**TAKING IT TO THE LIMIT**

**High Limit** (Maria's Mon), a very promising sophomore last season, looks to have gotten his act back together after hitting a rough patch and leads the way in today's GI Santa Anita H. A sharp winner of the GII Louisiana Derby, he went winless in his next six starts, including a 20th-place finish in the GI Kentucky Derby behind **Giacomo** (Holy Bull). The bay has turned things around so far this season though, beginning the new year with a nose victory in the GII San Pasqual H. Jan. 7 and following with an impressive 4 1/2-length tally in the GII Strub S. Feb. 4. High

**High Limit**

Limit proved he can be rated in his latest score, but may find himself on the lead here. "If there is speed, I want to get the same trip," trainer Bobby Frankel told *Daily Racing Form*. "If there is no speed, he can go to the lead. It looked like the other day he could get the distance. He was very impressive." **Spellbinder** (Tale of the Cat) also appears to be heading into today's Big Cap in career form. The Richard Mandella trainee began his five-year-old campaign with a strong third behind High Limit in the San Pasqual and returned with a game 3/4-length victory over **With Distinction** (Storm Cat) and **Wilko** (Awesome Again) in the GII San Antonio H. Feb. 5. The dark bay posted a sharp three-furlong move in :35 4/5 over this track Mar. 1. **Lava Man** (Slew City Slew) enjoyed a breakthrough year in 2005, notching the June 18 GII Californian S. and the July 9 GI Hollywood Gold Cup, but ran out of gas late in the year, finishing seventh in the Oct. 1 GI Jockey Club Gold Cup and 11th in the Nov. 26 G1 Japan Cup Dirt. Freshened after his trip to Japan, the dark bay returned to the races in style, reporting home a 2 1/4-length winner in the Sunshine Millions Classic S. Jan. 28.

**Derby Hero and BC Juvenile Champ Square Off..**

Wilko and Giacomo have gone winless since posting upsets in two of the biggest races in America, but both appear to have benefitted from some time on the sidelines. Last year's Derby hero was placed on the shelf after having bone chips removed following his seventh-place finish in the GI Belmont S. He resurfaced to finish third in the Strub last out. "I like it as the second race in his four-year-old campaign," trainer John Shirreffs told the *Form*. "The plus is he came out of it good and has a good race under his belt. That was what we were looking for." The 2004 GI Breeders' Cup Juvenile champ emerged from a 12th-place finish in the GI Preakness S. with an ankle chip and was given plenty of time to recover. The chestnut returned to the races with a fast-closing third in Golden Gate's Larkspur S. Dec. 10, but was a disappointing 11th in the seven-furlong GI Malibu S. Dec. 26. Stretched out in distance for the nine-furlong San Antonio, he overcame some trouble to be third last out.

**First Samurai**, last year's winner of the GI Hopeful S. and the GI Champagne S., will have a host of challengers for his two-turn debut here. The chestnut closed out his juvenile campaign with a third-place finish as the 6-5 chalk in the GI Breeders' Cup Juvenile S. Oct. 29 and splashed his way home to a second-place finish behind the razor sharp Keyed Entry in the GII Hutcheson S. Feb. 4. **My Golden Song** debuted with a visually impressive maiden score on Breeders' Cup eve last fall and reached a career high Beyer of 90 when third behind Barbaro and **Great Point** in the GIII Holy Bull S. Feb. 4. "I thought he ran a good

race in the Holy Bull," trainer Todd Pletcher told *Daily Racing Form*. "He ran hard despite not liking the track. He's had poor racing luck in both starts here this winter. Hopefully, he'll get a fast track and a good trip, and we'll see if he's good enough to run with these kind of horses." The latter aired at Belmont last October with an 8 3/4-length tally, but got dusted in a pair of subsequent stakes attempts, including a sixth-place finish in the GII Kentucky Jockey Club S. He was placed first through disqualification in a Tampa allowance Dec. 24, then really sprung to life in the off going last time, while breaking from the 12-hole in the Holy Bull. "He had to run twice as hard as the others from that post, and I didn't want to put him through that again," trainer Nick Zito told the *Form*. "Obviously he had a tough race, but he came back with a bullet work and he seems to be sustaining his form nicely." **Corinthian** has received plenty of attention after his Big A maiden win Nov. 26 and Gulfstream allowance score Feb. 2. He faces his biggest test today, trying stakes company for the first time.

**Milk it Mick** hasn't had his picture taken since the 2003 G1 Dewhurst S. at Newmarket, but really ran a good one in his U.S. debut, when second behind the Tin Man in the GII San Marcos S. Jan. 22. A repeat performance of that 105 Beyer Speed Figure puts him right in the mix here. **Buckland Manor** was a good second behind Leroidesanimaux (Brz) in last year's Kilroe Mile and closed out 2005 with a third-place finish in the GII Oak Tree Breeders' Cup Mile Oct. 8. The chestnut has made two starts on the dirt this season, finishing second, beaten only a nose in the GII San Pasqual H. Jan. 7 and placing a distant eighth in the GII San Antonio H. last time Feb. 5. "I think the blinkers might have affected him that day, but he's ready to go right now," said jockey Victor Espinoza. "[Trainer] Paco [Gonzalez] told me he worked really good." The top three finishers from the Feb. 8 Thunder Road H. return here. **Senor Swinger** scored by a head over **Terroplane** that day, with **Toasted** a half length behind in third. **Cacique** makes his U.S. debut for team Juddmonte. The dark bay has only made one start since notching the June 12 G3 Prix du Chemin de Fer du Nord S., finishing seventh in the Sept. 4 G1 Prix du Moulin de Longchamp.

Fourth to Stevie Wonderboy in the GI Breeders' Cup Juvenile, the Cal-bred atoned for that effort with a one-length victory in the GI Hollywood Futurity Dec. 18. He bested the subsequent Eclipse winner in the GII San Rafael S. Jan. 14, earning a career-best 108 Beyer, and breaks from the seven-hole with

Alex Solis. "It's a good position to see what everyone is going to do," said trainer Dan Hendricks. "I'll let Alex make the right decision." Juddmonte homebred **Latent Heat**, a son of Grade II winner True Flare, won his maiden impressively going seven furlongs Jan. 21 and gets tested for class this afternoon. **Wanna Runner**, third in the San Rafael, was a disappointing fifth of six in the GIII El Camino Real Derby Jan. 29, but could improve while getting blinkers back on.

Regally-bred **Harlington** shaped as one of the leading three-year-olds of his generation last year, but was injured in his sixth-place finish in the GIII Risen Star S. and went missing for almost 10 months. A five-length allowance winner over the Aqueduct inner Dec. 4, he punched his ticket to this with a 1 3/4-length success at this track Feb. 8. The \$2.8 million yearling covered a lot of ground that afternoon and gets a better trip today. Winless since the 2004 GI Jockey Club Gold Cup, **Funny Cide** was a dull seventh in the six-furlong GIII Mr. Prospector H. Jan. 7, costing him an appearance in the GI Donn H. The chestnut bounced back with a solid runner-up effort going a mile Feb. 2 and has trained very nicely for this. **Suave** was the 2-1 favorite in the Feb. 4 Donn, but failed to handle the sloppy track and struggled home sixth. With Edgar Prado opting to ride Funny Cide, trainer Paul McGee has tabbed Rene Douglas to pilot the son of Urbane.

**Silver Train** emerged as one of the top sprinter/milers among his peers last fall, finishing a game third in the GII Amsterdam S. going six furlongs Aug. 7 prior to a pacesetting, five-length victory in the GII Jerome H. over Belmont's one-turn mile Sept. 11. Dispatched at 11-1 on World Thoroughbred Championships day, the Buckram Oak runner came from just off the pace to post a head success in the GI Breeders' Cup Sprint Oct. 29. His Palm Meadows works have been outstanding and he is strictly the one to beat. A three-time winner at this tricky distance, **Mister Fotis** closed well to finish second in the Jack Dudley Sprint H. at Calder Nov. 12 before posting a 113 Beyer in annexing the Kenny Noe Jr. H. Dec. 17. A troubled sixth in the Jan. 28 Sunshine Millions Sprint, the chestnut can make amends today.

A trip to Dubai hangs in the balance for some of the competitors in this first leg of the revamped Asian Mile Challenge. **Perfect Promise** could take her place alongside her full sister **Irridescence** (SAf) in the \$5-million G1 Dubai Duty Free S. with a victory this afternoon. The former South African galloper was having her first start for Lee Freedman in her latest and sprung a 10-1 surprise in winning the G1 C.F. Orr S. over 1400 meters. "She's come back to form pretty quick, she's trained on and everything is good going into the race," jockey Craig Newitt told *Australian Associated Press*. **Confectioner** and **Niconero** from the yard of David Hayes could also earn their way into racing's richest day, but the conditioner added that one horse at the most would represent the stable in Dubai.

☆ NEWS TODAY ☆

**BARBICAN OFF DERBY TRAIL** Darley three-year-old **Barbican** (A.P. Indy), a full-brother to champion **Tempera**, has been sidelined by a fracture in his right hind ankle and will miss the Triple Crown races. "The technical term is an apical fracture," said Jimmy Bell, president of Darley USA. "It is on the very top of the right hind sesamoid. It really is the best possible scenario as far as this type of injury is concerned. He will be shipped up to Ocala for surgery and will be off for 100 to 120 days." The surgery will be performed by Dr. Donnie Slone Jr. at Peterson and Smith Equine Hospital in Ocala. Bell added, "We really hope to have him back for the fall. Obviously, you have to few things go well, but that's what we're hoping for." Barbican was listed as program number three for Pool 2 of the Kentucky Derby Future Wager, which opened Thursday, but betting on the colt has been suspended. There are no refunds for bets already placed. For the current odds on the KDFW, go to [www.tvg.com/kdf/kdf\\_futures.asp](http://www.tvg.com/kdf/kdf_futures.asp).

**Thoro-Graph Race of the Week**  
by Jerry Brown

**Saturday, Gulfstream Park**  
**GULFSTREAM PARK H.-GII**, \$300,000, 3yo/up, 9.5f

<b>Horse</b>	<b>Sire</b>	<b>Odds</b>
<b>It's No Joke</b>	<a href="#"><u>Distorted Humor</u></a>	<b>6-1</b>

Had issues that caused him to miss most of his three-year-old year, but put in a couple of good ones in the fall, before throwing a stinker on the all-weather. His local debut was very good, and since he's lightly raced and has four weeks rest, he has a good chance to pair up that effort. With speed and the rail, that would give him a real shot here, even if he carries a few pounds over the assigned weight.

Note the trainer profile--Maker has been doing very well, and consistently does well in the first three starts off a layoff.

<b>Suave</b>	<a href="#"><u>A.P. Indy</u></a>	<b>3-1</b>
--------------	----------------------------------	------------

Got good late last year, and was wide (4w3w) and much the best in the Clark. His return came on a tricky wet/hard track over which many failed to fire, and we're inclined to excuse it. If we're right, his good figures, tactical speed and inside draw make him the one to beat.

<b>Whos Crying Now</b>	<b>Concerto</b>	<b>12-1</b>
------------------------	-----------------	-------------

Got better with age, and peaked late last year as a five-year-old with a big effort on an off track in September. Since then he's been productive, but it looks like he may be ready to tail off. And even on his best there are several faster.

<b>Harlington</b>	<b>Unbridled</b>	<b>4-1</b>
-------------------	------------------	------------

Has a huge pedigree, and it's noteworthy that his siblings got better with age. This horse will take a lot of money because of that pedigree and big-name connections, but if you bet on him, you are betting he will run a new top. So far he has not run fast enough to win this. This will be the shortest rest this horse has ever raced on and with Pletcher the more rest the better. Also note he is better in the first two than the third off a layoff (trainer profile).

<b>Funny Cide</b>	<a href="#"><u>Distorted Humor</u></a>	<b>6-1</b>
-------------------	--	------------

Ran well in his 2005 debut before falling apart and going to the sidelines, and returned to his best '05 form in his second start this year as a six-year-old. There is a very good chance that effort will take its toll again, but even if it doesn't, he would have to go back to a level he hasn't seen in two years to compete seriously here. Since he'll take money again, he's an underlay.

<b>Contante (ARG)</b>	<b>Interprete (Arg)</b>	<b>12-1</b>
-----------------------	-------------------------	-------------

Comes out of the same fast allowance that Funny Cide and Sun King exit. At this point, he's not fast enough to compete with these and Hough is not great second off a layoff. But this South American-bred is six months young for his age, and may have more development in him. We'll watch for him later.

<b>Sun King</b>	<b>Charismatic</b>	<b>5-2</b>
-----------------	--------------------	------------

Was a very strong juvenile and fired big in his three-year-old debut, but tailed off thereafter and didn't come back around until late in the year. His recent return was much better than it looked. He spotted weight and raced wide, earning the best figure in the race while running wide. This is a very tricky read. He needs to avoid both another wide trip and the second-out bounce of last year, and in fact would have to run a new top to have a shot. Since he's now four, and by a sire of late developers, it's possible--but we would want a pretty good price.

<b>Andromeda's Hero</b>	<a href="#"><u>Fusaichi Pegasus</u></a>	<b>8-1</b>
-------------------------	---	------------

Has a healthy pattern of development with few hiccups, and it ultimately yielded a big figure in December. He bounced, but not badly, over that tough track in the Donn, and now has had four weeks rest. His overall pattern is strong and there's a good chance he'll come quickly back to his top, so he's a contender. But he will have to avoid a wide trip coming from behind from an outside post.

**Overview**— We're willing to take our chances against Harlington and Funny Cide. Suave looks the most likely winner, with It's No Joke and the Zito horses possible uses in the exotics.

*Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. **DUBAI ESCAPADE** (f, 4, [Awesome Again](#)--Sassy Pants {MSW, \$239,262}, by Saratoga Six), fifth in a Nottingham maiden on the turf in June 2004, disappeared for nine months, resurfacing to break her maiden at Nad Al Sheba last Mar. 5. Off for over 10 months following that effort, the half to Madcap Escapade (Hennessy), GISW, \$1,052,852, demolished an entry-level allowance field at this track by 7 3/4 lengths Jan. 25 and was the 1-5 chalk to take her batting average to .750. Allowed to dictate an easy early pace from just off the rail, the tempo quickened into the far turn. Still conservatively handled turning for home, she opened a bit of daylight leaving the eighth pole, but was all out to best Grecian Lover (Friendly Lover) by 3/4 of length. "She's a filly with a ton of class and a ton of ability," said Darley USA President Jimmy Bell. "Her work pattern wasn't ideal leading up to the race--Mother Nature interfered with some of [trainer Eoin Harty's] plans--so she might not have been as tight as we would have liked. But she should move forward off the race and the future looks bright." As for what's next, he added, "We'll take our time to figure out where to go. The plan was to get these two races under her belt and then sit down and see what makes sense." Dubai Escapade, a \$75,000 KEESEP yearling, was the \$2 million salestopper at the 2004 Barretts March sale. Lifetime Record: 4-3-0-0, \$57,050. [Video, sponsored by Taylor Made.](#)

Backed into 2-1 favoritism despite another lengthy absence, the Irish-bred colt sat a stalking trip from second, eased to the front under a confident John Velazquez turning for home and covered his last half-furlong in :5.60 en route to a four-length win over Friar. **Makeup Artist Retires to Hill 'n' Dale:**

Six-year-old mare **Makeup Artist** (Dynaformer--Deux Anes (GB), by Longleaf), winner of the 2003 GIII Senorita S., has been retired from racing and will take up residence at Hill 'n' Dale Farms in Lexington, Ky. "Makeup Artist was one game filly who always gave you her best," said Donato Lanni, director of bloodstock services at Hill 'n' Dale. "Her record does not completely reflect her talent in that she ran second in three stakes races where she was beaten a nose, a neck and a half." Owned by George Krikorian, the bay closed out her career with a second-place finish in Hollywood's GIII Wilshire H. last April. A winner of two of 11 starts, she retires with \$198,614 in earnings. Breeding plans have not yet been finalized.

**Tim Thornton to Return to the Saddle Monday:**

Jockey Tim Thornton, who was hospitalized Tuesday due to dehydration, is expected to return to riding Monday after being released from Palos Hospital Friday morning. "He only has one kidney, and it takes him longer to recover from a sickness than it does for most of us," Thornton's agent Marcus Guidry commented. "He's feeling a lot better now, but he needs a couple of days to get his strength back." The 18-year-old was taken off his mounts for Friday and Saturday's races at Hawthorne.

Jockey Richard Migliore, who made his return at Aqueduct yesterday afternoon, won with his first mount back, guiding Ojibway to a head victory in the third race on the card. Migliore had been sidelined since suffering a broken left leg and an injured Achilles tendon in a paddock accident at Belmont last October. "Getting back took a lot of work, and it was a lot of hard work," said Migliore, who will turn 42 Mar. 14. "To come back and have that hard work rewarded right away...it was emotional for me. This was the hardest I ever rehabbed, and thank goodness I did because it was a tough battle. My horse kind of let me know, 'I've got a little more to give you.' When I got at him last time right-handed, he gave me that extra little spurt. Thank goodness for good horses."

## SOPHOMORE SPOTLIGHT

### CHRB Orders Review of Intercontinental Case:

California Horse Racing Board Chairman Richard Shapiro has ordered an independent review into events surrounding **Intercontinental (Ire)** (Danehill) prior to her victory in the GII Palomar Breeders' Cup H. at Del Mar last September. The Juddmonte mare received an injection of Lasix after the four-hour pre-race deadline had passed. The veterinarian who administered the medication, Dr. Amy Lee Nevens, was subsequently fined for the infraction, but it was not reported to the stewards before the race, and Intercontinental was allowed to run. Last month, owner Jim Ford, whose Katdogawn (GB) was fourth in the Paolomar, petitioned the CHRB to have the Palomar purse redistributed. Shapiro has asked Santa Anita steward Scott Chaney, an attorney who once worked as an assistant trainer, to conduct an investigation into the matter. "Mr. Chaney is uniquely qualified to understand the facts of the situation, the rules and laws of horse racing, the nuances involved in pre-race administration of Lasix, and the environment of racing," Shapiro remarked. "He will act independently and without direction from the CHRB staff or commissioners. He will have full access to any and all personnel. He will complete his review and report to the medication committee of the board on Mar. 22 at a meeting of that committee. Thereafter, a full report will be given to the board at its Mar. 23 meeting. The full board could then decide what further action if any should be taken related to this matter."

**Feet On Flames**, the defending race champion and reigning Horse of the Year in this island nation, bested **Inluck** by a half-length in the G1-Bar Coolmore "Home of Champions" S. at the Garrison Jan. 28 while giving that rival 15 pounds. Feet On Flames actually drops a pound off that effort while the runner-up tacks on 10 pounds, making the seven-year-old the likely favorite to make it back-to-back wins in this highlight of the local racing season.

**GUINEAS AIM FOR NAKHEEL**

Sheikh Hamdan bin Rashid Al Maktoum's **Nakheel (GB)** (Sadler's Wells) is likely to head straight for the May 6 G1 2000 Guineas at Newmarket, trainer Mark Johnston announced yesterday. Unbeaten in two starts as a juvenile, the colt turned the Listed Silver Tankard S. into a procession at Pontefract in October, recording a four-length success. "Nakheel has wintered very well indeed," said Johnston. "No final decision has been made on where he starts off yet, as I haven't discussed the matter with Sheikh Hamdan Al Maktoum, but there's no reason why he shouldn't go for the 2000 Guineas, and I'm preparing him with that race in mind. He looks fantastic at the moment and probably would not have a prep run before the Guineas. Getting horses fit for the Guineas has never been a problem for us--we won the 2000 with Mr Baileys and the 1000 with Attraction first time up, so it's not an issue." Nakheel also has the G1 Epsom Derby June 3 as a target and Johnston is keen to use the mile Classic as a prep for the blue riband. "He is bred for further than a mile, so there is an issue over the suitability of the trip, and he is in the Derby, but he does show us a lot of speed. The 2000 Guineas in itself is a great trial for the Derby, so there's no reason why he can't run at Newmarket with a view to running over further later on. He's won on good to firm and good to soft, so he should handle any ground."

**ARREST JOCKEY NAMED**

Amateur Dale Jewett was named as the latest jockey to be arrested on Thursday as part of the City of London Police investigations into alleged race-fixing. Police officials revealed that the 25-year-old Northern-based rider, who has ridden a winner at the Cheltenham National Hunt Festival in 2003, was arrested on suspicion of conspiracy to defraud. The investigations, which involve 27 other individuals, center around 93 races between 2002 and 2004.
