A "FRIEND" INDEED IN THE FOREGO

Never worse than second in his three starts since joining trainer John Kimmel's string this spring, **Crafty Friend** (Crafty Prospector) was second in the GI Met Mile before leading from gate to wire to take the July 4 GII Tom Fool H. last time out. The 9-2 second choice to make it two in a row in yesterday's GII Forego H. at Saratoga, the chestnut was once again sent right to the lead, battling favored **Affirmed Success** (Affirmed) every step and hanging on gamely to take a narrow victory. "My horse was one tough customer," winning jockey Gary Stevens said. "We were in the heat of battle throughout, but I knew I was never in danger." Added Kimmel, "Even though he's got some old aches and nagging injuries, he comes out here and gives you a tremendous effort. These kinds of horses are hard to come by, and it's a privilege to be able to work with them. I think we'll go to the Vosburgh (GI, at Belmont Park Sept. 25) and right into the Breeders' Cup Sprint." **Affirmed Success**, runner-up as the choice in the Tom Fool as well, won this race by eight lengths last year. He is possible for the Vosburgh.

DEL MAR DERBY: A BATTLE ROYAL

Val Royal (Fr) (Royal Academy), winner of the May 20 G3 Prix de Guiche, earned a head victory in his French finale, the Aug. 14 G2 Prix Guillaume d'Ornano. The bay was bet down to 15-10 in yesterday's GII Del Mar Derby, but found himself in another battle in his U.S. debut. The crowd's choice was cut off at the start and raced at the back of the pack while wide early, came into the stretch four deep and finished well despite lugging in late to drive past **Fighting Falcon** (Manila) for the narrow decision. "He ran like a typical French horse," jockey Corey Nakatani said. "He was just a little green. When I got him running in the stretch, he changed leads on me and wanted to go left. But there wasn't any room there. I got him to go back outside and he got it done." Jockey Chris McCarron, aboard the runner-up, added, "At the sixteenth pole, I was counting my money--then here came the winner."

Smart Guy won the Francis "Jock" Labelle Memorial
 at Delaware Park May 2 by 7 ½ lengths and set the
 pace in the Leonard Richards S. June 13 three starts
 later, only to be overtaken in the latter stages by Glll
 Ohio Derby winner Stellar Brush. The bay was an odds-
 on disappointment in his last two stakes engagements,
 including a runner-up finish in the Humphrey S. Finney
 S. two back and a third-place showing in the Vincent
 Moscarelli Memorial in his most recent effort Aug. 14.
 A tiger when able to set the pace, Smart Guy was sent
 immediately for the lead by jockey Robert Colton and
 set easy fractions of :23 4/5 and :47 3/5. Rounding the
 far turn, the lead was dwindling as Ghost Ring made
 steady progress and actually overtook Smart Guy with
 a furlong to run, but Smart Guy dug in resolutely and
 got his head down on the line for his first graded stakes
 victory.

Cummings Fined:

Trainer Bart Cummings was fined AUS\$4,000 by New South Wales Thoroughbred Racing Board stewards after his mare **Dancing Colours (Aus)** returned a positive swab to the non-steroidal anti-inflammatory naproxen after she was unplaced in mid-August at Rosehill. Cummings told stewards he had no idea how the unregistered product was administered to his mare and denied that security at Leilani Lodge was lax. Stewards took into account the fact Cummings has had only two previous similar offenses in his 46-year career as a trainer.

(\$1,050,000 yrl '98 KEEJUL). O-R & B Lewis, Mrs. J Magnier & M Tabor; B-Brushwood Stable (Pa); T-D Wayne Lukas; J-J Bailey; \$120,000. Lifetime Record: 4-2-1-1, \$165,036.

When breeders select mates for their broodmares, they are always keen to compensate for any obvious weakness in the stallion by choosing a mare who is strong in that area. For example, Storm Cat had some physical flaws, including a pair of problematic forelegs, and the end result was a career restricted to only eight starts, even though he was in training at two, three and four years.

Perhaps Brushwood Farm had Storm Cat's fragility in mind when the decision was made to send him Scoop The Gold, a well-bred daughter of the ultra-tough Forty Niner. Whereas Storm Cat ran only twice in his second season, Forty Niner stood up magnificently to a 13-race three-year-old campaign, reaching the first two in 11 of them, and he retired to Claiborne as a veteran of 19 races in the space of around 16 months. Let's hope that High Yield, the colt that Scoop The Gold produced to Storm Cat, will prove as durable as Forty Niner, because this five-length winner of the GI Hopeful S. clearly has a great deal to offer.

Incidentally, High Yield's owners include Sue Magnier and Michael Tabor, the Coolmore associates who also rank as the owners of Storm Cat's exciting Irish juveniles Giant's Causeway and Bernstein. Is it any wonder that Coolmore recently struck a deal to acquire some lifetime breeding rights to Overbrook's star stallion?

High Yield's emergence continues the excellent results that Storm Cat has enjoyed with mares by Raise A Native line stallions, led by Alydar (Aldiza, Cat Thief and November Snow) and Affirmed (Bernstein, Caress, Country Cat and Storm Broker). Again, is it significant that Alydar was sound enough to race 26 times and Affirmed 29 times?

High Yield has an apt name because his story illustrates the sort of profits that can be made in today's industry. Scoop The Gold was consigned by Paul Mellon's Rokeby Stables to Fasig-Tipton's 1994 New York sale of horses in training, with Fred Seitz paying \$185,000 to secure this winning four-year-old. Scoop The Gold's pedigree was more impressive than her performances up to that point. Her dam Leap Lively, an English-raced Nijinsky mare, had won the G3 Hoover Fillies Mile at two and the G3 Johnnie Walker Oaks Trial. And Leap Lively's first foal was Forest Flower, a very small Green Forest filly who more than made up for her lack of inches with her tremendous determination, which helped earn her the title of England's champion juvenile filly of 1986 and a victory in the G1 Irish 1,000 Guineas. Scoop The Gold is bred along similar lines to Miss Golden Circle, a smart American sprinter-miler, both mares being by sons of Mr. Prospector out of daughters of the Graustark mare Quilloquick.

Scoop The Gold did well for Seitz early in 1995, winning the Likely Exchange S. over 6½ furlongs before being mated with the newly retired Holy Bull. Scoop The Gold was then dispatched to Keeneland's November Sales, where her price more than doubled to \$475,000. The Brushwood team have every right to be delighted with their purchase because High Yield, Scoop The Gold's second foal, realized \$1.05 million at Keeneland.

High Yield still has some way to go before he repays his purchase price but he looks likely to prove a bargain. He is inbred 3 x 4 to Northern Dancer, through Storm Bird and Nijinsky, and he must have prospects of one day getting 1¼ miles. His broodmare sire Forty Niner stayed the distance well enough to win the Travers S. and finish a close second in the Kentucky Derby, and his second dam Leap Lively was Group 1 placed over 1½ miles, finishing third in the Oaks and second in the Yorkshire Oaks.

HIGH YIELD (by Storm Cat) cruised to a 5 length win in the **HOPEFUL STAKES - Gr. 1** at Saratoga on Saturday

Tuesday, September 7, 1999

MONMOUTH WRAP-UP Sunday's closing crowd of 15,453 helped boost the attendance for the 1999 Monmouth Park meet to 713,454, bringing the daily average to 9,909, just one-half of 1 percent below the 1998 figure of 9,959 for the 72-day season. "I am very pleased," Bob Kulina, vice president of racing for Monmouth and the Meadowlands, said. "We didn't have the best weather in the world, but besides that, it was a good meet. We had 90-degree day after 90-degree day, and the only day it rained during the drought was the morning of the Haskell. The weather could have been a heck of a lot better, and then we would have seen a more positive reflection in the (handle and attendance) numbers." Nevertheless, wagering averaged more than \$3.85 million a day, five percent higher than last season. Purses, aided by a \$3 million supplement, were also higher, with a record \$256,687 distributed to horsemen daily. Jockey Joe Bravo closed out the season with a double on Sunday's final card to take his seventh Monmouth riding title, besting Stewart Elliott 67 wins to 53. The leading owner at Monmouth was Runnin Horse Farm Inc. with 15 tallies overall. Juan Serey topped all trainers at the meet for the fifth straight time, saddling 29 winners, eight more than runner-up Ben Perkins Jr.

AMELIA'S SONG (f, 2, Fly So Free--African Music {SP}, by Stop the Music) lost all chance when she stumbled at the start in her career opener Aug. 4 and finished fourth, beaten 22 lengths by subsequent GI Spinaway runner-up Surfside. The 1/2 to Blow Out (Marfa), GSP, \$106,064; and Pleasant Music (Pleasant Tap), MSW & GSP, \$255,325, was 4-1 in her second start; she pressed the pace throughout, grabbed the lead at the top of the lane and dug in to the wire to best 19-10 Oatsee (Unbridled) by a nose.  Grapeshot began his American campaign off a two-year absence with back-to-back allowance wins before finishing third in the July 4 Ft. McHenry H. at Laurel and then winning the Aug. 1 Caesar Rodney H. over this track last time out. The bay stalked the pace, rallied four wide and looked a major threat with a furlong to run when he was bumped by favored John's Call. Jockey Jose Umana was forced to steady his mount, allowing John's Call to get to the finish narrowly in front, but the stewards quickly disqualified him and awarded the win to Grapeshot.

All set to try the turf in her career bow, that May 26 event at Lone Star was contested instead on the main track and Bendecida was a much-the-best winner by 9 1/2 lengths. A victory against allowance foes followed June 30 before she finally got to the grass for a four-length conquest in the Chapel Belle S. at Louisiana Downs Aug. 7 in her last start. The favorite to remain undefeated settled in midpack, tipped out for the stretch run, took over at the eighth pole and drew clear in new track-record time. The GI Queen Elizabeth II Challenge Cup at Keeneland is the long-term goal for the winner.

Neraks Man couldn't find any competition in his native Nebraska, breaking his maiden by 9 1/2 lengths at Lincoln, then adding an 8 1/2-length stakes win at the track before taking the Club House Special at Columbus by five in his latest start Aug. 29. Venturing outside his homestate for the first time, the bay was sent off the favorite and handled the Iowa crowd just as easily, opening up by five after a half and adding to that margin down the lane for another easy score.

Stormy Jack was formidable in his Aug. 15 debut, also against Cal-breds, recovering from an awkward start to win going away by 5 1/2 lengths at an amazing 11-1. No such luck for his supporters in this spot as the dark bay was made a prohibitive favorite. Away slowly from the gate, "Jack" advanced along the inside around the far turn, was switched to the outside for running room at the eighth pole and finished full of run to record his first stakes success.

A winner for a \$50,000 tag on his return, he sandwiched a seventh in the June 19 Gill Golden Gate H. between runner-up finishes against high-priced claimers May 27 and July 29. In for \$100,000 here, the bay raced in the first flight from the start, dropped back slightly after six furlongs, but drove down the lane to get the better of favored Easy Song.

ST LEGER SALES EXPECTED TO BE STRONG

Britain's domestic yearling sales season gets underway at 11 a.m. today with the first session of the Doncaster Bloodstock Sales St Leger auction, which runs through Sept. 10. The sales company inspected over 1,100 youngsters for this sale, of which 470--the smallest number catalogued for seven years--made the cut. Doncaster managing director Henry Beeby predicts a very strong sale. "We're absolutely confident that the 1999 St Leger Yearling Sales catalogue is the best, in terms of quality, that we've ever put together. We were offered more yearlings and better yearlings to inspect this year, and this has resulted in a catalogue of well-related, good-looking individuals." Today's opening session is traditionally never the strongest of the week, but there are some attractive commercial pedigrees on show. Lot 172 is a Royal Abjar (USA) half-brother to unbeaten Princess Ellen (GB) (Tirol {Ire}), who since the publication of the catalogue has won the Listed Sweet Solera S. at Newmarket and is set to run in the G3 Rothmans Royals May Hill S. Thursday. Glen Andred Stud offers Lot 121, a Cyrano De Bergerac (GB) half-brother to the G2 Champagne S. winner and sire Petardia (GB) (Petong {USA}). Of those that sold as foals, the most expensive was Lot 108, a Robellino (USA)--Last Empress (Ire) (Last Tycoon {Ire}) colt, consigned by Pier House Stud in Co Kildare and bought for 12,000 guineas at Tattersalls last year by Peter Doyle. The sale continues after racing Wednesday, Thursday and Friday.

AFTERJACKO (IRE) (c, 3, Seattle Dancer {USA}--Shilka {GB}, by Soviet Star {USA}) was always close to the pace, but appeared to be beaten a quarter-mile out. The 25-1 shot then found another gear and battled on to catch the newcomer Anamore (GB) (Sanglmore {USA}), who had looked the probable winner, well inside the final furlong, going on to score by a comfortable 1 3/4 lengths. Lifetime Record: 3-1-0-0, £3,974.

DEMOCRACY (IRE) (c, 3, Common Grounds {GB}--Inonder {GB}, by Belfort {Fr}) finally came good at the 12th attempt. Always tracking the leaders, he was third entering the final furlong, but then found daylight along the rail and quickened up well to catch Galanty Show (GB) (Danehill {USA}) close to home to win by a neck at odds of 11-4. DONCASTER SALES WILL NOT TAKE OVER AT ASCOT

Speculation that Doncaster Bloodstock Sales was set to take over selling at Ascot following the retirement of Botterills at the end of the year came to end yesterday when it issued a statement to the contrary. Henry Beeby, Doncaster's managing director, said, "We have looked into the prospect of conducting sales at Ascot. However, we felt we should concentrate our attentions on our existing full program of sales at Doncaster. We have worked hard to upgrade our facilities as part of an ongoing program to offer our Doncaster clients the very best service, but felt we could not provide that level of commitment in Ascot." Ascot sales, whose site is owned by the racecourse authority, has had a meager turnover in recent years and, with Tattersalls not thought to be interested, the only existing domestic Thoroughbred sales company who could take over from Botterills would be Russell, Baldwin & Bright.

ISCAN TO GET STALLS TEST BEFORE ST LEGER

The Jockey Club yesterday gave special dispensation for Iscan (Ire) (Caerleon {USA}) to have a stalls test before racing at Leicester today, rather than waiting until Monday, which would have ruled him out of Saturday's Rothmans Royals St Leger. Iscan faced a mandatory stalls test after causing trouble at the start on two occasions, the latest at Goodwood Aug. 28, and under the Rules he could not take the test less than 14 days after that offense. His trainer, Sir Michael Stoute, had written to the Jockey Club to ask them to treat this as a special case and the stewards accordingly used their discretionary powers "in the interests of racing" to modify the rule. The only two withdrawals for the final Classic at yesterday's five-day confirmation stage were Rhagaas (Ire) (Sadler's Wells {USA}), who runs today at Longchamp, and the Aidan O'Brien-trained Urban Ocean (Fr) (Bering {GB}). Elmutabaki (GB) (Unfuwain {USA}) will work this morning before his participation is confirmed.

The Aga Khan's Edabiya (Ire) (Rainbow Quest {USA}), a leading juvenile last year, is likely to have her first start Sunday since finishing eighth in the Irish 1000 Guineas at The Curragh in May when she lines up in the Prix Vermeille at Longchamp. Trainer John Oxx said yesterday, "She had some knee problems in the run up to the Guineas and she has had a long rest since the Curragh race in May. She appears to be back to form."

VAL ROYAL (FR) (c, 3, Royal Academy {USA}--Vadlava {Fr}), by Bikala {Ire} was favored in five of his six career starts for Andre Fabre, and was odds-on four times. He won his first three, culminating with the G3 Prix Guiche May 20, then was 11th in the Vodafone Derby at Epsom, his only start outside his native soil. He then was second to catch Alrassaam (GB) in the G3 Prix Daphnis July 27, before returning to winning ways by turning the tables on Alrassaam in the G2 Prix Guillaume d'Ornano at Deauville Aug. 14. Purchased by David Milch, Val Royal's second trip outside of France was more fruitful than his first. He sat far back early, started to move as jockey Corey Nakatani asked him for his run entering the final turn and caught Fighting Falcon (Manila) to grab the win as the 3-2 favorite. O-David Milch; B-Jean-Luc Lagardere; T-Julio Canani.
