powerful sort who gained the bulk of his earnings at two, Theatrical is a tall, narrow individual who earned most of his fortune as a five-year-old. Both, of course, have proved to be very good sires, serving somewhat different sections of the industry.

As a champion turf performer at around 1 1/2 miles, Theatrical has naturally tended to sire horses who excel over 1 1/2 miles or more, enjoying worldwide success thanks to such as Zagreb, Broadway Flyer, Portway Player, Duda, Hishi Amazon, Auntie Mame, Dahlia's Dreamer, Marchand de Sable and Vaudeville. However, Theatrical has also sired some very notable winners at shorter distances, including Madeleine's Dream, Geri, Pharma, Apolda and Golden Treat, with the aid of mares by the likes of Tyrant, Mr. Prospector, Hagley and Blushing Groom.

Royal Anthem's dam In Neon was a stakes winner over 8 1/2 furlongs as a five-year-old but his broodmare sire, Ack Ack, defied categorization. In earning the title of Horse of the Year in 1971 he won stakes races over 5 1/2, 7, 8 1/2, 9 and 10 furlongs, so he possessed speed allied to a sizeable measure of stamina. His name has tended to become associated with stamina, thanks to the Derby successes of his son Teenoso and of Benny The Dip, a colt out of an Ack Ack mare, and the 1 1/4-mile Grade I successes of Broad Brush. However, Henry Cecil is convinced that Royal Anthem is better at 1 1/4 miles than 1 1/2 miles, despite the colt's win in the Canadian International. The next dam, Shamara, was by Dewan, an important winner at up to 1 1/4 miles, but it is worth pointing out that she was bred along similar lines to Rousillon, a top-class European colt who never ventured beyond a mile. Whereas Shamara was by a grandson of Nasrullah out of Palsy Walsy, Rousillon was by a grandson of Nasrullah out of a daughter of Palsy Walsy.

All horses in the International *TDN* were bred in North America unless otherwise indicated.

Royal Anthem--the Theatrical colt billed by owner Ahmed Salman as the best horse in the world--is yet another rich dividend that Salman's Thoroughbred Corporation has reaped from Barretts' select sale of two-year-olds.

It was at the 1996 sale that Salman paid a sale-topping \$900,000 for a filly by Storm Cat out of the Ack Ack mare In Neon. Although the filly had cost no more than \$205,000 at Saratoga, her new owner declared that, "I would have paid more if I had to. She's lovely--a perfect 10." This assessment proved spot on, because the filly, named Sharp Cat, went on to earn over \$2,000,000 in a career that featured seven Grade 1 wins at up to nine furlongs.

PRIX MORNAY FIELD SHAPES UP

Bachir (Ire) (Desert Style {GB}), the John Gosden-trained **Richmond S.** winner, stable companion **Warm Heart (USA)** (Diesis {GB}), and the Peter Chapple-Hyam-trained **Mount Abu (Ire)** (Foxhound {GB}) are the three British acceptors for the G1 Prix Mornay at Deauville this Sunday. Irish trainer Aidan O'Brien has left in **Rossini (USA)** (Miswaki {USA}), **Fasliyev (USA)** (Nureyev {USA}) and **Buffalo Berry (Ire)** (Sri Pekan {GB}). Godolphin's **City On A Hill (USA)** (Rahy {USA}), the July S. winner whose form was boosted by the success of the second **Mull Of Kintyre (USA)** (Danzig {USA}) at York yesterday, is one of the three French-trained acceptors in the six-furlong event.

A winner just five days ago when successful by a head in a conditions event at Ripon, **Buy Or Sell** got up in the final strides to deny **Alfailak** and secure his first stakes win. **Kind Emperor (GB)** (**Emperor Jones (USA)**) led in advance of **Melon Place** and **Shinbone Alley (GB)** (**Lake Coniston (Ire)**) as **Alfailak** and **Buy Or Sell** raced in midpack with the field tightly bunched. Racing with a quarter-mile to go, **Melon Place** looked menacing on the outside as **Shinbone Alley**, **Alfailak** and **Buy Or Sell** moved up to challenge. The four were line abreast at the distance and **Alfailak** was the first to seize the initiative with 150 yards to run. (Cont.)

Costcutter Roses S., Cont.

Melon Place kept on as **Shinbone Alley** started to fade and it was left to **Buy Or Sell** to make the final challenge. He inched closer to the runner-up with every stride and grabbed the lead in the shades of the post to wrest victory from the game **Alfailak**. **Melon Place** held on well for third as **Labrett (GB)** (**Tragic Role (USA)**) made giant paces from the rear to take fourth. Winning trainer **Tim Easterby** said: "He is one of the toughest horses we have ever had. You run him, and then the next day he is absolutely spot on again. Having won at Ripon on Saturday, we were not going to run but after looking at the field (of entries) I could not resist it. He has always been a very quick horse so I was not really concerned about the drop back to five furlongs."

Lightly raced **Vicious Circle** came into this race off only two starts this campaign--including a win first time up in a Newcastle conditions event at the end of June and a good second in an Ascot handicap July 24. Well in rear for much of the race, he only began to close on the leaders well down the straight when switched for a clear run along the inner rail and quickened well to go clear a furlong out and run on strongly for a daylight win from the fast-finishing **Travelmate**, who was also runner-up in the Northumberland Plate at Newcastle at the end of June.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a + will denote winners who are first-time starters.

 Having finished a respectable fourth to Prairie Runner (Ire) in the G3 Prix Minerve at Deauville July 14, Colour Scheme, the only filly in the race, recorded her first stakes win under a highly proficient ride. She led at a slow pace in advance of Turtle Valley (Ire) (Turtle Island {Ire}) during the early going. Turtle Valley joined Colour Scheme turning out of the back straight and went to the front entering the straight. Dominique Boeuf had kept plenty up his sleeve, however, and encouraged Colour Scheme back into the lead at the quarter-mile marker. She went two lengths clear of her rivals and that advantage was to prove decisive as none of the others could peg her back. Amilynx kept on resolutely for second without mounting a serious challenge and Casamasa ran on well for third. Winning trainer David Smaga said: "Colour Scheme is an improving filly and very courageous, who finds more everytime she runs. She will now be pointed to the G3 Prix de Lutece over 3000 meters at Longchamp Sept. 7."

She was ridden at the quarter-mile marker, led 150 yards from the finish and ran on well for a comfortable two length win. Lifetime Record: 1 start, 1 win, FF80,000.

She was ridden entering the straight, eventually got to the lead with a half furlong to run and was all out to hold off the strong late challenge of Maranta (Fr) (Marju {Ire}) by a nose. Lifetime Record: 4 starts, 2 wins, 2 places, FF143,000.
