SUCCESS SURGERY FOR FASLIYEV

Fasliyev (Nureyev--Mr. P.'s Princess, by Mr. Prospector), who fractured his pastern Thursday morning, has made an excellent recovery from surgery, but the two-year-old will be retired and heads to Coolmore to stand at stud next season. "We are expecting him to leave the Troytown Equine Hospital early next week and he will go straight to Coolmore," said trainer Aidan O'Brien. "The vets are very pleased with his recovery and expect him to be fully recovered well before the covering season starts in four months time." Fasliyev was undefeated in five starts, recording Group 1 victories in the Prix Morny at Deauville and the Heinz 57 Phoenix S. at Leopardstown for earnings of \$374,487. "It takes a real star to achieve what he has done this year," O'Brien said. "It's just tragic that he hurt himself in the way he did, when he was out in the paddock, because he was a very sound horse. I would never have asked him to tackle two Group 1 races in the space of 15 days if he wasn't. He should take to his new role at Coolmore as he has always been such a mature individual." Fasliyev's stud fee has not been finalized.

STRAVINSKY TO ASHFORD AFTER SPRINT

Stravinsky (Nureyev--Fire The Groom, by Blushing Groom {Fr}), Europe's top sprinter, will make his final career start in the Breeders' Cup Sprint, then will ship from Gulfstream Park to Ashford Stud in Kentucky and start his new career as a stallion next season. Trainer Aidan O'Brien had been pointing the colt for the Mile, but said, "I am confident that he will adapt to dirt and he has so much brilliant speed that he should take all the beating. My only worry is whether the European horses will cope with the switch to a hot and humid climate." The three-year-old, hero of the G1 Persimmon Homes Nunthorpe S. at York and the G1 Darley July Cup at Newmarket in his last two starts, has won three of his seven starts, bankrolling \$360,071. His stud fee has not yet been announced.

Asidero set the pace and easily won the second leg of the Argentine Triple Crown as El Baile, who endured serious traffic problems, was able to rescue a very good second place. Asidero will now go on to the Gran Premio Nacional (Argentine Derby) over 2500 meters on dirt in an attempt to earn the Triple Crown. The owners (Lieberman Family) want their revenge after just missing a triple crown with Gentlemen (Arg). They will then consider of running the Pellegrini, or will send the colt directly to United States to continue his racing career.

DEWHURST S.-G1, £117,600, Newmarket, 10-16, 2yo, c/f, 7fT, 1:26.84, gd.

1--**DISTANT MUSIC**, 126, c, 2, by Distant View

1st Dam: Musicanti, by Nijinsky II

2nd Dam: Populi, by Star Envoy

3rd Dam: Sister Shannon, by Etonian

O-Khalid Abdullah; B-Juddmonte Farms; T-Barry Hills; J-Michael Hills; £117,600. Lifetime Record: 3-3-0-0, £182,120.

On a day when Cherokee Run consolidated his lead on North America's freshman sires' table through Silentlea's success in the GII Astarita S., another Kentucky-based stallion, Distant View, shot to the top of the British and Irish list thanks to the victory of his son Distant Music in the G1 Dewhurst S.

Distant Music was expected to win--and win well--following his dazzling display in the G2 Champagne S., but the ground conditions did not help his cause. Jim McGrath expressed fears in *The Daily Telegraph* that "the fragile state of the ground on the July Course could bring him back to the pack" and his fears were substantiated to an extent. Although the Juddmonte homebred was still able to produce his instant acceleration, the conditions and the slow early pace conspired to prevent him from drawing well clear of Brahms.

Time may show, though, that Brahms is also a very good colt. After all, this million-dollar colt is by Danzig out of Queena, a Mr. Prospector mare who became a champion at the age of five.

Distant Music's ability to quicken could be described as hereditary. His sire looked to have little hope of success when he was boxed in on the rails in the G1 Sussex S., but he quickened so well on seeing daylight that he managed to catch Baratheia (Ire) close home, in the process lowering Goodwood's mile record. Unfortunately Distant View failed to reproduce that form in two subsequent starts in 1994 and never made it to the track when kept in training as a four-year-old.

This type of scenario often represents quite a blow to a young stallion's prospects, but Distant View was fortunate that his breeder, Khalid Abdullah, has always supported him very strongly.

Distant View has already repaid his owner with colts of the calibre of Distant Music, Decarchy and Observatory, and the eight-year-old stallion has also rewarded outside breeders with several winners, including Kelso Magic, an English filly who recently finished a good fourth in the G3 Cornwallis S.

Distant Music is a grandson of Populi, a mare bought for \$2,000,000 at Keeneland in 1983, and he represents the second substantial dividend produced by Populi's daughters this year. Her Northern Dancer filly Kamkova is the dam of Kirkwall (GB), a Selkirk horse who recently scored his third 1999 graded win in the GII Keeneland Turf Mile. Distant View's dam, Musicanti, is by Nijinsky II out of Populi and is therefore a 3/4 sister to Kamkova. Although Kamkova and Musicanti are closely related, they are very different physical specimens. Musicanti is much the bigger at over 16.2 hands, and this plain, lengthy mare has blended very well with Distant View, a neater, more muscular and strong-quartered individual.

When a colt possesses Distant Music's powers of acceleration, the chances are that he will struggle to get 1 1/2 miles. He could get 1 1/4 miles, though, because Musicanti gained her only win from 12 starts over 1 3/4 miles in France and she is a half sister to Vanlandingham, a top American horse who gained Grade I wins over 1 1/2 miles in the Washington D.C. International and Jockey Club Gold Cup.

Populi was herself a half sister to Temperance Hill, a champion three-year-old who stayed 1 1/2 miles well enough to win the GI Belmont S. and GI Jockey Club Gold Cup. Populi's sire, Star Envoy, also stayed pretty well, once winning the 1 3/8-mile Manhattan H. Could it be, though, that Distant View's female line will exert a stronger influence? His dam Seven Springs was a very talented two-year-old sprinter and winner of the G1 Prix Morny--a race also won by her half-sister Regal State.

GOOD AND TOUGH TO VINERY IN 2000 The four-year-old multiple graded-stakes winner **Good and Tough** (Carson City--Amy Be Good, by Northern Raja) will stand the 2000 breeding season at Vinery Kentucky. Vinery Kentucky and partners purchased a majority interest in the David P. Reynolds homebred, who is scheduled to make the final start of his career in the GI Breeders' Cup Sprint. Runner-up in this year's GI Frank J. DeFrancis Memorial Dash S., **Good and Tough** won the GII Commonwealth Breeders' Cup S. and GIII Finger Lakes Breeders' Cup S. He was most recently second behind Artax in the GII Forest Hill H.; his record currently stands at nine wins in 22 starts for earnings of \$809,341. "Like commercially popular Lord Carson, **Good and Tough** is an attractive, well-made son of Carson City and a product of David Reynolds' successful breeding program. He's a natural fit here at Vinery," said Director of Operations Bates Newton.

Overbrook Farm's **Tactical Cat** (Storm Cat), unraced since a 1/2-length victory over Prime Timber in the GI Hollywood Futurity last Dec. 12, has drawn the inside gate for his return to the races in tomorrow afternoon's eighth race at Keeneland at about seven furlongs. The gray stamped himself as a top two-year-old of 1998 with a 5 3/4-length victory over Lucky Roberto in Belmont's Tremont S. He was second to that rival in the GI Hopeful, then finished off the board in the GI Champagne and GI Breeders' Cup Juvenile prior to his Futurity success. The D. Wayne Lukas trainee will have the services of jockey Pat Day.

Former Jockey Sam Renick Dead:

Sam Renick, who rode his first race in 1928 at the age of 16 and later became one of the founders of the Jockeys' Guild, died Saturday morning at his home in Manhattan after a long illness. He was 87. Renick, who rode under contract for owners such as Alfred Vanderbilt and Harry Warner, teamed up with Johnny Longden and Eddie Arcaro to form the Jockeys' Guild in the early '40s. He retired from the saddle later that decade, but went on to host one of the first television programs on horse racing. Plans for a memorial service at Belmont Park have not yet been finalized.

DEAUVILLE SALE OFF TO A STRONG START

The trend of strong sales worldwide continued yesterday after the first day of the Agence Francaise Deauville Yearling Sale, with the average up 13 percent to FF85,515. The first yearling sold, Lot 2, a filly by Rainbow Quest (USA)--Echoes (Fr), by Niniski (USA), offered by Haras de Fresnay le Buffard, topped the sale after BBA Germany went to FF600,000 for her. An Exit to Nowhere colt, Lot 51, brought FF300,000 from the Mab Agency, while Pierre-Charles Le Metayer took a Never Young colt for FF240,000. The sale continues today and Wednesday with morning and evening sessions sandwiched around live racing.

236 TO GO IN TODAY'S DONCASTER SALE

Doncaster's October Horses In Training Sales has been cut down to one day, Oct. 19, although there are 236 lots catalogued. These include drafts from several major flat stables, including those of David Nicholls, Paul Cole, Clive Brittain, Jack Berry and Brian Meehan. The Paul Cole draft includes the once-raced three-year-old **Single Currency (GB)** (Barathea {Ire}), who cost 160,000 guineas as a yearling, and whose Sadler's Wells (USA) half-brother made 650,000 guineas at this year's Tattersalls Houghton Yearling Sales. One of the Meehan-trained offerings is useful sprinter **Flak Jacket (GB)** (Magic Ring {Ire}). Selling begins at 10 a.m.

A PAIR OF GOFFS SALES OCT. 29-30

Goffs has 122 lots catalogued for its Horses-In-Training Sale Friday, Oct. 29, beginning at 5.30 p.m. The following day sees the staging of the Autumn Bonus Yearling Sale, in which 281 youngsters are catalogued to go under the hammer, with selling beginning at 9.30 a.m. First-crop sire General Monash (USA) (Thorn Dance {USA}) accounts for the biggest entry with 17 yearlings listed, with the more-established Distinctly North (USA) (Minshaanshu Amad {USA}) next in terms of numbers with 13.

Hataab had to overcome traffic to win in a tight battle on his debut at Ascot July 23 and was second-best in his next, and most recent, start Sept. 8 at Doncaster. Paradise Garden tried to make all the running here and was almost successful, but Hataab, who was ridden three furlongs out, just caught him at the wire.

GODOLPHIN SAYS MIX-UP'S TO BLAME FOR POSITIVE

The Godolphin-owned **Royal Line (GB)** (Saint Estephe {Fr}) was one of three horses who the Jockey Club yesterday announced had tested positive to prohibited substances. The three-year-old's sample, taken after his win in the Listed Bahrain Trophy at Newmarket July 7, contained pentoxifylline. Simon Crisford, Godolphin's racing manager, said, "The positive test from Royal Line showed traces of an oral stable medication used to treat horses with feet problems. Another horse was being treated for feet problems at that time. Royal Line was mistakenly contaminated with the substance and Godolphin accepts full responsibility." The two other horses to have tested positive are **El Curioso (USA)** (El Gran Senor {USA}), for phenylbutazone and oxyphenbutazone, after winning at Salisbury July 10, and **French County (Ire)** (Executive Perk {GB}), for flunixin, after scoring over hurdles at Bangor June 30.

O'BRIEN HAS SEVEN FOR RACING POST TROPHY

Trainer Aidan O'Brien, who last week left eight horses in at the five-day stage for the Dewhurst S., yesterday kept seven juveniles in the running for the G1 Racing Post Trophy, to be run at Doncaster Saturday, Oct. 23. The septet includes **Zentsov Street (USA)** (Nureyev {USA}), third to undefeated **Distant Music (USA)** in the Oct. 16 Dewhurst S.

FALLON FATIGUED, CUTS SHORT HIS RACING DAY

Champion jockey Kieren Fallon's attempt to complete his third successive double century was cut short yesterday as he gave up the last three of his five rides at Pontefract because of exhaustion. Fallon had flown on an overnight flight from Toronto with Jimmy Fortune after riding in the Canadian International at Woodbine. "We arrived at Heathrow at about 8.30 a.m.," said Fallon, "and Jimmy and I drove up and decided to play nine holes of golf at a local course to freshen ourselves up. But having flown out to Canada on Saturday night and back on Sunday night, it was like two nights without sleep. When we were out there, the adrenaline was going, but it has got to us now and it is not fair to anyone if you feel you cannot give your best."

Prix de Saint-Cyr Cont.

Since finishing a good fourth in the G1 1000 Guineas at Newmarket May 2, **Capistrano Day** has been something of a disappointment in four subsequent runs. Her best performance since the Guineas was her latest start, a third in the Listed **Sceptre S.** at Doncaster Sept. 9. She was settled in fourth on the rail tracking the leader **Mamamia (Linamix {Fr})**, who raced in advance of **South Audley (Gulch {USA})** and **Lever To Heaven (Bluebird {USA})**. **Arctic Char** tracked **Capistrano Day** in eighth, one place ahead of **Ebdaa** on the outside. **Capistrano Day** was switched out to make her challenge as **South Audley** began to falter with 1 1/2 furlongs to go and her run was followed through by **Arctic Char**. **Capistrano Day** led at the distance and ran on strongly to safely hold all her rivals at bay. **Ebdaa** made her run on the outside and grabbed second place in the last half-furlong, but **Arctic Char** kept on just the better and booked the runner-up berth in the dying strides. **Ebdaa's** run was all the more remarkable as she had collided with **Circle Of Passion**, who had gotten loose on the way to the start and was scratched.

She was ridden into third at the quarter-mile marker, challenged at the distance and ran well to lead in the last half-furlong for a comfortable one-length length win. She is a half to **Special Price (USA)** (**Bering {GB}**), GSW & GISP-US, \$289,914. Lifetime Record: 7 starts, 2 wins, 3 places, FF206,000. PROMISING TWO-YEAR-OLDS AT NEWMARKET

by David Milnes

Henry Cecil, who should have plenty of ammunition for a springtime 2000 spree, judging on recent returns, hopes to introduce some smart long-term prospects before the curtain comes down on the turf campaign at Doncaster Nov. 6. Well forward at present is **Jolly Sharp (USA)** (c, Diesis {GB}--Milly Ha Ha {GB}, by Dancing Brave {USA}), aiming to be a most appropriate winner of the Oath Maiden S. at Nottingham Thursday. Homebred by the Clivden Stud, Jolly Sharp is from the family of top-class middle distance performer Mill On The Floss (GB) (Mill Reef {USA}). More precocious is **Love Divine (GB)** (f, Diesis {GB}--La Sky {Ire}, by Law Society {USA}), a half-sister to Laurentine (USA) (Private Account {USA}), a winner in France at 1 1/2 miles. The property of local owner/breeder Lordship Stud, Love Divine is from the family of Legal Case (GB) (Alleged {USA}), winner of the G1 Champion S. at Newmarket. Likely to need a stiffer stamina test is **Wellbeing (GB)** (c, Sadler's Wells {USA}--Charming Life {NZ}, by Sir Tristram {NZ}), homebred by the Howard de Walden family. A scopey sort, Wellbeing is a half-brother to the classy Kingfisher Mill (USA) (Riverman {USA}), winner of the G2 King Edward VII S., Royal Ascot and now at stud in Germany. One for next year is **Silk Glove (Ire)** (c, Hernando {Fr}--Gwydion {USA}, by Raise a Cup {USA}), a half-brother to smart stablemate Enrique (GB), runner-up in both the G1 English and Irish Guineas earlier this year. Similar sentiments apply to **Subtle Power (Ire)** (c, Sadler's Wells {USA}--Mosaïque Bleue {GB}, by Shirley Heights {GB}), a three-parts brother to Munice (Ire) (Sadler's Wells), winner of the G1 Prix Saint-Alary. When offered up for auction at the Goffs Orby Sale last October, Subtle Power was knocked down to The Thoroughbred Corporation for Ir360,000 guineas.
