## MAZEL TRICK OUT OF PACIFIC CLASSIC

GII Triple Bend H. winner Mazel Trick (Phone Trick) broke down during a five-furlong workout yesterday morning at Del Mar while preparing for Sunday's GI Pacific Classic. The four-year-old fractured both sesamoids in his right front leg and, while the injuries do not appear to be life threatening, his racing career is likely over. Mazel Trick was nearing the far turn, when he was pulled up by jockey Chris McCarron. He was taken by ambulance back to the barn of Bobby Frankel where x-rays confirmed the injury. In recent weeks, the Classic has lost Victory Gallop and Real Quiet to injury.

## DEAUVILLE DAY FOUR

With top price of FF800,000 for a colt by Sillery--Debbie's Law (Ire) (Law Society), the fourth day of the Deauville August Yearling Sale has again confirmed the vitality of the French market. Irish bloodstock agent Peter Doyle, very active for the last four days, signed the slip for the bay, consigned by Haras du Buff (Neustrian Associates) and sold as hip 391, the last number of the day. The second highest priced yearling of the day was hip 380, a daughter of 1999 first crop sire Green Tune out of the Top Ville mare Battani. Consigned by Haras d'Etreham, the filly was purchased for FF450,000 by the Wertheimer brothers. Through four days, 282 horses grossed FF161,830,000, up 12.3 percent from 1998. The average after four sessions is FF573,865, up 9.9 percent from last year.

## LADIES OF THE LAKE

Looking to keep her turf record unblemished, Nani Rose (Peteski) will face 11 rivals today in Saratoga's GII Lake Placid H. The filly has run her rivals into the ground in three turf starts, including wins in the GIII Regret S. at Churchill June 6 and the GIII Lake George S. Aug. 2 here at the Spa. Nani Rose may be tough to catch, but one who might get the job done is Emanating (Cox's Ridge), sharp winner of her turf debut at Belmont June 30 and a hard-charging third in the GI Test S. over the main track July 31. Ratatuia (Zafonic) makes her North American debut off a win in her native Great Britain June 15.

## Saturday, Saratoga:

TRAVERS S.-GI, \$1,000,000, 3yo, 1 1/4m

Belmont S. runner-up Vision and Verse (Storm Cat) worked a half mile at Saratoga yesterday in :48. Stablemate Unbridled Jet (Unbridled) went a half mile in :47 4/5. "They both galloped out strong and that's what I wanted to see," said trainer Bill Mott. "These are two horses that needed time to mature. They both lost their last races (Vision and Verse sixth in the GII Jim Dandy and Unbridled Jet a troubled fourth in the GI Haskell), but they have both proved they can get the trip. They've both earned their chance to start in the Travers."

All horses in the International TDN were bred in North America unless otherwise indicated.

## WEEKEND PEDIGREE PERSPECTIVES

O/B-The Robert H Walter Family Trust (KY); T-Bob Baffert; J-D R Flores; \$150,000. Lifetime Record: 12-4-5-0, \$383,159.

One remarkable feature of Seattle Slew's stud career has been the ability of his less spectacularly performed sons to outstare themselves. Sons of Seattle Slew who were not high-class performers themselves who have still sired Group or Grade I winners include Slewacide (placed in one start), Gold Meridian (listed winner in Ireland), Air de France (one win in two starts), Synastry (stakes placed), Gleam Machine (one win) and Warring Nations (non-winner). Other graded stakes sires by Seattle Slew who were not themselves stakes winners include the very promising Gold Legend (unraced) as well as Seattle Battle and Breeders Bonus (both also unraced), Avenue of Flags, Kentucky Slew, Turkey Shoot and Slew's Royalty.

To the list of Grade I sires we can now add the name Slewvescent, sire of this weekend's GI Del Mar Oaks heroine Tout Charmant. Slewvescent, a son of champion Our Mims (herself a half sister to Alydar), cost \$475,000 as a yearling and earned just \$15,600 of that back on the track with one win from seven starts. Slewvescent, who now stands at Creston Farms in California, has been represented by five crops of race age, with 57 starters and 26 winners, including stakes winners Lazy Slusan and Kraal.

In the case of Tout Charmant, it has to be admitted that Slewvescent had some help from the dam, Charm A Gendarme. A sister to \$500,000 earner Charmonnier, Charm A Gendarme was herself a three-time stakes winner, her most notable triumph coming in the GIII Seniorita Breeders' Cup S. The family, which traces to Magic Night--a Star Kingdom mare imported from Australia--has not been a top-class one in recent times, but Tout Charmant is its second Grade I winner of this year as the GI Carter H. victor Artax is out of a half sister to Fagers Charm, the dam of Charm a Gendarme.

From a pedigree pattern viewpoint, the most interesting thing about Tout Charmant's pedigree is that the fourth dam is by Power Ruler. This stakes winning two-year-old was by Bold Ruler out of a Polynesian mare, and therefore bred on an identical cross to Boldnesian, the grandsire of Seattle Slew. Thus, Tout Charmant has the three parts genetic relatives 4x5 in her pedigree. The strain of Bold Ruler's sire Nasrullah also gets a lot of support in this pedigree since Seattle Slew has two other strains of Nasrullah, one through a daughter. Then Batonnier (Tout Charmant's broodmare sire) is out of champion two-year-old Mira Femme, who has in her pedigree Furrokh Siyar and Oil Capitol, two genetic relatives to Nasrullah.

### PEDIGREE SHORTS

We note a very clever pattern in the pedigree of Point Guard (f, 4, Regal Intention--Quiet Magic, by No Louder), winner of the Cover Girl S. at Hastings Park on Sunday. Her sire Regal Intention is out of a daughter of the mare Loudrangle, who also appears as dam of Point Guard's broodmare sire No Louder, giving Loudrangle 3x3. In addition, Regal Intention is by Vice Regent, who has a very similar Northern Dancer/Windfields combination to Barachois, the sire of Point Guard's second dam.

Winner of the listed Ballycullen S. at Leopardstown on Sunday was Royal Rebel (c, 3, Robellino--Greenvera, by Riverman). He has Monarchy and her full brother Round Table 4x4, each time combined with Bold Ruler.

Oyster Catcher (f, 3, Bluebird--Brigid, by Irish River), who captured her first stakes victory with a win in the Belgrave S. at Fairyhouse, is inbred 5x5 to the mare Sunday Evening, who appears as fourth dam of both her sire and dam. Sunday Evening duplications are also found in Bluebird's sprint champion Dolphin Street (a close relative to Oyster Catcher) and the 1999 Group 2 winner Ronda.

My Baby (c, 2, Anjiz--Susita Duke, by Nostrum), winner of the Iowa Cradle S., has a rather unusual inbreeding. Her sire is a grandson of Northern Dancer, and her broodmare sire is by Northern Dancer's half brother, Nostrum, giving her Natalma 4x3.

## SANGSTER TO REPLACE CHAPPLE-HYAM WITH GOSDEN

John Gosden, 48, who currently trains in Newmarket, will replace trainer Peter Chapple-Hyam at Robert Sangster's 2,500-acre Manton estate next season. Chapple-Hyam had considerable success for Sangster, training the likes of multiple champion and English and Irish 2000 Guineas winner Rodrigo de Triano and as well as champion and G1 English Derby winner Dr Devious. Chapple-Hyam has endured a difficult 1999 season, however, and the decision to make a switch was made. Sangster said yesterday, "Making these decisions is never easy, however during the last year or two things haven't gone as Peter or myself would have wished and we both felt that a change was in our interests. I am very pleased that Peter has decided to continue training on his own account and I will certainly support him as I am sure many of the outside owners at Manton will also do. I have known John in both a personal and professional capacity for over 20 years and I am looking forward to his joining us at Manton." John Gosden said, "I am greatly looking forward to training at Manton and renewing my association with Robert for whom I trained in America. I would also particularly like to express my gratitude to Sheikh Mohammed for his constant friendship and support since my return to England. I am pleased to confirm that I will continue to be training for him at Manton. Obviously, I am currently speaking to my existing owners who are a wonderful group of people. I am happy to say that everyone has been enthusiastic and supportive." Sangster is the most successful British-based owner of the last two decades. In 1987 he replaced Michael Dickinson who was his first trainer at Manton. Barry Hills filled in until Chapple-Hyam started training at Manton in 1991. Manton stable jockey Jimmy Fortune expects to ride first call for the new trainer. "I've ridden a few times for John Gosden in the past and look forward to riding for him again," Fortune said.

### COCHRANE BACK IN THE SADDLE

Ray Cochrane, who had a fall in the G1 Nunthorpe S. at York last Thursday, makes his return to race-riding at Lingfield today. His agent Andrew Gilbert said, "There are no problems. He went for his run before he was off to the races yesterday and had just stiffened up a bit. He has been riding out and everything, but the bruising was still coming out. I thought the fall looked absolutely horrific and I think he was very lucky to have walked away with just bruises. He was lucky he had a new back protector on that day and that there was a bit of give in the ground."

**TAYLOR'S CONDITION IMPROVING**

Jump jockey Scott Taylor, unconscious since a fall at Perth on Friday, is making some progress according to his agent Richard Hale in Ninewells Hospital, Dundee. Hale said yesterday, "There hasn't been much change but what change there has been, has been positive. He is still heavily sedated and is still on the ventilator, but they have been taken him slightly off the sedation, so he is doing some of the breathing himself, which is a good thing. The doctor says that in terms of long-term damage all the monitoring tubes to the brain look good enough, but that he can't really make a guess until Scott has regained consciousness."

**FAIRYHOUSE RACES UNDER SCRUTINY**

The Irish Turf Club said yesterday that two races over six furlongs at Fairyhouse on Saturday were run short of their proper distance after fast super fast time prompted suspicions. The races were run in 1:06.90 and 1:06.30. The Turf Club inspector of courses has since measured track and found the distance was short of that advertised.
