**NINE PANELS A STRETCH FOR SHARP HUMOR?**

**Sharp Humor** (Distorted Humor) has been impossible to beat going seven furlongs and a mile, but can he carry his speed over a mile and an eighth? The bay colt makes his two-turn debut in the GI Florida Derby at Gulfstream Park this afternoon. The New York-bred ended his juvenile season with consecutive victories in the Sept. 25 Bertram F. Bongard S. and Oct. 22 Sleepy Hollow S. at Belmont, then made it three in a row in the Mar. 4 GII Swale S. He is in tough in his first try at a route, but trainer Dale Romans is confident he is up to the task. "The pedigree says he should handle the distance, and he trains like it, too," Romans told *Daily Racing Form*. He will face a quartet of colts that have already succeeded at the Florida Derby distance. **Sunriver** (Saint Ballado) comes off a half-length score over **High Blues** (High Yield) in an entry-level allowance over track and trip Mar. 4. **Hesanoldsalt** (Broad Brush) beat that pair when breaking his maiden at nine panels in Hallandale Jan. 15, but showed little in his last two and adds blinkers after running seventh in the Mar. 18 GIII Gotham S. **Saint Augustus** (Saint Ballado) went gate to wire in a nine-furlong allowance test Feb. 26, besting **Doc Cheney** (Saint Ballado) by 3 1/2 lengths. But the one they all have to beat is undefeated **Barbaro** (Dynaformer), who made it four-for-four over a sloppy Gulfstream strip in the Feb. 4 GIII Holy Bull S. "He's the best horse in the race, and I don't think I should be worried," said his jockey, Edgar Prado. "He's training super, he's doing great...we just have to find out if he handles the fast track, and I think he will."

**JUMPING ON THE BANDINI WAGON**

An impressive 3 3/4-length winner in his first start after nearly 10 months on the shelf, **Bandini** (Fusaichi Pegasus) takes on seven rivals in the GIII Skip Away H. at Gulfstream today. The four-year-old was all the rage in Florida last year after scoring twice and running second by less than a length in the GII Fountain of Youth S. He followed up with a six-length romp in the GI Blue Grass S., but faltered when beating just one in the GI Kentucky Derby and was subsequently sidelined by a chip in his right front ankle. The dark bay pleased his connections in his return, getting the mile in 1:34 flat. "I thought having him run a mile as well as he did the first time was tremendous and he looks and is doing great," trainer Todd Pletcher told *DRF*.

Cup winner **Electrocutonist** (Red Ransom) will run in the June 21 G1 Prince of Wales' S. at Royal Ascot. In a statement on [www.godolphin.com](http://www.godolphin.com), the organization announced that the five-year-old will be back on turf for the 10-furlong test, but delayed a decision on the target of G2 UAE Derby winner **Discreet Cat** (Forestry). "Dis-

creet Cat's plans will be confirmed in due course," read the statement. "They have been tack-walking at their Al Quoz base in Dubai and in the course of the next month will be shipped to Europe and America, respectively, for their exciting summer campaigns."

FLORIDA DERBY-GI, \$1,000,000, 3yo, 1 1/8m

PP	HORSE	SIRE	ODDS
1	Hesanoldsalt	Broad Brush	20-1

Looked like a serious Derby contender after his first three starts, but his next was weak and his last two were terrible. He's going backward at a time when the good ones are moving forward.

2	Flashy Bull	Holy Bull	4-1
---	-------------	-----------	-----

Had a solid juvenile campaign, ending with a new top in the Remsen that gave him a good jumping off point. He was wide on the first turn in the Fountain of Youth and, once we adjusted for the ground loss, he earned a new top. McLaughlin's horses have been running well, and this one has tactical speed and a great draw. A repeat of his last is likely and, with another forward move possible, he's a strong contender.

3	Saint Augustus	Saint Ballado	12-1
---	----------------	---------------	------

Ran almost as well as Flashy Bull in his last, and a pair-up would put him right in this. But he has a very raggedy pattern, and the previous big effort at Calder set him back badly. A bounce is likely.

4	Doc Cheney	Saint Ballado	12-1
---	------------	---------------	------

Has gradually improved, and ran a slight new top in his last, his first try at a route. This colt is a couple of points (about four lengths) slower than several others going in, but his pattern is okay for a new top, and he's got a shot for a piece of this at a price.

5	Sunriver	Saint Ballado	6-1
---	----------	---------------	-----

Is the second Pletcher runner in this coming off a big effort, and in this case his wide trip last time earned him the best figure anyone in here has ever run. But that was a big jump, and it may have taken something out of him.

6	Rehoboth	Wagon Limit	20-1
---	----------	-------------	------

Is full to the very good Silver Wagon, and he's gradually developed to earn good figures in his last two. His last was a close fifth in the Fountain of Youth, and that puts him in range of the main players here on ability, with a decent shot at further improvement right away. A contender at a big price.

7	Sharp Humor	Distorted Humor	5-1
---	-------------	-----------------	-----

Earned a strong figure in his seasonal debut, but that was a big new top. Since he bounced following a big effort first out last year, there's a pretty good chance he'll do the same now, and ability to get the distance is also a major question mark.

8	High Blues	High Yield	10-1
---	------------	------------	------

Comes out of the Sunriver race, but wasn't nearly as wide, and didn't earn as big a figure. He's also off two consecutive new tops, which makes another immediate forward move unlikely, and a repeat from his post would only make him a borderline contender.

9	Charming Image	Halo's Image	20-1
---	----------------	--------------	------

Has never run nearly fast enough to contend.

10	Barbaro	Dynaformer	8-5
----	---------	------------	-----

Ran a slight new top in his dirt debut, but that figure only makes him co-fifth fastest going in, albeit a close fifth. This horse could be ready to run a new top, but he'll need one just to contend. Outside posts have been death going two turns at Gulfstream. Vulnerable favorite could run out of the money.

11	Sam's Ace	In Excess (Ire)	20-1
----	-----------	-----------------	------

Has a tough pattern to read, but he has a terrible post, and would need significant improvement to make a dent.

**Overview:** Barbaro and Sharp Humor are bet-againsts. Flashy Bull is the most likely winner, with Rehoboth a very live longshot key, especially in exotics. Doc Cheney and Sunriver could be used with those two in exotics.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. **HOLLYWOOD STAKES SCHEDULE RELEASED**

The stakes schedule for the 2006 Hollywood Park Spring/Summer Meet, which had been held up by a dispute between Hollywood Park and the Thoroughbred Owners of California, was released yesterday. The California Horse Racing Board had scheduled a special meeting to resolve the issues Apr. 11, but the two sides were able to reach an agreement late Thursday night. "The principal issues were that we felt the percentage of stakes to overnight races was too high, and that there were certain categories of overnight races that [Hollywood management] wanted to make purse cuts in, and we were not in agreement with that," said TOC President Drew Couto. "There will be purse cuts at certain levels, but we did not want to see cuts at the maiden special weight and allowance levels. It is our concern that the California racing inventory has been decreasing, and we didn't want our partner tracks to do anything to discourage the owners making investments in new inventory. We didn't want those incentives impacted in any way." Couto added, "There was compromise on both sides, so the end result was that neither side got everything they wanted, but that's the way it generally works, in my experience." The Hollywood stakes schedule, worth \$9.475 million, includes 31 graded events. Highlighting the calendar are the July 1 \$750,000 GIII Cashcall Mile (formerly the Royal Heroine); July 2 \$750,000 GI American Oaks Invitational, now sponsored by American Airlines; and the July 8 \$750,000 GI Hollywood Gold Cup. The Hollywood meet runs Apr. 26 to July 16.

**RCI INTEGRITY SERVICES: TAKING THE LEAD**

by Evan Hammonds, courtesy of [www.bloodhorse.com](http://www.bloodhorse.com)

The Racing Commissioners International (RCI) is taking an industry leading position with their subsidiary RCI Integrity Services. The push forward was made during the 72nd annual convention of the RCI that is taking place at the Hyatt Regency Tamaya Resort near Albuquerque, New Mexico. Earlier in the week during a closed session of RCI members only, the RCI passed an unanimous resolution that "commencing in 2007, our commissioners are going to be looking into putting as a condition of licensure of race dates a requirement that the wagering system be independently monitored," according to RCI President Ed Martin. "We need to do this in the same way as we require security on the backstretch. We must require the independent monitoring of the wagering system. If we don't do that, we are not serving the public, or meeting the needs of this industry and everybody whose livelihood depends on it." For the complete story, click [here](#).

Pommes Frites increased her batting average on the grass to .500 with an easy front-running success. Seventh in the GI Test S. Aug. 6 and eighth in a main-track allowance at Saratoga Aug. 24, the dark bay returned to her preferred surface to post a 2 1/2-length victory at Belmont Oct. 21. Fourth as the favorite in the GIII Frances A. Genter S. at Calder Dec. 31, the homebred most recently wired the field in a third-level allowance over 8 1/2 furlongs Feb. 20. The clear speed in a field reduced by scratches to just four, Pommes Frites sped to the lead and fried the competition yet again.

A six-length winner of the restricted Mohawk H. at Belmont Oct. 22, Win With Beck was fifth in the grassy Cormorant S. over the Aqueduct turf Nov. 8 and fifth in the Gander S. for state-breds over the inner Nov. 30. Rested off that effort, the homebred was second to Colita in a Feb. 15 allowance and was the heavy chalk in a short field. Allowed to set dawdling fractions of :51.64 for the half and 1:15.80 for six furlongs, Win With Beck had plenty left for the drive and won handily.

**Jorge Chavez Headed to Jersey:**

Jockey Jorge Chavez, who has been sidelined since breaking his collarbone in a spill at Calder Jan. 2, will be summering at the Jersey Shore. The 44-year-old rider will join the Monmouth Park colony. According to the *Daily Racing Form*, Chavez is scheduled to meet with his doctors in two weeks and hopes to be back in action by the end of April. "If the doctors say I'm okay, I will be on top of horses the next day," Chavez told DRF. "Getting fit will be easy because I've been running and doing other stuff that doesn't involve my arm. It'll take me 10 days and I'll be ready." As to his decision to make Monmouth his home base, he added, "Being out three months, I missed a lot of business. I don't want to come back here and struggle. It's better to go over there and be on top and see what happens."

The bay was off the board in two of his first three starts last term as well, but got back on track with a win in the June 26 Native Dancer S. at Arlington before getting benched. Off the track for 7 1/2 months, the \$67,000 KEESEP yearling returned to be fourth in an optional claimer going six furlongs at Oaklawn Feb. 11. He improved to be third when stretched to two turns Mar. 11 and was the 5-2 second choice to move it up a notch here. Always prominent, Three Hour Nap was in tight on the second turn, but got outside in the stretch and finished well to get up for a 3/4-length score over Spritely Walker (Skywalker). **KHRA Approves Gelding Notification Rule:**

In an effort to provide the betting public with timely information regarding newly gelded racehorses, the Kentucky Horse Racing Authority has launched a campaign to require trainers to report new geldings to the horse identifier and the racing secretary at the track where they are stabled. The Jockey Club would be notified immediately, and the information would be passed on to the bettors. Currently, new gelding information is reported by the track announcer, but the announcement is often missed by the racing fans, particularly those watching from simulcast locations. Kentucky looks to become the first state to provide first-time gelding information with the past performances. In a press release, KHRA Executive Director Jim Gallagher said, "The prompt reporting of this information to the horse identifier and the racing secretary will reduce confusion among the betting public and horsemen, as has been reported."

Margins: 1/2, HD, 3 3/4. Odds: 9-5, 2-1, 7-1.

Toasted hadn't visited the winner's circle since taking the 2004 GII Arlington Classic, but rewarded his backers to post the popular score here. The dark bay was third in the GII American Derby and second in the GII Del Mar Derby at three, but was sidelined for a year after that runner-up effort. He returned to finish fifth in the Sept. 4 GII Del Mar Breeders' Cup H., then disappeared for four more months before running third in the Jan. 1 GII San Gabriel H. Third again in the Feb. 8 Thunder Road H., the five-year-old was coming off a troubled ninth-place showing in the Mar. 4 GI Frank Kilroe Mile H. The crowd's choice to come out on top here, he settled off the pace as longshot Sam Forli (Chi) (Sam M.) set solid splits. Buckland Manor had first run at the pacesetter, taking over as they raced out of the turn, but Toasted enjoyed clear sailing down the lane and got up to earn a narrow decision as Buckland Manor just held off Hendrix for the place.

The \$120,000 KEENOV weanling and \$170,000 KEESEP yearling purchase was allowed an easy time on the front end, opened up on the far turn and stayed on for a 3 1/4-length success as the 3-2 favorite. **Bluesthstandard Changes Hands...Again:**

It wasn't an all-time low, but millionaire and MGSW **Bluesthstandard** (American Standard) was close to his cheapest level when he was claimed for \$12,500 by trainer Mark Glatt after winning the fifth race at Santa Anita Thursday. The nine-year-old, who didn't debut until he was four, competed in the claiming ranks for the better part of his first two seasons, running against \$10,000 company three times. But the bay blossomed at six, winning the GII Potrero Grande Breeders' Cup S. and GIII Texas Mile and finishing second in the GI Breeders' Cup Sprint and third in the GI Ancient Title Breeders' Cup H. The winner of the GII Palos Verdes H. at seven, he was off the board in four of his first five outings at eight. The Georgia-bred found himself in for a \$40,000 tag in his sixth try of 2005, and he has been dropping down the ladder ever since. Thursday's claim was the eighth time Bluesthstandard has changed hands, and the second time that Glatt has dropped a slip for him. The 33-year-old conditioner haltered the gelding for \$10,000 in March of 2002 and lost him to Ted West for \$50,000 that December. Explaining his decision to bring the veteran back to his barn, Glatt said, "It was a combination of sentiment and good business. He's just kind of a neat horse to have. We had a good run with him before and down at his current level, we think he's still pretty competitive. As long as he's OK and shows a willingness to run, we'd like to try and get our investment out of it. After that, we'll treat him like a pensioner so that he can have a good home. He's a good old horse. They don't come around like him very often." To date, Bluesthstandard has won 19 of his 47 starts, earning \$1,041,618.

**LOVE FOR GUINEAS**  
 East Wind Racing Ltd's **I'm In Love** (Zafonic) is being aimed at the May 7 G1 1000 Guineas at Newmarket, trainer Mikael Magnusson revealed yesterday. Last seen breaking her maiden on Lingfield's polytrack in November, she will prep for the mile Classic in the G3 Shadwell Nell Gwyn S. at Newmarket Apr. 18. "She worked at Lingfield on Wednesday under Eddie Ahern and went very nicely," her trainer said. "I have been very pleased with her progress over the winter--she has matured and is much more relaxed this year. She'll go for the Shadwell Nell Gwyn S. and, if she runs well there, we will aim her at the Stan James 1000 Guineas. Being by Zafonic, she will require quick ground to be at her best. I've always regarded her very highly and she is an exciting filly to look forward to this year."

**GOFFS EXPAND MILLION CONCEPT**

Goffs have boosted their new sales race initiative by announcing that graduates of the 2006 Million auction will contest one of two £1-million contests at The Curragh the following September. This year will see the inaugural running at that track of the Goffs Million for juvenile colts and fillies alongside the Fillies' Five Hundred, worth the equivalent in euros. However, Chairman Eimear Mulhern announced at a reception in Dublin that from 2007 there will be two races, with one restricted to colts and the other to fillies alone, boasting a combined purse of £3.2-million. "Last year was an unprecedented year for Goffs and we thank and salute our vendors for the support offered to the inaugural Million sale," Mulhern commented. "We look forward to building on this support as we develop the concept in the years ahead." This year's Goffs Million Sale will take place Sept. 26-28.

He stands at Taylor Made Farm in Nicholasville, Kentucky for a fee of \$15,000 under the joint venture arrangement with WinStar. **CAPPELLIN CONVICTED** John Capellin, the owner of champion racehorse Testa Rossa (Aus), was convicted Friday in the Victorian County Court on two counts of conspiring to cheat and defraud Victoria University between 1996 and 2001. Judge Phillip Coish sentenced Capellin to serve 18 months in jail. Capellin, 54, owned a building company that was involved in fraudulent invoicing of the university for maintenance work which, in some cases, was never done. Capellin originally faced 648 charges, but all but two of them were withdrawn in February. He was among 20 people charged. Capellin, formerly of West Preston, had invoiced the university for \$4.9-million, deriving \$1.5-million for himself, the court heard.

**ALBERT HALL GETS CHANCE TO SHINE**

**Albert Hall (GB)** (Danehill), winner of the G2 Beresford S. in 2004 and subsequently runner-up to Motivator (GB) in the G1 Racing Post Trophy, makes his South African Group 1 debut in today's Horse Chestnut S. at Turffontein. Purchased as a foal for 510,000 guineas at the 2002 Tattersalls December sale, the son of Al Theraab (Roberto) shined at two for Aidan O'Brien and Mrs. John Magnier, winning the Beresford as a maiden before his Doncaster effort. He failed to carry over that form to his sophomore season, finishing fifth to Motivator in the G2 Dante S. and fifth to Dubawi (Ire) in the G1 Irish 2000 Guineas. Sold to race in South Africa, the bay is perfect in two starts, taking an 1800-meter event at this track Dec. 24 before defeating three overmatched rivals by eight lengths at Newmarket Feb. 6. He will have to be at his best in this R600,000 (\$97,879) test, which has attracted top female runners **Ilha Da Vitoria (Brz)** (Candy Stripes), runner-up in the G1 J&B Met H. in January; **Fair Maiden (SAf)** (Western Winter); and recent Group 2 winner **Overarching** (Arch). Those three are in receipt of six pounds in the weight-for-age event over 1600 meters.
