### MILLION-DOLLAR MAN

**Lava Man** (Slew City Slew) saves his best for the big days. Fresh on the heels of his triumph in the \$1-million

Lava Man Benoit Photo

Sunshine Millions Classic Jan. 28, the California-bred fended off a challenge from **Magnum (Arg)** (El Compinche {Arg}) to take yesterday's \$1-million GI Santa Anita H. Winning rider Corey Nakatani, earning his second Big 'Cap, gave all credit to trainer Doug O'Neill.

"Doug's done a great job with this horse," said Nakatani. "It's a tribute to Doug, with the foot trouble the horse has had, how he's come back to run so well. Early on, he wasn't

rank at all, he was just doing what he needed to do. Turning for home, I shook the reins at him and he just took off. I really wasn't worried about anybody else, it was just a matter of how much I was going to win by." **Big 'Cap cont. p2**

### OH, BROTHER

**Brother Derek** (Benchmark), sent off at 1-2 in the GI Santa Catalina S. yesterday at Santa Anita, produced a professional effort to maintain his position as the leading California-based three-year-old. "What a pro he is," said winning rider Alex Solis. "He broke real sharp and placed himself. He really won it very easy; I wasn't using him that much. We wanted to make sure we didn't do him in before the Kentucky Derby, if we get to that point." **Santa Catalina cont. p3**

### FIRST BY DEFAULT

The 3-5 favorite **First Samurai** (Giant's Causeway) needed stewards' intercession to claim a victory in his first try at two turns. **Corinthian** (Pulpit) passed the pacesetting favorite in the lane, but came in on him, then drifted out and impeded several rivals. He was placed third upon review of the race. "It's not a lot of fun [winning by DQ], but [the stewards] probably made the right call," said First Samurai's trainer

Frank Brothers. "I've been on both sides of the call. I thought my horse ran a very good race. He showed a lot of courage." **Fountain of Youth cont. p3**

### 'MICK' TAKES KILROE BLANKET FINISH

There were 14 horses entered in the GI Frank E. Kilroe Mile at Santa Anita yesterday, and five of them were within a length of each other at the wire. When the dust cleared, **Milk It Mick (GB)** (Millkom {GB}) had his head in front at the right time. "Thank goodness he knew what his job was," commented winning rider Kent Desormeaux. "When they headed him, he gave me just an ounce more the last 100 yards." **Kilroe cont. p4**

**Big Cap cont.  
He's the Man...**

Second by a half-length to Rock Hard Ten in the GI Malibu S. to close out his three-year-old season, Lava Man was unplaced in a trio of state-bred stakes at the beginning of 2005. He turned things around with a win in an optional claimer at Hollywood in May and followed that by taking the GII Californian S. June 18. Lava Man erupted in the \$750,000 GI Hollywood Gold Cup July 9, winning by 8 3/4 lengths and earning a 120 Beyer Speed Figure. Third by 3/4 of a length in the \$1-million GI Pacific Classic Aug. 21, the dark bay was well beaten in a pair of big races outside the confines of his native state: he was a distant seventh in the GI Jockey Club Gold Cup at Belmont Oct. 1 and 11th in the Japan Cup Dirt Nov. 26. Trainer Doug O'Neill regrouped with his charge, saddling him to collect a nifty paycheck in the Sunshine Millions Classic over this surface Jan. 28. Breaking alertly here, Lava Man went up to contest the pace while accompanied by favored **High Limit** (Maria's Mon) to his inside and **With Distinction** (Storm Cat) on the rail. He shrugged off those

Benoit Photo

rivals after splits of :47 1/5 and 1:11 1/5 and looked to be home free and easy when Magnum came after him. The surprising Argentine gave it his best shot along the rail, but Lava Man had enough in the tank to take his second straight \$1-million race.

"He's joined an incredible list [of

Big 'Cap winners], Affirmed, Spectacular Bid, John Henry," noted O'Neill. "I can't even imagine it, but we're in the Big 'Cap books and they can't take that away from us. It's a great feeling." It proved to be a consolation prize for O'Neill, whose champion charge Stevie Wonderboy was recently knocked off the Triple Crown trail. "We're just so blessed, regardless of Stevie Wonderboy's injury. Hopefully, we can keep it going." Lava Man's win was witnessed by 49,089 fans, Santa Anita's largest crowd since the 1990 Big 'Cap. **Click for the [brisnet.com](http://www.brisnet.com) chart or the [free brisnet.com](http://www.free.brisnet.com) catalogue-style pedigree or the [Video](#), sponsored by Taylor Made.**

**High Limit, Giacomo Off the Board...**

High Limit, the 8-5 favorite, and **Giacomo** (Holy Bull), the 9-2 third choice, were a distant fourth and fifth, respectively. "I just think Lava Man ran a very big race today," said Patrick Valenzuela, who piloted High Limit. "We just got outrun. [Trainer] Bobby [Frankel] always questioned his ability to go the distance." As for Kentucky Derby winner Giacomo, rider Mike Smith said, "He just didn't fire, didn't lay it down. I'm at a loss for words to tell what happened. He hit that one gear to get where I wanted to be. We got to the turn and I asked him to pick it up, but he just kind of put his head up and stayed the same."

First Samurai, winner of the GI Hopeful S. and GI Champagne S. at two, ran into a buzzsaw named Keyed Entry in his seasonal bow. The liver chestnut wound up second in the GII Hutcheson S. Feb. 4 as the winner set a new track record, and was odds-on here in his first attempt at two turns. He assumed command at the start and was allowed to cruise unattended through fractions of :23.86, :48.30 and 1:12.36. Corinthian rallied three wide on the turn and was going right on by in the stretch when he began to drift in on First Samurai, forcing the favorite to check slightly and angle out. He then began to drift out, which caused the game First Samurai to impede the late-closing Flashy Bull. "This [race] doesn't get him to the first Saturday in May, but it gets him along," said winning trainer Frank Brothers. "The door is open from here--either the Florida Derby [GI, Apr. 1] or the Blue Grass [GI, Apr. 15]." Brother Derek maintained his status as the early favorite for the GI Kentucky Derby. After a triumph in the GII Norfolk S. over track and trip Oct. 2, the California-bred outran his 56-1 odds to be fourth in the GI Breeders' Cup Juvenile Oct. 29 at Belmont, then closed out the year with a win in the GI Hollywood Futurity. He handed the now-sidelined champion Stevie Wonderboy a defeat in the one-mile GII San Rafael S. over this surface Jan. 14, and had been given an easy time of it since by trainer Dan Hendricks. "We had him a little fresh by not doing as much work," said Hendricks. "I'd say I had him cranked about 90 percent." The handsome bay bounced out of the gate and was a bit eager under Alex Solis, but came back to hand on the backstretch as the highly regarded Latent Heat set the pace. He ranged up to take the lead turning for home and edged away as Solis waved the stick at him. "He was a little bit excited before the race," Solis admitted. "If he was only 90 percent, that's mighty exciting." [Click for the brisnet.com chart](#) or the [brisnet.com pedigree](#) or the [Video, sponsored by Taylor Made](#).

Milk It Mick hadn't visited the winner's circle since taking the G1 Dewhurst S. at Newmarket as a two-year-old during his tenure under Jamie Osborne. He made eight subsequent outings at three and four, and the decision was made to send him to California following a distant fifth-place finish in a conditions race at Doncaster Oct. 22. The bay was let go at 28-1 in his stateside bow and ran an excellent race to be second to The Tin Man in the 10-furlong GII San Marcos H. Jan. 22. Tucked in after breaking from post 13, Milk It Mick raced along in sixth and rallied three wide. He struck the front in midstretch and found the wire first amidst a cavalry charge finish. "The whole thing was getting him covered up early, but at the same time, we had to try and get over, being in the 13 post," said winning trainer Jim Cassidy. "It was kind of a fine line." The GII Arcadia H. Apr. 8 could be next for the winner. [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#) or the [Video, sponsored by Taylor Made](#).

Sharp Humor showed fortitude in fighting off favored Noonmark for his first graded win. After an impressive debut score, the New York-bred finished fourth to First Samurai in a Spa allowance, then ran third with first-time Lasix in the NY Breeders' Futurity at Finger Lakes Sept. 5. He rebounded with a game front-running tally in the Bertram F. Bongard S. Sept. 25 and closed out 2005 with a resolute success in the Sleepy Hollow S. Oct. 22 at Belmont. Not given much of a shot here, the bay was a head back after a quarter in :22 before taking the lead. Noonmark headed him in the lane, but Sharp Humor fought back along the inside to reclaim the lead in the final strides. "I don't think we'll be heading back to New York just yet," quipped winning trainer Dale Romans. "We're going to look at some bigger races down the road, and see if this horse can go around two turns. There's already been one Distorted [Humor] New York-bred to win the Derby [Funny Cide]. It took him a while to get on track, but Harlington is now living up to his bluechip pedigree. The \$2.8-million KEESEP yearling broke his maiden in his lone start at two and was tabbed for the Triple Crown after a decisive allowance score at Gulfstream last January, but he wrenched an ankle when sixth in the Feb. 12 GIII Risen Star S. and was out until December. The dark bay came back to take an Aqueduct allowance test Dec. 4 and made it two in a row at Gulfstream Feb. 8. The second choice while taking on stakes foes for the first time, Harlington was on the bridle while rated off It's No Joke through solid splits. He pulled his way to the front from the inside on the far turn and was all out as Contante came flying from the back of the pack for second. "I don't think he's ever been to the lead that soon, and he didn't know what to do when he got there," trainer Todd Pletcher said. "It's just a sign of how enormously talented he is--he's able to race like this without totally focusing. He's come a long way, but he's still not battle tested."

This race marked the return of GI Breeders' Cup Sprint hero Silver Train (Old Trieste), but it turned out to be Mister Fotis's day to shine. Runner-up to Medalist in the GIII Deputy Minister H. 13 months ago, the Florida-bred didn't get his picture again taken until Dec. 17, when he romped in the Kenny Noe Jr. H. at Calder and earned a 113 Beyer Speed Figure. That effort may have taken a toll on him, however, since he could only manage a sixth in the Sunshine Millions Sprint Jan. 28. Mister Fotis breathed down the neck of Middle Earth (Dixieland Band) through a half in :44.92 before assuming command at the top of the stretch. Sir Greeley took a good run at him late, but the wire came just in time for Mister Fotis. "He broke really good," said winning rider Rafael Bejarano. "I tried to hold him back, because there was so much speed in the race, but he was running good. At the top of the stretch I let him out a little bit, and when I saw that other horse [Sir Greeley] coming at me I let him out some more. He took care of everything from there." It was an inauspicious seasonal bow for Silver Train, who ran seventh. "I was concerned he wouldn't run on this track," commented trainer Rick Dutrow Jr. "I didn't see him ever look like he was ever going to run his kind of race at any point. We'll see how he comes out of it. We'll point for the Carter [GI, Apr. 15, Aqueduct,]." five straight wins on turf last year, but came up short in three tries against the best of her division and was freshened up for another campaign. After breaking her maiden in her turf debut at Tampa last January, the bay paired up wire-to-wire allowance tallies over this course.

She earned her first stakes

win at Calder in the Hollywood Wildcat Breeders' Cup H. Apr. 30, then posted a game triumph in the GII New York H. July 2 at Belmont. A yielding course proved her undoing when she ran sixth in the GI Beverly D. S. at Arlington Aug. 13, and she was given a respite. Wend returned to action Oct. 9 at Keeneland and just failed to run down subsequent champion Intercontinental (GB) in the one-mile GII WinStar Galaxy S., and wound up her year with a sixth in the GI Breeders' Cup F/M Turf at Belmont Oct. 29. The even-money favorite here, Wend led eagerly through fractions of :46.53 and 1:09.53. She had another gear left in the stretch and fended off a valiant Brunilda. "She broke okay and Edgar put her in the race right away," commented winning trainer Bill Mott. "There were clicking right along, but he wasn't asking her to do it, although she did have a horse on her hip. I wasn't surprised that she ran well. I think horses run good fresh." Wend will now head back to her old Kentucky home. "We'll look at the Jenny Wiley [GII, Apr. 15] at Keeneland and the mile race at Churchill on Derby Day [GIII, Churchill Downs Distaff Turf Mile, May 6]," Mott added.

Keeneland Oct. 21. The dark bay returned to be a close fourth in the 8 1/2-furlong Marshua's River S. over this surface Jan. 14, and was the third choice while stretching out significantly for the first time. The Alfred Corrado homebred enjoyed a ground-saving trip until the final turn, found running room in the lane and outfinished favored Olaya for her first stakes victory. "I thought we'd be more forwardly placed than that," admitted winning trainer Kiaran McLaughlin. Rafael [Bejarano] rode a perfect race. She's a very nice filly. She finished second so many times [four], and I'm glad she finally got a Graded stakes win." The first two finishers could meet again in the GII Orchid H. Apr. 1 over a mile and a half.

Fast Parade was in for a \$25,000 tag when breaking his maiden at Pleasanton last July, then stepped up for the Aug. 7 Cavonnier Juvenile S. at Santa Rosa and finished second after setting the pace. The bay came back to post a front-running 7 1/2-length tally in a starter allowance at Bay Meadows Sept. 4, but had not been out since cruising home a 13-length winner in the Oct. 2 Captain Condo S. over fellow Washington-breds at Emerald Downs. Wisely spotted for his return in this off-the-turf affair, Fast Parade vied for the lead through a half in :43.40 and was head-and-head with The Pharaoh when they hit the eighth pole, but pulled away in the final furlong to win his third in a row. "He acted like he was getting a little tired at the top of the lane, but he switched leads and found another gear," jockey Garrett Gomez said. "He ran a really good race." Re-marked trainer Peter Miller, "I don't care who he is by or who he beat, he is a real runner." Miller added, "I've been training for 20-some years, but I've been at San Luis Rey Downs mostly prepping horses for people. This is my first stakes win at Santa Anita." As for heavily favored Da Stoops, jockey Victor Espinoza said, "As soon as they came out of the gate, I knew he was in trouble. He wasn't comfortable on the track."

If racecaller Bryan Martin seemed to make an unusually swift exit following the running of the Futurity S., it's completely understandable. Martin is the manager of the No Big Deal Syndicate which campaigns Fields of Omagh, the 2003 G1 Cox Plate winner, who belied his age to set a new track record in this weight-for-age contest. Third to Makybe Diva (GB) in last year's Cox Plate, the multi-millionaire was rested off an eighth in the G1 Mackinnon S. a week later and was most recently third to favored Perfect Promise (Caesour) in the Feb. 11 G1 C.F. Orr S. over 1400 meters. Benefitting from a fast pace up front, Fields of Omagh kicked into high gear in the stretch and was just up for the victory. "He's an absolute dream to have, he's very special," Martin told *Australian Associated Press*. The winner will be put away for now, with an eye on a fifth start in the Cox Plate in October. Lee Freedman, trainer of fourth-place finisher Perfect Promise, will wait a couple of days before deciding whether to ship her for the G1 Dubai Duty Free S. Mar. 25.

He grabbed the lead approaching the final eighth, was in command thereafter and comfortably held Elusive Fort.

**French Park**, a multiple graded-stakes winner at two, lost her unbeaten record when missing by a head in the GIII Silverbulletday S. at Louisiana Downs Jan. 14. The grey filly has been training well in the interim and will have to be at her best to prevail in this competitive affair. **Wait a While** sailed through the slop in dominating the GII Davona Dale S. by 14 lengths Feb. 4. In her only previous "fast" main-track outing, the grey surrendered the lead late to **Wonder Lady Anne L**, finishing third in the GII Demoiselle S. Nov. 26 at Aqueduct. The latter wound up third in the Davona Dale, a head behind **Teammate**. Trainer Allen Jerkens is hoping that the sloppy conditions were **Teammate's** excuse for not being closer at the finish that day. "She was getting a lot of mud in her face," he said. "She was hemmed in along the inside, and that had to deter her. It was the only day where the track was like that, so it's hard to say what happened. Sometimes you think you can blame the track and it turns out to be their best race. [Today] will tell. Of course, there are a lot of new guys in that race as well. We'll see."

**Original Spin** landed the GIII Arlington-Washington BC Lassie in September before concluding her two-year-old campaign with a third to Folklore and Wild Fit in the GI Breeders' Cup Juvenile Fillies Oct. 29 at Belmont. She finds herself facing a deep field in her first start since. **India** appeared to be a star in the making at Saratoga, but faltered in two subsequent starts in 2005. The chestnut was a handy winner of her return Feb. 3 in a local 6 1/2-furlong allowance and will be tough to run down here. **Misty Rosette** has been perfect in three starts to date, culminating in a four-length win in the GIII Old Hat S. over a sloppy Gulfstream strip Feb. 4. Among her vanquished foes that day was fifth-place finisher **Miraculous Miss**, who entered the Old Hat with an unbeaten record, including the GIII Valley Stream S. at Aqueduct Nov. 20.

### Catcominatcha Euthanized:

Graded stakes winner **Catcominatcha** (Tale of the Cat--Certainly a Star, by Red Ransom) broke down on the backstretch during the GII Swale S. yesterday at Gulfstream Park and was put down. "He sustained a catastrophic fracture of the right front cannon bone, necessitating euthanasia," said track veterinarian Dr. Mary Scollay. Owned and bred by Thomas McCann, the blaze-faced chestnut captured the GIII Iroquois S. at Churchill in November after running second in the GI Lane's End Breeders' Futurity. He was coming into the Swale off a fourth-place finish in the GII Hutcheson S. a month ago. Catcominatcha, trained by Eddie Kenneally, earned \$215,706 while compiling a record of 9-2-2-0.

Unraced at two, Manchurian was a winner once in two starts at three and managed an allowance victory in two outings at four. The chestnut was sidelined for 17 1/2 months after running fourth at Churchill Downs in June of 2004, returning to finish second in an Aqueduct allowance test on New Year's Eve. He opened 2006 with a runner-up effort in an optional claimer at the Big A Feb. 11. Off at 6-1 to go one better in his belated stakes debut, the chestnut pressed 29-1 Chilly Rooster (Arch) for six furlongs, grabbed the lead on the far turn and dug in with determination to outgame Liquor Cabinet to the wire. "If there was ever a time for him to step up, this was perfect timing on his part," said Seth Benzel, assistant to trainer Todd Pletcher. "He really showed some grit toward the end. Mike [Luzzi] put him in a great spot. He took over and had enough left to hang on." Benzel, who was the New York assistant for trainer Bill Mott before joining the Pletcher stable, added, "Mr. [Allen] Paulson hoped we could win some black type with him." Manchurian was foaled just three months before Paulson died in July of 2000.

★ INDUSTRY INFO ★

**The Jockey Club Adds Microchip Database:**

The Jockey Club has announced that it will now maintain a central database of microchip numbers for Thoroughbreds. Using the free service, Thoroughbred owners and breeders can report and look up microchip numbers on TJC Interactive Registration. To be included in the database, a horse must have a Live Foal Report on file with the Registry, and the owner or breeder must have an active IR account. Matt Iuliano, vice president of Registration Services for The Jockey Club, spoke on the subject at the University of Arizona's Race Track Industry Program symposium in December. He reiterated remarks made during that presentation, saying, "Micro chipping will not be a requirement of registration, but when used in conjunction with current means of identification, such as markings, DNA parentage verification, color photos and lip tattoos, micro chipping can provide additional confidence when identifying a Thoroughbred."

**Ho Improves After Surgery:**

Jockey Sunny Ho, who suffered a serious head injury during a spill at Golden Gate Wednesday, was showing "significant improvement" Friday at Highland Hospital in Oakland, California, Dr. David Seftel told *Daily Racing Form*. Ho, 44, fell when his mount, Sport Tommy Boy, suffered a fractured right front leg during the seventh race at Gold Gate Wednesday. He was on his feet after the accident, but collapsed and stopped breathing while waiting to be taken to the hospital for tests. The Hong Kong native was transferred to Highland Wednesday night and underwent emergency surgery to stop bleeding on his brain; by Friday he was conscious and responding to doctors. "It's a very good sign to have this degree of recovery this early in the healing process," Seftel told *DRF*. Ho will remain in intensive care for at least another week. Sport Tommy Boy had to be euthanized.

**PREMIER YEARLING SALE ON TAP** A total of 676 horses have been catalogued for the Inglis Premier Yearling Sale, which kicks off a three-day run this morning at 10:30 in Melbourne. Some of the leading vendors from Victoria, New South Wales, Queensland, South Australia and New Zealand will have substantial drafts on offer, with youngsters by such sires as Agnes World, Belong to Me, Choisir (Aus), Dehere, Elusive Quality, Fusaichi Pegasus, Galileo (Ire), Giant's Causeway, Hussonet, Montjeu (Ire), More Than Ready, Redoute's Choice (Aus), Rock of Gibraltar (Ire), Royal Academy, Tale of the Cat, Testa Rossa (Aus) and Zabeel (NZ). "Undoubtedly, the Melbourne Premier Yearling Sale has been the most progressive yearling sale in Australia in the past five years," commented the company's Director of Sales Peter Heagney. **DERBY HOPEFUL FOR DISTORTED HUMOR**

**Hello Pretty (Aus)** (Distorted Humor) stamped himself as one of the leading chances for the G1-HK Mercedes-Benz Hong Kong Derby Mar. 26, coming from just off the pace to win yesterday's HK\$3-million G2-HK Derby Trial at Sha Tin at odds of 3-1. Campaigned in Australia

Hello Pretty hkjc.com

as Distorted Halo (Aus), the attractive chestnut was a handicap winner from three starts before being purchased to race in Hong Kong, with the Derby his goal. With his facile 1 3/4-length victory over fellow Classic hopeful **Sunny Sing (Ire)** (Sri Pekan),

Hello Pretty is three-for-five with a third in his five local starts. "He has won very well, but he is still not 100 percent. He was only about 80 percent right today," said winning trainer Patrick Lui, contemplating a strong Derby chance for the first time. "Everybody could see today that he is a Derby horse. The 2000 meters will really suit him as well." **Viva Pataca (GB)** (Marju {Ire}) is the ante-post favorite for the 2000-meter Derby, which carries purse money of HK\$14 million (\$1.8 million).
