HOWARD, FARISH AIM FOR 'HALL' OF FAME

Trainer Neil Howard and owner Will Farish have enjoyed plenty of success in the GII New Orleans H.

Alumni Hall

Bill Straus

Howard sent out Parade Leader, co-owned by Farish, to victory in the 2002 renewal of the event, and a year later Mineshaft, owned by Farish, W. Temple Webber Jr. and James Elkins Jr., easily won the race on his way to Horse of the Year honors. This afternoon, Howard and the

Farish/Webber/Elkins team are

represented by the veteran **Alumni Hall** (A.P. Indy), a late-starting, impeccably bred seven-year-old who has carved out a nice niche for himself as a rock-solid stakes performer. The full to Kentucky Oaks heroine Secret Status won half of his 10 starts in 2005, including the GIII Ben Ali S. and GIII Fayette S. Alumni Hall has been off since running eighth in the GII Clark H. in November, but trainer Neil Howard is ready to forgive the veteran for that lackluster performance. "He just had a bad day, and he hasn't had too many of them," Howard told the *Daily Racing Form*. "He's been doing well. He's been training well over here." The long-striding chestnut looks to rebound after the short break, and has fired well fresh before. Last August, he romped by 7 1/4 lengths over Saratoga allowance foes coming off a three-month respite. **West Virginia** adds blinkers after finishing second in the Nov. 19 GIII Stuyvesant H. and the Dec. 10 GIII Queens County H.

GULFSTREAM GETS ROLLING

After a lackluster opening day card at Gulfstream Park Wednesday, the racing action picks up today following two dark days with the GIII Hal's Hope H., the GIII Mr. Prospector H. and the Aventura S. [See p1 ATW].

Ogden Mills Phipps homebred **Philanthropist** (Kris S.), a game winner of Aqueduct's GIII Queen's County H. Dec. 10, brings a three-race winning streak to the table in the Hal's Hope. **On Thin Ice** (Tactical Cat) figures to be tough if able to duplicate his second-place finish behind Alumni Hall in the GIII Fayette S. at

Philanthropist

Adam Coglianese

Keeneland last out Oct. 29. Canadian invader **Niigon** (Unbridled) can also be dangerous in the Hal's Hope off a second-place finish in the GIII Woodbine Slots Cup H. Nov. 19. The Mr. Prospector marks the return of dual classic winner **Funny Cide** (Distorted Humor). The six-year-old failed to hit the board in three attempts in 2005, including a sixth-place finish in the GI Suburban H. last out July 2. The Sackatoga Stable colorbearer will have to be on top of his game today, facing a host of sharp sprinters, including **Gaff** (Maria's Mon), **Friendly Island** (Crafty Friend) and **Storm Surge** (Storm Cat).

'HIGH' STAKES IN THE SAN PASQUAL

High Limit (Maria's Mon), who stamped himself as a top three-year-old last season after a dominating victory in the GII Louisiana Derby, looks to get back on track in his four-year-old debut in the GII San Pasqual H. at Santa Anita. The bay has gone winless in seven subsequent starts since the Louisiana Derby and makes his return to dirt after finishing fourth in the GII Hall of Fame S. Aug. 8 and seventh in the GII Del Mar Derby Sept. 5. He's never gone beyond 6 1/2 furlongs, but if **Turnbolt** (Deputy Minister) runs back to his 107 Beyer Speed Figure when second in the GIII Vernon O. Underwood S. Dec. 3, the rest of the field will be running for second.

Vita Rosa captured a pair of stakes races in 2003, but had not visited the winner's circle since taking the 2004 Osaka-Hamburg Cup and had not been out since running ninth in the Keihan Hai in November. Rated in the middle of the pack early, the 14-1 chance rallied impressively in the stretch to take the photo as five horses hit the line together.

Thoro-Graph Race of the Week
by Jerry Brown

Saturday, Santa Anita

SAN PASQUAL H.-GII, \$150,000 4yo/up, 1 1/16m

PP HORSE	SIRE	ODDS
1 Bully Hayes	Sultry Song	7-2

Has had issues, since he didn't race until he was five, but quickly established a pretty good level (4). His ability to run that figure several times without bouncing indicated he was probably capable of better, and he finally broke through last time. But the amount of time he spent at the previous level also indicates a bounce is likely now, and even a repeat would only make him one of several contenders.

2 **Melanyhasthepapers** **Game Plan** **12-1**

Has a Thoro-Graph sheet that shows development with age, and clear form cycles. His tops have gotten better, and so have his off races--a healthy sign that he might have more improvement in him. His cycles to and away from his tops have been very smooth, with his last two tops four months apart. He's cycling forward again now, pointing at a good one, and it's been four months since his last big one. He should run well, which makes him at least a candidate for the exotics, at a price.

3 **Turnbolt** **Deputy Minister** **4-1**

Had issues that caused him to miss his entire three-year-old season, but came back to run well in sprints this year. In his first start for Mandella, he jumped way forward to the best figure (0) that anyone in this race has ever run, and a repeat would almost surely win this. But that big of a jump figures to cause a bounce, especially in a horse with a history of soundness issues, and attempting two turns for the first time will probably exacerbate the situation.

4 **Spellbinder** **Tale of the Cat** **8-1**

Is by sire of early developers Tale of The Cat (see sire profile), and this colt has fitted that pattern. He also has a history of being knocked out by big efforts, and his pair of good ones this summer set him back for months. He finally came around again to run well in his last two, but those are likely to knock him out again, and even on his best he's only a candidate for a minor award.

5 **Buckland Manor** **Bien Bien** **3-1**

Is by Bien Bien, whose sire profile is the polar opposite of that of Tale Of The Cat (very late developing, distance, and grassy--note TGI). This horse mostly fits that profile, but when he raced on dirt two years ago, his figures were the same as on turf. He comes off a layoff here for a very strong layoff trainer (see trainer profile), and his good ones make him a contender here.

6 High Limit

Maria's Mon

9-5

Was a freakishly fast juvenile that didn't develop at all at three, but still was good enough to win The Louisiana Derby and run second in The Blue Grass. His only really bad races last year came on the turf, and in The Derby, where he raced on a dead rail and found lots of trouble. Now he's fresh again, and it's important to note that both his previous seasonal debuts were his best efforts, and probably good enough to win this without any further improvement.

7 Sam Forli (Chi)

Sam M.

20-1

Has never run on dirt, and there's no reason to believe he can run fast enough to contend here.

Overview – High Limit is the most likely winner. Melanyhasthepapers is an interesting longshot for the exotics.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

BATTLE OVER CONTROL OF BREEDERS' CUP

By Ray Paulick, courtesy of www.bloodhorse.com.

The names of 19 Thoroughbred owners and breeders have been submitted and at least one more nomination is expected to be made from the floor when the 48 directors of Breeders' Cup Ltd. meet in Lexington Sunday to vote for a leaner board that will have just 13 members. When the full board approved governance changes Nov. 4, one stipulation was that there would be no official slate of candidates from a nominating committee. But there is at least one ad hoc slate being circulated among voters, and more than one Breeders' Cup board member told *The Blood-Horse* the campaign for control of the organization has turned personal and is being fueled with misinformation. What's at stake is control of the Breeders' Cup World Thoroughbred Championships, the vision of the late John Gaines described as a "crown jewel" by Breeders' Cup president and NTRA commissioner D.G. Van Clief Jr. "There would be very few who would contest the fact it is one of the three most important days in global racing," Van Clief said. "It punctuates the American racing calendar, and it has without a doubt established itself as a major sporting event." Also hanging in the balance of the board vote is the joint operating agreement between the Breeders' Cup and National Thoroughbred Racing Association, which merged operations in 2000. The operational merger of the two organizations, driven by the late William T. Young, is critical to the future of the NTRA, in part because of the financial support it receives from the Breeders' Cup. "What we have at our fingertips with this decision to move to a new governance structure," Van Clief said, "is an opportunity to accelerate the process of taking the organization and our event to the next level."

Pretty Imposing won three in a row at Monmouth this summer, but couldn't run the streak to four in the Aug. 7 Regret S., tiring to be seventh. The gray mare improved to be third in the Aug. 27 Incredible Revenge S., then went to the shelf. Making her return here, she broke on top, set a swift pace and held Grecian Wings at bay for the score.

BAHIYE (f, 4, Holy Bull--Eleanor's Song, by Seattle Song) was bet down to 6-5 in her career opener at the Big A Dec. 16 and put in a game effort to win by 3/4 of a length. Stretching out to two turns for her second start, the gray filly pressed South Wing (Dixie Brass) for six furlongs, went on by the pacesetter in the stretch and edged away to beat that rival by 1 1/4 lengths. Lifetime Record: 2-2-0-0, \$53,400.

WILD GAMS (f, 3, Forest Wildcat--Diamonds and Legs {SW}, by Quiet American) broke her maiden in her second start, beating fellow New Jersey-breds at Monmouth Park in August, but had to settle for sixth in the Sept. 3 Sorority S. at that track. The New Farm homebred had been out just once since, finishing fourth in the Nov. 4 New Jersey Futurity at the Meadowlands. Off at 5-1 in her first appearance outside the Garden State, she tracked the leaders through honest splits, grabbed the lead in the stretch and strode away to a 4 3/4-length success. Successful Romance (Successful Appeal) completed the exacta. The winner is a full to Diamond Wildcat, SW. Lifetime Record: 5-2-1-0, \$67,819. [Video, sponsored by Taylor Made.](#)

TOWERING ESCAPE (f, 3, Giant's Causeway--Rapunzell {MSP, \$146,133}, by Miswaki) tried the turf in her Aug. 19 debut at Saratoga and finished third behind J'Ray, who has yet to be beaten on the lawn. Sidelined after that effort, she came back to fill the show spot once again over this track and trip Dec. 17, and was the 4-5 chalk in her second start off the layoff. The chestnut showed good speed from the start, put a head in front after a half and drew clear down the lane for a 5 1/2-length score. Lifetime Record: 3-1-0-2, \$33,300.

Suspected Case of Equine Herpesvirus at Pimlico:

Officials at Pimlico have isolated five horses in the Detention Barn and put a Hold Order on Barn 5 after a suspected case of equine herpesvirus. Test results are pending for a horse which was stabled in Barn 5 and later euthanized. "The Hold Order, which restricts the movement of horses to and from the affected barn, is a precautionary measure to prevent any possible spread of illness among horses while we wait for diagnostic test results," said Maryland State Veterinarian Guy Hohenhaus. "We are working with track management to keep the healthy horses in training while protecting the health of all other horses at the facility."

RACING COMPANY LIVING UP TO ITS NAME

By Steve Sherack

Former investment banker Michael Iavarone began the racing company International Equine Acquisitions Holdings, Inc. in the spring of 2003 with a dozen two-year-olds in training, but has broadened the company's horizons this past year. With the assistance of former trainer Frank Lyons, who saddled Desert Stormer to a victory in the GI Breeders' Cup Sprint, IEAH has acquired the European-based trio of **Rebel Rebel** (Revoque

Rebel Rebel
Adam Coglianesse

{Ire}), **Dark Cheetah** (Storm Cat) and **Mixed Blessing** (GB) (Lujain). "We met Frank through [trainer] Rick [Dutrow, Jr.] and knew he had an eye for talent and also success as a trainer," Iavarone commented. "We respect his opinion and took his recommendations on these horses after doing our share of research as well. He's found us some exciting horses and we look forward to a big year with this group."

The most accomplished of the three is Rebel Rebel, who finished second behind Footstepsinthesand in the G1 2000 Guineas S. The bay colt was a promising third in the GIII Virginia Derby while making his first start for IEAH Stables and returned to notch an optional claimer at Belmont Park with a 97 Beyer Speed Figure. He looks to rebound off a disappointing seventh as the favorite in the Commonwealth Turf S. at Churchill Nov. 13. Currently based at Palm Meadows, Rebel Rebel may ship to Santa Anita for the Jan. 22 GII San Marcos S. "We know the 'Rebel' is better than his race at Churchill," Iavarone added. "For some reason, he didn't fire his best shot last time. If he does run to his capability at Santa Anita, we will take a long look at the [G1] Dubai Duty Free [Mar. 25]."

Dark Cheetah won two of 10 starts while racing on the grass in Europe, but really caught the attention of IEAH with his pedigree. The son of Storm Cat's second dam is La Affirmed, who produced Caress, Bernstein and Della Francesca. "Being based in Europe, Dark Cheetah couldn't take advantage of his pedigree, which clearly favors dirt," Iavarone continued. "He's been training great at Palm Meadows and everyone at the barn is very high on him." Dark Cheetah is entered in a 6 1/2-furlong allowance race Sunday at Gulfstream. The four-year-old was last seen finishing a good second in the Listed Belgrave S. at The Curragh Aug. 20.

Mixed Blessing, winner of the G3 Princess Margaret S. at Newbury and third-place finisher against males in the Listed Rose Bowl S., has also joined the group at Palm Meadows. Off since finishing ninth in the G1 Cheveley Park S. Sept. 29, the newly turned three-year-old could make her debut for IEAH Stables in a grass allowance toward the end of January at Gulfstream.

With more than 20 horses in training, a broodmare band of five bolstered by recently retired New York-bred champion **Sugar Punch** (K.O. Punch), and a handful of yearlings, Iavarone is content with the company's diverse portfolio of horses. However, the 35-year-old plans on expanding IEAH's business model in 2006. The company recently purchased a commercial lot located just yards from Belmont Park and intends on constructing an equine-medical facility by December 2006. "Obviously there's a great void for equine health care in New York and the surrounding area," said Iavarone. "Our relationship with [veterinarian] Dr. James Hunt has opened up an exciting opportunity. We've acquired land and continue to gain support for what promises to be an exciting venture."
