DAYLAMI DAZZLES IN CHAMPION S.

On paper, yesterday's G1 ESAT Digifone Champion S. at Leopardstown looked like a highly competitive contest, but **Daylami (Ire)** (Doyoun {Ire}) turned the race into a rout, securing Godolphin's 14th Group 1 victory worldwide this season with a dominating nine-length decision. By adding this victory to his five-length win in the G1 King George VI & Queen Elizabeth Diamond S. at Ascot July 24, the five-year-old establishes himself as the runaway leader in the Emirates World Series Racing Championship. **Royal Anthem** (Theatrical {Ire}) was sent right to the lead in this leg of the series, but, due to the presence of Godolphin's pacemaker **Lord Of Men (GB)** (Groom Dancer), he was not allowed to dictate the pace as he had when winning the Aug. 17 G1 Juddmonte International. He led into the straight, but Daylami, who had been cruising along in third, was switched to the inside rail to make his bid and in only a few strides the race was over, with jockey Frankie Dettori looked around for non-existent danger from fully a furlong out and easing his mount down in the final 100 yards. Daylami, who has won six Group 1 contests and will retire to his breeder The Aga Khan's Giltown Stud in Ireland at the end of the season, will now point for the G1 Prix de l'Arc de Triomphe Oct. 3. Godolphin boss Sheikh Mohammed bin Rashid al Maktoum was naturally elated, but could not resist having a dig at the many experts who had rated Royal Anthem superior to Daylami. "I've been telling everyone that this is the next Swain (Ire)," he said. "I cannot think why the experts rated Royal Anthem superior to our horse. He had beaten him before and now he's done it again. Perhaps those experts should be called something else now." Dettori paid tribute to the decision to run Lord Of Men, saying, "It was hugely important that Lord Of Men took on Royal Anthem up front. He was able to dictate the Juddmonte at York, but our horse harrassed him from the start (in the Champion S.). But even without Lord Of Men, I still think Daylami would have won today." French-based trainer John Hammond was fine £15,000 by the stewards for not starting the Michael Tabor-owned **Montjeu (Ire)** (Sadler's Wells) in the race, having declared the horse to run and then deciding to run him instead in today's G2 Prix Niel at Longchamp. (Chart, p2)

"SILVER" EXTENDS STREAK TO 11

The 1-10 favorite facing five overmatched rivals, **Silverbulletday** (Silver Deputy) extended her winning streak over the fairer sex to 11 with a 1 3/4-length victory in yesterday's G1 Gazelle H. at Belmont Park. Looking to add a fifth Grade I win to her resume, the champ swerved toward the rail from her inside post shortly after the start, then straightened away and settled just off the pace down the backstretch. She carried jockey Jerry Bailey to the lead while three wide on the far turn, drew off at the top of the lane and was not threatened by the late bid of 27-1 runner-up **Queen's Word** (Kingmambo), who was in receipt of 11 pounds. Explaining the change of course at the start of the race, Bailey said, "The Belmont chute is longer than any other racetrack's. There is stuff back there that many horses never see, and I don't think that she realized that she was in a race. But she got her mind on running...down the backstretch." Added trainer Bob Baffert, "I had no concern. There were some nice fillies in there, but she just outclasses them so much. She's a great filly." Silverbulletday will take on the older distaff set in her next start, the G1 Beldame S. Oct. 10.

Displaying courage of the highest order, Mutafaweq galloped relentlessly to the line to deny Ramruma what would have been a famous victory. In the process, he gave Godolphin the record for quickest 50 Group 1 wins worldwide. The winner had previously impressed when taking G2 King Edward VII S. at Royal Ascot June 18, but then disappointed slightly when fifth in the G1 Irish Derby at The Curragh June 27. He was an encouraging fourth with a late run in the G2 Great Voltigeur S. Aug. 17 and this test of stamina certainly suited his requirements. Outsider Praslin Island (Be My Chief) led at a strong pace from All The Way (Shirley Heights {GB}), Adair and Ramruma, as Mutafaweq raced in relaxed style in fifth. The running began in earnest as the field passed the three-furlong marker, where Ramruma, Mutafaweq and Adair all fought for the lead. Mutafaweq held a definite advantage entering the final quarter, but Ramruma would not give up. The pair treated the fans to a gritty battle until Mutafaweq gained the upper hand inside the final furlong, despite rolling into Ramruma, and he stayed on for a gutsy win, but the effort took its toll. There were distressing scenes in the unsaddling enclosure afterwards as the colt, in obvious discomfort, struck out vigorously. Robin White, the Jockey Club veterinary officer, said, "I think that he suffered from the effects of heat stroke and post-race exhaustion and was dehydrated. We think that caused the incoordination and discomfort. He has been given 10 liters of fluid in an intravenous drip, including a sedative, to settle him down, and anti-inflammatories. At the moment we think that it is not a major problem. He has recovered very quickly."

Man o'War S. cont.

Winless since taking the G2 Hong Kong International Cup in December of 1997, Val's Prince was off the board in five of his six starts last year, but ended the abbreviated campaign with a second-place finish in the GI Sword Dancer Invitational H. at Saratoga in August. The seven-year-old was then sidelined for 11 months, returning to be second in a July 16 Belmont allowance test and again in the Sword Dancer in his latest effort Aug. 14. The third choice off that performance, the chestnut gelding was on the bridle as he sat just outside pacesetters Mash One (Mashkour) and Fahris (Generous {Ire}), drove to the front as they raced into the stretch and left his rivals in the dust as he kicked away to a decisive victory over the soft turf course. Trained by Jimmy Picou until recently, he was making his first start under the auspices of Jim Bond. "We actually just got him in the barn," Bond assistant Mark Shuman said. "He was in good shape and we just tried to keep him happy. We're still learning about him." Winning jockey Jorge Chavez said, "He loves Belmont. He likes the big turns, and the soft turf is good for him." The winner could go next in the GI Turf Classic Oct. 9, a race he won in '97, with the GI Breeders' Cup Turf Nov. 6 as his ultimate goal. Honor Glide (Honor Grades), the 2-1 favorite, was never in the hunt and finished last. "When I asked him, he ran for about 50 yards. After that, he was struggling," jockey Jose Santos said. "From the half-mile pole on, he was going nowhere. He definitely doesn't like the soft going at all."

Prix Vermeille cont.

Daryaba was a game winner of the June 13 G1 Prix de Diane Hermes in what was only her third start and her first in stakes company, beating the highly regarded Star Of Akkar (GB) by a length in a race that was run at a muddling pace. She makes her first start since that victory. Etizaaz, the pick of the Godolphin pair on jockey bookings, is also inexperienced, but she belied her lack of racecourse action to win the Listed Atalanta S. Aug. 21 on her only start this season. That race came over a mile, but it would be foolhardy to suggest that her connections do not believe she will stay this extra half mile. Godolphin's Fairy Queen started the season with a decent effort when 10th in the G1 English 1000 Guineas May 2 and followed up with good wins in the Listed Victress S. June 4 and the G2 Ribblesdale S. at Royal Ascot June 17. She is guaranteed to stay and will be running on her own merits.

Nani Rose, unaware of the controversy surrounding her scratch prior to the GII Lake Placid H. Aug. 25, has been training sharply, working six furlongs over the Saratoga turf Sept. 4 in 1:12 2/5. The bay is undefeated in three turf tries, most recently wiring the field to take the Aug. 2 GIII Lake George S. by a half length over Perfect Sting. That rival, first or second in seven of her eight grass races, had won three in a row before the Lake George and is a perfect two-for-two on the Belmont lawn. Ronda, runner-up in the G2 Henkel-Renner (German 1000 Guineas) in May, captured the June 6 G3 Prix de Sandringham at Chantilly and the July 7 G2 Falmouth S. at Newmarket in her last two starts. She tries a distance beyond a mile for the first time in her U.S. debut.

It's a low turnout, but all of the participants have won at least one Group 1 race, with a total of eight Group 1 wins all told. **El Condor Pasa** will bid to reverse the form of the G1 Prix d'Ispahan at Longchamp May 23 with **Croco Rouge**. That race heralded El Condor Pasa's first run outside Japan and he was only collared close to home by an inspired burst of acceleration from Croco Rouge. The Japanese champion went on to trounce a quality field in the G1 Grand Prix de Saint-Cloud July 4 and is reported to have sparkled in his workouts this week. Croco Rouge, who finished unplaced in the G1 Coral-Eclipse S. at Sandown July 3 on his most recent outing, will find the 12 furlongs at the outer limits of his stamina capabilities. But he had an abundance of excuses for his latest performance and can be forgiven one poor run. **Sagamix** has finished fourth in both his starts this season, the G1 Prix Ganay at Longchamp May 2 and the G1 Prix d'Ispahan at the same track May 23. He has to find improvement to challenge the top two, but he comes good at this time of year and is sure to find track conditions to his liking. **Borgia's** best effort this season was a second in the G3 Prix Exbury Mar. 13, but she has yet to recapture the form that saw her run second in the Breeders' Cup Turf and third in the Prix de l'Arc de Triomphe in 1997.

Montjeu sidestepped the G1 ESAT Digifone Irish Champion S. for this perceived easier task. He has been nothing but impressive this year, streaking to easy victories in the G1 Prix du Jockey Club June 6 and the G1 Irish Derby June 27. It will be a major surprise if he is beaten, but this is merely a stepping stone to the main event, the G1 Prix de l'Arc de Triomphe Oct. 3, for which he is the 2-1 ante post favorite.

Switched to the turf for this outing, the dark bay settled just off the pace early before rallying three wide on the turn, outdueled pacesetter Precise End in the stretch and drew clear in the final eighth. "Four On the Floor is bred for the grass. There was nowhere else to run him," said winning trainer Sandy McPherson. "We worked him on the grass and he worked very well. With her only win from seven previous starts coming in a nursery handicap at Sandown Aug. 20, Mrs P started as a 33-1 shot and for much of the race she looked as though her odds were about right. Last with two furlongs to run, she finished with a tremendous rattle under a classic Pat Eddery ride to lead close to home for a shock win. Emerald Peace, second early, was a gallant runner-up, but she didn't have time to react to the winner's late lunge. Mrs P was trainer Linda Stubbs' second runner and her first pattern race winner. Stubbs said, "I bought her for only £8,000 from Charlie Sparrowhawk earlier in the year and I have always thought highly of her. I ride her myself at home and she gives me the feel of a Rolls Royce. I think she will have a break now as she has been on the go for a long while. She will make a hell of a three-year-old."

Off the board in an Ellis Park stakes in his next appearance, the New York-bred was dropped in for a \$100,000 tag in his latest and finished third after setting the pace at Saratoga Aug. 25. The second choice facing four rivals here, he was sent right to the lead, set slow fractions of :49 1/5 and 1:14 3/5 and had plenty left for the stretch run, easily holding Part the Waters safe to the wire. The 7-10 chalk Grits'n Hard Toast (Bates Motel), winner of the Iowa Derby two starts back and fifth in the July 24 GII Ohio Derby last time out, was on the bit while in traffic until the middle of the far turn, but had no response once in the clear and finished fourth.

Securing a hat-trick of wins after two straight Listed
 race victories at his beloved Chester, where he has
 never been beaten, the veteran Tedburrow had no
 trouble winning this event for the second straight time.
 Always traveling well in the rear as Lochangel (Night
 Shift) and juvenile Galloway Boy (Mujtahid) shared the
 lead on opposite sides of the track at a fast pace, the
 veteran quickened well to sweep through over a furlong
 out and soon put daylight between himself and his
 rivals. Delighted winning trainer Eric Alston said, "It
 was a fantastic run in a race which suited him because
 he likes being held up off a strong pace. He handles any
 ground and, while he is getting older, he doesn't seem
 to be losing his speed."

 acted as pacemaker as his stablemate settled in the
 rear. Alabaq (Riverman) went to the front entering
 the final quarter, then Kabool went on and looked as
 though he had the race in his grasp, but Lear Spear
 challenged inside the final furlong and he ran on well
 to lead with 50 yards to run. Diamond White, having
 her 19th race of the season, stayed on from the rear

FORESTRY WILL AWAIT BREEDERS' CUP

Trainer Bob Baffert said yesterday that three-year-old Forestry (Storm Cat), winner of the seven-furlong GI King's Bishop S. Aug. 28 at Saratoga, will not start again until the GI Breeders' Cup Sprint at Gulfstream Park Nov. 6. The colt is currently training at Santa Anita. "He's a good horse and I think I will just train him up to the race," Baffert said. "I can get him ready that way." Forestry has won seven of his 10 career starts, including the GI Dwyer S. at a mile and a sixteenth. He was also third in the nine-furlong GI Haskell Invitational H. Aug. 8, then shortened up for the King's Bishop and responded to win by 1 1/2 lengths in the time of 1:21.

Hanarsaan drew in here after the race was taken off the turf. Winner of a money allowance at Saratoga Sept. 2, the Stanley Hough trainee sat in last in a field of four, rallied off the turn, hit the front in midstretch and was clear under the wire.

Positive Gal worked her way through her conditions this spring before finishing sixth in Silverbulletday's GI Kentucky Oaks triumph May 1. Given some time to regroup, the chestnut filly came back for two game allowance wins at Saratoga, including a nose victory Aug. 16. Breaking sharply from the rail, she duelled for the early lead with five others, put her rivals away at the top of the stretch and strode out a daylight winner. "Turning for home, I knew I had horse under me," said winning jockey Jerry Bailey. "It was more her than me." Hurricane Bertie (Storm Boot) showed the effects of a long season, fading after a half to finish sixth as the 3-5 favorite.

Loaded Gun, first or second in all four prior 1999 starts, took the July 31 Gill Philadelphia Breeders' Cup H. and missed by only a head in his latest, the Aug. 28 Longfellow S. at Monmouth Park. The bay stalked the pace for a quarter, ranged up to join Copelan's Number on the front end after a half and prevailed after a heated battle down the lane to take a narrow decision. The 19-10 second choice L.B. On Tour (Tour d'Or) was dueling with the leaders when he broke down on the far turn and fell. The four-year-old gelding suffered a fractured left front cannon bone and had to be put down. Power By Far (Power of Mind), inside the injured horse when he fell, was bumped hard and went down as well. Jockeys Tommy Turner and R. Alvarado Jr. escaped serious injury in the spill.

Casino King, a maiden winner at Chepstow in September of 1997, made his U.S. debut the following July and captured a Del Mar allowance race. The bay started only twice more in '98, ending the short season with a third-place finish in the Gill Ascot H. at Bay Meadows nearly a year ago, then returned to be third in a Hollywood allowance test June 13. He had since reeled off wins in an allowance at Hollywood July 4 and another at Del Mar July 31 and was the second choice to make it three in a row. Fourth for a mile, the Irish-bred found running room between horses at the top of the lane and finished with good energy to best longshot Rookie's Turn to the wire.

TOBA Stallion Auction a Success:

The Thoroughbred Owners and Breeders Association's Stallion Auction, held in Kentucky to benefit TOBA projects such as "America's Day at the Races," the Claiming Crown and new owner seminars, raised \$259,000. Ten seasons were sold on a no-guarantee basis. The top seller was a season to Coronado's Quest, which brought \$80,000. A season to Charismatic sold for \$33,000, and one to Touch Gold went for \$31,000. "All 10 were legitimate sales, there was not one RNA," John Phillips, chairman of the TOBA Stallion Auction Committee, said. "We were very pleased and appreciate the efforts of both the donors and the buyers."

Big Jag scorched through the Santa Anita meet, recording three straight graded-stakes wins including the GII Potrero Grande Breeders' Cup H. Apr. 3 which left him atop the California sprint division. Off nearly three months, he gave two subpar efforts at Del Mar, most recently finishing fifth in the GII Pat O'Brien H. Aug. 14. Looking to reclaim his reputation, the Cal-bred was unhurried early at the back of the pack, rallied on the turn, angled out deep in the stretch and finished strongly. Trainer Tim Pinfield said, "We are much more positive now about shipping to Gulfstream Park for the Breeders' Cup. His next race will be either the California Sprint Championship (Oct. 2, Bay Meadows) or the Ancient Title (Breeders' Cup) H. (GII at Santa Anita Oct. 17)." The race also marked the return to action of Dixie Dot Com (Dixie Brass), off with a fracture since a 4 1/2-length romp in the GII San Fernando Breeders' Cup H. Jan. 16. Although running against some of the better sprinters in the West, the colt closed well, but belatedly, to cross the line fourth.

NTRA Hosts Surcharge Forum Today:

The National Thoroughbred Racing Association, which hopes to raise funds for the organization by collecting a voluntary fee of one percent of the purchase price from buyers at Thoroughbred auctions, will host a one-hour discussion of the proposed surcharge at the Keeneland Sales Pavilion at 5 p.m. this afternoon. The forum, which is open to the public, was called in response to criticism of the plan, which requires that buyers notify the sales company in advance of the auction if they do not wish to contribute to the NTRA.

WEEKEND PEDIGREE PERSPECTIVES

by Alan Porter

PEDIGREE SHORTS

We don't see a whole lot of inbreeding to Nijinsky II, but there was an unusual example last weekend in the shape of **Thornfield (h, 5, Sky Classic--Alexandrina, by Conquistador Cielo)**, who captured the GII Niagara Breeders' Cup H. Thornfield is by one of the best North American-based sons of Nijinsky II, and his third dam The Temptress is a daughter of Nijinsky, which gives him Nijinsky 2x4 at the top and bottom of the pedigree.

Inbreeding to various members of the Thong family is working extremely well. The latest example is **Sabre Dance (f, 2, Sword Dance {Ire}--Sister of Darkness, by Geiger Counter)**, winner of the Florida Stallion Susan's Girl S. Sword Dance's granddam Lisadell is a multiple group-winning daughter of Thong, and Sabre Dance is out of a mare by Lisadell's half brother Geiger Counter. Note that Sword Dance has sired an earlier stakes winner **Sword of Freedom** out of a mare by King Pellinore, a half brother to Lisadell and Geiger Counter.

TWO SCOOP JACKPOT, SPLIT £276,779

Two bettors yesterday became the first to achieve the bonus portion of the Tote Scoop6 bet, sharing £276,779 when **Amalia (Ire)** (**Danehill {USA}**) won the **Ladbroke Stakes H.** at **Doncaster**, but had to live through the anxiety of a stewards' inquiry. **Rob Hartnett**, the Tote's public relations director, said, "It was pretty dramatic with the stewards' inquiry. Today's pool was £231,236 and there was one winner, from **Corbett Bookmakers in Flint, Wales**, who won £70,000 and will go forward to the bonus race next Saturday. The bonus fund next week starts from scratch and is £46,247."

DONCASTER ST LEGER CROWD UP 10 PERCENT

Yesterday's crowd at Doncaster came to 22,000, nearly 2,000 up on last year's figure. Tim Betteridge, Doncaster Racecourse's sales and marketing executive, said, "We are delighted with the crowd figure, it has been a really good day. The Members Enclosure was sold out."

O-Baron Edouard de Rothschild; B-Take Flash Ltd; T-Henri-Alex Pantall.

Never worse than third in her career, Nordican Inch still has yet to win a stakes race, with three seconds and two thirds in five appearances. Her last start was a good one, as she rallied to take the lead in the G3 Prix de Psyche Aug. 7 at Deauville before being passed by Welluna (Ger). She has been running at between 10 and 12 furlongs recently, although her last victory was at this distance, an allowance win at Cholet April 12.

A bit up-and-down for Kevin Prendergast at The Curragh, with a win in the G2 Pretty Polly S. followed by never-threatening runs in the G1 Irish Oaks and the G3 Meld S. She closed to be third in her last, the G2 Royal Whip S. Aug. 14, but was still 6½ lengths behind. She is a slow starter and may be compromised by traffic problems in this field of 13, but gets Lasix for the first time.

RONDA (GB) (f, 3, Bluebird {USA}--Memory's Gold {USA}, by Java Gold {USA}) Lifetime Record: 10-4-4-1, \$180,793.

O-Dario Hinojosa; B-Devonia Stud; T-Carlos Laffon-Parias.

Five straight good efforts, with two wins in her last two starts, mark Ronda as one to watch. She has shown that she can run over any course, as she was second in the G2 German 1000 Guineas May 2, won the G3 Prix de Sandringham at Chantilly June 6 on soft going and captured the G2 Falmouth S. at Newmarket July 7 in her last three starts. All three races were at a mile and the added furlong is new territory, although Gary Stevens should make a good guide.
