SIMPLY ELECTRIFYING

The late Dubai Millennium (GB) and Street Cry (Ire) were both impressive in winning the third round of the G2 Maktoum Challenge for Godolphin en route to posting equally dominant victories in the G1 Dubai World Cup. The team's new acquisition **Electrocutionist** (Red Ransom) stamped himself as one of the favorites for this year's main event last night, storming to a seven-length score in his first-ever start on the main track. Settled just off the early speed, the former Earle Mack runner was angled out three wide at the 600-meter mark. He overtook pace-setting **Chiquitin (Arg)** (Fitzcarraldo {Arg}) at the quarter-mile marker and sprinted clear. "I was very pleased--he has passed his test very well," said winning jockey Frankie Dettori. "You can only beat the horses put in front of you and we have a World Cup horse now." OUR COUNTRY PLACE DIES

Our Country Place (Pleasant Colony--Maplejinsky, by Nijinsky II), the dam of 2005 GI Breeders' Cup Distaff winner Pleasant Home (Seeking the Gold), died earlier this week at the Rood and Riddle Equine Hospital near Lexington. The 14-year-old mare was sent there suffering from chronic canker and laminitis. Bred in Kentucky by Howard and Susan Kaskel and Deborah Norton, the half sister to champion Sky Beauty was purchased privately by Odgen Phipps early in her career, but never made it to the races. She got off to a fast start in the breeding shed, producing Pleasant Home's full sister Country Hideaway in 1996. Also racing in the colors of the Phippses, she was a four-time graded-stakes winner and was placed three times in Grade I company. Our Country Place was boarded at Claiborne Farm and foaled a full brother to Pleasant Home prior to her passing. The colt died.

SUPER FIELDS FOR SUPER SATURDAY

With fields averaging nearly 10 horses in each of its six added-money events, Gulfstream Park has assembled an outstanding program tomorrow, including the two-turn debut of **First Samurai** (Giant's Causeway) in the GII Fountain of Youth S. The field also includes GIII Holy Bull S. runner-up and third-place finisher **Great Point** (Point Given) and **My Golden Song** (Unbridled's Song), as well as the promising **Corinthian** (Pulpit) and **Jazil** (Seeking the Gold). The co-featured GII Gulfstream Park H. has attracted a Grade I-caliber octet, including **Funny Cide** (Distorted Humor), **Suave** (A.P. Indy) and **Sun King** (Charismatic), while the GII Richter Scale Breeders' Cup Sprint Championship H. has drawn reigning GI Breeders' Cup Sprint hero **Silver Train** (Old Trieste). The GII Swale S. features an evenly matched group of sophomore sprinters. **Noonmark** (Unbridled's Song) and **In Summation** (Put It Back) could vie for favoritism in the seven-furlong event. **Fields p4-5**

He soon took charge and darted clear in the final furlong to earn his spot in the Mar. 25 G2 Godolphin Mile.

OMISSION: Wild Fit (Wild Wonder), the winner of the GI Del Mar Debutante, was inadvertently left off MarketWatch's chart of two-year-old graded-stakes winners offered at two-year-old sales in 2005 which ran in Thursday's TDN. The filly, consigned by Murray Smith, was an RNA at \$240,000 at the 2005 Barretts March sale, giving Barretts five graded stakes winners from the sale.

Bear Character looks to continue his rags-to-riches story, but has picked a tough spot to kick off his sophomore campaign. A stakes winner at Northlands Park last July, he added the Swynford S. at Woodbine in September, but was seventh to Bluegrass Cat in the GIII Nashua S. Oct. 28. "Apparently he raised a total ruckus in the holding barn before the race," said Sovereign Award winner Reade Baker, who has assumed training duties. Bear Character has posted back-to-back bullets over the Gulfstream surface, including six furlongs in 1:12 3/5 Feb. 26.

The dark bay mare failed to hit the board in three European starts last year, but did finish a closing and close-up fourth behind champion and Classic winner Attraction (GB) in her Irish finale, the G1 Matron S. at Leopardstown Sept. 10. Sent across the Atlantic after that effort, she made her U.S. bow in the off-the-turf Athenia H. at Belmont Park Oct. 15, running fifth, then took a break. Miss Mambo was the second choice off the layoff, but rallied from the back of the pack to take the three-way photo. Formal Miss outgamed front-running longshot Please Take Me Out for the place.

ROYAL STAMP (h, 7, With Approval--Louis D'Or, by Mr. Prospector) has averaged just two starts a year since making his first appearance at Newmarket in 2002. The dark bay won at first asking, then was second in the Listed Gala S. at Sandown Park in one of his two tries in 2003. He was transferred to America after running sixth in the G2 Scottish Derby, but took a year off before opening his stateside account with a Del Mar allowance score in July of 2004. Sidelined for nearly 10 months after that effort, the veteran was out twice last season, running third for owner/breeder Juddmonte Farms in an allowance at Hollywood in May and against similar company at Belmont in June before finding himself benched once again. Carrying the colors of trainer Bobby Frankel as he made his 2006 debut here, Royal Stamp settled just off quick fractions while saving ground early. The 9-2 chance was caught in traffic on the backstretch, but angled outside for the final drive and outfinished Wilcox Ridge (Gone West) for a 3/4-length score. The winner is a 1/2 to Diplomatic Bag (Devil's Bag), GSW-US, SW-GB, \$145,060. Lifetime Record: SP-GB, 8-3-1-3, \$91,129.

Attire Change for Evening:

Eight-time stakes winner **Evening Attire** (Black Tie Affair {Ire}) will race with blinkers off when he goes postward in tomorrow's \$65,000 Stymie H. at Aqueduct. Trainer Pat Kelly, who trains the veteran for his father, retired trainer T.J. Kelly, and Joseph and Mary Grant, is making the change in an effort to get the gray to break more alertly, a problem that has compromised his chances throughout his career. "He's always broken a step slow," Kelly commented. "It's just never been as noticeable as it has been the last two times." In his most recent appearance, Evening Attire spotted the field about five lengths in the GIII Aqueduct H. Jan. 21, but kept grinding away and finished second, a length behind Happy Hunting. "He always goes out there and gives his best," Kelly added. "He kept hanging in there and was gaining to the finish."

SAREM (Kingmambo), a \$600K KEESEP yearling, started his career in England, but was unplaced in two starts at two and disappeared for 17 months. The Shadwell colorbearer, trained by Kiaran McLaughlin, has been working steadily for his comeback and his U.S. bow. He faces **Morning Raider (Ire) (Giant's Causeway)**, a \$450K KEESEP yearling that finished fourth in two starts on grass at three and returns after an 8 1/2-month layoff; and **Dixie King (Dixie Union)**, a \$400K FTSAUG yearling making his turf bow after a 6 1/2-month break.

Aqueduct Cancels:

Yesterday's live racing program at Aqueduct Race-track was cancelled, as the New York metropolitan area was under a winter storm warning and the threat of four to six inches of snow accompanied by freezing rain. The seventh, eighth and ninth races from the Thursday card will be brought back as extras for Saturday, while the second and fourth will appear as extras for Sunday.

Hold Order Still in Place at Laurel:

The "General Animal Hold Order" on Barn 9 at Laurel Park will be lifted today after 34 of the 36 horses in the barn tested negative for the equine herpesvirus. Rodney Jenkins, who trains all of the horses in Barn 9, has agreed to relocate the two horses which were not cleared to an isolated barn on the grandstand side at Bowie, thus allowing the hold order to be discontinued. The Jenkins horses which have tested negative will be permitted to race beginning Mar. 8. At Pimlico Race Course, four of the six horses in the Detention Barn tested negative for the virus and have been returned to their original barns. The two horses which were not cleared are not symptomatic for the virus, but are being restricted from mixing with the general horse population until they test negative.

HIGH STRIKE ZONE (h, 6, [Smart Strike](#)--Danzig Island, by Danzig), winner of the 2005 GIII Texas Mile at Lone Star in April, came back to win the Ark-La-Tex H. at Louisiana Downs in June, but was off the board in his next two starts and went to the shelf. The bay returned after a four-month layoff to be third in an Evangeline allowance test Dec. 18, opened 2006 with a third-place effort in the Jan. 7 Lucky Dog S. at the track and was most recently second in the Feb. 4 Delta Mile. Dropping back to a sprint here, he grabbed the lead after a half and outgamed Delta Mile hero Watchem Smokey (Alphabet Soup) to the wire for a 1 1/4-length score at 5-2 odds. The winner, a \$20,000 KEENOV weanling, is a 1/2 to Secret Beauty (Mt. Livermore), SW. Lifetime Record: GSW, 32-9-10-7, \$469,520.

Fans in attendance will receive a button bearing the same words.

Churchill Announces EVH-1 Precautions:

Churchill Downs has announced new precautions for horses wishing to enter the track's stable area in an effort to guard against equine herpesvirus (EVH-1). The new policy, which pertains to racing stock and outrider and stable ponies alike, reads as follows:

- A Certificate of Veterinary Inspection ("CVI") must accompany any horse seeking entry to Churchill Downs or Trackside. That document must verify that the horse did not travel from or had been stabled at a facility in which a case of equine herpes had been diagnosed in the previous 30 days.
- The certificate must have been signed and dated by a licensed veterinarian within 72 hours of the horse's arrival at either Churchill Downs facility.
- Each horse that seeks admission to the Churchill Downs stable area must have been vaccinated against EHV-1 by a licensed veterinarian within a minimum of 14 days and a maximum of 90 days prior to their entry into the track's stable area.
- The CVI must indicate the date of the vaccination and the specific vaccine product used on each horse.
- Along with meeting those requirements, all outrider and stable ponies that seek entrance to the track must also be accompanied by verification of a negative test for EHV-1. That test must include a nasal swab sample and tested by using the Polymerase Chain Reaction ("PCR") test method.
- All horses stabled at Churchill Downs and Trackside Louisville must have a rectal temperature taken and recorded a minimum of twice per day. Any detection of a temperature of 102 degrees or higher should be reported immediately to Director of Racing Doug Bredar.

Three barns at the historic Louisville oval were placed under quarantine last spring because of a possible outbreak of the disease. Two horses stabled in one of those barns were euthanized.

Butler Wins His 1000th:

Jockey Dean Butler rode his 1000th career winner at Turfway Wednesday night, piloting Whose Career to a gate-to-wire, 7 1/2-length victory in the ninth and final race of the evening. Butler, 34, is a native of Saratoga Springs and got his start in racing while grooming horses for Jack Van Berg in California. He returned to the East Coast and, in 1993, rode his first winner at Suffolk Downs. He was a regular at Monmouth Park before shifting his tack to Kentucky in 2002.

Switched to the turf, the dark bay took a division of Del Mar's Oceanside S. by 3/4 of a length July 20 and was third in the GII LaJolla H. at the Seaside Aug. 13, but was last seen finishing ninth in the Sept. 5 GII Del Mar Derby. The narrow second choice to maintain his perfect record on the main track, the Stonestreet runner was a bit slow into stride and chased the pace while racing a bit off the rail. Steadied slightly at the half-mile pole, he rallied three wide into into the stretch, dug in gamely and split rivals late for the victory.

She had been out just once since, wiring a field of \$32,000 claimers at Hollywood Nov. 16. Off at 2-1 after the 3 1/2-month vacation, the Calbred brushed with a rival when the gates opened, but was quickly into stride and set a swift pace. JULY CUP BOOSTED Management at Newmarket racecourse yesterday announced that this year's G1 Darley July Cup, scheduled for July 14, will receive a 44-percent increase in prize money. Now boasting a purse of £360,000, up from £250,000 12 months ago, the six-furlong showpiece of the July Festival not only maintains its status as the most valuable sprint in Europe, but also becomes the track's richest race for the first time. "With its ideal mid-July slot in the racing calendar, the Darley July Cup is long established as Europe's premier sprint race, and both we and our long-standing sponsor, Darley, felt it was important for the race's value to continue to reflect the status that it has earned over many years," commented Clerk of the Course Michael Prosser. "Ascot have made a big increase to the value of the Golden Jubilee S. this year, so we are extremely grateful to Darley for investing in the race with us to keep the Darley July Cup at the top of the European pile. With the Darley July Cup coming 20 days after the Golden Jubilee, the two races make a fantastic dual-Group 1 target, not only for Europe's top sprinters, but for star sprinters from all over the world, as the Australian champion, Choisir (Aus), proved with his valiant attempt to win both races three years ago. With over £700,000--or some \$1.25 million--in combined prize money now on offer for the two races, there has never been such an alluring pot of gold for sprinters to aim at in Europe." Managing Director Lisa Hancock revealed that the newly re-invented July Festival, which runs from July 12-14, will boast record prize money of £1.28 million in 2006, up 17 percent on last year. "The July Festival has been transformed over the last five years with huge increases to prize money and significant upgrades throughout the whole three-day race program," she said. "The racing on these three days is now on a par with Glorious Goodwood or York's Ebor Meeting."

KEMPTON GRACED BY OUIJA BOARD Lord Derby's **Ouija Board (GB)** (Cape Cross {Ire}) impressed connections as she warmed up for her tilt at the Mar. 25 G1 Dubai Sheema Classic on Kempton's brand new polytrack circuit yesterday. Last year's G1 Hong Kong Vase heroine closed out the last three furlongs of her mile exercise in :37 under rider Jason Tate. Conditioner Ed Dunlop confirmed that the five-year-old will ship to Dubai with last year's G1 Prix de la Foret winner Court Masterpiece (GB) in a fortnight. "We weren't here to break any speed barriers, but I'm thrilled with the way she's gone," Dunlop said. "She's due to go out soon and will probably do one more piece of work, but we'll do as little as possible with her in Dubai before the race. She's laid-back and has a fantastic temperament and I think that's half the reason she's as good as she is. We're looking at this as the last race of last year's campaign before she has a break and comes back in July. Mr [Kieren] Fallon will ride as long as he's there." Officials at Kempton, which officially unveils its new polytrack surface Mar. 25, will host a series of trials Wednesday. Dunlop praised the new track. "I'm very impressed with the surface and the boys said the turns rode well and the surface is about the right depth," the trainer commented.

RACING ROCKED BY ANOTHER ARREST Another jockey was arrested by the City of London Police yesterday as the investigations into alleged race-fixing rolls on. Officials confirmed the arrest of the as-yet unnamed rider in Northern England on suspicion of conspiracy to defraud under "Operation Crypton," which has sprawled over two years. The operation involves 27 racing figures, including champion jockey Kieren Fallon, who this week all had their bail extended until July 3.

CRUZ TO PRESS ON WITH WITNESS Trainer Tony Cruz has convinced owner Archie da Silva to keep **Silent Witness (Aus)** (El Moxie) in training, with an eye on the G1-HK Chairman's Sprint Prize at Sha Tin Mar. 26. However, da Silva has stipulated that should he not see any improvement in the reigning Horse of the Year between now and the days leading up to that 1200-meter event, the tarnished champion would not run. "It's not just about me and [wife] Betty, or about Tony," da Silva told *South China Morning Post*. "If Silent Witness is not right, I don't want him running and have the public, who have come to love this horse, losing their money on him." The bay was a disappointing seventh in the G1-HK Centenary Sprint Cup last Sunday in his first start in nearly five months. For his part, Cruz remains of the opinion that Silent Witness has yet to return to peak fitness and that he will improve with training, racing and perhaps a revision in the gelding's goals. "[Cruz] also believes that Silent Witness's stride has changed, that he no longer has the same fast sprinter's action," Da Silva continued. "He feels we won't be seeing the best of Silent Witness now until he gets to 1400, 1600 and possibly even 1800 meters."

KEEP THE FAITH TO COLLINGROVE STUD **Keep the Faith (Aus)** (Sunday Silence--Duelling Girl, by Dayjur) will stand at Collingrove Stud for the upcoming breeding season. The five-year-old stallion was purchased by Collingrove in partnership. Keep the Faith, a stakes winner in Australia, established a course record when he blitzed six furlongs over the Belmont turf in 1:06 4/5 in his U.S. debut last July for Godolphin. He ended his racing career with a third-place effort in the GII Kelso Breeders' Cup H. His stud fee has not yet been announced.
