BRASS HAT WEARS THE BRASS RING

Where it comes to **Brass Hat** (Prized), the racing public should know by now....expect the unexpected. The five-year-old, owned and bred by Fred Bradley and trained by his son William "Buff" Bradley, broke his maiden in the 2004 Rushaway S. at 38-1 and four

starts later returned better than \$40 in winning the GII Ohio Derby. When he defeated **Suave** (A.P. Indy) in the GII Indiana Derby, he was 10-1 and stamped himself the best three-year-old almost no one had heard of. His career has been more stop than start since then, but yesterday, the gelding proved them wrong again, defeating a salty field to earn a first Grade I victory in the Donn H. "I can't describe this," the junior Bradley commented. "It's a dream...just a dream for my dad, for me and for everyone who's been involved with this horse."

ALL KEYED UP IN THE HUTCH

Undefeated **Keyed Entry** (Honour and Glory) was off a beat slowly and lost the break to the sharp returnee **First Samurai** (Giant's Causeway). But the Todd

Pletcher trainee was soon back in front and never let the 3-5 favorite pass, winning yesterday's GII Hutcheson S. by 1 1/4 lengths. The final time of 1:27.12 for the 7 1/2 furlongs was a full second better than the track record previously held by former Pletcher pupil, Value Plus. "This horse has been training exceptionally well since

he got down here," the winning conditioner commented. "Obviously it's a big step up to go from an 'a other than' [allowance] to run against a Grade I winner like First Samurai." Cont. p2

BARBARO THE BOSS IN THE HOLY BULL

Unbeaten and untested in three tries on the grass, the colt has a true believer in the form of his jockey. "He proved today he could go either way [turf or

HIGH LIMIT IMPRESSIVE IN STRUB

Gary and Mary West's **High Limit** (Maria's Mon) made it a graded-stakes double on the day for his sire, waltzing to an impressive 4 1/2-length victory in yesterday's GII Strub S. at Santa Anita. Kentucky Derby hero **Giacomo** (Holy Bull) ran on well to be third. Cont. p3

Brass Hat tried to buck a trend by coming from well off the pace on a day where speed seemed to be king. Far back as four of his rivals, including favored Suave, engaged in a heated battle up front, the gelding rolled up into contention on the far turn, picking off horses one by one. He turned for home under a full head of steam and pulled away as much the best. The off track concerned the winning connections not at all. "This horse will run over anything. He could run up I-95 or go run in the snow," William Bradley said. "I was glad to see the strong pace, and when he got to third, I felt pretty confident. I told my dad, 'We got it now.'" Suave tired to be sixth.

Following the break, Keyed Entry recovered and was guided well off the rail as First Samurai stayed glued to his flank. The Eclipse Award runner-up began to turn up the heat and drew nearly on even terms as the two raced as a team past the three-furlong marker, but Keyed Entry was able to open a bit of daylight turning for home and stayed on gamely for the win. Frank Brothers, trainer of First Samurai, was hardly displeased with his colt's effort. "I thought he ran well," he commented. "That was a top-class horse that he was running with, and you can't take anything away from him, but I thought my horse ran well for his first start off the bench in three months. He was sharp. He just couldn't get to that other horse." He added, "We're going to stretch him out. I'd like to get a mile-and-a-sixteenth [race], but you don't always get what you want in this game. I expect that he'll have another start at Gulfstream, but that's not set in stone." Barbaro, unbeaten in three turf outings, showed he is more than just a one-trick pony with a determined win in his first dirt outing. Coming off a 3 3/4-length victory in the Jan. 1 GIII Tropical Park Derby, the dark bay pressed the pace over the sloppy Gulfstream track, took charge nearing the stretch and held sway over Great Point late. "He broke running and I had a lot of horse under me the whole way," said winning rider Edgar Prado. "He was looking for some competition in the stretch. He saw that other horse on his outside, but I wasn't ever worried." Winning trainer Michael Matz added, "God willing, he comes out of this race good, and since we're here in Florida, I suppose we'll look at either the [Mar. 4 GII] Fountain of Youth or the [Apr. 1 GI] Florida Derby, or possibly both. Trainer Bobby Frankel considered running High Limit in the GII San Carlos H. over seven furlongs in a couple of weeks, but opted for this spot instead. That decision proved the correct one as the four-year-old turned in his best and most professional effort to date to win the Strub in handy fashion. Winner of last year's GII Louisiana Derby, the bay was shut out in his next six starts, but posted a nose victory in the GII San Pasqual H. in his latest Jan. 7. Tracking the pace from third, High Limit challenged three wide on the turn, hit the front turning for home and accelerated nicely away. "He relaxed very good; I loved the way he finished," said winning rider Pat Valenzuela. Giacomo, making his first start since finishing seventh in the Belmont, came from the rear to finish third. "He ran dynamite," his jockey Mike Smith commented. "He was a little fresh today and he was rank at different times. He's gonna get a lot out of this race." Wait a While lived up to her name as post time approached, delaying the start by several minutes at the gate. But once John Velazquez was tied on, the gray filly was on her best behavior and proceeded to dismantle a solid field. Beaten by double digits when fifth in her bow at Saratoga Aug. 29, the granddaughter of Grand Charmer, a graded-stakes winner on the turf, graduated by five easy lengths in her first try over that surface at Belmont Sept. 28. She led past every pole in annexing the off-the-turf Miss Grillo S. in Elmont Oct. 23 and was last seen finishing a good third to Wonder Anne Lady L in the GII Demoiselle S. at Aqueduct Nov. 26. Always within easy striking distance, Wait a While gained ground into the far turn, took over from the weakening Stolen Prayer (Songandaprayer) at the quarter pole and set sail for the wire. "I didn't think she was ever going to get into the gate, but once I got off of her, she went right in," Velazquez said. "After that, all I was worried about was getting a good position. She broke fine, and when I got her in position, everything went great." Trainer Todd Pletcher indicated that the winner would likely make her next start in the nine-furlong GII Bonnie Miss S. March 5.

along," said winning trainer James Chapman. "We haven't even asked her to open up yet. If we want her to win around two turns, she needs to be doing things the way she's doing them now." The Old Hat was Misty Rosette's first try on an off track, but the condi-

tions were not a concern for Champan. "I wasn't worried about her on this track because she's bigger and stronger than most three-year-old fillies right now," he explained. Chapman has high hopes for Misty Rosette. "Our goal with her is to make the Kentucky Oaks," the trainer added. "We'll sit down and see the schedule and see where we go from here."

Heavy rain forced this one off the turf, and main-track only entries Eyes on Eddy and Taittinger Rose took full advantage, finishing one-two. Eyes on Eddy fared well at Arlington Park last summer, notching a \$50,000 optional claimer June 18 and the Sweetest Chant S. July 29. The bay was a respectable fourth in the Arlington Oaks Aug. 20 and followed with a second in the GIII Indiana Breeders' Cup Oaks Sept. 30. She wasn't quite ready for the next level at Keeneland, finishing ninth in the GII Raven Run S., but rebounded nicely with a 7 1/4-length tally in Turfway's My Charmer S. last out Dec. 10. Backed as the chalk in this field of five, she stalked the early leaders in fourth, took over on the far turn and dug in gamely to hold off Taittinger Rose. The bay gelding sat just off Stratum (Redoute's Choice {Aus}) before ranging ahead of a slew of late challengers to score his second Group 1 victory. A neck back in second was G1 Caulfield Guineas winner God's Own, with Hong Kong star Cape of Good Hope claiming third. Janiak had been worried that five furlongs would be too short for his speedster, who has won on five occasions over 1200 meters in smart time. Takeover Target became a cult figure in the spring of 2004 when he won his seventh straight race and his first Group 1 in the Salinger S. on Victoria Derby day. He has been plagued with injuries since, but his wins with big weights in December in Brisbane indicated he had found form at the right time for the string of feature sprints in Melbourne this autumn. He will now target the G1 Newmarket H. Mar. 11, and a trip to Royal Ascot is under consideration.

Spellbinder was a narrowly beaten third in his last two outings against graded stakes company, missing by a length in the Dec. 10 GIII Native Diver H. and just a half length in the Jan. 7 GII San Pasqual H. last time out. Jockey Martin Pedroza is hoping the five-year-old dark bay has a break out performance today. "He's a gutsy little horse," Pedroza said. "Once he takes the lead, he's tough. He won't let horses go by that easy. In the San Pasqual, the horses in front were wide and ran one-two all the way around. I was three lengths behind them most of the way and only lost by a half length. I made up ground and thought I was going to get there." **Wilko**, winner of the 2004 Breeders' Cup Juvenile, will look to get his career back on track. The four-year-old was sidelined seven months after a 12th-place effort in the GI Preakness S. He missed by just a head in his return, running third in the Dec. 10 Larkspur S. at Golden Gate, but was never a factor while running 11th in the Dec. 26 GI Malibu S. last time out. "His last race, I think maybe he came back too soon and gave it the old bounce," explained jockey Corey Nakatani. "I worked Wilko a mile the other day [Jan. 27, 1:41 2/5] and he's doing good, responding good, and I know he wants to route. I'm hoping this is what he wants to do." **Turnbolt** is coming off a fourth-place effort in the San Pasqual, his first race over 6 1/2 furlongs. "It's his second time going long and we'll see if he's good at it," commented trainer Richard Mandella. "He didn't run bad the first time, but honestly I was a little disappointed. I thought he'd run really good, but he didn't run bad. We're hoping it was maybe confusion and he'll figure it out better this time."

SANTOS REACHES MILESTONE Jockey Jose Santos rode the 4000th winner of his career yesterday, guiding 6-1 Melodeeman to victory in the fifth race at Aqueduct. The Chilean-born rider, who turns 45 April 26, sent the six-year-old gelding to the lead and opened an unassailable advantage, scampering home 5 1/2 lengths ahead of Elements in the state-bred entry-level allowance test. "I'd be happy with another thousand, believe me," Santos said. "It's been a long road. Not too many of us reach 4,000 or 5,000. It was a lot of hard work and there were a lot of ups and downs. After making it this far, hopefully I continue to be healthy and the trainers and owners keep having confidence in me to give me better horses in the future. I'm going to continue to do the best I can to get to the winner's circle. It's definitely more special to do this in New York." Santos' other career highlights include his dual Classic wins aboard Funny Cide and Volponi's upset in the 2002 GI Breeders' Cup Classic. Ironically, the milestone came on the same day that Santos announced he would be parting ways with his agent Mike Sellitto. Beginning Sunday, his book will be handled by his former agent Drew Mollica.

Trying open company for the first time in a \$75,000 optional claimer at the Big A Nov. 25, she crossed the line second, beaten only 3/4 of a length. Last seen notching an allowance over this strip Jan. 8, she was backed as the second choice here. With Norberto Arroyo, Jr. aboard, the four-year-old stalked Speed Bag in second and fought her way past that one to post a narrow victory. "I give all the credit to the filly and Gary [Contessa]," Arroyo commented. "We had an outside post and all I had to do was not get in trouble and not mess it up. She's a really nice filly." Heavy favorite Great Intentions had to settle for third after checking hard on the turn for home.

Bowie Horse Negative for EVH-1:

Blood samples and nasal samples taken from a horse sent to isolation at the Bowie Training Center by trainer Chris Grove have come back negative for equine herpesvirus. Despite the negative test result, the Maryland Department of Agriculture has not officially lifted the "investigational hold order" it placed on Barn 1 at the facility. Grove's horses are still restricted from training or racing until the hold is lifted. "Obviously we are delighted to hear that the suspicious case at Bowie was not the equine herpesvirus, but apparently a case of EPM as we thought it may have been after learning of the horses background," said Maryland Jockey Club Chief Operating Officer Lou Raffetto. "We look at this as one of the first breaks we've gotten since the outbreaks." Should there be no more outbreaks of EHV-1 at Pimlico, Raffetto indicated that the quarantine at that track would be lifted this coming Wednesday, Feb. 8. In anticipation of that, the Maryland Jockey Club has taken a total of 14 entries from horses based at Pimlico for that afternoon's live racing program.

Beau's Town, winner of the 2003 Gil Bing Crosby Breeders' Cup H., went into hiding after finishing third in the 2004 Thanksgiving H. at Fair Grounds. The eight-year-old resurfaced to place second off the lengthy layoff in the Duncan F. Kenner Breeders' Cup H. at Louisiana Jan. 14 and was the chalk to get his picture taken here. Allowed to stalk the early leaders in third, he gained the lead in the stretch and held off a late challenge from Stolen Time. "Right at the wire he saw that horse inside of him and gave me a two jump spurt at the wire and it made the difference," jockey Calvin Borel said.

HOGAN SPEAKS OUT

In the wake of the New Zealand Premier Sale at Karaka last week, the country's most prominent breeder, Sir Patrick Hogan, has called on the industry to upgrade its mares to keep its businesses commercial. "The sale went well for me, but those who didn't go so well need to ask themselves some serious questions," Hogan told *New Zealand Herald*. "In particular, they need to look at their bloodlines. A number of broodmare owners are still relying on older families that were fashionable 15 to 20 years ago, but which are not in fashion now...if a mare's family is not performing, breeders should be prepared to cull, and cull heavily." Hogan's Cambridge Stud accounted for four of the top 10-priced horses at the three-day Premier sale. He was leading vendor (by aggregate) for the 25th year, with 39 sold at an average of NZ\$214,449 and gross of NZ\$8,363,500. The sale average was NZ\$127,072, down 7.5 percent on the previous year. "From what I could see, the top end was strong at Karaka, the middle was not too bad, though I wouldn't say over-exciting, and the bottom end was terrible," Hogan asserted. His comments were echoed by New Zealand Bloodstock marketing manager Petrea Vela, who said in a statement, "Many buyers have impressed upon us the importance of the New Zealand industry providing the strongest catalogue possible, and this is something that New Zealand Bloodstock will endeavour to address over the coming months. Leading into the sale, we knew that the absence of Danehill, and the reduced number of yearlings by Zabeel that we had to sell, would likely prevent the final statistics from reaching the record-breaking heights of last year which saw the sale average up 23 percent on the previous year. The catalogue wasn't as strong this year overall, so what we hoped for was to see an increase from 2004."

NOTICE: CENTRAL KY HERPES VACCINATION REQUIREMENTS

A number of Central Kentucky stallion stations and boarding farms have contacted the TDN in an attempt to inform breeders of a new requirement for mares coming to the breeding shed. Due to the recent outbreaks of Equine Herpes Virus infections at racetracks and training centers, veterinarians have advised precautionary measures be taken for the 2006 breeding season. The following language is expected to be a standard requirement on shed forms at stud farms: Our Veterinarian has requested that **ALL MARES** coming to the breeding shed must be vaccinated within 7 to 90 days before breeding for Equine Herpes Virus Type 1 (i.e. Rhinomune, Pneumabort-K, etc.). A statement to this effect should be furnished by the boarding farm and accompany the mare to the breeding shed (may be included on culture certificate).
