UNBRIDLED BIDDING AT KEENELAND

Hip number 153, a colt by Unbridled out of multiple Grade I stakes winner Missy's Mirage (Stop the Music), lured Sheikh Mohammed and his agent, John Ferguson, into the Keeneland sales pavilion for the first time in years, but the pair ended up underbidders as David Shimmon went to \$2 million for the yearling. The bid topped the first session of the 11-day Keeneland September Yearling Sale, which began with skyrocketing figures yesterday in Lexington. The median for the opening session soared 39.1 percent, while the average jumped 35.5 percent. Bob Hess and his son, Bob Hess Jr., acted as agents for the day's top yearling. "I thought he was worth \$2.2 million," Hess Jr. said. "So, if you look at that, he was a bargain. We loved the horse. This one is a work of art. Price was not an issue. (David Shimmon) really is looking for quality and not quantity. David has only three horses and they are all yearlings. He has a Hennessy and a Dixieland Band and now this one. We don't envision a big stable. We're looking for colts that we think are going to effective on the dirt. We may try a filly or a turf horse or two, but most of them will be for the dirt and for California." There were seven seven-figure yearlings on the night, five colts and two fillies. David Borislow, with Buzz Chace acting as agent, purchased the second-highest priced yearling yesterday, going to \$1.8 million for Hip number 101, a colt by Deputy Minister out of Isle Go West (Gone West), who is herself a half sister to Grade I winners Hennessy and Pearl City. The chestnut was consigned by Dromoland Farm Inc., Agent I. "(Borislow) comes up with the horses and he asks us to take a look at them," John Scanlon, who trains for Borislow, said. "If we like them, he buys them. It's as simple as that. We really think this is an outstanding individual." The sale continues today at 10 a.m.

Opening day at Keeneland yesterday, a yearling colt by

EL PRADO

brought a final bid of **\$300,000**

KEENELAND NOTES...

The session-topping Unbridled colt is a half brother to Keeneland September's record-setting yearling, a colt by Mr. Prospector out of Missy's Mirage now named Sasha's Pride, who sold for \$2.3 million in 1997... Rich Santulli, who sold Monday's \$2 million baby, was the underbidder on the night's top filly, the \$1.45 million daughter of Deputy Minister...John Kimmel signed the ticket for the night's top filly, who tied a record for her sex at the sale, but he will own her in partnership with Robert Waxman. Waxman recently announced that, for tax purposes, he will disperse a majority of his stock at the end of the year. "It will be a partnership between the Kimmel family and the Robert Waxman family trust," Kimmel said. "This ensures that Mr. Waxman can stay involved in the Thoroughbred industry at the highest level, and that means a lot."... RNA's at the opening session numbered about the same as last year. Yesterday, 90 of the 308 yearlings offered failed to reach their reserves, 29.2 percent of the total. During the '98 opener, 101 of the 352 hips which went through the ring went unsold, 28.6 percent of the total.

SLICKLY JOINS SAGAMIX IN DUBAI VENTURE

Roland de Longevialle, racing manager to owner Jean-Luc Lagardere, confirmed yesterday that both **Sagamix (Fr)** (Linamix {Fr}) and his full-brother **Slickly (Fr)** have been sold and will be shipped in the near future to race in Dubai this winter, but not for Godolphin. Slickly finished second in the G1 Prix Jacques le Marois at Deauville Aug. 15 on his latest start. The three-year-old had previously finished fourth in the G1 Prix du Jockey Club at Chantilly June 6 before going on to win the G1 Grand Prix de Paris at Longchamp June 27.

A debut winner at Chantilly July 16, Dignify was sent to David Loder's old stomping ground, Newmarket, to contest the Listed Sweet Solera S. Aug. 14 and finished a creditable third. Ridden patiently by Sylvain Guillot here, she led inside the final quarter and ran on well to record the first group win in France for the Evry-based Godolphin operation. The filly was settled in fourth early as Castiya (Bluebird) led. Acceleration challenged for the lead at the quarter-mile marker, but was immediately tackled by Dignify, who took over with 1 1/2 furlongs to go and kept on all the way to the line. She held on well from the fast-finishing Well Minded, who was still last with a furlong to run. Diana Cooper, Godolphin's spokeswoman, said, Dignify is a nice filly who had improved since her last run in a Listed race in England. She is now more mature. She could now go for the G1 Prix Marcel Boussac at Longchamp Oct. 3."

STORM BIRD PENSIONED Storm Bird (Northern Dancer), who produced leading sire Storm Cat, has been retired from stud duties at the age of 21. He has sired 10 Group or Grade I winners. Among the bay stallion's top runners were Summer Squall, Bluebird, Indian Skimmer and Balanchine. Two grandsons and a great grandson--Charismatic (Summer Squall), Menifee (Harlan) and Cat Thief (Storm Cat)--battled for the top placings at this year's Kentucky Derby. Storm Bird won the 1980 G1 William Hill Dewhurst and G2 National S. while undefeated in five juvenile starts and was named champion two-year-old in England and Ireland. He started only once at three before beginning his stud career. He stood at Ashford Stud in Kentucky.

O-Stronach Stable; B-Frank Stronach (KY); T-Joseph Orseno; J-P Day; \$129,900. Lifetime Record:

11-7-2-0, \$405,042.

Last weekend's graded stakes provided a number of notable doubles on the breeding front. The Aga Khan enjoyed a Group 1 double as the breeder of Daylami (Ire) and Daryaba (Ire), and Valid Appeal matched him by appearing as the broodmare sire of the Grade I winners Val's Prince and Perfect Sting. Perfect Sting's sire Red Ransom was also in the news on two counts, the other being that his granddaughter Hoh Dear (Ire) took a division of the GIII Natalma S. on her North American debut. Hoh Dear is a first-crop daughter of Red Ransom's first-crop son Sri Pekan.

It was another double by Red Ransom, gained within a few days in June 1994, that first catapulted this Vinery stallion into the spotlight. His daughter Petrouchka set the ball rolling by winning the My Dear S. and Sri Pekan then increased the momentum by taking the G3 Coventry S.--a win he followed up with two Group 2 juvenile victories. With further stakes successes coming from Upper Noosh, Bail Out Becky, Lucky Lauren and Roujoleur, Red Ransom ended 1994 as leading first-crop sire, inviting more of the comparisons with Danzig that had been made from the moment he was forced into retirement.

Like Danzig, Red Ransom managed only three starts and he, too, was never tested in stakes company. He had made a spectacular debut at Saratoga in 1989, setting a record of :56 4/5 for five furlongs, and followed up later in August by winning over six furlongs at Belmont in 1:09 4/5.

Even though the big juvenile prizes went by without Red Ransom, his reputation was enough to make him winter favourite for the Kentucky Derby. After being sent to Florida by trainer Mack Miller, the Rokeby-owned colt created further excitement when he worked on Feb. 21. Despite being reined in, Red Ransom was timed in :59 for five furlongs, which was very impressive for a colt bred to stay twice that distance.

Unfortunately, he didn't reproduce this form in a seven-furlong allowance at Gulfstream Park on Mar. 3, when he failed to catch Bright Again. Six days later Red Ransom worked four furlongs in :47 4/5 seconds, but tore a tendon sheath in his off-fore. Worse was to follow, as he fractured a sesamoid in July, bringing his career to an end.

Miller described Red Ransom as "the most talented individual I have ever trained," even though he had previously handled the champions Leallah, Assagai, Hawaii and Snow Knight.

I'm pleased to say that Red Ransom is justifying this praise--in the process adding to Roberto's reputation as a sire of sires. His fee soared from \$7,500 to \$30,000 after his first crop did so well and it rose again, this time from \$35,000 to \$50,000, after his son Intikhab was rated the best horse seen in Europe in 1998. The chances are that his best crops will be those born after 1995, and Perfect Sting heads a 1996 crop which has also produced Pico Teneriffe, Shabby Chic, Crystal Symphony, Lenny's Ransom and Strike A Blow.

The 1997 crop has got off to a very promising start, with Shining Hour and Ekraar becoming Group winners in England.

It is no surprise that Perfect Sting is a turf performer, because that has been the route taken by most of Red Ransom's best winners. Thanks to Bail Out Becky, Perfect Sting, Intikhab, Sri Pekan, Comic Strip, Pico Teneriffe, Upper Noosh, Stay Sound, Trail City, Wandering Star, Petrouchka, Ekraar and Shining Hour, as many as 13 of his first 14 Northern Hemisphere graded winners have gained at least one of their major victories on turf. No wonder some of the Maktoum brothers are now supporting him strongly.

NTRA DROPS SALES SURCHARGE *The Harness Tracks of America* newsletter reports that the National Thoroughbred Racing Association has dropped its proposed one-percent surcharge on horses purchased at auction. The NTRA abandoned the plan in response to the protests of Thoroughbred owners who buy at the sales. The organization had expected to collect \$4.6 million from the surcharge, and will cut its current budget by 10 percent, or \$3.2 million, to make up for the lost revenue.

DAYLAMI RATED ONE OF DECADE'S BEST

The exploits of Daylami (Ire) (Doyoun {Ire}) this season, which culminated in a nine-length triumph in the G1 Esat Digifone Irish Champion S. Saturday, have seen him earn a provisional rating as joint third-best horse this decade. Nigel Gray, the senior British Horseracing Board handicapper, has discussed the rating with Ciaran Kennelly, his Irish counterpart, and said, "We have both come up with a provisional rating for Daylami of 136. In end-of-season international classifications in the 1990s, only Generous (Ire) (Caerleon {USA}) and Peintre Celebre (USA) (Nureyev {USA}) have been rated higher on 137, so at this stage he is third-best, along with Suave Dancer (USA) (Green Dancer {USA})."

Prix des Tourelles Cont.

Unplaced on her latest start in the G1 Prix de Diane Hermes at Chantilly June 13, Farfala returned to the form of her third in the G3 Prix Cleopatre at Saint-Cloud May 13 when running on strongly from the rear to record a comfortable victory. Farafala was patiently ridden in the rear as Kansa (Linamix {Fr}) led from Key Academy and the British-trained Sweet Sorrow (Lahib {USA}), as Moteck was reserved in midfield. Key Academy took the lead passing the quarter-mile marker, but was soon challenged by Moteck, who had made continued progress in the straight. The pair looked set for a duel until Farfala, last at the two-furlong marker, began to find her stride and she looked dangerous on the wide outside. Her sustained run carried her into the lead in the last half-furlong and she kept on well to win going away. Key Academy and Moteck continued to battle, but only for second, and the former proved best to book the runner-up spot.

She was second into the straight, made her challenge at the distance and kept on to lead in the half-furlong for a half-length success from the tenderly ridden Peneia. COOPER REFUTES GOLDOLPHIN MOVING RUMORS

Diana Cooper has played down persistent rumors that the Godolphin horses based at Evry would be moved to Newmarket, England, to the soon-to-be vacated Stanley House yard currently occupied by John Gosden's string. She said, "These are only rumors. We are very happy in France and everyone working for Godolphin has settled in well. We will still be here next year."

TEDBURROW TO BREEDERS' CUP WITH NO PREPS

Tedburrow (GB) (Dowsing {USA}), winner of the G3 Stillorgan Park Hotel Flying Five S. at Leopardstown Saturday, is being aimed at the Breeders' Cup Sprint. The seven-year-old has won 17 of 55 starts, all at five and six furlongs. Trainer Eric Alston said, "He was due to run in the [G2] Diadem [S.] at Ascot [Sept. 26], but we are going to try and take him to America for the Breeders' Cup Sprint. He handles tight bends and he loves a fast pace. Whether he will just be good enough, we won't know until the day. He wouldn't have a run before. He seems to be best when fresh. He won first time up this year, had five weeks off before he won at Chester and had another break before Leopardstown."
