DRAMA ON THE DOWNS

There were four horses on the line at the finish of the 227th renewal of yesterday's G1 Vodafone Derby at

Sir Percy *Getty Images*

Epsom Downs, but attention was torn between the victorious **Sir Percy (GB)** (Mark of Esteem {Ire}), and the stricken **Horatio Nelson (Ire)** (Danehill), who broke down as the field raced toward the wire. Horatio Nelson fractured the cannon bone and sesamoids of his right front leg and had to be euthanized. The tragedy left a pall over the gallant triumph of Sir Percy, who drove up the rail to earn a short-head verdict over the 66-1 maiden

Dragon Dancer (GB) (Sadler's Wells), with pacesetter **Dylan Thomas (Ire)** (Danehill) a head back in third and **Hala Bek (Ire)** (Halling) another short head away in fourth. **Vodafone Derby cont. p2**

THE NAME GAME

With major contenders from Britain, Ireland and Germany in the line-up for today's G1 Prix du Jockey-Club at Chantilly, Paul Vidal's **Best Name (GB)** (King's Best) faces a stern test, but the easy option has never been a consideration for this colt. The bay made just one start at two, and justified his stable's confidence when running just a short head behind Linda's Lad (GB) in the G3 Prix de Conde at Longchamp in October. He returned to record a comfortable success in the Listed Prix de Courcelles at Longchamp Apr. 9, and bids to provide conditioner Robert Collet with an overdue first Jockey-Club. "After his return...I thought for a moment of running him in the G3 Prix de Guiche, but I left him fresh," he told *Paris-Turf*. "He worked superbly on Tuesday and I was really satisfied. His exercise has left me confident. I want a truly run race without any excuses, as Best Name will stay 2100 meters, and I've known

Robert Collet *APRH*

for a long time that he is a very gifted colt." No Classic stone is left unturned by the might of Ballydoyle, and in Susan Magnier, Michael Tabor and Faisal Salman's G1 Poule d'Essai des Poulains winner **Aussie Rules** (Danehill), the operation has a strong player. He is bred to go the extra distance and was finishing with effect when beating Marcus Andronicus (Ire) by a half length in the mile Classic.

FOG CLEARS AT CHURCHILL

Reed Palmer

Champion **Lost in the Fog** (Lost Soldier), beaten in the G1 Breeders' Cup Sprint and in his 2006 debut, was back in the winner's circle yesterday, posting a 1 1/4-length victory in the GIII Aristides Breeders' Cup H. at Churchill Downs. **Aristides cont. p6**

The Derby sire is a **Darley** sire.

Mark Of Esteem's **GUTSY BRILLIANT** son **SIR PERCY** wins the **greatest** race.

How It Was Won...

Unbeaten at two, Sir Percy captured the G2 Vintage S. In July before beating Horatio Nelson in the G1 Dewhurst S. in October. He

Actionplus

was put firmly in his place by George Washington on his return in the 2000 Guineas, and exited the race with several pulled muscles. After a short period of rehabilitation, he was back to his enthusiastic self on the home slopes

and showed his well-being with his usual exuberance at Epsom yesterday. Settled towards the outer of the peleton in mid-division early, Sir Percy lacked room in the straight as Dylan Thomas and Dragon Dancer battled it out up front. Passing the ill-fated Horatio Nelson at the quarter pole, he was gifted a rail run as Dylan Thomas drifted right in the closing stages. Hala Bek, closing on the outside, sacrificed his chance when he ducked sharply right in the shadow of the wire, and it was left to Sir Percy to shoot through on the rail and grab the spoils in the final stride. "I was always confident in him and I knew I had a horse good enough to win a Derby," winning jockey Martin Dwyer said. "I was a little further back than I wanted to be, [but] I had to go where I was getting the run, and it all opened for me. They went very quick, so I was confident that I'd pick up. He dug deep and quickened really well--he was tough and determined." [Click for the racingpost.co.uk chart](http://www.racingpost.co.uk) or the [free brisnet.com catalogue-style pedigree](http://www.freebrisnet.com).

Hard Luck Story...

For Philip Robinson, aboard **Hala Bek**, it was a case of what might have been in the 227th Derby. "I thought I'd got the race won and I'd just come to go past the front two when he jinked away and went to go across the track," Robinson said. "I don't know whether it was through greenness or immaturity, but for a second I thought I was going to part company. Had it happened 100 yards earlier, I could have got him back balanced and probably won, but at that point it was all over."

Horatio Nelson Euthanized...

Trainer Aidan O'Brien expressed concern as to the soundness of 11-2 second favorite **Horatio Nelson** prior to the start of the race, but after consultation with the racecourse vet, the colt was given the go-ahead. The colt was in mid-division under Kieren Fallon when he suffered a catastrophic injury to his right front leg and could not be saved. "Horatio Nelson was examined at the start of the Derby by one of the racecourse veterinary surgeons who consulted Aidan O'Brien, who was present at the start," a Horseracing Regulatory Authority statement read. "The veterinary surgeon and the trainer agreed that they were satisfied that Horatio Nelson was fit to compete. Following the race the horse was taken to the veterinary treatment center and several X-rays were taken of the injured leg. Sadly, the injuries were considered to be too severe to be repaired and the horse has therefore been euthanized." Top-class at two, Horatio Nelson won the G3 Superlative S., G2 Futurity S. and G1 Prix Jean-Luc Lagardere, and finished a neck runner-up to Sir Percy in the Dewhurst S. He earned £284,236.

Prix du Jockey-Club cont.

Gestut Rottgen's **Aspectus (Ire)** (Spectrum {Ire}), representing Germany in the G1 Prix du Jockey-Club, warrants respect, having won the G3 Preis des Winterfavoriten at Cologne in October before returning to take the Apr. 23 Dr Busch-Memorial at Krefeld. The colt finished second in the G2 Mehl-Mulhens-Rennen back at Cologne last time May 14.

From across the Channel, Bill Gredley's **Olympian Odyssey (GB)** (Sadler's Wells) brings British Classic form to the contest, having finished third in the May 6 G1 2000 Guineas at Newmarket. "The trip of the French Derby is just a nice step up for him," jockey Jamie Spencer said. "It's only an extra couple of furlongs, rather than another half a mile like it would have been in our Derby."

and opened 2006 with a popular 2 1/2-length tally in the Jan. 15 GII El Encino S. at Santa Anita.

The dark bay had to settle for second behind Star Parade in her next outing, the Feb. 11 GI Santa Maria H., then tired to be fourth in the Mar. 11 GI Santa Margarita H. and was given a short break. She returned to take the restricted B Thoughtful S. going seven panels at Hollywood

Apr. 30, and was the second choice stretching out in her second start back. Sent right to the front from her inside post, she was dogged by Somethinaboutlaura to the eighth pole, finally shook off that challenge, then was all out to hold off favored Star Parade at the wire.

in her latest, a second-place finish in the Apr. 29 GIII Beaugay H. Favored to go one better here, the Irish-bred miss trailed the field early as Black Rock Road (Bertrando) led them along through a half in :50.01 and six furlongs in 1:15.33. length victress in a sloppy running of Gulfstream's GII Davona Dale S. Feb. 4, the gray followed with a third over that track in the GII Bonnie Miss S. Mar. 5. Wait a While was second best in the GI Ashland S. Apr. 8 and was promoted to third after crossing the line fourth in the GI Kentucky Oaks May 5. The heavy choice in this field of four, the Arindel Farm

colorbearer broke on top and cruised home to the easiest of victories. "She handled that wet track pretty well," trainer Todd Pletcher said. "She did things pretty easily today. She's a very nice filly on either surface, but I think she is a little better on the grass. I might never get to prove that. If we run her in the [GI] American Oaks [Invitational, Hollywood Park, July 2], we're going to have to go off her maiden win and how she works on the grass. We'll play things by ear."

The chestnut filly kicked of the new year with a decisive score in the Jan. 28 Sunshine Millions Oaks at Gulfstream, but failed to fire in her next two appearances, running seventh in the Mar. 5 GII Forward Gal S. in Hallandale and fifth in the Apr. 13 GII Beaumont S. at

Keeneland. She rebounded with a victory in the May 6 GIII La Troienne S. at her favorite track. Quick to challenge the speedy Coronado's Vision (Coronado's Quest) early here, Joint Effort took command after six furlongs and held second choice Ready to Please at bay. "[Trainer Dale Romans] told me that she really liked this track," said jockey Rene Douglas, who was winning his first stakes race at Churchill Downs. "I tried to settle her, but she broke on top. I didn't want to choke her and [make her] do something that she didn't want to do. She was doing it comfortable and, in the end, she had enough to hold on." As for what's next, Romans said, "It could possibly be the Test [GI, Aug. 5] at Saratoga, if we give her that much time between races. That might be a good plan."

Lost in the Fog was roughed up at the start of the Oct. 29 GI Breeders' Cup Sprint, then tired after pressing an opening half in :44 2/5 and went down to defeat for the first time in his career, finishing seventh. The loss did not cost him the Eclipse Award, and he was expected to get back on track in his first start this term, the Apr. 22 Golden Gate Sprint S. That's not the way it worked out. The dark bay chased Carthage from the start and was losing ground at the finish, hitting the line three lengths in arrears. For a short time, it appeared that his second start of the year would play out the same way. First out of the gate, the Florida-bred was quickly passed by Exciting Metro (Carson City), who was clear after an opening quarter in :22. But jockey Russell Baze gave Lost in the Fog a nudge as they raced around the turn, and the champ was once again back in front, this time for good. Kelly's Landing made a run at him in the stretch, but it came up short. The winner will be pointed for the July 15 GIII Smile Sprint H. at Calder. [Click for the brisnet.com chart.](#)

Nayyir rolled back the years under a perfectly judged ride from Frankie Dettori to win this race for the second time. Much water had flowed under the bridge since his three-length romp four years ago, with the chestnut winning the 2002 G2 Challenge S., and two renewals of Goodwood's Lennox S., run as a Group 3 in 2002 and as a Group 2 a year later. He also finished third in the G1 Dubai Duty Free S. at Nad al Sheba and runner-up to Soviet Song (Ire) in the G1 Sussex S. at his favored Goodwood in 2004, but his powers had appeared on the wane recently and he was only fourth in the Listed Magnolia S. at Kempton Apr. 15. Observing from rear in customary fashion throughout the early stages, he was threaded through the gaps inside the final quarter to cut down Boule d'Or in the final 50 yards, as the luckless favorite Home Affairs flashed late. "He is one of my favorites--he digs us out of a hole all the time and this is one of his best performances." [Click for the racingpost.co.uk chart.](#)

His Highness The Aga Khan's green-and-red silks were carried by subsequent G1 Irish Oaks winner Shawanda (Ire) to win this contest last year and it was case of history repeating itself as Minatlya survived a stewards' inquiry to secure a career best. Unraced as a juvenile, the Lagardere-bred got off the mark in an Apr. 10 newcomers event at Saint-Cloud and franked that form with victory in the Listed Prix Caravelle at Toulouse last time Apr. 25. Settled in third after the opening exchanges here, she barged her way out of a pocket to lead approaching the final furlong and kept on under minimal encouragement to safely hold the late thrust of Ponte Tresa.

All carry 128 pounds.

Cologne's G2 Schwarzgold-Rennen has been the key trial for this Classic, producing the last two winners-- Amarette (Ger) and Iota (Ger)--and the May 14 prep was taken this year by **Quelle Amore**, who beat **Nordtanzerin**. While that was a career-best for the winner, Nordtanzerin had already shown her class at two when capturing the G3 Preis der Winterkonigin at Baden-Baden in October. Crowned the "Winter Queen," she counted **Almerita**, **Karavel** and **Lasira** among her victims and sets the standard on that form, which received a boost when Almerita and Lasira ran second and third, respectively, in the Apr. 30 G2 Pferdewetten.de-Stutenpreis (German 1000 Guineas). Of the unexposed types, **Aramina** is an intriguing representative of the Gestut Schlenderhan--Peter Schiergen axis responsible for Iota. This half-sister to the 2004 Diana heroine Amarette looked smart when graduating at Krefeld May 6, having ran second to subsequent Schwarzgold-Rennen fifth **Auenprincess** at that track Apr. 23.

Andre Fabre has won this seven times with the likes of Golden Opinion, Ski Paradise and Banks Hill (GB) and saddles **Phantom Rose**, who bids to take her record to a perfect three-for-three. A stylish debut winner here Apr. 20, she followed up in the May 17 Listed Prix d'Angerville at Maisons-Laffitte and could be anything. Classic form is brought to the mix by **Impressionnante**, who was promoted to the runner-up spot from third in the G1 Poule d'Essai des Pouliches (French 1000 Guineas) at Longchamp May 14. She was hampered in the closing stages of that contest and holds strong claims of providing trainer Carlos Laffon-Parias with his fourth renewal. She had last year's G2 Prix Robert Papin winner **New Girlfriend** back in sixth on that occasion and that rival may be ridden with more restraint than was exercised in the mile Classic.

Prix du Gros-Chene cont.

Latona has a highly progressive profile and she had three of these rivals behind her last time when winning the G3 Prix de Saint-Georges at Longchamp May 14. That represented a step up on her previous form, which included scores in the Listed Prix de Saint-Cyr at this track in October and a runner-up finish in the Listed Prix Servanne on her four-year-old bow at this track Apr. 24. While the field is made up mainly of British challengers, trainer Robert Collet fields a three-strong defense of a crown he took courtesy of Sainte Marine (Ire) in 1998 and 1999. **Biniou** may be the pick of the trio, having finished second in the Listed Prix Sigy here Apr. 28 and third in the Prix de Saint-Georges.

G1 WINNER SILVER TRAIN TO VINERY AFTER RACING CAREER

[Click here for more...](#)

Thoro-Graph Race of the Week
by Jerry Brown

As we have discussed here before, handicapping grass races using Thoro-Graph is somewhat different than for dirt races. Grass horses simply aren't set back by big efforts--they repeat top efforts often, and run in a tight figure range, seldom bouncing. This means they tend to classify themselves. The differences in ability in most grass fields are less than on the dirt, and the races are much more likely to be decided by ground loss and weight.

HONEYMOON BREEDERS' CUP H.-GII, \$175,000,

3yo, f, 1 1/8mT

PP HORSE	SIRE	ODDS
1 Galileo's Star (Ire)	Galileo (Ire)	15-1

Is one of many young grass horses with moderate form that trainer Cassidy has brought from Europe over the last few years, and most have done well. This one didn't show that much last year, but the barn unveiled two other fillies recently that ran figures that would have been competitive here, and ran them in lesser races. They evidently think this one is better--watch out.

2 Attima (GB)	Zafonic	2-1
---------------	---------	-----

Is another that spent last year in Europe with only limited success, but she turned a lot of heads with her local debut. A repeat of that effort would make her competitive, but she would need a forward move to really be strong, and it's important to note that Canani is super off layoffs, but just okay the time afterward. Contender, but no value as one of the favorites.

3 Foxysox (GB)	Foxhound	5-2
----------------	----------	-----

Is another European transplant, and she has made it to the top of what until recently was a very weak local division. She has now won three straight stakes without running a big effort, and pays the price by spotting weight here--five pounds is worth one Thoro-Graph point, and at the weights Foxysox is competitive, no more. It's also certainly not a plus that she's been bearing in and out in her last two--vulnerable favorite.

4 Arlene	Game Plan	5-1
----------	-----------	-----

Managed to get second in a graded stakes last time, but only because she got an inside trip in a five filly field, and one of the others was compromised when her saddle slipped. She's one of the slower contestants here, and not favorably weighted, so while her pattern is good, she would need a big jump to seriously contend.

All horses in the TDN are bred in North America, unless otherwise indicated

5 Harriet Lane	Giant's Causeway	4-1
----------------	------------------	-----

Improved dramatically earlier this year, and her last two were the best races ever run by anyone in this field. In her most recent she earned a better figure than the winner did because she was wider on both turns, while Foxysox saved ground. In fact, she's now had three straight wide trips, and needs to avoid another, but she's the best filly going in, and wasn't hurt badly by the weights.

6 Proxenia (GB)	Pursuit of Love (GB)	5-1
-----------------	----------------------	-----

Wasn't much last year in Europe, and though she's improved a lot since arriving in the U.S., is still well short of competitive here, especially since Solis figures to come in a few pounds overweight.

7 Royal Cheer	Royal Anthem	15-1
---------------	--------------	------

Ran well in her first two starts on a minor circuit, so we stepped in and purchased her for a bargain price for a partnership we manage, and sent her to California. After a few misfires we switched her to the barn of Peter Miller, and she immediately returned to form, then in her last moved forward to run second in a stakes at Golden Gate. Having developed only 2 points from her juvenile top she easily could move forward again right away. Getting weight--and Pedroza will make 114--that puts her right in this.

Bottom Line – Foxysox is a bet-against. Harriet Lane is the most likely winner, Galileo's Star and Royal Cheer usable as longshots.

Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. THOROUGHBRED DAILY NEWS

AROUND
THE WORLD

BUCKRAM OAK RESTRUCTURES Buckram Oak Farm, whose principal owner Mahmoud Fustok was killed after being struck by a car in February, has re-worked its organization and will begin racing later this month under the name Four Roses Stable, according to *Daily Racing Form*. Mohammed Moubarak will remain as racing manager, while Kassem Masri will now be the managing director. "It will probably be around June 10 before we officially make the name change," Moubarak told *DRF*. "It will take that long to get all the necessary paperwork done and change the colors." The stable's current star is Silver Train, last year's GI Breeders' Cup Sprint hero who added the GI Metropolitan H. to his trophy case on Memorial Day. There are approximately 50 horses in training, most of them two-year-olds at their Citra, Florida, farm. "It was a very long process," Moubarak continued. "There were a lot of family complications. A lot of people have bits and pieces of the horses. Now everything has been done correctly. Everybody is satisfied. As for myself, I'm very happy to have kept my position as racing manager." Moubarak indicated that the breeding operation would be scaled back in favor of purchasing racing prospects at sales.

Scat Daddy made it two straight winners for jockey John Velazquez since his return to race riding. The \$250,000 KEESEP yearling garnered much attention at the windows since earning a bullet for working 5/8 of a mile in :58 4/5 last Sunday and was bet down to 3-5. Breaking from the rail, the dark bay dueled with Trip to the Bank (Trippi) through a half in :45. He inched ahead of that rival in midstretch, put him away and skipped through the slop to defeat him by 5 1/4 lengths. SANTA FE (IRE) (c, 4, Green Desert--Shimna {GB}, by Mr. Prospector), a half-brother to today's G1 Prix du Jockey-Club hopeful Hazeymm (Ire) (Marju {Ire}), GSP-GB, was a 210,000gns TATOCT yearling. He broke his maiden as a two-year-old at Leicester for trainer Sir Michael Stoute, but failed to progress at three and, following a 16th in a Newbury handicap last July, was sold for 32,000gns at TATAUT. The bay had been beaten by two lengths in each of his first two U.S. outings, finishing sixth in a down-the-hill allowance at Santa Anita Apr. 13 and fourth in a one-mile contest over this surface May 13, and was let go at 9-1 here. Sadeek got the better of Abraham Lincoln (Ire) in a York maiden in the soft on debut May 18 and dealt with these quicker conditions to maintain his perfect record. Surviving a nod exiting the stalls, he stalked the freewheeling leader Going Straight before tackling that rival approaching the quarter pole. He struck the lead soon after and showed resilience to hold that foe's game rally in a pulsating final drive. "He's a nice horse and it was different ground here, but we didn't think he'd want it soft before York," trainer Kevin Ryan commented. "He was idling a bit in front and is still inexperienced--its a big experience for a two-year-old here and that's rubber-stamped him how good he is. He'll probably line up in the G2 Coventry S. [at Royal Ascot June 20]."

Stage Gift is proving difficult for the handicapper to pin down and the homebred made light of his mark with an impressive success as the highweight here. Successful in lesser events at Kempton Apr. 21 and Yarmouth May 11, the gelding was the subject of a considerable Derby day gamble and it was jockey Robert Winston who was charged with the responsibility of making connections and the 100,000-plus crowd happy. Settled in mid-pack towards the outer throughout the rough early exchanges, he was delivered widest of all in the straight and picked up the leaders in a matter of strides. Taking command on the approach to the quarter pole, the camber carried him across onto the fence and he was coaxed to the line in the closing stages. "He surprised me with how well he won," his rider said. "He was always traveling very nicely and, although I was worried I was a bit deep and he didn't come down the hill great, once I pulled him out he showed an electric turn of foot. I let him go to the rail and he gave me everything."

C'MON TIGER (Storm Cat) brings some drama to this venue north of Dublin with his standout pedigree, being the latest progeny of Cee's Song. That makes Michael Tabor's newcomer a half to the dual GI Breeders' Cup Classic hero Tiznow, as well as Budroyale and Tizdubai, but Aidan O'Brien's colts have needed their first experience in 2006 and there may not be fireworks this time. Cee's Song was purchased for \$2.6 million out of the 2001 Keeneland November sale. Amongst his rivals is Moyglare Stud's homebred **Silent Confession (Ire) (Selkirk)**, a half to the G2 Ribblesdale S. winner Irresistible Jewel (Ire) from the Dermot Weld stable.

Desert Lord started out with Sir Michael Stoute and took part in the G1 Dewhurst S. at Newmarket in October 2002, but failed to make the grade and was sold out of Freemason Lodge. After a spell in the wilderness, he was purchased by Kevin Ryan and showed immediate improvement to win a Musselburgh handicap Apr. 16. Only seventh from a disadvantageous stall here 10 days later, he ran fifth at Chester after another luckless draw May 11, but rebounded to deliver a striking display of raw speed on this downhill run. Always in control of the stands' side group, he maintained the furious tempo to the line, just missing the 46-year-old track record of :53.6 seconds set by Indigenous (GB) in the process. Jockey Daragh O'Donohoe commented, "He loved it out there and galloped all the way to the line--he's really tough."

Setting a decent gallop at the head of this small field, the 7-2 shot was asked for his effort at the top of the straight and was ridden out in the final eighth for a 1 1/4-length victory from Take A Bow (GB) (Royal Applause {GB}). The 37,000gns TATAUT purchase is a half-brother to Home Affairs (GB) (Dansili), SW & MGSP-Eng, \$170,742. Lifetime Record: MGSW-Fr, GSW-Eng, 17-6-2-0, £124,758.
