"BRO" DEREK IS A PERFECT 10

He's hard to fault. **Brother Derek** (Benchmark) remained unbeaten on the year, powering to a 3 1/4-length victory in the GI Santa Anita Derby yesterday afternoon. Off at 1-2, the headstrong bay carried jockey Alex Solis to the lead as they reeled off a half in :47.59 and six panels in 1:11.21. **A.P. Warrior** (A.P. Indy) tried to go after the leader as they hit the three-eighths pole, but Brother Derek was always in control, widening to the wire under his

nearly motionless rider. "This horse is a monster," Solis said. "He's just incredible. He keeps impressing me more and more each race he runs. Now we've just got to keep him together." **Santa Anita Derby cont. p2**

SEEK AND YE SHALL FIND

Seeking the Gold had to settle for second in the 1988 edition of the GI Wood Memorial S., but the Claiborne Farm stallion was in the spotlight at Aqueduct yesterday as his three-year-old **Bob and John** (Seeking the Gold) held off the final surge of his late-running son **Jazil** (Seeking the Gold) to take New York's Kentucky Derby prep by 1 1/2 lengths. Bob and John came home six lengths in front in his stakes debut, the Nov. 26 Real Quiet S. at Hollywood, but was disqualified in a controversial decision and placed third. He came back to be third in the GI Hollywood Futurity, then followed a Jan. 20 allowance score with a decisive victory in the Feb. 4 Gill Sham S. Uncharacteristically far back after getting bumped at the break in the Mar. 18 Gill San Felipe S., the dark bay also endured a wide trip and filled the show spot once again. But trainer Bob Baffert was confident his charge could rebound here. "When you have a horse that good with that kind of breeding, you know he's going to get better," Baffert said. **Wood Memorial cont. p2**

HOW SWEET IT IS

Can he follow in the hoofsteps of War Emblem? **Sweetnorthern**saint (Sweetsouthern)saint) moved up on the list of Kentucky Derby candidates with a resounding 9 1/4-length triumph in the GI Illinois Derby at Hawthorne yesterday. "He strutted that stuff today," remarked jockey Kent Desormeaux. "With...his tactical speed and the outside post, I became the boss of the field. As we rounded the first turn, he had already pricked his ears, both his antennae were up. He was gathering the horses in front of him, wanting to go after them." Desormeaux believes that the added furlong of the May 6 GI Kentucky Derby is well within his scope. "I think it will hit him right between his eyes," he said. **Illinois Derby cont. p4**

Santa Anita Derby cont.

He Ain't Heavy...

Brother Derek was off at 7-2 when he bested A.P. Warrior by 3/4 of a length in the Gil Norfolk S. in October, but was sent off at 56-1 in the GI Breeders' Cup Juvenile 27 days later. The Cal-bred pressed the pace before tiring to be fourth in the World Thoroughbred Championships, but he has been unbeatable ever since. He capped his 2005 campaign with a victory in the GI Hollywood Futurity and opened 2006 with a win in the Jan. 14 Gil San Rafael S. He made it three in a row in the Mar. 4 Gil Santa Catalina S. and the majority of the 54,189 at Santa Anita yesterday were betting he would keep the streak alive. His connections were also convinced their colt would prevail. "He relaxed real well, and that's all he needed to do to get the mile and an eighth," trainer Dan Hendricks said. "I don't think distance now is any question. We just have to keep doing what he's been doing and crank him up for the first Saturday in May." Hendricks added, "The Derby is what the Derby is, 20 horses, it's THE horse race and we're heading there and we're going to have fun with it." Will Brother Derek try to lead them all the way in the May 6 GI Kentucky Derby? Jockey Alex Solis isn't married to that strategy. "He certainly doesn't have to be on the lead," Solis said. "I mean, today he felt like he was just walking around there. He takes it easy. He's not a crazy horse, speed crazy or anything like that." On to Louisville?

GI Wood Memorial winner Bob and John could have a stablemate in the gate at Churchill. Santa Anita Derby runner-up Point Determined is also likely to go. "I'm assuming so," said Jim Barnes, assistant to trainer Bob Baffert. "We'll see how he comes out of this one and we'll know where we're at." Third-place finisher A.P. Warrior is also possible for the first leg of the Triple Crown. "I'll have to talk to [owner Stan Fulton] and see what he says," trainer John Shirreffs said.

Sent off at 2-1 in his second try against Grade I company, Bob and John shadowed Keyed Entry as they dashed off a half in :46.26 and six panels in 1:11.01.

Those two raced as a team to the eighth pole, but the early fractions took their toll on Keyed Entry, and the Stonerside homebred wrested command in the final yards, then held Jazil at bay to earn his ticket to the "Run for the Roses." The runner-up will also be heading to Churchill. Thwarted three times in Grade I company as a three-year-old, Spun Sugar proved equal to the task yesterday, fighting back along the inside for a game victory over Happy Ticket. Second in her lone start at two, the homebred won her first two outs of 2005 before going on to post a 3 3/4-length victory as the favorite in the GII Black-Eyed Susan S. over a sloppy Pimlico main track May 20. The bay went on to contest all three legs of the Triple Tiara in New York, finishing a neck second to Smuggler in the GI Mother Goose S. June 25, third to that same rival in the GI CCA Oaks July 23 and a distant runner-up to Sweet Symphony in the Aug. 20 GI Alabama S. before going to the shelf. Her lone start of this season resulted in an easy third-level allowance score at Gulfstream Park Mar. 6 and she was sent off the third choice in this sextet. Ridden for speed by jockey Mike Luzzi, Spun Sugar outsprinted the field to the lead and controlled the pace along the inside. Joined and briefly overtaken by Happy Ticket at the eighth pole, the daughter of Awesome Again dug in and would not be denied. Bishop Court Hill set the pace before tiring to finish last in the 10 furlongs of the GI Jockey Club Gold Cup Oct. 1, but improved to be second by 3/4 of a length when dropped back to six panels for an optional claimer at the Big M Oct. 19. The chestnut traveled up to Woodbine and dead-heated for second in the Kennedy Road H. Dec. 10, then led every step to annex the Paumonok H. on Aqueduct's inner track Jan. 28 before setting for second in the GIII Toboggan H. over the same surface Mar. 11. The six-year-old came out running from his rail post, made all the running and held sway over Sir Greeley in the lane. "He's a horse that has always had a great deal of talent, and it has been a little frustrating from time to time," said winning trainer Todd Pletcher. "It was good to see him dig in gamely today and hold on for the win." But there won't be anymore routes for the gelding. "We'll keep him sprinting at six and seven furlongs," Pletcher added. Sweetnorthern could have been claimed for \$40,000 after he hit the wire 16 lengths in front at Laurel Dec. 21, but you might not be able to buy the dark bay for 50 times that amount after his impressive victory at Hawthorne yesterday. The Florida-bred gelding was disqualified and placed fourth for causing interference at the start of that late December effort, but came back to beat maiden special weight company at Aqueduct by 7 3/4 lengths Jan. 7 and added a 10-length tally in the Feb. 4 Miracle Wood S. over a sloppy Laurel strip. A gallant third in the Mar. 18 GIII Gotham S. last time out, he was the heavy favorite to get back to the winner's circle after the trip to the Midwest. Sweetnorthern tracked longshot Mister Triester through moderate splits, took command at the top of the stretch and ran away from his rivals for the easiest of victories. Under stout restraint early in his first U.S. stakes try, Silent Name pulled his way to the front after six furlongs and held Chinese Dragon at bay to the wire. "He was ranker today than the first time I ran him, but it's OK," trainer Gary Mandella said. "As long as he's covered up, he's OK. I'm going to keep him at a mile and probably run him twice, maybe three more times before the Breeders' Cup." The winner's ultimate goal is the GI Breeders' Cup Mile at Churchill Downs Nov. 4. Third in the Oct. 29 GIII Discovery H. at Belmont in his first start for his new conditioner, he was off the board at Santa Anita in his next two outings, but finally got back to the winner's circle with a four-length score in the Feb. 20 GIII All American H. at Golden Gate Fields.  running score in the Feb. 12 GII San Vicente S. The
 Ohio-bred was shipped east again for this test and
 made it three stakes wins in a row. Too Much Bling
 broke sharply, but was reined back to sit third as One
 Way Flight cut out the pace. He forged to the front as
 they raced out of the turn and opened up down the
 lane to win as much the best. "Garrett [Gomez] has
 really gotten this horse to relax," trainer Bob Baffert
 said. "He was just so keen, he would run off, but we're
 just glad he's a fast son of a gun. We'll keep him at
 one-turn races for now." [Click for the **brisnet.com** chart](#)

 Foxysox's career got off to an inauspicious start in
 Great Britain last year, but she has been unbeatable in
 three U.S. efforts. The chestnut collected two thirds in
 five starts in Europe before moving to American shores
 over the winter. She opened her account here with a
 win at 12-1 odds in a one-mile Santa Anita maiden
 Feb. 9, then was 14-1 annexing the China Doll S. at
 Arcadia Mar. 11. Finally earning the respect of the
 crowd, at least enough to leave the stalls at single-digit
 odds, she shadowed the leaders in third, split foes as
 they straightened for home, gained the lead at the
 furlong grounds and dug in gamely to the wire. Favored
 Harriet Lane, riding a three-race winning streak, had to
 settle for second. [Click for the **brisnet.com** chart](#).

Arrowfield Stud's John Messara promised trainer David Hayes that he would be given the best two-year-old in the stable when he returned from a decade-long stint in Hong Kong. Hayes, who has had remarkable success all year long with juveniles, celebrated his greatest moment yesterday when the filly Miss Finland charged home an easy winner of the world's richest race for two-year-olds. A Listed winner at second asking Jan. 28, the bay

nearly overcame a sluggish start and a checking incident in the G1 Blue Diamond S. Feb. 25, finishing second by two lengths. Fourth to Pure Energy in the G2 Reisling S. Mar. 25, Miss Finland was sent off the second choice in a full field. Slow again from the stalls, she saved ground before motoring up the rail in the stretch en route to the easy victory. "This is one of the races all trainers want to win," Hayes commented. "I've run three or four [placegetters] before this and never won it, so to win it today is great." Favored Casino Prince (Aus) (Flying Spur {Aus}) completely missed the break and never factored, finishing third last. The winner is by Arrowfield's standout young sire Redoute's Choice, who also supplied last year's Golden Slipper winner Stratum (Aus).

TDN ☆ Star of the Week ☆

Brought to you by  **FASIG-TIPTON**

JOHN GREATHOUSE

Equi-Photo

This week's accomplishment: Honey Ryder (Lasting Approval), owned by Dan Tayloe and John Greathouse through his family's Glencrest Farm LLC, rallied to her ninth career victory in last Saturday's GIII Orchid H. at Gulfstream Park.

Birthdate: 11/27/1943

Birthplace: Lexington, KY

Current Residence: Lexington, KY

Education: 3.5 years University of Kentucky

Family: Mother, Mary A Greathouse; three brothers, Allen, David & Edward; two sisters, Margaret and Nancy; Wife, Gina; and two sons John and Ben.

What is your biggest accomplishment in racing? Just the ability to stay in the business. It is expensive and unforgiving. The breeding of horses like Wavering Monarch and Pike Place Dancer with my dad and my brothers means a lot.

Favorite musician? Toby Keith and Norah Jones.

What is your favorite vacation spot? Naples, FL.

What is your favorite racetrack and why? Keeneland, period. One way or another, I probably spend 200+ days there a year--buying, selling and racing horses. I do something else most horse owners don't do. I bet on them!

Favorite film? Anything James Bond...I name my fillies after the Bond girls. I love the movies, enough to drive my wife nuts!

If you could have dinner with one historical figure, who would it be, and why? Winston Churchill, General Patton, Sunny Jim, Mr. Phipps (whose breeding I admired immensely), my Dad...now gone...all people that I admired. But I would love to dine one more time with my Dad--what a great guy he was. And as smart as I thought I was then and to see what little I know now and how much he did know.

If you weren't in racing you'd be...Lost! Not smart enough for anything else, but when one has a passion for something, they overcome a lot of faults.

Perfect day? Oh there is a really old joke about this one.... but...Saratoga in the morning, golf with my friends, racing at Keeneland or Saratoga, dinner with friends and family. I like to have fun, but it doesn't have to be extravagant.

If you could change one thing about our sport, what would it be? More respect for the bettor and the horses. Without the bettor, there is no game.

CONGRATULATIONS! from Fasig-Tipton's

Racing To Win likely punched his ticket to the G1 Doncaster H. at Randwick Apr. 17, coming from off the pace to snag odds-on Paratroopers in the final jump. Second in the G2 Royal Sovereign S. at Randwick Feb. 18, the gelding set a new track record in winning the G2 Hobartville S. at this track Mar. 4, but was reportedly a short horse for his latest and came second in the Mar. 25 G2 Phar Lap S. over a slow surface. The win gave jockey Glen Boss a Group-1 double on the program after guiding Eremein (Aus) to victory in the G1 BMW S. one race earlier. Racing To Win was trimmed from \$21 to \$9 for the Doncaster, for which he has been weighted on 51 kilograms (112 pounds).

The winner of the G1 1000 Guineas at Caulfield last October, Mnemosyne had failed to score in three starts since returning from a four-month absence. The bay, fourth in the G2 Light Fingers S. at Randwick Feb. 18, flew home to be runner-up in the G2 Surround S. at Warwick Farm Mar. 11 and closed with a rush to be third in this track's G1 Coolmore Classic S. Mar. 25. Taken back early, Mnemosyne was hooked wide into the straight and produced another scintillating finish to win nicely.

THE GRAND NATIONAL

HIT FOR SIX IN THE NATIONAL Despite the
drama of a false start, this year's Grand National H. at
Aintree proved every bit as memorable as in recent
years as 11-1 chance **Numbersixvalverde (Ire)** (Broken

Numbersixvalverde
www.aintree.co.uk

Hearted) led home an Irish
one-two when beating last
year's winner **Hedgehunter**
(Ire) (Montelimar) by six
lengths. Taking it up at the
last fence, the 10-year-old
was able to hold that rival at
bay and complete a dream
first ride in the famous steeplechase for the 20-year-old
Niall "Slippers" Madden, son
of the renowned Irish jockey
"Boots" Madden. "Dad was

a great jockey in his day and he's been a great influence
on my life and career," the rider said. "It was magic.
Down at the start everyone was wishing each other the
best of luck and it was different to any other race I've
ridden in. You have to be awake and see what's coming
up and I was counting the fences. It was brilliant." For
trainer Martin Brassil, it represented another first as he
saddled last year's Irish National winner to provide him
with his first English version. "Unbelievable," was how
he described the experience. "It was just like watching
a movie out there and Niall gave him a great ride--he's a
fabulous jockey. He believes in the horse and never
panics. The horse is a sensible jumper and never does
anything extravagant, which is what you need for this,
and the rain last night helped." Hedgehunter's trainer
Willie Mullins described himself as "absolutely de-
lighted" with the performance of the highweight. "He
got a great run and I thought up the straight we might
do it, but I'm absolutely delighted," he commented.
"We'll come back next year as he just comes alive
when he gets here. He just loves the place."

Prix d'Harcourt cont.

Racegoers at the Bois de Boulogne this afternoon will be treated to a strong renewal of this contest, which features the return of last year's G1 Epsom Derby runner-up **Walk in the Park**. Limited to just three sophomore outings, the imposing colt's campaign came to an abrupt halt due to a setback after his disappointing eighth in the G1 Irish Derby at The Curragh in late June. He faces stiff opposition from all sides, headed by the ex-German **Manduro**, who boasted the best domestic form at two thanks to his impressive success in the G3 Preis des Winterfavoriten at Cologne. Injury forced him to the sidelines for the Classics last term, but he served notice he was back with a smooth win in the Listed Grosser Bavaria-Preis at Munich in September, before besting Soldier Hollow (GB) in the G3 Preis der Deutschen Einheit at Hoppegarten the following month. Fourth in the G1 Premio Roma on his final start in November, he has subsequently switched to Andre Fabre, who worked the oracle with the owner's Shirocco (Ger) in 2005. **Kendor Dine** has the benefit of match practice, having won the Mar. 8 G3 Prix Exbury at Saint-Cloud in impressive fashion.

Sweet Science, second to Honey Ryder in the Robert G. Dick H. at Delaware last July, was a close fourth in the George Rosenberger Memorial H. Sept. 10 at the same track. She returned from a six-month hiatus to run third in an allowance at Gulfstream Feb. 20 and was favored here. After racing in second through dawdling fractions of :53 4/5, 1:19 4/5 and 1:45 1/5, the bay had plenty of energy left in the stretch, quickening up smartly to win by daylight.

WILCOX RIDGE (h, 5, Gone West--Memories {Ire} {MGSW-US & SW-Ire, \$560,341}, by Don't Forget Me {Ire}), a \$500,000 KEEJUL yearling acquisition, came back from a six-month break to finish seventh in an off-the-turf allowance at Gulfstream won by Einstein (Brz) Feb. 4. He missed by 3/4 of a length as the runner-up on the grass at that track Mar. 2 and was the 8-5 choice to go one better here. After an alert start, the chestnut had his head in front after a half in :48 4/5 and continued to maintain his position to win by a neck despite the persistent effort by Minister's Joy (Deputy Minister). ICE N LEMON (c, 3, **Acceptable--Quite a Rapper**, by **Dixieland Band**), a \$60,000 KEESEP yearling, broke his maiden at Calder last December and had been facing some monsters in his last three. Tried in the Mar. 18 GIII Tampa Bay Derby in his latest, he was last of nine, and was returned to allowance company looking to regroup. KARELIAN (g, 4, Bertrando--Leaning Tower, by Theatrical {Ire}) tried to take it wire the field over this course in his 2005 finale in late October, but tired to fourth. Altering his tactics coming off the bench at Gulfstream Feb. 8, he rallied from well back to win a nine-panel NW1X, and was looking for two straight stepping up a level. Employing a similar strategy, the 6-1 shot sat in seventh through the initial three quarters. Given his head approaching the quarter pole, he came calling with an inside move, hooked All Trumps (Grand Slam) and ground out the 3/4 lengths score. Lifetime Record: 6-3-0-1, \$68,296.

Let go as part of an entry at 12-1 returning here, she jumped out to an early lead and slowed things down through :23 3/5 and :48 4/5 fractions. Left with something in the tank, the bay shook loose of the pressing favorite Sugar Shake (Awesome Again) at the quarter pole and hit the wire 2 1/2 lengths clear of Peig Sayers (Fusaichi Pegasus). Sugar Shake held for third. The winner is a half to Dixieland Diamond (Dixieland Band), MSW, \$297,745; and Sky Diamond (Sky Classic), GSP, \$382,020. Lifetime Record: 2-1-0-0, \$26,692.

Returning just over a year later at 8-1 odds, the \$210,000 OBSMAR juvenile was never far back and kicked away gamely when asked in mid-stretch, winning by 3 1/2 lengths. Four Breeze for Arky Derby:

The top four placegetters from the GIII Rebel S. put in their final works ahead of next weekend's \$1-million GII Arkansas Derby at Oaklawn Park. Trainer Bob Holthus will be represented by a pair in the race, headed by favored **Lawyer Ron** (Langfuhr), who breezed a bullet five-eighths in :59 flat. Clockers caught the chestnut in :23 4/5 for the opening quarter mile and :35 4/5 for three furlongs. Lawyer Ron reportedly galloped out three-quarters in 1:10 4/5, seven-eighths in 1:23 4/5 and a mile in 1:38 "with the outrider hanging on," according to the conditioner. "No question, this was Lawyer Ron's best work ever," Holthus added. "Yes, we worked fast, but he wasn't driving or ripping." Stablemate **Red Raymond** (Deputy Commander), second in the Rebel, had an eventful five-furlong move. A pair of horses broke off just in front as they approached the pole, giving Red Raymond a target, and he worked aggressively, covering the distance in 1:00 4/5 after being forced three wide into the lane. **Steppenwolf** (Aptitude), who appeared to struggle with a greasy track in the Rebel and was third, also went five panels, stopping the timer in 1:00 3/5 with a final quarter mile in :23. Trainer Dan Peitz had the colt out in 1:13 2/5 for three-quarters. Another son of Aptitude, **Well Said**, covered his five furlongs in 1:03 3/5 with jockey Joe Johnson in the irons for trainer Walter Bindner.

The Green Monkey Bedded Down in Louisville:

The Green Monkey (Forestry), the world record-breaking \$16-million Fasig-Tipton Calder two-year-old, arrived at Churchill Downs Friday. Todd Pletcher, who trains the colt for owners Michael Tabor, John Magnier and Derrick Smith, said the bay has been taking it easy since going through the ring in Miami. "We don't really have a schedule," Pletcher said. "We just got him in and he hasn't really been doing too much since the sale. We'll just take it day by day and get him into a steady program and let him tell us when he's ready."

Victorina captured her first two career outings in Northern California before coming up a half-length short in the Tiburon H. at Golden Gate Feb. 16. She rebounded with a game victory in the Eire Go Brach S. at the same track on St. Patrick's Day and was odds-on in her first venture outside of the Golden State. Never too far from the front, the bay made her move approaching the eighth pole and opened up under a hand ride. "She had a good trip and clear sailing the whole way," said winning rider Russell Baze. "When I asked her to run, she just ran right to the front for me." Victorina, who hails from the same connections as last year's champion sprinter Lost in the Fog, nearly didn't make the trip after developing a cough. "She did have a cough in the middle of the week," said winning trainer Greg Gilchrist. "It wasn't too bad. We took care of it. I wasn't as worried about the cold as I was about the airplane trip. She came through it just fine. If you're gonna have a good one, you've got to be able to get on airplanes. We'll enjoy this one and talk about what we're going to do next in 48 hours."

OKIE TIME (c, 3, Mutakddim--Oh Boy Valoy, by Bates Motel) was steadied at the midpoint of his Feb. 24 debut over course and distance, but overcame that trouble to register a half-length score over a next-out winner. On the pace in his latest, the Oklahoma-bred set a fast pace and yielded late to finish second by a half-length. Rated just off the speed this time, the half to High Timer (High Brite), SW, \$229,996; Dynaboy (Dynaformer), SP, \$199,352; and That Tat (Faltaat), MSW & GSP, \$560,985, was four wide into and on the far turn, struck the front approaching the final furlong and drove clear to a 3 1/4-length victory as the 19-10 second choice. Back Bay Baron (Way West {Fr}) completed the exacta. Lifetime Record: 3-2-1-0, \$47,740. O-Richter Family Trust (OK). T-Kelly R Von Hemel.

Lifetime Record: 1-1-0-0, \$21,000.

Shining Energy was looking for her first win since taking the GII San Clemente H. at Del Mar last July. She concluded her sophomore campaign with a second in the eight-furlong Harold C. Ramser Sr. over this course in October, then ran into trouble repeatedly in a close-up fifth in her seasonal debut, the Feb. 20 GII Buena Vista H. Second choice here to the even-money Moscow Burning, she raced along in the three path, forged to the lead in upper stretch and held the favorite safe under left-handed urging. He was trapped widest of all around these turns, but stayed close to the pace and was committed at the top of the straight before grinding out the success. "He only ever does enough at home and this wasn't run to suit," his rider commented. "He's done what was asked of him and I couldn't pull him up, so there's no reason why he can't go and run his race in the G1 2000 Guineas [at Newmarket May 6]."
