OBS MARCHES IN

The Ocala Breeders' Sales Company begins its March Selected Sale of Two-Year-Olds in Training this morning at the OBS complex in Ocala, Florida, with the first of two sessions getting underway at 11:00 a.m. Some

Lucas Marquardt

535 juveniles have been cataloged for the event, about 100 fewer than in 2005. The March Sale has gained momentum in recent years, spurred on by the success of horses that have passed through the ring here. The 2004 renewal produced Eclipse Award-winning

sprinter Lost in the Fog, and no fewer than 11 stakes winners have come out of last year's sale. The most notable of that lot is Cause to Believe, a son of Maria's Mon that Becky Thomas's Sequel Bloodstock sold to trainer Jerry Hollendorfer for just \$30,000. With five stakes wins to his credit, Cause to Believe is one of California's leading Triple Crown hopefuls. Noting the improving quality of horse being offered, OBS officials are quick to credit the consignors for the sale's good fortunes. "It's the consignors we have to be thankful for," said OBS Director of Sales Tom Ventura. "They're very comfortable now selling any level of horse with us in March. They're not concerned about selling an upper-end horse here and the money not being here, because it is. Some of the bigger consignors, Leprechaun and [Niall] Brennan and Wavertree, have brought a better group than they have in the past to this sale." That, according to Ventura, could equate to a prosperous 2006 event. "When we're able to catalog horses by A.P. Indy and Danzig and Distorted Humor--very popular bloodlines--along with the athletic horses that buyers have become accustomed to getting here, it looks to me like it will add up to a good sale," Ventura commented. "We'll see [today] and Wednesday if that bears out." **Hip Happenings, p4-5**

A TOUGH ACT TO FOLLOW AT ADENA

Last year's Adena Springs Two-Year-Olds in Training Sale saw the average rise 118 percent to a record \$85,130, the median soar 122 percent to a record \$60,000 and the sales topper, a colt by Golden Missile, bring a record \$500,000. The sixth renewal of the event, held last night at Adena Springs South in Williston, Florida, did not realize quite such lofty figures, but the Adena connections were satisfied with the results nonetheless. "It's tough to keep improving once you reach a certain level," said Adena South farm manager Mark Roberts. "But the sale was good, the buyback rate was down from last year and overall we were pleased." He added, "The market has been very selective and you seem to be at a disadvantage by not breeding. But there seems to be plenty of money for good horses. The group of buyers here is getting stronger because the sire power is getting stronger every year and the sale is becoming more popular. It's great to have guys like Mike Ryan and John Kimmel and Mike Machowsky patronize our sale." The sales topper could have been [hip 52](#), a son of El Prado (Ire) out of a half-sister to MGISW Free House, but Adena Springs owner Frank Stronach bought the gray back for \$675,000. He indicated that the reserve had been set at \$750,000, and that he was later approached by two parties interested in a partnership. If he sells a share in the colt, however, Stronach will retain the stallion rights. The Austrian businessman would have liked to see bigger prices for his two-year-old offering, but he was philosophical. "It's the old saying--when you sell you expect more, and when you're buying you think you paid too much," Stronach said. "But we came here to sell; we sold [62.5] percent of the horses, which is better than the national average." **Adena Sale cont. p2-3**

Still Laughing...

The star of the Barretts March Sale six days ago, boasting both the top colt and the top filly, Distorted Humor was a hot prospect once again at Adena

Distorted Humor *winstarfarm.com*

Springs. The highest-priced two-year-old on the evening was hip 54, a daughter of the WinStar stallion out of SP Kris Is It (Kris S.). She was purchased for \$400,000 by bloodstock agent Mike Ryan, who also bought the Adena sales top-per last year. "They come in all shapes and sizes, but

they run," Ryan said of the Distorted Humor progeny. "It doesn't matter what sort of mare they're out of, they run." A May foal, yesterday's topper is a half-sister to SP Wise Investor (Belong to Me), from the family of Japanese stakes winner Select Green (Capote) and SW and GSP Outrigger (Gulch). "I thought she was the best Distorted Humor filly I'd ever seen, or one of the best," Ryan said. "I liked her size, and she had a great chest and was very correct. She has plenty of natural speed, but being out of a Kris S. mare, there's no reason to think she won't go two turns."

Singing The Blues...

Mike Ryan warmed up for his sales-topping effort early in the night, going to \$280,000 for hip 11, a bay filly by El Prado (Ire) out of MSW and GSP Blue Begonia (Seeking the Gold). Named Blue Carnation, the Florida-bred is from the family of graded winners Morning Frolic, Biding Time and Be Cool. She was purchased for the same anonymous client as the marquis Distorted Humor filly. "She showed plenty of speed during the breeze," said Ryan. "She had a very nice pedigree and great presence. The way she is bred, she looks like she'll want to go two turns."

The Midas Touch...

Mike Ryan also picked up the top-selling colt yesterday, going to \$330,000 for hip 104, a son of Touch Gold out of SP Tina Dynamite (Dynaformer). Ryan was acting as agent for a different client than the one who purchased the fillies, but would not identify the buyer, saying only, "He's a guy I buy yearlings for every year." The Irish horseman was making only his second trip to the Adena sale, but he is sure to be active at the venue in the future. "I'm glad I came here and educated myself last year," he said. "I worked the sale pretty hard [Sunday and Monday] and I think the horses I bought could be any kind. They look like mile-and-an-eighth or mile-and-a-quarter horses."

Awesome, Mon...

Hip 92, a son of Awesome Again out of Reggae Queen (Dynaformer), will be carrying the colors of Centennial Farms after realizing a final bid of \$300,000 last night. Centennial President Don Little Jr. signed the ticket for the bay, named Dancing Preacher. The colt's second dam is SW Valid Victress (Valid Appeal), who produced champion and GI Breeders' Cup F/M Turf winner Perfect Sting (Red Ransom). "He had a beautiful walk from the side and was just a real solid colt," Little said. "He'll go to the farm in Virginia and finish his training there. When he's ready to go, he'll let us know." Praising the Adena juveniles, Little added, "What's nice is that they haven't done a lot of the early breezing, and they fit into our program."

Lucas Marquardt

produced by a daughter of European champion Kooyonga (Ire) (Persian Bold {Ire}) and brought \$32,000 as a KEESEP yearling. He drilled an eighth in :10 2/5 at the Mar. 10 show and was sent out for a brisk gallop a week later. "He's a big, strong horse," said consignor Paul Sharp. Hip 28, f, **Songandaprayer**--Froze, by It's Freezing
Consigned by Eisaman Equine

The first of two Songandaprayer's hailing from Barry Eisaman's consignment, hip 28 blazed through an eighth in :10 at the Mar. 10 show, the co-fastest at the distance. The Mar. 5 foal is out of Froze, who twice placed at the graded level while earning over \$150,000. Hip 28 was a \$40,000 KEESEP yearling purchase. [\(video\)](#)

Hip 29, c, **Indian Charlie**--Fun Bound, by Boundary
Consigned by Wesfield Sales (Robert & Saronda Smith), Agent III

Purchased as a weanling for \$20,000, he is from the family of recent John Battaglia Memorial S. winner Laity (Pulpit). His dam is a half to three stakes winners, as well as to the Phone Trick mare Bridge to Cross, herself the dam of last week's top-selling filly at Barretts, a Distorted Humor juvenile that sold to Zayat Stables for \$700,000. He sped through an eighth in :10 1/5 at the Mar. 10 preview. [\(video\)](#)

What They're Saying At The Sales...

Bloodstock Agent Mike Ryan on buying at Adena:

"They've bred so many champions--so many good horses have come from this program. It's proven ground. They put so much into it, it's not guesswork. There's so much upside to these horses; they're not overused by any stretch of the imagination."

Hip 42, f, Oriente--Gold in My Stars, by Forty Niner
Consigned by CloverLeaf Farms II & Brent Fernung, agent

Produced by an unraced three-parts sister to Canadian champion Comet Shine (Fappiano), this Apr. 2 foal made \$52,000 as a KEESEP yearling. She hails from the first crop of Oriente, by Mt. Livermore, who was named champion sprinter in 2003 after annexing the GI Breeders' Cup Sprint. Hip 42 breezed in :10 3/5 at the Mar. 17 under-tack show. ([video](#))

Hip 54, c, Oriente--Hollow Miss, by With Approval
Consigned by Tony Bowling & Bobby Dodd, agent

Lucas Marquardt

This handsome grey has already done well in the sales ring, bringing \$85,000 as a KEENOV weanling and \$270,000 as a KEESEP graduate. His yearling price reflects the accomplishments of his half brother He's Got Grit (Songandaprayer), the speedy, unbeaten winner of last year's Gill Sapling S. "He's got a beautiful top line and a real big heart girth," consignor Tony Bowling said of the most expensive pinhook in the sale. "He's also got a nice, long stride; real powerful." ([video](#))

Hip 181, c, Officer--Ocean View, by Gone West
Consigned by Nick de Meric, Agent X

Appropriately out of a mare named Ocean View, the British-bred hip 181 crossed the Atlantic after being purchased for £40,000 out of Tattersalls' November Foal sale in 2004. He RNA'd for \$120,000 when offered at last year's Keeneland September sale, and enters the sales ring for the third time with a :21 4/5 work to his credit (Mar. 10). "He's an excellent mover," commented consignor Nick de Meric. "He's a very balanced, athletic colt. He's looks precocious, but also looks like he'll train on." ([video](#))

Hip 205, c, A.P. Indy--Poolesta (Ire), by Hero's Honor
Consigned by W.D. North, Agent II

Hip 205 isn't just the lone A.P. Indy at OBS March, he's the first juvenile by the leading sire to be offered at a two-year-old sale this year. Out of European champion Poolesta, he stopped the timer in :22 flat when breezing a quarter mile Mar. 10. ([video](#))

Choctaw Nation (Louis Quatorze) turned in his final major work before Saturday's G1 Dubai World Cup yesterday at Nad al Sheba. Choctaw Nation was third in last year's World Cup. Mullins also sent out **Captain Squire** (Flying Chevron) for a scorching half-mile breeze of "45 and change," according to the conditioner. The seven-year-old gelding was prepping for Saturday's G1 Dubai Golden Shaheen. He was third in the 2003 renewal of that race.

Also Working at Nad al Sheba Yesterday...

Super Frolic (Pine Bluff) worked five furlongs. No official time was available, but exercise rider Jesse Marquez was pleased with the move. "He worked really well," Marquez said. "And he seemed to handle the track well." Fourth in last year's GI Breeders' Cup Classic, Super Frolic is coming off an eighth-place effort in the Feb. 4 GI Donn H.

G1 Dubai Duty Free hopeful **The Tin Man** (Alleged) worked 1200 meters at Nad al Sheba yesterday in 1:13.85. "He seemed to get over it pretty good," exercise rider Crystal Brown said after the drill. "He had to go way on the outside with the dogs up and he looked around a little, but he seemed to do it pretty well."

Jet West (Western Fame) worked a half mile yesterday in :46.50. "He looked just like he did at Santa Anita," commented trainer Ted West. "He looked like he was moving good and taking to the track well." Winner of the California Cup Sprint H. last November and most recently fourth in the Feb. 18 GII San Carlos H., Jet West is entered in Saturday's G1 Dubai Golden Shaheen.

Trainer Doug O'Neill sent out G1 Dubai Duty Free hopeful **Whilly (Ire)** (Sri Pekan) and Golden Shaheen entrant **Thor's Echo** (Swiss Yodeler) to work yesterday. Last year's Duty Free runner-up, Whilly went six furlongs in 1:13.79 over the main track. Thor's Echo went five furlongs in a bullet :59.40.

South African trainer Mike de Kock sent out a gaggle of World Cup card runners to work yesterday over the Nad al Sheba turf. Duty Free contender **Irridescence (SAf)** (Caesour) went 1000 meters in 1:00.13 with jockey Weichong Marwing in the irons. Fellow Duty Free entrant **Tyson (SAf)** (Silvino) went 1000 meters in 1:01.27. G2 Godolphin Mile hopeful **Lundy's Liability (Brz)** (Candy Stripes) clocked :22.2 for the final 400 meters of his workout. Sheema Classic hopeful **Falstaff (Ire)** (Montjeu {Ire}) clocked his final 400 meters in :22.7, with fellow Classic entrant **Oracle West (SAf)** (Western Winter) covering his final 400 meters in :23.8.

Cordero Enjoying Dubai Experience...

Retired Hall of Fame jockey Angel Cordero, the regular exercise rider for World Cup hopeful **Magna Graduate** (Honor Grades), thought he would know what to expect on his first trip to Dubai; he had seen Nad al Sheba on the Nintendo game Gallop Racer. But Cordero is even more impressed with the real thing. "It's beautiful here," Cordero said yesterday. "I am very impressed. It's like a dream. I've never seen stuff like this before. The hotels are like palaces and everyone is so helpful. I just hope we win--that would make it even nicer." In addition to the Todd Pletcher-trained Magna Graduate, Cordero has also picked up freelance morning rides on G2 UAE Derby hopeful **Dominguin (Per)** (Domingo) and G1 Dubai Golden Shaheen runner **Gaff** (Maria's Mon).

When the great Danzig died at the start of the year, there weren't many major races missing from the 29-year-old stallion's wide-ranging résumé. The most glaring omission was undoubtedly the Kentucky Derby, the only Triple Crown event to slip through Danzig's net.

When his first-crop sons Stephan's Odyssey and Chief's Crown filled the place and show spots behind Spend a Buck in the 1985 Derby, it seemed only a matter of time before a son of Danzig received the rose garland, but it wasn't to be.

Instead it was left to his son Polish Navy to fill the void, when he sired the 1993 winner Sea Hero, and Danzig's influence also shone through in 2000, when Danzig's daughter Angel Fever was responsible for Fusaichi Pegasus, and in 2003, when Distorted Humor--another out of a Danzig mare--sired Funny Cide. Now there seems to be a growing possibility that Danzig could also make his mark on the 2006 Derby, this time via his son Langfuhr, sire of the very progressive Lawyer Ron.

Langfuhr did well in the Derby two years ago, when his son Imperialism chased home Smarty Jones and Lion Heart, having warmed up with victories in the San Vicente and San Rafael, plus a third-place finish in the Santa Anita Derby. Lawyer Ron's qualifications are at least as impressive as Imperialism's and he has surely added to his appeal by proving in the GIII Rebel S. that he doesn't need to go off in front to produce his best form. He has now followed Smarty Jones's example of winning the Southwest S. and Rebel S. and will next try to emulate the 2004 Derby hero in the GII Arkansas Derby.

The question is whether Lawyer Ron will have enough gas left in the tank by the time he lines up at Churchill Downs, when--all being well--he will be racing for the 15th time.

Pedigree Insights cont.

Such a heavy campaign isn't unprecedented among recent Derby winners, as Charismatic was racing for the 15th time--and eighth time as a three-year-old--when he sprang his surprise in 1999. Real Quiet and Sea Hero had been kept busy, too, the Derby being their 13th and 11th starts, respectively, but such an aggressive approach is pretty unconventional nowadays, as Giacomo and War Emblem were racing for the eighth time; Smarty Jones, Funny Cide, Monarchos and Silver Charm for the seventh; and Fusaichi Pegasus and Grindstone for the sixth.

On the plus side, Lawyer Ron's races this year have been quite well spaced and he has some pretty tough individuals among his immediate ancestors, including Langfuhr. In competing 11 times as a three-year-old and 23 times in all, Langfuhr showed that he had inherited an ample measure of the durability displayed by three of his four grandparents.

Northern Dancer was born as late as May 27, but that didn't stop him racing nine times as a juvenile and his victory in the Kentucky Derby came on his 15th start--16th if you include an exhibition race in Florida. Those starts were packed into a 10-month period, so Northern Dancer was as tough as he was talented.

Danzig's dam Pas de Nom raced 42 times over four seasons, whereas Langfuhr's broodmare sire, Briartic, raced at least 13 times in each of his first four years on the track, ultimately retiring as a veteran of 63 races. We shouldn't forget either that Langfuhr is inbred 3x3 to Nearctic, who packed 47 starts into four years of action.

In view of this background, is it any surprise that many of Langfuhr's progeny are admirably tough? His principal earners, Wando and Mobil, raced 23 times and 29 times respectively, with both winning over the Kentucky Derby distance.

Those two came from Langfuhr's second crop, and their two-year-old exploits contributed to some excellent figures in 2002, when Langfuhr's first-crop daughter Imperial Gesture completed a Grade I double in the Beldame S. and Gazelle H.

The promise of these first two crops was sufficient to produce a surge in Langfuhr's popularity. He covered 144 mares at Vinery in 2003, for 105 live foals, and his continued success resulted in a book of 141 mares, for 115 live foals, in 2004, when he stood at an increased fee of \$25,000 in his first season at Lane's End Farm. Although demand for his services fell quite steeply when his fee was raised to \$30,000 in 2005, there is every reason to think that Langfuhr is heading for a profitable few years, with his crops of 2004 and 2005 being his largest so far.

Lawyer Ron's emergence from his sire's fifth crop maintains Langfuhr's record of having sired at least one graded winner per crop.

These graded winners are out of a wide variety of mares. Imperial Gesture was foaled when her dam was a veteran of 24, while Imperialism is out of a mare who once changed hands for \$4,500, and the GIII winner Jambalaya is out of a mare sold for the equivalent of \$5,363 in 2003.

Lawyer Ron is also out of a mare, Donation, who struggled to find a buyer. She was bought back by the late James T. Hines Jr for only \$1,000 at Fasig-Tipton's 2003 December mixed sale, and was then sold privately. She visited Hines' stallion Elhayq in 2004.

Donation is by Lord Avie, a champion two-year-old who probably never quite succeeded in shaking off the stigma of being a son of the minor winner Lord Gaylord. Even so, Lord Avie, who just about stayed 1 ¼ miles, sired some very good winners, with much of his success coming through his daughters. Among them were the Grade I or Grade II winners Magical Maiden, Ode, Fly For Avie, Metamorphose, Witchful Thinking, Feasibility Study, Avie's Fancy and Avie's Gal.

LAWYER RON, c, 2003

Langfuhr	Danzig	Northern Dancer	Nearctic
		Pas de Nom	Natalma Admirals Voyage Petitioner (GB)
	Sweet Briar Too	Briartic	Nearctic
		Prima Babu Gum	Sweet Lady Briar Gummo Princess Babu
Donation 4-0-1-1, \$8,155 3Fls, 1MGSW	Lord Avie	Lord Gaylord	Sir Gaylord Miss Glamour Gal
		Avie	*Gallant Man Evilone
	Reddy Change SP, 57-8-3-8, \$86,759 4Fls, 3wnrs	Mr. Redoy	*Grey Dawn II Near Gold
		Coin Changer 11Fls, 1SP	Rambunctious Little Mortgage

In view of this lengthy list of talented distaffers, it isn't surprising that Lord Avie is occasionally making his mark as a broodmare sire, with such as Miss Houdini, Our New Recruit, St Averil and Lawyer Ron among his daughters' best efforts. The interesting one here is Miss Houdini, as this winner of the Del Mar Debutante was also sired by a son of Danzig, Belong to Me.

Although Lawyer Ron's first three dams are by none-too-fashionable stallions in Lord Avie, Mr Redoy (a Grade I winner over 1 ¼ miles) and Rambunctious, his female line traces to Obedient, a half-sister by Mahmoud to Missy Baba. This famous mare is ancestress of A.P. Indy, Summer Squall and Lemon Drop Kid, so Triple Crown success is nothing new for this female line.

Strong Contender Ready for Lane's End...

Strong Contender (Maria's Mon), impressive winner of a Feb. 22 Gulfstream allowance, is expected to ship into Turfway Park on Thursday in advance of his stakes debut in Saturday's GII Lane's End S. "He galloped 1 1/2 miles [Monday] morning, and he has completed all of his gate work and his schooling down there in Florida," explained trainer John Ward. "He will ship up Wednesday afternoon and arrive sometime on Thursday. That will be the last anyone sees of him until race day." Edgar Prado will have the mount.

Strong Contender Equi-Photo

In other Lane's End news, trainer Frank Brothers is still deciding between the Grade II event or the same day's Rushway S. for John Battaglia Memorial S. winner **Laity** (Pulpit). "The horse is training well," Brothers said. "But we likely won't make our decision between the Rushway and the Lane's End until Thursday morning." After an 11 3/4-length victory in the Miller Lite Cradle S. last September, Laity was well beaten in the GI Breeders' Futurity and GIII Iroquois S., but returned this term to take the Mar. 4 Battaglia Memorial S. by a half length. "The horse ran two bad races at the end of his two-year-old campaign, so we stopped on him, brought him back as a castrated horse and he ran a good race," Brothers explained. "I think he will fit well in either spot." Corey Lanarie will ride.

Florida Derby Hopefuls Work...

Lael Stable's undefeated **Barbaro** (Dynaformer), the likely favorite for the Apr. 1 GI Florida Derby, worked five furlongs in 1:01 3/5 at Palm Meadows Monday morning. Also prepping for the \$1-million event yesterday, **Flashy Bull** (Holy Bull) went five-eighths in 1:01 at Palm Meadows. The colt was elevated to second in his latest, the Mar. 4 GII Fountain of Youth S. "He worked perfect...and he galloped out great," said Neal McLaughlin, the brother and assistant to trainer Kieran McLaughlin.
