BIANCONE SUSPENDED 10 MONTHS

High-profile Hong Kong based Frenchman Patrick Bianone has been suspended until June 30, 2000 as a result of two of his horses testing positive to prohibited substances. The Biancone-trained Whytellyou tested positive for mephensin, a prohibited muscle relaxant, after winning the L'Or de Martell Cup at Happy Valley April 10. A month later, Rickfield (Ire) tested positive to boldenone. While Biancone was not accused of of any wrongdoing *per se*, as trainer of the horses in question, he is ultimately responsible.

EUROPEANS LEAD THE LIST FOR AUSTRALIA'S BIGGEST RACES

Kayf Tara (GB) (Sadler's Wells) remains topweight for the \$A1.77 million Caulfield Cup Oct. 16 and the \$A3 million Melbourne Cup Nov. 2, following second declarations that pruned 240 entries back to 131. Second-stage omissions included Grand Archway (Aus) (Archway {Ire}), retired due to a back problem this week, and 1998 Melbourne Cup winner Jezabeel (NZ) (Zabeel {NZ}), who has a date with Danehill instead. Godolphin's Kayf Tara will be among the Sept. 28 arrivals, providing he holds his form when defending his G1 Irish St. Leger title Sept. 15. Australian hero Tie The Knot (Aus) (Nassipour) is the only local among the topweights, which include Europeans Enzeli (Ire) (Kahyasi {Ire}), Silver Patriarch (Ire) (Saddlers' Hall {Ire}), Central Park (Ire) (In The Wings {GB}), Sea Wave (Ire) (Sadler's Wells), Arctic Owl (GB) (Most Welcome {GB}) and Ungaro (Ger) (Goofalik). San Juan Capistrano winner Amerique (St. Jovite) is the sole North American entry. The Queen's Blueprint (GB) was among the withdrawals.

All horses in the International TDN were bred in North America unless otherwise indicated.

PROMISING TEGGIANO STEPS UP AND WINS

An easy 1 1/2-length winner of a Newbury maiden on her second start Aug. 13, Teggiano found no difficulty stepping up to Group class with this even more impressive victory. Well in the rear until halfway, she made swift progress on the outside a quarter-mile out and swept into a clear lead over a furlong out, running on for a comfortable score from Everlasting Love. Winning trainer Clive Brittain said, "I hold her in similar regard to my previous Classic-winning fillies Pebbles (GB) and Sayyedati (GB). She will now go for the [G1] Fillies' Mile [at Ascot Sept. 25] or the [G1 Prix] Marcel Boussac [at Longchamp Oct. 3]." Winning jockey Frankie Dettori said, "I like this filly a lot, she has that bit of class. She is still a bit weak, but has lots of scope for next season. She won this really well and only confirmed the good impression she gave me when winning at Newbury last time."

Also ran: San Sebastian (GB), Ta-Lim (GB), Jamaican Flight.

Already proven to be a game and consistent battler when winning the Northumberland Plate H. at Newcastle June 26, Far Cry again displayed his toughness to win his first group race. Far Cry took over on top as leader Jamaican Flight weakened quickly, pursued by Rainbow High and San Sebastian. Far Cry was challenged at the furlong marker by Rainbow High, and the pair hooked up for a driving battle. The owner's husband, Pat Chambers said, "That was a fantastic win, the horse has an amazing heart. I was really confident a furlong out as I knew they would't get past him. I originally bought him to go jumping and I know a certain A P McCoy [champion jump jockey] can't wait to get on his back."

Also ran: Muhtathir (GB), Slip Stream, White Heart (GB), Handsome Ridge (GB), Auction House, Refuse To Lose (GB), Gulland (GB).

The consistent handicapper Refuse To Lose (Emarati) set the pace, as expected, ahead of Muhtathir (Elmaamul), Touch 'N' Fly, Gulland (Unfuwain) and Sugarfoot, as Wallace was ridden patiently in the rear. Refuse To Lose gave way readily in the straight as Touch 'N' Fly and Muhtathir made smooth progress to dispute the lead. Sugarfoot challenged wide on their outside and gained the upper hand entering the final furlong. It was at this point that Wallace, who had made sustained progress on the rail, made his challenge and soon went into the lead, but Sugarfoot was not to be outdone and he battled on well to assert his authority close to home for a game win. Winning trainer Nigel Tinkler said, "To win a Group 3 is just unbelievable. Pat [Eddery] gave him a marvellous ride." Eddery added, "He's a tough horse, he is really strong. I was on Generous Rosi when he beat me last year so I knew he could fight."

Marcus Tregoning has enjoyed his best run of juvenile success since taking over the reins from Dick Hern and Ekraar will be a confident stable representative to continue the rich form. He was more than impressive when winning the G3 Vintage S. at Goodwood July 29 in track record time, and has an excellent chance to follow up here. He faces opposition of the highest quality in both Rossini and Distant Music. Aidan O'Brien will bid to keep his own run of Europe-wide juvenile wins going and Rossini is the choice of his three original entries. Rossini was a comfortable winner of the G2 Prix Robert Papin at Maisons-Laffitte July 24, and the runner-up, Auenklang (Ger), came back to win the G2 Raab Karcher Baustoffe Cup, Germany's top juvenile event. Distant Music was a highly impressive winner on his only start to date in a high-quality maiden event over course and distance July 28, with G3 Solario S. winner Best Of The Bests well-beaten in third. Barry Hills has enjoyed considerable success with his two-year-olds this season and Distant Music has the potential to be something out of the top drawer.

MONTJEU STILL IN CHAMPION S.--FOR NOW

Montjeu (Ire) (Sadler's Wells) was yesterday declared for tomorrow's G1 Esat Digifone Champion S., but the 2-1 second-choice is not a certain runner despite the booking of jockey Michael Kinane. He is also still in the G2 Prix Niel at Longchamp Sunday and has other options as well. A spokeswoman for John Hammond's Chantilly stable said yesterday, "I don't know where he runs yet. I think a decision will be made tomorrow morning."

DEL MAR CAPS SUCCESSFUL MEET With the completion of its 60th summer of racing Wednesday, the Del Mar Thoroughbred Club enjoyed increases in both attendance and handle figures. Average daily on-track attendance rose to 14,793, up three percent from 1998. The average daily on-track handle climbed 4.2 percent to \$2,419,616. Estimated distribution to horsemen, including purses and breeders' distribution, soared 15 percent to \$524,316. With the introduction of full-card simulcasting this year, Del Mar presented daily racing programs from Saratoga and Monmouth Park while continuing to simulcast selected stakes races from other tracks throughout the U.S. Bob Baffert captured his third consecutive training title with 27 wins, while David Flores won his first Del Mar riding title with 38 victories. Golden Eagle Farm was the leading owner of the 42-day meet with six wins. The trio combined to score in Del Mar's premier race, the \$1 million GI Pacific Classic, won by Golden Eagle's homebred **General Challenge** (General Meeting).

Live Foal Reports Nearly Complete for 1999

The Jockey Club reported Thursday that as of Sept. 1, 1999, 4,793 stallions covered 60,785 mares in North America during 1998, which resulted in 34,596 foals submitted to The Jockey Club in Live Foal Reports received before Aug. 31. Vice president of registration services Roger Shook cautioned that the foal count is not complete, with an estimated 10 percent not yet reported. "The increases in mares bred and live foals so far reported support our 1999 registered foal crop forecast of 36,500," said Shook. The number of stallions decreased 3.7 percent from the 4,979 reported in 1997 at this time last year, while the number of mares increased 1.2 percent from the 60,054 mares reported in 1997. The statistics include 112 progeny sired by stallions standing in North America, but foaled abroad.

TAGULA TOPS ON DAY 3 OF DONCASTER SALE

First-season sire Tagula (Ire) (Taufan {USA}) had a couple of good advertisements at last night's penultimate session of the 1999 St Leger Yearling Sales at Doncaster. The best of them was a colt offered from Trickle-down Stud for her breeder, R J Turner, out of the two-time winner Lloc (GB) (Absalom {GB}), a half-sister to 1997 G1 July Cup winner Compton Place (GB). The vendor saw the fruit of his 1r4,000 guineas cover two years ago realize 51,000 guineas last night when agent Sam Bullard saw off Bryan Smart and Tagula's former trainer Ian Balding for the youngster. Bullard was accompanied by the colt's new connections, owner Billy Maguire and trainer Michael Bell. Balding had earlier paid 36,000 guineas for a Tagula colt out of Mountain Harvest (Fr) (Shirley Heights {GB}), offered by a client of Catridge Farm Stud. That purchase, like the one bought for the same amount Wednesday, will race for Channel Islands-based owner Robert Hitchins, in whose colors Tagula ran and who still has a share in the stallion. "We got them not only because we want to support Tagula, but also because they are bloody nice yearlings," said Balding. Newmarket agent Linda Tate, acting for trainer Karl Burke, paid 47,000 guineas, the second-highest price of the night, for a Piccolo (GB)--Kingdom Princess (GB) (Forzando {GB}) colt offered from Gay O'Callaghan's Yeomanstown Stud, who had cost 17,500 guineas as a foal at the Tattersalls December Sales.

TODAY AT DONCASTER...

Doncaster's St Leger Sales comes to a close tonight when the final 100 lots come under the hammer, again beginning at 5.10 p.m. An attractive draft from Lime-stone Stud includes Lot 384, an Emperor Jones (USA) (Danzig {USA}) half-brother to the 1997 Cheveley Park S. runner-up Crazee Mental (GB) (Magic Ring {Ire}). Brook Stud sells a Be My Chief (USA) (Chief's Crown {USA}) half-sister to the G3 Duke Of York S. winner Venture Capitalist (GB) (Never So Bold), Lot 440. Willie Carson, who rode Tarf (USA) (Diesis {GB}) to her one success in a Salisbury maiden, sells her first foal (Lot 461), a filly from the first crop of Pivotal (GB) (Polar Falcon {USA}), offered from the former jockey's Minster Stud. Kirriemuir Stud, as agent, offers the most expensive of those sold as foals, Lot 399, a Known Fact (USA) (In Reality {USA}) colt out of Rapid Raja (USA) (Darby Creek Road {USA}), a three-time winner in the U.S., who was bought for \$32,000 by River Downs Stud at the Keeneland November Sales. One who made a similar amount when sold at Doncaster in January as a yearling was an Eagle Eyed (USA) (Danzig {USA}) colt from the family of Rock City (GB) (Ballad Rock), who was bought for 20,000 guineas by Paula Sylvester of Church Hill Farm, vendor of a 26,000 guineas Celtic Swing (GB) (Damister {USA}) colt Tuesday.

DESERT KING

Gr.1 winner at 2, dual classic winner at 3

By Champion sire Danehill, siring outstanding 1st crop foals

Kyoyo Sceptre S. Cont.

After racing in Dubai during the winter, where she won a Listed race, the lightly raced Susu only joined Sir Michael Stoute's stable during the summer, and on her first start for him finished third in the Listed Bovis Homes Valiant S. Here she was simply sensational. Racing at the rear of the field, she looked to have nowhere to go a furlong out, but when a split came she quickened through it brilliantly, only to be checked again. But with less than 100 yards to run, she was able to quicken again and flew home to catch Pescara and win going away in one of the best sprinting performances seen all season. Stoute said, "Sheikh Rashid sent her over from Dubai and said she was a decent filly that could be group class in England. He is enthusiastic and young, and he was right too. I'm not sure where we will go with her next."

Unsuccessful in nine attempts since winning the Weatherbys Super Sprint at Newbury last year, Flanders returned to form to capture the prize in the dying strides. She broke well and tacked across to the rail from her outside draw to lead, with Emma Peel in second and Dashing Blue in fifth. Emma Peel grabbed the lead inside the final furlong as Flanders came under pressure with Dashing Blue making relentless headway against the rail. The three were line abreast with 50 yards to run and Flanders rallied with tremendous effect to get her head back in front in the last stride as the three flashed past the post together. Winning trainer Tim Easterby said, "I think she deserved that, she has always been game for us and has been a bit unlucky this year. We weighed up the race beforehand and decided to let her bowl along and enjoy herself. We have options for her, there is a race at Newbury and the [G1 Prix de] l'Abbaye [at Longchamp Oct. 3]."

3.50 Chepstow, Lester Piggott Fillies' Conditions S. (Class C), £9,500, 3yo, f, 10f 36ydsT, 2:09.40, gd. FELONA (GB) (f, 3, Caerleon {USA}--Felawnah {USA} {GSP-GB}, by Mr. Prospector {USA}), the evens favorite, raced in second as Lila (GB) (Zafonic {USA}) set a steady pace four lengths clear. She closed the gap to challenge with three furlongs to run, was pushed into the lead inside the final quarter and kept on well to safely hold the late challenge of Penang Pearl (Fr) (Bering {GB}) by a length. Lifetime Record: 2-2-0-0, £9,709. O-Godolphin; B-Sheikh Ahmed bin Rashid al Maktoum; T-Saeed bin Suroor; J-Daragh O'Donohoe.

1.15 Chepstow, Pat Eddery Maiden S. (Class D) (Div. 1), £4,850, 2yo, 7f 16ydsT, 1:24.20, gd.

+ STRASBOURG (USA) (c, 2, Dehere {USA}--Pixie Erin {Ire}, by Golden Fleece {USA}) was tucked away in fifth as Balfour (Ire) (Green Desert {USA}), Yazeydd (GB) (Primo Dominie {GB}) and Shahed (GB) (Arazi {USA}) disputed the lead. He was switched wide to challenge approaching the final quarter, held a clear advantage at the distance and ran on well for a comfortable 1 3/4-length debut success at odds of 10-1. Lifetime Record: 1-1-0-0, £3,193.
 O-Robert Sangster; B-Swettenham Stud; T-Peter Chapple-Hyam; J-R Havlin.

2.45 Chepstow, Pat Eddery Maiden S. (Class D) (Div. 2), £4,825, 2yo, 7f 16ydsT, 1:21.80, gd.

THARI (USA) (c, 2, Silver Hawk {USA}--Magic Slipper {GB}, by Habitat {USA}), the 9-2 second choice, settled in fourth as Bishopstone Man (GB) (Piccolo {GB}) led. He made good progress to lead approaching the final quarter, but was soon challenged by the 2-5 favorite Rudik (USA) (Nureyev {USA}) and the pair were clear at the distance. Thari produced a superb turn of foot to go clear and won by a very impressive three lengths. Lifetime Record: 2-1-1-0, £4,156.
 O-Sheikh Hamdan bin Rashid al Maktoum; B-Shadwell Farm Inc; T-Peter Walwyn; J-Gary Hind.

TATTERSALLS HOUGHTON SALE TO GO ON-LINE

Tattersalls will become the first European bloodstock sales company to broadcast its auctions live on the Internet. The audio will be available through the Tattersalls site www.tattersalls.com for all the remaining sales of the year, starting with the Houghton Sales which runs from Sept. 28-30. Edmond Mahony, the Tattersalls chairman, said, "The Houghton Yearling Sales attracts worldwide attention, which makes it appropriate for the sale to be the first in Europe to broadcast live on the Internet through an audio link. This is a global business and it is important that we use technology to make the sales accessible to people wherever they are in the world." Tattersalls already offers live coverage of its sales via telephone.

COURSES TO INCREASE NEXT YEAR

Minimum values in British racing for next year have been announced by the British Horseracing Board. For three-year-olds and upwards, Group 1 races will be worth a minimum of £135,000 in total, while Group 2s go to £60,000 and Group 3s to £35,000. There will be increases right down the scale. For two-year-olds, the total prize minimum for Group 1s will be £120,000, for Group 2s, £45,000, and for Group 3s, £30,000.

GEOFF LEWIS HAS GOODWOOD FAREWELL

Geoff Lewis will have his last runner as a trainer at Goodwood today when Cedar Wells (USA) (Desert Secret {USA}) takes part in the Tilney Investment Management S. The former top jockey began his training career in 1980 and had his biggest success when Lake Coniston (Ire) (Bluebird {USA}) won the G1 July Cup at Newmarket in 1995.

INJURED JOCKEYS FUND COMMITS £750,000

The Injured Jockeys Fund today announced the largest investment in its 35-year history, with £750,000 going over a three-year period to the International Spinal Research Trust to try and end the permanence of paralysis caused by spinal cord injury. IJF chief executive Jeremy Richardson said, "We were founded in 1964, and for every one of our 35 years we have a jockey in a wheelchair. The £750,000 donation which we have made is our largest single long-term commitment ever and illustrates the determination of the IJF trustees to make an impact in the search for a cure for paraplegia." The slightest damage to the spinal cord has catastrophic consequences and despite the best efforts of doctors and scientists around the world, a successful treatment is still elusive. The IJF received a £1 million donation from an individual earlier this year.
