FOLLOWING THE "RULES" AT LONGCHAMP

Aidan O'Brien will send a quartet of challengers to Longchamp for tomorrow's G1 Poule d'Essai des

Aussie Rules (left) Getty Images

Poulains, with Kieren Fallon opting to ride **Aussie Rules** (Danehill). Ballydoyle were successful in 2002 with Landseer (GB) and may have doubled their tally two years later had Antonius Pius not thrown the race away when hitting the rail in the final 50 yards. Aussie Rules endured an up-and-down juvenile campaign, finishing fourth in the G2 Vintage S. at

Goodwood in July and second in the G3 Round Tower S. at The Curragh in September before getting his act together with a hard-fought score in the G3 Somerville Tattersall S. at Newmarket the following month. He was fourth, before being demoted to fifth, behind the likely favorite **Stormy River (Fr)** (Verglas {Ire}) in the course-and-distance Apr. 23 G3 Prix de Fontainebleau last time out. **Poule d'Essai des Poulains field, p2**

NEW KID IN TOWN FOR FRENCH GUINEAS

Richard Strauss' G2 Prix Robert Papin winner **New Girlfriend (Ire)** (Diesis {GB}) will make her keenly awaited return in tomorrow's G1 Poule d'Essai des Pouliches at Longchamp. The bay filly looked top class when winning that Maisons-Laffitte contest in July, but flopped in the mud when only fifth in the G1 Prix Morny at Deauville the following month and has not been out since. "The filly is very well," trainer Robert Collet told the *Racing Post*. "She has strengthened during the winter and has become a really powerful individual." Heading the usual strong overseas challenge are the Aidan O'Brien-trained duo **Kamarinskaya** (Storm Cat) and **Beauty Bright (Ire)** (Danehill), first and second, respectively, in the Apr. 15 G3 Leopardstown 1000 Guineas Trial. Jaber Abdullah's Newbury maiden scorer **Silver Touch (Ire)** (Dansili {GB}) is another poised to raid the kitty for trainer Mick Channon. "She's a pretty decent sort and won her only race well," he told the *Racing Post*. "She's a big girl who has been going nicely on the gallops." **Poule d'Essai des Pouliches field, p3**

CLASSIC STYLE

Trainer Charlie Egerton, famed for his claiming success with his national hunt incumbents, may start dreaming of Classic glory after saddling **Art Deco (Ire)** (Peintre Celebre) to victory in yesterday's G3 Dee S. at Chester. Second to **City of Troy (GB)** (Grand Lodge) in his latest outing at Doncaster Sept. 7, Art Deco reversed that form with panache under Frankie Dettori.

Charlie Egerton
www.racinguk.tv

The chestnut colt sat second early and was committed as leader **Grand Jour (Ire)** (Grand Lodge) began to wilt. Maintaining a high tempo into the short straight, he had enough leeway to hold on as **Ivy Creek** (Gulch) closed late after a troubled trip. "He's in the G2 King Edward VII at Royal Ascot [June 23], the G1 French Derby [at Chantilly June 4] and the G1 Derby [at Epsom June 3], but I don't know what I'm going to do," Egerton told *PA Sport*. "You've got to be realistic about running a horse in the Derby, it is a completely different thing. Realistically, he has got to improve again for the Derby." **Click for the racingpost.co.uk chart.**

Marcus Andronicus (Danehill) warmed up for this with a second to Red Clubs (Ire) in the G3 Greenham S. at Newbury Apr. 22 and adds further substance to the Ballydoyle team. Mick Channon is hoping that **Yasoodd (GB)** (Inchinor {GB}) can avenge his controversial disqualification from first place in the G3 Prix la Rochette here in September. He had **James Joyce (Ire)** (Danehill) back in fourth when taking the G3 Leopardstown 2000 Guineas Trial S. last time Apr. 15 and his conditioner is hopeful of a bold show. "Yasoodd did it well in Ireland and I'm delighted with him," he told the *Racing Post*. "He did extremely well in the winter and we'll see whether he's good enough on Sunday."

This contest may have drawn a small field, but a large dose of incident made amends for that shortcoming as The Whistling Teal bagged his first success since plundering the 2004 Listed Aston Park S. at Newbury. Runner-up Orcadian visited most of the Roodeye before trying to pull himself up while in the lead at two-thirds distance, but a persistent Neil Callan galvanised extra effort from his reluctant charge and an impossible victory almost became reality in a thrilling renewal of this stamina-sapping contest. Orcadian was denied by a determined run from an admirably consistent old stager. The Whistling Teal responded to constant urging and came from off the pace to wear down the errant pacesetter nearing the line. The 10-year-old had posted a career best when chasing home Collier Hill (GB) in last term's G1 Irish St Leger, but had finished off the board in his last two starts, most recently when fifth in the Apr. 22 G3 John Porter S. at Newbury. This win doubled his group race tally. "It wasn't so much a race, but more of a war," explained Steve Drowne. "They went a terrific gallop and we were all at each other. He outbattled the second and he's a proper old horse." The Whistling Teal has a choice of options at the Royal Ascot meet, including the June 22 G1 Gold Cup, but his participation will hinge on track conditions, as he requires ease in the turf.

Surf Cat carries top weight of 121 pounds as he bids for his fourth consecutive victory. The four-year-old closed out his 2005 campaign with an allowance score at Santa Anita Oct. 10, and returned with a rallying 2 1/4-length tally in the Feb. 18 GII San Carlos H. Off at 1-5 in the Apr. 2 GII Potrero Grande BC H., the dark bay was a handy winner once again. He stretches out off the two sprint stakes victories, but proved he could handle a route when taking the GII Swaps BC S. by five lengths going nine panels at this track last June. **Timias** tries the dirt for the first time. The four-year-old was a conditions winner while racing in France, and captured an allowance test on the Santa Anita lawn in his U.S. debut Apr. 21. **Spellbinder**, winner of the GII San Antonio H. Feb. 5, makes his first start since tiring to be seventh in the Mar. 4 GI Santa Anita H.

Grey Swallow, winner of the G1 Irish Derby in 2004 and the G1 Tattersalls Gold Cup in 2005, makes his first start of 2006. The five-year-old was off the board in a pair of Group 1 events following his Gold Cup score, but improved to be third in his seasonal finale, the Oct. 23 GI Canadian International at Woodbine. Shipped from Ireland for his return, the gray prepped at Hollywood Sunday, going a mile in 1:39.20 on the grass. "He moved well on the grass and handled the bend perfectly," said exercise rider Robert Dolan. "He needed it badly. He was a bit stuffy from being in quarantine."

Trainer Bob Baffert finished off the board with his trio of Kentucky Derby starters, but looks to have the one to beat in **Wanna Runner** here. Third behind Brother Derek in the Jan. 14 GII San Rafael S., the chestnut gelding failed to fire when fifth in the GIII El Camino Real Derby 15 days later and was given a break. He came back to post a 4 3/4-length score in the Apr. 1 WinStar Derby at Sunland Park. "He could have run in the Preakness, but we're pointing to the Queen's Plate [at Woodbine June 25]," Baffert said. "I like him a lot. I think he's improving and he has a lot of talent."

Cross Channel looked a filly with a bright future last summer when graduating on Newmarket's July Course, but gets the chance to redeem her reputation after two unplaced efforts at stakes level. While she may have found the test of the G1 Fillies' Mile coming too soon when fifth on the Rowley Mile in September, her tame effort when filling the same position in the Apr. 1 Listed Masaka S. on Kempton's polytrack is harder to forgive. "I was a little disappointed with her that day, but we were aware beforehand that she'd probably prefer to go further," trainer Ed Dunlop said. **Shortest Day**, who finished runner-up to Cross Channel in that Newmarket maiden last July, opened her account in handicap company at Windsor in October before returning to win at that level at Pontefract last time May 3.

All carry 122 pounds bar Linda's Lad, 129.

This G1 Epsom Derby trial plays host to Sean Mulryan's G1 Criterium de Saint-Cloud winner **Linda's Lad**, who bids to book his ticket to the June 3 Classic. One of France's top juveniles of 2006, he collected the G3 Prix des Chenes at Longchamp in September before his Saint-Cloud feat, but was only fourth on his return in the Apr. 17 G2 Prix Noailles at Longchamp. "He has definitely come on since his race at Longchamp and is very well," commented the owner's Racing Manager Herve Barjot. "While we were slightly disappointed with his last run, the race was not run to suit. He had to make the running, but he is a horse who likes to run behind a good pace, and he had no chance to take a second breath. Most of the others had a run under their belts and we are expecting a better performance this time." He shoulders a seven-pound penalty in the contest, but Barjot believes he can overcome the burden. "The Group 1 penalty is a slight worry, but he has that weight for a reason," he added. "He is a colt with a touch of quality and we hope that will be confirmed on Saturday. The left-handed track is definitely what he needs--he doesn't like going right-handed at courses like Longchamp. Good ground will be fine for him, but he has never run on very quick ground. Being by Sadler's Wells, the trip will be no problem for him. We hope to be in the first three and are confident he will run very well--if he does, he will head to Epsom for the Derby." Up against the French raider is **Botteen**, who beat Thursday's G3 Chester Vase winner Papal Bull (GB) in a Salisbury maiden in September.

Thoro-Graph Race of the Week
by Jerry Brown

Saturday, Hollywood Park, post time: 5:20 p.m. PDT
LOS ANGELES H.-GIII, \$100,000, 3yo/up, 6f

PP	HORSE	SIRE	ODDS
1	Pure As Gold	Stolen Gold	4-1

Had a weak pattern last year, when moderate efforts twice sent him into a tailspin. This year he has been much more solid, and he moved up substantially when tried in grass sprints--no surprise when you look at Stolen Gold's sire profile. But Pure As Gold is up against it here; this one's on dirt, and his grass efforts wouldn't even be good enough.

2	Areyoutalkintome	Smokester	3-1
---	------------------	-----------	-----

Ran some very good figures last year, but recently has been showing the effects of 2 1/2 years of racing without a break--his good efforts are not as good, his bounces higher and the time between good ones getting longer. He did make a forward move last time, but coming back on only 13 days rest, we think he's more likely to back up now than go forward, and the bearing out last time ("bo") concerns us.

3	Cigar Pal	Benchmark	5-1
---	-----------	-----------	-----

Shows the classic sheet of the unsound horse--big efforts when fresh, short campaigns and long layoffs. He was able to follow up a good one with another last time, but that was on almost two months rest. Now he's off two efforts and has less rest, which means he's more likely to go back than make the necessary forward move.

4	Siren Lure	Joyeux Danseur	7-2
---	------------	----------------	-----

Is by Joyeux Danseur, who was late developing himself, and so far has thrown the same. This one didn't start until late three, but has steadily improved since, running his race pretty much all the time, on any surface. The short-term pattern here is good, and he should run back to his top, but that probably won't be good enough--five pounds is worth one point on the Thoro-Graph scale, and he gives weight to everyone. Solid for a check, underlay in the win pool.

5	Secret Ridge (Brz)	Choctaw Ridge	10-1
---	--------------------	---------------	------

Came off a long layoff with an effort that was better than it looked--he was wide (4w, upper left) in a fast allowance. It's worth noting that back in Brazil this horse won his only other dirt start by eight lengths, with another 9 1/2 back to third, and his connections were so encouraged they never ran him back on dirt--nice management. It's also worth noting that trainer Lobo is not strong off layoffs, but very good next out--if you look in the sire profile, you'll see he has a \$5.41 ROI second off a layoff. Very live longshot, especially if the rider makes the light weight.

6	Prorunner	Tejano Run	20-1
---	-----------	------------	------

Has gradually improved, and last time ran the best race of his life to take a stakes at Turf Paradise. That's very likely to cause a bounce, since a lesser effort in January knocked him out for two races, and even a repeat of that last won't do it.

7	Oceanus (Brz)	Rainbow Corner (Brz)	10-1
---	---------------	----------------------	------

Is very similar to Areyoutalkintome, though a couple of points slower--he's been in training a long time, he was good early last year and he's showing signs of deterioration. Where he used to be able to string tops together he now bounces, and the efforts that cause the bounces now are not even tops. He does have decent time off into this, and that might help a little.

8	Thunder Touch	Gulch	4-1
---	---------------	-------	-----

Ran some enormous figures last year, but managed to avoid doing so in graded races. Since this is exactly what we look for, we advised client Millenium Farms to buy him and they did, and sent him to California. After a short break and some minor problems that delayed his seasonal debut, he has trained well, and though Cerin is not a layoff trainer, there's a good chance Thunder Touch won't need his best to win this, even with the outside draw.

Bottom Line: Thunder Touch is the most likely winner, with Secret Ridge the live longshot.

Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. CAL SENATE OKS POLYTRACK LEGISLATION

by Jack Shinar, courtesy of www.bloodhorse.com

A bill that would require major racetracks in California to install a polymer synthetic type-racing surface by the end of 2007 sailed through the State Senate on May 11. SB 1464, authored by Sen. Jeff Denham (R-Merced), advances to the California Assembly on a vote of 31-4. The measure requires that the switch in surface be completed as a condition of issuing a license to any track that operates four weeks of continuous Thoroughbred racing in a calendar year. The tracks that would be affected under the existing allocation of racing dates in the state are Santa Anita, Hollywood Park, Golden Gate Fields, Bay Meadows and Del Mar. The bill follows a unanimous endorsement of the change to Polytrack, as it is known by trade name, by the California Horse Racing Board in February. Polytrack is a mixture of sand, synthetic fibers and recycled rubber coated with a wax substance to form the top layer of a racing surface that sits atop an elaborate drainage system. The CHRB believes that Polytrack creates a more consistent surface for horses to run on and will be safer for everyone. **For the complete story, click [here](#).**

PROCLAMATION TO SIDESTEP LOCKINGE

Godolphin's **Proclamation (Ire)** (King's Best) is set to bypass next week's G1 Juddmonte Lockinge S. in favor of pointing straight to Royal Ascot, according to the operation's website. Last term's G1 Sussex S. hero will target the June 20 G1 Queen Anne S. after racing manager Simon Crisford revealed the four-year-old was not ready to tackle Newbury's May 20 highlight. "Proclamation showed in his last piece of work that he is not quite ready for a race like the Lockinge. We are planning to give him more time and his aim will now be the G1 Queen Anne S. at Royal Ascot."

PEERESS HEADS TO LOCKINGE Sir Michael Stoute yesterday confirmed Cheveley Park Stud's **Peeress (GB)** (Pivotal {GB}) on course for next Saturday's G1 Juddmonte Lockinge S. at Newbury. Last year's G1 Sun Chariot S. heroine will make her seasonal return in the mile contest, while Philip Newton's G2 Sandown Mile scorer **Rob Roy** (Lear Fan) might wait for the following afternoon's G1 Prix d'Ispahan at Longchamp. "Peeress will definitely run in the Lockinge, but Rob Roy's target will only be decided once we see what the ground is like, as I would not want it to be too fast," he told *PA Sport*.

Goffs Bloodstock Sales announced yesterday that an extra day will be added to this year's yearling sales. The newly added open session, in which all sale graduates will be eligible for the Autumn Bonus race, will take place Saturday, Sept. 30. "Due to the phenomenal success of our yearling sales in 2005, we have received a record number of nominations for this year's sale," explained Goffs managing director Matt Mitchell. "The introduction of the open sale reflects our commitment to maximizing the vendor's opportunity to sell at Goffs and maximizing the ring price. We believe that the open sale will benefit from the momentum created throughout the week." Goffs Million Sale runs from Sept. 26 through 28, while the Sportsman Sale will be held on Sept. 29.

STRATH GALLANT (GB) (c, 3, Alhaarth {Ire}--Brief Lullaby {Ire}, by Brief Truce), runner-up in a decent Leopardstown maiden on debut Apr. 15, was sent off the 4-5 favorite and raced up to the lead from the outset. Challenged and briefly headed by Shamaiyla (Fr) (Sendawar {Ire}) inside the final quarter, he edged ahead in the final 100 yards to score by 3/4 of a length. Lifetime Record: 2-1-1-0, €10,624. SONG OF PASSION (IRE) (f, 3, Orpen--Bint Al Balad {Ire}, by Ahonoora {GB}), successful at Lingfield last time Sept. 6, led from the outset of this seasonal return. Pushed along rounding the home turn, the 12-1 shot proved game from the front and was driven out to hold Collateral Damage (Ire) (Orpen) by 3/4 lengths. The 40,000gns TATOCT yearling is a half to Hurricane Alan (Ire) (Mukaddamah), MGSW-Eng, G1SP-Ity, GSP-Fr, \$704,971. Lifetime Record: 3-2-0-0, £19,413. O-Thurloe Thoroughbreds XVI; B-Stephanie Hanly; T-Richard Hannon.

INGLEBY ARCH (c, 3, Arch--Inca Dove, by Mr. Prospector), a Newmarket handicap winner Apr. 20, raced in the front rank here, but appeared outpaced approaching the final furlong. Responding to pressure, the \$39,000 KEESEP yearling purchase rallied on the final climb to deny Obe Brave (GB) (Agnes World) by a short head on the line as the 5-2 second choice. Lifetime Record: 9-3-0-2, £30,385. O-Dave Scott; B-Alexander-Groves Thoroughbreds; T-David Barron.

TAWAAJUD (f, 3, Dixieland Band--Tabheej {Ire} {GSP-Eng}, by Mujtahid) ran sixth in a hot Newbury maiden Apr. 21 and sat close to the pace in this return. Coaxed to the fore at the top of the short straight, the 5-4 pick found extra inside the final furlong to withstand the late charge of Las Beatas (GB) (Green Desert) by a length. Lifetime Record: 2-1-0-0, £7,125. O-Sheikh Hamdan bin Rashid Al Maktoum; B-Shadwell Farm LLC; T-Barry Hills.

Artist's Tale (Ire), c, 3, by Singspiel (Ire) showed a battling attitude to win a seven-furlong Leopardstown maiden on debut Apr. 23, a trip probably on the short side for this Moyglare homebred. Stepping up a panel for this, the half to stakes winner Social Harmony (Ire) faces a stiff challenge from His Highness The Aga Khan's Tipperary maiden winner **Adajal (Ire)** (Zilzal).

4.40p Newmarket, Mdn, £8,000, 3yo, 1mT

Minister of State (GB), c, 3, by Machiavellian hails from Michael Jarvis's Kremlin House stables and is bred to appreciate that trainer's deft touch at improving his charges with experience. Cheveley Park Stud's homebred brother to their resident stallion Medicean (GB) was unlucky to come across a smart foe in Petrovich in the second division of the Wood Ditton Conditions S. at Newmarket at the Craven meet on debut Apr. 19, but his sibling progressed through the ranks quickly after a similarly late start to his career.

Nottingham, 4.10, Mdn, £6,500, 3yo, f, 1m 54ydsT, 1:46.65, gd/fm.

ABHISHEKA (IRE) (f, 3, Sadler's Wells--Snow Bride {G1SW-Eng, \$277,305}, by Blushing Groom {Fr}) ran sixth in both juvenile starts and was hammered into 15-8 favoritism returning from the latter of those at Doncaster Oct. 21. Stalking the leaders in third for most of this, the bay was sent to the front approaching the final furlong and lengthened clear in the latter stages to comfortably best Chalentina (GB) (Primo Valentino {Ire}) by 3 1/2 lengths. The winner is a half to Lammtarra (Ire) (Nijinsky II), Hwt 3yo-Eng & Fr at 11-14f, MG1SW-Eng, G1SW-Fr, \$2,078,797; Kammtarra (Zilzal), Hwt-UAE at 7-9.5f, MSW-UAE; Saytarra (Seeking the Gold), GSW-Fr; and Quais (Seeking the Gold), GSP-UAE, SP-US, \$344,593. MISSISIPI STAR (IRE) (f, 3, Mujahid--Kicka {GB}, by Shirley Heights {GB}), third at Gowran Park Apr. 30, was settled in the wake of the leader after the opening exchanges of this British debut. Ridden along inside the final quarter, the €7,000 TATIRE yearling found a dream rail from the eighth peg and kept on well to oust Safqa (GB) (Singspiel {Ire}) by a length. Ridden along with 1 1/2 furlongs remaining, the 6-4 choice was driven up the hill to hold the persistent Jack Rackham (GB) (Kyllachy {GB}) by a half length. With the victory, the colt becomes the second winner for his freshman sire (by Pivotal {GB}). Lifetime Record: 2-1-1-0, £5,234. O-J C Fretwell; B-R T & Mrs Watson; T-Eoghan O'Neill.

KING'S BASTION (IRE) (c, 2, Royal Applause {GB}--Aunt Mary {GB}, by Common Grounds {GB}), fourth in an Apr. 20 Newmarket maiden, raced in fifth through the early stages of this second go. Pushed into third at halfway, the 72,000gns TATOCT yearling, sent off the 6-4 second choice, kept on well for strong driving inside the final quarter to assert by 1 1/2 lengths from market rival See In The Dark (Ire) (Night Shift). Lifetime Record: 2-1-0-0, £4,222. O-Edward J Ware; B-Floors Farming & Dominic Burke; T-Michael Bell.

BAIZICALLY (IRE) (c, 3, Galileo {Ire}--Baize {GB} {GSP-Eng \$142,281}, by Efisio {GB}) went postward as the well-backed 10-11 favorite coming back from a once-out seventh at Newbury Oct. 7. Settled off the pace from flagfall in this, he found plenty under a forceful drive to challenge at the eighth pole and drew off late for a five-length success from Zaharath Al Bustan (GB) (Gulch). The 70,000gns TATAPR juvenile is a half to Singhalese (GB) (Singspiel {Ire}), GISW, \$397,638. Lifetime Record: 2-1-0-0, £3,239. O-Mountgrange Stud; B-G & Mrs Middlebrook; T-Jamie Osborne.

MOBSIR (GB) (c, 3, Mozart {Ire}--Pretty Sharp {GB}, by Interrex) ran second to G1 1000 Guineas sixth Spinning Queen (GB) at Haydock last June and was a warm order to break maiden status here. Moving into contention at halfway, the 6-5 chalk eased to the fore with 1 1/2 furlongs to go and scooted clear inside the closing panel to defeat Midnight Traveller (GB) (Daylami {Ire}) by 2 1/2 lengths. The 150,000gns TATOCT yearling purchase is a half to Twilight Blues (Ire) (Bluebird), GSW-Eng, \$331,199. Lifetime Record: 2-1-1-0, £4,139. ☆ LETTERS TO THE EDITOR ☆

Here's an idea to return the Derby Trial to prestigious status--give the winner an automatic entry to the Kentucky Derby. It would attract Derby hopefuls without the graded-stakes earnings that are late bloomers and make the Derby Trial relevant again. It would be similar to "Bump Day" at The Indy 500 in terms of interest to the public.
