● **TURF...**

**Bonapartiste (Fr)** (Kendor {Fr}) worked four furlongs in company with stable-mate **Dark Moondancer (GB)** (Anshan {GB}) in :52 2/5 over the turf in preparation for Saturday's Breeders' Cup at Gulfstream Park. Of the first, trainer Ron McAnally said, "He went good and came back good. They say the turf course is soft but I didn't see any clods being kicked up. I was pleased with his work and even more pleased that he drew in off the preferred list yesterday." Of Dark Moondancer, McAnally added, "I was satisfied with his work. He went good and it doesn't seem the flight over here has bothered him any."

● **MILE...**

**Jim and Tonic (Fr)** (Double Bed {Fr}) worked four furlongs in :52 3/5 over Gulfstream's 'good' turf course yesterday. "It was a good work," commented trainer Francois Doumen. As for race strategy, Doumen said, "We'll be waiting with him--I wouldn't like him to be too near the front--so I think we'll be in the first third of the field early. It all depends how they jump out of the stalls, but usually he's fast enough to get a good position."

He has been represented by 88 stakes winners and 19 group winners. Surumu sired German Derby winners and multiple Group 1 scorers Acatenango, Mondrian and Temporal as well as Platini and the champion fillies Alte Zeit, Arastou and La Colorada.

The well-related **Vision's Flight**, a full brother to Dolphin Street (Fr), bids to follow up his debut victory in a conditions event at Maisons-Laffitte Oct. 12. **Speak In Passing** boasts similar credentials having also won his only start, a conditions race at Deauville July 7. The pair, both impressive when winning, will face sturdy opposition. **Blu Air Force** has won four of his seven starts, all at Milan, and has been successful in his last three outings, culminating with a win in the Listed Premio Eupili at San Siro Oct. 16. The consistent **Perugina** was successful in the G3 Prix Eclipse at Saint-Cloud Oct. 15 on her latest start and will bid to confirm the form of that race with **Touch Of The Blues** (third) and **Radhwa** (unplaced). **Akeed** appears the best of the two British-trained challengers, and this half brother of Victory Gallop will seek to improve his record to two-from-three.

**MARCH MAGIC (f, 2, Evansville Slew--Bay Magic, by Ack Ack)** finished second in each of her first two starts, both Saratoga maiden special events. The bay filly was then sent up against the top of her division, finishing fourth in the GI Spinaway and third in the GI Frizette Oct. 10 at Belmont to Surfside and Darling My Darling. Drawing into this maiden event as main-track-only, the 2-5 chalk raced with the pace early, kicked into gear when asked and was kept busy to the wire for an impressive 8 3/4-length score. She is the third winner for freshman sire (by Slew City Slew). Lifetime Record: GISP, 5-1-2-1, \$97,200.

## DETTORI AND CUMANI LOOK TO REPEAT

Frankie Dettori and Luca Cumani, who won the Breeders' Cup Mile with Baratheia (Ire) in 1994, are hoping for more Breeders' Cup success with Zomaradah (GB) (Deploy {GB}) in the Filly & Mare Turf. "It would give me great pleasure to win a race this year," said Dettori. "I was criticized last year [for his ride on Swain] and it took me six months to get over it, but I've accepted it and I'm a stronger man for it."

### STOUTE LOOKING FOR AGREEMENT WITH FALLON

Trainer Sir Michael Stoute yesterday revealed that he hoped a formal arrangement would be in place next season for champion Kieren Fallon to ride as his stable jockey. The Newmarket-based handler, speaking in Florida, said, "We are very much hoping that we will sort something out for next year, I would be very hopeful we will do that. We haven't formalized anything, but that is the plan. He is in Hong Kong at the start of the year and is not going to ride for me on the all-weather, and he comes back mid-March. I wouldn't have asked him if I didn't want him, and hopefully he wants to do it as well."

### JOCKEY CLUB TO REQUIRE JOCKEY SEMINARS

The Jockey Club yesterday announced that from the start of next year, jockeys will be forced to attend race-riding seminars in future as a condition of their license. There will be three seminars for flat jockeys in April and May and two for National Hunt riders in the winter. Malcolm Wallace, the Jockey Club's director of regulation, said yesterday, "Every year, jockeys get suspended and lose their livelihood unnecessarily because they may not fully understand the rules and how they are implemented. We very much hope that these seminars will prevent that in the future. In 1998 we held three jockeys' seminars on a voluntary basis. However, of the 500 jockeys licensed at the time, only a total of 28 attended. It has been agreed that from next year, all riders applying for a professional jockeys' license will give an undertaking to attend a seminar."

The strides forward that the racecourse has taken in the last few years have been remarkable."
