TRIPLE THREAT IN SAN FELIPE

Trainer Bob Baffert, who has captured three of the last seven runnings of the race, will send out a trio of three-year-olds in today's GII San Felipe S. at Santa Anita. While Baffert's GIII Sham S. winner **Bob and John** (Seeking the Gold) will get the backing of the bettors, the one to watch is **Point Determined** (Point Given). The bay, bought for \$750,000 by Bob and Beverly Lewis at the 2005 Barretts March sale, makes his stakes debut as he looks follow in his sire's footsteps. Three lengths in front of **Refinery** (Victory Gallop) when second in a Santa Anita allowance Feb. 3, he overcame a slow break to win an optional claimer at Golden Gate Feb. 17. "He just cruised around there and didn't have to run very hard," Baffert told *Daily Racing Form*. "It was a good experience." **Sky Diving** (Aptitude), who followed a 14-length maiden score at Bay Meadows with a runner-up finish in the Feb. 11 Turf Paradise Derby, fills out the troika. The dark bay gets blinkers off. The San Felipe could spark Derby dreams for two promising but inexperienced colts. **Simon Pure** (Silver Deputy), a \$665,000 FTSAUG yearling purchase for the Lewises, exits a 4 1/2-length maiden score going a mile at Santa Anita Mar. 2; Stronach homebred **Racketeer** tries a route for the first time after running third following a tardy start in a Santa Anita allowance Feb. 11.

A SOLID CASE FOR THE REBEL

The first time trainer Bob Holthus won Oaklawn's Rebel S., saddling Spike Nail to victory in 1964, the purse for the race was \$6,500. The veteran horseman won the event twice in the '70s, then sent out Greater Good to beat Rockport Harbor at 9-2 last year. But Holthus believes that his 2006 candidate for the Grade III test, **Lawyer Ron** (Langfuhr), is the best of the bunch. "Lawyer Ron is about as good a three-year-old as I've ever had," he said, "and he's coming into the Rebel in top form." The chestnut colt bids for his fifth straight. He made it three in a row with an 8 1/4-length romp in the Jan. 14 GIII Risen Star S., then held on gamely to best **Steppenwolfer** (Aptitude) by 3/4 of a length in the Feb. 25 Southwest S. at Oaklawn. The colt will be joined in the gate by stablemate **Red Raymond** (Deputy Commander), who was third in the Southwest in his sophomore debut. But his toughest foe today is likely to be **Private Vow** (Broken Vow). The dark bay posted a nine-length victory in the GII Futurity S. at Belmont last September, but had a rein break in the GI Breeders' Cup Juvenile and finished last. Sent off at 7-10 in the Nov. 26 GII Kentucky Jockey Club S., he drove to a 2 1/4-length tally. The \$180,000 KEEAPR juvenile makes his '06 debut. **Field, p2**

He made his 2006 debut in the Feb. 18 Sam F. Davis S. and outgamed **Deputy Glitters** for a 1 1/4-length victory. The speedy **Keyed Entry** broke his maiden at Monmouth Park in his lone juvenile outing, then returned after a six-month layoff to go gate-to-wire in a Gulfstream allowance test Jan. 7. Sent right to the front in the Feb. 4 GII Hutcheson S., the dark bay dashed off a half in :44 flat and held First Samurai at bay for a 1 1/4-length victory. The Todd Pletcher trainee tries two turns for the first time. He will have company on the front end. **Like Now** was on

top from the break in his two tries this term, an optional claimer Jan. 12 and the Fred Capossela S. Feb. 18. He stretches out past six panels for the first time. **Sweetsouthern** has led every step in his last three, although he was DQ'd and placed fourth after a 16-length romp against maiden claimers at Laurel Park in December. The gelding set a quick pace en route to a 7 3/4-length score over special weight company at Aqueduct Jan. 7 and was in front all the way when coming home 10 lengths to the good in the Feb. 4 Miracle Wood S. at Laurel. If he can lay off the pace, **Achilles of Troy** will be tough. The \$120,000 FTKOCT yearling capped off his juvenile campaign with a handy maiden win sprinting over the Big A inner track Dec. 29 and opened his three-year-old year with a resounding 14-length score in the Jan. 7 Count Fleet S. The gray colt continued the streak in the Feb. 11 Whirlaway S., besting **One Way Flight** by 4 3/4 lengths, and looks to add to his resume in his first graded attempt.

Splendid Blended captured the GI Hollywood Starlet at two, but made just two starts last year, finishing fourth in the GI Acorn S. in June and posting a head score in the GI Vanity H. in July. It was announced last summer that the chestnut filly was going to be retired due to a suspensory injury, but after being turned out at owner Peter Vegso's Racing Edge Farm, she made a surprising recovery, prompting her connections to send her to trainer Bill Mott for another go at racing. The Florida-bred made her return in the Feb. 18 GIII Hurricane Bertie S. at Gulfstream, but after being bumped at the break and finding herself wide throughout, she could do no better than sixth. The four-year-old should improve in her second start off the layoff. **In the Gold**, second in the GI Kentucky Oaks and third in the GI Acorn S. and GI Test S., earned Grade I glory in the Gazelle H. at Belmont in September. She makes her first start since finishing fifth in the Oct. 29 GI Breeders' Cup Distaff, but signalled her readiness with a five-furlong breeze in :58 flat Mar. 11. **Pool Land** gets her first major test after winning her first three starts by a combined 17 3/4 lengths. The four-year-old comes off a seven-length victory in the Jan. 22 Summer Colony S. over the Aqueduct inner track.

Thoro-Graph Race of the Week
by Jerry Brown

Saturday, Aqueduct
GOTHAM S.-Gill, \$200,000, 3yo, 1 1/16m

PP HORSE	SIRE	ODDS
1 Hesanoldsalt	Broad Brush	15-1

Made the usual Zito second-out jump and looked like a Derby contender when he paired that figure at Calder. The slight backward move at Gulfstream might be excusable as a bounce off two efforts, but the Tampa race that followed was really bad, and at this point his condition is suspect. If he's going anywhere soon he needs to move forward now, but he's not fast enough with these regardless.

2 Church Service	Pulpit	30-1
-------------------------	---------------	-------------

Is way too slow to compete in this very strong Gotham.

3 Eagle Head	Devon Lane	30-1
---------------------	-------------------	-------------

Ran a good one in his second start, and may have a future, but comes back on only two weeks rest while trying to stretch out. A bounce is much more likely than the necessary forward move.

4 Like Now	Jules	15-1
-------------------	--------------	-------------

Wasn't much as a juvenile, but moved up considerably over the last couple of months, along with most of McLaughlin's barn. This one gets about a point in weight from the favorites, has a pedigree that's okay for distance on both sides and has figures good enough to make him a borderline contender.

5 Putonyerdancinshuz	Malibu Moon	50-1
-----------------------------	--------------------	-------------

Is undefeated, but he would have to improve about 6 Thoro-Graph points (about 11 lengths at this distance) to make a serious impact here.

6 Achilles of Troy	Notebook	9-5
---------------------------	-----------------	------------

Moved up with the addition of Lasix in December, and his last two have been enormous. Some of the Paraneck horses in recent years have been pushed hard and raced close together over the winter, but this one has had his recent races nicely spaced, and there is no reason to think he won't fire big again, which makes him the most likely winner. This horse is already running fast enough to be a major factor in the Triple Crown races, and his full sister was late developing. The big danger is that he could be peaking too soon, and tailing off in May.

7 Keyed Entry	Honour and Glory	2-1
----------------------	-------------------------	------------

Ran once last summer, and something presumably went wrong since he didn't reappear until Gulfstream. He ran very well, then put in a giant effort over a sloppy track in his last. Will take lots of money because of his connections, undefeated record and big last-out figure, but he is the kind we like to bet against: the big jump to a huge effort for an early-season 3yo is likely to take a toll, especially with a horse that previously went to the sidelines, and he'll be trying two turns for the first time. The fastest horse, but a bet-against.

8 Sunshine Alpine	Gold Case	10-1
--------------------------	------------------	-------------

Is trained by the recently hot Gary Contessa, and will take some money because of that and his strong finish in a sprint stakes. But he would have to improve quite a bit to get seriously involved here, and Gold Case's runners tend to do better short (see TGI in sire profile).

9 Greeley's Legacy	Mr. Greeley	15-1
---------------------------	--------------------	-------------

Is by a sire of late developers, and shows a pattern of gradual development that paid off with a good one last time. But that effort is likely to cause a bounce, and the requisite forward move is unlikely.

10 Sweetnorthernsaint	Sweetsouthernsaint	5-1
------------------------------	---------------------------	------------

Has made only three starts on dirt, and all were very good, especially his last when stretched out. He's had six weeks since and gets about a point in weight from the only two faster than him going in, which are plusses, but he's drawn outside, which is not. Still, a contender.

11 One Way Flight	Precise End	20-1
--------------------------	--------------------	-------------

Has an ouchy pattern with figures that are only borderline here, and the post hurts.

Overview - Keyed Entry might bounce enough to get out of the exotics, so the right play might be exotics, mostly with **Achilles of Troy** on top.

For sheets and complete Thoro-Graph data on the Race of the Week, click [here](#).

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

ADVENTUROUS TIMES John Fretwell's G2 Champagne S. winner **Silent Times (Ire)** (Danehill Dancer {Ire}) will contest next Saturday's GII Lane's End S. at Turfway Park, according to *Racing Post*. Conditioner Eoghan O'Neill, who oversaw the sophomore's exercise on Wolverhampton's polytrack surface Wednesday, has also pencilled in the GI Toyota Blue Grass S. at Keeneland before a tilt at the GI Kentucky Derby at Churchill. "I am very happy with the horse, he has been preparing for the last three months for the race in America," O'Neill told the *Post*. "He has a very high cruising speed and, if he gets out in front, he is hard to peg back. Nothing ventured, nothing gained." The bay was produced by a full sister to U.S. Grade I winner Offlee Wild and hails from the Darby Dan family of Dynaformer, Brian's Time and Sunshine Forever. Robbie Albarado will be on board at Turfway. Owner John Fretwell added, "He has a U.S. pedigree, he has no Group 2 penalty over there and there is prize money of half a million dollars in the Lane's End. He will be as fit as a flea off the plane. He is a hell of a nice horse to go to war with; he has matured a lot from a two-year-old. I don't think he will let England down." Silent Times bids to build on a juvenile campaign highlighted by his dead-heat with Close To You (Ire) in Doncaster's Champagne in September.

RMTC UPDATES PROGRESS OF INITIATIVES

Officials with the Racing Medication and Testing Consortium provided an update on current and future initiatives at a press briefing held at The Jockey Club offices in Lexington, Kentucky yesterday. The report included the RMTC's model penalty guidelines for medication violations, which were made available earlier this year and are in the adoption process in California, Kentucky and Washington. According to Dr. Scot Waterman, executive director of RMTC, the consortium examined a comprehensive list of drugs individually to establish a "penalty class" before creating a grid that matched drugs with recommended penalties. The most significant penalties are reserved for drugs with no therapeutic purpose in the horse. In addition to trainers, owners with multiple violations and veterinarians could also be sanctioned. "We want to force owners to be more involved," said Waterman. "If they're on the hook, we might be able to stop some of this in the first place." Throughout 2006, the RMTC will be working with veterinarians, pharmacologists and researchers to develop withdrawal times and threshold levels for therapeutic medications with the intention of creating a national manual similar to one that is available in Canada, listing therapeutic medication withdrawal times for horsemen and veterinarians. "If we can pull this off," said Waterman, "withdrawal times across state lines will change racing completely in the U.S. and will cut the number of positives in half." Waterman also indicated that the RMTC is funding more than \$600,000 in research into performance-enhancing drugs, therapeutics, contaminants and "unknown" substances. It was also announced that the Big Event Team, which consists of teams of experienced investigators from the Thoroughbred Racing Protective Bureau, Standardbred Investigative Services and state racing commissions, will be on site to coordinate backstretch security at 23 major racing events in 2006.

JONES DEFENDS PAYMENT OF COMMISSIONS TO FORMER JACKSON ADVISOR

by Ray Paulick, courtesy The Blood-Horse

Airdrie Stud owner Brereton C. Jones said he paid consulting fees and commissions of at least \$130,000 after two Keeneland sales to trainer Bruce Headley, one of six defendants in a lawsuit filed by California winemaker Jess Jackson for fraudulent misrepresentation in the purchase of horses and horse farm property. Jones made the admission during a sworn deposition taken Feb. 24 in Lexington. The deposition was included as a supporting exhibit in a motion--filed in Woodford County District Court Thursday in Versailles, Kentucky--attempting to subpoena additional information from Airdrie Stud on horses purchased by Headley. Also included in the motion was Jackson's amended complaint against Emmanuel de Seroux and his Narvick International bloodstock agency; bloodstock agents Brad Martin, Frederic Sauque, Fernando Diaz-Valdez; trainer Headley; and Buckram Oak Holdings, a company operated until recently by Mahmoud Fustok, who died last month. The suit, filed in California by Jackson and his Four Star Stables and Stonestreet Thoroughbred Holdings, seeks nearly \$18 million plus punitive damages. It alleges the defendants defrauded Jackson through a conspiracy involving secret, undisclosed commissions in private and public auction bloodstock acquisitions and in his purchase of Buckram Oak Farm in Kentucky. In the deposition, Jackson attorney Richard Getty asked Jones about two specific checks made out to Headley for \$17,000 and \$86,687.50 and a line item in an Airdrie Stud accounting sheet that indicated payment of \$27,000 for a "consulting fee."

BANK AUDIT RETIRED Multiple graded-stakes winner **Bank Audit** (Wild Rush--Mosquera, by Faraway Son) has been retired from racing and will be bred to Distorted Humor. The five-year-old is slated to be sold in November. Bred in Virginia by Morgan's Ford Farm, the dark bay enjoyed her most successful season in 2005, when she captured the GII Genuine Risk H., GII Distaff Breeders' Cup H., Interborough H. and House Party S. She also finished second in the GII Va-grancy H. and third in the GII Honorable Miss H. over the course of the year. Bank Audit made two more outings this season for owner Robert Amendola and trainer Frank Labocetta Jr., finishing third in the Flip's Pleasure S. Feb. 23 at Aqueduct in what would be her final career start. The daughter of stakes winner Mosquera bankrolled \$567,934 while compiling a record of 30-10-6-6.

ECCLESIASTIC (h, 5, Pulpit--Starry Dreamer {MSW & GISP, \$564,789}, by Rubiano), winner of the GIII Jaipur H. at Belmont last May, became the third foal from his dam to distinguish himself at this meeting. His half-brother War Front (Danzig), SW & MGSP, \$139,285, hit the board in both the GIII Deputy Minister H. and Mr. Prospector H.; and his 3/4-sister Teammate (A.P. Indy), GSW, \$151,486, landed the GII Bonnie Miss S. two weeks ago. The bay returned from a two-month break to run a close fourth in an 8 1/2-furlong allowance Jan. 4, but followed that with a decent seventh in the one-mile GIII Appleton H. Feb. 11. Sent postward as the 2-1 choice in this competitive contest, Ecclesiastic stalked the pace from fourth, rallied four wide on the turn and finished up well. He crossed the line a half-length in front of the dead-heating duo of Touched by Madness (Sword Dance {Ire}) and Harbor Master (Seattle Slew). He was a \$500,000 KEESEP yearling and a \$775,000 KEEAPR horse in training. [Video, sponsored by Taylor Made](#). Lifetime Record: GSW, 26-4-4-5, \$246,222. O/B-Joseph Allen (KY). Rockport Harbor to Stay in Training:

Multiple graded-stakes winner **Rockport Harbor** (Unbridled's Song), who reinjured his right hind foot when finishing fourth in last Sunday's GIII Razorback H., will be kept in training for the time being.

Rocky & Servis
Coady Photography

The four-year-old underwent a procedure in his Oaklawn Park stall yesterday, where a blacksmith "cut away no flesh, only scar tissue," according to trainer John Servis. "The wall seems OK, but it is going to be touch and go for Rocky the next four or five days," Servis said. "He is in no discomfort." Owner Rick Porter went into more detail, according to *The Blood-Horse*. "The initial findings are cautiously optimistic," Porter told the publication. "[The blacksmith] cut away the scar tissue on the hoof and found some additional bacteria, which he cleaned out. He could not see deep into the foot because we didn't want to cut into the meat of the foot. What he saw was promising. The most important decision was to make a special shoe to protect that quarter of his hoof that has been damaged and patched. The blacksmith asked John not to exercise him for four or five days. He said that Rocky should feel like he has a new foot within a couple of days or less." But Porter added, "There is no guarantee that he won't encounter additional problems when John begins to bear down on him with long gallops." Concluding the colt's career had been mentioned following this latest injury, but Porter elaborated, "Retirement is postponed and we will continue to train him toward a race in the future. The timing is uncertain. As long as he progresses and holds up under aggressive training, we will continue to keep him in training. In the event he develops soreness in his foot, we will probably retire him. It is day by day, week by week. We're optimistic and hoping for the best."

Nasty Affair Dies:

Multiple-stakes winner and producer **Nasty Affair** (Nasty and Bold--L'Affaire, by Seventh Landing) was euthanized Mar. 9 due to the infirmities of old age. The 22-year-old mare won seven stakes and was second in the GIII Vagrancy H. and GIII First Flight H. She is the dam of multiple stakes-winner Donna Doo (Spend a Buck), graded-stakes winner Mountain Affair and graded-stakes placed Hell Cat (Tabasco Cat). Her final foal is a yearling Hold That Tiger filly. She was owned by Atlanta-based Long Grove Bloodstock LLC President Steven Sansone and was buried at Indian Creek Farm in Paris, Kentucky. "I had her for just over two years," Sansone said. "She was very successful on the track and as a [broodmare]. Mike Evans and his staff at Indian Creek handled her with great respect. She will be missed."

Steward Makes Declaration in Intercontinental Case:

Gina Powell, a former California associate steward, testified Wednesday that Sam Templeton, the director of Del Mar security, stated that he did provide information to the board of stewards, California Horse Racing Board investigators and CHRB Executive Director Ingrid Fermin regarding the late Lasix shot received by Intercontinental (GB) before the running of the GII Palomar H. at Del Mar last September, and that the information was forwarded well before the running of the race, according to *The Blood-Horse*. The Lasix shot was administered 40 minutes late, but Fermin has maintained that neither she nor the stewards knew about the problem prior to the race. In her declaration however, given to Los Angeles attorney Ronald Caswell under penalty of perjury, Powell said, "Templeton told me [shortly after 12:20 p.m.] he had forwarded all materials and information to the front-side offices, specifically to the Board of Stewards, CHRB investigators and Fermin, for them to review and scratch the horse." Powell added that she had radioed Fermin to discuss the infraction, but that Fermin never responded. Intercontinental won the Palomar, but when the infraction came to light, the owners of at least two of the other runners in the field requested a redistribution of purse money. Scott Chaney is investigating the case for the CHRB and is expected to deliver his recommendations to the board Mar. 22.

IRISH WIN THE WAR St Patrick's Day proved one to remember when the 15-2 chance **War of Attrition (Ire)** (Presenting {GB}) captured the G1 Totesport Cheltenham Gold Cup for airline Ryanair's owner Michael O'Leary. Ridden by Conor O'Dwyer, the seven-year-old led home an historic Irish one-two-three when beating last year's Grand National winner **Hedgehunter (Ire)** (Montelimar) by 2 1/2 lengths, justifying the decision of his owner and trainer Mouse Morris to sidestep Thursday's Ryanair Chase. Kept wide throughout, he led on the home turn and was always holding the game runner-up on the rise to the line. "He's an easy ride," O'Dwyer said. "He loves racing and loves jumping and he traveled well--I got a great run very wide and everywhere I wanted to go, he could go. Fair play to Michael O'Leary and Mouse Morris, they made the right decision to come here and it's paid off." There was less cheer for another Irish invader when the 4-1 favorite **Beef or Salmon (Ire)** (Cajetano) trailed in 11th. Earlier, the former Jeremy Noseda-trainee **Detroit City** (Kingmambo), a solid performer on the flat, captured the G1 JCB Triumph Hurdle for his new owner Terry Warner and trainer Philip Hobbs, and Gay Smith's **Black Jack Ketchum (Ire)** (Oscar {Ire}) maintained his unbeaten record in the G2 Brit Insurance Novices' Hurdle for trainer Jonjo O'Neill and rider Tony McCoy. McCoy lost out to Ruby Walsh as leading rider at the festival.
