CAN ANYBODY BEAT BARBARO?

There hasn't been a Triple Crown winner in 28 years, but after watching unbeaten **Barbaro** (Dynaformer)

Barbaro Horsephotos

storm down the stretch to win the 132nd running of the G1 Kentucky Derby by 6 1/2 lengths over 30-1 **Bluegrass Cat** (Storm Cat) at Churchill Downs yesterday, it's easy to believe that the drought is about to end. Posting the biggest winning margin since Assault won by eight in 1946, the imposing dark bay became the sixth undefeated three-year-old to wear the blanket of roses. He looks to follow in the hoofsteps of Seattle Slew as the second to sweep the series. "I never had a doubt about the kind

of horse he is," said jockey Edgar Prado, who was winning the race for the first time. "He is a very nice horse--now, hopefully, he can win the Triple Crown." **Kentucky Derby cont. p2**

More potentate than president, **George Washington (Ire)** (Danehill) rules the roost at Ballydoyle, but his subjects will remain loyal as long as he continues to perform. Sent off the 6-4 favorite in yesterday's G1

2000 Guineas at Newmarket, the bay simply toyed with his rivals, striding to a 2 1/2-length triumph over an over-matched **Sir Percy (GB)** (Mark of Esteem {Ire}). "When he wants to do something, there's no point meeting him head on," said conditioner Aidan O'Brien. "Everyone has worked very hard just to make sure everything is right for him and to meet his needs.

You feel like a servant to him, but he's been so good all his life and so superior to his companions, he just developed this attitude that he's different class to every other animal around." **2000 Guineas cont. p3**

GO, SISTER

Godolphin's record in the G1 1000 Guineas reads two successes four years apart; it could be their time again if **Silca's Sister (GB)** (Inchinar {GB}) can maintain the pattern in today's renewal at Newmarket. The full sister to the top-class Golden Silca (GB) will do well if she can imitate the brilliance of 1998 winner Cape Verdi (Ire) and the toughness of 2002 heroine Kazzia (Ger). Purchased privately, Silca's Sister bettered her sibling's third behind

Orpen in the 1998 G1 Prix Morny, taking the measure of Ivan Denisovich (Ire) in that Deauville contest last August. Connections are hopeful she will improve on Golden Silca's seventh in the Guineas. "Silca's Sister spent a good winter in Dubai," trainer Saed bin Suroor said. "The filly is ready, but this a tough race and we will see what happens." **1000 Guineas preview cont. p4**

A Dream Trip...

Barbaro bobbed slightly as he raced away from post 8, but eased his way through the field to sit fourth, going stride for stride with stablemate **Showing Up** (Strategic Mission) as they raced around the first turn and down the backstretch. On the front end, it was **Keyed Entry** (Honour and Glory) leading **Sinister Minister** (Old Trieste) as they dashed off fractions of :22.63, :46.07 and 1:10.88, and those two were still at it as they neared the far turn. Showing Up, on the outside, and 5-1 chalk **Sweetnorthern**saint (Sweetsouthernsaint), from the rail, were the first to go after the frontrunners, but they were quick to fade, and Barbaro was just getting into gear. He carried jockey Edgar Prado to the front after a mile in 1:37.02 and was in complete control down the lane, getting his last quarter in :24.34 in a dominating performance. "He stumbled a little bit coming out of the gate, but after that I was just waiting for the time to turn him loose," Prado said. "And you saw what he did when I turned him loose--he exploded like a rocket." **Bluegrass Cat** came from just off the pace to be second, while **Steppenwolfer** (Aptitude) closed from far back for third. **Brother Derek** (Benchmark) was six wide around the far turn, was steadied twice at the end of the backstretch and was fanned out to the middle of the track while making his move in the stretch, then finished evenly to dead-heat with **Jazil** (Seeking the Gold) for fourth. A Roller Coaster Ride...

It was yet another of the remarkable milestones in the life of trainer Michael Matz. Matz, 55, emerged a hero from an airplane crash in a cornfield in Sioux City, Iowa, 17 years ago and became an Olympic silver medalist in show jumping seven years later. He retired from that sport in 2000 and turned his attention to horse racing. Barbaro was his first Derby starter. "This is a great feeling," Matz said as he stood on the podium in the Churchill Downs infield. "I'm so happy to have a horse like Barbaro--I can't tell you how happy I am."

Lucky 13...

Michael Matz was the subject of much criticism for racing **Barbaro** just once in the 13 weeks leading up to the Derby. A perfect three-for-three on the turf to start his career, the colt tried the dirt for the first time in the Feb. 4 GIII Holy Bull S. and prevailed by 3/4 of a length despite an obvious dislike for the sloppy Gulfstream strip. It was eight weeks before his next appearance in the Apr. 1 GI Florida Derby, but he came back to beat a stubborn **Sharp Humor** (Distorted Humor) by a half-length. It had been 50 years since a horse had been off for as many as five weeks before getting it done on the first Saturday in May, but Barbaro silenced the doubters to follow in the hoofsteps of Needles. If Matz felt vindicated, he kept his thoughts to himself. "I think [the outcome] speaks for itself," he said. "I don't have to say anything." Everyone expects to see the Derby winner in the gate in the May 20 GI Preakness S. While Matz wasn't ready to commit to the race, he did say, "It looked like he did it easy enough; it looked like he came back well. I don't think Edgar got after him too hard--I don't know if he hit him at all."

A Classic Double...

Roy and Gretchen Jackson's Lael Stables had more than the Derby to celebrate yesterday. The Jacksons also became the first breeders in history to produce the winners of the first leg of the American Triple Crown and the first leg of the British Triple Crown, the G1 2000 Guineas, in the same year. Yesterday's 2000 Guineas hero **George Washington (Ire)** (Danehill) was also bred by Lael, but was sold to Susan Magnier, Michael Tabor and Derrick Smith for 1,150,000gns as a yearling at the Tattersalls October sale. After the Derby, Roy Jackson said, "I don't know how to explain it. I don't know why this is happening to us, but we are really enjoying it. This is a dream come true for us, and I think it's extra-special to win the Derby with a homebred. We had the mare and raced her, and to have her go on and produce a Derby winner is the icing on the cake. I'm sort of speechless right now. I just feel blessed to be standing here today."

Confirming that his brace of Group 1 wins at two was just an appetizer, George Washington sliced through his peers at Newmarket yesterday before dominating the final quarter mile of this Classic under an assured Kieren Fallon, who was chalking up his eighth win in the Classic. But, not content with making a mockery of a high-class field, the Susan Magnier, Michael Tabor and Derrick Smith colorbearer planted himself on the walkway back to the winner's enclosure.

He refused to have his picture taken, forcing connections to unsaddle in the pre-parade ring. "He didn't want to come in because the other horses had gone the other way," trainer Aidan O'Brien, celebrating his fourth 2000 Guineas score, told *Racing Post*. "There was no point getting into an argument. If he pleases us on the track, that's the big thing."

In a League of His Own...

George Washington debuted at this meeting 12 months ago and was nearly knocked over before finishing third in a five-furlong maiden. He made all four subsequent juvenile starts at The Curragh, simply breezing through a maiden and the G2 Railway S. before opening up by eight devastating lengths in the G1 Phoenix S. over six furlongs in August. Sent a panel further in the Sept. 18 G1 National S., he inhaled his rivals with ease, but did not clear away as he had the previous month, winning by two lengths. Almost replicating that performance here, he was rank early and buried deep in the pack as Olympian Odyssey (Sadler's Wells) set a moderate pace. He split horses passing the quarter pole, went clear in a matter of strides and allowed Fallon the luxury of basking in the final 50 yards. "They don't get much better than this," the rider explained. "He's always shown an electric turn of foot and has done everything right today--he's a great horse to ride and I've never ridden anything like him." O'Brien believes there is more to come. "He'll get better and we can look forward to an exciting year," he remarked. "He's a very well-balanced, good-moving horse who loves racing. He doesn't do preliminaries great, but he has so much natural speed and cuts horses down so quick." Connections of Sir Percy were far from downbeat and the June 3 G1 Epsom Derby is in the cards. "He looks like he is going to come out of this race fine and I imagine it would be the plan to go straight to the Derby, but I'll have to discuss it with the owners," trainer Marcus Tregoning said. Olympian Odyssey, who kept up his early work to be third, will also be aimed at the Blue Riband. Park Appeal...

Cheveley Park Stud have long been associated with choice distaffers, but their big-race fortunes took a turn for the better when Russian Rhythm provided a first win in this Classic in 2003. They are two-handed this time with **Nannina (GB)** (Medicean {GB}), who represents the John Gosden barn--successful in 2000 with Lahan (GB)--and **Confidential Lady (GB)** (Singspiel {Ire}), who is a landmark first runner in an English Classic for Sir Mark Prescott. Nannina followed success in the G3 Prestige S. in August with a hard-fought defeat of Alexandrova (Ire) in the

Nannina (outside) sportinglife.com

G1 Fillies' Mile over course and distance in October. She makes her seasonal bow, but it is well documented that she has so far refused to shed her winter coat. Confidential Lady had a busy summer, winning the Listed Star S. at Sandown in July, then finishing second in the G3 Sweet Solera S. at the July Course and beating Quiet Royal in the G3 Prix du Calvados at Deauville in August. She disappointed when down the field behind **Rumplestiltskin (Ire)** (Danehill) and Quiet Royal in the G1 Prix Marcel Boussac in October, but, unlike Nannina, has advertised her well-being at home this spring. "Both fillies love fast ground," Cheveley Park's Managing Director Chris Richardson told *Racing Post*. "We're pleased to have two homebred fillies lining up, as that's a pretty big compliment to the whole operation. Confidential Lady was over the top in the Marcel Boussac and didn't appreciate the ground at Longchamp, running well below her form on that day. Its been a bore for the other filly that she hasn't come in her coat, but we've got to get on with it."

A Change of Pace...

Sir Robert Ogden's colors are more familiar at the major jumping meets, but in **La Chunga** (More Than Ready) he has a filly to light up the flat. She provided one of the most visually exciting displays at the Royal Ascot meeting at York last June, running away from the smart Vague and Rumplestiltskin in the G3 Albany S. before finishing fourth under a penalty in the G3 Princess Margaret S. at Newbury the following month. She found **Flashy Wings (GB)** (Zafonic) a length too strong in York's G2 Lowther S. in August, but jockey Darryll Holland thinks she will be on that rival's case again. "She's in great form and has worked really nicely," he said. "Her run behind Flashy Wings last year suggests wherever she finishes, we'll be right there. It's just the distance that's a concern, as she's got a lot of pace." **1000 Guineas cont. p5**

Donna Blini *bbc.co.uk*

who bids to cap a memorable start to trainer Brian Meehan's new career at the Sangster Estate at Manton. Twice victorious in Newmarket last year, she was the quickest over six furlongs in the G2 Cherry Hinton S. at the July Course and at this venue in the G1 Cheveley Park S. in October, but has an

extra quarter mile to cover today. That also applies to John Lambton's **Wake up Maggie (Ire)** (Xaar {GB}), who split Donna Blini and Flashy Wings when runner-up in the Cheveley Park.

Last year's Tattersalls Ireland Sale S. winner will bid to break trainer Chris Wall's maiden in Classic company. "The indications are that she will stay," Wall told *PA Sport*. "She relaxes in her races, so she will give herself every chance of staying the mile. Physically she's done well. Although she might not have grown a lot, she has strengthened up a lot and she's in good heart at the moment, so it's fingers crossed. She has every right to be in the race on her form."

Pussycat Doll surged from just off the pace to snap stablemate Behaving Badly's winning streak at four. The bay filly followed a 6 1/4-length score in the Nov. 13 Audrey Skirball S. at Hollywood with a 5 3/4-length romp in the Dec. 31 GI La Brea S. She was bet down to 3-5 when stretching out to nine panels for the Feb. 12 GII La Canada S., but tired after fighting for the early lead, faded to fourth and was given a break. Off at 4-1 in her return, she shadowed GI Santa Monica H. winner Behaving Badly and Bending Strings through a half in :45.89. Jockey Garrett Gomez considered making his run up the rail, but instead edged outside, drove between the leaders and edged clear. "[Trainer Bob Baffert] didn't give me any special instructions," Gomez said. "He just said to ride her. I had to get after her some when the running came--had to get her mind where it needed to be. I hit her on the shoulder and she responded well. She ran great." It was only the second dirt loss for the runner-up. Hello Liberty faced the starter three times in her juvenile season, opening her account with a June 17 Prairie Meadows maiden tally and a third-place finish in the Prairie Gold Juvenile S. July 3. Freshened up after that effort, she returned to notch a Keeneland allowance Oct. 28, then found herself on the sidelines again.

Adam Coglianese

The bay kicked off her sophomore season at Oaklawn with a pair of second-place finishes versus optional claimers Mar. 1 and 23, then came out on top in Delaware Park's Peach Blossom S. last out Apr. 22. Placed in second by Norberto Arroyo, Jr. as Win McCool blazed the way through :22 1/5 and

:44 3/5 fractions, Hello Liberty hit her best stride once switched to the inside in the stretch and ran that one down in the late stages to post her first graded stakes victory. "I knew Mig's filly [Win McCool] was running really, really fast because my filly was running so hard," Arroyo commented. "I thought I would be able to overtake her at the top of the stretch, but she kicked on and I thought it would be hard to get to her after that. Going inside was just a split-second decision. I saw Mig's filly started to drift. If I try to go around her, maybe we get beat. She really ran great." Trainer Larry Jones said that June 10 GI Acorn S. may be next for the victress, a race he won in 2004 with Island Sand. solid year for Jerry Hollendorfer, winning six of 10 starts. The dark bay took the six-furlong San Carlos H. at Bay Meadows Mar. 26, and also notched stakes going two turns, taking the Nov. 25 Forty Niner H. and the Dec. 26 Holiday Turf H. Trickey Trevor looked to have lost a step as he kicked off his seven-year-old campaign, running seventh behind Lava Man in the Sunshine Millions Classic Jan. 28 and sixth as the 3-2 chalk in the GIII All American H. Feb. 20, but fired a series of Golden Gate bullets for his return here. The dark bay sat a stalking third off fractions of :22 2/5 and :45 1/5, took over from With Distinction in the stretch and drew off to record a convincing victory.

Never worse than second in five prior tries under the Twin Spires, Joint Effort once again proved effective at the track to earn her first graded-stakes win. The blaze-faced chestnut began her career in Louisville, breaking her maiden in her second start and running second in the July 9 GIII Debutante S. just six days later. She sandwiched a third in the Kentucky Cup Juvenile Fillies between a pair of off-the-board efforts, then returned to Churchill and followed a second in an allowance test Nov. 5 with a 2 1/2-length tally Nov. 24. The rallying winner of the Jan. 28 Sunshine Millions Oaks in her

2006 opener at Gulfstream, she failed to fire in the Mar. 5 GII Forward Gal S. at that track or the Apr. 13 GII Beaumont S. at Keeneland. Joint Effort was 6-1 to rebound at her favorite oval and that she did. Up close early after getting jostled at the start, she slipped through along the rail on the far turn and was in control down the lane, winning handily. GI Frizette S. heroine Adieu, making her first start since a disappointing seventh-place effort in the Oct. 29 GI Breeders' Cup Juvenile Fillies, had to steady going into the final bend, then drove between horses at the top of the lane and was easily second best. Foxysox, who has been unstoppable since arriving on these shores, added another graded-stakes victory to her coffers. The chestnut began her career for trainer Christian Wall in England, where her two best efforts where a pair of third-place finishes from five starts. In her final outing, she was fifth at Pontefract Oct. 17 and found herself selling for 40,000gns 10 days later at the Tattersalls Autumn Sale. After Carla Gaines saddled her to a 12-1 maiden victory at Santa Anita Feb. 9 in her U.S. bow, Foxysox surprised her rivals at 14-1 in taking the China Doll S. Mar. 11 and then added a victory in the GIII Providencia S. Apr. 8 as the 4-1 second choice. Odds-on for the first time in her career here, the British-bred filly stayed close to the leaders in this small field. She swooped to the lead with a five-wide move and, despite lugging in, proved best under Alex Bisono. "She broke sharp and I was able to get good position in there," Bisono said. "Down in the lane she got a little bored and she wanted to lug in a little bit, but I had plenty of horse, so she was able to get the job done. She works really great in the morning; I think in the future she'll be able to go long." [Click for the brisnet.com chart.](#) [Video, sponsored by Taylor Made.](#)

Bettarun Fast won a pair of races on the grass at Calder last summer before being sold privately and heading to California. The bay kicked off her West Coast stint with a second in the Oct. 23 Anoakia S. at Santa Anita, but was fifth in the Nov. 20 Moccasin S. at Hollywood and a dismal 10th behind Joint Effort after shipping back to Florida for the Jan. 28 Sunshine Million Oaks. Returned to the turf for Mar. 5 La Habra S., she held on gamely to be second, and followed up with a win in the Apr. 1 GIII Santa Paula S., both at Santa Anita. No better than fourth choice to put graded-stakes wins back-to-back, Bettarun Fast settled in fourth as second choice El Mirage Queen (Gilded Time) cut out quick splits. The three-year-old hit the accelerator when they swung into the stretch and got to the front in the closing strides. "She broke well and I could have made the lead, but I was able to get her to come back to me and once we were behind them, she settled nicely," jockey Aaron Gryder said. "She's a nice honest filly, and if she can just reserve her speed for the last part of it, she's very genuine."

There will be few more competitive sprints run in Britain all season, but it was the longshot sophomore Dandy Man who emerged from the crowd of 23 hardened dragsters to claim the prize. He coped with yielding turf when annexing the Listed Tipperary S. in August, but could not handle Art Museum when fifth in the Listed Blenheim S. at The Curragh on his final juvenile start in September. Runner-up to Moon Unit (Ire) in the Apr. 22 Listed Woodlands S. at Naas, he made giant strides to eclipse his elders here. Showing blazing early speed to stalk furious fractions under Niall McCullagh, he pounced climbing out of the "dip," reeled in Pivotal Flame in the final 200 yards and asserted to the wire. "He's exceptionally fast," his rider said. "The last time I went that fast was on Namid on John Oxx's gallops. When I asked him to quicken he did it well, and that was a good performance for a three-year-old. We were convinced he had come on about five lengths from Naas and he proved it today. He really enjoyed it and stuck his toe out--there's more to come from this boy." Click for the racingpost.co.uk chart.

**The number of Derby starters for Dynaformer...
Blumin Affair (3rd in 1994), Perfect Drift (3rd in
2003) and Barbaro (1st in 2006).**

This marks the return of the GI Breeders' Cup Turf hero **Shirocco**, who is en route to the June 2 G1 Coronation Cup at Epsom. Lightly campaigned since his towering performance when winning the G1 Deutsches Derby in July 2004, he became one of the few horses to defeat Electrocutationist in the G1 Gran Premio del Jockey Club that October. After a return third in the G2 Prix Foy last September, he ran fourth in the G1 Prix de l'Arc de Triomphe the following month before his victory at Belmont. "He would prefer it soft, but if it's fast he will run," trainer Andre Fabre said. Christophe Soumillon, who was forced to miss the ride on Araafa (Ire) in yesterday's G1 2000 Guineas due to a back injury, will wait to decide if he can partner Shirocco today. The reigning French champion jockey is suffering from the effects of a fall at Marseille-Borely Friday. His agent Shippy Ellis told *PA Sport*, "He will ride out early tomorrow morning before deciding whether he will be able to ride Shirocco." Sir Michael Stoute, who has won this six times, saddles **Hard Top**, who faces the starter for just the fifth time. Nevertheless, he proved he was made of the right material when denying The Geezer (GB) in the G2 Great Voltigeur S. at York in August. His subsequent fifth in the G1 St Leger the following month may be attributable to the deep ground prevalent at Doncaster and he will have a livelier surface to help.

COA REACHES MILESTONE Jockey Eibar Coa notched his 3,000th career victory yesterday at Belmont Park when Bernie White Shoes crossed the wire first in the third race. "This makes me very happy," the 35-year-old native of Valenzuela said. "You work all your life to try to achieve something like this. I will continue to work for 4,000 now. I have to thank the two agents I've had in my career--Joe Ferrer and Matt Muzikar--and the owners and trainers who have supported my career. I believe my career is just starting. Hopefully, I can remain healthy and continue to win races."

Rush Bay looked to be a force among three-year-old grass horses last year, missing by a nose in the GIII Crown Royal American Turf S. on Oaks Day before winning the GIII Jefferson Cup over this surface June 18. But his season came to an end with an eighth to English Channel in the GIII Virginia Derby July 16 at Colonial Downs, and the bay didn't face the starter again until Apr. 15, when he ran fourth in an allowance at Keeneland. The crowd's choice alternated for the lead through sensible fractions of :48 1/5 and 1:12 1/5 before fending off Ascertain's challenge in the stretch.

Oaks Sets New Wagering Records:

Friday's Kentucky Oaks card established new records for on-track and simulcast wagering. Total handle on the Oaks, featuring 14 fillies, reached \$9,890,141, an increase of 43 percent from the 2005 figure of \$6,895,193, when just seven horses started. A record total of \$33,076,351 was wagered on the entire card, up by six percent from last year's \$31,159,328. The previous mark of \$31,570,827 was set in 2004.

NOLAN'S CAT (c, 4, Catienu--Single Goer, by Easy Goer), better known as the maiden who ran third behind Afleet Alex in last year's GI Belmont S., graduated at the Spa last summer, then ran a good third in the GI Super Derby Oct. 1. Placed on the shelf following that effort, the \$50,000 FTKOCT yearling purchase resurfaced to finish second in a Keeneland allowance Apr. 14. Backed at odds of 3-1 here, the chestnut took his customary spot towards the back of the pack after bobbling at the start. With Rene Douglas aboard, the Ramsey colorbearer took the overland route on the turn for home and came charging down the center of the track to win by 1 1/4 lengths. Sacred Light (Holy Bull), favored at 8-5, rode the rails to complete the exacta. Lifetime Record: GISP, 11-2-4-3, \$285,310. O/B-Kenneth L & Sarah K Ramsey (KY). T-Dale L Romans.

YES YES YES (c, 4, Yes It's True--Daring Doone {GB} {MSW & GISP-US, SW-GB, \$523,827}, by Daring March {GB}), a half-brother to A'fire (Tabasco Cat), SP, \$303,803, looked like the real deal graduating by 9 3/4 lengths at Gulfstream back in January 2005. The Florida-bred came close to earning stakes victories on the grass at Monmouth when third in the Gilded Time S. June 25 and second in the July 23 Anderson Fowler S. The bay returned to the winner's circle in an off-the-turf allowance at Saratoga Aug. 21 and closed out the year with a fifth in the Oct. 2 Trippi S. at Belmont. Placed in a stalking second by Garrett Gomez, the 6-1 chance took over on the far turn and drew off impressively in the stretch. He was a \$59,000 OBSOCT weanling and a \$150,000 FTKJUL yearling. The 4-5 choice Likely (Yes It's True) took back after an awkward start, but rallied five wide to complete the Yes It's True exacta. Lifetime Record: MSP, 9-3-3-1, \$112,102. O-Team Valor Stables LLC. BARBADOS (c, 3, Forestry--Rare Bird {SP-US}, by Rahy), a \$3-million FTFEB two-year-old purchase, ran fourth in his Sept. 30 career opener at Belmont. The bay didn't race again until Apr. 9 at Keeneland, when he finished a distant second, and blinkers were called for this time. Away alertly under Garrett Gomez, the 5-2 favorite disputed the pace with McKenzie Pass (Storm Cat), put that rival away and came home 1 3/4 lengths in front of the rallying Island Warrior (Cherokee Run). A \$200,000 FTKJUL yearling prior to selling at two, Barbados is a 3/4-brother to Host (Tabasco Cat), GSW, \$327,280. Lifetime Record: 3-1-1-0, \$43,450. Bet down to even-money here, the dark bay pressed Napoleon TNT (Grand Slam) from the start, took over in midstretch and opened up to score by 4 3/4 lengths. Placed in a tracking second by Mike Luzzi, Half Mask went to challenge the pace-setting Carson's Band (Dixie Union) through six furlongs in 1:09 3/5 and fought past that stubborn foe to score by 3/4 of a length. Trickle of Gold enjoyed a six-race winning streak last year which encompassed the GIII Safely Kept BC S. at Laurel Oct. 16 and culminated in the Anne Arundel S. over the same surface Nov. 19. Shipped to California, the dark bay ran abysmally when eighth in the GI La Brea S. on New Year's Eve. She returned to run fifth as the favorite to Smokey Glacken in the GIII First Lady H. at Gulfstream Jan. 21 before finally getting a break. The swift filly came back with a good effort in the GII Bed O'Roses BC H. at Aqueduct Apr. 22, tiring late to be a close fourth over a sealed track, and was odds-on in this softer contest. Breaking from the rail, the crowd's choice went straight to the lead, made all the running and maintained a safe margin under a hand ride while setting a new track record of 1:02 3/5.

With Lasix added and stepped up to maiden special weight company for her latest, she set the early pace before finishing third Apr. 21. Barbaro romped by 8 1/2 lengths in his career opener at Delaware Oct. 4 and was the second choice in his stakes debut here. The dark bay bounded out of the gate to race in second as longshot Capo dei Capi (Event of the Year) showed the way. Barbaro ranged up on the far turn and the race was over as the homebred drew off with authority. "We thought he was a good horse from day one," said winning trainer Michael Matz.

"He's living up to that expectation. I think we have to try him on the dirt at some time. My assistant has told me all along this is one of the best horses he's ever sat on. This horse makes me shiver when I see him work on the dirt. He really does have a lot of talent and I'd be tempted to see if it transfers from turf to dirt. I'll talk it over with the owners, but I know [his mother] won on both surfaces." [Video, sponsored by Taylor Made](#)

Sir Michael Stoute saddles a pair of His Highness the Aga Khan homebreds in **Riyalma** and **Sindirana**. While the former has yet to taste success, having finished second in a Leicester maiden in September, the latter won at that track on debut before finishing fourth in the Listed Montrose S. here in October. **Bunood** holds her on that form, having finished runner-up to Rajeem (GB).

Rising Cross proved herself to be a very tough customer in her 11 starts last term, the highlight being her second to Nannina (GB) in the G3 Prestige S. at Goodwood in August. Third in the Listed Spring Cup on Lingfield's polytrack on her sophomore debut Mar. 18, she disappointed in two subsequent starts, most recently when fifth in the Apr. 8 Listed International Trial S. back there. In contrast, Soft Centre's juvenile campaign was rather truncated, taking a seven-furlong Warwick maiden at second asking in September before suffering a troubled trip when seventh in the Listed Radley S. at Newbury the following month. While Rising Cross raced freely in mid-division throughout the opening exchanges, Soft Centre was settled towards the rear and, as the former was nudged into the lead with 1 1/2 furlongs remaining, victory looked booked. However, her rival was responding to a drive down the center of the track and she caught Rising Cross on the line to force the dead-heat.

Championship Point's supplementary entry fee for the June 3 G1 Epsom Derby appears money well spent following a facile victory here. After winning the Listed Chesham S. at Royal Ascot at York in June, he rounded off his season with a second to Linda's Lad (GB) in the Listed Criterium du Fonds European de l'Elevage at Deauville in August. Tracking the early pace in third, he joined the leaders on the bridle three furlongs out before striding clear and was coasting in the closing stages.

Mulaqat is a regular work companion of Sir Percy (GB) and when that colt beat everything bar George Washington (Ire) in the G1 2000 Guineas on the card, he received the ultimate boost. After rattling up a three-timer in a Yarmouth maiden, Goodwood nursery and conditions race at Leicester in the fall, Mulaqat returned to finish sixth in the G3 Craven S. over a mile at this track last time Apr. 20. Relishing the step up in trip, he was settled in behind the leaders early and found the gaps to grab the lead passing the quarter pole. Clearing away from Purple Moon up the rising ground, he earned himself a ticket to join Sir Percy in the G1 Epsom Derby June 3.

With three scratches cutting this field in half, Majors Cast faced a simple task in starting 2006 on the right note and he duly enjoyed what resembled a strong piece of work to satisfy the Merseyside crowds. One of Britain's most improved runners last term, he emerged from handicap company during the Dubai Spring Carnival to finish third in the G2 Lennox S. at Goodwood in July and second in both Newbury's G3 Hungerford S. at Newbury and G2 Celebration Mile back at Goodwood the following month. Third to Starcraft (NZ) in the G1 Prix du Moulin de Longchamp in September, he was fifth in the blanket finish in the G1 Breeders' Cup Mile at Belmont in October. Settled last of this trio by a confident Shane Kelly, he readily gobbled up Philharmonic in the final furlong without being asked to exert himself to score cosily.
