SINISTER MINISTER UPENDS BLUE GRASS

Trainer Bob Baffert began the year quietly enough in terms of Triple Crown contenders, but now appears to be headed to the first Saturday in May with three runners after **Sinister Minister** (Old Trieste) ran off and hid

from his rivals in yesterday's GI Toyota Blue Grass S. Baffert knew his horse was coming in under the radar. "Not one reporter called me to ask about him," he told *ABC Sports*. "But he's a fast horse. I thought he had a chance to win." The perfect spring afternoon wasn't as kind to the race's glamour names. **Strong Contender**

(Maria's Mon) did the best of them to finish third, while **Bluegrass Cat** (Storm Cat) and **First Samurai** (Giant's Causeway) struggled home fourth and fifth, respectively. **Blue Grass cont. p2**

LAWYER RON SERVES NOTICE

He just keeps winning. **Lawyer Ron** (Langfuhr) was taken out of his game plan a bit, but it didn't matter in the end as he took his streak to six in the \$1-million GII Arkansas Derby at Oaklawn yesterday. The chestnut, bumped a bit at the start, skimmed the rail through the first turn while in fourth.

Jockey John McKee wanted to maintain that inside spot and chirped to his colt, who promptly zoomed up to take the lead away from **High Cotton** (Dixie Union). The 1-2 favorite was a length in front after a half in :46 2/5, put down an additional split of 1:10 4/5 and turned for home

Coady Photography

with **Private Vow** (Broken Vow) giving chase from the inside. Lawyer Ron fended off that challenge and, despite drifting a bit in the lane, had enough left to get to the wire 2 3/4 lengths in front of **Steppenwolver** (Aptitude), who rallied from way out of it to get second. "I thought John handled the situation well, getting in and getting out," said winning trainer Bob Holthus. "Had he taken back, he might have gotten trapped. Maybe big fields are good for Lawyer Ron in that he has the speed to avoid a lot of traffic." He'll need to utilize that again three weeks from now. "He flies to Kentucky Monday," Holthus added. **Cont. p4**

Claiborne Farm's homebred **Wend** (Pulpit) wired the field last out in the GIII Honey Fox H., but she switched

tactics this time, coming from off the pace to take the GII Jenny Wiley S. at Keeneland yesterday afternoon. "She can run on the front or come from behind," said winning rider Edgar Prado. "She ran some tough races last year and she came back real good this year. There's a long year ahead, and she just did a super job." **Cont. p3**

NOT SO SINISTER Sinister Minister debuted for trainer Rafael Becerra with a fifth-place finish at Santa Anita on New Year's Eve, but, dropped in for a \$62,500 tag Jan. 20, romped by eight lengths while covering 5 1/2 furlongs in 1:03 3/5. Purchased privately afterwards, the bay finished sixth to stablemate Too Much Bling in the GII San Vicente S. Feb. 12 in his initial start for Baffert. He went up to Golden Gate for his route debut and was well on his way to wiring the California Derby when he hit the rail twice in the stretch, allowing Cause to Believe to blow by him late. Sinister Minister did save second that day, and Baffert opted to send him here since front-runners typically run so well over this surface. The three-year-old broke a bit in the air under Garrett Gomez, but recovered swiftly and went up to take the lead. "He was a little throttled up...and I had his mouth gagged going over into the first turn," Gomez explained. "Once I headed up the backside, I just let him out a notch and tried to get him to find his stride and get comfortable." While the California colt flew down the backstretch through splits of :22 4/5 and :45 4/5, jockey Edgar Prado encouraged Strong Contender to draw a bit closer, but couldn't make inroads on the winner. Sinister Minister turned for home with a sizeable advantage and added to it under a vigorous ride by Gomez despite being on his wrong lead. **Click for the [brisnet.com](http://www.brisnet.com) chart or the [free brisnet.com](http://www.brisnet.com) catalogue-style pedigree. Baffert's Brigade...

Baffert has saddled a trio of GI Kentucky Derby-GI Preakness winners, Silver Charm (1997), Real Quiet (1998) and War Emblem (2002), and also missed by a nose in the Derby with Cavonnier in 1996. He had the beaten favorite Point Given in 2001, but that colt rebounded with a pair of authoritative scores in the Preakness and GI Belmont S. Is there strength in numbers? The silver-haired trainer will probably be at Churchill three weeks hence with **Bob and John** (Seeking the Gold), winner of the GI Wood Memorial S.; **Point Determined** (Point Given), runner-up to Brother Derek in the GI Santa Anita Derby; and Sinister Minister.

Baffert made the decision to send Sinister Minister after a bullet six-furlong breeze in 1:11 at Santa Anita last Sunday. "I called [co-owner] Bernie Schiappa and said, 'Get the jet ready, we are coming.'" It was the first Blue Grass win for Baffert. "It's a great feeling, especially for Bernie. We got very lucky. Sometimes you're the bug and sometimes you're the windshield."

Cooling Off...

Bluegrass Cat, looking to rebound from a second in the GIII Tampa Bay Derby, raced alongside First Samurai down the backstretch. He appeared to back out of it heading into the far turn before winding up fourth, four lengths behind Strong Contender. "It's pretty strange, because he ran pretty even," said Bluegrass Cat's rider, John Velazquez. "He didn't stop, but he just didn't continue to run." As for First Samurai, jockey Rafael Bejarano said, "I don't think he wants to go 1 1/8 miles. I just could not catch the winner...but he still tried. Next time, he will be better." Prado, aboard Strong Contender, said, "He learned a lot today and he handled it very professionally."

Sun King faltered a year ago in the GI Toyota Blue Grass S., but made a triumphant return to Keeneland here. Unplaced in the Classics, he took the GIII Leonard Richards S. in July and, after a second in the GI Haskell Invitational H., won the GII Pennsylvania Derby. Third in the GI Jockey Club Gold Cup, he finished up the year with a ninth in the GI Breeders' Cup Classic. The dark bay colt returned with a third to Sir Greeley and Funny Cide in a one-mile allowance at Gulfstream Feb. 2, but he faltered to finish eighth in the 9 1/2-furlong GII Gulfstream Park H. Mar. 4. Trainer Nick Zito, winning at a 50-percent clip at this meeting, opted to take blinkers off his charge and to shorten him up in distance as well, and it all went according to plan. Allowed to place himself in the early stages as Kazoo winged along on the lead, Sun King picked it up through the turn, forged his way between rivals and finished up nicely for the win. Wend broke her maiden in her second career outing when switched to the turf and embarked on a five-race skein that culminated in a defeat of Wonder Again and Film Maker in the GII New York H. July 2 at Belmont. Her streak came to an end when she was sixth over a yielding course in the GI Beverly D. S. at Arlington Aug. 13. After finishing second to Intercontinental (GB) in the GII WinStar Galaxy H. over this course Oct. 9, the bay closed out 2005 with a sixth to that champion in the GI Breeders' Cup F/M Turf at Belmont Oct. 29. She turned things around in her seasonal opener Mar. 4 at Gulfstream with a front-running tally in the GIII Honey Fox H., and she was expected to keep it up here. Drawn on the outside, Wend settled into an easy rhythm in fifth. She came four wide off the turn, hit the front in midstretch and was never in any danger thereafter. Asi Siempre, who reared at the start, rallied to complete the exacta. Mirabilis hung on for third by a head over Amorama (Fr) (Sri Pekan).

Lawyer Ron broke his maiden on the main track at Keeneland in October and, after a pair of grass outings, romped in an off-the-turf optional claimer at Louisiana Downs Dec. 9. Things heated up from there, with the chestnut airing in both the Diamond Jo S. at Evangeline Dec. 31 and GIII Risen Star S. at Louisiana Downs Jan. 14. His owner/breeder James T. Hines Jr. tragically died just before the colt's front-running win in the Southwest S. Feb. 25 at Oaklawn. Lawyer Ron changed tactics in the GIII Rebel S. Mar. 18, coming from off the pace in a visually impressive manner. His speed figures from that day came back a bit low, but that didn't faze the record Oaklawn crowd of 72,484, and he went postward at 1-2. Dropping over to the rail heading into the first turn here, Lawyer Run accelerated a bit to maintain that spot on the inside as Jealous Profit (Trippi) raced to his outside. He took John McKee straight to the front and the two made every subsequent pole a winning one. "I didn't want to challenge the other speed, but he was real aggressive with me around the first turn," McKee said. "He is just full of himself right now. He never stopped running. In the stretch, I was a little concerned and hit him a couple of times, and he just took off."

Miraculous Miss lived up to her name with a late-charging victory. After going unbeaten in her two-year-old campaign, including a win in the GIII Valley Stream S. over this surface Nov. 20, the chestnut had an inauspicious start to 2006. She floundered over Gulfstream's sloppy strip when fifth in the GIII Old Hat S. Feb. 3, but rebounded on a fast track in the GII Stonerside Forward Gal S. Mar. 5, rallying to win that seven-furlong race at odds of 18-1. Unhurried in the early stages here, Miraculous Miss made up ground on the turn and kept coming on the outside. She caught a tiring Regal Engagement in the final sixteenth and drove by her. "She's just tremendous the last eight of a mile; she's got such a big kick," said winning trainer Steve Klesaris. "We'll nominate her to the [GII] Nassau County [May 6] and the [GI] Acorn [June 10] and let her dictate where we'll go next." Most recently fourth behind De Beers in the G1 Rosehill Guineas Apr. 1, he raced in midpack in this one as Goldtown cut out the early fractions. De Beers made the lead 150 meters out, but couldn't hold off the late rush of Headturner, who finished up full of run. "I was going to track up behind a couple, but I decided to stay where I was early," jockey Darren Beadman told *AAP Racing and Sports*. Excites debuted with a fifth-place finish at Canterbury Mar. 13, then placed second behind Mentality at Warwick last out Apr. 2. Seeking his first victory here, the bay pulled out a half-neck victory over Down the Wicket after Rubric tried to jump the rail near the 800-meter marker. "It sounds terrible to say, but when Rubric hit the rail, it actually helped me," jockey Zac Purton told *AAP Racing and Sports*. "It skittled the field and I got a really good run through them. Without the incident happening, I probably wouldn't have won the race." According to trainer Guy Walter, the victor will bypass next week's G1 Champagne S. "He won't be running next week," he told *AAP Racing and Sports*. "He is a magnificent colt; he's always shown a lot of ability and he's got the looks and the breeding. I think he can do great things next spring."

Aidan O'Brien demonstrated his strength in depth with a one-two in this Classic trial, led home by Kamarinskaya, who was passed over by Kieren Fallon in favor of Beauty Bright. Despite her winless tag, Kamarinskaya had chased home Ugo Fire when third in the G3 C.L. Weld Park S. at The Curragh before finishing second to the talented Alexander Alliance (Ire) in the Listed Flame of Tara S. in the space of eight days last October. She may have been feeling those exertions when subsequently third in a Naas maiden last out Oct. 16, but stamped her authority on this contest from the front, requiring only a couple of taps with Seamus Heffernan's whip in the final eighth to secure the success. "She's strengthened up a bit over the winter and she's done it well today," her rider said. "She's a nice-moving filly and, as there was no pace early, I thought I'd let her use her action." O'Brien will aim the winner at either the May 7 G1 1000 Guineas at Newmarket or the G1 Poule d'Essai des Pouliches at Longchamp a week later, while the runner-up will probably contest the latter Classic. Also ran: James Joyce (Ire), Caribbean (GB).

Yasoodd had a string of solid efforts in group company, highlighted by a controversial disqualification from first place in the G3 Prix La Rochette at Longchamp in September. He had previously finished third behind Horatio Nelson (Ire) in the G3 Superlative S. at Newmarket in July and runner-up to Opera Cape (GB) in the G3 Solario S. at Sandown in August, but his outsider status here may have been due to his disappointing latest sixth in the G3 Horris Hill S. at Newbury Oct. 22. Held up in rear early, he was stuck behind a wall of three challengers in the straight, but Chris Catlin brought him around the battling trio of long-time leader James Joyce (Ire) (Danehill), Heliostatic and Rekaab to claim the race in the final strides. "His homework has been impressive and he's quite a hardy horse," his rider explained. "They went a nice, sensible pace and he needed his mind making up, but when I switched him he put his head down and galloped to the line. He's got a nice attitude and switches off, so he could get further." [Click for the Racing Post chart.](#)

Triple Threats

PLETCHER HOLDS KEY TO DERBY ENTRY A decision on whether GII Hutcheson S. winner **Keyed Entry** (Honour and Glory) runs in the May 6 GI Kentucky Derby will be made by trainer Todd Pletcher after the colt settles in at Churchill Downs, according to *The Blood-Horse*. Second in his two-turn debut, the 1 1/16-miles GIII Gotham S. Mar. 18, the three-year-old set the pace before fading to third in the nine-furlong GI Wood Memorial S. last Saturday. "Right now, we want to go and Todd wants to go," co-owner Jack Wolf told *The Blood-Horse*. "Obviously, we got very leg weary in the last sixteenth of a mile [in the Wood]...We leave these types of decisions to Todd, but as of now, you can say we're probable. We also want to see how Bluegrass Cat does in the [GI Toyota] Blue Grass, so we have an idea where we stand regarding a rider." John Velazquez, Pletcher's first-call jockey, was aboard **Keyed Entry** in the Hutcheson. Prado had the mount in both the Gotham and the Wood.

'SWEET' A FIRST FOR HIS TRAINER Trainer Mike Trombetta will head to the Kentucky Derby for the first time with an excellent shot in the form of **Sweetnorthern** (Sweetnorthern), who came out of last weekend's romp in the GII Illinois Derby in good order. "He has handled it well thus far," said Trombetta. "From the shipping to everything we have asked, he just takes it all in stride. We have never been down this road with anything like this." The gelding aired in Laurel's Miracle Wood S. in February before finishing a close third in the GIII Gotham S. at Aqueduct Mar. 18, then was shipped to Hawthorne. As for his Run for the Roses preparation, Trombetta said, "It looks like I'll have a chance to breeze him twice. The first one will not be too terribly fast, then I'll pick it up with the second one into the race. The whole process is walking the line of maintaining fitness and freshness all in the same breath. I don't want to overdo it or underdo it."

FAIR GROUNDS APPLIES FOR 2006-2007 DATES

Fair Grounds Race Course, which suffered significant damage during Hurricane Katrina last August, has applied to the Louisiana State Racing Commission to host an 81-day meeting in 2006-2007. The historic New Orleans track was forced to move its 2005-2006 meet to Louisiana Downs and repairs have been ongoing since the fall. The roof of the grandstand and clubhouse was completed Mar. 31 and power was restored to the building last week. Backstretch maintenance, including repair and replacement of roofs, doors and stalls, is expected to be completed by the return of racing on Thanksgiving Day, Nov. 23. The first event scheduled to be held at Fair Grounds since Katrina is the annual New Orleans Jazz and Heritage Festival, which begins Apr. 28. The proposed schedule for Fair Grounds' 135th season of racing runs from Nov. 23 through Mar. 25, with racing Thursday through Sunday, with Mondays added in January and February.

BUCHAREST (c, 4, [Victory Gallop](#)--Tranquil Star, by Salt Lake), a maiden winner over this track last October, recorded a 3 1/4-length allowance victory at Gulfstream in his first start for former Carl Nafzger assistant Ian Wilkes Jan. 26. The \$285,000 KEESEP yearling was the 7-5 favorite to make it two in a row. After stalking the pace, the chestnut colt angled out five wide for the drive and reeled in the Appoint Victory (Louis Quatorze) with a sixteenth of a mile to run and gamely held off Kenta Kun (Demidoff) for a 3/4-length victory. The dark bay came back to be fourth in a Santa Anita allowance test Feb. 3, and was favored in the Mar. 4 John Battaglia Memorial S. at Turfway, but couldn't come up with a late kick and finished seventh. Dropping back to a sprint here, he dogged the leaders as they reeled off solid splits, collared In Certain Circles (Yes It's True) inside the eighth pole and went on to a one-length victory. Sweet Talker won five of her first seven starts on the lawn, including the Martha Washington Breeders' Cup S. at Laurel in September and the GI Queen Elizabeth II Challenge Cup at Keeneland in her last start Oct. 15. The dark bay filly found herself in the sales ring after that victory, selling for \$1,150,000 at the Keeneland November sale, and was making her first start under new management here. Jockey Ramon Dominguez settled the odds-on chalk just off the pace and put her to a drive as they straightened for home, and Sweet Talker responded with a professional victory. "I'm lucky we could pick this filly out of the November sale," trainer Graham Motion said. "It's pretty nice to have one like this. She's got a tremendous turn of foot. I thought Ramon gave her a great ride. I was a little worried because it looked like speed was really good on this turf course. I told Ramon he shouldn't get too far behind, but she's pretty push button."

Second in three previous starts over this track, Admiral's Arch finally broke that streak to earn his first stakes score. The dark bay had to fight his way through traffic in his latest, an optional claimer at a mile and a sixteenth Mar. 25, and finished 1 1/4 lengths behind Mr. Pursuit. Favored to improve with a clean trip, he was not so lucky, but overcame his troubles to get the victory. The Padua homebred was squeezed at the start and raced at the back of the pack early. He lacked running room as they neared the final bend, but made his way to the outside in the stretch and ran down longshot Sweetening in the dying strides.

Paz Ciudadana boasted a batting average of .500 in 10 starts last year. After winning the Honeymoon S. at Louisiana Downs in May, she was off the board in two tries, then reeled off three straight in the Aug. 6 Margarita Breeders' Cup S. at Retama, Sept. 5 Ricks Memorial S. at Remington and Oct. 9 Cornucopia H. when returned to the Bayou State. The bay had not been out since finishing fifth in the Nov. 19 GIII Cardinal H. at Churchill Downs. Paz Ciudadana found herself on the lead as they headed down the backstretch and held on all the way to the wire, but had to fight off the challenge of stablemate My Misty Princess to get there first. "There was a little bit of bumping going on and we, by default, ended up on the lead down the backside," jockey Quincy Hamilton explained. "When I called on here at the top of the stretch, she was definitely there for me. She dug in. She ran a heck of a race for me and wasn't giving up at all."

Gasia opened her 2006 campaign with a third-place finish in the Jan. 28 Dixie Belle S. at Oaklawn, but tired to be eighth in the Feb. 24 Martha Washington S. She bounced back to win an optional claimer at 13-1 Mar. 16 and was better regarded with the return to stakes company. Last after the opening half, the chestnut filly closed ground on the backstretch and outfinished front-running Morner.

Dean Sarvis Injured:

Jockey Dean Sarvis was injured at River Downs yesterday when his mount, first-time starter Two Timin Cat, swerved sharply while leading down the stretch and tossed him to the ground. The rest of the field was able to avoid the fallen rider, but Sarvis, 37, suffered a broken scapula and was taken to Mercy Hospital in Anderson, Ohio, for treatment.

Stratham was on the board in five straight starts before breaking his maiden by a nose at Salisbury last July. The bay was shipped across the Atlantic after that victory and made it two in a row in his U.S. bow, the Oct. 30 Pinjara S. at Santa Anita. After taking a winter vacation, the Irish-bred colt returned to be fourth in the Mar. 18 Pasadena S. over course and distance. With new jockey David Cohen in the saddle, Stratham rated in fourth while saving ground as they rolled through an easy opening half. He had to wait for an opening in the stretch, but came running up the rail once clear to win going away. "I really wasn't sure what I was going to do at the top of the lane," Cohen said. "I was going to try and go outside, but the hole opened up inside, I took it, switched to the left hand, and the horse just laid his body down tremendously and carried on from there."

She tried the turf at second asking, coming back after more than five months on the shelf to post a rallying neck score at Santa Anita Feb. 5. Back on the main track when this race was forced off the turf by heavy rains, the \$10,000 WASDEC yearling pressed More Angels (Slew of Angels) to the eighth pole, then fought her way to the front to best the pacesetter by a neck at 3-1 odds. CIGAR PAL (h, 5, Benchmark--Palace Madame, by Palace Music) was off the board in four of his first five starts, finally breaking his maiden at Hollywood Park in December of 2004. The chestnut disappeared for more than a year after that victory, returning after a 14 1/2-month absence to take an optional claimer at Santa Anita Feb. 24. The even-money chalk to make it three in a row, he grabbed the lead after a half in :45.04 and pulled away down the lane for a 3 1/2-length success over Chauncey (Doneraile Court). TONTINE TOO (g, 3, Concerto--Leah's Angel, by Caller I.D.) had posted respectable works for his career opener, but was ignored by the crowd at Santa Anita, going off at 46-1. Sent right to the front by jockey Michael Baze, the chestnut was head-and-head with Rateau (Rahy) to midstretch, but put that one away in the closing yards, beating him by 1 1/4 lengths. A \$30,000 OBSAUG yearling and a \$200,000 OBSMAR juvenile purchase, the winner is a 1/2 to Expect An Angel (Valid Expectations), GSW, \$236,799. Lifetime Record: 1-1-0-0, \$28,800. Record Show Payoff at Santa Anita:

When 1-5 favorite Denied finished off the board in yesterday's first race at Santa Anita, it triggered a record show payoff of \$139.40 on 28-1 winner Der Ali. The previous mark of \$104.60 was set by Playmay in 1938. Of the \$176,163 in the show pool yesterday, \$166,832 was bet on Denied. The eight-year-old was looking for his fourth straight win in yesterday's starter allowance, but faded after pressing the pace to be fourth in the four-horse field. It was only the second off-the-board effort in the bay's 19 career starts. Ar Bet Cin Stable's Der Ali paid \$59.40 to win and \$30.80 to place. Playmay still holds the record for win and place payoffs, lighting up the tote board at \$673.40 and \$148, respectively.

Handle, Purses Up Through First Quarter:

Pari-mutuel wagering on U.S. races and purses increased through the first quarter of 2006, according to figures released by the National Thoroughbred Racing Association and Equibase Company LLC. Despite fewer racing dates, handle increased 3.73 percent and aggregate purses rose 1.33 percent from the first quarter of 2005. "The first-quarter handle and purse statistics are very solid--especially in light of the quarter's drop in racing dates," said NTRA Commissioner D. G. Van Clief, Jr. "It was also a quarter that saw an unraced two-year-old sell at auction for a record \$16 million, so there are a number of reasons to feel encouraged as we head into the spring and summer months." Wagering on U.S. races for the quarter totaled \$3,590,607,272. Purses totaled \$199,641,227.

Tracks Closed in Observance of Easter Sunday:

There will be no racing at Aqueduct or Keeneland this afternoon in observance of Easter Sunday. Beulah, Charles Town, Evangeline Downs, Finger Lakes, Hawthorne, Laurel Park, Mountaineer, Philadelphia Park, River Downs, Tampa Bay Downs and Turf Paradise will also be closed.

First in the GII American Derby and fourth in the GI Secretariat S. at Arlington two years ago, Simple Exchange had been lightly raced in the interim. After managing a third in the G3 Ballycorus S. at Leopardstown last June, he endured three unplaced runs, the latest of which came on Lingfield's polytrack in the Listed Churchill S. in November. Settled in second off steady fractions by Robert Winston here, he took over at the quarter pole before outgaming Kew Green in the closing stages. "He idles in front, as he's a bit lazy and reserves plenty for himself," his jockey commented. "Dermot Weld told me to push him hard and he'll respond, and everything worked to plan."

Royal Alchemist, second in the G3 Fred Darling S. at Newbury last April, mustered a fifth in the G1 Coronation S. at Royal Ascot at York in June and a seventh in the G1 Prix de l'Opera de Longchamp on Arc day. Runner-up to the smart Portrayal in the Listed Severals S. at Newmarket and third in the Listed Gillies' S. at Doncaster last out Nov. 5, she put that experience to effect to notch a first stakes success here. Stalking the early tempo, she was committed at the top of the straight and rallied to the front at the furlong marker as Violet Park charged late. "She's a star," jockey Martin Dwyer commented. "She's very straightforward and deserves this, as she ran very well in a lot of the top fillies races without winning. She's very honest and strong--it's like sitting on a colt."

KANDIDATE (GB) (c, 4, Kabool {GB}--Valleyrose {Ire}, by Royal Academy) had fallen from grace since finishing third at 100-1 behind Foostepsinthesand (GB) in the G1 2000 Guineas last April, but had hinted at a return when dead-heating with Vanderlin (GB) in the Listed Doncaster Mile on Lingfield's polytrack Mar. 23. Nevertheless ignored at 20-1 as the highweight in this contest, he showed speed to stalk the early fractions before pouncing at the quarter pole. Driven out to hold his advantage late, he had enough in the tank to repel the 7-2 pick Rohaani (High Yield) by a length. "He hasn't been the most consistent, but he's a big horse and is probably still growing into his frame," jockey Seb Sanders commented. "There's probably better to come from him." The victor, a 26,000gns TATOCT yearling and a 30,000gns TATNOV weanling, is a half to Star Valley (Fr) (Starborough {GB}), GSW-Fr, \$192,350. Lifetime Record: SW & G1SP-Eng, 26-5-1-3, £172,543. ARCHERFIELD LINKS (c, 3, Brahms--Georgian Bay, by Storm Cat), a \$95,000 KEENOV weanling and a 70,000gns TATOCT yearling, scored at Yarmouth and Salisbury before finishing fifth in a Newmarket nursery last time Oct. 13. Settled in rear early, the 11-1 chance delivered his challenge wide in the straight and overhauled Scot Love (Ire) (Dansili {GB}) in the final 50 yards to record a 3/4-length score. Lifetime Record: 5-3-0-0, £20,895.

ANOTHER LOSS FOR SILENT WITNESS

Silent Witness (Aus) (El Moxie) capped a 17-race winning streak in the 2005 Queen's Silver Jubilee Cup, but the seven-year-old has lost four of his five outings since. He came up short again as he looked to defend his Jubilee Cup title yesterday at Sha Tin. Seventh in the Feb. 26 Centenary Sprint Cup and third in the Mar. 26 Chairman's Sprint Prize, the bay gelding was allowed an easy lead in the 1400-meter test. But 4-6 favorite **Joyful Winner (Aus)** (El Moxie) and visiting jockey Christophe Soumillon came charging from the back of the pack to catch Silent Witness just strides from the wire, beating him by a length. Owner Archie da Silva was encouraged by the effort. "He's still not at his best...I think he's still two lengths from his top," he commented. "But he was getting there. Maybe he can get there first next month." The top two will meet again in the May 7 Champions Mile. Trainer John Moore said of Joyful Winner, "If he does well in that race, we might consider the Yasuda Kinen in Tokyo in June."
