**ARAAFA TAKES PALACE BY STORM**

All the talk after the G1 Irish 2000 Guineas may have surrounded the vanquished George Washington (Ire), but now it's time to take Saleh Al Homaizi and Imad Al Sagar's **Araafa (Ire)** (Mull of Kintyre) seriously after he added the G1 St James's Palace S. to his record yesterday. Seizing Royal Ascot's sophomore jewel with an admirably straightforward performance, the 2-1 crowd's choice was firmly in control in the final quarter and had a comfortable two lengths to spare over **Stormy River (Fr)** (Verglas {Ire}) at the line. "He keeps progressing and his work had improved again since Ireland," trainer Jeremy Nosedo explained. "Taking nothing away from George Washington, it will take a mighty one to beat [Araafa], and I look forward to the rematch." **Cont. p2**

**AUSSIE TAKEOVER**

Three years ago, Choisir (Aus) swept the two major sprint races at Royal Ascot. Yesterday, his fellow Aussie **Takeover Target (Aus)** (Celtic Swing {GB}) got himself halfway to emulating that feat with a dramatic victory in the G2 King's Stand S. Co-owner and trainer Joe Janiak will take his time before committing to Saturday's G1 Golden Jubilee S. "He's a tough little horse, but that race took a little bit out of him and we'll see how he pulls up before deciding whether he runs on Saturday," Janiak said. **Cont. p4**

**VALUE ADDED**

He had to survive a lengthy stewards' inquiry, but Susan Magnier and John Ingham's **Ad Valorem (Danzig)** chose the finest stage to get his picture taken after yesterday's G1 Queen Anne S. at Royal Ascot. Though the 13-2 chance appeared to bother **Peeress (GB)** (Pivotal {GB}), the result stood. "[Jockey] Kieren [Fallon] said he won easily and I think there's no doubt that the best horse won," trainer Aidan O'Brien commented. **Cont. p2**

**WAR IN THE WALES'S**

Inaugurated in 1862, the Prince of Wales's S. was rescued from its languid status by the upgrading from Group 2 to Group 1 level in 2000. Bursting to life that year when Dubai Millennium (GB) saw off Sendawar (Ire) in a memorable spectacle, the race has quickly established itself as the class act of the Royal Ascot meeting, with Fantastic Light, Grandera (Ire), Nayef, Rakti (GB) and Azamour (Ire) added to the honor roll. Godolphin, responsible for the first three of those dignitaries, has built its reputation on its older performers. They send out one of the best around in **Electrocutionist (Red Ransom)** this afternoon. The multiple Group 1 winner, who transferred his high-class form from turf to dirt when taking the G1 Dubai World Cup at Nad Al Sheba Mar. 25, bids to follow in Dubai Millennium's esteemed prints here. **Prince of Wales's cont. p5**

**COMING AROUND AT THE RIGHT TIME**

Amongst **Araafa's** better efforts at two were a second to subsequent G1 Racing Post Trophy hero Palace Episode in the Listed Acomb S. at York in August and a third in the G3 Horris Hill S. at Newbury in October. His fourth-place finish in the May 6 G1 2000 Guineas at Newmarket came on the heels of a troubled preparation, and he made a leap forward to best George Washington by two lengths in testing conditions in the Irish equivalent at The Curragh three weeks later. There would be no rubber match for the Guineas winners at Royal Ascot after it was announced that George Washington emerged from the Irish race with pulled muscles. But there was nothing to stop Araafa here. Positioned by Alan Munro in behind the Ballydoyle rabbit **Arabian Prince** (Fusaichi Pegasus) in the early stages, the bay took over before the quarter pole and was clear as **Stormy River** threaded his way through the pack from rear. "He was very impressive and is the mile champion now," asserted his jockey, who was riding his first Royal Ascot winner in 12 years. "He leaves the gate fast, travels very strongly and has a good turn of foot. He is uncomplicated and doesn't hesitate when he takes the lead--he's very responsive and willing and wants to win." Nosedad is hoping that Araafa receives the plaudits now. "Sadly, he missed his prep for the Guineas and got sick 18 days before, but we decided to run and he's just moved forward since then," he explained. "I didn't go to Ireland for the sake of a run, and he did his job there. I feel today, hopefully he'll get the credit he deserves as he's a top horse, a tough horse and has a cruising speed and can kick." Ad Valorem was rated the joint-second top juvenile of 2004 following his victory in the G1 Middle Park S., but his sophomore season failed to take off in the expected manner. He was second to Shamardal in the G1 St James's Palace S. on his belated return 12 months ago at the Royal meeting, after which he was fifth in the G1 Prix Jean Prat at Chantilly and third behind Proclamation in the G1 Sussex S. at Goodwood in July. Sixth in Keeneland's G1 Turf Mile and ninth in the G1 Breeders' Cup Mile at Belmont in October, he was beaten over 30 lengths on his four-year-old debut in the G3 Gladness S. on deep ground at The Curragh last time Apr. 9. The bay was up on the front end early in this contest, but was soon settled in behind the leaders and rallied wide as favored Peeress (Pivotal {GB}) was committed at the three-furlong marker. Wearing down that rival at the furlong pole, he veered across her and the smooth-traveling Court Masterpiece, who was squeezed against the rail as Ad Valorem went clear. **Queen Anne cont. p3**

The stewards conducted a lengthy inquiry, but allowed the result to stand, though rider Kieren Fallon was hit with a four-day bay. Trainer Aidan O'Brien felt it was the right decision. "He won snug and seemed to have a nice bit up his sleeve," he said. "This is a horse that always wanted fast ground and he's a very tough, genuine and sound horse." As for the colt's misfirings last year, O'Brien continued, "We kept him in training, as last year we couldn't get fast ground any day and when we

got him right in the Sussex it came up soft again. "We were over the moon when he was third then, as we knew the difference between this horse on soft ground and on fast ground." Trainer Sir Michael Stoute was accepting of defeat for the 7-4 market leader Peeress, who did not get the run of the race. "The race went wrong for us from the start, as Frankie [Dettori on Proclamation] hit her up the backside and set her alight," Stoute said. "I was never happy throughout the race, as she was doing too much wide without cover, but the best horse won the race today." Court Masterpiece's trainer Ed Dunlop said, "Jamie [Spencer] was very upset, as he thinks he would have won and he's run a great race." Godolphin were upbeat about the run of Proclamation, who stayed on into third returning from a 290-day absence. "We were happy with Proclamation, as we were two weeks behind schedule," Racing Manager Simon Crisford commented. "He was a little bit rusty and you've got to be razor-sharp to win these races. He missed two gallops at a crucial time, and we knew we were coming here under-cooked, so I think he ran a solid race. I think you'll see him to much better effect in the second half of the season, when the G1 Queen Elizabeth II S. [Sept. 23] back here at Ascot and G1 Breeders' Cup Mile [at Churchill Downs Nov. 4] are his targets." [Click for the Racing Post chart](#) or the [brisnet.com catalogue-style pedigree](#).

- Hellvelyn struck at first asking at Leicester Apr. 6 and doubled his tally in a conditions race at Pontefract May 26, when won by a convincing four-length margin. Always traveling strongly here while stalking the early fractions under Ted Durcan, the grey was let loose approaching the quarter pole, chased down Major Cadeaux and had that rival in hand late. "He has to work with older horses at home and does it so easily," said trainer Bryan Smart, who added the Aug. 23 G2 Gimcrack S. at York could be the next target. "He's grown a bit, and let's hope he can carry on for the rest of the year." Durcan commented, "He's big and leggy and he's not a speed horse--he'll stay seven furlongs at the moment, so there's no reason why he shouldn't get a mile next year." DNF: **Orienteer (GB)**, **Tabaret (GB)**.

There was plenty of drama over these five furious furlongs, and it was Takeover Target who emerged on top at the end to provide the fairytale result for the one-time taxi driver Joe Janiak. In a renewal marred by the falls of Orienteer (GB) (Inchior {GB}) and Tabaret (GB) (Bertolini), the Antipodean raider prevailed in a head-bobber to deny Benbaun after a pulsating final drive under Jay Ford. In doing so, the gelding who cost just A\$1,250 followed in the hoofprints of 2003 hero Choisir (Aus) and, like that ground-breaking horse, could now tackle the second leg on Saturday in the G1 Golden Jubilee S. Janiak indicated that he would wait and see how the seven-year-old came out of the race before committing his charge.

Belying his inexperience of English tracks, jockey Jay Ford stayed cool aboard the blaze-faced bay while tracking the fast fractions, and was ideally positioned wide of the pack as the heat was turned on. Takeover Target quickened to lead passing the quarter pole and forged an advantage which was withered away with every stride by Benbaun, but the photo captured the Australian nose ahead where it mattered. "He drew poorly and had to work to come across, so probably first time up he just gave out the last bit," his rider explained. "He's all heart." For Janiak, the win was the culmination of a plan hatched after taking the Feb. 4 G1 Lightning S., the second part of his Flemington Group 1 treble which began in 2004 in the G1 Salinger S. and was completed in the G1 Newmarket H. on his last start Mar. 11. "It's a great result and now it's over, it wasn't that hard as he traveled over pretty good, and that was my biggest worry," Janiak explained. Benbaun's trainer Mark Wallace said of the runner-up, "He's the best sprinter we have over here. As long as he's alright, he might go to The Curragh on Irish Derby day [July 2] for the Listed Richard H Faught Memorial S. he won last year." Trainer Peter Makin revealed that third-place finisher Pivotal Point will return for the Golden Jubilee. Up close in the early going, Tabaret was tiring when he clipped heels and fell, and the rallying Orienteer was unable to avoid him. Both horses' connections reported them unscathed, and Tabaret's jockey Dean McKeown was not seriously injured by the fall. On the day Electrocutonist beat proven dirt performers on Dubai's biggest stage, **David Junior** cemented his reputation as a top-class runner with an impressive score in the G1 Dubai Duty Free S. That confirmed the impression he created when taking the G1 Champion S. in Newmarket in October, and he has been prepared specifically for this challenge. **Ouija Board**, who found Shirocco too strong in the G1 Coronation Cup at Epsom June 2, is pitched in again against the colts. This race was the scene of her darkest day when she was injured 12 months ago, but has since reversed fortunes, staging a glorious comeback when annexing the G1 Hong Kong Vase at Sha Tin in December. Fortunes did not favor her when fourth in the Mar. 25 G1 Dubai Sheema Classic at Nad al Sheba and third in the G1 Queen Elizabeth II Cup at Sha Tin Apr. 23, and her trainer Ed Dunlop thinks that she may have improved since Epsom. "It's a very competitive race, but she's been a fantastic servant to everyone and we hope people enjoy seeing her," he commented. "She is against arguably two of the best mile-and-a-quarter horses in the world over a trip which is not her ideal and it will be tough, but we knew that when we kept her in training. She seems very well and I think she looks better physically now than when she went to Epsom. She did a good bit of work on Friday, so we're giving it a go." Aidan O'Brien relies on last year's runner-up **Ace**, who needs to step up off his fourth in the Coronation Cup, while Andre Fabre puts forward **Manduro**, who comes here off a second in the G1 Prix d'Ispahan at Longchamp last time May 21.

**Soviet Song** has been the darling of the masses, and that does not only apply to her owners' syndicate, which has been blessed with some memorable performances over the past four seasons. Since her success in the G1 Fillies' Mile here in September 2002, the Elite Racing Club's superstar has added two renewals of Newmarket's G1 Falmouth S., the G1 Sussex S. at Goodwood and G1 Matron S. at Leopardstown in 2004. Third in this contest 12 months ago under a penalty, her lack of a win at the highest level last term means that she escapes that burden this time.

Only Proclamation (Ire) proved better in the G1 Sussex S. at Goodwood in July, and in her only outing since, she ran fourth in the May 20 G1 Lockinge S. at Newbury. "Obviously we're hoping she has improved from her Newbury run and she certainly seems to be in good order," Elite's Racing Manager Matthew Budden told *PA Sport*. "We skipped the Group 1 [Queen Anne], as she doesn't have a penalty running in this race, and at the weights she looks pretty well in." **Echelon** represents the Sir Michael Stoute stable, which currently enjoys a 100-percent record in this contest, inaugurated in 2004 and won by Freemason Lodge distaffers Favourable Terms (GB) and Peeress (GB). She looks progressive, having won the Listed Chartwell Fillies' S. at Lingfield May 13 and G3 Princess Elizabeth S. at Epsom last time June 2. "She came out of her last race very well and she's a filly that appreciates top of the ground, so that won't be a problem," owner Cheveley Park Stud's Managing Director Chris Richardson told *PA Sport*. "We hope she runs well, but obviously we have a lot of respect for Soviet Song." **Luas Line**, who established her credentials with an impressive success in the G1 Garden City Breeders Cup H. at Belmont in September, ran an encouraging race on her return when fourth in the Listed Glencairn S. at Leopardstown June 7. "She's in really good form, but we have to give Soviet Song five pounds, which is going to be hard work," trainer David Wachman told *PA Sport*.

**Roxan** looked a potential world-beater when besting experienced fillies on debut in the Listed Hilary Needler Trophy at Beverley May 31, the race which Attraction (GB) took en route to victory in this race three years ago. **Gilded** has battle scars to bring to this war, having run up a four-timer culminating in a typically gutsy score in the Listed Marygate S. at York May 19, while Jeremy Noseda relies on **Simply Perfect**, who ran into a smart rival on debut when second to Dutch Art (GB) in a conditions race at Windsor June 5. "I was very pleased with her first start and felt she bumped into a pretty high-class colt," the Newmarket-based conditioner said. "She appears to have come on for the race and will be suited by the ground. I hope that she doesn't find the five furlongs too sharp." Mick Channon, who took this 12 months ago with Flashy Wings (GB), puts forward **Sunley Gift**, winner of the same conditions event won by her stablemate last year at Newbury May 19. **Princess Iris**, a Nottingham maiden victress in her only outing June 7, was purchased last week by Team Valor.

**Asset** and **Red Clubs** represent the form of the May 6 G1 2000 Guineas at Newmarket, having finished ninth and 12th, respectively, in that mile Classic. While the latter is penalised for his success in the G3 Greenham S. at Newbury Apr. 22, **Asset** escapes the extra impost and bids to provide trainer Richard Hannon with his second renewal after the exploits of Sergeev (Ire) in 1995. Third in the G3 Solario S. at Sandown in August, **Asset** bested subsequent G2 Mehl-Mulhens-Rennen (German 2000 Guineas) victor Royal Power (Ire) in the Apr. 1 Listed Easter S. at Kempton before his tame Guineas effort. "Asset seems in great form," Highclere Thoroughbred Racing's Managing Director Harry Herbert commented. "He has got a lot of speed and a stiff seven furlongs should be ideal. In hindsight, I think he ran well in the Guineas, only being beaten just under seven lengths, though the trainer and jockey felt he could have done better." Jeremy Noseda, who has won two of the last four renewals of this event, has made no secret of the regard in which the Apr. 19 Newmarket conditions scorer **Secret World** is held. "I think this horse has enormous potential," he said. "We were very tempted to run him in the St. James's Palace but have decided to go for the Group 3, rather than stepping straight into Group 1 company. I do feel he possesses plenty of speed, while ground and trip shouldn't be an issue." **Levera** followed handicap successes at Newmarket Apr. 18 and May 7 with an emphatic score in the Listed Merrion S. at York 10 days later and trainer Alan King is hopeful. "I couldn't be happier with him and it's all gone smoothly," he said. "His work has been A-1 and, while this is much his biggest test to date, he has earned his right to be in the field and I hope he'll run extremely well."

**WARRSAN DIES** MG1SW **Warrsan (Ire)** (Caerleon--Lucayan Princess {Ire}, by High Line {GB}), retired in May after suffering a small chip on the sesamoid in his left front leg, died Monday night after a brief illness.

**Warrsan** *france-galop.com*

The eight-year-old, who was being cared for by Rossdales veterinary surgeons at Carlburg Stables, developed complications resulting from a tumor. Trainer Clive Brittain, who handled the classy veteran throughout his career, said, "It is an

absolute tragedy that Warrsan was unable to go onto the life that he so richly deserved as a stallion. He was one of the family to all of us here at Carlburg and we will miss him." Saeed Manana, Warrsan's owner, added, "I would like to thank all those who tried so hard to save him, but unfortunately, it was not to be. I feel so sorry for Clive Brittain and all his team who loved him as much as I did." Warrsan broke his maiden at Sandown in July of 2001. It took time for him to reach his peak, but he picked up his first group success in the G3 John Porter S. in April of 2003, and went on to win the G2 Sagitta Jockey Club S. and G1 Coronation Cup that season. He defended his title in that prestigious event the following year, and also captured the G1 Grosser Preis Von Baden, a victory he would repeat in 2005. Kerrin McEvoy, who partnered Warrsan to both victories at Baden-Baden, paid tribute at the time of his retirement. "He was a terrific old horse and he gave my career a big kick forward at a time when most people knew me only as Godolphin's second jockey," he told *Racing Post*. "He was so genuine, a real professional, and I will miss him a lot." The bay made his final start in the G1 Hong Kong Vase at Sha Tin in December, finishing off the board, but was preparing for a 2006 campaign when he was injured. He retired with nine wins from his 43 starts, earning £1,654,749.

For the 1999 breeding season, Adena Springs Kentucky retired two top-class sons of Deputy Minister, Awesome Again and Touch Gold. Awesome Again was unraced at two, and took the GII Jim Dandy S. and Queens Plate at three. His peak came at four, however, when he was undefeated in six starts, including the GI Whitney H. and GI Breeders' Cup Classic. Touch Gold was earlier to come to hand, winning a six-furlong maiden at two, and finishing second in the Swynford S., and third in the GII Grey Breeders' Cup S., at the same age. He really flourished at three, scoring his first stakes win with an 8 1/2-length tally over subsequent champion sprinter Smoke Glacken in the GII Lexington S. Pointed next for the GI Preakness S., Touch Gold stumbled at the start, but came flying at the finish to take fourth behind Silver Charm. In the GI Belmont S., Touch Gold showed what might have been in the Preakness, running down Silver Charm close home to end that horse's Triple Crown bid by a half-length. When that victory was followed up by a win in the GI Haskell Invitational, Touch Gold stood at the head of three-year-old class, but all was not well. When he stumbled in the Preakness, Touch Gold grabbed a quarter, and although he was successful on a patched foot in the Belmont and Haskell, the problem was to hamper his career from then on. This was evident when he ended the three-year-old season with a fourth in the GII Pegasus H. and an off-the-board finish in the GI Breeders' Cup Classic.

Away from the races for more than sixth months, Touch Gold came back at four to take a one mile Churchill Downs allowance in a time just 1/5 off the track record. Unfortunately, following this sparkling effort, Touch Gold, was to start only three more times. Unplaced in the GI Pacific Classic, he went down by a neck to Arch, as the pair set a new track record in Keeneland's GIII Fayette S. Touch Gold ended his career finishing eighth in the GI Breeders' Cup Classic, as Awesome Again grabbed the glory.

Alan Porter cont.

With Awesome Again ending his career on a higher note, he retired to stand at \$50,000, with Touch Gold starting at \$30,000. When their runners hit the track, both were out of the gates fast with Grade I-winning first season two-year-olds: Toccet, for Awesome Again, and Composure, for Touch Gold. Of course, two years later, Awesome Again's career soared into the stratosphere, when on Breeders' Cup Day Wilko captured the GI Juvenile, and eventual Horse of the Year Ghostzapper annexed the GI Breeders' Cup Classic. Awesome Again has built on that momentum, and for the 2006 recent breeding season, his fee was at \$125,000, while Touch Gold stood at \$50,000. The most recent weekend, however, belonged to Touch Gold. For, while Awesome Again's Spun Sugar started favorite for the GI Ogden Phipps H., but produced an uncharacteristically flat effort to finish fourth, Touch Gold's son, Seek Gold took the GI Stephen Foster H. at odds of 91.70-1.

A six-year-old gelding, Seek Gold is one of five stakes winners from Touch Gold's first crop, the others including the previously mentioned dual Grade I winner Composure; Midas Eyes, who earned a Grade I win in the Forego H.; and GIII Tampa Bay Derby victor Region of Merit. His second crop yielded five stakes winners, headed by GI Forego H. winner, Mass Media, and the extremely rapid three-time graded winner Medallist. There were three stakes winners in Touch Gold's third crop, and his fourth crop, currently three-year-olds, includes Sugar Swirl, successful in the Princess Elizabeth S., the top race for Canadian-bred two-year-old fillies.

Although Seek Gold's Stephen Foster win was a tremendous upset, it's worth recalling that after successive wins in maiden and allowance races at he backend of his two-year-old season, he was ranked among then-trainer Nick Zito's Derby prospects.

Even though those hopes were never realized, Seek Gold did give occasional glimpses of the ability which caused him to have been held in such high regard, most notably in the 2004 GII Clark H.--over the Stephen Foster course and distance--where he finished well to take second 1 1/4 lengths behind Saint Liam. As an augury to the future, we can note that in third that day, a nose behind Seek Gold, was Perfect Drift, who was beaten precisely the same margin by Seek Gold in the Stephen Foster.

On the distaff side of his pedigree, Seek Gold comes from an historic Calumet family. His dam, Aly's Adita--winner of the listed Pippin S. at Oaklawn Park--is by Alydar, and is half-sister to Calumet's champion three-year-old Davona Dale. Davona Dale and Aly's Adita were the only stakes winners produced by their dam, Royal Entrance, but that mare is also ancestress of several other major winners around the world, including the GI Futurity S. victor, Agincourt; Jamelao, who took the GI Gran Premio de La Americas-International in Argentina; and Flying Snowdrop, heroine of the GI Stuttaford Fillies Guineas in South Africa. Royal Entrance also owns a pretty fancy pedigree, as she is by champion Tim Tam, winner of the Kentucky Derby and Preakness S., out of the Bed o' Roses H. winner, Prince's Gate; also granddam of the GI Preakness victor, Gate Dancer. For good measure, her second dam (Seek Gold's fourth dam), Siena Way, is a sister to Citation, generally regarded as one of the top four of five U.S. runners of the last century.

Seek Gold--bred on the same Deputy Minister/Alydar cross as earlier Grade I winners Victory Speech and Ten Most Wanted--is the product of a mating where both parents have quite close inbreeding of their own, but their offspring is more of an outcross. Touch Gold is inbred 4x4 to Northern Dancer. Aly's Adita has Calumet's great mare, Two Lea 4x3; Two Lea's sire, Bull Lea 5x5x4x4; and Bull Lea's sire, Bull Dog 6x6x5x5 x5.

It's notable that Northern Dancer himself did very well with mares carrying Bull Dog's sire, Teddy (seven times in Aly's Adita), a horse who had a genetic relationship to Gainsborough (doubled in Northern Dancer's pedigree).

Seek Gold does have one fairly close duplication of his own, that of Tom Fool, who is 4x4. Tom Fool sits between the close inbreeding in Touch Gold's pedigree, and it can often pay to duplicate a strain which is thus situated. With regard to Touch Gold and Tom Fool, we can note that Tom Fool appears in the dams of seven of his 14 stakes winners; four of his six graded winners; and three of his four Grade I winners. For good measure, Touch Gold Grade I winner Composure doesn't have Tom Fool, but does have Tom Fool's three-quarters relative Spring Run.

The five-year-old mare was sent to the breeding shed earlier this year, and is in foal to Distorted Humor. Bred and raced by John Gunther, the dark bay won six of her 29 starts, including the GII Nassau County Breeders' Cup S. and the GII First Flight H. in 2004 and, in her final trip to the winner's circle, the 2005 GII Chilukki S. at Churchill Downs. She was also runner-up in the GI Test S., GI La Brea S. and GI Go for Wand H. Her earnings totaled \$870,612.

**WOODBINE IMPOSES STIFF RULES ON SHIPPERS TO MAJOR STAKES**

*By Jennifer Morrison, courtesy The Blood-Horse*

David Willmot, president and chief executive officer of Woodbine Entertainment Group, prides himself on protecting customers at his racetrack, and in June he implemented a new rule regarding shippers for major races at the Toronto track.

Horses that were pointed to the June 25 Queen's Plate and those intending to ship for the Atto Mile (Can-I) and Pattison Canadian International (Can-1) are required to ship into Woodbine 48 hours before entries close for the races.

Each horse arriving on the grounds will be strictly supervised by an assigned security guard who may accompany each one to and from the track for training. Those allowed access to the horses for feeding, grooming, and any medical treatments will be only those approved by security and everything will be documented. Any horse could have its blood tested at any time.

Willmot cites the arrests in New Jersey in March of Standardbred driver Eric Ledford and four associates over allegations of blood doping with erythropoietin (EPO) plus last year's controversial victory by Wild Desert in the Queen's Plate as reasons for the new rule. **SMOKE GLACKEN COLT TOPS DAY 1 AT OBS**

A colt by champion sprinter Smoke Glacken brought the top price of \$220,000 during the first day of action at the Ocala Breeders' Sale Company's June Sale of Two-year-olds in Training and Horses of Racing Age. Purchased by Joseph Brocklebank, agent, the Mar. 17 foal was consigned by Eisaman Equine, agent. A half brother to multiple stakes placed Dreams Go Bye (Twining), the gray covered a quarter mile in :21 3/5, the co-fastest time for the distance, during Saturday's first breeze session. Eisaman Equine also sold the top filly of the session, with a daughter of leading sire Danzig. Knocked down with a \$200,000 final bid from Carolyn Wilson, the filly is a half sister to graded-stakes placed Free Agent On Ice (El Prado {Ire}). The bay, the recorded the co-fastest three-eighths Saturday, covered the distance in :33 4/5. "I thought the sale went well," said OBS Director of Sales Tom Ventura. "The good horses always sell well." With average and median up, Ventura was pleased with the results. "Average and median was up over last year's figures, so the numbers are definitely going in the right direction," he said. The second session gets underway today at 10:30 a.m.

**Race for Education Names Irwin "Valedictorian":**

The Race for Education presented its first-ever Valedictorian Award to Barry Irwin, president of Team Valor, at the Thoroughbred Fraternity Party last Saturday night. The award was created to recognize "exceptional support by a volunteer or Board member," according to a press release. Irwin is a founding board member of The Race for Education, which in its four-year existence has given out more than \$1 million in college scholarships, mostly to children of backstretch and farm workers. The Thoroughbred Fraternity Party was held June 17 at the Kentucky Derby Museum at Churchill Downs to benefit The Race for Education and the Klein Family Learning Center. "Through Team Valor and Team Valor racing partnerships, Barry has been responsible for donating more race proceeds to The Race for Education than any other participant," said Race For Education Executive Director Elisabeth Jensen Collier. "This year Team Valor once again is leading the way, with more than \$15,000 already in purse donations to The Race For Education, including the single largest purse donation, \$6,250 from Irridescence's win in the Queen Elizabeth II Stakes in Hong Kong." Contrast galloped in her first two outings, including a five-length score in a Belmont allowance June 11. Third in her stakes debut in the Beautiful Day S. over this track July 9, the bay spent the next 11 months on the sidelines before returning to action with a solid victory in Monmouth's Red Cross S. May 13. Sent off at even money here, the well-bred filly was on her toes at the break and led the field through early splits of :22.35 and :45.54. Comfortably in front turning for home, the homebred cruised to the wire an easy winner.

**A SUCCESSFUL REOPENING** Royal Ascot returned home in style yesterday, as Her Majesty The Queen undertook the official ceremony following the traditional carriage procession. Paying tribute to the redevelopment program, The Queen said, "The many people and organisations who have contributed to the redevelopment project, within such a challenging timescale, have my admiration and gratitude. Thanks to their hard work, we can look forward to many years of racing in a world-class environment." The crowd totaled 54,892, which represented an increase on the figure of 47,263 for the same day in 2004 and was a record crowd for the opener. Chief Executive Douglas Erskine-Crum commented, "You couldn't get a better opening ceremony than that. It was a very fast-track program and we wanted to build a whole new racecourse--we were fortunate to be in the position to be able to do so." The track was universally praised by jockeys, with Frankie Dettori describing it as "the best track I have ridden on in my life," and Richard Hughes saying it was "the best ground I have ridden on."

"Red Evie has kept improving, but hasn't had a real test yet and hasn't had a back-hander in any of her races," he said. ### NEW AGREEMENT FOR ATR, TOTE IRELAND

Television's Horse racing channel At The Races and Tote Ireland have announced a commingling agreement which will enable international customers to bet directly into Irish racing pools operated by Tote Ireland. Viewers of ATR's international channel, At The Races International, which broadcasts UK and Irish racing to over 20 countries, will provide a pool-betting option to overseas viewers of Irish racing in betting outlets in Holland, Germany, Spain, Russia and North America. Overseas punters will now be able to place bets on Irish racing directly into the Tote Ireland pools, increasing their size and offering greater liquidity to Tote Ireland punters. In order to pursue its strategy of integrating with international Totes and third-party partners, Tote Ireland will revert to a single retention rate for all win betting, in line with international practice. Nigel Roddis, ATR's international director, said, "This is an important agreement, further strengthening our ties with Irish racing. One of the principal aims of the channel is to increase the profile and revenue opportunities for our racecourse partners." Tote Ireland's Chief Executive Alexis Murphy added, "Irish racing will benefit not only from the increased exposure, but financially through the commission Tote Ireland will receive on each bet placed through the pools. The increased liquidity will also further increase the attractiveness of our pools to punters."
