ANOTHER CIGAR FOR CONGAREE

Maintaining his perfect record at Aqueduct, **Congaree** (Arazi) successfully defended his title in the GI Cigar Mile H. by dispatching the talented three-year-olds **Midas Eyes** (Touch Gold) and **Toccet** (Awesome Again) with this 5 1/4-length triumph. It was the third Grade I victory on the year for the five-year-old, who captured

Congaree A Coglianesse

the seven-furlong GI Carter H. over this surface in April and added the GI Hollywood Gold Cup over a mile and a quarter in July. Will he stay in training for 2004? Trainer Bob Baffert, for one, would like the handsome chestnut to be back in his shedrow. "Mr. and Mrs. McNair wanted to see how he ran today before making a decision on his future," Baffert said via telephone

from California. "What [Congaree] did today may have helped keep him around next year. The McNairs are in the business of racing horses, and when you have a racehorse like him, you hate to see him go the breeding shed." STRENGTH AND NUMBERS IN THE JAPAN CUP

How deep is the field of 18 which will assemble for this afternoon's \$4.4-million G1 Japan Cup in Tokyo? Ten of the starters have already compiled career earnings in excess of \$2 million, including likely race favorite **Symboli Kris S.** (Kris S.), who would approach the \$9-million mark if he is able find the line first in this internationally flavored field. The reigning JRA Horse of the Year, he finished third, beaten just a neck by Falbrav (Ire) and **Sarafan** (Lear Fan) in the 2002 renewal of the Japan Cup, held at Nakayama while the Tokyo Racecourse underwent renovations. Winner of the G1 Arima Kinen in the final start of his sophomore campaign last December, the colt has raced just twice this term, finishing fifth in the G1 Takarazuka Kinen June 29 before registering an

unprecedented repeat victory in the G1 Tenno Sho at this track Nov. 2. The Thoroughbred Corporation's **Johar** (Gone West) will try to become the first U.S.-based horse to win the Japan Cup since Golden Pheasant scored in 1991. Lightly raced and making just his fifth start of the season today, the son of Windsharp seeks to become the first winner of the Breeders' Cup Turf to follow up in this event. Singspiel (Ire), second in the 1996 Turf, did go on to Japan Cup success, while that year's Turf winner, Pilsudski (Ire), took the '97 Japan Cup. **Cont. p2**

MIRACLE MILE

The 23rd renewal of the GI Matriarch, which will be contested at a mile for the first time, has drawn a stellar field of 14, including six Grade/Group 1 winners. The 7-2 morning-line favorite is **Etoile Montante** (Miswaki), who makes her U.S. bow on the strength of an excellent French campaign. She will be joined in the starting gate by fellow Juddmonte star **Heat Haze** (GB) (Green Desert), who could stake her claim for an Eclipse Award with a win here. **Cont. p3**

CONGAREE KEEPS SMOKIN' Stonerside homebred **Congaree** (Arazi) triumphed by 5 1/2 lengths in last year's Cigar, stopping the clock in 1:33 and earning a 120 Beyer. He has been just as impressive this year. After coming up a head short when giving Milwaukee Brew five pounds in the GI Santa Anita H., he rebounded with his victory in the GI Carter H. as leading sprinter Aldebaran ran second. He was given some time off following a sixth at 4-5 in the GI Met Mile, returning to wire his foes in the GI Hollywood Gold Cup in mid-July, then didn't race again for another two months, finishing second to Perfect Drift in the GII Kentucky Cup Classic. Congaree got caught in a speed duel with Medaglia d'Oro in the GI Breeders' Cup Classic Oct. 25, but was a game fourth, beaten a total of 2 1/2 lengths. He had been training smartly for his return and was bet down to 3-5. Breaking alertly under Jerry Bailey, Congaree tracked **Midas Eyes** (Touch Gold) through a half in :44.56, then moved up on even terms. He shrugged off the three-year-old in midstretch and strode home to give Bailey a record 70th stakes win for the year and his third on the day. "He feels better now than he did at three," said Bailey. "As good as he is, I told [the McNairs] I didn't see any reason to retire him."

Lord Weinstock's colors, carried to victory aboard Pilsudski six years ago, will be borne again this afternoon by jockey Kieren Fallon astride **Islington**. The talented filly was perfect in two tries this term versus her peers, winning the G1 Yorkshire Oaks for a second consecutive year Aug. 20 and the GI Breeders' Cup Filly and Mare Turf in her latest effort Oct. 25. She has yet to defeat males in her career, but turned in an outstanding performance when third, beaten about a half length by High Chaparral (Ire) and Falbrav, in the G1 Irish Champion S. Sept. 6. **Neo Universe** put himself on the brink of the Japanese Triple Crown with a narrow win in the G1 Tokyo Yushun (Japanese Derby) June 1, but was denied the sweep when he could do no better than third in the G1 Japanese St Leger Oct. 26. **Sarafan** finished second in a controversial Cup renewal last year at Nakayama and comes into the repeat try off a Nov. 1 allowance victory at Hollywood Park. G1 Cox Plate winner **Fields of Omagh** was most recently third in the G1 Mackinnon S. Nov. 1 and is available at an eyepopping 99-1 on the morning line.

Heat Haze has displayed her patented kick in each of her seven U.S. starts, but that attribute has been blunted over a longer distances, and returning to a mile could be just what the doctor ordered for the homebred. Following a perfectly timed victory in the GI Beverly D. S. over 1 3/16 miles, the dark bay came up a length short when third in the GI Flower Bowl Sept. 27 and missed third by a nose in the GI Breeders' Cup F/M Turf Oct. 25. She is perfect in three U.S. starts at a mile and under. **Etoile Montante** capped her French campaign by defeating older males in the G1 Prix de la Foret Oct. 12 at Longchamp, but meets a pair of fillies she had trouble handling earlier this year: **Musical Chimes** and **Maiden Tower**. They finished one-two in the G1 Poule d'Essai des Pouliches May 11, with Etoile Montante completing the trifecta. Musical Chimes, a fast-closing second to Tates Creek in the GI Yellow Ribbon, sheds her blinkers after a poor trip when 11th in the F/M Turf. Maiden Tower came up a nose short in the GI Queen Elizabeth II Challenge Cup at Keeneland Oct. 11. Another French invader is **Acago**, who was an unlucky sixth in the Pouliches. The chestnut rebounded to take the G3 Prix Chloe before running a close fourth, beaten 1 3/4 lengths by Bright Sky (Ire) and Six Perfections (Fr), in the G2 Prix d'Astarte. She gets Lasix and adds blinkers following her U.S. bow, a fifth in the GI Garden City Breeders' Cup H. at Belmont Sept. 7. The most well-travelled of this cosmopolitan field could be **Dancal**, an Irish-bred who was an excellent campaigner in South Africa before becoming a stakes winner in Dubai. The five-year-old ships in off a victory in the GIII Violet H. at the Meadowlands Oct. 17.

The last two runnings of the Hollywood Derby were won by Johar (2002) and Denon (2001). Can one of these three-year-olds follow in their footsteps? **Kicken Kris** has been nearly perfect at distances of 10 furlongs or more, running second to Silver Tree in the Virginia Derby July 12 before annexing the GI Secretariat S. a month later. He couldn't handle MGSW Stroll after wide trip when second in the nine-furlong GII Jamaica H. Sept. 21, but bounced back to winning form in the GIII Lawrence Realization, run over 1 1/2 miles at Belmont Oct. 11. **Silver Tree**, who hasn't raced since his Colonial Downs triumph, has inspired confidence in his connections. "[Trainer] Bill Mott is the king of bringing them off layoffs," said assistant trainer Kenny McCarthy. "If anybody can do it, he can." Unbeaten in two starts over this course, **Stanley Park** earned his first graded-stakes win by defeating **Bis Repetitas** in the GIII Bay Meadows Derby Nov. 1. **Senor Swinger** came up just a half-length short when third to his elders in the GIII Carleton F. Burke H. at Santa Anita Oct. 24 and should appreciate this 10-furlong distance. Winner of the G1 Criterium de Saint-Cloud last year, **Alberto Giacometti** has yet to visit the winner's circle in four 2003 starts. The bay was a good third to European Horse of the Year Dalakhani (Ire) in the G1 Prix Lupin, but has not been out since finishing sixth in the G1 Grand Prix de Paris and makes his first start for trainer Laura de Seroux.

Redattore won his first three starts this season, taking a Santa Anita allowance in February before adding victories in the Mar. 1 GII Frank Kilroe H. and the May 26 GI Shoemaker Breeders' Cup Mile. Rested two months off that effort, he tired to be sixth in his return, the July 27 GI Eddie Read H., then was third in both the Sept. 10 Live The Dream H. on the turf and the Oct. 25 Seabiscuit H. on the dirt. The bay was back on the grass as the second choice here. Always prominent, he closed on the leaders on the backstretch, but dropped back a bit on the far turn. The veteran came on again and prevailed despite lugging in late in the lane to give Julie Krone her second graded-stakes win on the card. Read The Footnotes gave jockey Jerry Bailey a record 69th stakes victory in 2003 with an authoritative score in the Remsen. Following a 9 1/2-length maiden score against state-breds at Saratoga Aug. 17, the bay defeated open company by 2 1/2 lengths at Belmont Sept. 7, but was sixth of seven in the GI Champagne S. Oct. 4. The bay bounced back with a coast-to-coast victory in the GIII Nashua S. Nov. 2 and was favored to make it four out of five. Perfectly placed by Bailey just off pacesetting West Virginia, Read The Footnotes was confidently sent to the lead three furlongs from the wire, stole off by six at the eighth pole and was kept to task late. "Other than the Champagne, this horse has done everything right," commented winning trainer Rick Violette Jr. As for the immediate future, the conditioner added, "He'll get a little vacation. We'll play with him in the sun for a while and let him unwind." [Click here](#) for the [brisnet.com](#) chart or [click here](#) for the free [brisnet.com](#) catalogue-style pedigree. Ashado found the wire first to post her third stakes success this year. After winning first out at Belmont in June, the dark bay travelled up to Saratoga and captured the GII Schuylerville S. July 23 and the GI Spinaway S. Aug. 29. She lost her unbeaten record when third in the GI Frizette S. Oct. 4 before posting a runner-up finish to Halfbridled in the GI Breeders' Cup Juvenile Fillies Oct. 25 at Santa Anita. Back at her New York base, the odds-on favorite tracked the pace while three wide, with main rival La Reina directly to her inside. She asserted herself in midstretch, but her attention began to wander as she started to tire in the final furlong. A resurgent La Reina came back along the rail before coming up a nose short, while Dr. Kathy charged up to get third. "One of the things I cautioned Jerry [Bailey] about was that she gets a little idle when she makes the lead," said winning trainer Todd Pletcher, adding, "She'll go to Florida on Monday. We're going to work out a schedule that targets the Kentucky Oaks." Click [here](#) for the [brisnet.com](#) chart or click [here](#) for the free [brisnet.com](#) catalogue-style pedigree. The Cliff's Edge confirmed his reputation as a colt to watch by posting his second straight graded-stakes victory under the twin spires. Yet another stakes-winning two-year-old from the Nick Zito barn--also the home of GISW Birdstone and GSW Eurosilver--The Cliff's Edge made a victorious debut at Saratoga Aug. 24 and followed up with a third in the GIII Kentucky Cup Juvenile Sept. 13. The handsome colt had a rough start in the GII Lane's End Breeders' Futurity, running sixth to Eurosilver in that Oct. 4 race, but turned things around with an impressive 7 3/4-length triumph in the GIII Iroquois S. Nov. 2. After getting off to a slow start from post seven, the dark bay quickly reached contention with a four-wide move on the backstretch and put a head in front as they turned for home. He opened up a bit on the field and had enough left to hold on. "I thought it was a tremendous effort because I had to put him to the test," jockey Shane Sellers said. "I had to get after him early going into the turn because the leaders were going in :24 and :48 and just walking...he could have got tired on me, and he probably did a little bit because I made a middle move with him. But good horses overcome those kind of things." Click [here](#) for the [brisnet.com](#) chart or click [here](#) for the free [brisnet.com](#) catalogue-style pedigree.

The winner of her first two career starts, including this oval's GII Debutante S. July 4, Be Gentle was fifth to Ashado in the July 23 GII Schuylerville S., but bounced back with a runner-up effort behind that rival in the GI Spinaway S. at the Spa Aug. 29. Stretched to two turns for the first time in the GII Darley Alcibiades S. at Keeneland Oct. 4, the dark bay registered a front-running, 5 1/2-length success, but faltered in her most recent effort to be a distant 11th in the GI Breeders' Cup Juvenile Fillies Oct. 25. Be Gentle showed good early speed to clear the field in the opening half and set a measured pace while tracked throughout by Lotta Kim. Asked for her best turning for home, the Virginia-bred dug in gamely and kept Lotta Kim at bay for her third graded-stakes win. "When they racked up [a half in :48] and she was cruising up there, I felt we had a great chance," trainer D. Wayne Lukas said. "You never know who is going to come and close, but I thought we had a good shot. We just got a nice trip today and we didn't get one in the Breeders' Cup, unfortunately." In a race named after a European champion, it was fitting that a pair of overseas imports would hit the wire together. Prevailing was Castledale, who had been very competitive in Irish nursery contests prior to contesting the Listed Blenheim S. Sept. 14 at The Curragh for previous trainer David Wachman. The bay finished first that day, but was disqualified to second for drifting out and impeding the favorite. Making his U.S. bow with Julie Krone in the irons, Castledale tucked into a ground-saving position not far from the front, then was asked for more as they turned for home. He made the lead in midstretch and looked a sure winner, but the promising French juvenile Dealer Choice closed with a rush and forced a photo. "I'm so happy, although I stood up a little premature there," co-owner Frank Lyons said. "I thought he had it won, but then there came Frankel flying up." The runner-up, never worse than second, was two lengths behind MG1SW American Post (GB) in a conditions race at Longchamp Sept. 14 and missed by a neck in the Oct. 15 Listed Grand Criterium Bordeaux in his European finale. Handled by Jean-Claude Rouget in France, he was making his first start for trainer Bobby Frankel. "I just wish the wire was one step further and we would have gotten there," jockey David Flores said. "But this horse has a good future...he's going to be heard from." [Click here](#) for the [brisnet.com](#) chart.

Fleetstreet Dancer was 0-for-nine on the season coming into this race, but had just missed in three graded stakes. The dark bay was third by 1 1/4 lengths in the Apr. 5 GIII San Bernardino H. at Santa Anita, second by two lengths in the May 10 GII Mervyn Leroy H. at Hollywood Park and, two starts back, finished a half length behind GI Breeders' Cup Classic hero Pleasantly Perfect when second in the Oct. 4 GII Goodwood Breeders' Cup H. The 5-2 favorite in the Oct. 25 Seabiscuit H. at Santa Anita last time out, he could do no better than sixth and was let go at 49-1 after the overseas excursion. Fleetstreet Dancer settled in third over the sloppy strip as 38-1 Kanetsu Fleuve (Paradise Creek) cut out the early fractions. He forged to the front as they came out of the turn, lost the lead as favored Admire Don came at him at midstretch, but battled back gamely in the pouring rain to claim victory by a nose. "It was a tremendous honor to be invited, but we started out thinking, 'this will be a great vacation and, yea, there's a race, too,'" trainer Doug O'Neill said. "But when the final result was on the board we were--I can't express it in words. It was a great four days and the ending was awesome."

Wolf Whistle, who had only missed the board once in 11 starts since finishing runner-up to Eventual (Arg) in this contest last year, has oft been described as South Africa's nearly horse. But he got the job done this time, outbattling crowd choice Yard-Arm in a pulsating final furlong to secure a career-best win. He may now point to the Jan. 31 G1 J & B Met H. at Kenilworth. Settled off the pace in midfield as Thorn King (Salaadim) set modest fractions, the winner began forward progress on the inside as Yard-Arm seized the initiative approaching the final quarter mile. Hooking up with that rival at the 200-meter mark, Wolf Whistle proved nothing if not game in the closing stages, but only sealed victory in the final strides.

RECORDS FALL AT TATTERSALLS FOALS The largest ever Tattersalls December Foal Sale proved a record-breaker, concluding in Newmarket last night with an all-time high turnover of 21,157,000gns, up 23 percent on the amount yielded 12 months ago. Last year's figure included a lot that sold for 1.8 million guineas, accounting for over 10 percent of the sale total, so while this year's 28,688gns average actually fell by 3 percent, the 21-percent rise in median to 17,000gns was a more accurate reflection of the market. The 2003 clearance rate was 78.1 percent, compared to 71.7 percent in 2002. Tattersalls Chairman Edmond Mahony commented, "All four of our yearling sales, starting with the Houghton and culminating with the December Yearling Sale on Monday, have broken new ground and they have had a major impact on the success of this week's foal sale. The turnover has broken the 20-million guineas barrier for the first time, which in itself is a massive rise, but the real indicators have been the surge in the median and the higher clearance rate from the largest foal catalogue ever put together in Europe. The median shows the extraordinary depth to the market." He added, "Equally indicative has been the record number of lots breaking 50,000gns, 100,000gns and 200,000gns. The Irish pinhookers, as ever, have led the charge, but all week they have been up against strong domestic competition as well as buyers from throughout Europe and further afield."

Watership Down Up on Top... Watership Down Stud was the week's top vendor, selling eight lots for 842,000gns, while Sheikh Mohammed's agent John Ferguson headed the buyers' table after making an unprecedented nine foal purchases for 1.68 million guineas. Among those was yesterday's top lot, a colt by Green Desert out of Solosole (Gulch). Consigned by Marc de Chambure, Eric Puerari and Michel Zerolo's European Sales Management, the French-bred brought 300,000gns. BBA's Ireland's Adrian Nicoll was underbidder for the colt. "If you see an outstanding foal, it makes sense to buy it then as it might be more expensive as a yearling. We can also then take them back to Ireland and they don't have to go through the stress of going to a yearling sale," said Ferguson, adding, "The more stallions we stand, the more income we get and the more opportunity we get to support the industry by putting money back into the pool." Danehill's penultimate foal crop included a daughter of Grail (Quest For Fame {GB}), a half-sister to top two-year-old Three Valleys (Diesis {GB}). The filly was consigned by New England Stud for the Countess de le Warr, who bred the filly in a foal share, and purchased for 260,000gns by Barronstown Stud, which is likely to reassign the filly to next year's Houghton Sale. The four-day breeding stock sale begins tomorrow at 9:30 a.m. "We have a strong catalogue of mares and fillies to come, and we can very definitely take encouragement from this week's proceedings," Mahony said.

BAILEY SETS STAKES MARK Jockey Jerry Bailey eclipse Mike Smith's record of 68 stakes wins in style, winning all three graded stakes on yesterday's Aqueduct card. "It's a load off my back," said the Hall of Fame rider. "Last year, I thought I had it, and then I didn't. I give Mike Smith a lot of credit; it is very tough to do. Your clients have to have healthy horses and you've got to stay healthy, too." Bailey acknowledged that the demand for his services by top barns around the country assisted his record-setting year. "I try not to put pressure on myself," he continued. "When you are riding for guys like Bobby Frankel and Bob Baffert, you're going to win races. When they're strong, you're strong." Bailey equalled the mark with Ashado in the GII Demoiselle, surpassed it with his victory aboard Read the Footnotes in the GII Remsen and added one for good measure a race later with Congaree in the GI Cigar Mile.

Eighth to subsequent Breeders' Cup Sprint hero Cajun Beat in the Gill Kentucky Cup Sprint S. over the Turfway main Sept. 13, the chestnut took the Taylor's Special S. over a yielding Arlington turf Sept. 23 before finishing 3/4 of a length behind Joe's Son Joey in the Oct. 17 Woodford County S. at Keeneland. Backed down to 4-5 favoritism to make it two straight, the chestnut filly was under a long hold while tracking the pace four and five wide, engaged Virginia Miss (Mr. Greeley) at the furlong pole and was hard ridden to a neck success, with another eight lengths back to Steal the Claim (Gold Fever) in third. IMPETUS (f, 3, Grand Slam--Tornado Cat, by Storm Cat) earned an 86 Beyer Speed Figure when second in a local maiden June 14, but was shelved off a fifth-place effort at this track July 6. The grey tired late to finish fourth in her Nov. 15 return to action, and was the lukewarm 3-1 choice to graduate in this spot. Fastest into stride from the outside, the \$60,000 KEENOV weanling purchase set the pace from between horses, turned back Darby's Charm (Is It True) at the furlong grounds and pulled off to win by 3 1/4 lengths. The 4-1 third choice in her career debut, the homebred filly was content to race towards the back of the pack after leaving from the 11-hole, was asked for her best six wide into the stretch and was along late to defeat favored Honourable Asset (Judge T C) by a length. Void of early speed, the bay colt commenced a rally four wide on the turn, charged down the center of the track and found the wire a half length better than 8-5 Favorite Moment (Favorite Trick). Campaigned exclusively on the grass, Timo was a neck second at first asking going six over the Belmont turf July 3, but graduated by 2 1/4 lengths in a similar event just 16 days later and was promptly shelved. A good second to Artie Schiller in Belmont entry-level allowance company Sept. 17, the grey got the better of that rival with a 2 1/4-length score in the Oct. 19 Pilgrim S. over a yielding turf course in New York. The strong favorite in his South Florida bow, Timo was unhurried early as they went a good pace up front. Swung wide for the drive, he still had eight rivals to pass inside the final furlong, but swooped past them all late for the win.

Vous was a wide 10th in her Sept. 21 debut sprinting over the Belmont main track, but improved dramatically when switched to the turf, finishing second by a head in Elmont Oct. 9. The 4 1/2-length winner of a sloppy Meadowlands maiden Oct. 29, the bay was let go at double digits for her stakes bow. Drawn widest of all in the field of 12, the Florida-bred was reserved early, advanced along the inside around the far turn, was switched out for the drive and was up in the waning strides. Jockey Joe Bravo, returning from a broken vertebra, was in the saddle. "It's nice for your first winner to be this type of race," the rider said. "It's nice to have trainers behind you that have the confidence to put you on after an eight-week 'vacation.'"

IPI TOMBE HONORED IN DUBAI

Recently retired Ipi Tombe (Zim) (Manshood {GB}) has been named the Emirates Racing Association's Nashwan Thoroughbred Horse of the Year for 2002-2003, it was announced yesterday. Trained by Michael de Kock, the South African star won all three starts in the Emirates, including the G1 Dubai Duty Free H., where she set a stakes record while beating the boys. The award is determined by a poll of ERA officials, trainers, assistant trainers, jockeys and selected media. To be eligible, a horse must have raced twice and won once in the UAE. Ipi Tombe also earned the ERA International Award for the Best Performance by an Overseas Trained Horse. During the ceremonies, which were held last night at the Godolphin Ballroom in Dubai, Godolphin picked up the Nashwan Award for Thoroughbred Owner, which is given to the owner with the best percentage during the season. Godolphin won 10 of 42 starts for a 23.8 percent strike rate. Saeed bin Suroor was given the Nashwan Award for Thoroughbred Trainer after saddling winners at an 18.98 percent rate.
