STORM RISING

Stormy River (Fr) (Verglas {Ire}) had been undone by race tactics on his last two starts, but had it all in his favor yesterday to secure a richly deserved first Group 1 success in the G1 Prix Jean Prat at Chantilly. Anchored in rear by Thierry Thulliez, the

early fractions were strong and Stormy River had gas left in the tank at the top of the stretch. Lit up by a smack with the whip, the grey swooped wide with an irresistible surge to collar **Kentucky Dynamite**

JRHA SALE BEGINS

The Japan Racing Horse Association's annual Select Sale gets underway Monday at Northern Horse Park on Hokkaido. The sale, which had featured foals selling at their dams' sides over the course of two days, has been expanded to include a select session of yearlings. A total of 170 yearlings have been catalogued for Monday's opening session, followed by 316 foals slated to sell Tuesday and Wednesday. A number of top runners have emerged from the sale since its inception in 1998, including Admire Groove (Jpn), Hat Trick (Jpn), King Kamehameha (Jpn), Sundrop (Jpn), Utopia (Jpn) and Zenno Rob Roy (Jpn). But top billing among the sale's graduates goes to the appropriately named 2005 Japanese Horse of the Year Deep Impact (Jpn) (Sunday Silence), who sold for ¥70,000,000 in 2002. The four-year-old recently added the G1 Takarazuka Kinen to his trophy case and is now slated to embark on a European campaign that will culminate in the G1 Prix de l'Arc de Triomphe. There's no sibling to the champion selling this year, but Deep Impact's graded-stakes winning half-sister Veil of Avalon (Thunder Gulch) does have a yearling colt by top British sire Pivotal (GB) catalogued as [hip 60](#). Buyers will have a chance to buy yearlings from the first crops of a top group of performers, including Agnes Digital, Aldebaran, Falbrav (Ire), Gold Allure (Jpn), Grandera (Ire), Mineshaft, Moon Ballad (Ire), Sky Mesa and Symboli Kris S. Stallions whose first foals are just now coming on the market include Japanese stars King Kamehaha (Jpn) and Neo Universe (Jpn), as well as U.S. champion Smarty Jones and Australian standout Exceed and Excel (Aus). The record price for the sale is ¥490 million (\$4,537,037) for a Dance in the Dark (Jpn)--Air Groove (Jpn) colt sold in 2004. **Hip Happenings p3**

Stormy River Wins Prix Jean Prat (cont. from p1)

Runner-up in the G1 Criterium International at Saint-Cloud in October, **Stormy River (Fr)** (Verglas {Ire}) returned to take the Listed Prix Djebel at Maisons-Laffitte Apr. 4 and G3 Prix de Fontainebleau 19 days later at Longchamp. Despite returning there as the hot favorite for the May 14 G1 Poule d'Essai des Poulains, he ran with the choke out and was a target in front for the Ballydoyle duo Aussie Rules and Marcus Andronicus late on. Last time in the June 20 G1 St James's Palace S. at Royal Ascot, he did himself no favors by struggling to stay with the pace and was doing all his best work at the finish when runner-up to Araafa (Ire). "I don't know why he was so cold at Ascot, but he could not keep up with the pace and still ran a great race," said trainer Nicolas Clement. "He has confirmed all his quality today and, having been on the go all season, deserves a break now. Rather than go for the G1 Prix Jacques le Marois [at Deauville Aug. 13], I'll probably bring him back fresh for the [Sept. 3] G1 Prix du Moulin de Longchamp." [Click for the racingpost.co.uk chart](http://www.racingpost.co.uk) or the [free brisnet.com catalogue-style pedigree](http://www.brisnet.com).

JUNIOR HAS YORK AIM Roldvale Ltd's **David Junior** (Pleasant Tap) was reported to be "100 percent" yesterday following his success in Saturday's G1 Eclipse S. at Sandown. Having beaten Notnowcato (GB) by 1½ lengths in the 10-furlong contest, the Brian Meehan-trained four-year-old has an array of options, with York's Aug. 22 G1 Juddmonte International S. a likely target. "He's in very good form and has come out of the race 100 percent," Racing Manager Eamonn Connolly told *PA Sport* yesterday. "His plan was virtually mapped out from the beginning of the year. He's in the Juddmonte International at York, the [Sept. 9] G1 Irish Champion S. at Leopardstown and then with a view to going out to Kentucky for the Breeders' Cup."

After Market, a debut winner over the Aqueduct lawn last November, was sidelined after surgery to remove a bone chip but returned to earn a 1 3/4-length allowance victory June 15. Making his stakes debut, the dark bay colt ran a stalking third behind dueling leaders Carnera and To Sender (GB) (King's Best). He rallied wide into the stretch and lugged in sharply, bumping the tiring To Sender before spurting to the lead and pulling clear. "He's still green," said trainer Bill Mott. "[Jockey Cornelio Velasquez] hit him today and he went on, but when he went to hit him again, he ducked in. I think the horse was anticipating him hitting him. I would hate to put blinkers on him because he is a little rank already." Mott said After Market may start next in either the Aug. 7 GII Hall of Fame S. at Saratoga or the Aug. 12 GI Secretariat S. at Arlington. After Market is a full brother to Liwa Oasis, a \$9.7-million KEESEP yearling last fall. [Click for the brisnet.com chart](http://www.brisnet.com). [Video, sponsored by Taylor Made.](#)

DELAWARE NORTH JOINS EMPIRE RACING'S BID FOR NYRA FRANCHISE

Courtesy The Blood-Horse

Delaware North Companies, which operates Finger Lakes racetrack in upstate New York, has joined in the bid by Empire Racing to operate the three New York tracks currently under the auspices of the New York Racing Association. In addition to Finger Lakes, which Delaware North has owned since 1962, the company has extensive holdings in the hospitality and electronic gaming industries. Based in Buffalo, N. Y., Delaware North operates three video lottery facilities in New York State--Saratoga Gaming and Raceway, Finger Lakes Gaming and Racetrack and Fairgrounds Gaming & Raceway. "The addition of this outstanding New York-based company demonstrates our commitment to restoring New York racing to world-class status and ensuring that New York racing is run by New Yorkers, for New Yorkers," said Jeff Perlee, Empire Racing CEO. "With their strong endorsement from New York Thoroughbred Horsemen's Association, it's clear to us Empire Racing is the best choice to revive racing in the state," said Ron Sultemeier, president of Delaware North Companies Gaming & Entertainment. The Empire Racing statement said Delaware North will be a principle resource in "Empire's RFP response in the areas of hospitality, guest services and racing at the three state owned tracks and gaming operations at the downstate tracks." The statement added that both Empire Racing and Delaware North reject "the idea of VLT operations at the state's Saratoga Race Course." Based in Saratoga Springs and Manhattan, Empire Racing is seeking to obtain the franchise to operate Saratoga, Belmont Park, and Aqueduct racecourses.

Belying those odds, she zipped out to a daylight advantage, leading by six lengths after a sensible half in :46 flat. That lead dwindled quickly with the wire fast approaching, but she had enough left to beat Left Me Breathless (Belong to Me) by a half-length. Ocean Fever (Fusaichi Pegasus), off at 5-1, finished ninth, with fellow firster Dowell House (Danzig) coming home sixth. Lifetime Record: 5-1-1-1, \$35,132.

It's No Joke, third to Harlington in the Mar. 4 GII Gulfstream Park H., was well beaten in his next two, the Apr. 8 GII Oaklawn Park H. and Apr. 27 GIII Ben Ali S. at Keeneland. Finding an easier spot last out, he won going a mile versus Churchill allowance foes June 14 and was looking to improve his record to three-for-four under the Twin Spires. Let go at 10-1, he came calling from just off the pace and outbattled a reluctant With Distinction to the line.

On the sidelines since February, last year's GII Illinois Derby hero Greeley's Galaxy made a successful return to the races in this stakes-caliber field. Following his 9 1/2-length romp in the Illinois Derby, the chestnut had trouble finding the winner's circle in 2005. Eleventh, beaten eight lengths, in Giacomo's GI Kentucky Derby, he managed to hit the board just once in his next five--a good third in the Jan. 14 GII San Fernando Breeders' Cup S. at Santa Anita Jan. 14. Transferred from Warren Stute's barn to Albert Stall's off a fifth in February's GIII All American H. at Golden Gate, Greeley's Galaxy was sent off the 2-1 second choice in his return to Churchill Downs. Under Rafael Bejarano, he was content to relax several lengths off the leaders before gearing up for the stretch drive. Closing with determination as pacesetter Yes Yes Yes dug in, he overtook that foe in the shadow of the wire. [Video, sponsored by Taylor Made.](#)

Hammered down to 1-2 favoritism, she ran into repeated trouble early, stumbling at the start and then steadying in traffic, but assumed command before the first call and led the rest of the way in an impressive performance. Leprechaun Kid to Return in Sunset:

Leprechaun Kid (Alphabet Soup), off since running 10th in last year's GI Breeders' Cup Turf, is expected to line up in Sunday's 1 1/2-mile GII Sunset Breeders' Cup H. at Hollywood Park. "I've trained for this race since the beginning of the meet," said conditioner Mike Mitchell. "I think he's ready. I've always thought a mile and a quarter to a mile and a half was the distance he wanted to run. He's got a good foundation under him." Leprechaun Kid won last year's GII Del Mar H. and was second in the GI Clement L Hirsch Turf Championship S. "He was wiped out after the Breeders' Cup," Mitchell said of his charge's long layoff. "I turned him out at Bobby Mitchell's Bonnie Acres in Hemet, but his legs kind of filled out, and it took him a little more time than I thought. I probably lost two to three months." Patrick Valenzuela will have the mount Sunday.

Lava Man, Arson Squad Fine After Stakes Wins:

Lava Man (Slew City Slew) came out of his win in Saturday's GI Hollywood Gold Cup tired but sound, according to trainer Doug O'Neill. "He's tired, but his legs were tight," O'Neill said. "He left some grain. He put his body down yesterday." If the five-year-old bounces back quickly, he will be pointed towards the Aug. 20 GI Pacific Classic at Del Mar. Trainer Bruce Headley reported that GII Swaps Breeders' Cup S. winner **Arson Squad** (Brahms) is also fine after his win Saturday. Headley said the three-year-old could be looking at a surface change for his next start. "He's bred for grass, so we'll point him to the [Sept. 3 GII] Del Mar Derby."

ROBERT K. KERLAN MEMORIAL H. cont.

An oft-claimed runner during his three-year-old season, Railroad was haltered by his current connections for \$50,000 last October. Since then, he won a Golden Gate allowance in December, finished fifth in both the Dec. 26 Sir Beaufort S. and Jan. 25 Impressive Luck II H., and most recently was runner-up in the off-the-turf Feb. 19 Daytona H. at Santa Anita. Returning here off the freshening, he tracked the free-running Slew's Prince and wore that foe down in the lane to notch the victory. Heavily favored Taikun broke slowly and could do no better than third. "He's a nice little horse," said winning jockey Tyler Baze. "I didn't want Alex [Solis]'s horse [Taikun] to get the jump on me, so at the 5/16ths pole I went ahead and asked him, and he just steadily mowed him down."

HUMA PARK TO BE SOLD

Huma Park Stud is to be put on the market, it was announced yesterday. Since being set up by Hubie de Burgh and Marc de Chambure four years ago, the County Kildare operation has acquired multiple Group 1 winner **Rakti (GB)** (Polish Precedent--Ragera {Ire}, by Rainbow Quest) and 2002 G1 Prix Morny winner **Elusive City** (Elusive Quality--Star of Paris, by Dayjur). However, difficulty in acquiring new stallion prospects was cited as a factor in the decision to sell the state-of-the-art facility incorporating 254 acres, 100 boxes and a capacity for at least four stallions. The stud will be offered for sale in September by Maynooth-based W A Coonan Auctioneers, while no decision has been taken on the future of Rakti and Elusive City. "This is a not a decision we have taken lightly, we built Huma Park as a stallion farm and had hoped to stand a minimum of four stallions and expand from there," de Burgh explained. "We have two excellent Group 1 performers in Elusive City and Rakti, but we have found it increasingly difficult to gain access to the stallions we desire and are therefore unable to participate at the level we feel is needed in the ever increasingly competitive stallion market."
