

BULLISH ON THE MARKET

The forecast for the 2006 Keeneland January Horses of All Ages Sale that starts today is decidedly sunny.

Reiley McDonald

Almost universally, consignors are predicting that the strong trade of 2005 will continue in the new year. "I think it is going to be a great year," said Reiley McDonald of Eaton Sales. "I think the strength of the two-year-old sales will surprise a lot of people, and I think January will be exactly like November, but without the top-end horses. You might not see the fireworks, but the horses will sell very well. I think we are in the middle of a really strong horse market. A lot of people had a

really great year in 2005, and there will be plenty of breeders out looking to buy a good broodmare. It's all about supply and demand...the demand is high and the supply of good horses is limited." Eaton, which sold 51 lots at the 2005 Keeneland January Sale, has catalogued 140 this year. "I don't know the reason, but we are stronger this January than we have been for some time," McDonald said. Craig Bendoroff of Denali Stud had a busy November Sale, turning over more than \$10 million in horseflesh. He is looking forward to the new season. "There is every reason to be optimistic," he said. "Nothing has really changed since last year.

The Fed says they will be slowing down on interest rates, the stock market had a nice rally last month, it looks like every track that has been trying for alternative gaming will be getting it, New York is getting its problems straightened away. You can never expect that things will go up and up and up, but you can hope that they stay stable. I think everybody is ready to get back to work."

JUST ENOUGH IN THE CUP

Silver Cup (Ire) (Almutawakel {GB}) charged down the stretch to just nip **Ticker Tape (GB)** (Royal Applause {GB}) at the wire to earn her first U.S. win in yesterday's GII San Gorgonio H. at Santa Anita. The dark bay filly culminated a four-race win streak with a victory in the G2 Italian 1000 Guineas in May, but stateside success had been elusive. Seventh in the July 3 GI American Oaks, Silver Cup was runner-up in an Oct. 21 Keeneland allowance in her first start for trainer Patrick Biancone and was third in the Nov. 12 GII Mrs. Revere S. before a troubled fourth-place effort in a Dec. 29 Santa Anita allowance. A lightly regarded 16-1 shot in the San Gorgonio, the four-year-old settled just off the pace, swept to the outside for the drive and finished with a powerful kick. "For a minute, [Kent Desormeaux] opened up and I thought I wouldn't catch [Ticker Tape]," admitted winning rider Victor Espinoza. "But the last sixteenth, when I switched my whip to the left, I just went by like nothing." [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). The Mulholland Drive...

John and Martha Jane Mulholland are single-minded in their approach to selling horses, and that sense of purpose has been paying dividends. Mulholland Springs brought seven yearlings to the 2005 Keeneland September Sale and saw all seven find new homes. The septet was headed by a daughter of Forestry that sold for \$975,000; overall, they grossed \$2,580,000 for an average of \$368,571, making the Mulhollands the leading consignors by average at the sale (with at least two sold). "We set very low reserves--our reserves are often less than 50 percent of what the horses sell for," Martha Jane Mulholland explained. "If buyers ask, we tell them what the reserve is, we'll show them the ticket. We are not here to get the horses appraised. We are commercial breeders and we have to make a living. We bring them here to sell and price them reasonably and we hope that the market likes what we have to offer." The Mulholland Springs horses have been very well received to date. The six yearlings they sent through the ring at the 2003 Keeneland September Sale brought a total of \$3,790,000, an average of \$631,666. They included a Saint Ballado filly that was purchased for \$1.4 million and another by Forestry, who won a Gulstream allowance yesterday, that attracted a final bid of \$1 million. The Mulhollands had just one consigned to Keeneland November 2005, a Deputy Minister mare in foal to Speightstown, but she made their trip worthwhile, bringing \$700,000. They have two at January, and both were rated worthy of Book 1. "The first, **She's a Rich Girl** (Affirmed), is a well-made, attractive mare," Martha Jane Mulholland remarked.

Martha Jane Mulholland
Horsephotos

"She is a full sister to The Tin Man, and you don't have too many opportunities to purchase full sisters to Grade I winners. It's a nice family. The second, **Confiding Winner** (Confide), is very beautiful and impressive--she is really kind of overpowering physically. I like that she won stakes as a two-year-old and as a three-year-old, and her two-year-old half-sister (Summer Girlfriend, by Forest Camp) won two out of three last year. We are hoping for big things from her. She also has a sister that produced Flamenco (Dance Master), who was a stakes winner at two and finished second in the GII Sanford S. and third in the GI Hopeful S. It's obviously a family that gets very precocious horses." The Mulhollands have been in the horse business since the 1970s, switching from Quarter Horses to Thoroughbreds in the mid-'80s. They purchased their 83-acre Lexington farm in 2001, and now maintain a broodmare band that numbers about 15. If their string of success continues, that number will be down to 13 by Tuesday. Martha Jane Mulholland sees no reason to be pessimistic. "I think it will be a great January sale," she said. "A lot of breeders couldn't fill their orders in November. January mares may not have as exciting pedigrees or race records, but there are some awfully good buys that come out of the sale."

Solvig Heads Smith Dispersal...

Owner and breeder Bentley Smith has known a good horse or two during his long and profitable career in the business. The Minnesota native, who operated King Koin, a company which sold laundry equipment, was at the head of affairs for the successful racing stable of the late Frances Genter for about 30 years and rejoiced in Unbridled's Kentucky Derby and Breeders' Cup Classic victories and Smile win in the 1986 Breeders' Cup Sprint. Smith purchased Unbridled for just \$70,000 as a weanling from the Tartan Farm dispersal in 1987. He has also maintained a small racing and broodmare operation of his own over the years and it wasn't uncommon to see a Smith-consigned weanling or yearling in a Keeneland catalogue. In fact, at the 1998 July sale, Smith, who was once married to one of Mrs. Genter's daughters, consigned a weanling daughter of Caerleon, but he ultimately bought the filly back for \$135,000. The "no-sale" sign turned out to be a blessing in disguise as the mare, which he named Solvig, proved a resilient and durable multiple graded stakes winner of seven races and \$800,000. But Smith has made the decision to gradually disperse his Thoroughbred holdings and the crown jewel of the draft is sure to be the daughter of Incha (GB) (Nashwan), who is being consigned by Gainesway as hip 400. "She was foaled and raised at Gainesway," said the farm's Director of Sales Michael Heron. "She's a very special mare by one of the world's leading broodmare sires. She's from a strong and deep family and she's the kind of mare who will get someone off to a good start. She'll be an excellent addition to any broodmare band." Heron has a world of respect for Smith. "He's been a long and loyal client of the farm and he's a real gentleman," he commented. "But he's reached the point where he's decided to reduce his numbers so this is the breeding stock portion of that." Heron added that Smith still has a handful of horses in training, including Solvig's half sister Ambling (Chester House), third in a Gulfstream turf maiden this past Saturday. With a 2004 colt by War Chant now training in Florida, and, according to Heron, a "lovely, leggy" filly by Giant's Causeway last year, Solvig sells on a Mar. 23 cover to Smarty Jones.

High Hopes for Fulton Fillies...

Stan Fulton has left his mark in Central Kentucky auction houses over the past several years, spending freely on well-bred yearlings and has built a formidable racing operation which spans from coast-to-coast. His bright green silks have been carried by such horses as St. Averil, Fire Slam, Roll Hennessy Roll, Saint Buddy, A.P. Warrior and Fleet Indian, the last of which is part of a Fulton consignment being handled by Bruce Gibbs' Greenfield Farm at Keeneland today and tomorrow. Consigned as hip 198, the daughter of Indian Charlie is the recipient of a pair of timely catalogue updates, as she took the Nov. 27 Montauk H. to earn her first black-type and tacked on a Philadelphia Park allowance victory Dec. 30. The New York-bred sells as a racing or broodmare prospect and Gibbs believes either role suits the five-year-old. "She's obviously still got some talent seeing she won just eight days ago," he offered. "But she's a stakes winner now and her value as a broodmare is high right now, too." To date, Fleet Indian has seven wins from her 12 starts and earnings of \$230,793. Also part of the draft is hip 64, Unbridled Danz (Unbridled's Song). Campaigned exclusively on the turf, the dark bay won her first three starts, including the Aug. 6 Audubon Oaks, but was third in the Hatoof S. at Arlington Aug. 27 and sells as a broodmare prospect. "She had an injury which would be long-term and it would be questionable whether she could return, so he decided to sell her as well," Gibbs added. "She's a very special physical. She's very well balanced and a very smooth filly. I think she's pretty correct--one of the best Unbridled's Songs I've seen in a long time." Gibbs has been associated with Fulton for about four years, laying up the yearlings acquired by Fulton at auction in addition helping to sell the broodmare prospects off the track.

From Rags, to Riches, to More Riches?...

Things have sort of come full circle for 12-year-old **Elbaaha (GB)** (Arazi), who will sell Tuesday afternoon at Keeneland as hip **571**. On the board seven times in a mostly undistinguished career at the races, the chestnut mare was bred in 2000 to Red Ransom and was entered carrying that foal for the 2001 January Sale, where she was knocked down for a modest \$60,000 to the bid of BBA (Italia). The resulting foal, who would come to be known as Electrocutonist, was sent to Italy and blossomed as a three-year-old, winning three of his four starts, his only defeat coming at the hands of Shirocco (Ger) in the G1 Gran Premio del Jockey Club. The chestnut, raced by Earle Mack, was sent overseas in 2005 and, proving his Italian form was no fluke, went on to defeat the world-class Zenno Rob Roy (Jpn) in a thrilling renewal of the G1 Juddmonte International S. at York in August. Sent to North America late last season, he was sent off the 5-2 favorite in the G1 Canadian International S. at Woodbine, but could not quite get the job done, finishing fourth before being placed third. Electrocutonist has since been purchased privately by Sheikh Mohammed and will race in the Godolphin blue in 2006. With that notoriety in hand, it would be no surprise should Elbaaha light up the Keeneland tote board tomorrow, but there's added appeal. The daughter of French Group 3 winner Gesedeh (Ire) (Ela-Mana-Mou {Ire}), consigned to the sale by David C. Parrish's Indian Creek agency, is the lone offering in the sale carrying a foal by Montjeu (Ire), already the sire of such stars as G1 Prix de l'Arc de Triomphe winner Hurricane Run (Ire) and Motivator (GB), to name but a few. Indian Creek's Shack Parrish is high on the chances of the mare. "She's very nice, walks very well and is a big, scopey mare," he explained. "She got better looking when Electrocutonist started winning Group 1s, but she's awfully nice on her own. She's in foal to Montjeu and we're just really lucky to have her. On paper, she's certainly one of the better mares and she's young enough still." Elbaaha is a half sister to the dams of champion Royal Du-Bai and Group 1 winner Robertico. Her second dam is responsible for champions Ardross and Larrocha (Ire), as well as the granddam of Scorpion (Ire), a French Group 1 winner also by Montjeu.

Hunter Valley an Outfit on the Rise...

Adrian Regan and Fergus Galvin's Hunter Valley Farm may be one of the newer kids on the block, but don't let that fool you. The team, which met in the early 1990s at the National Stud program, have been in Central Kentucky for many years, and founded the farm last July with the assistance of John Wade and Tony Hegarty, two Chicago-based investors in the operation. After a solid September yearling consignment, which saw Hunter Valley sell a half-dozen six-figure youngsters, things got even better during the November Breeding Stock sale, when no fewer than 16 of their consignees made in excess of \$100,000. "We've been very happy with our sales results so far," said Galvin, whose previous experience includes five years as a farm manager at Ashford Stud and four years prior to that as the manager of Prince Fahd Salman's Newgate Stud. "We had a fantastic November and hope to do the same here." Based on 200 acres of land in Versailles, Regan says that Hunter Valley is here to stay. "We'll be at all the major sales," he stated. "We've got a very good clientele--they've been very supportive of us. They gave us a good start. Most of the people who sold with us in November have something with us in January and February. Our long-term goal is to build up a good sales consignment and that people get to know us. That is our aim--to produce good horses--and it's started off well." **Cont. p5**

(cont. from p4)

Added Galvin, "We like to think we do a good job for our clients, be it at the high end or the low end. We treat all our customers the same and we like to think we do an equal job for everyone." Despite not having a presence at last year's January sale, both Regan and Galvin had a hand in one of the stars of the show. Stephen Hillen, a longtime friend of Galvin, had privately purchased Native Roots (Ire), the dam of reigning Breeders' Cup Juvenile hero Wilko, earlier in the summer. Galvin pointed Hillen in the direction of Regan, who at the time was working for Crescent Hill Farm. The rest, as they say, is history. At the drop of the hammer, the \$1.1-million price tag represented a profitable transaction for all. Hunter Valley has 32 horses consigned to the January sale.

☆ HIP HAPPENINGS ☆

Hip **11**, **She's A Rich Girl, 6, Affirmed-Lizzie Rolfe, by Tom Rolfe**

Consigned by Mulholland Springs

The bay is a full sister to millionaire The Tin Man, who made a successful return after a 14-month layoff in an allowance test at Santa Anita Dec. 28. John and Martha Jane Mulholland purchased the six-year-old, in foal to Dixie Union, for \$210,000 at the 2004 KEENOV sale. She is believed to be in foal to Yes It's True.

Hip **18**, **Simply Lovely, 4, Bold Executive-Belle Affair, by Stalwart**

Consigned by Taylor Made Sales Agency, Agent XLVII

The champion two-year-old filly in Canada in 2004, the dark bay filly won three stakes as a juvenile and was three times stakes-placed last year. From the family of Grade I winner Hail a Cab, she is being sold as a racing or broodmare prospect.

Hip **145**, **Confiding Winner, 6, Confide-To Winners, by Victorious**

Consigned by Mulholland Springs

Multiple-stakes winner Confiding Winner is a half-sister to the dam of MSW and GISP Flamenco (Dance Master) and to Summer Girlfriend (Forest Camp), who was two-for-three as a juvenile at Woodbine this fall. "She is carrying a foal by Mr. Greeley, who is by Gone West, and Flamenco's sire, Dance Master is by Gone West, so we think the cross will be very well-received," said Martha Jane Mulholland. The chestnut mare was purchased for \$100,000 at the 2004 KEEJAN sale.

Hip **214**, **Givememore (Brz), 5, Special Nash (Ire)-Super Mensity (Brz), by Stouci (GB)**

Consigned by Denali Stud (Craig & Holly Bandoroff), Agent X

The champion two-year-old filly in her native Brazil with a pair of group wins to her credit, she also won a stakes at Calder in her U.S. bow and was fourth, beaten just a half-length, in the De La Rose S. at Saratoga this August. The five-year-old sells as a racing or broodmare prospect. "If you are a champion anywhere, you have to be able to run," Craig Bandoroff said. "She is a big pretty mare and, lots of times, the South American breeders want to take those mares back home. Someone might be looking to get her started in her broodmare career."

Hip **271**, **Look of the Lynx, 8, Forest Wildcat--Las Manitas, by Faraway Son**

Consigned by Hunter Valley Farm

Trained during her racing career by John Kimmel, Look of the Lynx won the 2001 Half Moon S. en route to amassing a bankroll of \$258,739. A daughter of the MSP Las Manitas, the dark bay is the dam of a pair of Unbridled's Song fillies, the last of which was sold by Hunter Valley for \$210,000 at last year's November sale. She carries a foal and is due early to champion Vindication.

Hip 289, Michelle's Monarch, 15, Wavering Monarch-Jardin de Reve, by Alleged

Consigned by Taylor Made Sales Agency, Agent L

A stakes-placed winner, she has already produced GI Breeders' Cup Juvenile Fillies runner-up and MSW Platinum Tiara (Cozzene) and all five of her foals to race are winners. The only mare in foal to Unbridled's Song in the catalogue, she was last bred Feb. 11, 2005.

Hip 320, One For Rose, 7, Tejano Run--Saucyladygaylor, by Lord Gaylord

Consigned by Three Chimneys Sales, agent

Hailing from the family of Tabasco Cat, One For Rose made history last month, earning a third consecutive Sovereign Award as the champion filly or mare in Canada. "She's just a big, good-looking mare and I think she'll do really, really well," said Three Chimneys' Braxton Lynch. A three-time graded stakes winner, the attractive dark bay retires with 15 wins from 27 starts and earnings of \$1,291,303. Not bad for a filly claimed out in 2002 for just \$40,000.

Hip 350, Prom Knight, 13, Sir Harry Lewis-Dancing Party, by Danzig

Consigned by Taylor Made Sales Agency, Agent XLIII

From the family of French champion and Classic winner Recitation, the bay is the dam of GI Breeders' Cup Classic winner Volponi (Cryptoclearance), who earned more than \$3.1 million, and MGSP Fickle Friends (Demons Begone). She is in foal to Smarty Jones, who was the top freshman covering sire by median at the 2005 sales; the 16 mares sold in foal to the champion brought a median price of \$365,000.

Hip 335, Pitbullette, 8, Unbridled-Windy Mindy, by Honey Jay

Consigned by Denali Stud (Craig & Holly Bandoroff), Agent XVI

A half-sister to MGSW Rob 'N Gin (Farma Way), the bay brought \$700,000 as a FTFFEB juvenile. She is in foal to rising star Giant's Causeway. "Giant's Causeway has done about everything you could expect from a stallion and more," said Craig Bandoroff. "He has the numbers, he has the quality, he has the Classic horses. When a horse stands for \$300,000, you know he is a top of the market horse. The mare is big and good-looking; she was an expensive yearling and she is in foal to the right stallion."

BREEDERS' CUP ELECTS LEANER BOARD

Breeders' Cup Limited adopted a new set of by-laws and elected a streamlined 13-member board of directors during yesterday's first quarter board meeting in Lexington. The new by-laws create a 46-person board of members and trustees. A board chairman will be chosen at the next meeting of the board of directors. "The major changes in governance implemented today ensure that our company is structured properly to react to our changing business and able to respond quickly and proactively to the challenges and opportunities that lie ahead," said Breeders' Cup Ltd president D G Van Clief, Jr. The new board of directors, which includes Van Clief, consists of Antony Beck, Robert Clay, Bill Farish, Tracy Farmer, Terry Finley, Jim Friess, R D Hubbard, B Wayne Hughes, G Watts Humphrey, Jr, Robert Manfuso, Ogden Mills Phipps, Satish Sanan and Jerry Shields.

AUSTRALIAN START FOR BADGE OF SILVER?

Racing Victoria Limited is hoping to lure GII San Gabriel H. winner **Badge of Silver** (Silver Deputy) to Australia for the Mar. 4 G1 Futurity S. at Caulfield. The race is the first leg of the Asian Mile Challenge. Badge of Silver had originally been slated to begin his stud career at his owner's Ramsey Farm, but a win in his turf debut in the Jan. 1 San Gabriel put those plans on hold. "We are currently speaking to the Ramseys in the quest for the first American horse to compete in a Group 1 race in Victoria," confirmed RVL's General Manager of Racing Operations Leigh Jordon. "Hopefully this will open up the gateway between Australia and America and lead to successful relationships between the two countries." Melbourne Racing Club's chief executive officer Warran Brown added, "Having an American runner in the first year of Australia's involvement in the Asian Mile Challenge would be a great coup and a perfect way to kick off the series." Already on Badge of Silver's 2006 agenda is the Mar. 25 G1 Dubai Duty Free at Nad al Sheba.

Suave Works for Donn:

Suave (A.P. Indy) worked five furlongs Sunday at Gulfstream Park in 1:01 3/5 and is expected to make his five-year-old debut in the Feb. 4 GI Donn H. Second in the GI Jockey Club Gold Cup, the Paul McGee trainee has been off since a narrow loss in the GII Clark H. at Churchill Downs in November. "He ran several hard races--the Gold Cup, Breeders' Cup and Clark--and we gave him a little break after the Clark," explained McGee. "Today was his second work back since we got him here. He'll train straight up to the Donn H."

Honor in War, winner of the GI Turf Classic S. at Belmont and runner-up in the GI Shadwell Turf Mile at Keeneland during the 2003 season, failed to win the following season, but did manage another second in Shadwell Mile. In 2005, the chestnut won over the soggy turf when thrown into allowance company during Keeneland's fall meeting. A respectable fourth in the GIII River City H. Nov. 20, he returned to action six days later to win a \$100,000 optional claimer. Sent off the third choice for his first start since, the seven-year-old rated off the early pace before shouldering a solid bump from favorite Saint Stephen (Saint Ballado) heading around the first turn. Undeterred, Honor in War swung wide while looking for room on the turn for home and got up late to eke out the narrow victory and give jockey Shaun Bridgmohan a sweep of Gulfstream's four weekend stakes. EVER ELUSIVE (f, 4, Forestry--Shivering Six {SW}, by Saratoga Six) looked good in a 2 1/4-length victory going a sixteenth further in \$75,000 optional claiming company at Belmont last September, but found the jump in class and distance for the restricted Miss Oceana S. going a mile over this track Nov. 2 too tough. A distant fourth that day, the dark bay was sent off the 7-5 choice to rebound here. Content to track the early pace, the dark bay was forced to steady on the turn, but recovered quickly, easing out in the stretch. Full of energy late, she caught Lady Wrangler (El Prado {Ire}) late and drew off to win by three lengths. The \$1,000,000 KEESEP yearling purchase is a half sister to Saratoga Summer (Time For A Change), SW, \$219,025. [Video, sponsored by Taylor Made.](#) Lifetime Record: 7-3-2-0, \$91,767.

TERRIFIC STORM (h, 5, Storm Cat--Twenty One A. C., by Deputy Minister) ran on only three occasions in 2005 after moving to the barn of hot trainer Todd Pletcher, finishing out of the money in a pair of events on the dirt before breaking through with the victory when moved to the turf last time out in a Churchill allowance Nov. 25. Looking to make it two straight as the 9-2 third choice, the dark bay settled far out of it early, produced a wide run turning for home and left the tiring Harbor Master (Seattle Slew) 1 3/4 lengths behind. Lifetime Record: 11-3-2-1, \$112,550.

MIDDLE EARTH (c, 4, Dixieland Band--Lite Twilight {MSW, \$132,875}, by Twilight Agenda) was winless in four starts in Europe, but soon found his winning ways in America with a pair of wins at Keeneland and Churchill Downs last spring. Third in the June 11 GII Riva Ridge Breeders' Cup H. and fifth in the 1 1/16-mile GII Dwyer S. July 4, the chestnut came home fifth once again in the GII Amsterdam H. at the Spa Aug. 7. On the sidelines until a third-place finish in a Churchill allowance Nov. 9, the \$100,000 FTSAUG yearling was sent off the lukewarm 5-2 choice here. Close up to a swift early pace, the colt gained command on the turn and drew off in the run to the wire, winning by four lengths. Lifetime Record: GSP, 13-3-4-2, \$132,405.

Wild Jam, a winner over track and trip last March, started only twice last fall, finishing fourth in a \$75,000 optional claimer at Monmouth Sept. 18 before resurfacing almost two months later at Laurel. A narrow winner when dropped into softer company there, the gelding was sent to the sidelines. Camped at the back early this time, the five-year-old eased to the outside approaching the quarter pole, rallied to the lead inside the sixteenth and outkicked the game eight-year-old campaigner Spooky Mulder. "[Trainer Ben] Perkins said [Wild Jam] would place himself where he wanted early," explained winning jockey Ramon Dominguez, who won four races on the card. "It's funny, because he doesn't give you the feeling that he is going to go on with it. He hangs a little when he makes the lead." The favored entry of Golden Man (Suave Prospect) and Byanosejoe (Cherokee Run), who both ran three days ago in a \$100,000 optional claimer over the track, finished fourth and seventh, respectively. CASPER PETERSON (h, 6, Victory Speech--Ciro's Seductress, by Relaunch) was a dispirited 11th two back when trying to stretch out on the Aqueduct turf over this track Nov. 8, but rebounded to win when returned to this distance and surface Nov. 26. On the engine early, the 4-5 favorite held the advantage all the way around, scoring by 1 1/2 lengths over Daddy Joe (Unbridled's Song). Lifetime Record: 16-6-3-0, \$181,560. O-James McGowan. B-Robert W Entenmann (NY). T-Michael E Hushion.

6th-AQU, \$45,000, Alw, NW1X, 4yo/up, f/m, 6f, 1:10 1/5, ft.

MAGNOLIA JACKSON (f, 4, Cape Canaveral--Just a Bullet {SP}, by Jolie's Halo), a three-length winner while tackling state-breds at Belmont Oct. 6, couldn't handle the going nor the company and had to settle for fourth in a sloppy edition of the seven-furlong Iroquois H. Oct. 22. A much-improved second in his debut over this track in a \$75,000 optional claimer Nov. 25, the bay was installed the even-money choice to go one better this time. Never far off the pace, the \$25,000 OBSAUG yearling and \$51,000 FTMMAY juvenile gained command after a half mile and cruised clear late to score by four lengths over Royal Sanction (Royal Academy). Lifetime Record: 7-4-1-0, \$124,300. O-Ted Taylor. B-Sez Who Thoroughbreds (NY). T-Gary C Contessa.

9th-AQU, \$44,000, Msw, 4yo/up, f/m, 1m, 1:40 4/5, ft.

OPTIMIST GIRL (ARG) (f, 4, Incurable Optimist--La Elogiada {Arg}, by Octante {Arg}) came home third going a sixteenth longer over this track's turf course Nov. 6 and came back last time to fill the same spot when faced with the mud Dec. 16. Sent off the 2-1 choice here, the chestnut lingered near the back early, angled five wide while rallying approaching the quarter pole, moved up to take command at the eighth peg and drew clear to win by 4 1/4 lengths. Lifetime Record: 5-1-1-2, \$39,326. O/B-John T Behrendt (ARG). T-David G Donk.

2nd-AQU, \$43,000, Msw, 3yo, f, 6f, 1:11, ft.

SARATOGA DRIVE (f, 3, Siphon {Brz}--Orange Sickle {SW, \$117,421}, by Rich Cream), a closing third in her debut over track and trip Dec. 4, went off the 3-5 choice this time. Settled just off a sensible early pace, the bay took over at the eighth pole and drew clear to score by two lengths over Bella Lago (Salt Lake). The \$100,000 KEESEP yearling is a half to Voyagers Quest (Dynaformer), GSW-Eng & Fr, GSP-US, \$222,339; One By The Knows (Tabasco Cat), MSW & GSP, \$182,145. Lifetime Record: 2-1-0-1, \$30,100. TRENDY LADY (f, 3, Unbridled's Song--Trusty Lady, by Deputy Minister), runner-up in her debut over track and trip Dec. 4, was backed down to 7-5 favoritism here. Rated off the early pace set by All Bets Down (Carson City), the bay drew to the outside of her foe in the final furlong and inched clear late to post a half-length victory. Juvenile Stars Eye Sophomore Debuts:

GI Hollywood Futurity winner **Brother Derek** (Benchmark), expected to make his three-year-old bow in Saturday's GII San Rafael S. at Santa Anita, worked five furlongs Sunday at the Arcadia oval in 1:00.40. Regular rider Alex Solis was in the irons for the work. "He was a little strong, a little aggressive," trainer Dan Hendricks said after the drill. "But Alex just let him settle down and let him just gallop in. I'm happy with it and he's ready to go." Also expected to make his 2006 debut in the one-mile San Rafael is GI Breeders' Cup Juvenile winner **Stevie Wonderboy** (Stephen Got Even). "We were hoping for a seven-eighths comeback race," admitted trainer Doug O'Neill. "But the fact that this is a mile, sooner or later we'd have to stretch him out to two turns and this looks like the best place of any, in his own back yard, so we'll kind of see how it goes." Mapping out Stevie Wonderboy's spring, O'Neill said the early Kentucky Derby favorite would likely make his next starts in the Mar. 4 GII Santa Catalina S. and Apr. 8 GI Santa Anita Derby. cont. p5

Trainer D. Wayne Lukas reported yesterday that GI Breeders' Cup Juvenile Fillies winner **Folklore** (Tiznow) is ready to make her sophomore debut in the Jan. 16 GII Santa Ynez S. "She's done well since she's been here," Lukas commented. "She's actually done well since the Breeders' Cup. I thought she was getting good late fall; I thought she was very good in the Breeders' Cup, but I think she's still moving forward."

Aug. 27. Fifth in the slop in the GI Champagne S. going a mile a Belmont Oct. 8, the grey staggered home a distant sixth following a rough start in that track's GIII Nashua S. Oct. 28. Given a freshener since, the colt returned in style. Content to track the early pace, he forged to the front at the head of the stretch and rolled home a much-the-best four length winner. The even-money choice battled on the front end through quick fractions, put a head in front at the top of the stretch and inched clear to a 1 1/2-length victory. QUICK START DOWN UNDER FOR NORTHERN HEMISPHERE SIRE Coolmore stallion **Galileo (Ire)** (Sadler's Wells) opened his Australian winning account when the Danny O'Brien-trained **Galen (Aus)** won the Blue Diamond Second Acceptances H. over 1000 meters at Sandown on Saturday. Galileo has had just five runners in Australia to date. O'Brien said Galen would aim for the A\$1-million Blue Diamond S. (1200 meters) at Caulfield on Feb. 25. In 2005, Galileo's first crop of yearlings averaged A\$143,539 for 61 sold, with a top price of A\$1 million. Also off to a quick start in the Southern Hemisphere, **King Cugat** (Kingmambo) secured a second win in the Southern Hemisphere Saturday. Just a day after recording his first southern hemisphere winner, King Cugat had another success when his colt **Chateau Cugat (Aus)** won at Woodville in New Zealand. The colt won at his second start over 1100 metres going away by two lengths. King Cugat's first Australian winner Heza Bonus (Aus) will target the \$500,000 Inglis Classic (1200m) at Rosehill on Feb. 11 after winning on Friday. Heza Bonus, a \$20,000 Inglis graduate, won a juvenile maiden over 1000m at Taree. King Cugat's first Australian crop of yearlings fetched up to A\$460,000 and averaged A\$56,680 with 25 sold across all sales in 2005.
