SMUGGLER RETURNS IN BED O'ROSES

Last year's champion three-year-old filly **Smuggler** (Unbridled) makes her 2006 debut in the GII Bed o'Roses BC H. at Aqueduct tomorrow afternoon. The bay filly has not been out since winning the GI Coaching Club American Oaks last July 23. Plagued by a fever while preparing for the GI Alabama S. at Saratoga, she was given some time off, but the problem cropped up again when she returned to training in the fall. "She went to Kentucky for a couple of months and we got her back in the barn in October," trainer Shug McGaughey explained. "We breezed her once...and she got sick again." McGaughey opted to give the Eclipse winner another vacation, but she was back on the work tab by mid-March and has been breezing steadily ever since. "She's really enjoying what she's doing," the Kentucky horseman remarked. "She's bigger and stronger than she was last year. I'm really looking forward to getting her started." Smuggler has not tried a distance as short as the seven furlongs of the Bed o'Roses since breaking her maiden in a six-furlong sprint. "Seven furlongs is probably not her best distance, but it should get her ready to run longer," McGaughey admitted. **Bed o'Roses field, p6**

EASTER A SMASHING SUCCESS

A diverse international bench competing fiercely at the top end pushed the Inglis Australian Easter Yearling Sale to unexpected new heights, as the three-day event concluded yesterday with significant increases in all major statistical categories. The auction house reported a total of 406 horses sold for a gross of A\$117,130,000, a 29.4-percent increase from 2005, while the average of A\$288,498 and median of A\$180,000 represented gains of 38.9 percent and 20 percent, respectively. The purchasing power of international buyers including Charles Laird (eight for A\$5,640,000); Tim Stakemire, agent for Sheikh Mohammed bin Khalifa Al Maktoum (nine for A\$3,870,000); and Angus Gold, agent for Shadwell (five for A\$3,580,000) made it tough for domestic buyers, but local trainer Tim Martin did sign for nine yearlings and gross receipts of A\$1,885,000. "This has been absolutely amazing," commented Inglis' Managing Director Reg Inglis. "It is the greatest sale ever held in this part of the world. After the first day it was so successful and we knew it would continue." A total of 14 youngsters achieved seven-figure price tags, compared to just eight last year, and the sale set records as a son of Redoute's Choice (Aus) brought A\$3 million and a daughter of Encosta de Lago (Aus) was sold for A\$2.6 million. **Easter Sale cont. p2-4**

IN FOR THE KILL

John Grant's **Killybegs (Ire)** (Orpen) was all business on the Rowley Mile yesterday, rushing to a 3 1/2-length success in the G3 Craven S. He had lost out by a short head to Aussie Rules in the G3 Somerville Tattersall S. when last seen at Newmarket in October, but, off at 9-2 in his return, had daylight on the field after taking control inside the final quarter. "I said to [jockey] Michael [Hills] before the race that I wasn't sure if he would stay the mile, but he didn't seem to be stopping and, in another 100 yards, he would have won by even further," trainer Barry Hills commented. "He's improving all the time and there is no doubt he has done well from two to three." **Craven S. cont. p7**

OUIJA BOARD DRAWS WELL FOR QE II CUP

Champion **Ouija Board (GB)** (Cape Cross {Ire}) drew post eight for Sunday's G1 Audemars Piguet Queen Elizabeth II Cup at Sha Tin. The five-year-old mare faces 12 rivals in the 2000-meter test. "[Jockey Frankie Dettori] should be able to go where we want from there, so we've got to be happy with that," said Robin Trevor-Jones, travelling head lad for trainer Ed Dunlop. If Ouija Board can win the QE II Cup, she will earn a bonus of HK\$1 million for adding the victory to her score in the G1 Hong Kong Vase in December. **QE II Cup field, p6**

Alinghi's Full Sis Center Stage....

Harry and Arthur Mitchell's Yarraman Park Stud capped a whirlwind 24 hours when Demi O'Byrne snared hip **451** the much-anticipated full sister to champion filly Alinghi (Aus) (Encosta de Lago {Aus}), for A\$2.6 million, a new Australasian filly record. The family-owned farm had three youngsters fetch A\$5.9

million within 24 hours, and 14 sold overall at an average of A\$755,357. "It has been pretty nerve wracking...I think a few of us will go and have a nice dinner somewhere and a few bottles of decent red," said Arthur Mitchell. "It won't change anything. We will poke along

the way we always do." As for the record-breaker, he added, "We knew she was a nice foal and she grew into a nice yearling, but it goes beyond being monetary. She was a very special filly." Bidding began at A\$1 million, then Coolmore, which bought only one other horse during the sale, entered the fray at A\$2 million and outstayed underbidders believed to include Sheikh bin Khalifa al Maktoum and Irishman Seamus Burns. "She was a standout at the sale from day one. It was just a matter of waiting and hanging around," said Coolmore's Michael Kirwan. "She was faultless really, she looks like a real racehorse and the fact that she is a full sister to a champion only enhances her appeal." The filly will be trained by Lee Freedman, who also prepared Alinghi. The champion won 11 races, including four Group 1s, before she was sold to Arrowfield for a reported A\$3 million. Continuing her career in the U.S. under the guidance of trainer Bobby Frankel, she captured the Gill Ballston Spa Breeders' Cup H. at Saratoga before finishing eighth in the GI Shadwell Turf Mile in October.

In Other Action....

Trainer **Gai Waterhouse** gave A\$2.2 million on behalf of an overseas owner for lot **385**, a full sister to Group 1 winner Shamekha (Aus) (Secret Savings). "Everyone was talking about the sister to Alinghi, but for me, this was the standout filly of the sales. She just reminds me so much of Shamekha--she is the most fluid, glorious filly," said Waterhouse. Dr. Shalabh Sahu of Emirates said the filly had been out more than 100 times and had a A\$1-million reserve. Waterhouse trained Shamekha and her sire, who captured the G1 Doncaster...**Dehere**, relocated for this season from Arrowfield to Coolmore, was among leading sires, averaging \$585,500 for 10 sold. The group was headed by a half brother to Listed winner Keep The Faith (Aus) (Sunday Silence). From Duelling Girl (Danzig) (lot **280**), he was purchased by Woodlands for A\$1.1 million from the draft of John Messara's Bellerive Stud. Agent Vin Cox gave A\$925,000 for a Dehere--Hill of Grace (NZ) (Zabeel {NZ}) colt on behalf of a Californian client, and A\$600,000 for a Dehere--Lady Mulan (NZ) (Bigstone {Ire}) colt for a Sydney owner. Both were offered by Willow Park. "Both horses were lovely athletic horses, with fantastic pedigrees out of great racing mares, and by a very good horse in Dehere," said Cox. "He is a consistent sire with a great winner-to-runner ratio and can get a top horse. More importantly, they have got the pedigrees that hopefully, if they win the right races, make them worth a lot of money as stallions," he said...**Redoute's Choice** predictably accounted for six of the 14 million-dollar lots, with his 35 yearlings averaging \$710,857. "Redoute's Choice is an incredible stallion," said Reg Inglis. "He brought everyone to the sale and those that couldn't buy one stayed on and bought others. The whole sale is a huge credit to our vendors." **Easter Sale cont. p3**

Woodlands Add to their Coffers....

The Ingham family's Woodlands Stud certainly had the arsenal to return fire in several sale ring battles, emerging as leading buyer on 27 yearlings bought for A\$13,110,000. "We are very happy with what we have bought; most of the fillies we have purchased are close to what we thought their value was," said Woodlands bloodstock manager Trevor Lobb. "This is part of a bigger picture to ultimately upgrade the strength of the broodmare band at Woodlands. We've had a lot of success on the track with the horses we've bought and hopefully that will continue." **Easter cont. p4**

What They're Saying At The Sales...

Shadwell Racing Manager Angus Gold

"Sheikh Hamdan prefers to stick to buying yearlings on the whole and we have had a bit of luck down here, so we have come down to reinvest. I think the sale has changed beyond all recognition since I first started coming here 20 years ago. The quality has changed and improved so much in that time. Whether the shuttle horse has resulted in a different type of horse here I am not sure, but it has really grown up now, and it is wonderful to see."

Vin Cox, agent

"It has been a phenomenal sale, full credit to Inglis, they have got everyone here locally and internationally and they are all fired up to buy horses. They have put together an outstanding bunch of horses, the most athletic yearlings you will see anywhere; everywhere you went you saw a nice horse."

Trainer Gai Waterhouse

"The sale is terrific value for overseas people and you notice people from South Africa, Asia, the studs, Sheikh Mohammed's people, and why wouldn't they? It's the same bloodlines for a tenth of the price. It seems expensive for us, but internationally it is value for money."

Michael Kirwan, general manager Coolmore Australia

"This is as good a sale as you will get anywhere."

RECORD RUN AT TATTS

A colt by Green Desert out of G3 Park Hill S. winner Alexander Three D (Ire) (Pennekamp) provided the icing on the cake in Newmarket last night, bringing a record-breaking 625,000gns at the concluding session of

Record-setting hip 451
tattersalls.com

a fantastic renewal of Tattersalls' Breeze-Up Sale. The sale saw a 70-percent rise in turnover to a record 10.7 million guineas, while the average of 73,034 guineas and median of 50,000 guineas were both up 43 percent. There were 28 six-figure lots, compared to 19 a year ago. Officials from the sales company were naturally thrilled by the result. "It is not often that

a sale completely rewrites the record books, but the 2006 Tattersalls Breeze-Up has done just that," said Tattersalls Chairman Edmond Mahony. "Only five years ago the aggregate at this sale was just over 2.5 million guineas, the average was a touch over 23,000 guineas and the top price was 82,000 guineas. Equally importantly, the sale has achieved a clearance rate that would be the envy of any similar sale in the Northern Hemisphere." Willie Browne's Mocklershill Stables, which accounted for nearly 30 percent of the entire aggregate, consigned the sales topper, who had been bought back for 310,000gns as a yearling. Hiroaki Akita, manager of Katsumi Yoshida's Northern Farm in Japan, signalled the successful bid, but only after seeing off Mags O'Toole, Richard Frisby and finally agent Dick O'Gorman, who has in the past helped Sheikh Mohammed's buying team. "He was the one we really wanted," said Akita. "We were very impressed by the canter on Tuesday. He was strong behind with a great punch, that's what we really liked. He won't be pushed at all and we haven't decided on a trainer yet." **cont. p5**

What Can Browne Do For You...

Willie Browne's great week continued shortly afterwards, selling a Galileo (Ire) colt out of Sometime (Ire) (Royal Academy), herself a daughter of the great mare Alidiva, for 390,000gns. The chestnut RNA'd for \$130,000 at Keeneland in September. Co Meath trainer Ger Lyons outbid Peter Doyle for the colt. He was bought on behalf of a Galway-based owner who is building up Glenview House Stud. "That was our limit, everything has to have a value and we wouldn't have gone any higher. He was our pick of the sale, but I told my man that I didn't think we'd get him," said Lyons. "He has a serious pedigree and had quality written all over him. He probably wouldn't be seen out until a back-end maiden this year and might not even run before he is three; he is a long-term prospect."

Zayat Active Overseas As Well...

New Jersey-based businessman Ahmed Zayat, who has been very active at this year's two-year-old sales in the U.S., went to 280,000gns via Blandford Bloodstock's Richard Brown for a Danehill colt consigned by Mocklershill. "He's the last of the Danehills and breezed really well. We'll give him an easy week and then decide on a trainer," said Brown. Zayat's British horses are currently split between Michael Bell, Neville Callaghan, John Gosden, Jeremy Nosedo and David Simcock.

Sharp Humor Preps at Churchill...

GI Florida Derby runner-up **Sharp Humor** (Distorted Humor) was clocked working a mile in 1:38 flat at

Sharp Humor Reed Palmer

Churchill Downs yesterday morning. Jockey Mark Guidry, who will have the mount for the May 6 GI Kentucky Derby, was in the saddle. "The way he worked today couldn't have been any better," trainer Dale Romans said. Romans is optimistic about his chances

on the first Saturday in May. "I think he's going to run well," he remarked. "He's so smart and he's so laid-back. He has tactical speed, he'll put himself in the race, and I think he'll prove he has the stamina. If he's good enough, then I think he could win it."

Itinerary Change for Brother Derek?

GI Santa Anita Derby hero **Brother Derek** (Benchmark) is scheduled to ship to Louisville Tuesday, but trainer Dan Hendricks said yesterday that plans could change. "There's the slightest chance we could change our travel plans by two days and go on the 27th," said Hendricks, "but it's not a big issue. I'll know more by Saturday." Brother Derek is scheduled to work Sunday or Monday, but there is the possibility of rain in the forecast, which could delay the breeze and the ship. The bay galloped at Santa Anita yesterday. "All looks good," Hendricks said.

Sinister Minister Back on Track...

GI Blue Grass winner **Sinister Minister** (Old Trieste) returned to the track for the first time since his upset victory yesterday, but the three-year-old is still feeling the effects of his 12 3/4-length triumph. "It was a pretty hard race on him and he was tired, but he's coming out of it," trainer Bob Baffert said. "He was supposed to gallop, but he was still a little lethargic, so he jogged instead."

Killybegs scored a brace of easy wins at the July Course here and at Redcar last summer. He finished third in the G2 Champagne S. at Doncaster before his tussle in the Somerville Tattersall on this track. Always prominent out wide here, he was firmly in control as Metropolitan Man stayed on to win the battle for second. "He's done well physically over the winter and he needed a run," jockey Michael Hills said. "He's got a lot of class and his ace card is he's up for a fight. With Aussie Rules last year, they went head-to-head for a furlong and he wasn't going to give up and was unlucky on the bobber. When I gave him a back-hander today, he really went for it and he's a sturdy, well-made horse who can take his races." Barry Hills confirmed the winner on course for the G1 2000 Guineas over course and distance May 6, while the runner-up's conditioner David Simcock earmarked the Listed Heron S. at Goodwood May 25. NOTHING TO LOSE TO AUSTRALIA GISW Nothing to Lose (Sky Classic--Cherlindrea, by Clever Trick)

has been purchased by Walter Alteri's Newlands Thoroughbreds in Australia from Ken and Sarah Ramsey and will begin his stud career when the Southern Hemisphere season opens in August. The six-year-old won the GIII Palm Beach S. and the GIII Tropical Park Derby at three, then added victories in the GI Shadwell Turf Mile and GII Fourstardave H. at four. He had not raced since finishing sixth in the GI Citation H. in November of 2004. The bay retired with a record of 15-6-3-1 and earnings of \$809,210. "With the ridiculous prices being paid of late for stallion prospects that haven't won at Grade I level, I think we have done very well to obtain a horse of this caliber," said Alteri. "He is also 16.2 hands high, was a two-year-old winner and had such a powerful turn of foot, we believe he is a great choice for mares in Australia." A stud fee has not yet been announced.

This race was marred by a spill after the finish, as Up an Octave proved a game winner, but broke down a sixteenth past the wire. He suffered a compound fracture of his left front leg and was euthanized. Velazquez, who was rolled on by his mount, was described as being "awake and alert" by track physician Dr. Barry Schumer and was transported to the University of Kentucky Hospital for further testing. Up an Octave made his grass debut a winning one, taking Calder's Dec. 10 Kris S. by a head over Yankee Master, then resurfaced to run a respectable third in the Hallandale Beach S. Feb. 12. Making his graded-stakes debut in the Mar. 12 Gill Palm Beach S., he came just a neck shy of getting his picture taken when second to Go Between last out. Kept within striking distance by John Velazquez here as Tahoe Warrior reeled off moderate splits, he fought past the pacesetter, only to suffer the fatal injury. Keeneland Board Approves Polytrack Plan:

The Keeneland Board of Directors yesterday approved the plan to replace the Keeneland main track with a Polytrack surface. The track will still measure a mile and a sixteenth, but it will be widened in some areas, and the stretch will be longer, increasing from 1,124 feet to 1,235.6 feet. "With these renovations and improvements, we hope to have one of the safest and most modern racetracks in the world," Keeneland President Nick Nicholson said. "We believe that by taking advantage of the latest, cutting edge advancements and creating the safest racing environment possible, we further the mission laid out by our founders to build a model racetrack." The installation will begin next month, and is expected to be completed well before the fall meet opens Oct. 6.

The winner was claimed by Pat Reynolds. Breeders' Cup Sprint winner Silver Train, off since finishing seventh in the Mar. 4 GI Richter Scale Breeders' Cup H., broke through the gate prior to the start. Once underway, the dark bay colt was always in striking distance of the top two, fell back slightly in the stretch, but closed well to be second. "I was happy with his race," trainer Richard Dutrow, Jr. said of the beaten favorite. "It's all about his next race [the May 29 GI Metropolitan H. at Belmont]. He'll be all right for that." + **KERRY'S DREAM (GB) (f, 2, [Tobougg {Ire}](#)--Jetbeeah {Ire} {SP-Eng}, by Lomond)**, a 21,000gns DONSEP yearling purchase, played catch-up for the first part of the race, but her persistence paid off as she closed on the leaders inside the final quarter. Grabbing Joseph Locke (Ire) (Indian Rocket {GB}) inside the final 50 yards, the 10-1 chance was driven out to score by a half length. She becomes the first winner for her freshman sire (by Baratheia {Ire}). Lifetime Record: 1-1-0-0, £4,534.

Racing keenly in second through the early fractions, the half to Salon Blue (Ire) (Bluebird), SW & GSP-Ger; and Salonhonor (Ger) (Highest Honor {Fr}), SW & GSP-Ger, edged to a slight lead with three furlongs remaining and responded to a forceful drive in the closing stages to hold the lunge of Font (GB) (Sadler's Wells) by a neck. The winner was a €180,000 DEAAUG yearling acquisition. Lifetime Record: 3-1-0-2, £6,012.

This was no ordinary newcomers' event with eventual winner Phantom Rose lining up against half-sisters to G1 heroines Rebelline (Ire) and Six Perfections (Fr), among others, in a contest awash with potential class. The Juddmonte homebred was no shrinking violet herself, hailing from a deep catalogue page and daughter to a GI Breeders' Cup Sprint runner-up to boot, and rewarded punters' awareness with a highly-polished display before the chateau. Breaking with panache from an outside box to track the leading pair, the 9-10 pick moved smoothly throughout this first at bat. She oozed confidence when taking command, on the bridle, approaching the final furlong and required minimal use of the gears thereafter to dispose of promising blueblood Partly Sunny (GB) (Alhaarth {Ire}) by an unextended 1 1/2 lengths. The Niarchos Family's Breathe (Fr) (Ocean of Wisdom) also ran with credit, overcoming greenness and running-on after the issue was settled to claim fourth nearing the line. DUTROW TRIO ON THE COMEBACK TRAIL

By Steve Sherack

Trainer Richard Dutrow, Jr. enjoyed a banner season in 2005, campaigning GI Breeders' Cup Sprint winner Silver Train and GI Breeders' Cup Classic hero and Horse of the Year Saint Liam. The second-generation horseman looks to keep that momentum rolling in 2006 with a couple of fresh faces off the bench.

Sis City (Slew City Slew), who was claimed by Dutrow for \$50,000 during her juvenile season at Saratoga, was a runaway victress of Keeneland's GI Ashland S. last April, but failed to hit the board in her next three attempts, finishing fourth in the May 6 GI Kentucky Oaks, the July 16 GII Delaware Oaks and the Aug. 20 GI Alabama S. last out. "I guess you could call it [going sour]," Dutrow explained. "She wasn't hitting and pushing off right, so we just regrouped. She's very good now."

Sis City has been tuning up over the Palm Meadows lawn in preparation for her 2006 debut. The 2004 GII Demoiselle S. heroine will return in the GIII Churchill Downs Distaff Turf Mile on the Kentucky Derby undercard, which will mark her first try on the grass.

Love of Money (Not for Love), upset winner of the 2004 GII Pennsylvania Derby, only faced the starter three times in 2005. The dark bay began his four-year-old campaign with a game third behind Rock Hard Ten and Imperialism in the GII Strub S. Feb. 5, then reported home a six-length winner in a \$75,000 optional claimer at Belmont May 25. He was given the rest of the year off after finishing a well-beaten sixth in the GI Met Mile just five days later. "I'm happy with him,"

Dutrow said. "I only give them time off if they need it. I think he needed to get over something, I don't know exactly what he was getting over, but he got over it. He's doing good right now... Right now, he's right."

Love of Money will likely resurface at the upcoming Belmont spring meet, which begins May 3. "Maybe the mile race at Belmont [May 3, GIII Westchester S.] or the sprint coming up [May 13, GIII Bold Ruler S.], one of those stakes," Dutrow said of possible targets for the \$70,000 FTMSEP yearling purchase. "There's a money allowance for him there, too. Nothing's concrete, but there's a lot of options right now for him as long as he stays the way he is now."

Last season's Queen's Plate S. victor **Wild Desert** (Wild Rush) is also ready to get back to work. On the shelf since running third as the 1-5 chalk in the Prince of Wales S. July 17, the four-year-old has battled several ailments, including an injury to his hind end. Dutrow has slated the May 5 \$100,000 Alysheba S. at Churchill for his seasonal debut. "He likes Churchill and he's ready to run, so I figured I'd keep him there and run him in the [GI] Stephen Foster H. [June 17] after [the Alysheba]," the 46-year-old said. The Ontario-bred joined the Dutrow barn after finishing eighth behind Afleet Alex in last term's GII Arkansas Derby, but is yet to run under the conditioner's name.

"His hind end was one of his issues when we got him," he added. "We straightened out all his issues and then he won that race [Queen's Plate] in Canada. He was under [trainer] Bobby's [Frankel] name at the time, but he was our horse. I was under suspension at the time. I got into a lot of trouble over bringing that horse into Aqueduct and I'm gonna wind up doing another suspension because of that. But he's worth it."

A perfect two-for-two since getting transferred to Dutrow, **Luxembourg** (Wild Rush) may try the GIII Withers S. at Aqueduct Apr. 29 next. The Buckram Oak colorbearer graduated impressively at Gulfstream Mar. 4, then added a \$100,000 optional claimer on the Wood undercard.

"I'm going to look at the Withers because it's right in his backyard, the same distance and one turn," Dutrow said. "If it doesn't come up too tough, we might do that, but I'm not in any hurry to do anything. But if that race comes up the right way for him, we'll run him there. I don't see that being a bad move, but if it is, then we won't."
