**THE SECOND COMING?**

**Dubai Escapade** (Awesome Again) will try and follow in her big sister's footsteps when she bids for her sixth consecutive victory in today's G1 Princess Rooney H. at Calder.

**Dubai Escapade**  
*Adam Coglianese photo*

The half sister to 2005 heroine Madcap Escapade is unbeaten in five dirt attempts, including the GII Vinery Madison S. at Keeneland Apr. 12 and the GII Vagrancy H. at Belmont last out June 11. "She's doing fantastic and the Princess Rooney has been our number-one priority

since early in the year," trainer Eoin Harty told *Daily Racing Form*. "The only time she's really been challenged was when I sent her a mile at Gulfstream and I don't think I had her super fit that day, because she'd missed a lot of training time in between starts due to rain." Cont. p6

**SPRINT CHAMP RETURNS TO 'SUMMIT'**

Reigning sprint champion **Lost in the Fog** (Lost Soldier) notched last season's GII Carry Back S. on the Summit of Speed card and returns for today's GII Smile Sprint H. The Harry Aleo colorbearer suffered his first career defeat when seventh in the GI Breeders' Cup Sprint Oct. 29 and began his four-year-old campaign with a disappointing second in the Golden Gate Sprint Apr. 22. Heavily favored at 1-2 to get back on track in Churchill's June 3 GIII Aristides Breeders' Cup H., the blazed-faced colt delivered with a 1 1/4-length tally over **Kelly's Landing** (Patton). Cont. p7

**SELECT SEXTET FOR IRISH OAKS**

Only six fillies have been entered for Sunday's G1 Darley Irish Oaks at The Curragh, but what this renewal lacks in numbers it more than makes up for in quality. The field includes the first and second--**Alexandrova (Ire)** (Sadler's Wells) and **Rising Cross (GB)** (Cape Cross {Ire})--from the G1 Epsom Oaks; **Confidential Lady (GB)** (Singspiel {Ire}), heroine of the G1 Prix de Diane; and **Mont Etoile (Ire)** (Montjeu {Ire}) and **Scottish Stage (Ire)** (Selkirk), the first two home in the G2 Ribblesdale S. Field, p10

**HOME ON THE RAIL**

**Rail Link (GB)** (Dansili {GB}) capped a night to remember for Khalid Abdullah's operation with a convincing success in the G1 Juddmonte Grand Prix de Paris last night at Longchamp. Having started off on the wrong foot when his rider was unseated on debut at Saint-Cloud Apr. 10, he found only the subsequent G2 Oppenheim-Union-Rennen runner-up Lauro (Ger) too strong in a conditions event at Chantilly May 10. The bay colt got off the mark back at Saint-Cloud 19 days later and added the G3 Prix du Lys to his tally in style over this course and distance last time June 20. Settled in mid-division off the tempo carved out by Frankie Dettori on Red Rocks (Ire) (Galileo {Ire}), he strode forward to challenge in the straight and loomed large approaching the eighth pole. The three-year-old took over there and was pushed out by Christophe Soumillon to assert from the game long-time leader, who fought hard to keep the runner's-up spot from **Sudan (Ire)** (Peintre Celebre). After creating a shock at Royal Ascot, Willie McKay's Les Arcs showed he was no flash in the pan by following up here. Just as they had in the closing stages of the G1 Golden Jubilee S. at the Royal meeting June 24, connections had to pray for the line as Iffraaj (GB) closed fast, but the six-year-old held on by a head at odds of 10-1. "He's amazing, an absolute superstar of a horse," trainer Tim Pitt said. "He's proven that the Golden Jubilee was no fluke and he's a serious horse in his own right."

Les Arcs' unorthodox metamorphosis into a top-rank sprinter has been well-documented, with a try over hurdles and a campaign over middle distances preceding a rich spell of success on Polytrack during the last all-weather season. Transforming that form to the turf when capturing the Listed Cammidge Trophy at Redcar Mar. 25, he looked to have found his ceiling when runner-up in the Apr. 18 Listed Abernant S. on the Rowley Mile here and when down the field in the G2 Temple S. at Sandown May 30. The dark bay was not beaten far when off the board the G2 King's Stand S. on the Tuesday of Royal Ascot, and returned on the Saturday of the Royal meeting to spoil the party of Takeover Target (Aus) (Celtic Swing {GB}), swooping past that foe before clinging to a fast-diminishing margin over Balthazaar's Gift (Ire) (Xaar {GB}). Restrained throughout the early stages here by John Egan, he tracked the leaders before getting the breaks to collar Takeover Target with 150 yards remaining. Les Arcs asserted as that rival tired over the rising ground, and though he was running out of real estate as Frankie Dettori rallied on Iffraaj, he held on to complete the ambitious double. "To win at Ascot and then here is just unbelievable," Egan said. "[Trainer] Tim [Pitt] got him here in great form, although I was hoping I would be drawn near Takeover Target. When he was drawn in one I went from having what I thought was a bad draw to a good draw, as it's definitely better in the center. I thought I'd track Frankie [Dettori], but that didn't pan out. I was hoping for a split, but they always come when you're going well. Horses make fools of you, but some are capable of anything, and this lad's just gone from strength to strength." Jockey Jay Ford said of the 9-2 favorite Takeover Target, "It was a very below-par performance from him. He travelled well off the two leaders early on, but when I asked him for an effort he could not go faster. And when he came off the bridge he was pretty much going up and down in the same spot. He had worked very well beforehand, but it wasn't to be."

Halicarnassus was perhaps the least expected winner of this fascinating line-up, but that proved the punters' misfortune as he produced a rattle from rear to cause an upset. He had dead-heated with Norisan (GB) in a course-and-distance maiden June 24 prior to this steep climb in class, and overcame greenness to rescue a seemingly helpless cause midway through this contest. Shuffled out the back by halfway, he appeared to be struggling before picking up his rivals with a wide flourish and grabbing success in the final 50 yards. "He went down bucking and was so green," winning jockey Tony Culhane said. "It wasn't that he wasn't quick enough--I had plenty of horse, but he wouldn't face their heels, especially going downhill. I thought I'd give him a bit of daylight and if it didn't work out, I'd just float him up, but he got his momentum and finished up very well. He's probably going to be a nice horse next year and end up a middle-distance horse." Winning trainer Mick Channon revealed that his charge may be rested for an autumn campaign, with tilts at the G2 Royal Lodge S. at Ascot Sept. 23 and G1 Racing Post Trophy at Newbury Oct. 21.

Bellamy Cay took part in the G1 Grand Prix de Paris exactly a year ago and was not disgraced in fifth on that occasion. Subsequently sixth in the G3 Prix du Prince d'Orange back here in September, he rounded off with a win in the Listed Prix Vulcain at Deauville the following month. The Juddmonte homebred returned to annex the Listed Prix de la Porte de Madrid at Saint-Cloud Apr. 18 and followed up with a win at this venue in the May 8 G3 Prix d'Hedouville before failing to give Policy Maker (Ire) five pounds when third in the June 4 G2 Grand Prix de Chantilly. Stalking the early pace towards the inner under Kieren Fallon, he was angled off the rail soon into the straight and seized the advantage passing the furlong marker. He was chased by Montare in the drive to the line, but had enough left to resist that challenge. "He's a good, hard-knocking horse who stays well," Racing Manager Teddy Grimthorpe said. "He's always looked as if he can win one of these, and will probably go to Deauville next for either the [Aug. 20] G2 Prix Kergorlay or [Aug. 27] G2 Grand Prix de Deauville."

La Chunga broke her maiden in the G3 Albany S. at the Royal meeting here last June before finishing fourth under a penalty in the G3 Princess Margaret S. at Newbury the following month. Runner-up to Flashy Wings (GB) in the G2 Lowther S. back here in August, she returned to finish ninth in the May 7 G1 1000 Guineas at a rain-soaked Newmarket. She looked out of her depth when dropping back to sprinting in the G2 King's Stand S. at Royal Ascot June 20, but emerged from that 13th-place finish to re-establish her reputation amongst her own sex here. Despite showing early pace, she was taken over by the frantic duel of Donna Blini and Paradise Isle up front. The brown filly recovered as that pair felt the exertions of their battle, assumed command approaching the furlong marker and asserted on the run to the line.

# Barbaro Update

## BARBARO STABLE DESPITE LAMINITIS

According to a statement issued by the University of Pennsylvania's New Bolton Center yesterday, Kentucky Derby hero **Barbaro** (Dynaformer) was comfortable last night despite the development of laminitis in his left hind foot. The three-year-old underwent an extensive resection of the hoof wall and is now in a hoof cast, but was handling the latest complications as well as could be expected. "Barbaro was out of his sling for more than 12 hours yesterday, and he had a calm, restful night, sleeping on his side for more than four hours," said Dr. Dean Richardson. But, he cautioned, "While his condition is stable, it remains extremely serious."

**Barbaro** *Equi-Photo*

During Thursday's press conference, Richardson emphasized that, while every effort will be made to save him, Barbaro will not be allowed to suffer. "We are only going to go on with this horse as long as everyone involved is convinced that they can come in every day, look at this horse and be convinced that on that day and the next day that he is going to be acceptably comfortable," he said. "That doesn't mean that the horse is not having any discomfort at any time--that is the nature of the disease. But the fact is that the horse is within our understanding

**Barbaro winning the Derby**  
*Horsephotos*

of well-being...if he's eating, drinking, [has a] reasonable heart rate, is able to get up and down, move around the stall, act like a normal horse, then I think that we're going to go on." Barbaro's regular jockey Edgar Prado paid the colt a visit Friday. "He looked much better than I thought he would," Prado said. "He is very smart and he knew me right away. I fed him, walked with him and he put his head on my shoulder and fell asleep...It is a very bad situation, but he has the will to overcome this."

With plenty of speed entered here, this should set up perfectly for Kinsman Stable's **Ebony Breeze**. The six-year-old closed to finish a good third in Churchill's Winning Colors S. May 27, then got up in time to take Arlington's June 17 GIII Chicago Breeders' Cup H.

**Leave Me Alone** doesn't quite look like same horse that won the GIII Azalea Breeders' Cup S. and the GI Test S. last term, but a return to those races makes her very dangerous in this spot. The chestnut could only manage a sixth-place finish behind Dubai Escapade in the Vagrancy last time.

11	Roman Dynasty	Theatrical (Ire)	Pletcher	12-1
12	Yate's Black Cat	Black Minnaloushe	Romans	20-1

The speedy **Kip Deville** led by as many as 15 lengths as he dashed through six furlongs in 1:08 3/5 in the June 24 Colonial Turf Cup and held on well to be second. He could be out there on his own once again today, but will have to try and hang on for an extra sixteenth of a mile. **Seaside Retreat**, first in the Display S. on Woodbine's main track last November, is unbeaten in two starts on the lawn. The bay won an allowance on the Woodbine weeds in September and returned to the turf after finishing 10th in the May 6 GI Kentucky Derby to win the June 25 Charley Barley S. in Toronto. **Spider Power** was caught in traffic on the final turn in the June 9 GIII Hill Prince S. at Belmont, but still got up to be second, beaten just a length and a half.

**Weigelia**, who owns six wins over the Miami main oval, stopped the clock at 1:07 in a six-furlong optional claimer over the Belmont lawn June 18. The speedy **Joey P.** was a sharp winner in Monmouth's Longfellow S. last out June 18 and retains the services of Joe Bravo. He is unbeaten in seven attempts at the distance. **Friendly Island** makes his first start since annexing Pimlico's GIII Maryland Breeders' Cup H. on the Preakness undercard May 20.

The speedy **Hystericalady** followed a two-length allowance tally at Bay Meadows May 10 with a 7 1/2-length romp in her two-turn bow, the June 11 GII Hollywood BC Oaks. The California shipper is four-for-six lifetime, but makes her first start outside the Golden State.

**Adieu** won four of her first five appearances, including the GI Frizette S. and GII Spinaway S., but has been off the board in two of her last three efforts. Seventh in the GI Breeders' Cup Juvenile Fillies, the bay opened 2006 with a second in the May 6 GIII La Troienne S. at Churchill, but finished an even fourth as the 9-5 chalk in the June 10 GI Acorn S. **Diamond Spirit** goes from turf to dirt after losing by just 3/4 of a length when fifth in a Belmont allowance test July 3. The gray hasn't won since breaking her maiden at Aqueduct last Nov. 2, but has been on the board in six of her nine starts since, finishing second in both the Nov. 20 GIII Valley Stream S. at Aqueduct and the off-the-turf June 3 GIII Sands Point S. at Belmont and third in the May 27 Go for Wand S. over this track and trip.

**High Cotton** goes for his fourth win from his last five starts. The bay colt wired the field in the Mar. 25 Rushaway S. at Turfway, but faded to ninth in the Apr. 15 GII Arkansas Derby. He rebounded to post a 5 1/2-length score in the May 20 Sir Barton S. and comes off a 1 1/2-length tally in the June 17 GIII Northern Dancer BC S. at Churchill Downs.

**Sayhellotolarry** was rated off a soft pace in the Northern Dancer and finished an even third, but could benefit from faster fractions here. **Flashy Bull**, third in the GII Fountain of Youth S. in March, was off the board in the Apr. 1 GI Florida Derby and May 6 GI Kentucky Derby, but held on for third after dueling for the lead in an allowance at Belmont June 22.

**Too Much Bling** has really come into his own this season. The gray began his sophomore campaign with victories in the San Miguel S. Jan. 8 and the GII San Vicente S. Feb. 12. He shipped to the Big A for the GIII Bay Shore S. on the Wood Memorial undercard and defeated Songster by nine lengths in the sloppy going. The Darley colorbearer turned the tables in the GII Woody Stephens Breeders' Cup S. June 10, but Too Much Bling won't be facing anyone of his caliber here. **Northern Soldier** enters this contest a perfect three-for-three. The bay was last seen taking Hollywood's GII Lazaro Barrera Memorial S. May 20. Third-place finisher Arson Squad returned to take last weekend's GII Swaps S. **Yes He's The Man** has never tasted defeat over the Calder main track in three attempts. He returns from a Monmouth stint, where he won the May 20 Select S., then finished second in the Gilded Time S. June 11.

**Ozone Bere** was compromised by a slow pace in the June 10 GII Just a Game H. at Belmont, finishing a distant third, but could find the fractions more to her liking this time. A multiple listed winner in France, the late-running gray rallied to win the May 20 GIII Gallorette H. at Pimlico in her U.S. bow. **Noble Stella** has been on the engine in her last three starts, but has been allowed to carve out easy splits en route to wins in the Apr. 26 GIII Bewitch S. at Keeneland and the June 24 GII New York BC H. at Belmont and a second in the May 27 Sheepshead Bay H. She could have company on the front end in the form of **Winds of Time**. The four-year-old is perfect in two starts over this course, closing to take an allowance race May 28 before coming from second to capture an optional claimer June 16.

"He's ran pretty hard this spring," trainer Todd Pletcher commented. "Looking at the options, we thought the time was right to give him a little freshening for the summer and fall. He's had a good, steady series of works and he's trained well. It was by design that he had a break for a while." Susan Magnier, Michael Tabor and Derrick Smith's **Alexandrova**, who beat Gary Tanaka's **Rising Cross** by six lengths at Epsom June 2, bids to become the eighth filly to complete the English-Irish Oaks double since 1971 and provide Aidan O'Brien with his first renewal. Though very few Prix de Diane winners have even attempted this double, Cheveley Park Stud's **Confidential Lady** steps up in trip off the back of a hard-fought success in that Chantilly Classic June 11. For trainer Sir Mark Prescott, stamina is the main concern. "I don't know whether she'll stay, but I thought she got the trip well in the Prix de Diane and nothing was making ground from behind her," trainer Sir Mark Prescott commented.

**Irish Oaks cont.**

"[Cheveley Park Stud Managing Director] Chris Richardson thinks she'll stay on pedigree and he's usually right, but I expect Aidan's horse to be too good for her. She came out of her last race very well and I haven't had to hurry her one bit to get her ready. All horses say no in the end when they have a lot of hard races and she's had three hard races in group ones, but it's not apparent at home. Her virtue is she's so tough, so sound and willing, and she's risen to the heights she has because she's so durable. She's perfectly entitled to have a crack." This marks the smallest field for the 12-furlong Classic since Dance Design (Ire) beat five rivals in 1996.

**Thoro-Graph Race of the Week**

*by Jerry Brown*

**Saturday, Colonial Downs**

**VIRGINIA DERBY-GII**, \$1,000,000, 3yo, 1 1/4mT

PP HORSE	SIRE	ODDS
1 Seaside Retreat	<a href="#">King Cugat</a>	6-1

Didn't run fast figures last year, but jumped way up over the polytrack at Turfway in his second start this year, before throwing a stinker over the quirky Keeneland strip. He then ran much better than it looked in the Derby [he was 6w on the turn]. Form over the Turfway polytrack often translates on turf, and sure enough Seaside Retreat ran well in his grass debut last time. A repeat of that effort from the rail would give him a good shot, and a move back to his top would make him tough to beat. Strong contender.

2 Go Between	<a href="#">Point Given</a>	5-1
--------------	-----------------------------	-----

Had a nice pattern, but wasn't that fast going into his last, and was one of the many to encounter a tough trip in the Colonial Turf Cup, though a wide trip was nothing unusual for him. When we get done factoring in ground loss he had jumped way forward, and a repeat of that effort would put him right in this. It's a tough call as to whether he will do that, three year olds often pair up tops. Grass horses and Mott horses do as well, but again, it's a big jump. Contender, but no value at the price.

3 Spider Power (Ire)	Royal Applause (GB)	12-1
----------------------	---------------------	------

Jumped up with the rest of the McLaughlin barn recently, and paired tops in his last two. The last looks better than it was due to an inside trip. He'd have to improve quite a bit to seriously contend here.

4 Steppenwolfer	<b>SCRATCHED</b>	
-----------------	------------------	--

5 Manchu Prince	<a href="#">Gone West</a>	12-1
-----------------	---------------------------	------

Is lightly raced and improved in his return from a layoff, but he has many lengths to make up, and Pletcher horses don't tend to improve that much through a campaign.

6 Kip Deville	Kipling	9-2
---------------	---------	-----

Was purchased after a big one in Texas, and ran well last time despite sprinting away in 1:08:60. He gets a major rider switch to Bejarano, and should save ground on the lead again, a significant edge worth a point or two in this big field. There is no reason to expect a bounce, and a new top is possible for Dutrow--strong contender.

7 Proudinsky (Ger)	Silvano (Ger)	8-1
--------------------	---------------	-----

Jumped forward in his American debut, and now comes back only two weeks later after shipping. A repeat isn't good enough, and a bounce likely.

8 Readily	<a href="#">More Than Ready</a>	50-1
-----------	---------------------------------	------

Has never run fast enough to compete here.

9 Sir Classic Chris	Catienus	20-1
---------------------	----------	------

Has run 12 times in eight months, working his way to a good grouping in his last five. That much racing and development makes another forward move unlikely in the short term, but he could be a candidate for a check.

10 Genre (GB)	<a href="#">Orpen</a>	5-1
---------------	-----------------------	-----

Showed moderate ability in Europe last year, then took advantage of a weak California turf 3yo division in his last few. This horse will be way overbet. He's several points too slow going in, and since he's heavily raced, unlikely to jump forward. Bet against.

11 Roman Dynasty	<a href="#">Theatrical (Ire)</a>	12-1
------------------	----------------------------------	------

Has a classic late-developing grass pedigree, and wisely wasn't raced at two. He's moved forward gradually this year, and ran very well in his turf debut last time. This one is lightly raced with a good pattern, and is probably the most likely horse in the race to run a new top. The post is an issue, but he's a contender. And if he gets buried with a wide trip, we'll look for him later.

12 Yate's Black Cat	<a href="#">Black Minnaloushe</a>	20-1
---------------------	-----------------------------------	------

Has done a lot of developing, and in his last ran much better than it looked. He was another that was wide. Romans' barn has moved way up over the last couple of months, so a pair-up is possible, but he will still need to find a way to overcome the post.

**Bottom Line** – Proudinsky and Genre are worth playing against. Seaside Retreat, Kip Deville and Roman Dynasty are strong, and there are several that could be used underneath them in exotics.

Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. *Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. Aug. 13, but went amiss in the GI Flower Bowl Invitational S. Oct. 1, finishing seventh as the 8-5 chalk. Returning here as the prohibitive chalk, Melhor Ainda was taken off the pace as Sis City (Slew City Slew) dictated things up front. **'GEORGE' ON THE COMEBACK TRAIL** Susan Magnier, Michael Tabor and Derrick Smith's **George Washington (Ire)** (Danehill) has completed his first piece of work since his injury, according to *Racing Post* yesterday. Trainer Aidan O'Brien issued the update on the impressive May 6 G1 2000 Guineas winner, who had injured muscles in the pelvic area soon after finishing runner-up in the Irish equivalent at The Curragh May 27. "George has been cantering away for the last few weeks and he has done his first piece of work since going back into training," the Ballydoyle conditioner told the *Post*. "He is progressing well, but it is still too soon to be talking about when he might be back on the track. Things are going well with him so far, but he was held up for a long time and we are not going to rush him."

**TATTS JULY CONCLUDES RECORD RUN**

Tattersalls' largest ever July Sale closed yesterday with a 12.18-million guineas turnover up 93 percent on 2005. The 19,564gns average was up 34 percent, while the 10,750gns median rose by 19 percent. There were 20 six-figure transactions over the course of the sale, compared to just three at the 2005 fixture. The final six-figure lot came yesterday when agent Richard Frisby paid 100,000gns for **lot 794, Lovely Hidenka** (Fusaichi Pegasus), for his Ptarmigan Bloodstock investment company. The three-year-old filly was produced by U.S. champion juvenile Eliza (Mt. Livermore), a half-sister to GISW Dinard. "We'll send her to America and breed from her out there," Frisby explained. "We've got one other mare for Ptarmigan Bloodstock in the States at present." Tattersalls Chairman Edmond Mahony was delighted with the week's trade.

"The progress made by the July Sale in recent years has been little short of phenomenal, and the trade this week has again exceeded all expectations," he commented. "The turnover at this sale has rocketed in the last few years, and it is amazing to consider that only five years ago the sale aggregate was just over 2.5 million guineas, and this year it has exceeded 12 million guineas, almost double last year's record of 6.3-million guineas. The key to the July Sale's progress has been the support of the vendors and their confidence in the sale has again been richly rewarded. This was the largest July catalogue ever and more than matched by the quality which has been reflected not only in huge rises in average and median, but also 20 six-figure lots as opposed to three at the 2005 July Sale. The consignments from the major owner/breeders have again attracted buyers from throughout the world who have been active at all levels of the market, and the depth to the demand has been demonstrated by an impressive clearance rate of over 90 percent. The 2006 July, Breeze Up and February sales have all been resounding successes, and we can now look forward to the forthcoming Tattersalls October Yearling Sales with a degree of optimism." Mine carved out his own piece of history by taking this prestigious race for the third time, recording his easiest success in the process. Having won his first Bunbury Cup in 2002, he was denied by a short-head by the subsequent G1 Prix de l'Abbaye hero Patavellian (Ire) 12 months later before missing the gig two years ago. Back in the winner's spot again after the latest renewal, he warmed up for this with a highly creditable eighth in the June 21 Royal Hunt Cup at Royal Ascot, where he finished best of those racing against the bias on the far side. The eight-year-old was held up in rear by a confident Mick Kinane throughout the early stages and cruised to the fore running downhill before seizing the lead passing the eighth pole. In no danger thereafter, he was kept up to his work on the climb to the line for a comfortable score. "He does like this course," commented trainer James Bethell. "He's an incredible horse and a wonderful servant. He's been a slow developer, has done nothing but improve, and just loves those uphill finishes. I've never seen him win so easily, and he'll go for the International H. at Ascot July 29 next, then maybe the G3 Prix Quincey at Deauville Aug. 27."

The winner, a 270,000gns TATOCT yearling, is a 3/4-sister to Goncharova (Gone West), GSW-Fr & SP-GB. Lifetime Record: 5-2-1-0, £14,881.

Formal Decree, who scored a brace of handicaps at Pontefract May 26 and June 12, stepped up to register a career-best in this competitive heat. Racing in rear early, he was wound up for his run inside the final half mile and ground his way to the front passing the quarter pole. Maintaining his momentum, he stayed on up the rising ground to deny Porters. "They went very fast and when I got him going, he was getting there too soon, but I didn't want to stop as I was afraid I wouldn't get him going again," jockey Jamie Spencer said. "He has such a massive stride; a mile and a half will be no problem to him."

**HANCOCK PLEASED WITH JULY SUCCESS**

Newmarket's Managing Director Lisa Hancock issued a glowing review at yesterday's conclusion of the 2006 July Festival. Hancock commented, "We witnessed a performance of exceptional promise from Sander Camillo in the Chippenham Lodge Stud Cherry Hinton S. on Wednesday, as well as a fine run from Rajeem (GB) to win the UAE Equestrian and Racing Federation Falmouth S. Strategic Prince was an impressive winner of the TNT July S., while Les Arcs gave an outstanding display to triumph in the Darley July Cup, which has always been Europe's premier sprint, but is now becoming even more recognised worldwide. The Darley July Cup has always been one of our most important days of the year, and the quality of the field underlines its standing in the racing calendar. All in all, we have been thrilled by this year's Ritz Club July Festival and feel it has provided the perfect send-off to the old facilities at the July Course, which is set to undergo a £9-million redevelopment prior to next year's summer season. I'm confident that those racegoers who return to the July course in 2007 will be suitably impressed by substantial improvements that will have been made."

### FALLON BACKED BY O'BRIEN

Following Thursday's dismissal of his appeal to continue riding in Britain, jockey Kieren Fallon yesterday received the full support of trainer Aidan O'Brien. The Ballydoyle conditioner spoke out for his retained rider in response to the ruling by the Horseracing Regulatory Authority. "Kieren is the most unbelievable jockey we have ever had," he told *PA Sport*. "I have never known anybody who wants to win so badly, but he still puts the welfare of the horse first. It is terrible for us not to be able to use him in England. He is a master of his craft--nobody I have known loves horses as much or wants to win so badly, and that is not just one race, it is every race. With everything he rides he always comes back and explains exactly why he has done what he has done, and I find the whole thing hard to believe. Kieren has been there everyday, and losing him is like taking a wheel off. Kieren is so open and he doesn't speak to people deviously--he tries to help everyone. People should celebrate him rather than pushing him into the ground. I just hope that the most unbelievable talent we have had doesn't get destroyed." Fallon is likely to seek an injunction in the High Court following the HRA's decision, which was explained yesterday. Board Chairman Sir Roger Buckley said, "The panel's judgment was that the potential damage to racing by permitting Mr. Fallon, now charged with conspiracy to defraud in connection with the actual running of races, to continue to participate in race riding until the law has resolved the charge, outweighed the prejudice to him. We do not regard that as a disproportionate response." Fergal Lynch and Darren Williams, who also received bans last week as a result of being charged with conspiracy to defraud betfair.com customers, will appeal to the HRA. No dates have been set for their hearings.

### SPENCER TOPS JOCKEY TABLE

Jamie Spencer earned the Ritz Club July Festival Top Jockey honors at Newmarket yesterday with three wins at the three-day meeting. Britain's reigning champion jockey was also leading jockey at Royal Ascot before partnering David Junior to success in last Saturday's G1 Eclipse S. at Sandown. "It is nice after Ascot to come to the next big meeting and be leading rider," Spencer said. "I suppose, in some ways, that I'm a bit disappointed with the week because my big guns just didn't happen. Last weekend I was the underdog with David Junior. This week, I was on all the fancied ones and they got beaten, but that is the way racing goes." There was a sting in the tail for Spencer this week, however, as he has been referred to the Horseracing Regulatory Authority under the "totting-up" procedure as a result of being handed another ban during the festival. With 20 days of suspensions already against his name in 2006, he was found guilty of careless riding in a maiden Thursday, and could face a minimum suspension of 14 days from the disciplinary panel of the HRA. Ryan Moore already heads the title race, and any cumulative ban for Spencer would seriously jeopardise his chances of bridging the gap.

Lykios graduated from claiming company to bag a brace of conditions wins, at Lyon Parilly June 24 and Clairefontaine July 5, but required official intervention to record a career high in this contest. **PRIX DE THIBERVILLE cont.**

Jockey Dominique Boeuf threaded the Juddmonte colorbearer through the gaps to lead in the final 50 yards and hold the wide challenge of Penne for her first stakes success. "She's a really nice filly and I had some anxious moments up the straight," winning trainer David Smaga commented. "When she got the gap, she showed how well she can quicken and all being well, she'll probably head to Deauville for the [Aug. 17] G3 Prix Minerve."

The brown filly was settled behind the leaders for much of this affair. Coming under pressure in early stretch, she was driven to the front with 50 meters to go and was all out to hold the late lunge of Vent d'Avall (GB) (Observatory) by a short head in the bobber. The homebred, produced by a half-sister to GISW Mizzen Mast, was the fourth winner for Khalid Abdullah on the Longchamp card. Lifetime Record: 2 starts, 1 win, 1 place, €16,800. **GLAMOUR PUSS RETIRED** Waikato Stud's multiple Australian Group 1 winner **Glamour Puss (NZ)** (Tale of the Cat--Escada {NZ}, by Centaine {Aus}) has been retired and will be bred to Redoute's Choice (Aus). The six-year-old was withdrawn from consideration for the G1 Darley July Cup earlier this week. "[Trainer] Danny [O'Brien] wasn't happy with the way she came through a gallop on Monday and we didn't want to take any risks with her," said Waikato's Mark Chittick. "She is too valuable as a future broodmare, so we have made the only sensible decision to retire her to stud." Winner of the G1 Salinger S. and G1 Goodwood H. in 2005, the bay travelled to England for a pair of starts at Royal Ascot. She was beaten a length when seventh in the G2 King's Stand S. June 20 and wound up concluding her racing career four days later with a 10th behind Les Arcs in the G1 Golden Jubilee S. Glamour Puss heads to the paddocks with a record of 26-9-4-4 and earnings of over NZ\$1.4 million. "On retirement to stud she is regarded as the best sprinting mare in Australasia," Chittick added. "For that reason she deserves to be mated with the best stallion at stud in Australia, Redoute's Choice."

**RISING EAGLE TOPS INGLIS SALE** Emerald Thoroughbreds signed the A\$130,000 ticket for **Rising Eagle (Aus)** (Danehill) as the 11-year-old mare topped the Inglis Winter Thoroughbred Sale yesterday at Newmarket in New South Wales. The bay mare, a full sister to champion Ha Ha (Aus) consigned by Fairhill Farm, is in foal to Galileo (Ire). She was among 225 lots sold at the sale, which boasted a 90-percent clearance rate. Inglis Director Jonathan D'Arcy was extremely pleased with the results. "It was fantastic to see such strong competition today," he said. "Commercial breeding prospects were highly sought after with many stud masters from the Hunter Valley and interstate in attendance. The racehorse section saw strong competition resulting in an outstanding clearance." The gross was A\$1,452,300 and the average was A\$6,455.
