## KEOS BESTS GORSE (OF COURSE, OF COURSE)

With a sixth-place effort in the G1 Maurice de Gheest at Deauville Aug. 8 his most recent running line, Keos (Riverman) was allowed to start the second favorite behind Gorse (GB) (Sharpo {GB}) in yesterday's G2 Jacobs Goldene Peitsche at Baden-Baden. He overturned the favorite, a dual Group 3 winner this season, in good style, coming with a strong late run to win the traditional solid gold whip for his owners. Areion (Ger) (Big Shuffle) broke well and set a fast pace in an attempt to make all the running. Gorse raced close up in second, followed by Tertullian with Keos in midfield. Turning for home, Areion continued to lead but was challenged and passed by Gorse inside the final quarter with Tertullian trying to make inroads in the center of the track. Keos finished fast inside the final furlong and his strong run saw him take the lead close to home for a comfortable win. Tertullian kept on well and just got the better of Areion for third.

## PHI BETA DOC JOINS THE GRADED FRAT

After back-to-back listed stakes wins in early summer, Phi Beta Doc (Doc's Leader) made the jump to graded stakes company, finishing fourth in the GIII Kent Breeders' Cup at Delaware before a runner-up finish in the Aug. 9 GII National Museum of Racing and Hall of Fame S. last time out. Yesterday, the three-year-old gelding earned his first graded stakes victory when he split rivals in upper stretch and drew off late to win the GIII Saranac S. at Saratoga. Always within striking distance, the gelding advanced on the inside around the second turn and finished under drive for a 2 1/4-length victory. "I had him off the rail down the backside and he relaxed for me," explained winning rider Ramon Dominguez. "He's really improved over the last few weeks. He had to come in between horses in the stretch and he finished up well." Trainer Robert Leonard said the Oct. 2 Virginia Derby at Colonial Downs would be next for his charge.

**MORE THAN READY OUT OF HOPEFUL**

**More than Ready** (Southern Halo) will not race in Saturday's GI Hopeful at Saratoga after he spiked a fever and ran a high white blood cell count. Trainer Todd Pletcher first noticed something was wrong with the undefeated two-year-old after the colt worked five furlongs Sunday in 1:03 4/5. "The horse worked five, but I thought he was a little quiet after his work," Pletcher said. "Normally, his temperature runs around 100.5 and it was 101.3. The fact that it was a little higher concerned us, so we pulled some blood on him and his white count came back slightly elevated, indicative that he was possibly coming down with a virus or a bug." Pletcher will now aim his charge towards the Sept. 19 GI Futurity at Belmont Park.

1--#**@GIANT'S CAUSEWAY**, 124, c, 2, Storm Cat  
1st Dam: **Mariah's Storm (MGSW & GISP, \$724,894)**, by Rahy  
2nd Dam: **Immense**, by Roberto  
3rd Dam: **Imsodear**, by Chieftain

O-Susan Magnier & Michael Tabor; B-Orpendale & Michael Tabor; T-Aidan O'Brien; J-Michael Kinane; Ir£32,500. Lifetime Record: 2-2-0-0, Ir£37,656.

It hasn't taken long for the buyers of some of the most sought-after mares at Keeneland's 1996 November Breeding Stock Sale to reap some handsome dividends on their investments.

If you remember, the top-priced mare was the five-year-old Mariah's Storm, bought for \$2,600,000 by John Magnier, with the next-best price of \$1,900,000 paid by Betty Moran's Brushwood Stable for La Affirmed. Significantly, both mares were carrying colts by Storm Cat, and both colts have now become Group winners in Ireland for Aidan O'Brien this year.

Ironically, after buying Mariah's Storm, Magnier explained, "We wanted a mare for Cigar for (Michael) Tabor and our pedigree people thought she was the best mare and would work well."

Of course, Cigar's fertility problems made all such speculation pointless, but Mariah's Storm has still proved a wise buy. Her Storm Cat colt, Giant's Causeway, made an impressive debut in a six-furlong maiden at Naas in July, drawing away to score by seven lengths, and he carried Sue Magnier's colours to a comfortable victory in the G3 King of Kings EBF Futurity S. at The Curragh last Sunday. It is hard to know what to make of the Futurity form because Giant's Causeway had only three opponents, but the best of them was his stable-companion Brahms, a million-dollar colt by Danzig out of Mr. Prospector's champion daughter Queena.

O'Brien commented afterwards that Giant's Causeway is "a smasher and he has a lovely, laid-back attitude." He also mentioned the G1 National S. Sept. 19 at the Curragh as a possible target for the colt as well as for Bernstein, the Storm Cat colt out of La Affirmed. Bernstein came into the O'Brien Stable after Demi O'Byrne bought him for \$925,000 at Keeneland a year after La Affirmed's seven-figure sale. This brother to the GIII winners Caress and Country Cat is also two-for-two, his Group success coming back in June when he easily landed the G3 Railway S. at The Curragh.

If these colts can fulfill their considerable potential, they will become very valuable stallion prospects, but I will defer a detailed look at their pedigrees until they actually justify the hype. Suffice to say for the moment that Giant's Causeway is the first foal of Mariah's Storm, a filly who retired with a 10-2-1 record from 16 starts. In addition to being a smart juvenile, weighted at 116 on the 1993 Experimental Free Handicap, Mariah's Storm received an impressive rating of 121 on the 1995 International Classifications. Nine furlongs was her most rewarding distance, so there is every reason to expect Giant's Causeway to be well-suited by a mile.

As a daughter of Rahy, Mariah's Storm represents one of two triumphs that her dam, the Roberto mare Immense, achieved with sons of Blushing Groom. Immense's mating with Rainbow Quest produced Panoramic, a very smart French middle-distance performer now known as the sire of Tuzla, a very good American turf miler. Mariah's Storm is inbred 4 x 3 to Hail To Reason and her pedigree also features three lines to the brilliant Nasrullah, a three-parts-brother to Hail To Reason's grandsire Royal Charger. This is a quality pedigree, especially as Immense was a GIII winner over 8½ furlongs on turf, as well as being a half-sister to the champion two-year-old filly Dearly Precious.

## FRESHMAN SIRE VIRGINIA RAPIDS DIES

Virginia Rapids (Riverman) was euthanized Aug. 30 as a result of advanced degenerative arthritis in his neck. The nine-year-old had exhibited signs of discomfort and had trouble maintaining his balance. He was treated by central Kentucky veterinarians, but recently it became apparent that he was not responding to these treatments and the decision was made to euthanize. The sire of one winner from his first crop of 47 two-year-olds, Virginia Rapids was the winner of the GI 1994 Carter H. and four other graded events with career earnings of \$566,018 for trainer Allen Jerkens.

**BADEN BADEN YEARLING SALE SET** The 1999 Baden Baden Yearling Sale starts this Saturday, Sept. 4, at 11 a.m. with 214 lots catalogued, and will be the first to be held in the newly built sales ring at the Baden Baden racetrack. Yearlings may be viewed in a large stabling complex on the two days prior to the sale. The leading consignors by number of yearlings offered are Gestut Romerhof, Gestut Etzean, Gestut Karlshof, Gestut Wittekindshof, Gestut Gorldorf and the newly founded Gestut Rheinberg. The Gestut Etzean-based leading sire Dashing Blade (GB) will be represented by 26 offspring in the ring. Other proven sires with a strong representation are Acatenango (Ger), Big Shuffle (USA), Law Society (USA), Lomitas (GB) and Platini (Ger). There are also yearlings on offer by top international sires Alzao (USA), Bluebird (USA), Highest Honor (Fr), In The Wings (GB), Night Shift (USA), Polish Precedent (USA), Slip Anchor (GB) and Thatching (Ire). Some of the prominently represented first-season sires include the G1 Japan Cup hero Lando (Ger), who had his first winner last weekend; Monsun (Ger); Sternkonig (Ire); and Winged Love (Ire). The dam's side of the catalogued yearlings is best described as solid quality throughout but with no absolute highlight. Dams of Group winners include Gestut Rottgen's Diasprina, dam of the smart Shaadi filly Desidera; Gestut Etzean's Las Palmas, dam of the Classic-placed Union Rennen winner Lecroix; and Gestut Franken's Vangelis, who can boast a Group 1 winner in the Orofino horse Vincenzo.

**DIKTAT CONFIRMED FOR HAYDOCK SPRINT CUP** Diktat (GB) (Warning {GB}) was yesterday confirmed as a runner in the G1 Stanley Leisure Sprint Cup over six furlongs at Haydock Saturday. The race will be the shortest-ever distance the Godolphin four-year-old has attempted. He made his name over seven furlongs and then won the six-and-a-half-furlong G1 Prix Maurice de Gheest at Deauville last month. Trainer Saeed bin Suroor said: "He is very well in himself. I think seven furlongs is his best trip, but this race should not be a problem. He would prefer the ground to be good, although it is likely to be a little fast." Diktat is favourite with bookmakers.

**WIN FOR US TO USA** BBA Germany has brokered a deal involving the sale of the three-year-old filly **Win For Us** (Ger) (Surumu {Ger}) for an undisclosed sum to Gary Tanaka. The filly, the first foal from German champion two-year-old filly Wild Romance (Ger), finished fourth in the G2 Preis der Diana (German Oaks) and has also been campaigned abroad. She finished second in the G3 Premio Legnano at Milan June 20, and was third in the G3 Prix Minerve at Deauville July 14. She will remain in training with Peter Schiergen for the time being to be prepared for a run in the G1 Prix Vermeille at Longchamp Sept. 12. After that race, she will be shipped to the United States to continue her racing career.

### ST JAMES'S ONE-TWO TO MEET IN MOULIN

**Sendawar** (Ire) (Priolo {USA}) and **Aljabr** (USA) (Storm Cat {USA}), first and second in the G1 St James's Palace S. at Royal Ascot, are set to meet again in the one-mile G1 Emirates Prix du Moulin at Longchamp Sunday. Godolphin racing manager Simon Crisford said: "From our three entries, we are planning to run Aljabr, who will be ridden by Frankie Dettori, and **Fly To The Stars** (GB) (Bluebird {USA}). Although **Muhtathir** (GB) (Elmamuul {USA}) has also been left in, he is a doubtful runner. We've been very pleased with Aljabr since Goodwood and while Fly To The Stars does prefer to have a little bit of cut in the ground, the forecast between now and the weekend is for dry weather."
