BALANCE BEAMS IN LAS VIRGENES WIN

After beginning her career on the grass, the metamorphosis of **Balance** (Thunder Gulch) into a top main-track filly is complete. Under a patient Victor Espinoza ride, the handsome bay put herself squarely in contention as the nation's top sophomore filly with a determined score over the returning **Wild Fit** (Wild Wonder) in the GI Las Virgenes S. at Santa Anita yesterday. Owned by the Amerman Racing stable, Balance came close to Grade I glory in her latest, running second by half a length to **Diplomat Lady** (Forestry) in the GI Hollywood Starlet Dec. 18, and avenged that loss here. "I think the last time I took too much hold, and when I tried to go she resented it," said Espinoza. "But today she was perfect. She broke nice and relaxed, and I did what I wanted." **Las Virgenes Coverage cont. p2**

'STAR' SIGHTING IN SANTA MARIA

Veteran **Star Parade** (Arg) (Parade Marshal) was faced with a tough foe in the newly turned four-year-old **Proposed** (Benchmark), but showed the youngster a thing or two with a rousing tally in yesterday's GI Santa Maria H. at Santa Anita. In doing so, the seven-year-old became just the second two-time winner in the 72-year history of the race, having also won in 2004. **Video, sponsored**

ROCKPORT HARBOR VICTORIOUS IN RETURN

On the sidelines since last April, Fox Hill Farm's **Rockport Harbor** (Unbridled's Song) turned in an ultra-game effort to prevail in yesterday's GIII Essex H. at Oaklawn Park. "It's a relief to get this one over with," said winning trainer John Servis. "I guess they just let him go, figuring he'd come back. But he showed 'em the old Rocky. The race reminded me of the Remsen when Galloping Grocer got to him, and he held him off." **Essex Coverage cont. p3**

LA CANADA, SAN VICENTE AT SANTA ANITA

Santa Anita plays host to both of the country's graded stakes this afternoon. In contrast to the East Coast, where a severe winter storm forced New York's Aqueeduct to cancel Sunday, the forecast is for mostly sunny skies as sophomore colts line up in the GII San Vicente S. and four-year-old fillies contest the GII La Canada S. Trainer Bob Baffert seems to hold all the aces. Impressive San Miguel S. winner **Too Much Bling** (Rubiano) will likely go favored in the former, while his **Pussycat Doll** (Real Quiet) attempts to run back to her performance in the GI La Brea S. in the La Canada. **Race previews, p4**

On Balance...

Balance was a first-out winner sprinting down Santa Anita's hillside turf course in October and finished first in the grassy Hidden Lite S. a month later, but was DQ'd and placed third. Favored in her dirt debut, the Nov. 27 Sharp Cat S., she took to the new surface with aplomb and won the 1 1/16-mile race by 1 3/4 lengths. Again the crowd's pick in the GI Hollywood Starlet S., she couldn't quite get past Diplomat Lady and had to settle for second that day. Trainer David Hofmans opted to give her January off, but she showed no signs of rust off the brief respite. "I wasn't surprised that she put on that good an effort because she always tries," Hofmans said after yesterday's race. "She's been training very well. I think she needed a little freshening, and I think she got it so we'll go on to the next one [GI Santa Anita Oaks Mar. 12]." Competing solely in Grade I and Grade II company last year, Star Parade had seconds in the GI Apple Blossom H. and GI Lady's Secret BC H. to her credit, as well as thirds in the GI Milady BC H. and GI Las Palmas H. She won just one race all year, however, annexing the GI Bayakoa H. at Hollywood Dec. 11, following that up with a poor 10th in the grassy GI San Gorgonio H. at Santa Anita Jan. 8. Looking to get back on track returning to the dirt, she raced along in the three path with Heavenly Humor (Distorted Humor) and Healthy Addiction (Boston Harbor) to her inside. She took a narrow lead in upper stretch and drove clear as Proposed ran on for second. "I told [winning rider Martin Pedroza], 'You ride her like you own her. Just get her to relax and don't fight her. If it's on the lead, if it's behind horses, I don't care. Just don't fight her,'" said trainer Darrell Vienna. "And he didn't. He rode her perfectly." Vienna added that a return to the Apple Blossom at Oaklawn Apr. 8 was in the cards. Jockey Pat Valenzuela, on the runner-up, said, "She picked it up real nice when I asked her around the far turn and she finished well. We just couldn't make up enough ground on the winner." Rockport Harbor took a huge first step yesterday in his four-year-old comeback. The lanky gray was considered an early favorite for the Kentucky Derby by many on the strength of his juvenile wins in the GIII Nashua S. and GII Remsen S. But then the wheels came off in the form of injuries, and after a second to Greater Good (Intidab) in the GIII Rebel S. over this strip in March and a lackluster sixth in a muddy renewal of the GII Coolmore Lexington S. in April, he was put away to regroup. The even-money pick in his return, he was put right into the race by jockey Stewart Elliot, and the pair quickly bounded out to a daylight lead. The tracking Cougar Cat, perfectly placed, closed the gap on the turn and, taking a short lead, looked as if he was going to go right by, but Rockport Harbor regained command and lengthened away in the final panel. "I was concerned because my horse hadn't run in some time," admitted Elliot. "But when my horse came back and got his head in front, I felt good because [he] just doesn't give up." won the second graded stakes of his career. The gelding had nine 2005 starts under his belt before finding the winner's circle in his 10th, a Churchill allowance in his most recent Nov. 2, but had raced admirably in stakes company several times. He twice hit the board in graded events last spring, and completed the trifecta in the GI Shadwell Turf Mile in October.

An outsider off the three-month freshening here, he was hustled out to the fore and set leisurely splits while shadowed by Old Dodge. Both had plenty in the tank as they cut the corner for home, and Gulch Approval won the sprint to the wire under a stiff drive.

2	Shimmer	Pulpit	Shirreffs	12-1
3	Proposed	Benchmark	Shirreffs	SCR
4	Paddy's Daisy	King of Kings (Ire)	Biancone	20-1

6	Seafree	Chief Seattle	Frankel	8-1
7	Play Ballado	Saint Ballado	Ward	4-1
8	Sharp Lisa	Dixieland Band	O'Neill	8-1

Pussycat Doll will be looking for her third straight victory here. The bay filly, second behind champion Sweet Catomine in last year's GIII Santa Ysabel S., won the Audrey Skirball-Kenis S. at Hollywood Park last November before a dominant 5 3/4-length victory in the Dec. 31 GI La Brea S. last time out. "She's a nice filly," commented jockey Garrett Gomez, who was aboard for both stakes wins. "She seems to be doing everything real well."

Play Ballado took Aqueduct's Nov. 2 Miss Oceana S. by 7 1/2 lengths before a solid runner-up effort behind Proposed in the Jan. 15 GI El Encino S. in her last trip to the post. The lightly raced **Seafree** will be making her first start beyond seven furlongs here for trainer Bobby Frankel. The bay filly followed an eight-length Monmouth allowance victory last September with runner-up efforts at Keeneland Oct. 15 and at Churchill Nov. 25. She makes her stakes debut off a narrow victory at Santa Anita Jan. 5.

Sunday, Santa Anita, post time: 3:30 p.m.

PP	HORSE	SIRE	TRAINER	ODDS

6	Changing Weather	Storm Boot	Harty	12-1
7	Too Much Bling	Rubiano	Baffert	8-5
8	Totally Gone	Gone West	O'Neill	7-2

Too Much Bling spent last summer and fall chasing home divisional leaders First Samurai and Henny Hughes, finishing third in the GI Hopeful S. and fifth in the GI Champagne S. He ended his juvenile season with a sixth-place effort behind Bluegrass Cat in the Oct. 28 GIII Nashua S., but returned victorious with a four-length triumph in the Jan. 8 San Miguel S. last time out. Garrett Gomez was aboard Too Much Bling for the first time in the San Miguel and that effort has him looking forward to the return call here. "I moved on him just before we came off the turn and he went from five off the lead to three in front," Gomez said. "He showed me a nice turn of foot, so that was encouraging."

Peace Chant, a \$900,000 KEESEP yearling, won his debut by 3 1/4 lengths at Hollywood Park last December and was fourth after a wide trip in the San Miguel S. **Totally Gone** jumps up to stakes company in just his second start after an impressive debut victory. The gelding powered clear to a 6 1/4-length win sprinting 5 1/2 furlongs at Santa Anita Dec. 31.

Thoro-Graph Race of the Week

by Jerry Brown

Sunday, Santa Anita

LA CAÑADA S.-GII, \$200,000, 4yo, f, 1 1/8m

PP HORSE SIRE ODDS
 1 ~~Skipping Court~~ ~~Doneraile Court~~ ~~SCR~~

2 **Shimmer** **Pulpit** 12-1

Has exactly the same top as Skipping Court, but has done much less developing, and is far more likely to run well this time. She should beat that one, and could run a new top, but would need one just to get a check.

3 ~~Proposed~~ ~~Benchmark~~ ~~SCR~~

4 **Paddy's Daisy** **King of Kings (Ire)** 20-1

Had a nice progressive pattern until last summer, when the wheels came off. She tries dirt here, but her sire gets much better turf runners (see sire profile), and her grass figures are not competitive.

5 **Pussycat Doll** **Real Quiet** 8-5

Has proven conclusively she loves an off track, jumping way forward both times she caught one. That last was huge, and a repeat would win this for fun. But it was almost a 7 point new top, and a killer effort for a 3yo filly, and will almost certainly cause a bounce. Since she also has not shown she can run that fast over a dry track, and only has one figure that really makes her strong here, she's a bet-against. The only caveat is, Baffert's horses are running lights out.

6 **Seafree** **Chief Seattle** 8-1

Ran very big Thoro-Graph figures sprinting last fall, and won without running her best in her only local appearance. She stretches out here, and while her pedigree is distance neutral, Frankel is very strong short-to-long (see trainer profile). This one gets weight from all the other contenders, and should save ground on the lead-she's probably the most likely winner.

7 **Play Ballado** **Saint Ballado** 4-1

Didn't get started until last summer but ran well when she did, and better when she went long. In her first local try (and first around two turns) she returned to her top, and she's still lightly raced, with a good pattern for a new top. She's slower (worse top) than the other contenders, but more likely to run her best than anyone else in here.

8 **Sharp Lisa** **Dixieland Band** 8-1

Ran very big when hurt by a wide trip in the Breeders' Cup as a juvenile, but hasn't developed at all since, and is struggling just to get back to that level now. With the post and weight, even a return to her best won't do it.

Overview--Pussycat Doll is likely to bounce and is thus vulnerable. Seafree and Play Ballado are the interesting ones.

For sheets and complete Thoro-Graph data on the Race of the Week, click [here](#).

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. SANTA ANITA BOOSTS PURSES With all-sources handle up nearly 20 percent, Santa Anita officials announced Friday a five-percent purse increase, effective immediately and retroactive to opening day, Dec. 26. "We want to thank our owners and trainers for really stepping up here at this meet," said track President Ron Charles. "We're currently averaging 9.1 horses per race, and this is fueling some dramatic increases in handle. Our customers want depth. They want value, and thanks to our horsemen, we've been able to deliver." Through last Wednesday, the track had seen a 20-percent increase in on-track handle, with out-of-state handle up 21 percent. All-sources handle, which includes advance deposit wagering, was up approximately 19 percent. Attendance at the Arcadia, California track is up 25 percent. "The numbers have exceeded our greatest expectations," added Charles. "We've been blessed with good weather and we just hope that continues. Santa Anita is an icon on the Southern California sports landscape and it's been thrilling to see big crowds again and a real sense of excitement here at the races."

French Park Breezes for Bonnie Miss:

Steve Stan Stables' **French Park** (Ecton Park) breezed a solid half-mile yesterday morning at Gulfstream Park as she gears up for her next start in the GII Bonnie Miss S. Mar. 5. With regular rider Mark Guidry up, the gray filly stopped the clock in :47, much to the delight of trainer Helen Pitts. "She went awesome," the conditioner enthused. "It was almost too good to be true. I don't want to say it was quicker than what I wanted, because I wanted a solid workout and that's what she gave us." French Park was perfect in three starts as a juvenile, including wins in the GIII Pocahontas S. and the GII Golden Rod S. She suffered her first loss in her lone start this season, finishing second by a head in the GIII Silverbulletday S. at Louisiana Downs Jan. 14.

TDN ☆ Star of the Week ☆

Brought to you by  **FASIG-TIPTON**

WILLIAM 'BUFF' BRADLEY

Equi-Photo

This week's accomplishment: Bradley conditioned Brass Hat (Prized), who was bred and is owned by his father Fred Bradley, to victory in the G1 Donn H. at Gulfstream Saturday, Feb. 4. The five-year-old Brass Hat is being pointed toward the G1 Dubai World Cup Mar. 25.

Birthdate: Aug. 8, 1963

Birthplace: Frankfort, Ky

Current Residence: Indian Ridge Farm, Frankfort

How did you get your nickname? My brother started calling me Buffalo Bill when I was younger and it got shortened to Buff.

Underrated stallion? I guess I better say Prized, sire of the great Brass Hat!

If you could have a conversation with one horse, who would it be, and what would you ask him? I would ask Brass Hat how he handles the pressure; how come he lets all the other horses outwork him in the morning and how does he know when the chips are down in the afternoon.

What's playing in your CD player right now? Keith Urban.

What is your drink of choice? Lemon water, or Corona with lime after a Grade I win.

Favorite food or meal? Pizza, or after any win over \$5,000, prime rib.

Last funny movie you saw? Wedding Crashers.

How long would it take you to complete the NY Times Crossword puzzle? Within a year.

Favorite non-racing athlete and why? Michael Jordan. He was the ultimate athlete that gave 110 percent and always showed poise and gratification.

What was your childhood ambition? To be a fireman or vet for horses.

Last thing you purchased? Laptop computer.

Perfect day? Health, family and friends!

CONGRATULATIONS!

from Fasig-Tipton's own Graded Stakes Winning Star of the Week **KEYED ENTRY**. The 3yo colt set a new track record in winning the **GII Hutcheson S.** at Gulfstream Feb. 4. He is now undefeated in 3 starts.

Achilles of Troy, a maiden winner at the Big A Dec. 29, hit the Triple Crown radar screen with a 14-length demolition of the Jan. 7 Count Fleet S. in his last out.

A Coglianese

Back to prove that effort was no fluke, the gray pressed pacesetting One Way Flight through fractions of :23.08, :46.82 and 1:11.06. He took over with a slight nudge from jockey Ramon Dominguez and drew clear while under wraps. "He just covers a lot of ground with ease," Dominguez, riding the colt for the first time, said. "I got to the three-eighths pole and I even got a little concerned because he was so relaxed. I

wasn't sure if he was going to fire, but I didn't want to test him that early. As soon as I got to the top of the stretch, I shook him up and got an immediate response. In the stretch, once I knew he wasn't going to get beat, I put my hands down and he eased himself up. He's a real smart horse and he's got a great attitude." Winning owner Ernie Paragallo said the colt would be shipped to Florida to train at the Classic Mile Training Center.
