A DECENT PROPOSAL

Capping off a big weekend for her sire Benchmark, Martin and Pam Wygod's homebred **Proposed** displayed good tactical speed and came from just off the pace to win yesterday's GII El Encino S. at Santa Anita. It was the first stakes win for the California-bred, whose previous best had been a pair of thirds in state-bred stakes. "We were pretty confident," Marty Wygod explained to HRTV after the race. "John [trainer Sherriffs] has got this filly really perfect

right now." A day earlier, Benchmark's son Brother Derek won the GII San Rafael S. at Santa Anita over Stevie Wonderboy. The Wygods own Benchmark, who stands in California at River Edge Farm for \$7,500. "He's just starting to come into his own," Marty Wygod said of the 15-year-old stallion. "We think he's going to be the leading stallion in the state." [Video, sponsored by Taylor Made.](#) El Encino coverage cont. p2

There's no rest for the wicked good. SELECT PORTION OF MM CONCLUDES

The 2006 Conrad Jupiters Magic Millions Yearling Sale concluded four days of select sessions yesterday

with smashing success. The Premier stand closed with a 22.3 percent increase in gross--up A\$14.5 million on last year--and an average of A\$140,1236 for the 572 sold, representing a 19.5-percent gain. "This is as good as it gets," said Magic Millions

Managing Director David Chester. "The market worldwide is strong. Magic Millions has not waved a magic wand, but we have worked hard to get the international buyers here and to look after our domestic buyers." **Magic Millions coverage cont. p4-5**

BANNER KEENELAND JANUARY SALE ENDS

The Keeneland January Horses of All Ages Sale concluded its seven-day stand yesterday in Lexington, Kentucky. With receipts totaling \$72,329,100, the 2006 renewal of the January Sale was easily the best ever, surpassing the previous high of \$66,694,900 in 1988. "The January sale has come of age," said Keeneland Director of Sales Geoffrey Russell. "It's no longer a local, domestic sale, but a continuation of the November [breeding stock] sale."

Always Showed Promise...

Proposed began her career with Julio Canani, who thought enough of her to unveil her in the CTBA S. in July of 2004. Third in that stakes, she then ran seventh in the GI Del Mar Debutante, her last start for Canani and her last of 2004. She returned nearly a year later with John Sherriffs and promptly broke her maiden in July. She added allowance wins at Del Mar and at Santa Anita, then finished third in the restricted Cal Cup Matron H. Nov. 6. Entering this off a five-length romp against open Hollywood Park allowance rivals Dec. 16, Proposed was narrowly favored over East Coast invader **Play Ballado** (Saint Ballado). Away well from post four, the typically speed-loving filly lay off the leaders in third before gearing up her challenge on the far turn. Forging to the lead in upper stretch, Proposed leveled out nicely and was always holding Play Ballado safe. "She was sitting behind the leaders very comfortably and, when I asked her around the turn, she picked it up nice and she went on about her business," said victorious jockey Pat Valenzuela. Unlike Stevie Wonderboy, who, when making his first start since his victory in the Breeders' Cup, faced a top horse in Brother Derek in Saturday's GII San Rafael S., **Folklore** isn't up against any monsters in her return to racing. She has three listed works since her Juvenile Fillies tally, including a smart five-furlong bullet in :58 4/5 at Santa Anita Dec. 27 and another breeze at that distance in 1:01 2/5 Jan. 6. In the unlikely event of an upset, the spoiler may hail from...a few stalls over. **Dance Daily**, also trainer by Lukas and owned by the Lewises, comes off a disappointing sixth in the Jan. 1 Blue Norther S., but could have a fitness edge.

Lil E. Tee Mare Tops Sunday Session...

Steph's Tee, a winning five-year-old daughter of Kentucky Derby victor Lil E. Tee, topped Sunday's final session at Keeneland. Purchased by Hill 'n' Dale's John Sikura for \$65,000, the gray is out of MSW Classy Irene and is a three-parts sister to Irene's Talkin (At the Threshold), dam of Adieu. By Hill 'n' Dale stallion El Corredor, Adieu won last year's GI Frizette S. Old Frankfort Stud, agent, consigned Steph's Tee as hip **2215**. Leading the way for the yearlings was hip **2393**, a colt from the first crop of Zavata out of It's a Wrap (Cutlass). Hedden Lane Bloodstock purchased the bay for \$42,000 from the draft of Nardelli Sales, agent.

Keeneland Looks Far and Wide-With Success...

Keeneland officials attributed part of the success of the January Sale to efforts to reach out to international buyers. "There was a very international contingent of buyers here from Japan, South Korea, Taiwan, South America and Mexico," said Keeneland's Director of Sales Geoffrey Russell. "These are countries which representatives from Keeneland, in conjunction with the Kentucky Thoroughbred Association, have made an effort to visit as part of an emerging markets initiative. We are building relationships with horsemen in these markets."

Focus Moves to the Fillies...

While colts considered to be glittering stallion prospects dominated the upper end of the market at Magic Millions, Sunday's final Premier session saw the focus switch firmly to fillies. South African trainer Charles Laird, purchasing for owner/breeder Markus Jooste, contributed to the sparkling results for Coolmore's star freshman Rock of Gibraltar (Ire) when he gave A\$825,000 for a filly from the Sadler's Wells mare Uberfrau (GB). "We are just very grateful to Markus for being such a major supporter of our yard and enabling us to secure some nice horses that will eventually go to his two Cape studs," said Laird. Laird was among half a dozen South African buyers leading the international bench, spending a total of A\$5,250,000 on 19 horses.

Buyer Scheme Pays Dividends...

Aushorse Chairman John Messara said the Inward Buyer Scheme, run as a joint initiative between the commercial breeders' body and Magic Millions, had brought in about 80 purchasers who spent more than A\$12 million on some 80 horses. "It has worked really well and it is something we must continue," Messara commented. "I think this sale has found a very high level for itself now and, frankly, I believe that this year it rose to the level of Easter, which hitherto hadn't occurred." Immediately after the sale, Magic Millions' David Chester said he met with the powerful Aushorse board, comprising major consignors Coolmore, Arrowfield, Newhaven, Widden, Highgrove and Lindsay Park. "They are over the moon and they have said to me for the first time they have the confidence to take any yearling here and get their money," Chester said. "In the past, they have tended to take their best yearlings to Sydney, but they have now said they will bring them up here and sell them in January and that is the best news I have had throughout this sale."

'The Rock' Leads Strong Freshman Contingent...

Buyers flocked to yearlings by a vintage crop of first-season stallions at Magic Millions, with Rock of Gibraltar (Ire) emerging as leading freshman on average ahead of Darley's Elusive Quality. "Rock of Gibraltar has obviously been the highlight of the sale, with yearlings selling over A\$1 million," said Coolmore's Michael Kirwan. "He was a fabulous racehorse, arguably the best racehorse by Danehill, so they had to make their money, but

Rock of Gibraltar
coolmore.com

they probably made more than everyone thought they would." Charles Laird, who bought a Rock of Gibraltar colt out of Ruby Clipper (Aus) for A\$1,025,000--as well as fillies by 'The Rock,' said, "We are very keen on Rock of Gibraltar. He was a great racehorse and the best son of Danehill. If he fires in Europe, who is to say if we will have the chance to buy more?" Kirwan said youngsters by Coolmore freshmen Johannesburg and Choisir (Aus) also sold very well.

Also fulfilling high expectations was Elusive Quality, who has already enjoyed great success in the States with the likes of Kentucky Derby hero Smarty Jones. "Elusive Quality's results reflect a strong sale overall, but he has had some lovely horses sold and we are delighted with the way they are selling here," said

Darley Australia Manager Olly Tait. "This is the start of the sale season for him and he has some very nice yearlings in at Easter." Arrowfield's John Messara was thrilled with several A\$300,000-plus horses by Hussonet, whose progeny were sought after by leading trainers. "He is selling off a A\$22,000 fee, so it is a sensational result, but he is a proven sire; how many can say they have 19 Group 1 winners?" said Messara.

Elusive Quality
darleystallions.com

Hong Kong Buyers Relatively Quiet...

Hong Kong buyers were relatively quiet this year, although the HKJC purchased 10 yearlings for A\$1,615,000 for its breeze-up sale in December. Magic Millions' David Chester said stringent X-ray rules introduced by HKJC made it prohibitive for trainers to purchase yearlings and they were now leaning toward horses that had trialed or raced. "Regulations to get in to Hong Kong have made it very difficult for yearling buyers," he said.

Sale Continues Today with Open Session...

A further 220 horses will be offered today in an open session, which begins at 11 a.m., and Chester said the buying bench would include 17 Koreans, as well as purchasers from the Philippines and Macau. The sale continues Wednesday and Thursday with horses that are aimed at Queensland country buyers.

What They're Saying At Magic Millions...

"I would commend Magic Millions on bringing so many international buyers down and the local market was pretty strong. The whole promotion was exceptional. More people from around the world should come down here and have a look at the sale and have a holiday at the same time. Bringing out an international auctioneer [Ronan Griffin from Goffs] was a good thing as these auctioneers are a bit like movie stars, selling our product." --Adam Sangster, Collingrove Stud

What They're Saying at Magic Millions cont.

Last night, you were well and truly at a sale equivalent to Easter. One up, all up, it bodes well for the year." --John Messara, Arrowfield Stud

"It has been pretty competitive, a typical Magic Millions sale. We have found it fairly affordable to buy. We missed a couple on the first day, but you are never going to get everything you want to buy. It has been a good strong sale and we believe we have bought some lovely, athletic horses. Every year, racing is being promoted better, and the fact that Makybe Diva has won three Melbourne Cups in a row brings new people to racing. The industry is pretty buoyant."
--Rob Slade, syndicator for Lee Freedman

"Rock of Gibraltar has obviously been the highlight of the sale for us, but Johannesburg and Choisir were also very well-received; the first-season sires were popular with everyone. No doubt the catalogue was better, the individuals were better, the South Africans were very strong; if they want a horse they get them, and everyone is bullish about buying and selling."
--Michael Kirwan, Coolmore Australia.

"The quality is improving and the prices are getting dearer and dearer." --Clarry Conners, trainer of MM winner Mirror Mirror (Aus) (Dehere)

STEVIE AND DEREK SET FOR REMATCH

Brother Derek (Benchmark) and **Stevie Wonderboy** (Stephen Got Even), first-and second-place finishers in Saturday's GII San Rafael S., appear on course for a rematch in the GII Santa Catalina S. Mar. 4 before a possible tilt at the GI Santa Anita Derby Apr. 8. "Everything looked good [after the San Rafael] and it looks like a good time to take a few extra weeks to bring him back so he'll be fresh for March, April and May," said Brother Derek's trainer Dan Hendricks. According to Stevie Wonderboy's conditioner Doug O'Neill, the colt also exited Saturday's race in fine form despite tasting defeat for the first time in six months. "Speed kills in any sport and Brother Derek has speed that's hard to beat," he said, adding, "We're looking forward to a rematch in the Santa Catalina." In their only other meeting to date, Stevie Wonderboy came home the winner, taking the GI Breeders' Cup Juvenile Oct. 29, with Brother Derek back in fourth.

An easy winner in his latest, another 8 1/2-furlong contest at Calder Dec. 17, the full to Mongoose, GISW, \$694,531, was given a 3-1 chance to graduate here.
