DUBAI WORLD CUP DRAWS 81

The 2000 \$6 million Dubai World Cup, to be held at Nad Al Sheba Mar. 25, has attracted 81 nominations, 25 percent more than last year. Included on the list are Breeders' Cup Classic winner **Cat Thief** (Storm Cat), Breeders' Cup Sprint hero **Artax** (Marquetry), Irish 2000 Guineas winner **Saffron Walden** (Fr) (Sadler's Wells), Australian Horse of the Year **Might and Power** (NZ) (Zabeel {NZ}), South African champion **Horse Chestnut** (SAf) (Fort Wood), Hong Kong champion **Indigenous** (Ire) (Marju {Ire}) and New Zealand superstar **Sunline** (NZ) (Desert Sun {GB}). Trainer Bob Baffert, who won the 1 1/4-mile test last year with **Silver Charm**, has entered seven, headed by Grade I winners **General Challenge** (General Meeting) and **River Keen** (Ire) (Keen {GB}). Bill Mott, who took the inaugural World Cup in 1996 with **Cigar**, has two on the list, including MGISW **Royal Anthem** (Theatrical {Ire}). The U.S. leads the nominations with 26. Godolphin, which sent out **Almutawakel** (GB) to win this year's edition, has five entries, topped by multiple Group 1 winners **Aljabr** (Storm Cat) and **Dubai Millennium** (GB) (Seeking the Gold). "We are extremely pleased with the class of the entries and we are confident that it will get even stronger with the final deadline in February 2000," Dubai World Cup Committee Chairman Les Benton said. "The strength of the early nominations completely justifies the decision to raise the prize money." The Dubai World Cup, the first leg of the 2000 Emirates World Racing Series Championship, headlines a seven-stakes program. Also on the card is the inaugural running of the \$500,000 UAE Derby, which numbers Breeders' Cup Juvenile winner **Anees** (Unbridled) among its nominees.

AIR JIHAD ADDS TO RESUME

Air Jihad (Jpn) (Sakura Yutaka O {Jpn}) owns a resume that includes seven wins from his 12 starts, but a series of long layoffs as well. The four-year-old opened his career with four starts, then took a five-month vacation. He came back for three races (all wins) before enjoying another five-month break, then had three starts followed by a 4 1/2-month absence. His last race of that trio was a win in the G1-Jpn Yasuda Kinen June 13, and he may have been a little short of conditioning when he returned to be third in the G1-Jpn Tenno Sho Oct. 31. Making his second start back in Sunday's G1-Jpn Mile Championship at Kyoto, he was settled in mid-pack as **Kyoei March** (Jpn) (Dancing Brave) set quick fractions. Jockey Masayoshi Ebina moved outside around the final turn and **Air Jihad** responded with an immediate burst, winning with ease in a time only one-tenth of a second off the track record. "I asked him a bit early," said Ebina, "but he showed us a brilliant run."

I guess that the people who sold **Now That's Funny** for \$27,000 as a five-year-old in 1991 and for \$19,500 in 1992 failed to see the joke when this daughter of **Saratoga Six** realised \$2,650,000--the year's third-highest price for a broodmare--in 1998.

The main beneficiaries of this extraordinary rise in value were the **Airdrie Partnership** and **Brereton Jones**, who consigned **Now That's Funny** to **Keeneland** last year. However the buyers, **John R. Gaines Thoroughbreds**, also have reason to smile, because the **Storm Cat** filly that **Now That's Funny** was carrying at the time of her purchase sold for \$900,000 earlier this month.

Gaines' smile would almost certainly have been broader, though, had the filly come on the market two weeks later, following **Now That's Funny's** impressive graded-stakes double at **Churchill Downs** over the week-end. **Saturday's GII Mrs Revere S.** provided her **Silver Hawk** filly **Silver Comic** with her first stakes success, while **Sunday's GIII River City H.** supplied her **Red Ransom** colt **Comic Strip** with his third graded victory.

As the **Fast Play** colt that **Now That's Funny** was carrying when she was bought by **Jones** turned out to be **Lucayan Prince**, winner of the **G3 Jersey S.** at **Royal Ascot**, there are now three group or graded stakes winners, plus a listed stakes winner, among her first five foals of racing age.

The irony of the situation is that **Now That's Funny** (who was returned to **Storm Cat** this year) is back where she started, because she was bred by **John R. Gaines Thoroughbreds**.

Now That's Funny was a member of the small first crop by **Saratoga Six**, sired after this unbeaten son of **Alydar** took up stud duties at the age of three following the serious injury which brought his career to a premature end. Unfortunately she did little to advertise her sire's potential, although she did win two small races from seven four-year-old starts.

She is a well-bred mare, even so. Her half-sister **Tropicaro** was a high-class performer, winning the **G1 Prix Marcel Boussac**, and **Now That's Funny's** first and second dams, **Tropical Cream** and **Tropic Star**, were also well above average in Europe. **Tropical Cream** won the **G3 Prix Cleopatre** over 10 1/2 furlongs, and **Tropic Star's** wins included the **Pretty Polly S.** at **The Curragh** and the **Cheshire Oaks**. If **Tropic Star's** name sounds familiar, it is probably because she also bred **Dusk**, an unraced **Olden Times** mare who became the dam of **Johnny D** (**G1 Washington D.C. International**) and second dam of **Urgent Request** (**G1 Santa Anita H.**).

It is interesting to speculate about why **Airdrie** decided to send **Now That's Funny** to **Roberto's** sons **Red Ransom** and **Silver Hawk**. I suspect the motivation was the successful partnership enjoyed by **Roberto** with **On The Trail**, a mare by **Olympia**, the grandsire of **Tropical Cream**. **Roberto** sired the very effective stallion **Darby Creek Road** from **On The Trail** and the similarly effective **Dynaformer** from a daughter of **On The Trail**. **Roberto** also sired the European Group winners **Mamaluna** and **Min Allah** from grand-daughters of **Olympia**. Another incentive could have been the fact that **Saratoga Six's** pedigree contains three lines to **Bull Lea**, sire also of **Roberto's** second dam.

Incidentally, **Saratoga Six** has made quite an impact on the sales ring over the last 12 months or so. In addition to being the sire of **Now That's Funny**, he is the broodmare sire of **Catinca**, the 1999 **Grade I** winner who recently made \$2,800,000 at **Fasig-Tipton**. As **Catinca** is bred on the same cross as **Now That's Funny's Storm Cat** weanling, **Now That's Funny's** total of graded winners may well rise higher.

DONERAILE COURT OUT OF NYRA MILE

Doneraile Court (Seattle Slew), the \$1 million yearling who won the GIII Nashua S. at two and the GII Jerome H. this year at three, will miss Saturday's GI NYRA Mile at Aqueduct and may be retired. "I had Jean-Luc Samyn come in to work him Sunday morning," said Nick Zito, who trains the colt for John Magnier and Michael Tabor. "He was jogging the horse and we noticed the horse was off a little bit. We took some X-rays and there were some new developments. It's just wear and tear. He has had a long year and run a lot of good races, but he has never really had a break." As for the colt's future, Zito said, "I am sending the X-rays to Coolmore. We have to see if surgery is required--if it would pay to bring him back next year or if it pays to retire him. He is a classy, gorgeous horse with great conformation, he has proved himself a very good miler--these are things that have to be weighed. Coolmore will probably make a decision about next year in a couple of days." After winning the Sept. 18 one-mile Jerome by a head over MGISW Vicar, Doneraile Court captured an Oct. 11 Belmont allowance, going the mile in 1:33 4/5. Overall, he has notched six wins, three seconds and two thirds from 16 career starts for earnings of \$361,410.

NTRA MEMBERSHIP A MUST FOR BREEDERS' CUP HOSTS

According to *The Blood-Horse* on-line, Breeders' Cup Ltd. has passed a resolution which requires membership in the National Thoroughbred Racing Association for any track which hosts the Breeders' Cup. "We passed a resolution several months ago," Breeders' Cup President D.G. Van Clief Jr. told *The Blood-Horse*. "As a founding member and single-largest supporter of the NTRA, it doesn't seem logical to run at a track that's not a member." The local horsemen's association would also have to be a member for a track to be considered as a Breeders' Cup host. It was also reported that the NTRA will not include any races from non-member tracks in its "Champions on FOX" series. "For a track that decides to be a free-loader or to withdraw, it's unlikely that track would have races (in the FOX series)," NTRA Chairman Tim Smith told the *Thoroughbred Times*. "That would be unfair to those members who do provide financial support."

FORESTRY TO TAYLOR MADE Forestry (Storm Cat--Shared Interest, by Pleasant Colony), winner of the GI King's Bishop S. and GII Dwyer S. this year, has been retired and will stand the 2000 breeding season at Taylor Made Farm near Nicholasville, Kentucky, according to *The Blood-Horse* on-line. The three-year-old capped a five-race winning streak with his first graded win in the 1 1/16-mile Dwyer, then ran third by a length in the GI Haskell Invitational at 1 1/8 miles before taking the seven-furlong King's Bishop. He finished fourth as the 7-2 favorite in his final start, the Nov. 6 GI Breeders' Cup Sprint. A sales-topping \$1.5 million Keeneland July yearling, the colt retires with a record of seven wins, one second and two thirds from 11 starts for a bankroll of \$591,225. His stud fee has not yet been announced.

FARMA WAY DEAD *The Blood-Horse* reports that Farma Way (Marfa), who recently relocated to Ballena Vista Farm in California after spending seven seasons at stud at Vinery near Midway, Kentucky, had to be put down after an accident at his new home. The 12-year-old fractured his left hind tibia while galloping in his paddock last Thursday. A two-time Grade I winner of nearly \$2.9 million, Farm Way had 13 stakes winners from his first five crops. His progeny have earned more than \$8.2 million to date.

FASIG-TIPTON NEW YORK SALE TODAY The Fasig-Tipton New York Horses of Racing Age Sale will be held today at Belmont Park. A total of 109 horses have been catalogued, including **Run Man Run** (Theatrical {Ire}), a four-year-old gelding who won the GI Malibu S. in December, 1998; **Millions** (Dehere), a graded-stakes winner last year at two who was fourth in both the GII Riva Ridge S. and GII Dwyer S. this season; **Olympic Cat** (Olympio), runner-up in the '98 GIII Sport Page H.; and **Thanks Frank** (Herat), a stakes winner at the Meadowlands last month. Bidding begins at 10 a.m.

Also ran: Awake (GB), Hittite (Fr), Le Ruffian (Fr), Jet Fire (Fr), Scarlett Ribbon (GB), Girl's Best Friend (GB), Rosalita (Fr), Moonlight Song (Ire).

Note: Awake finished second, disqualified to fourth.

The winner of two her four previous races, most recently at Saint-Cloud Nov. 11, Zeiting recorded her first stakes win with a confident display, taking the lead inside the final furlong and running on well for the comfortable score. Zeiting was settled ahead of Walnut Lady in the rear as Awake (First Trump {GB}) led from Moonlight Song (Mujadil {USA}), Hittite (Fijar Tango {Fr}) and Tencarola. Awake quickened into a two-length lead approaching the final quarter-mile as Zeiting and Walnut Lady made progress from the rear. Awake drifted to his left at the distance, causing interference to Tencarola, as Zeiting made her challenge on the outside. Zeiting grabbed the lead with 150 yards to run and stayed on in good style to win a shade cozily. Awake kept on in game style to be second past the post, but was demoted to fourth after a stewards enquiry. Walnut Lady followed Zeiting's challenge from the quarter-mile marker, but didn't have the pace to challenge, whereas Tencarola would have finished closer, but for being impeded.

Also ran: Bartex (Fr), Matin De Printemps (Fr), Sabrinsky (Fr), Beleaguer (GB), Miss Berbere (Fr), Ken Fight (Fr).

A consistent performer over five seasons of racing, Plan De Paix added a first stakes success to his 10 previous wins in handicaps and claimers with a highly determined drive to succeed in the dying strides for his sixth win this year. He was settled in fourth as the Henry Cecil-trained Beleaguer (Rainbow Quest {USA}) set a steady pace from Ken Fight (Highest Honor {Fr}) and Leave Us Leap, with Massimo behind in a sharing fifth. Plan De Paix came under pressure with three furlongs to run as Leave Us Leap went to the front and looked like a winner. Massimo moved ahead of Plan De Paix into second at the furlong marker, but Alain Junk urged Plan De Paix for one last effort and he responded gamely, eventually getting to the lead in the closing stages for the gamest of wins. Leave Us Leap gave everything, but had to settle for the runner-up.

JOOP BERE (IRE) (c, 2, Apple Tree {Fr})--Belisonde {Fr}, by Gay Mecene {USA} broke his maiden at this track over a furlong-shorter trip seven days ago and continued in the winning vein here to score with a late surge. He raced in eighth as Mixage (Fr) (Linamix {Fr}) led, but had to be ridden into third at the quarter-mile marker where Out Of Control (Ire) (Shirley Heights {GB}) had scooted four lengths clear. The half to Bartex (Fr) (Groom Dancer {USA}), MSP-Fr, \$177,690 kept on in determined style and grabbed the lead inside the last 50 yards for a game half-length win as a 6.60-1 chance. EDDERY TOPS LESTER WITH 26TH CENTURY

Pat Eddery made history with a win at Southwell yesterday aboard Sirene (GB), enabling him to ride a century of winners for the 26th time in the past 27 seasons, beating Lester Piggott's record of 25 career centuries. "I knew quite early in the season about Lester's record, but I got quite a bad fall in the summer and that held me up a bit," Eddery said. On the down side, he picked up a two-day ban (Dec. 10-11) for excessive use of the whip in the race. "As long as I feel good riding, and I'm enjoying it, then I shall keep going," Eddery said.

ROBERTS TO PARTNER FRUITS OF LOVE

Michael Roberts has been booked to ride **Fruits of Love** (Hansel), the Mark Johnston-trained Japan Cup runner. The South African has landed the mount because first-choice pilot Kieren Fallon will miss the race after having picked up a suspension in Hong Kong Sunday. Michael Tanner, Roberts' agent, said yesterday, "I asked them weeks ago to bear Michael in mind in case Kieren had to ride **Borgia** (Ger) (Acatenago {Ger}) for Mr. Fabre. As soon as I heard Kieren had got his suspension, I was hot on the phone this morning to remind them! I've spoken to Michael a couple of times since and obviously he's delighted." Roberts is currently riding in Japan on a short-term contract.
