CHARISMATIC ARRIVES AT LANE'S END

GI Kentucky Derby and GI Preakness winner **Charismatic** (Summer Squall) arrived at his new home, Lane's End Farm near Versailles, Kentucky, yesterday afternoon. The three-year-old, whose racing career ended after he was injured while finishing third in the June 5 GI Belmont S., will stand at Lane's End next year for a fee of \$35,000 live foal.

RUNNING STAG TO SKIP BREEDERS' CUP

Running Stag (Cozzene), winner of the GII Brooklyn H. and GII Saratoga Breeders' Cup H. in his last two U.S. starts, will not point for the Breeders' Cup Classic. His trainer, Philip Mitchell, explained, "Florida is a graveyard for European horses. Even though he has run a few times on dirt, he's still a European horse. European horses can't deal with the heat and humidity there." Running Stag will run next in the GI Woodward S. at Belmont Park Sept. 18 before returning to Britain to be prepared for the International meeting at Hong Kong in December.

High Yield (Storm Cat), who broke his maiden by an impressive 8 3/4 lengths at Saratoga Aug. 7, worked five furlongs in 1:00 3/5 over the Oklahoma training track at the Spa yesterday morning. The D. Wayne Lukas trainee makes his next start in the Hopeful. "He looked awesome out there," Lukas assistant Mike Maker said. "He has been training great." The colt, a \$1,050,000 Keeneland July yearling, finished third in the GIII Hollywood Juvenile Championship before breaking his maiden.

Versatility is a quality which many modern European trainers tend to downplay in their horses. Adopting the policy of "if it ain't broke, don't fix it," they try to establish each horse's optimum distance and then stick fairly rigidly to it.

One notable exception was the late Francois Mathet, who adopted a very adventurous policy with the likes of Zeddaan (GB), *Silver Shark and Blushing Groom (Fr). In the hands of the French maestro, Blushing Groom became only the second colt good enough, and versatile enough, to land France's four major juvenile events over distances ranging from 5 1/2 furlongs to a mile. Blushing Groom trained on to win the Poule d'Essai des Poulains, and Mathet next attempted to win the English Derby with this son of the fast Red God. Even though the experiment failed, Blushing Groom was far from disgraced in finishing third behind The Minstrel, and plenty of his progeny shone over 1 1/2 miles. For example, his son Runaway Groom won two legs of the Canadian Triple Crown, both over 1 1/2 miles, plus the Travers S. over 1 1/4 miles.

However, Blushing Groom's versatility reasserted itself in Runaway Groom's son Cherokee Run. This colt successfully progressed up the distance scale at three after equalling the track record for seven furlongs in the Gill Lafayette S. He took the Gill Derby Trial S. over a mile and then finished an excellent second, beaten half a length, in the GI Preakness S. over 9 1/2 furlongs.

Although he later won the Gill Dwyer S. over nine furlongs, Cherokee Run was transformed by Frank Alexander into a sprinter at four, when he never tackled more than a mile and became a Grade I winner in the Breeders' Cup Sprint.

Runaway Groom made his debut at stud in 1996, at a fee of \$7,500 at Jonabell Farm, and has made an eye-catching start, thanks to his remarkable daughter Chilukki. This filly's potential was already apparent when she drew a bid of \$875,000 from John Adger, agent for Stonerside Stable, at Fasig-Tipton's Calder Two-Year-Olds in Training Sale in March. "She is a very nice filly," Adger said at the time. "I like her pedigree. Hopefully, if she turns out to be a stakes winner, she would be a welcome addition to the broodmare band."

She will be all the more welcome now that she is unbeaten in five starts, including four graded stakes--especially as her pedigree is free of such as Northern Dancer, Raise A Native, Bold Ruler and Hail To Reason. The filly has every right to be precocious. Her sire won five of his seven juvenile starts and her dam, Song of Syria, is a half-sister to Doulab, a quick-maturing colt whose wins at two included the G2 Gimcrack S. and G3 Cornwallis S. Chilukki's second dam, Passerine, was a half-sister to Properantes (GI San Juan Capistrano H.) and her third dam, Pashamin, was a half-sister to *Seaneen (GI Californian S.).

*Tir An Oir, the fourth dam of Chilukki, was imported from Ireland and it is easy to see why. Her dam, Golden Penny (GB), was a sister to *High Stakes, a high-class gelding; parents Hyperion (GB) and Pennycomequick (GB) were both classic winners.

The question now is whether Chilukki will be able to stretch her speed to the 1 1/16 miles of the Breeders' Cup Juvenile Fillies later this year. There is no obvious reason why she shouldn't, as her first two dams are by the versatile Damascus, a winner at up to two miles, and Dr. Fager, a winner three times over 1 1/4 miles despite his champion sprinter status. Perhaps it's an omen that this race fell to Eliza, a filly by one of Blushing Groom's fastest sons, the last time it was contested at Gulfstream Park in 1992.

The 6-5 favorite in the Classic, **Malek (Chi)** (Mocito Guapo {Arg}), finished fifth, but earned an \$8,000 bonus for the points he had picked up earlier in the series.

Steroid Scandal in Ohio:

According to the *Harness Tracks of America* newsletter, the *Cleveland Plain Dealer* reports that seven veterinarians in Ohio have been charged with administering anabolic steroids to "hundreds of Thoroughbreds and standardbreds" competing at tracks in the state. One case has been settled, with the remaining six awaiting hearings this fall. Ohio law prohibits the use of steroids for non-therapeutic purposes, but the state lab does not test for them. Cliff Nelson, executive director of the Ohio State Racing Commission, told the *Plain Dealer* that testing for steroids could drive Ohio horsemen from the state. Only Florida currently tests for steroids. "The only fair way to do this is to have a national standard," Nelson told the *Plain Dealer*. "There are concerns that Ohio's racing industry would suffer if we changed the way we do things." Dr. Richard Sams, the director of drug testing at Ohio State University, was quoted as saying, "The problem is, everybody does it."

"He went a mile in 1:38 and change," trainer Bobby Barnett said. "Then he galloped out in 1:51 and change for 1 1/8 miles. He came back real good and I think he's ready for the race." BRIEF TRUCE TO GERMANY

Brief Truce (USA) (Irish River {Fr}) will be moved from Coolmore Stud in Ireland to Germany, although the exact location, as well as a possible syndication deal, has yet to be determined. He was named Champion Three-Year-Old Miler in France in 1992 and has sired Camargo (Ire), winner of the last year's G3 Railway S. from the first of his three crops.

KINGS LAKE DESTROYED

Kings Lake (USA) (Nijinsky II {Can}) was humanely destroyed Aug. 26 following complications from a severe bout of colic. The winner of three Group 1 races in 1981, Kings Lake began his stallion career at Coolmore Stud, where he sired Group 1 winner Yellow King. He was purchased by Gestut Schlenderhan in 1990, where he stood until 1998, when he moved to newly founded Gestut Eichengrund.

PIPE BECOMES THE NEW JUMP STANDARD

Martin Pipe became Britain's most successful jump trainer yesterday when his fourth winner of the day **Bamapour (Ire)**, won the Newton Abbot Annual Members Claiming Hurdle to give him 2,645 winners, one more than the late Arthur Stephenson. It took Pipe 24 years to reach the record while Stephenson trained for 46 years. Pipe's 129 winners in the 1987-88 season was a record, which he beat in the next three seasons, culminating with 230 victories in 1990-91. Pipe was loudly cheered by the crowd and presented with an oil painting by the course to commemorate the feat. "I have no plans to give up training, but don't tell my son that," he said. "When I began all those years ago, I never thought I would get this number of winners. But I have a tremendous staff who have always backed me at Nicholashayne."

SEPTEMBER S. REOPENED FOR THE SECOND YEAR

A Group 3 race at Epsom Saturday attracted only four entries yesterday and has been reopened for the second year running, much to the disappointment of Andrew Cooper, group racing manager of United Racecourses. He said, "The Victor Chandler September S. is a £33,000 race and a Group 3, but unfortunately it is difficult to attract entries to Epsom for weight-for-age races, however good the ground is. It reopened last year and the winner, **Crimson Tide**, was one that came in at the reopened stage. I have been faxing a few trainers and it would be nice to get a few more entries in the race."

SPRINT CUP: STRAVINSKY OUT BUT DIKTAT STILL IN

Saturday's G1 Stanley Leisure Sprint Cup at Haydock Park has 21 entries left in after yesterday's confirmation stage. **Stravinsky (USA)** (Nureyev {USA}) and **Gorse (GB)** (Sharpo {GB}) have defected, but **Godolphin's Diktat (GB)** (Warning {GB}) is still in despite doubts about his participation. Ladbrokes bet: 2-1 with a run Diktat; 9-2 Arkadian Hero, Russian Revival; 6-1 Bertolini; 7-1 Bold Edge, Wannabe Grand; 12-1 Grazia, Tomba, Imperial Beauty; 14-1 Sampower Star, Halmahera, Pipalong; 25-1 and above others.

GODOLPHIN TOPS WEIGHTS FOR MELBOURNE CUP

Godolphin's **Kayf Tara (GB)** (Sadler's Wells {USA}) and **Nedawi (GB)** (Rainbow Quest {USA}) are joint topweights on 58.5 kg (129 lbs) for the G1 Foster's Melbourne Cup Nov. 2 at Flemington, while Sheikh Mohammed also has **Central Park (Ire)** (In The Wings {USA}) (57.5), **City Honours (USA)** (Darshaan {GB}) (57) and **Sea Wave (Ire)** (Sadler's Wells {USA}) (57) in the top 10 of the two-mile race. Other European entries are the John Oxx-trained **Enzeli (Ire)** (Kahysai {GB}) and the John Dunlop-trained **Silver Patriarch (Ire)** (Saddler's Hall {GB}), both on 58 kg, while the only home challenger in the top 10, **Tie The Knot (Aus)** (Nassipour {USA}), who was sixth last year, is also on 58. German entry **Caitano (GB)** (Niniski {USA}) has 57.5 kg and the James Fanshawe-trained **Arctic Owl (GB)** (Most Welcome {GB}) gets 56.5 kg.

The easy winner of a Goodwood maiden on his second start July 28, Invincible Spirit, with Irish ace Michael Kinane on board, was heavily backed here and ran out a decisive winner. In behind a wall of horses from the start, Kinane showed patience, waiting for an opening. At halfway, Khasayl grabbed the lead and went clear, but 1 1/2 furlongs out Kinane found a perfect split and Invincible Spirit quickened impressively, quickly reeling Khasayl in and swept past to score in the manner of a very promising colt.

Virginia Handicap S. Cont.

With her only win coming in a maiden at Brighton June 30, Fickle started at long odds but won in good style from some more experienced rivals, courtesy of a highly enterprising ride by Tyrone Williams. She was settled in fourth as Robin Lane led from Sena Desert (Green Desert {USA}) and Oceans Friendly (Green Dancer {USA}), as Putuna and the 7-2 favorite Keld (Lion Cavern {USA}) were patiently ridden towards the rear. Fickle made progress to challenge at the three-furlong marker and was sent into the lead approaching the final quarter. Williams kicked on soon after and had poached a decisive three-length lead at the distance, keeping on all the way to the line. Robin Lane battled on gamely once headed to be a brave second, while Putuna made progress throughout the length of the straight and ran on well for third, just holding the fast-finishing Keld.

HAPPY CHANGE (GER) (h, 5, **Surumu {Ger}--Happy Gini**

{USA} {MSW & GSP-USA, \$191,255}, by **Ginistrelli {USA}**) soon led at a good pace as Frankie Dettori was not satisfied with the slow early pace set by Muhib (USA) (Red Ransom {USA}). He had his three rivals off the bridle as he was ridden with three furlongs to run, but he kept on bravely and repelled all efforts for a clever 2 1/2-length victory under a fine tactical ride at odds of 5-2. He is a half to Hamond (Ger) (Acatenango {Ger}), MSW-Ger, \$120,258. Lifetime Record: GSW-Ger, 12-2-2-2, £87,453.

He made his challenge at the quarter-mile marker and eased clear for a comfortable 2 1/2-length success. He is a half to Lets Be Alert (USA) (Gold Alert {USA}), SW & GISP-USA, \$245,485. Lifetime Record: SW-Fr, GSP-GB, 6-3-3-0, £37,697.
