THE BELMONT EXPRESS

Reigning Breeders' Cup Sprint winner **Silver Train** (Old Trieste) forged passed pacesetter **Mass Media** (Touch Gold) in upper stretch and then gamely held off the late rush of **Sun King** (Charismatic) to take yesterday's GI Metropolitan H. at Belmont Park by a determined head. The Buckram Oak colorbearer ended 2005 with two stellar performances over the Belmont oval, going wire-to-wire to earn a five-length victory in the one-mile GII Jerome H. at Belmont last September before a game triumph over Taste of Paradise in the Breeders' Cup, and was looking for his fourth win in six Belmont starts.

A Coglianese

“He just loves this track,” said winning trainer Rick Dutrow, Jr.

“There were a lot of question marks about this horse out there, but he just loves this track. That's why we got the job done today. If this race were run at Aqueduct or anywhere else in the world, I'm sure he would have gotten beat.” **Cont. p2**

ENERGY TO SPARE

Shining Energy (Rahy), winner of the GII San Clemente H. last July at Del Mar, tarried in last early, but charged powerfully down the stretch to win yesterday's GI Gamely Breeders' Cup H. at Hollywood Park going away. “She was unbelievable turning for home,” said winning rider Victor Espinoza. “The last eighth of a mile, she just blew everybody away. Just in a second, she took off and I was just like, ‘Wow!’ It felt pretty good. It's nice to ride this type of horse.” Espinoza did admit that he expected to be closer to the lead on the Julio Canani trainee. “When I came out of the gate, she broke nice and clear,” Espinoza said. “But I kind of lost my position a little bit, so I just decided to sit back. I didn't want to get into trouble coming out of the chute. I took her a little bit farther back than I wanted, but she's a really nice filly.” **More on the Gamely, p2**

LORD OF THE SHOEMAKER MILE

Aragorn (Ire) (Giant's Causeway) inhaled pacesetter **Willow O Wisp** (Misnomer) turning for home and pulled clear to a 1 3/4-length triumph in yesterday's GI Shoemaker Breeders' Cup Mile at Hollywood Park. The Ballygallon Stud homebred won the GII Oak Tree Derby in his second U.S. start last October and returned five months later to miss by just a head in the Mar. 4 GI Frank Kilroe Mile H. before finishing second again in the Apr. 29 GII San Francisco Breeders' Cup Mile H. last time out. The strapping chestnut tugged jockey Corey Nakatani along in the early going, eager to press Willow O Wisp through fractions of :24.61, :47.88 and 1:10.73. He came out of the turn in front and easily held sway over **Charmo** (Fr) (Charnwood Forest {Ire}) and **Silent Name** (Jpn) (Sunday Silence). “He's just a tremendous horse,” said Nakatani. “He's always laid his body down every time you ask him to go out on the racetrack, and that's really all you can ask. It just feels great to be back riding him.” **Cont. p3**

SILVER TRAIN WINS MET MILE (cont. from p1)

Despite his strong finish in 2005, Silver Train got off to a slow start in 2006. Seventh in the Mar. 4 GII Richter Scale Breeders' Cup H. to begin the year, he closed late to be second in an Apr. 20 optional claimer at Aqueduct. Favored at 2-1 to get back to the winner's circle in yesterday's GI Metropolitan H., the dark bay colt pressed Mass Media through fractions of :22.78, :44.84 and 1:08.90. He moved to the lead with a furlong to run and was all out to gain the victory. Winning rider Edgar Prado never had a doubt Silver Train would hold on. "He tries so hard," Prado said. "He was still running at the end. I knew it was going to be close, but my horse was still running." Second choice **Bandini** (Fusaichi Pegasus) chased the pacesetters, but flattened out in the stretch to finish fourth. "He's probably just a little better at two turns or a mile and an eighth," said the colt's jockey Garrett Gomez. "The other horses are more sprinters. When we left there, he kind of got shuffled back. From then on, I was in everyone else's pocket. He had every chance to get it done, but they just kicked on." The pacesetter was briefly headed by Argentina, but battled that rival back only to be passed by the late rush of Shining Energy. Shining Energy ended her 2005 campaign with a runner-up effort in the Harold Ramser Sr. H. last October. The chestnut filly returned to be fifth in the Feb. 20 GII Buena Vista H. before returning to the winner's circle with a 1 1/4-length victory over Moscow Burning in the Apr. 8 American Beauty H. last time out. "I really believed honestly it was a little too far, but her mother won a stake at a mile and a quarter," said winning trainer Julio Canani. Aragorn came into yesterday's race off a runner-up effort behind Charmo in the Apr. 29 GII San Francisco Breeders' Cup Mile H., but trainer Neil Drysdale thought he had a plan to turn the tables on that rival here. "The [Shoemaker] actually came up just as we expected in the paddock," Drysdale said. "Just track him, we thought it'd be a fairly soft speed. We watched the tape [of the San Francisco Mile] and Charmo actually got the first run. [Aragorn] steadied inside on the first turn. [Aragorn] came into this race very well. His training for the other race was a bit interrupted. I think this was a serious race." Jockey Martin Pedroza aboard Charmo wasn't disappointed with his mount's effort. "He ran very good, we just didn't get there today." Silent Name came up a little short in his bid to be the second Japanese-bred to win an American Grade I race. "He ran good," said jockey Victor Espinoza. "It's just that they went a little bit slow on the front and by the time he got rolling at the end he just couldn't catch up with the winner." The Shoemaker was the 2,999th win of jockey Corey Nakatani's career. The 35-year-old rider wasted no time notching win number 3,000 when he captured the ninth race on the Hollywood card yesterday. "Hopefully this will springboard me back into being the leading rider in the country," Nakatani said. "Being an idol of Laffit Pincay, I've still got a long ways to go." Tungsten Strike had succumbed to old-stager Cover Up (Ire) (Machiavellian) on his last two starts, but he exacted his revenge on this rain-soaked surface to record a career-best. A Listed winner in 2004, he emerged as a smart stayer last term when second to Sergeant Cecil (GB) in the Northumberland Plate in June. He had his picture taken in the Persian Punch Conditions S. at Salisbury in September before flopping when down the field in the Listed Fenwolf S. at Newmarket later that month. Runner-up to Cover Up in the G3 Jockey Club Cup back at that track in October, the chestnut was denied again by that rival in the G3 Sagaro S. at Lingfield on his return May 3. Always close to the pace, he was brought over to the stands' side at the top of the straight by Ryan Moore and soon held a narrow edge before stretching clear in the closing stages. "He probably handled that ground better than the others," his jockey explained. "He hasn't done anything wrong this year. He's improved and worked his way up. He deserves his chance in the G1 Ascot Gold Cup [at Royal Ascot June 22], as he's very honest and stays very well, so I'm sure he'll run a good race." Pride, who has become a regular cast member in Europe's top middle-distance events, took center stage against her own sex here. Having captured last year's G2 Prix Jean Romanet and G2 Prix Foy, the chestnut ran seventh in a vintage renewal of G1 Prix de l'Arc de Triomphe at Longchamp in October and rounded off her campaign with seconds in the Oct. 15 G1 Champion S. at Newmarket in and Dec. 11 G1 Hong Kong Cup at Sha Tin. She returned this term to finish fourth in the Apr. 30 G1 Prix Ganay at Longchamp, but stepped back up to the plate here. Settled in fourth, the crowd's choice was last to commit inside the final quarter. Christophe Lemaire encouraged his mount to tackle pacesetter Paita for her main effort at the distance and she responded with enthusiasm, quickening to the fore with 75 meters remaining and scooting to the line for an easy success. "She's back to her old self," Lemaire enthused. "She quickened nicely today and, for me, the issue was never in doubt. She was a little fresh and rusty in the Ganay and needed the race that day. The idea is to win a Group 1 with her and we shall see what Mr. de Royer-Dupre will decide." [Click for the Racing Post chart](#) or the [brisnet.com catalogue-style pedigree](#).

Magnum tired to be 10th in an allowance race on the Santa Anita lawn Dec. 31, but has been one to watch since returning to the dirt for the 2006 season. The dark bay cruised to a 5 1/4-length tally in an optional claimer in Arcadia Feb. 12, then belied 17-1 odds to run second by 3/4 of a length in the Mar. 4 G1 Santa Anita H. He was the beaten favorite in his latest, finishing a distant second behind Buzzards Bay in the Apr. 8 GII Oaklawn H., but came through for the crowd at even-money this time. With the favorite sitting just off the pace, Texcess led Watchem Smokey (Alphabet Soup) through solid early fractions and hit the quarter pole with a daylight lead. But Texcess began to tire, and Magnum drove on past as they neared the eighth pole before striding away to a decisive win. "I knew I had a lot of horse in hand at the three-eighths pole, so I asked him to pick it up a little bit," said winning rider Pat Valenzuela. "Through the stretch, he didn't want to change leads, but he did the last part and getting to the wire he just continued to accelerate." [Click for the brisnet.com chart](#).

Sweet Talker picked up her sixth win from her last seven starts with this game score. The dark bay filly captured the Edgewood S. and an allowance test at Churchill Downs last May, but had to settle for second in the June 18 GIII Regret S. She rebounded to take the Sept. 24 Martha Washington Breeders' Cup S. at Laurel Park, and capped off the season with a determined nose triumph in the Oct. 15 GI Queen Elizabeth II Challenge Cup at Keeneland. Sold for \$1,115,000 at the Keeneland November Breeding Stock Sale, the four-year-old has continued her winning ways for new owner Courtlandt Farms and trainer Graham Motion. Motion chose an easy spot for her 2006 opener, unveiling his new charge with a victory in the Apr. 15 Dahlia S. at Laurel. Sweet Talker was favored once again in her Lone Star debut and lived up to her odds. Always prominent, she saved ground on the far turn and had to fight her way through the crowd at the top of the lane, then turned back the challenge of Joint Aspiration in the waning yards. "This filly is so consistent," Motion said. "I couldn't believe how cool Ramon [Dominguez] looked when he came to the eighth pole. He looked like he had a lot of horse. She is really tenacious. She just gamed her way through the gap and what more can you say? We really hope this is a steppingstone to bigger things later in the year." [Click for the brisnet.com chart.](#)

Siphon City was claimed for \$75,000 after a 3 1/4-length victory on the grass at Gulfstream in February of 2005. The blaze-faced chestnut was sidelined for more than six months after effort, and had mixed success thereafter, winning a pair of optional claimers on the dirt at Calder in October and November, but finishing off the board in three of his four other outings. He ended the season with a ninth versus optional company on the turf Dec. 21 and fared little better in his seasonal opener on the Gulfstream main track Jan. 19, but improved to be third at Tampa Bay Feb. 4. Dropped in for a \$62,500 tag 13 days later, the inconsistent colt could do no better than ninth in that grass test, but he improved to be second at Gulfstream Apr. 8 and came to life last time out, taking the May 6 Sumter S. by eight impressive lengths. Siphon City was sent off the 2-1 favorite off that performance. On the lead from the start, he had second choice Congrats on his flank for six furlongs and looked like he might lose the advantage to that rival at midstretch, but fought on gamely and was going clear late. "The biggest difference in him now is that he used to be a 'head case.' He was scratched at the gate twice," trainer Dan Hurtak said. "It's been a team effort to get him where he is now. I have to give the credit to [assistant trainer Donna Green]. She's worked with him and gotten him to settle down." [Click for the brisnet.com chart.](#) [Video, sponsored by Taylor Made.](#)

event, the gray veteran saved ground while stalking the pace-setters from fourth. Sent through a narrow opening by jockey Mark Guidry, Silverfoot shot through between foes and closed gamely to earn a narrow victory and remain unbeaten in four starts at

Churchill Downs. "I knew I had a lot of pony at the three-eighths pole, but the two horses in front [Ramzutti and Quest Star] picked it up a lot," said Guidry. "But when I pulled the trigger on my horse, he was extremely strong. His acceleration was unbelievable." Winning trainer Dallas Stewart added, "It's just a great, great thing with a horse like this that's just gotten better. We were looking at the time from last year and it looks like he ran two seconds faster this year than last year. It just says something about him. He's such a nice horse and a tough campaigner." Stewart said Silverfoot's ultimate goal for the year will be the Nov. 4 GI Breeders' Cup Turf, held this year at his favorite track, Churchill Downs. Reverence, a former handicapper, ran third to **Les Arcs** on his stakes bow in the six-furlong Listed Cammidge Trophy at Redcar Mar. 25. Dropped back to five for the May 6 G3 Palace House S. at Newmarket, he was doing sterling late work to be fourth on a surface which was on the lively side. "He'll need some luck, but he's in great order," trainer Eric Alston told *PA Sport*. "He just didn't come down the hill at Newmarket and got too far behind. That was just because of the ground, I think. The stiff five should be bang on for him, and he's in as good order as we've had him all year." *Cont. p7*

Les Arcs (Arch) has been transformed since his switch to the yard of rookie trainer Tim Pitt, capturing a Feb. 4 handicap and Mar. 18 conditions event on Lingfield's Polytrack before his Cammidge Trophy success a week later. He was runner-up in the Listed Abernant S. at Newmarket last time Apr. 18 and has enjoyed a freshener since. "He's in good form and he's had a nice break since the Abernant S., and I've always had this race in mind for him," his conditioner told *PA Sport*. "He's fresh and well in himself and it's always been the intention to go this route. I don't think he'll disgrace himself. It's the obvious route to take with him." **Resplendent Glory (Ire)** (Namid {GB}) is a fascinating contender off an 11-month layoff since his course-and-distance wins in the Listed Scurry S. and G3 Sprint S. in June and July.

'BULL' ADDED TO DERBY Susan Magnier, Derrick Smith & Michael Tabor's **Papal Bull (GB)** (Montjeu {Ire}) was yesterday supplemented for Saturday's £1.25-million G1 Vodafone Derby at Epsom, for which 22 colts stood their ground at the five-day stage. Successful in the G3 Chester Vase May 11, the Sir Michael Stoute-trained colt was added to the Blue Riband at a cost of £75,000. Kieren Fallon, weighing up his options yesterday, has not ruled out taking the mount on Papal Bull over the Ballydoyle contingent. "He's a horse I think highly of, so he's an option and it'll be a tough decision," the rider commented. "I was impressed with him at Chester--if I'd gone a furlong earlier, he'd have put distance between himself and his rivals and he'd be a leading fancy." Aidan O'Brien left in five, including G1 Prix Jean-Luc Lagardere winner **Horatio Nelson (Ire)** (Danehill). His Highness the Aga Khan's G2 Prix Greffulhe victor **Visindar (GB)** (Sinndar {Ire}) remains on course, and his trainer Andre Fabre also has Sean Mulryan's G3 Lingfield Derby Trial winner **Linda's Lad (GB)** (Sadler's Wells), who will bid to end Frankie Dettori's drought in the race. Marcus Tregoning has confirmed Anthony Pakenham's G1 2000 Guineas runner-up **Sir Percy (GB)** (Mark of Esteem {Ire}) for the mile-and-a-half Classic, while other notables are **Championship Point (GB)** (Lomitas {GB}) and 2000 Guineas third **Olympian Odyssey (GB)** (Sadler's Wells).

DEPUTY GLITTERS WORKS FOR BELMONT Joseph Lacombe's **Deputy Glitters** (Deputy Commander), eighth in the Kentucky Derby, worked five furlongs at Belmont yesterday in 1:01 4/5 in preparation for the June 10 GI Belmont S. Trainer Rick Violette's **High Finance** (Talk Is Money) is under consideration for the Belmont. "We know it's a huge step up, but it's a wide open race and nobody knows whose going to get a mile and a half," Violette said. His breeze [Sunday one mile in 1:38.49] was spectacular." High Finance was third behind GI Lexington S. winner Showing Up Feb. 11 and second behind GI Preakness winner Bernardini Mar. 4 at Gulfstream before streaking to a 9 1/4-length maiden win at Keeneland. He added a five-length one-mile allowance win at Belmont May 4 last time out. Also a Belmont possible is **Cause to Believe** (Maria's Mon), who worked one mile at Bay Meadows yesterday in 1:39 4/5. The gray colt was 13th in the Kentucky Derby.

[Racing Post racing chart](#) or [brisnet.com catalog-style pedigree](#).

By the end of this week, British journalists will be desperately trying to arrive at a valuation for the latest colt to earn the historic title of "Derby winner." Chances are, though, that they will struggle to come up with the type of estimate which used to produce a sharp intake of breath at the sheer vastness of the valuation.

Times have changed (as illustrated by the reduction in the distance of the French Derby) and breeders--especially those in the commercial sector--have become increasingly hesitant about using mile-and-a-half Classic winners. To win their support, a modern-day Derby winner needs to have also shown excellent two-year-old form or enough speed to have shone over distances short of a mile and a half. Even a first-rate pedigree won't automatically help, if it represents stamina rather than speed.

Although it would be very wrong to suggest that winning the Derby was always an instant ticket to stallion success, victory at Epsom during the 1960s and '70s helped propel the likes of Sea-Bird, Sir Ivor, Nijinsky, Mill Reef, Roberto, The Minstrel and Shirley Heights to rewarding stallion careers. Since then, though--with the possible exception of Nashwan--you would struggle to describe any of the Epsom heroes as an unqualified success, with the picture being considerably clouded by a number of premature deaths, quick sales to Japan and even a kidnapping.

The last century closed with Derby victories by Erhaab, Lammtarra, Shaamit, Benny The Dip, High-Rise and Oath, leaving the race desperately in need of a shot in the arm, from a bloodstock perspective. Although the 2003 winner Kris Kin is already being marketed as "the ultimate dual purpose prospect," there are encouraging signs that some of the other recent winners are capable of stopping the rot. Sinnidar, an admirable winner in 2000, sired Shawanda (Irish Oaks and Prix Vermeille) in his first crop and this year's hot Derby favourite Visindar in his second. Next in line came Sadler's Wells's Derby winning sons Galileo and High Chaparral, both of whom cemented their solid reputations with other major successes before joining their sire at Coolmore.

Galileo's first runners reached the track last year and I was sufficiently in awe of this horse's first-rate combination of impressive talent, conformation and bloodlines that I nominated him in these pages to end 2005 as the year's leading first-crop sire. As things turned out, I should have placed more emphasis on the fact that Galileo had raced only once at two, when he created a highly favourable impression in winning an end-of-season

Galileo

maiden race on heavy ground. I was hoping that the presence of Miswaki as his broodmare sire might help him sire progeny more precocious than himself, but I was probably allowing my heart to rule my head.

Unfortunately Galileo proved no match for the speedsters Mozart and Bertolini, and he finished a remote seventh on the Anglo-Irish list of leading first-crop sires, with 10 winners from 41 runners, from a crop of 127 foals. Juddmonte's filly Innocent Air was his only stakes winner and only two others managed to earn black type. **Cont. p9**

(Pedigree Insights cont. from p8)

So was Galileo going to provide ammunition for the critics who habitually snipe at Sadler's Wells's record as a sire of sires, despite the success of such as Montjeu, El Prado, In the Wings and the Japanese-based Opera House? (Incidentally, Opera House's son Meisho Samson recently added the Japanese Derby to his earlier success in the Japanese 2000 Guineas, raising hopes that he could develop into another champion for the sire of Horse of the Year T.M. Opera O.)

Although Galileo wasn't hitting the headlines with his two-year-olds, there were encouraging signs that people still had plenty of faith in him. For example, yearling colts from his second crop sold for 800,000gns and €950,000, and his son Fire and Rain was talked of as a Classic contender after his debut win at Newmarket. I'm delighted to say that this faith in Galileo wasn't misplaced.

He is rapidly moving up the list of stallions which covered their first mares in 2002. Indeed, he now figures as high as fourth among the stallions on the general sires' list in Britain and Ireland, thanks to a sequence of fine recent performances by his three-year-olds. Red Rocks shaped like a colt with a very bright future when he won Saturday's Fairway S. at Newmarket, where another son, Lake Poet, won a valuable handicap. Then Galileo's lightly raced daughter Nighttime handled the heavy conditions far better than the others as she swept to an easy victory in the G1 Irish 1000 Guineas.

This victory made Nighttime the second group winner by Galileo, as another daughter, Galatee, had maintained her unbeaten record in the G3 Blue Wind S. earlier in May--with Galatee winning in a style which suggests she will be a major force in the Irish Oaks. Galileo also had a runner in the Irish 2000 Guineas, in which his son Heliostatic finished a respectable sixth. He has also been well represented by Rockmaster (third in the G1 Derby Italiano), Guilia (a head second in a Listed Oaks trial), Purple Moon, The Last Drop, Galiand and High Command.

In view of Sadler's Wells' stock's reputation for preferring give in the ground, people are sure to jump to the conclusion that Galileo's progeny also benefit from the type of very soft ground which has been widespread in Europe this year. Galileo himself handled heavy conditions very well, but he possessed a magnificent action which adapted equally well to firm ground on Derby Day and to good-to-firm going on King George day. There's therefore no reason why the Galileo tribe

shouldn't continue to impress when the ground firms up. It is worth adding at this point that Galileo's first crop runners in Australia--where the ground is usually fast--have also shaped encouragingly.

Although it is too soon to make any sweeping statements about Galileo, it looks as though he might benefit from mares with comparatively speedy backgrounds. Galatee's broodmare sire is Mountain Cat, a Storm Cat colt who won six of his eight starts at two, and Nighttime's first two dams, Caumshinaun and Ridge Pool, were both by winners of the five-furlong King's Stand S. Her third dam, Casting Couch, was also by a leading sprinter in Thatching, but that didn't stop Caumshinaun staying a mile, as she showed by winning a Listed race on her final appearance.

Nighttime's breeder, Mrs C.L. Weld, must be doing something right, as the filly follows Grey Swallow as the second Classic winner she has bred in recent years, from only a handful of mares. Nighttime's fifth dam, Drury Nell, was a half-sister to Moment of Truth, America's broodmare of the year in 1972. Drury Nell's finest effort was Nighttime's fourth dam, the speedy Sir Ivor filly Drama who won the G3 Greenlands S. Drama went on to produce a pair of notable broodmares in the Grade III winner Tycoon's Drama and the Listed-placed Last Drama, with Last Drama in turn producing the high-class turf performer King's Drama. Coincidentally, King's Drama was also sired by a major mile-and-a-half winner by Sadler's Wells, his sire being King's Theatre. As King's Drama stays a mile and a half, Nighttime has every chance of staying a mile and a quarter.

TIVERTON (g, 4, **Unaccounted For--Big Band Singer, by Dixieland Band**) broke his maiden in his third go over the turf, taking a nine-furlong event at Saratoga last August. He was fourth and then fifth in allowance races at Belmont in October, and concluded his 2005 campaign with a lackluster sixth sprinting on the main track at the Big A Nov. 26. The gelding was training well for his comeback, most recently firing a five-furlong bullet in a quick :59 2/5 over Belmont's training track May 21. Off at 9-2, he tracked in fourth, then finished full of run to win by two lengths. Foreign Minister (Saint Ballado), a half to champion Vindication, slipped up the rail to get the place spot. HABSBURG (c, 3, **Old Trieste--Shade Dance, by Nureyev**) was off to a slow start in his Apr. 8 debut at Gulfstream and never figured, finishing 11th. Let go at a generous 10-1 to improve with a clean break, the chestnut was away smoothly and went right to the front. He was chased by Orlov (Albert the Great) through swift early splits and heard that rival's hoofsteps as they neared the wire, but dug in gamely to take it by a neck. An admirably game horse who won four of his seven starts last year, T.D. Vance traveled to Canada to capture Woodbine's Toronto Cup H. in July, then returned to the States and won the GII National Museum of Racing Hall of Fame S. at Saratoga in August. He made it three straight with a win in Keeneland's Bryan Station S. Oct. 13. T.D. Vance went to the sidelines off a fifth in the Nov. 13 Commonwealth Turf S. at Churchill, and, in his return, was a dull 10th after breaking slowly in the GIII Miami Mile BC H. at Calder Apr. 29. Away much better this time around, he took his customary spot at the head of affairs and slowed the pace down through :25 1/5 and :50 1/5 splits. He was put to a stiff drive in upper stretch and gamely staved off the crowd's pick Tiganello as they streaked under the wire.

Greeley's Galaxy Works Towards Comeback:

Greeley's Galaxy (Mr. Greeley) worked five furlongs in 1:01.80 yesterday at Churchill Downs for new trainer Al Stall, Jr. The four-year-old colt, winless since taking last year's GII Illinois Derby, has not been out since finishing fifth in the Feb. 20 GIII All American H. at Golden Gate Fields. He was transferred from trainer Warren Stute's California stable earlier in the spring. "They gave him a little breather, then they brought him in here and he's been really good," said Stall. "He bled a little bit in the Triple Crown races last year, but it looks like that is behind him."

Private Vow Back in Training:

Private Vow (Broken Vow) turned in his first work since finishing 15th in the Kentucky Derby with a five-furlong drill yesterday at Churchill in 1:02.40. The colt will likely start next in either the June 17 GIII Northern Dancer Breeders' Cup or in the June 30 Iowa Derby.

Stream Cat broke his maiden on the turf, taking the With Approval S. at Saratoga last summer, then switched to the main track. The dark bay acquitted himself well on the alternate surface, winning the GIII Kentucky Cup Juvenile in September and running third in the GI Lane's End Breeders' Futurity in October, but he finished eighth in the GI Breeders' Cup Juvenile and was done for the year. Back on the grass in his sophomore bow, he closed for a narrow victory in the May 5 GIII Crown Royal American Turf S. at Churchill Downs and was the odds-on choice to repeat. The three-year-old tracked the pace from fourth while tucked in at the rail, then angled outside for the stretch drive, catching Wait in Line inside the eighth pole and edging clear.
