INTERNATIONAL AGENDA FOR SOUTH

AFRICAN CHAMP Ambitious plans have been laid out for South African Horse of the Year **Horse Chestnut (SAf)** (Fort Wood {Ire}), who is currently residing at Allen Paulson's Brookside South in Florida after shipping from his native country and spending three months in quarantine. The four-year-old colt won four Group 1 races in his native country this year. Owned and bred by Harry and Bridget Oppenheimer, he is being attended to at Brookside by trainer Tony Barnard and his South African groom. He will remain in Florida over the winter and target either the G1 Donn H. or the G1 Gulfstream Park H. in February before being shipped to the Persian Gulf for the G1 Dubai World Cup in March. Connections said the colt may have a prep race over the sand at Nad al Sheba before running in the world's richest race. After Dubai, Horse Chestnut is scheduled to ship to Britain and be stabled with trainer Geoffrey Wragg at Newmarket for a shot at the G1 King George VI & Queen Elizabeth Diamond S. over a mile and a half at Ascot in late July, possibly taking in the G1 Eclipse S. over a mile and a quarter at Sandown Park three weeks earlier. "Wherever he goes, Horse Chestnut will be regularly attended by his South African trainer Mike De Kock," said Gavin Shafer, manager of the Oppenheimers' Mauritzfontein Stud in South Africa. "The horse has shipped well to the States and has come out of quarantine in good shape."

OATH TO JAPAN? G1 Epsom Derby hero **Oath (Ire)** (Fairy King--Sheer Audacity {Ire}, by Troy {GB}), who injured his knee when seventh in the July 24 G1 King George VI & Queen Elizabeth Diamond S., is likely to be retired and is expected to head to Japan to begin his stud career. The Thoroughbred Corp.'s three-year-old won three of his seven career starts for earnings of \$1,040,019. Negotiations with Yushun Farm are apparently ongoing. An official announcement is expected next week.

All horses in the International TDN were bred in North America unless otherwise indicated.

BIANCONE TO NEW YORK Suspended Hong Kong conditioner Patrick Biancone will begin training in New York next year, according to a story in yesterday's *South China Morning Post*. The Frenchman, who has been in the U.S. and Canada for the past 10 days, was suspended through the end of the Hong Kong season after some of his horses tested positive for banned substances. Biancone denied giving the horses the prohibited substances, but accepted responsibility for what happened to the horses in his care. Biancone trained champion All Along, as well as two winners of the Arc de Triomphe and a French Derby winner.

HAWTHORNE WORK FOR BUCK'S BOY

Defending Breeders' Cup Turf champion **Buck's Boy** (Bucksplasher) drilled seven furlongs yesterday at Hawthorne in 1:27.48. The gelding posted fractions of :36 for three furlongs, :49 for the half, five furlongs in 1:02 and six furlongs in 1:14 2/5. He galloped out the mile in 1:41.52.

SOUTHERN CALIFORNIA HOPEFULS PREP

A quartet of Southern California hopefuls were out for work yesterday morning. At Santa Anita, Mile candidate **Ladies Din** (Din's Dancer), third over a yielding turf in the GII Shadwell Keeneland Turf Mile last out, worked three furlongs over the main track in :36 for trainer Julio Canani. **Bonapartiste (Fr)** (Kendor {Fr}), possible for the Turf, worked five furlongs in 1:01 2/5. Across town at Hollywood Park, Distaff contender and GII Lady's Secret Breeders' Cup winner **Manistique** (Unbridled) went five furlongs in 1:03 1/5 for trainer John Shirreffs, while G1 Yellow Ribbon winner **Spanish Fern** (El Gran Senor) got her five panels in :59 1/5 prepping for the Filly and Mare Turf.

GOLD AWAY OUT OF BREEDERS' CUP

According to published reports, **Gold Away (Ire)** (Goldneyev), one of the favorites for the Breeders' Cup Mile, was injured during a workout at Payson Park Tuesday and is out of the race. The four-year-old colt won a pair of Group races going a mile to start his 1999 campaign and was most recently second to Sendawar (Ire) in the Sept. 5 G1 Prix du Moulin de Longchamp.

O/B-Grundy Bloodstock Ltd; T-Pascal Bary; J-Sylvain Guillot; FF500,000. Lifetime Record: 14 starts, 6 wins, 6 places, FF1,678,039.

The sun has continued to shine on Selkirk ever since Kirsten Rausing announced last month that this top-class miler will stand next season at a fee of £30,000, the increase of £10,000 from this year being "due to the immense demand for nominations." The Lanwades Stud owner explained that, although Selkirk will be limited to 90 mares, his book could easily have been double that figure, such was the call for his services. Selkirk has busily justified the rise by continuing to enjoy plenty of group-race successes. Trans Island took the G2 Prix du Rond-Point Oct. 3, Kirkwall boosted his earnings for the season to nearly \$450,000 when he took the GII Shadwell Keeneland Turf Mile Oct. 9 and then Field of Hope won Europe's premier seven-furlong race, the G1 Prix de la Foret, Oct. 17, with Trans Island a close third. For good measure, the son of Sharpen Up has been coming up with some promising recent juvenile winners, such as Alfini and Pawn Broker, from his fourth crop, which had already produced the group-winning Harbour Island and the dual winners Scottish Spice and Carousing. Selkirk's star should continue in the ascendant because his next crop of juveniles, which includes a brother to Field of Hope, were conceived in 1997, after he had confirmed his considerable potential with a classy bunch of first-crop two-year-old winners.

Although Field of Hope was foaled in Ireland and is trained in France, she comes from a family with strong links to Italy. Her third dam, the unraced Forhat, is the second dam of three Italian black-type winners, including Field of Hope's dam Fracci, who defeated the outstanding Italian colt Misil to win the Listed Premio Eupili over six furlongs as a two-year-old. Fracci was later group-placed over a mile. Forhat was a half sister to Hobnob, winner of the Dante S. and fourth in the St Leger, and the female line traces to Horama, one of the most influential broodmares in British breeding over the last 50 years.

Field of Hope ranks alongside Wince (G1 1,000 Guineas), Squeak (a dual GI winner), Kirkwall (G2), Trans Island (G2), Country Garden (GII), Harbour Island (G3), Orford Ness (G3) and Hidden Meadow (G3) as one of nine Group winners to have emerged from the 199 foals in Selkirk's first four crops. This total of group winners looks sure to rise because Selkirk has so far sired only one group-winning juvenile, and more group horses should emerge from his 53-strong 1997 crop. It makes an interesting exercise to look at the racing records of the dams of these group winners. Field of Hope's dam Fracci is the only stakes winner among them and several of the others had such ordinary Timeform ratings as 62, 72, 84 and 86. It is a similar story with Selkirk's five Listed winners, the exception being Border Arrow, last year's 2,000 Guineas and Derby third who is out of the Listed winner Nibbs Point. Clearly, in Selkirk, breeders have found one of those rare stallions capable of consistently upgrading his mares. No wonder breeders are queuing up to obtain his services!

WHAT'S DOING DOWN UNDER

By **BRONWYN FARR**

Indefatigable stallion Danehill will face increasingly fierce competition from a platoon of sire sons this season and Danzero (Aus) will ably leading the charge after recording a Group 1 double from his first crop at Randwick on Epsom Day last Saturday.

Danglissa (Aus), a A\$45,000 Magic Millions purchase, has earned A\$625,725 including her G1 Flight S. win--in which she beat royally bred Danehill filly The Golden Dane (Aus). The pair will clash again in next Wednesday's 1000 Guineas in Melbourne.

And Fairway (Aus), a A\$40,000 purchase trained by Jack Denham, claimed his sixth consecutive win in the G1 Spring Champion S. before heading to the paddock.

Danzero was the first of Danehill's sons to go to stud, in 1995. He was also Danehill's first stakes winner anywhere in the world when he won the Maribyrnong Plate at Flemington in 1993 and his first Group 1 winner after claiming the Golden Slipper in 1994.

He is currently second to Zabeel (NZ) on the sires table with A\$1,218,325 in progeny earnings, three individual stakes winners and a further 13 money earners from his first crop. The eight-year-old, who stands at Arrowfield at a A\$12,500 fee, covered 73 mares last season and his 2000 yearling draft will include a half sister to multiple Group 1 winner and Australian Horse of the Year Mahogany (Aus).

At the Inglis Easter sale this year, Danzero averaged A\$46,000 for four sold compared with his sire's A\$318,000 average for 47 sold. But keep in mind that Danehill's first crop average was A\$34,000 at Sanctuary Cove.

Danzero is a laid-back, plain horse who is inevitably overshadowed by fellow Danehill sire son Flying Spur (Aus) during Arrowfield stallion parades. If Danzero is making such an impact, it follows that Flying Spur, an lovely muscular type from the Mr. Prospector mare Rolls, will do likewise when his progeny hit the track.

Flying Spur was purchased by Arrowfield's John Messara as a A\$160,000 yearling. His dam Rolls died of colic shortly after foaling Flying Spur's sister, who subsequently ran into a fence and broke her neck.

Flying Spur beat Octagonal (NZ) as a 25-1 shot in the 1995 Slipper, then went on to claim the Australian Guineas as a three-year-old and the All-Aged S. as a four year old. His first crop averaged A\$111,381 for 21 sold and the triple Group 1 winner has already joined the reverse shuttle brigade.

But wait, there's more.

Danewin (Aus), a A\$21,000 purchase by former Prime Minister Bob Hawke on behalf of a friend, retired to stud with more than A\$2 million in purses with Dubai-based His Excellency Nasser Lootah, who owns New South Wales stud Emirates Park, purchasing him in a deal that valued the freshman stallion at A\$4 million.

The eight-year-old is closely related to Octagonal, who is from Eight Carat (GB)--the dam of five individual Group 1 winners--via his unraced dam Cotehele House (GB).

On Saturday, Danewin recorded his first winner with Listed Canonbury S. hero Kootoomootoo (Aus) at Randwick.

A first-season fertility hiccup meant Danewin only had 35 foals on the ground; his first crop averaged A\$74,773 this year.

Nothin' Leica Dane (Aus) returned from an unfruitful stint racing in France to retire as a dual Group 1 winner, claiming the Victoria Derby from Octagonal and running second in the 1995 Melbourne Cup at his first preparation for Gai Waterhouse.

The seven-year-old, who stands at Byerley Stud at A\$7,500, has first crop foals arriving now. He's from *Sir Tristram mare Leica Pretender (NZ), whose family is littered with Group 1 winners.

Golden Slipper runner-up Shovhog (Aus) has proven astonishingly popular in his first season at A\$6,000 at Widden Stud. He's an outstanding type from Luskin Star (Aus) mare Startling Lass (Aus), herself a Golden Slipper place getter and sister to champion two-year-old filly Midnight Fever (Aus).

There are 16 Danehill sire sons in Australia at present and much is expected of triple Group 1 winner Desert King (Ire), from Nureyev mare Sabaah, who stands at Coolmore at A\$20,000 and whose first foals are exceptional.

Every state boasts a Danehill stallion--from German stakes winner Ladoni (GB) in Tasmania to Dantibes (Aus) at A\$2,500 in Queensland. And breeders can also opt for Danehill's full brother, Arlington Classic winner Eagle Eyed, standing at A\$10,000 at Collingrove Stud alongside Danehill Dancer (Ire), the National S. and Phoenix S. winner from Sharpen Up (GB) mare Mira Aronde, who stands at A\$7,500.

FIGURES JUMP AT BARRETTS FALL SALE

The 1999 Barretts Fall Sale of Yearlings and Horses of All Ages, held Monday and Tuesday at the Hinds Pavilion at Fairplex in Pomona, California, saw the average rocket 65 percent and the median leap 43 percent from last year. Two lots brought final bids of \$125,000 to top the sale. The first, a California-bred yearling by In Excess (Ire) named **Papa Leonard**, was consigned by Hal Oliver, agent, and purchased by Sequel Bloodstock, Inc. The second, the unraced three-year-old filly **Heat Is On** (Sunshine Forever), was from the consignment of Mary Knight, agent, and purchased by Scott Strader, agent. Sold as a racing prospect, the chestnut is a half sister to champion sprinter Eillo (Mr. Prospector) and stakes winner Ruler's Dancer (Irish Ruler). J.Z. Stock Farm was the top buyer, picking up 10 horses for \$205,200, an average of \$20,520, and the complete dispersal of Donald W. Baldwin was the leading consignor, selling 12 lots for \$554,000, an average of \$46,167.

Thunder Kitten Retired:

Thunder Kitten (Storm Cat--Nastique, by Naskra) has been retired from racing and will be bred to Seattle Slew next year. The four-year-old filly won five of 13 races, including last year's Gill Honey Bee H., and earned \$253,138 for trainer Elliott Walden. She will be retired to her owner's Stonerside Stable in Paris, Kentucky.

Ms Zenna Retired:

Illinois bred **Ms Zenna** (Zen--Monochromatic, by Distinctive Pro), a multiple stakes winner of \$301,317, has been retired from racing. "She was a nice filly who always tried hard," said trainer Mickey Goldfine of the five-year-old mare who counts this year's Josette S. at Hawthorne among her seven victories.

Baez To Return Home For Thanksgiving

Jockey Rudy Baez, paralyzed from the waist down in a racing accident at Rockingham Park Aug. 4, is progressing well in his rehabilitation, so well that he is expected to celebrate the Thanksgiving holiday at home in Wakefield, Massachusetts. According to his agent Mike Szpuk, a removable cast for Baez' chest is now off for most of the day which enables him to increase his movement and strengthen his arms and shoulders. After the holiday, Baez will return to the Kessler Institute in New Jersey to continue his rehabilitation.

NJSEA Submits Dates Request For 2000:

The New Jersey Sports and Exhibition Authority has filed its request for Thoroughbred and harness dates for next season. If the request is approved, Monmouth Park will begin its 73-day meet May 27 and end Sept. 3, effectively the same schedule as 1999. The Meadowlands will kick off its season Sept. 4 and conduct a total of 54 race cards through Nov. 18. The New Jersey Racing Commission will allot the dates at their November meeting.

Applicants Vie for New Virginia Track:

The Virginia State Racing Commission has heard from two applicants vying to build a second racetrack in the state, according to the *Harness Tracks of America Newsletter*. The commission could rule on both requests by Nov. 1. Both Colonial Downs and the Virginia Turf Club are seeking to build a new track in northern Virginia. With regards to Colonial Downs' current financial woes, the track's president Ian Stewart told the commission the company expected a \$60 million increase in revenues from a Virginia OTB parlor in the northern section of the state.

She's Classy set a fast pace for the opening half as Classic Olympio stalked from the outside in third. The two raced as a team down the lane, with Classic Olympio assuming command in the final 50 yards for her second straight victory. LIT DE JUSTICE FILLY TOPS DEAUVILLE

WEDNESDAY Hip number 294, a filly from the first crop by American champion sprinter Lit de Justice (USA) (El Gran Senor {USA}) brought a bid of FF290,000 to top Wednesday's final sessions of the Agence Francaise October Yearling Sale at Deauville. Out of Top Apple (Fr) (Top Ville {Ire}), who was three times placed in listed stakes in France, the yearling was consigned by Haras du Reully and purchased by Agence Gladiateur. The top-selling colt yesterday was hip number 325, a son of Subotica (Fr) out of Abordable (GB) (Formidable {USA}) who brought FF250,000. A half brother to German group winner Aboard (Fr) (Hero's Honor {USA}), he was consigned by Haras du Mezeray and purchased by Robert Collet. Wednesday's two sessions saw the average rise 10 percent and the aggregate increase 53 percent from last year. Overall, the October Sale average was up 12 percent, with total sales rising 35 percent.

BOOKMAKERS' OFFER REJECTED The Bookmakers' Committee levy offer was yesterday rejected at a meeting of the Levy Board. The offer is said to be the equivalent of a 9.5-percent increase over the present value of the levy, which amounts to around £5 million, but it was deemed not enough. The Board asked for a revised offer in time for a special meeting arranged for next Wednesday. Levy Board Chairman Rob Hughes commented: "The three independent members of the Levy Board, including myself, are very conscious of the role they have in judging between the capacity of bookmakers to pay and the needs of the racing industry. This role is extremely important and will be carried out in a totally independent way. We now await the Bookmakers' Committee's response to the observations which were made today. The independent members consider it would be helpful to the negotiations if details are kept confidential by all parties until the conclusion of the process." The Bookmakers' Committee will meet again today, but time is short--an agreement must be reached by Oct. 31 or the matter will be passed into the hands of the Home Secretary. The British Horseracing Board Chairman Peter Savill, who is a Levy Board member, said: "We welcome the Levy Board's decision to reject the derisory offer submitted by the Bookmakers' Committee. Far from representing a real increase, the offer amounts to less than the Levy Board received in 1997-98, indexed for inflation since that date. The offer is nowhere near enough to address the needs of racing identified in the Financial Plan and, with the betting industry profits up by £250 million since 1995, it fails to reflect the betting industry's capacity to pay."

HULA ANGEL RETIRED Hula Angel (USA) (Woodman {USA}--Jode {USA}, by Danzig {USA}), winner of the G1 Irish 1000 Guineas, has been retired, according to the *Racing Post*. The three-year-old filly, a Group 2 winner at two, started her 1999 season with a sixth-place finish in the G1 English 1000 Guineas and was 16-1 at The Curragh, but charged to the front 100 yards from the wire and held on for a neck win. She made her final appearance in the G2 Falmouth S. July 7 and finished seventh. A \$40,000 Keeneland November weanling, she collected three wins and two seconds from 10 starts for earnings of \$204,217.

JOHNSTON HITS CENTURY MARK

Trainer Mark Johnston yesterday secured his sixth successive century of winners when Kayo (GB) justified favouritism in the Tote "totalbet.com" H. at Newcastle. "It's been another good year and as well as the 100 in this country, we've had six winners abroad," said the trainer's assistant Bobby Elliott.

ENGLISH TRIO TO DUBAI

Derby fifth **All The Way {Ire}** (Shirley Heights {GB}), group-winning sprinter **Sampower Star {GB}** (Cyrano de Bergerac {GB}) and miler **Bahamian Bandit {GB}** (First Trump {GB}) have been acquired to race in Dubai. DONCASTER OCTOBER CONTINUES TODAY

Part two of the Doncaster October Sales begins this morning at 11 a.m. when the first of the 305 yearlings split between today and tomorrow goes under the hammer. Although this is never one of the premier yearling auctions (the 1998 average was 2,746gns and the top price was 22,000gns), it always yields a good number of winners. Traditionally the best youngsters are offered tomorrow and these include Lot 546, a College Chapel (GB) (Sharpo {GB}) colt offered from Tally-Ho Stud who missed an engagement at the St Leger Sales, but was the most expensive of those bought as a foal--he cost Eddie Fitzpatrick Ir9,500gns at Goffs last November. Lot 467 is a Pyramus (USA) (Danzig {USA}) half-sister to Filia Ardross (Ardross {GB}), the champion three-year-old filly of Germany in 1989 and dam of G1 Fillies' Mile winner Sunspangled (Ire) (Caerleon {USA}). Lot 531, from Hamish Alexander's Low House Stud, looks attractive on paper--the Barathea (Ire) filly is the first foal of G3 Futurity S. winner Jural (GB) (Kris {GB}). Graduates of this sale qualify for the DBS October Yearling S. worth £30,000.
