## KEEN ON THE MUD

River Keen (Ire) (Keen {GB}), a \$100,000 claim last December, recorded the second straight Grade I win of his career when he splashed home a 3 1/4-length victor of the GI Jockey Club Gold Cup S. yesterday at Belmont Park. It was just three weeks ago that the seven-year-old chestnut nosed out G1 Dubai World Cup winner **Almutawakel (GB)** (Machiavellian) to win the GI Woodward S., but the Belmont bettors gave him little respect against leading Horse of the Year candidate **Behrens** (Pleasant Colony) yesterday, sending him off at 12-1. **Back Ring Al** (Allen's Prospect), entered as a rabbit for sixth-place finisher **Catienus** (Storm Cat), was hustled to the lead while River Keen settled in second. River Keen inherited the lead leaving the backstretch, turned back the stretch challenge of Almutawakel and finished easily as Behrens closed gamely to be second. "My plan was to stay close to the lead," explained winning rider Chris Antley. "Speed has been a dominating factor all afternoon, so that being the case, we went into the game to press the pace and not to give the favorite an easy edge." H. James Bond, trainer of beaten favorite Behrens, said, "He showed me that he is courageous. He didn't like that surface at all, and he still got second. They won't beat him in the (Breeders') Cup."

## FASTER THAN A SPEEDING BULLET

It wasn't a replay, but you can't blame anyone who saw **Beautiful Pleasure** (Maudlin) splashing her way through the slop on a clear lead down the stretch in a Grade I race with an Eclipse Award winner in her wake for thinking they were seeing a replay of the filly's victory over Banshee Breeze in the GI Personal Ensign H. at Saratoga Aug. 27. It was a different racetrack yesterday, and a different Eclipse winner, but it was the same Beautiful Pleasure who set a strong pace, repelled a challenge from **Silverbulletday** (Silver Deputy) at the top of the stretch and cruised to a 4 3/4-length tally in Belmont's GI Beldame. "I knew going in that she was going to love the slop," said rider Jorge Chavez. "I was never worried about Silverbulletday...She ran a great race." Trainer John Ward Jr. said, "We made Silverbulletday commit to our style rather than us committing to her style." Bob Baffert remained upbeat after his champ's defeat. "It wasn't her day and that is a nice filly that beat her," the trainer said. "I'm not worried. Horses beat horses." The first two finishers will head on to the Breeders' Cup Distaff, while trainer John Kimmel was uncertain of **Catinca** (Storm Cat)'s agenda.

**DISPERSAL** Nany's Appeal (Valid Appeal--Nany {Great Above}) brought a final bid of \$675,000 yesterday to top the Mockingbird Farm Broodmare Dispersal, the opening session of the Ocala Breeders' Sales Company's 1999 Fall Mixed Sale. Takuya Murayama of the J S Company, Ltd, signed the ticket for the 11-year-old mare who is in foal to End Sweep. For the session, 254 broodmares sold for an aggregate of \$12,167,500. The average price was \$47,904 and the median was \$25,000. A total of 11 mares sold for over \$200,000 during the session and the top five priced mares sold were all in foal to last year's record-setting freshman sire End Sweep. "We are delighted with today's results and pleased that (Mockingbird owner) Mr. Mangurian had such a successful day," said OBS General Manager and Director of Sales Tom Ventura. "The interest in this sale has been tremendous and proves once again that buyers from all over the world will come to Ocala to buy quality bloodstock." The Fall Mixed Sale continues today at 10:30 a.m.

Surfside and Darling My Darling were both impressive debut winners at Saratoga, and each was coming off a runner-up finish in a Grade I race (Surfside in the Spinaway Sept. 3 and Darling My Darling in the Matron Sept. 19). Surfside darted straight to the front along the rail and set moderate fractions with Darling My Darling just to her outside and Matron winner Finder's Fee (Storm Cat) right behind. The two leaders pulled away and raced down the stretch, with Darling My Darling pulling a length in front of Surfside, who surged forward in the final strides to get up for a head win. "Pat (Day) has a way of giving them a little breather before he drops down and asks them for all," said trainer D. Wayne Lukas. "Fortunately, she showed some class that last 50 yards and came back." Day added, "I don't think this is her favorite footing, so my hat's off to her." The two fillies will meet next in the Breeders' Cup Juvenile Fillies.

\*Barathea Guest finished first but was disqualified and placed second.

The winner of one of his two previous starts, a maiden event at Galway Sept. 7, **Ciro** came up against more experienced adversaries as he attempted group company for the first time. Continuing Aidan O'Brien's excellent run of juvenile success, he had the local stewards to thank for this Group 1 success when he was awarded the race, having been beaten a neck, at the expense of Barathea Guest who was judged to have caused interference just inside the quarter-mile marker, an incident which looked innocuous at worst. Jockey Philip Robinson received a four-day ban for his part in the incident. As the race got under way, Michael Kinane seized the initiative and sent **Ciro** straight into the lead which was dictated at a good pace. Ocean Of Wisdom followed three lengths behind in second with Barathea Guest restrained in last. Turning into the straight, Barathea Guest soon went into the lead, traveling best of the three runners, but drifted slightly to the right causing Michael Kinane to switch his mount while Ocean Of Wisdom began to toil. Barathea Guest surged three lengths clear at the furlong marker and looked to have the race in safe keeping, but **Ciro** didn't give up and finished well to be a close second. The proximity to which **Ciro** finished to Barathea Guest may have had some bearing on the stewards' decision, but the amendment of the placings came as a surprise to many. Connections of the demoted Barathea Guest are considering an appeal. Owner John Guest and trainer George Margaron lodged an appeal immediately after the stewards inquiry and have 48 hours to decide whether to proceed with the appeal or withdraw their application. Margaron said, "We had five days in which to appeal but lodged one straight away. It's all very well saying you are going to appeal in the heat of the moment but we'll sit down, have a look at the video and discuss it with the owner before deciding what to do. For the horse himself, he doesn't know he's been disqualified and as far as he is concerned he has won four out of five. He ran green for half a stride but ran a good race to get the job done. We'll put him away now for the winter and come back for a go at the (2000) Guineas." Winning owner Michael Tabor sympathized with Barathea Guest's connections and said, "It is hard luck on a small trainer, and I do feel sorry for him. Even so I thought we deserved to get the race in the end. That's it for **Ciro** this year but he should make up into a decent horse."

He was sent straight into the lead by Frankie Dettori and was never challenged to post a wire-to-wire success, breaking the track record in the process. **Stanott**, in rear for much of the race, finished to good effect and caught **Midyan Call** on the line to snatch second. Representing Godolphin, Simon Crisford said, "We are very happy with the result as we have been looking at this race for some time. He is a good horse but we have no immediate plans for him and we will have to have a discussion with Sheikh Hamdan before deciding where to run him next."

Second choice here, the chestnut colt sprinted out to set the pace and was never seriously challenged, despite jumping marks on the track near the five-furlong marker and eying marks left by the starting gate in deep stretch. "He got right into the race and I thought we were going to be in for a ride," said winning rider Garrett Gomez. "But about midway around the first turn, he got out of the race and he really never did get back in it. He lollygagged around there the whole way. I bet he didn't put out but about 80 percent today what he is capable of. It was just sheer talent that carried us today. If he learns how to use that talent, he is going to be awesome."

Dixie Union raced his way directly to the top of the left coast juvenile division this summer, breaking his maiden by a length and a half at Hollywood Park June 13 before passing his first stakes test with flying colors, taking the GIII Hollywood Juvenile Championship July 18. Taking the show on the road, the dark bay was a very game 1/2-length winner of the GIII Best Pal S. at Del Mar, getting up late while pinned in along the rail, but had his winning streak snapped when dominated by 5 1/2 lengths by Forest Camp in the GII Del Mar Futurity Sept. 8. Forest Camp bumped lightly at the start with Anees, but went up to set a fast pace just off the wood, as Dixie Union, a bit wide into the clubhouse turn, chased from the outside and pulled within 1 1/2 lengths into the far turn. Forest Camp still maintained a one-length advantage at the eighth pole, but, under constant pressure from his more seasoned rival, gradually gave way as Dixie Union was up late for the victory. The final running time of 1:35.79 broke the stakes record set by the Bob Baffert-trained Souvenir Copy in 1997. "I never lost faith in this horse," said winning rider Alex Solis. "The last time, Forest Camp ran a freaky race. On the way back to the barn, I told Mr. Mandella that I loved him at a distance, because he is very steady and just keeps coming at you. My horse is such a warrior." Baffert, who trained the runner up, always finds a way to find a silver lining. "The rail didn't help our situation, but we just went too fast. Still, we got beat by a pretty good horse. Now I don't have to be the favorite (in the Breeders' Cup)."

The prohibitive favorite, Manistique broke slowly but recovered to press the pace, took a slim lead at midstretch and fought to the wire to earn a narrow victory. "She ran hard, and I'm exhausted," said winning rider Corey Nakatani. "She's getting older and wiser. She knows when she's going to go by a horse. As soon as (Manistique) got by (Cookin Vickie), she pulled up and waited a little bit." Grass Wonder won for the eighth time in 11 starts and won his third group race of the year with a come-from-behind victory in a race which last year saw subsequent Japan Cup winner and Arc de Triomphe runner-up El Condor Pasa run second. Bidding his time in midpack to the stretch, jockey Hitoshi Matoba angled his mount to the outside in the stretch, was joined by Meisho Odo inside the eighth pole and outgamed that one in the final 50 yards for the win. He was most recently second in the GII Kentucky Cup Classic H. at Turfway Sept. 25. The favorite in the short field was under restraint as he tracked the pacesetter Master O Foxhounds, took over with a half mile to run and drew clear to the victory. "I just let my horse stay a little back and then I asked him. I didn't want to fight him. I just wanted to let him run his race," said jockey Marlon St. Julien.

Positive Gal ran sixth in GI Kentucky Oaks in May in her only other venture into graded stakes company and her only try at a route of ground. Turned back to sprinting, the filly reeled off two allowance wins and a four-length victory in Belmont's Sept. 11 Floral Park H. last time out. She stepped right out to contest the pace here, drew clear when asked at the top of the stretch and won going away.

It was no surprise that Page's King started as one of the outsiders as his recent form had not been anything to get excited about, with no placings from four starts this year. Popular opinion was confounded as he ran on well from the final turn to become Baden Baden-based trainer Walther Himmel's first pattern race winner. Page's King, who relishes soft underfoot conditions, kept company with Catoki and Pretty Princ, Slovakia's champion juvenile of last season, at the head of affairs. These three drew well clear of the remainder and it was Page's King who proved strongest at the business end of the race.

Having won last year's G1 Prix de la Foret at Longchamp, Tomba has endured a somewhat disappointing year by his own high standards in managing to secure only one win, a class C conditions event at Haydock July 2. He managed to salvage something for the year by getting the better of Tertullian after a battling run inside the final furlong. Recadero (Ger) (Dashing Blade {GB}) dictated the early pace ahead of Tajasur, Tertullian and Tomba. Recadero tried to quicken away from the field soon after entering the straight but his move was marked by Tertullian who grabbed the lead just inside the final furlong. As soon as Tertullian had struck the front, Tomba appeared by his side and the pair battled all the way to the line with Tomba proving superior close to home.

Coming off a third in her stakes debut in the Sept. 12 Sethe Listed Premio Novella at Milan, Sonda reversed that form with second-placed Xua and belied her odds to score her first group race win with a tremendous turn of foot to overhaul favored Goodwood Blizzard. Xua set a moderate pace but tried to slip the field early in the straight. Frankie Dettori was alert to the move and soon had Goodwood Blizzard challenging but the pair were outdone as Sonda, having been afforded a patient Mirko Demuro ride, finished to great effect on the outside for a deserved win.

She was settled in midfield as Kansa (Fr) (Linamix {Fr}) led from Rada's Daughter (GB) (Robellino {USA}) and Glaoutchka as Aubergade was ridden with patience in rear. Glaoutchka grabbed the lead at the two-furlong marker as Shebane was ridden to challenge. Olivier Doleuze became more urgent approaching the final furlong and sent Shebane into the lead. Once in front she went about her task with enthusiasm and kept on resolutely for a deserved win. Glaoutchka stayed on to good effect and safely held the late rally of the fast finishing Aubergade.

**VALENTINO CALLS IT A YEAR**

Primo Valentino (Ire) (Primo Dominie {GB}), winner of his last five starts including the G1 Saudi Arabia Airlines Middle Park S., has been retired for the season and won't run in Saturday's G1 Thoroughbred Corporation Dewhurst S. at Newmarket. Trainer Peter Harris said, "He's done very well for us and has definitely retired for the season. He had three races in September and that's enough. His initial objective next year will be the 2000 Guineas."

**WALKER TO MAKE A PLAY FOR TOTE**

George Walker, whose former company Brent Walker used to own Britain's second-biggest bookmaker William Hill, is planning to bid for the Tote when the betting organisation, currently the responsibility of government, is privatised. He is first trying to take over the BS leisure group and use it to pay between £100 million to £150 million for the Tote if it is offered on the open market. The government has decided to end its links with the Tote but not the method of disposal.

**TO APPEAL OR NOT TO APPEAL...**

Owner Peter Savill and trainer David Nicholls will decide today whether to appeal against the decision of the stewards not to award Pepperdine (Ire) (Indian Ridge {GB}) the Coral Sprint Trophy H. at York on Saturday. Pepperdine, ridden by Kieren Fallon and beaten a length, was challenging when the winner Get Stuck In (Ire) (Up And At'em {GB}) veered right in the closing stages. The York stewards decided the interference had taken place as a result of careless riding by Carl Lowther on the winner and suspended him for three days but it had not materially affected the outcome. Nicholls said yesterday, "I am going to have a look at the film again and Peter is going to ring me tomorrow and we will see what we are going to do. But whatever happens I will always believe the stewards got it wrong. It will be the owner's decision but if it was left to me I would appeal, though I would take legal advice first."
