winner of last season's GII Remsen S., spent the winter at Tampa, where he notched the Sam F. Davis S. Feb. 18 and finished second in the GIII Tampa Bay Derby Mar. 18. His runner-up effort last time didn't come without an excuse, though, as the Todd Pletcher trainee lost his right front shoe. "John [Velazquez] said when he

switched to his left lead, his hind end slipped from underneath him a couple of times," Pletcher told *Daily Racing Form*. "That's where he kind of lost the position he had gotten up to that point." **First Samurai** (Giant's Causeway), a grandson of Storm Cat, was at the head of his class last season, notching the GI Hopeful S. and the GI Champagne S., but could only manage a third-place finish as the 6-5 chalk in the GI Breeders' Cup Juvenile. The chestnut began his sophomore campaign with a good second in a sloppy running of the GII Hutcheson S. Feb. 4, then was placed first via disqualification in the GII Fountain of Youth S. last out Mar. 4. "There was a very, very good case for running in the Blue Grass," trainer Frank Brothers, who took the 1997 Blue Grass with Pulpit, commented to *DRF*. "It gave him more time, and if he ran well, the timing between that and the Derby is fine. It's home, here in Kentucky. It's usually a speed-biased track, which won't bother me with this horse. If he was a different type of horse, I might have considered another race." Trainer Bob Baffert and jockey Garrett Gomez enjoyed a big day last Saturday, hooking up for victories in the GIII Bay Shore S. and the GI Wood Memorial, and look to keep that momentum rolling with the speedy **Sinister Minister** (Old Trieste). The bay was second after setting a rapid pace and hitting the rail in mid-stretch in the California Derby last time Mar. 11.

**He Could've Been a Contender...**

The lightly raced **Strong Contender** (Maria's Mon) has only two races under his belt, but may be the most talented horse in the starting gate. The chestnut debuted with a 3 3/4-length maiden tally at Arlington last August at Arlington, then finally resurfaced in a Feb. 22 Gulfstream allowance with a 4 3/4-length victory. The \$800,000 KEEAPR juvenile purchase, who stopped the clock at 1:34 3/5 in that eight-furlong test, makes his first start around two turns today. He was excluded from the GII Lane's End S. due to a lack of earnings, and will also likely be shut out from the GI Kentucky Derby if he doesn't finish first here.

**ANOTHER OPEN & SHUT CASE?**

In 2004 an undefeated chestnut named Smarty Jones went on a tear at Oaklawn, winning the Southwest S., the Rebel S. and the GII Arkansas Derby. He would go on to take the GI Kentucky Derby and the GI Preakness S. before suffering his first defeat in the GI Belmont S. Although **Lawyer Ron** (Langfuhr) isn't unde-

feated, he enters today's GII Arkansas Derby riding a five-race winning streak, including the the Feb. 25 Southwest S. and the

Mar. 18 GIII Rebel S. Previously known for his early speed, the Bob Holthus trainee showed a new dimension in the Southwest, closing from off the pace to score by three lengths. "You run each race in a different way," Holthus told *Daily Racing Form*. "The first time we ran here, we felt he could go to the lead and still beat them, which he did. A lot of people, I think, thought that that's the way he had to run. But it's definitely not. You can do about anything you want with him. He's a pretty kind horse." **Private Vow** (Broken Vow) stamped himself as one to watch last summer after a maiden and allowance score at Saratoga. The Mike McCarty colorbearer reeled off his third straight win with a nine-length tally in the GII Futurity S. at Belmont, but had that streak come to an end when his rein snapped in the GI Breeders' Cup Juvenile S. Oct. 29. The dark bay got right back on track in the Nov. 26 GII Kentucky Jockey Club S., scoring by 2 1/4 lengths over **High Cotton** (Dixie Union). He could only manage a seventh-place finish in the Rebel behind Lawyer Ron in his sophomore debut. "He has every reason to move forward," trainer Steve Asmussen told *DRF*. "He got tired, blew hard after the race, and has come back and has trained good."

**Ready to Step Up...**

**Steppenwolfer** (Aptitude), an allowance winner over this course Feb. 3, was a good second behind Lawyer Ron in the Southwest, then placed third behind that one in the Rebel last out. "I don't think we're far behind Lawyer Ron," trainer Dan Peitz told *DRF*. "We lost enough ground in the Rebel on the first turn and were a little wider than him in the second turn to make me think that he wasn't three lengths better than us."

Miesque's Approval spoiled Jerry Bailey's retirement

party at Gulfstream this winter and played the spoiler once again here, defeating GI Breeders' Cup Mile champ Artie Schiller in his seasonal debut. Always a hard-knocking turfer throughout his career for trainer Bill Mott, the bay closed out his tenure with that conditioner with a sixth-place finish in a \$50,000 claimer at Aqueduct Nov. 3. Transferred to trainer Marty Wolfson for the Our Dear Peggy S. at Calder Dec. 26, the Live Oak homebred crossed the line fourth, beaten 3 1/2 lengths.

Dismissed at 48-1 for the Sunshine Millions Turf at Gulfstream Jan. 28, he outgamed Silver Tree to the wire to score by 3/4 of a length.

Bill Straus photo

Miesque's Approval faced a solid field in the Canadian Turf H. at Gulfstream Mar. 11, and outran his odds once again, finishing second behind English Channel at odds of 10-1. Backed as the second choice in this one, he sat a close fifth as Gulch Approval (Gulch) set :24 and :47 4/5 splits. As the frontrunner backed out of it, Artie Schiller made it to the lead, but hooked up with MGSW Good Reward in an exciting stretch duel. Last year's GI Maker's Mark Mile winner put that rival away, but just got nipped on the line by the fast closing seven-year-old. "A tremendous ride from Eddie Castro as usual," said Karla Wolfson, wife and assistant trainer to Marty Wolfson. "He is a better jockey than even he knows he is. He is one of a kind."

**A Word About BRIS Speed Ratings...**

BRIS Speed Ratings accurately represent how fast a horse has run. Like other popular speed ratings, BRIS Speed Ratings are based on the final time of the race and, most importantly, include an accurate "track variant" (which measures the speed of a racetrack on a specific day.) Unlike other speed indicators, the track variant is derived by an objective, computer-precise method rather than the subjective opinion of one handicapper. The highest BRIS Speed Ratings (110 and up) will usually only be achieved by the best stakes horses. And, of course, older horses will typically run faster than their younger counterparts. A 2-year-old might win a stakes race with a 95 BRIS Speed Rating or may become a champion with a rating over 100.

Ready to Please was third behind the ill-fated Dance Daily in a Keeneland maiden first time out Apr. 20, then was fourth behind Fifth Avenue and Folklore in a Belmont maiden May 18. The dark bay was freshened up after that start and finally returned at Gulfstream with a two-length tally Jan. 15.

She repeated that performance at the Hallandale oval versus allowance foes Feb. 24 and was backed as the third choice to take her graded-stakes debut. With Stewart Elliott aboard, the \$270,000 OBSFEB juvenile purchase settled in third after bobbling at the start. Miss Norman was cruising along on the lead through :23 1/5 and :47 splits,

but bolted on the turn for home. Ready to Please inherited the lead at that point and drew off impressively to record her first stakes victory. Miss Norman raced erratically throughout the stretch run, but fought on gamely to complete the exacta.

Atticus Kristy had tried the Keeneland turf once before, running second by a neck in the Woodford S. last Oct. 9. The late-running gelding came back to be third in the Oct. 23 GII Nearctic H. and took the Cherokee Run H. at Churchill a fortnight later, but he didn't get as much out of his closing kick when earning minor awards in a Tampa allowance Dec. 10 and the Lola Belle S. at Calder Jan. 2. Kept closer to the pace in his next two outings, he was a nose winner versus Tampa optional claimers

Feb. 21 and finished a close-up fourth in the Turf Dash S. over that course Mar. 18. New jockey Garrett Gomez allowed Atticus Kristy to drop back off rapid early splits against tougher here, then asked him for his best effort as they hit the stretch. He got what he wanted--the two caught Around the Cape in the dying strides to take the photo. "[Trainer Mel Scherer] told me he had tactical speed and I kind of nursed him along," Gomez explained. "I uncovered him when we turned for home and he did what he was supposed to do--and what I was expecting him to do." The winner will be pointed for the May 5 GIII Crown Royal American S. at Churchill Downs. Click for the [brisnet.com chart](#).

He was sixth in the G1 Preis von Europa at Cologne in September before finishing runner-up to the talented Saldentigerin (Ger) in the G3 Baden-Wurttemberg-Trophy at Baden-Baden the following month. Apparently, it has taken a transfer to England to establish him in this league in his former native country. Settled in behind the leading group early, he tackled last year's G1 Premio Roma winner Soldier Hollow (GB) (In the Wings {GB}) at the eighth peg and drew clear as that rival's effort waned.

**Mirabilis** makes her third start since arriving from France, where she was trained by Andre Fabre. Second by 3/4 of a length--while defeating Silent Name (Jpn)--in the G3 Prix du Pin, the Juddmonte homebred then missed by a neck when third in the G1 Prix de la Foret. She was beaten a length in her stateside bow, a fourth in a down-the-hill allowance at Santa Anita Jan. 19, and followed that with a third--beaten 3/4 of a length--in the GII Buena Vista H. Feb. 20. The bay will bid to provide trainer Bobby Frankel with a three-peat in this race; he saddled Intercontinental (GB) to win in 2004 and 2005. **Wend** was second to that champion in the GII WinStar Galaxy S. in Oct. 9 prior to finishing sixth to her in the GI Breeders' Cup F/M Turf Oct. 29. The Claiborne Farm homebred flew on the front end in her return, taking the 8.5-furlong GIII Honey Fox H. at Gulfstream in 1:38 1/5 Mar. 4, and will be tough to run down here.

**Jenny Wiley S. cont.**

**Miss Mambo** concluded her European tenure with a close fourth behind Attraction (GB), Chic (GB) and Virginia Waters in the G1 Matron S. at Leopardstown Sept. 10. Unplaced in her first start on these shores when a Belmont allowance was washed off the turf in October, the dark bay unleashed a strong rally in winning a Gulfstream allowance Mar. 2. **Brazilian** steps up in class on the strength of a three-race winning streak, capped by a narrow win in a one-mile Gulfstream allowance Jan. 14.

**Teammate** handled **Better Now** easily in winning the nine-furlong GII Bonnie Miss S. at Gulfstream, but the latter might be ready to turn the tables this time. Both of her career wins have come in a one-turn mile at Belmont, including the GIII Tempted S. Oct. 30, and the Bonnie Miss was her first start off a three-month hiatus. **Miraculous Miss** capped her unbeaten juvenile season with a win in the GIII Valley Stream S. Nov. 20. She started 2006 with a fifth in the GIII Old Hat S. over a sloppy strip at Gulfstream Feb. 4, but rebounded with a rallying success in the GIII Forward Gal S. Mar. 5 at the Hallandale oval and should handle the extra furlong here.

**Ugo Fire** shaped up into one of Ireland's top juvenile fillies last term, holding her own amongst the finest company on her final three starts at The Curragh. Following a third in the Tattersalls Ireland Sale S. in August, she went within a neck of upsetting division highweight Rumpelstiltskin (Ire) in the G1 Moyglare Stud S. before registering a deserved first stakes score in the G3 C.L. Weld Park S. in October. **Kamarinskaya**, who was third in the latter contest, is one of a duo sent up from Ballydoyle. She looks to lose her maiden tag after a disappointing third at Naas on her final juvenile start during a busy October.

**Saturday, Oaklawn Park**

**ARKANSAS DERBY-GII, \$1,000,000, 3yo, 1 1/18m**

PP	HORSE	SIRE	ODDS
1	New Joysey Jeff	Bright Launch	20-1f

Paired decent figures in his first two dirt tries and appeared headed somewhere good, but the big bounce last time means he's unlikely to make the big jump he would need to compete here.

2	Steppenwolfer	Aptitude	10-1
---	---------------	----------	------

Has steadily developed, without ever bouncing. His last two were very good, but were concealed by wide trips (4w4w etc.). This time he draws inside, and gets almost a Thoro-Graph point in weight from several others. Probably not a Derby horse, since he would need to develop too much too soon from a relatively slow 2yo top, but his strong pattern makes us like him today, and we'll keep an eye on him down the road.

3	High Cotton	Dixie Union	8-1
---	-------------	-------------	-----

Was a pretty good 2yo, but hasn't developed at all this year, and the rail trip last time made that effort look better than it was. The horses Pletcher has sent to Oaklawn have been running their eyeballs out, but this one would need a big jump, and will be overbet.

4	With a City	City Zip	15-1
---	-------------	----------	------

Jumped out of his mind last time, probably because of the trainer switch (see "last 90 days" in the trainer profile). But another forward move right away is unlikely, and he would need one to contend.

5	Lawyer Ron	Langfuhr	7-5
---	------------	----------	-----

Has done a lot of developing, and has gotten very good recently. On figures he's the best horse here, and his tactical speed is a big plus in this oversized field, making him the most likely winner today. In terms of the Derby, he's already developed an awful lot, didn't get a break over the winter, and is very heavily raced, none of which is a plus. **ROTW cont.**

6 Well Said Aptitude Scr

7 Jealous Profit Trippi 10-1

Ran big first out, tailed off, and was again knocked out by his only other serious effort last fall. This is the kind that will throw the occasional good effort, but he would need to improve a lot to compete with these.

8 Private Vow Broken Vow 5-1

Was much the best of these last year, but his seasonal debut was very disappointing. In general, healthy young horses should run at least their previous top in their first two tries off a layoff, so this start becomes pretty important. But even a return to his top won't do it here, as several others have caught up—he needs to improve to contend.

9 Red Raymond Deputy Commander 12-1

Was a decent 2yo that returned to his top first out this year, and jumped last time. It's tough to tell whether this one is through developing for now, but he's much more likely to get a check than win, regardless.

10 Simon Pure Silver Deputy 20-1

Would need a big jump to contend.

11 Nob Hill Deelite Afternoon Deelites 20-1f

A pretty good Louisiana-bred, and ran much better than it looked last time—he spotted weight and raced wide. Problem is, the same thing figures to happen again, meaning he would need another forward move to get involved.

12 Superfly Fusaichi Pegasus 15-1

Ran very big behind Discreet Cat second out, but that took a lot out of him, and his pattern since has been very weak. It is worth noting that Zito has gotten a lot of big new tops recently.

13 Film Fortune Indy Film 20-1f

Too slow to contend here.

14 Sayhellotolarry Victory Gallop 10-1

Jumped to a big new one last time, but the large amount of short-term development makes a bounce likely, and the draw is a killer even if he fires again.

Overview – Lawyer Ron is the most likely winner, but Steppenwolfer is the value, and solid for the exotics.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. **PETER KARCHES DIES OF LEUKEMIA** Peter Karches, former co-chairman of the New York Racing Association Inc., died Thursday night in a Boston hospital after a bout with leukemia. He was 54. Karches resigned as NYRA's co-chairman last December, but remained a member of the Board of Trustees. "Peter Karches brought great passion and talent to business decisions and to his Thoroughbred racing interests," said NYRA President and Chief Executive Officer Charles E.

He was a strong advocate and pioneer in issues of racing integrity, and we will all be forever thankful for his many achievements." A graduate of Georgetown University and the Columbia University Graduate School of Business, Karches was employed by Morgan Stanley for 25 years, where he served as president and chief operating officer of its Institutional Securities and Investment Banking Group. Karches, who bought his first racehorse in 1996, campaigned Dynever to a third-place finish in the 2003 GI Breeders' Cup Classic. **NYRA Announces New Plan for Off-the-Turf Races:**

New York Racing Association Racing Secretary Paul J. Campo has announced a new plan for off-the-turf races in New York. Beginning with the Belmont Park meeting, which opens May 3, NYRA will increase the purse by 20 percent of races taken off the turf, provided there are at least eight betting interests. "This will not apply to stakes races and overnight stakes races," Campo said. "I had talked this over with [NYRA President and CEO] Charlie Hayward and [NYRA Senior Vice President] Bill Nader, and we felt this was worth taking a shot to help horsemen and customers to get better value when the weather is not in our corner." In addition, horses which run in off-the-turf races will have additional preference in future races over horses which were originally excluded.

She turned things around in her turf debut Mar. 11, wiring her rivals over course and distance by 4 1/2 lengths, and was even-money to do the same here. Breaking from post three, the Florida-bred chestnut set out in front and never looked back en route to a 5 3/4-length triumph. Lifetime Record: 4-2-0-0, \$41,240.

Adding Lasix for her second trip to the post, the chestnut was sent right to the front and led all the way to the stretch. Joined by Hatties Gingersnap (Lion Hearted) at the eighth pole, she dug in gamely, but was passed in the final strides and finished second by a half-length. The winner was DQ'd and placed fifth for causing interference at the top of the lane, however, leaving Vontay with a spotless record. G P Fleet Injured, Retired:

Graded stakes winner **G P Fleet** (Northern Afleet--Come On Bid, by Spectacular Bid) sustained an injury to

Lou Hodges Jr photo

his right front foot in an allowance race Thursday at Keeneland and has been retired, according to *The Blood-Horse*. The six-year-old was on the lead in the nine-furlong turf race when he apparently took a bad step approaching the stretch; the injury is not life-

threatening. Claimed for \$80,000 by the Klein family in 2003, the chestnut captured the Regaey Island S. later that year and added the Gill River City H. in 2004. He won the Fair Grounds Breeders' Cup H. in 2005 and was second by a nose in the River City. **G P Fleet** heads into retirement with a record of 33-9-9-2 and a bankroll of \$564,917. "You don't often claim a horse for \$80,000 and make a half-million dollars with him," Richard Klein told *The Blood-Horse*. "He was a fun little horse who took us to places like Santa Anita and Monmouth. He was no bigger than a minute, but he had a heart the size of 60 minutes."
