COMPLICATIONS FOR BARBARO

Barbaro (Dynaformer) developed an infection in his surgically repaired right hind leg and underwent surgery

late Saturday at the University of Pennsylvania's New Bolton Center to replace the plate and many of the screws used to stabilize the fractures. "Barbaro had developed some discomfort and a consistently elevated temperature, so we believed it was in his best interest to remove the hardware and

thoroughly clean the site of the infection," Dr. Dean Richardson, the chief of surgery, said in a statement. "We also applied a longer cast on that leg for additional support." While the fractured cannon bone is healing well, the pastern, which was shattered into more than 20 pieces, is not responding as quickly as hoped. Richardson added more hardware and a fresh bone graft to the pastern joint during Saturday's procedure. It was the third time the Kentucky Derby winner had been under anesthesia in the last week; Barbaro had several screws replaced when his cast was changed last Monday, then had a second cast replacement Wednesday. "The recovery process from anesthesia took longer with this surgery, but Barbaro is now back in his stall in the Intensive Care Unit," said Richardson Sunday. A long cast was applied after the latest surgery, but that cast was replaced with a shorter one [Monday]. "This was done with Barbaro in a sling and only under mild sedation," said the surgeon. "The long cast was used as extra support during the anesthetic recovery phase. It is much easier for him to move around his stall and get up and down with a short cast. We also found and treated an abscess in his left hind foot that was bothering him." Barbaro remains in the Intensive Care Unit of the George D. Widener Hospital at the New Bolton Center, where he was reported to be comfortable and eating well. "We're continuing his pain medication, antibiotics and other supportive care," Richardson added. "He appears more comfortable today and has had a normal temperature, heart rate and overall attitude."

DEEP IMPACT KIN TOPS JRHA OPENER

The Japan Racing Horse Association's Select Sale began yesterday at Northern Horse Park in Hokkaido, with a colt from the family of reigning Japanese Horse

of the Year Deep Impact (Jpn) highlighting an inaugural session of yearlings. Setting a new standard for a yearling sold in Japan, hip **60**, a son of Pivotal (GB) out of Veil of Avalon (Thunder Gulch), a half-sister to Deep Impact, sold for \$1,798,245 (¥205,000,000). Bloodstock agent Nobutaka Tada was the winning bidder, purchasing the

colt from the draft of Northern Farm. Veil of Avalon is a graded stakes winner in the U.S. and was produced by German Group 1 winner Wind in Her Hair (Ger). In his Japanese finale, Deep Impact won the June 25 G1 Takarazuka Kinen and is now being prepared for a tilt at the G1 Prix de l'Arc de Triomphe. The only other horse to eclipse the million-dollar mark yesterday was hip **102**, a colt by Dance in the Dark (Jpn) who was also consigned by Northern Farm. The second foal out of G1 Japanese Oaks heroine Silk Prima Donna (Jpn) (Brian's Time), the bay colt was purchased by Fusaro Sekiguchi for \$1,052,631 (¥120,000,000). Sekiguchi is known in the U.S. as the owner of 2000 GI Kentucky Derby winner Fusaichi Pegasus. The sale continues today at 11:00 a.m. with the first of two sessions of foals. Any stallion operation must become anxious when the stud's established star starts to get a bit long in the tooth. This is the situation at the Irish National Stud, where 21-year-old Indian Ridge--the sire of two Breeders' Cup Mile winners--has just completed another season as one of the highest-priced stallions in Ireland.

Fortunately, the anxiety levels are currently being lowered, with some of the stud's younger stallions showing signs that they may one day be good enough to step into Indian Ridge's shoes.

Invincible Spirit, a Group 1-winning sprinter out of a Classic-winning mare, has constantly been attracting attention to himself with his first runners. The son of Green Desert notched his 15th individual winner three days ago, in the shape of the Listed-placed Conquest, having recorded his first stakes victory the previous day with Bahama Mama.

Another stallion making breeders sit up and notice is Verglas, who has an excellent three-year-old son in Stormy River, winner of Sunday's G1 Prix Jean Prat. Interestingly, Verglas shares with Indian Ridge the fact that he moved to the Irish National Stud after achieving excellent results from modest opportunities early in his career.

American racegoers may vaguely remember Verglas from the time he spent in California in 1997 and 1998. He arrived in the U.S. with some solid achievements under his belt, including a clear-cut victory in the G3 Coventry S. at Royal Ascot, a third in the G1 Phoenix S. and a three-length second to Desert King in the G1 Irish 2000 Guineas. He clearly had the potential to do very well in California and his debut victory in a Santa Anita allowance at the end of 1997 appeared to confirm this. Not for the first time, though, Verglas promised only to disappoint and he failed to win again, his best effort being his narrow second to Storm Trooper in the San Marino H. over a mile and a quarter.

The thunder keeps rolling!

Pedigree Insights cont.

A place was found for Verglas as a stallion at the Haras du Logis St Germain, starting as a six-year-old in 2000 at a fee of only 12,000 francs. A large part of his appeal to French breeders stemmed from his being a member of the Grey Sovereign male line which had enjoyed so much success in France. A major contributor to that success had been Verglas's sire Highest Honor, who has often been the leading French-based stallion. Indeed, Highest Honor had resisted the challenge of the foreign stallions to take the title of champion sire in 1995, and he repeated the feat in 2000.

Highest Honor has a fascinating pedigree, as he is the product of two animals--Kenmare and High River--which are inbred to the exceptional Nasrullah, a five-time champion sire in North America. Kenmare was inbred 4x4 to Nasrullah through his top sons Grey Sovereign and Nearula, and the fourth generation of Kenmare's pedigree also contains Rivaz, a fast sister to Nasrullah. Highest Honor's dam High River was inbred 3x3 to Nasrullah, via his top American performers Never Bend and Bug Brush.

For good measure, the fourth generation of High River's pedigree contained Royal Charger, a three-parts brother to Nasrullah. No wonder Highest Honor inherited some of Nasrullah's prowess as a sire.

Naturally breeders were tempted to add more Nasrullah blood to the mix when they used Highest Honor; Verglas is out of Rahaam, a mare with two lines of Nasrullah (in a pedigree which also features 4x4x4 inbreeding to Native Dancer and 5x5 to Princequillo).

The pedigree of Verglas shows six lines of Nasrullah in the first six generations, with Nasrullah's sister Rivaz and three-parts brother Royal Charger also present. These multiple lines are balanced by several lines of Prince Rose, mainly through his son Princequillo, whose name was inextricably linked with that of Nasrullah in the Claiborne success story. The fifth generation of Verglas's pedigree features two lines of Princequillo's son Prince John and two lines of Princequillo's daughter Somethingroyal.

Riverman was a top-class example of the virtues of the Nasrullah-Princequillo cross, his sire being Nasrullah's son Never Bend and his dam being River Lady, a granddaughter of Princequillo. Perhaps encouraged by the 2001 French Derby success of Anabaa Blue, a colt inbred 4x2 to Riverman, the owners of Stormy River's dam Miss Bio selected Verglas as her mate in 2002. This mating produced 4x4 inbreeding to Riverman (plus 4x5x5 to Northern Dancer and 5x5 to Sir Gaylord). Considerable importance has to be attributed to the inbreeding in Stormy River's pedigree, as this colt has achieved a lot more than could reasonably have been expected of a colt by Verglas out of a River Mist mare.

River Mist--a grandson of Riverman--enjoyed a very brief moment of glory in 1985, when he crossed the line first in the French 2000 Guineas, only to be demoted to fourth. His subsequent form confirmed that he was very talented, rather than top class, and he has sired only a couple of Listed winners on the flat. River Mist's best recent winner has been the French hurdler River Charm.

I don't want to give the impression that Stormy River's pedigree is moderate, as his third dam Riverstar was a half-sister to the excellent Riverqueen, winner of the French 1000 Guineas, Prix Saint-Alary and Grand Prix de Saint-Cloud. This family has produced a host of good winners, and Stormy River's dam Miss Bio is a half-sister to Fantastic Filly, a dual Group 3 winner in the U.S.

Stormy River's achievements should help educate owners and breeders in Ireland and Britain about Verglas's potential. He didn't have numbers on his side early in his career, with none of his first three crops numbering as many as 40 foals. However, each of these three crops has produced a group/graded winner. His first crop contained Blackdown, a dual Grade II winner in California out of a Grey Sovereign line mare, and his second features Ozone Bere, a five-time Listed winner in France who progressed to win this year's GIII Gallorette H. *cont. p5*

WAR EMBLEM'S STRUGGLES IN BREEDING SHED CONTINUE IN JAPAN

by Deirdre B. Biles, courtesy of www.bloodhorse.com.

War Emblem's problems in the breeding shed have gotten worse. There will be no foals sired by the seven-year-old champion son of Our Emblem born in 2007. The 2002 GI Kentucky Derby and GI Preakness S. winner has been reluctant to cover mares ever since he entered stud in 2003 at the Shadai Stallion Station in Japan. "Shadai Stallion Station tried to show more than 100 mares to War Emblem this year, but he covered only one, and that mare is not in foal," said Naohiro Goda of the Regent Company. War Emblem had four foals in his first crop, more than 40 in his second, and only two in his third (born in 2006). "This is not a good thing for us, but this happens in the horse business," said Teruya Yoshida of Shadai. "We've tried many things. Sometimes they've worked, but this year, almost nothing." Asked about War Emblem's future, Yoshida said, "With the horses here, we take care of them, and we try. People in Japan were expecting very much of War Emblem. There is a very small chance that will happen, but we will keep trying." One possibility that Yoshida said he would consider is to stand War Emblem at a farm in the United States that has expertise in or the willingness to handle problem stallions. "Some farms have contacted us in that way," he said.

Caulfield cont.

After some early first-crop juvenile winners in 2003 helped draw attention to Verglas, he received much more support that year, resulting in a 2004 crop of 70. By the end of 2003 he was established as the leading French-based first-crop sire, which resulted in plenty of support in 2004 (there are 25 Verglas yearlings in the upcoming Deauville Sales). He then moved to Ireland in time for the 2005 season and his high proportion of stakes performers resulted in a book of around 140 mares.

In other words, it's fair to assume that the best is yet to come from Verglas, who is a half-brother to Indian Ridge's very fast daughter Cassandra Go. His fourth dam is the Kentucky Oaks winner Native Street, this also being the family of the champion sprinter Stravinsky, so he is bred well enough for anything.

TATTERSALLS JULY STARTS TODAY Tattersalls'

largest-ever July Sale, offering an 870-lot mixed catalogue, begins in Newmarket at midday today. Today's session is dominated by fillies and mares, with many of the major breeding operations, including Juddmonte, Darley, Shadwell and Gainsborough, sending surplus stock to Tattersalls. Lot 199, **Mermaid Island (Ire)** (Mujadil), has a couple of extra selling points. Bought for €110,000 by agent John McGrath at Goffs February, she is now a half-sister to a Classic winner after her sister, Nighttime (Ire) (Galileo {Ire}), won the G1 Irish 1000 Guineas. The four-year-old filly was covered by Galileo (Ire) in April. Mermaid Island is offered through Bill Dwan's Castlebridge Consignment agency, as is Lot 198, **Eyeq (Ire)** (Cadeaux Genereux {GB}), a Scandinavian champion who is carrying a foal from the first crop by Oratorio (Ire). There are also two mares from the first book sent to G1 Epsom Derby winner Motivator (GB) in the catalogue, including Lot 23, **Park Romance (Ire)** (Dr Fong). Consigned by Stephen and Louise Kemble's Elms Stud, Con Wilson's four-year-old picked up black type when third in the G3 Sweet Solera S. at Newmarket. Lot 24, **Drifa (Ity)** (Hamas {Ire}), is the 10-year-old dam of 2005 G1 Derby Italiano winner De Sica (Ire) (Sri Pekan), and she had a pedigree update Sunday when her two-year-old Depp (Ity) (City On A Hill) was an impressive listed winner at San Siro. Drifa is offered on a Dr Fong cover. Notable horses in training include Lot 567, **Baan** (Diesis {GB}), who was placed in the G3 Derby Trial at Lingfield and G3 Classic Trial at Sandown this year. A strong draft from trainer Jim Bolger includes Lot 628, **Zacharova (Ire)** (Lil's Boy), a three-time winner this year; and Lot 629, **Rhythm'n Roots (Ire)** (Daggers Drawn), successful in this season's G3 Ballysax S. Lot 447, **Apeiron (Ger)** (Devil River Peek), is a German Group 3 winner, while five-year-old **Cairdeas (Ire)** (Darshaan {GB}), Lot 659, is a Group 3-winning half-brother to Desert King (Ire) (Danehill). Five two-year-olds are offered from Mark Wallace's Sefton Lodge Stables; all had been knocked down to Birchwood Stud as yearlings at Tattersalls. They include Lot 265, a Montjeu (Ire) half-sister to top sprinter Benbaun (Ire) (Stravinsky), who cost 200,000gns in October. Tattersalls Marketing Director Jimmy George said yesterday, "It isn't just the largest ever Tattersalls July catalogue, but we also firmly believe it to be the best. There is serious strength in depth among the breeding stock, as well as the horses and fillies in training. There are also some eye-catching two-year-olds." The sale continues with sessions at 9:30 a.m. and 5 p.m. tomorrow and Thursday, and one 9:30 a.m. session Friday. For the complete catalogue, go to www.tattersalls.com/cat/july/july2006.pdf.

VIRTUOSITY (GB) (Pivotal {GB}) gets to the track late in the day, but Cheveley Park Stud's three-year-old has a notable pedigree, being a half-sister to the operation's G2 Coventry S. winner Iceman (GB) from the family of Entrepreneur (GB) and Exclusive (GB). Sir Michael Stoute saddles the newcomer in a weak contest at the Northern track at which he boasts a 33 percent strike rate in the last five seasons.

FALLON APPEALS TOMORROW Kieren Fallon's appeal against the decision by the Horseracing Regulatory Authority to ban him from riding in Britain will be heard tomorrow. With the prospect of a lengthy delay to the trial into alleged race-fixing, the six-time champion jockey will bid to overturn Friday's ruling by the HRA which took immediate effect. According to the *Racing Post*, Fallon has been interviewed by the City of London Police about 18 races, six of which he partnered the winner, as part of the long-standing Operation Crypton. He was charged last Monday, along with fellow jockeys Darren Williams and Fergal Lynch, with conspiracy to defraud Betfair punters. All three face a protracted suspension, as the dates of the trials are not set and the judicial procedure could be drawn out beyond the verdict. Williams' and Lynch's appeals will be heard on Monday.

RIVER HAS QEII PLAN

Ecurie Mister Ess As's G1 Prix Jean Prat winner **Stormy River (Fr)** (Verglas {Ire}) will be pointed at the Sept. 23 G1 Queen Elizabeth II S. at Ascot, connections announced yesterday. Trainer Nicolas Clement revealed that the colt, who enjoyed a half-length verdict over Kentucky Dynamite in Sunday's Chantilly contest, would return to the track over which he finished runner-up in the June 20 G1 St James's Palace S. at the Royal meeting. "He's showed he is the best of his generation in France over a mile, so he'll probably run back at Ascot in the Queen Elizabeth and we'll see how he copes with the older horses," Clement said yesterday. "He was surprised by the bend at Ascot and was unbalanced, but it was his first time around that bend and he needs to gain an international reputation and secure his future as a stallion. He'll probably come back in the [Sept. 3] G1 Prix du Moulin de Longchamp before the QEII."

All horses in the *TDN* are bred in North America, unless otherwise indicated

PERCY HEADS LEGER ENTRY

Anthony Pakenham's G1 Epsom Derby hero **Sir Percy (GB)** (Mark of Esteem {Ire}) yesterday featured among the 52 entries for the £475,000 G1 Ladbrokes St Leger at York Sept. 9. As Doncaster undergoes a redevelopment program, the oldest Classic is switched to its Yorkshire neighbor for the first time since its traditional home was used as part of the war effort in 1945. Sir Percy, who has been off the track since his exploits in the Blue Riband June 3, would be tackling a shorter trip than usual if he takes his place in the line-up, as the distance will be a mile, five furlongs and 197 yards, some 155 yards less than at Doncaster. The colt's trainer, Marcus Tregoning, left all options on the table when asked of about a St Leger run. "I am not one of those people who thinks the Leger ruins horses--I am a big St Leger fan," he told the *Racing Post*. "Obviously he was a good two-year-old, but for me he definitely stays, I think he is effective from a mile and a quarter to who knows how far. All the options are open. The owners will help me decide what to do and we will decide nearer the time." Aidan O'Brien, who boasts three renewals since 2001, has 17 entries headed by Derrick Smith, Susan Magnier, and Michael Tabor's **Septimus (Ire)** (Sadler's Wells), who took the G2 Dante S. at York by eight lengths May 18. The triumvirate are also responsible for the G2 King Edward VII S. winner **Papal Bull (GB)** (Montjeu {Ire}), one of a quartet from Freemason Lodge bidding to provide trainer Sir Michael Stoute with a first St Leger success. His Highness the Aga Khan's G1 Prix du Jockey-Club (French Derby) winner **Darsi (Fr)** (Polish Precedent) adds a French dimension, while Godolphin have entered five colts in a bid to annex a fifth renewal. "We are delighted to be staging the Ladbrokes St Leger Festival, it promises to be a fantastic two days of top quality racing," commented York's Chief Executive and Clerk of the Course William Derby.

JO'BURG (c, 2, [Johannesburg](#)--La Martina {GB} {MSW, \$184,908}, by [Atraf](#) {GB}) appeared to face an easy task after his runner-up finish to Major Cadeaux (GB) on debut in a Newbury maiden May 20 and when fifth in the June 20 G2 Coventry S. at Royal Ascot, but was drawn in the widest post and raced keenly trapped wide throughout the early stages. Mick Kinane had to get serious in the straight, but the 2-5 pick responded in game style to wear down Cheap Street (GB) (Compton Place {GB}) in the final 50 yards and assert for a 1 1/4-length success. The winner, the sixth for his freshman sire (by Hennessy), was a 200,000gns TATDEC weanling and 250,000gns TATOCT yearling acquisition. Lifetime Record: 3-1-1-0, £8,612. Tackling the long-time leader Early Evening (GB) (Daylami {Ire}) in the straight, the 12-1 chance got on top inside the final 100 yards and clung to a neck advantage at the line. Sabah, a half to Vanderlin (GB) (Halling), MSW & GSP-Eng, GSW & GISP-US, \$574,744, was a 14,500gns TATDEC weanling and 39,000gns TATOCT yearling. Lifetime Record: 4-1-1-0, £5,696. ABUNAI (GB) (f, 2, Pivotal {GB}--Ingozi {GB}, by Warning {GB}) endured a troubled early passage when second at Windsor June 19 and gained compensation with a decisive score here. Prominent in third from the bell, the 3-1 pick was committed for home with 1 1/2 furlongs remaining and was pushed out in the latter stages to comfortably best Piccolena Boy (GB) (Piccolo {GB}) by 2 1/2 lengths. Keeping the leaders within range in third for most of this, she was ridden to challenge at the two-furlong pole and was driven out from there to assert by 2 1/2 lengths from Star Crowned (Kingmambo).
