**EMIRATES APPEALS PANEL UPHOLDS BRASS
HAT DISQUALIFICATION**

by Ron Mitchell, courtesy of www.bloodhorse.com

A three-member appeals panel of the Emirates Racing Authority has upheld the disqualification of **Brass Hat** (Prized) from his second-place finish in this year's G1 Dubai World Cup and the \$5,400 fine imposed on trainer Buff Bradley. As a result of the Tuesday decision, which followed a two-hour teleconference hearing Monday, owner Fred Bradley will forfeit the \$1.2 million earned by the Brass Hat when he finished second to Electrocutianist in the race at Nad al Sheba racecourse in the United Arab Emirates.

Stewards later disqualified Brass Hat, and moved Wilko to second, after a post-race test detected a trace of the drug methyl prednisolone acetate. While the outcome of the positive test was not in dispute, the Bradleys contended that the administration of the therapeutic medication 28 days prior to the World Cup was well within the guidelines distributed by the ERA to trainers with horses running in the world's richest race. Those guidelines, listed on the sheet of "Dubai Equine Hospital Medication Withdrawals," show a 23-day withdrawal time for methyl prednisolone acetate, indicating the time frame in which it can be given a horse and not be detected in the horse's system in a post-race test. William Johnson, the attorney representing the Bradleys, said his clients were disappointed but not surprised by the decision to uphold the disqualification. Johnson said he hopes the ERA will either change the withdrawal times on the sheet distributed to trainers or discontinue use of the document. "I would hope they would not continue to use what I think is deception on their part," Johnson said.

FOUR ADDED TO IRISH DERBY

John Pearce's **Dragon Dancer** (GB) (Sadler's Wells) has been given the green light to line up in this Sunday's G1 Irish Derby after track conditions at The Curragh eased in favor of the Vodafone Derby runner-up. Pearce supplemented the bay sophomore at a cost of €100,000 as did connections of G1 Derby Italiano winner **Gentlewave** (Ire) (Monsun {Ger}) and G1 Prix du Jockey Club hero **Darsi** (Fr) (Polish Precedent). Joseph Joyce's **Cougar Bay** (Ire) (Daylami {Ire}) completes the quartet of additions to the Budweiser-sponsored Classic. "Dragon Dancer is in good form," trainer Geoff Wragg told *PA Sport*, adding, "He worked nicely [last] Saturday and I should think he'll travel over on Friday. It's sure to be a competitive race though." His Highness The Aga Khan's racing manager Georges Rimaud is also satisfied with French Derby winner Darsi's progress and told *Racing Post*, "Everything has gone well, the horse worked [Monday] morning and behaved very nicely. Everything seems to be in order and he is in very good form. He is a quiet, very easy-going horse who needs to be worked a couple of times a week just to keep him awake, but he is quite easy to prepare. It would be a shame to miss running in the race as he is in very, very good form and this is a good opportunity." Track conditions at the Co. Kildare venue are currently described as "good" and watering of the round course is set to resume today.

A few weeks ago we discussed the influence of Nashua as a broodmare sire of sires. The 1955 Horse of the Year has made his principal impact in that role as the sire of the dams of Roberto and Mr. Prospector, and through those horses, he is frequently appearing duplicated in high-class pedigrees, the most recent example being Barbaro. Despite being a much better sire of fillies and broodmares than colts and sires, Nashua does however have a male line which is still in existence, and it was represented by a notable winner last weekend when Memorette captured the GII Beverly Hills H.

Appropriately, Memorette descends from a Nashua son who primarily plied his trade on the West Coast. This is Good Manners, a son of the the excellent producer, Fun House (dam of six stakes winners and subsequently ancestress of Windsharp, Johar and Dessert). Good Manners won the five-furlong Haggin S. at two, and although he never added another black-type win, he was stakes-placed at four and five, ending his career with nine wins in 57 starts. Good Manners was exported to stand in Argentina, and was a great success in that country, siring 57 stakes winners, and becoming Leading Sire in 1979.

Several other horses from Good Manners' sire line have become major stakes winners in the U.S., including recently-deceased Paseana (Ahmad), a two-time eclipse award winner; GI Malibu S. winner, Lord Grillo (by Englillado); and the GI Santa Margarita Invitational H. heroine, Lovellon.

Memorette's sire, Mocito Guapo, raced in Argentina, winning four races, including the G2 Clasico Comparacion and G3 Premio Bolivia. He's stood his stud career in Chile, and has been a great success in that country, getting several champions, including Memorette's sire Memo and Malek, a champion two-year-old in his native country, and subsequently winner of the GI Santa Anita H.

Memo, who like Malek is out of a mare by the Buckpasser horse, Chairman Walker, was the leader of his generation in his native country at two and three. In Chile, he won seven of 11 starts, including the G1 Gran Criterium, G1 Clasico 2000 Guineas, G1 Gran Premio Criadores, G1 Clasico Tanteo de Potrillos, and was also second in G1 El Derby. Memo campaigned in the U.S. at five, six and seven. Four times stakes placed at five, including when second in the GIII Native Diver H., Memo won the GII San Bernardino H. and the Smile H., and was third in the GI California S. at five. Although the San Bernardino win came at nine furlongs, Memo campaigned as a sprinter at five, and was better than ever. From five starts he took the GII Commonwealth Breeders' Cup S., GIII Triple Bend S. (in a new track record) and Governor's Cup, and was second in the GIII Churchill Downs H. and GIII Bing Crosby H.

Retired to stand at Ridgeley Farm, Hemet, California, Memo's popularity at stud was no doubt impacted by his rather unfamiliar pedigree, and his first three crops produced only 89 foals. However, good efforts by his early runners saw him begin to get larger books, and Memorette is a member of his fifth crop, which contained 66 foals. **Porter cont.**

Porter cont.

Overall, considering his opportunities, Memo has proved to be a very useful sire for the region, and his other stakes winners include Grey Memo, a three-time graded winner with earnings of over \$1,300,000; the GII Potrero Grande victor McCann's Mojave; and Bordonaro, winner of the GIII Count Fleet Sprint H. and GIII Vernon O. Underwood S. Memo's total of 16 stakes winners also includes the Chilean Group 1 winners Miyasaki and Mickleson.

Virtually all of Memo's best offspring have been sprinters, or sprinter/milers, but Memorette has proved to be an exception, recording her most important victory at 1 1/4 miles. Doubtless much of her stamina, and her turf ability, comes from her broodmare sire, Shahrastani. That son of Nijinsky II was a top-class horse at 1« miles, winning the G1 English and G1 Irish Derbies at that trip. Retired to stud in the U.S., he proved to be a considerable disappointment getting just 13 stakes winners in seven crops, six group or graded, but none at the highest level. Subsequently, Shahrastani traveled to Ireland, Japan, back to Ireland, and is now serving as a National Hunt sire in England.

Memorette's second dam, Fondre, also has plenty of stamina in her pedigree, as she is by champion three-year-old Key to the Mint, winner of the GI Travers S., the GI Woodward S., and runner-up in the GI Jockey Club S., in the days when it was contested at two miles, while her dam is by Gallant Man, winner of the GI Travers S., the GI Belmont S. and GI Jockey Club Gold Cup. A talented performer, Fondre was actually more speedy than her background would have suggested, as she took the Monrovia Handicap at six furlongs; as well as the Golden Poppy, Hillsborough and Ready Wit Invitational handicaps at eight furlongs. In addition to Memorette's dam, Forever Fondre, Fondre is also dam of Paradise Found (by Halo)--a stakes winner who also took third in the GII Peter Pan S.--and the GI Yellow Ribbon Invitational H. runner-up, Fondly Remembered.

Coincidentally, Fondre's third dam, Lebkuchen, is half-sister to the dam of Determine, a California-bred who captured the Kentucky Derby the year before Nashua.

From a pedigree pattern standpoint, what is probably most interesting here is the connection between Memo's maternal grandsire, Chairman Walker, and Shahrastani's sire, Nijinsky II. Chairman Walker is by Buckpasser (by Tom Fool) out of a mare by a grandson of Nearco. Nijinsky II is by a grandson of Nearco out of Flaming Page (a Bull Dog/Menow cross, which is a reverse to the cross which produced Tom Fool). Nijinsky II didn't combine well with Buckpasser mares, as they tended to be a bad physical match, but they have proved to be a potent combination further back in pedigrees.

ASCOT SIRE LINES

You might have thought I said Ascot sight lines, but you know what my views are on that subject, and they haven't changed since last week. Ascot says they will be addressing lots of issues, but finding more places for Royal Enclosure badgeholders to watch the races live has not featured among the list of priorities I've seen listed. So let's move on to Sire Lines, an even more relevant subject, considering that Ascot's 30 races consist of 17 Group races (six G1, eight G2, three G3), five Listed races, and eight handicaps, all of which are worth big money. It cannot be a coincidence that nine of the 30 races (30 percent) were won by the progeny of Danzig, or sires descending from him in male line, and that a total of 19 races (63 percent) were won by Northern Dancer-line sires. Adding the nine Danzigs together with the five Sadler's Wells-line winners (three of them three-year-old winners by the week's leading sire of winners, Montjeu), those two branches of Northern Dancer alone accounted for 14 winners--47 percent of the total.

As Rachel Pagonis pointed out in her review in Tuesday's *Racing Post*, Danzig himself had two winners: the one-mile G1 winner Ad Valorem; and an uncharacteristic two-mile G3 winner in Soapy Danger, whose dam On A Soapbox, though by the sprinter-miler Mi Cielo, was herself out of a mare by the mighty stayer Stage Door Johnny, and won the GI C.C. American Oaks when it was still run over 12 furlongs. He was the first leg of a fourth-day double for owner Renata Jacobs, from the first crop of breeder Newsells Park Stud, and was the second leg of a treble for trainer Mark Johnston. But the feat of On A Soapbox and Stage Door Johnny of instilling staying capacity into Soapy Danger itself nearly pales in significance when you consider the pedigree of Baddam, the first horse I have ever heard of to sweep the Ascot S. (20 furlongs) and Queen Alexandra S. (21 furlongs) double. A four-year-old, trained by Mick Channon and from the first crop by the GI Middle Park winner Mujahid, himself by Danzig out of a Storm Cat mare, all you really need to say, again as Rachel pointed out on Tuesday, is that his dam is by Ela-Mana-Mou. That is a great example of how a pedigree is not a 'blend' of influences, but in many cases, an individual throws back' to something in its pedigree. In Baddam's case, he may be by Mujahid, but he has 100 percent certainly inherited the ability to win two races totaling more than five miles in one week from his damsire.

Not one of the six sons or grandsons of Danzig who sired Ascot winners last week began his career for as much as 10,000 anything they all began their stud careers at four-figure fees.

I don't know exactly what that means, but I know it's good news for a lot of smaller breeders. Though his two principal European sire sons both drew blanks at the meet, Danehill had no fewer than seven placed horses, and his sons, Danehill Dancer and Danetime, both sired winners. Green Desert also had no winners, but his son, Cape Cross, of course sired GI Prince of Wales's winner Ouija Board, who is from his first crop.

Outside of the Danzig and Sadler's Wells lines, the other Northern Dancer-line sire who had a big meet was Marju; the son of Last Tycoon had two winners, including the great Soviet Song (GI Windsor Forest) and the three-year-old Britannia H. winner, Sir Gerard. He also had two other placed three-year-olds: Asset, second in the G3 Jersey (seven furlongs); and Hazeymm, third in the 10-furlong Listed Hampton Court S.

After Northern Dancer, the number two male line at Ascot this year was Native Dancer (who of course also figures as the damsire of Northern Dancer), with seven; this consisted of six from the Mr. Prospector line, and one by Selkirk, a son of Sharpen Up. Machiavellian was particularly prominent this year: he had the Royal Hunt Cup winner Cesare on his own behalf, and his second-crop son, Medicean, had two, including the GI Coronation S. winner Nannina. This propelled Medicean into third spot on the European second-crop sire chart in cumulative earnings, behind Mozart and Galileo, but now ahead of Bertolini and Mull Of Kintyre, sire of St. James's Palace S. winner, Araafa.

Typically, the top five European second-crop sires consist of three from the Danzig line, two by Danzig himself and one by Danehill; one by Sadler's Wells; and one by Mr. Prospector's son, Machiavellian. Two other Mr. Prospector lines were prominent without winning: both Gone West's son, Zafonic and his son, Xaar, had placed horses, as did Kingmambo's third-crop son, King's Best.

Northern Dancer and Native Dancer combined accounted for 26 of the 30 Ascot winners. The other two consisted of two each for the other two major Phalaris sire lines, Royal Charger (here through Roberto) and his three-quarter brother, Nasrullah. Les Arcs, from the first crop by Kris S.'s son Arch, surprisingly won the G1 Golden Jubilee, a six-furlong sprint, for the Roberto line; and the vastly underrated Intikhab, son of Red Ransom and sire also of G2 Norfolk second Hoh Mike, had the Listed Sandringham winner Red Evie, a three-year-old filly. In a small but possibly very significant wrinkle, both Nasrullah-line winners were among the three winners for freshman sires: Gilded, by the surprising Redback (by Mark of Esteem, by Darshaan, by Shirley Heights, by Mill Reef), won the G2 Queen Mary; while Elrahim, from the first crop by Noverre (by Rahy, by Blushing Groom), won the Listed Windsor Castle S. Ironically both are five-furlong races, while the six-furlong Coventry was won by Hellvelyn, whose sire Ishiguru (by Danzig) was only a five-furlong horse himself. That may be one for the ever-expanding Go Figure' file; but it is also quite interesting, in this era of Northern Dancer dominance in Europe, to see that two of the freshman sire winners at Royal Ascot are actually from another line. Speaking of other lines, though, 30 winners out of 30 did trace in male line to Phalaris (1913), the Eclipse of the Twentieth Century. That doesn't bode well for the survival of all those non-Phalaris lines, for example Hyperion, Princequillo, Ribot and Man O'War.]

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner.

How To Do It...

Finally, a word about the World Cup of the planet's most popular sport, called football most places, but soccer in the U.S., to distinguish it from gridiron or American football. A German friend of mine who has just returned from two weeks in Germany, where it's being held this time, was rapturous: 'one big street party', he said, 'an orgy of football.' The coverage of, and the interest in this tournament, held every four years, is phenomenal: it dwarfs Royal Ascot and anything else we in the horse business can do. Maybe I'm looking for correlations where there are none to be found, but I can't help thinking the existence of an international administration which sets the rules has a lot to do with soccer/football's success. It doesn't matter where in the world you go, the rules are the same, and you can figure out what's going on in front of you. I watch with wistful admiration at its success, and I like Argentina to win the final, provided they get past Germany this Friday, and then win their semi-final.

ROYAL FUPEG (f, 3, [Fusaichi Pegasus](#)--Heeremandi {Ire} {SW-Ire & G1SP-Fr}, by Royal Academy), a \$700,000 KEESEP yearling, began her career in California as part of Eoin Harty's barn. There, she ran third on the main track in her second career start July 30 before turning in a very good turf effort next out, when she closed from 20 lengths back to be fourth (placed third via DQ) by 1 3/4 lengths at Del Mar Aug. 22. Moved to the East Coast for her sophomore campaign, the bay aired by daylight in a maiden-breaking performance on the dirt at Philly Park June 18 and was looking to make it two straight in this off-the-turfer. The even-money pick duelled for the lead early, then dug in gamely to take the three-horse photo by a neck. J.P. West (Way West {Fr}) rallied for second, with pacesetter Amber's Kelly (Mr. Greeley) another nose back in third. Lifetime Record: 5-2-0-2, \$37,480. O-Stan E Fulton. B-Skara Glen Stables (KY). T-Clifford W Sise Jr.

7th-DEL, \$37,500, Msw, 3yo/up, f/m, a1m70yd, 1:44, sy.

GAC'S TOMBOY (f, 3, Unbridled's Song--Luvsider, by Topsider), a \$120,000 KEESEP yearling and \$150,000 OBSMAR juvenile, became the second impressive winner for his sire at Delaware in eight days. The gray ran out of real estate when she was a rallying second going six panels at Monmouth June 4, and was bet down to 4-5 here on the stretch out. Keeping a close eye on the pacesetter through a half in :47 3/5, she quickly opened up a six-length advantage rounding the turn and glided home clear by a smart 12 3/4-length margin. Citicrossing (Carson City) was second. The victress is a half to Search For Luv (Regal Search), MSW, \$313,181; and Superfines Luvey (Conveyor), SP, \$160,795. On Monday, June 19, Song for the Best, another son of Unbridled's Song, won by 9 3/4 lengths over this surface. Lifetime Record: 2-1-1-0, \$28,800. O-Madcapt Stable. B-Superfine Farms, Inc (KY). T-Todd A Pletcher.

TODAY'S INSIGHTS
The Idea is Excellence.

2:01p 3rd-BEL, \$45K, Alw, 3yo/up, f/m, 6f
TVG BURMILLA (Storm Cat), a full to MGSW Magicalmysterycat, was purchased by Darley for \$850k as a KEESEP yearling, and looked the part in her first outing. Sent off the tepid 3-1 choice at Gulfstream Jan. 22, she romped by 4 1/4 lengths. Off since, she's registered bullets in four of her last six works. Garrett Gomez rides for the Eoin Harty barn. **May Day Vow (Broken Vow)** is an interesting play. The sophomore won by an eye-catching 12 lengths in her lone start, a 4 1/2-furlong test at Aqueduct in April of her two-year-old season. Her morning drills have been pedestrian, but trainer Michael Hushion can get 'em ready off the bench. [brisnet.com pps](#)

3:15p 5th-CDX, \$50K, Msw, 3yo/up, 1mT
TVG GYROVAGI (Saint Ballado) ran a dismal sixth sprinting on the main track in his first career start at Gulfstream Mar. 25, but it's doubtful that's this three-year-old's game. The Pin Oak homebred is a half to the very good turf runner Bedankan (Geri), a 10-time stakes winner of over \$530k, and the surface switch, along with the added ground, could be just what the doctor ordered for the Bill Mott trainee. [brisnet.com pps](#)

4:40p 8th-BEL, \$46K, Alw/Opt.Clm. (\$75,000), 3yo/up, 1m
TVG DR. PLEASURE (Thunder Gulch) drew attention his week when his trainer, John Ward, told *Daily Racing Form* he thought the son of champion Beautiful Pleasure would turn out to be the best sophomore in his barn. That's quite a statement considering the talented Strong Contender is a stablemate. Last year's Cowdin S. runner-up, seventh in the GI Breeders' Cup Juvenile, comes into the race off a well-beaten third in his seasonal debut sprinting at Keeneland Apr. 12. **Sir Halory (Unbridled)**, one of two four-year-olds in the race, sports a pedigree as good as anybody's: his dam is the top producer Halory. The Bobby Frankel charge makes his first start since easily beating Churchill maiden foes last November. [brisnet.com pps](#)

Soumillon recently celebrated his 25th birthday by winning the G1 Prix du Jockey-Club aboard Irish Derby-bound **Darsi (Fr)** (Polish Precedent) and the Belgian is hoping to go one better than when partnering connections' Dalakhani (Ire) into second in the 2003 renewal having previously grabbed Classic glory at Chantilly. "I am honoured that His Highness has confidence in me and extended my contract for a further two years," Soumillon told the *Post*. Baron Georg von Ullman's full-brother to homebred G1 Oaks d'Italia victress Gaudalupe (Ger) returns off an easy success in a similar contest at Saint-Cloud May 24 and can move further up the ladder at the expense of Lady O'Reilly's **Seracina (GB) (Nashwan)**, a half-sister to dual stakes winner Serisia (Fr).
