**“RAINE” REIGNS AT INGLIS SALE**

The unreserved dispersal on behalf of the receiver and managers of the Written Bloodstock Syndicate

**Our Egyptian Raine** *hkjc.com*

provided the highlights of yesterday's second session of the Inglis Australian Select Broodmare Sale. The dispersal was responsible for the top two lots on the day, with the Group 1-winning mare **Our Egyptian Raine (NZ)** (Desert Sun {GB}) leading the way

with a final bid of A\$900,000 from bloodstock agent Kieran

Moore. "She's a nice type," Moore said of the session topper. "She was a very genuine performer and a great racemare." Our Egyptian Raine is in foal to Good Journey. Although buying on behalf of new European-based clients, Moore indicated the mare would remain in Australia and would be bred back to Redoute's Choice (Aus). Also from the dispersal, three-time South African Group 1 winner **Paraca (Arg)** (Kitwood) attracted a final bid of A\$800,000 from South African agent Robin Bruss and his Northfields Bloodstock Sales Pty. The six-year-old, South Africa's champion juvenile filly of 2001-2002, is also in foal to Good Journey. Through two of the broodmare sale's three sessions, Inglis has sold 293 mares for a total of A\$16,089,050 and an average of A\$54,911. "There has been good competition for mares at all levels of the market today," said Inglis Managing Director Reg Inglis. The sale concludes today, with 278 lots scheduled to begin selling at 12 noon. **Toppers, p2**

**Cal Contingent On the Work Tab...**

**Brother Derek** (Benchmark), the ante-post favorite for the May 6 GI Kentucky Derby, tuned up for the big test at Santa Anita yesterday, going seven furlongs in 1:28.40 under jockey Alex Solis. The GI Santa Anita Derby hero galloped through splits of :28.40, :52.20, 1:03.80 and 1:16.40 before getting his last eighth in :12 flat. Trainer Dan Hendricks was pleased with the move. "He broke off nice and easy and then picked it up and cruised on home," Hendricks said. "Alex was happy with the work. He never looks like he is doing anything because he does it so easy." The bay was scheduled to ship to Louisville today, but will instead wait until Thursday to head east.

"It gives him two more days here at home," Hendricks explained. Trainer Bob Baffert sent two of his three Derby candidates out to stretch their legs yesterday, with GI Wood Memorial winner **Bob and John** (Seeking the Gold) getting seven furlongs in 1:25 and stablemate **Point Determined** (Point Given) stopping the clock in 1:24.80. "They both went fine," Baffert said. The third member of the group, **Sinister Minister** (Old Trieste), vanned from Keeneland to Churchill yesterday afternoon. Also

working out on the West Coast yesterday, **A.P. Warrior** (A.P. Indy) went seven-eighths in 1:27.40 at Hollywood Park. He will breeze again Sunday and fly to Kentucky Tuesday, May 2. **Triple Threats cont. p2**

**Asmussen Duo Works in Company...**

Trainer Steve Asmussen sent his two Derby hopefuls out to work in company at Churchill yesterday. **Private Vow** (Broken Vow), seventh in the GIII Rebel S. and third in the GII Arkansas Derby, and **Storm Treasure** (Storm Boot), a distant second in the GI Blue Grass S., went five furlongs in a co-bullet 1:00.20 and galloped out six panels in 1:13.30. "Storm Treasure is an extremely laid-back horse and will do anything you want,"

**Private Vow & Steve Asmussen**  
*Horsephotos*

Asmussen said. "He's always been very good company for Private Vow." The Texas horseman was particularly impressed by Private Vow's effort. "I was excited about how he went today," he said. "He has not worked this good all year. So, is he good enough? Can he go far enough? Those are huge questions, but he sure made me think positive today." Jockey Shaun Bridgmohan, in the irons for the work, will have the mount on Private Vow on the first Saturday in May. A rider has not yet been named for Storm Treasure.

**CORRECTION:** Yesterday's *TDN* omitted sales information on the first and second-place finishers of Sunday's G3 Prix de Fontainebleau. The winner, **Stormy River (Fr)** (Verglas {Ire}), sold as a yearling for €60,000 at the 2004 DEAOCT sale. Runner-up **Light of Joy (Fr)** (Mark of Esteem {Ire}) sold as a yearling for €30,000 at the 2004 DEAAUG sale.

**CORRECTION:** Saturday's *TDN* omitted sales information on **Nasheej** (Swain {Ire}), winner of the G3 Fred Darling S. at Newbury. The three-year-old filly was a \$44,000 KEEJAN yearling.

According to the Jockey Club, Swain's 2005 book at Shadwell Farm amounted to only 12 mares (with six of those mares coming from the Shadwell broodmare band). This sad statistic suggests that American breeders have almost totally fallen out of love with this very good horse, considered by many to have been unlucky not to defeat Awesome Again and Silver Charm in the 1998 Breeders' Cup Classic.

Even though Swain veered right across the Churchill Downs track to finish near the stands' rails, he was still good enough to account for such as Victory Gallop, Coronado's Quest, Skip Away, Touch Gold, Arch and Gentlemen on his first appearance on an American dirt track. His connections had been persuaded to opt for the Classic rather than the Turf by Swain's tremendous display earlier in the year in the Dubai World Cup, when he had failed by only a short head to defeat Silver Charm.

It was these excellent efforts which no doubt persuaded the Maktoum brothers to stand Swain in Kentucky, rather than in Europe, where he had taken consecutive editions of the G1 King George VI and Queen Elizabeth Diamond S.

Also, Swain would have come into direct competition with his magnificent sire, Nashwan, had he been based in Britain. I suppose that Swain could have returned to Britain after Nashwan's premature death in 2002, but by then he would have come into competition with another of Godolphin's top international performers, Fantastic Light, whose second dam, Kamar, is a sister to Swain's dam, the Grade I-winning Love Smitten.

The problem which a horse like Swain faces in today's American industry is that many breeders wouldn't consider him to be either fast enough or precocious enough.

**Pedigree Insights cont.**

Unraced at two, he made his first three starts over 1 3/4 miles, winning all three of them including the G3 Prix du Lys. It wasn't until he was six, when he won the G1 Irish Champion S., that he finally recorded his first success at a distance short of 1 1/2 miles.

With this history of middle-distance excellence, it is easy to overlook the fact that all four of Swain's grandparents were stakes-winning two-year-olds. One of them, Blushing Groom, was a fast-maturing colt who could almost be described as the ultimate in two-year-old dynamism.

Under the circumstances, it isn't so surprising that Swain has now sired three individuals which have won important Guineas trials, on each occasion receiving help from some fast or precocious bloodlines in his mates. Dimitrova--later to become a Grade I winner in the U.S.--won the Leopardstown 1000 Guineas Trial in 2003, the same year that Muqbil won the G3 Greenham S., and now he has come up with Nasheej. This very talented filly was winning for the fourth time in six starts, and the third time at group level, when she gamely held on to win the G3 Dubai Duty Free S.

Nasheej's dam El Nafis was sold by Shadwell at Keeneland's 2002 November Sale, while in foal to Swain. Her price was only \$36,000 and she was transferred to Florida, where she visited Straight Man in 2003 and Delaware Township in 2004. She was back in the sales ring early in 2005, this time making \$42,000.

**NASHEEJ, f, 2003**

<b>Swain (Ire)</b>	Nashwan	Blushing Groom (Fr)	Red God	
		Height of Fashion (Fr)	Runaway Bride (GB)	
	Love Smitten	Key to the Mint	Bustino	
		Square Angel	Highclere (GB)

				Nangela
			Northern Dancer	Raise a Native
			Flaming Page	Gold Digger
	Poker	Nureyev		
	Fair Charmer	Pasadoble		

Exactly why El Nafis has sold for such comparatively low prices is hard to know. The blame certainly doesn't lie with her bloodlines, as she has some very high-powered bloodlines. She is a daughter of Kingmambo, one of the highest-priced stallions in the U.S., and she's out of Ghashtah, a Nijinsky mare bought by Shadwell for a whopping \$2,300,000 as a weanling.

Combining Kingmambo with mares with Nijinsky blood has produced several major dividends, such as the outstanding British filly Russian Rhythm (out of a Nijinsky mare), the St Leger winner Rule of Law (out of a mare by Nijinsky's son Royal Academy) and the Japan Cup hero Alkaased (out of a mare by Niniski, another son of Nijinsky). El Nafis wasn't in the same league as these Group 1 winners, but she did win over a mile at two.

That's not the end of El Nafis's glamorous connections. Ghashtah was a sister to Seattle Dancer, the colt who still holds the record price for a yearling, at \$13,100,000. Seattle Dancer was a very good racehorse--twice a winner at the Group 2 level--without being nearly as good as his Classic-winning half-brothers Seattle Slew and Lomond.

Mention of Seattle Slew is a reminder that he, too, has played a significant role in Kingmambo's rise to the top. It was Seattle Slew who sired the dam of Lemon Drop Kid and the second dams of two other very good colts in the outstanding Japanese colt El Condor Pasa and the Group 1-winning Dubai Destination. In other words, El Nafis' bloodlines had the potential to produce something out of the ordinary.

As Kingmambo is a son of Mr. Prospector, a leading sire of broodmares, there was always every chance that this horse, who combined Classic performance with a classic pedigree, would also quickly make his mark in this area.

Kingmambo's daughters were represented by their first Group 1 winners in 2005, when Maids Causeway won the Coronation S. and Suzuka Mambo landed the spring edition of the Tenno Sho. Woodlander and Manbala were other 2005 group winners out of daughters of Kingmambo, and there will surely be plenty more to come this year.

**FAIR GROUNDS DATES APPROVED** The Louisiana State Racing Commission yesterday approved Fair Grounds' request for an 81-day meet in 2006-07. The season will open Thanksgiving Day, Nov. 23, 2006, and run through Mar. 25, 2007. The 2005-06 meeting at Fair Grounds had to be cut to 37 days and was moved to Louisiana Downs due to the damage caused by Hurricane Katrina. There are still extensive repairs to be done on the backstretch, but work on the roof of the grandstand and clubhouse were completed at the end of March, and power was restored to the track at the beginning of April. The New Orleans Jazz and Heritage Festival will be held at Fair Grounds Apr. 28.

**CHRB To Study Multi-Year Racing Dates:**

The California Horse Racing Board has announced that it will be holding a series of meetings aimed at developing long-range plans designed to safeguard the health of Thoroughbred racing in the state. With the future of some of California's five privately owned racetracks in question, the CHRB will study the possibility of allotting dates on a multi-year basis, thus ensuring that the tracks will remain in operation for the duration of the dates contracts. A new committee, the Race Dates and Strategic Planning Committee, will focus on the issues. CHRB Chairman Richard Shapiro and Vice Chairwoman Marie Moretti will both serve on the committee. "The committee plans to meet both earlier in the calendar year and more often than in past years to review what is in the best interests of the industry and the public," Shapiro said. "I already have discussed the subject with all track owners in the state and nearly all of the organizations. We tried to discuss their views, concerns and philosophies of how California should move forward. I have not suggested or concluded what a final outcome will be to anyone. I have stated that I want to see racing promoted, and the best program presented within the state." He added, "Our job as racing commissioners is to protect and enhance the sport throughout the state. We are not doing our job if we sit by and wait until the last minute to find out that one of our tracks intends to cease operating." While it is not Shapiro's intent to threaten racetrack owners with the new committee, he does foresee changes within the industry in California. "It is imperative that we strategically plan the future of horse racing in this state, and part of that discussion must include commitments from the track owners not only to continue racing, but also to refurbish their facilities and to promote their meets," he remarked. "Personally, I think it is worth consideration to allocate multi-year racing date contracts to track owners. This would obligate the tracks to operate for the terms of their contracts and would also contain conditions under which they would be obligated to operate."

**SOVIET SONG LOCKINGE BOUND** The Elite Racing Club's five-time Group 1 winner **Soviet Song (Ire)** (Marju {Ire}) is on target to make her seasonal return in the May 20 G1 Juddmonte Lockinge S. at Newbury, connections revealed yesterday. Trainer James Fanshawe confirmed the Newbury mile contest as top of the agenda for the six-year-old, who has been off the track since finishing runner-up in the G1 Sussex S. at Goodwood in July. "She did her first bit of work on Saturday and really enjoyed that," Fanshawe said. "She looks great and her feet are good. We'll perhaps do a bit more with her to see how she is really going, but she is full of enthusiasm. I'd love to have a go at the Lockinge if we could and we've got a bit of time and hopefully we can get there. Otherwise there is the G2 Ridgewood Pearl S. [at The Curragh May 27]."
