RIGHT UP HIS ALLEY

Flower Alley (Distorted Humor) is right at home in Saratoga. The four-year-old romped by 5 1/4 lengths in the GII Jim Dandy S. last summer and came back to beat Bellamy Road by 2 1/2 lengths in the GI Travers. He will try to run his Spa record to a perfect three-for-three in the GI Whitney S. this afternoon. "He loves this track," trainer Todd Pletcher said. "I think he is the horse to beat." Runner-up in the GI

Breeders' Cup Classic to end 2005, Flower Alley made a belated return in the June 24 GIII Salvator Mile S. and, in workmanlike fashion, posted a 3 1/4-length tally. He has been working sharply since, but takes on the tough **Invasor (Arg)** (Candy Stripes). The bay was undefeated in Uruguay, winning three Group 1 events, then headed to Dubai and was fourth in the Mar. 25 G2 UAE Derby. A 6-1 shot in his U.S. bow, the May 19 GI Pimlico Special, he outfinished odds-on **Wanderin Boy** (Seeking the Gold) by 1 1/4 lengths. The four-year-old comes into the Whitney off a 4 1/4-length decision in the July 1 GI Suburban H. "He's been unbelievable and he continues to do well," trainer Kiaran McLaughlin said. Wanderin Boy followed his Pimlico Special loss with a seven-length score in an optional claimer in the mud at Belmont June 25. **Siphon City** (Siphon {Brz}) bids for his fourth straight after taking the July 1 GII Cornhusker BC H. at Prairie Meadows by six lengths.

CHURCHILL/MAGNA JOIN FORCES IN NY BID

Churchill Downs Incorporated and Magna Entertainment Corp. announced yesterday that they have reached an agreement to collectively make a bid for the New York racing franchise. The current franchise, which expires Dec. 31, 2007, is held by the New York Racing Association. NYRA operates Aqueduct, Belmont Park and Saratoga. As MEC Chairman Frank Stronach stated during a teleconference Thursday, the two companies plan to team up with New York racing and business organizations in the bidding process. "By working cooperatively, we can improve and enhance customers' entertainment experiences at the three racetracks that make up the New York franchise," Robert Evans, CDI's president and chief executive officer, said in a press release. "Our companies have already experienced the benefits of working cooperatively, and our affiliation will maximize the contribution we can make to the future success of New York racing." Added Stronach, "It is not the goal of either MEC or CDI to control New York racing. Our intention is to provide our companies' collective expertise to a bid group comprised of prominent New York enterprises and others with the capability and desire to win the franchise and the commitment and resources needed to revitalize New York racing."

TREADING THE BOARD

All the world has been a stage for Lord Derby's famed **Ouija Board (GB)** (Cape Cross {Ire}), and the show is at Glorious Goodwood today as she lines up for the G1 Nassau S. The well-travelled mare made her last start against distaffers when runner-up in last year's GI Breeders' Cup Filly and Mare Turf. Since then, the five-year-old won the G1 Prince of Wales's S. at Royal Ascot before a luckless fifth in the July 8 G1 Eclipse S. at Sandown. "It's her only chance to race against her own sex in England, so we've taken this option before she goes back to America and Hong King later in the year," trainer Ed Dunlop commented. **Nassau S. cont. p2**

Nassau S. cont.

While **Ouija Board** has often ventured beyond distaff company, boosting her resume with wins in the G1 Hong Kong Vase in December and the G1 Prince of Wales's S. in June, she has an almost impeccable record against her own sex. In 2004, she completed the English-Irish Oaks double before annexing the G1 Breeders' Cup Filly and Mare Turf at Lone Star Park. She made light work of her rivals in the G3 Princess Royal S. at Newmarket last September when warming up for her repeat bid in the Breeders' Cup, and only the enterprisingly ridden Intercontinental (GB) could wrest away her crown at Belmont in October. Noel and Miriam O'Callaghan's **Alexander Goldrun** has also carried her class afield, winning the G1 Prix de l'Opera and G1 Hong Kong Cup in 2004. She was on top in last year's renewal of this contest and prepared for another tilt with a victory in the G1 Pretty Polly S. at The Curragh July 1. Cheveley Park Stud always put forth a strong representation in these events, relying on **Echelon** and **Nannina** here. The former has taken time to reach these heights, but looked progressive this term while winning the May 13 G3 Chartwell S. at Lingfield and the June 2 G3 Princess Elizabeth S. at Epsom. She was second to Soviet Song (Ire) in the G2 Windsor Forest S. at Royal Ascot last time June 21. Nannina's talent was more immediately visible, as she capped a profitable juvenile campaign with a defeat of Alexandrova (Ire) in the G1 Fillies' Mile at Ascot in September. Down the field on the soft going in the G1 1000 Guineas May 7, she rebounded to win the June 23 G1 Coronation S. at Royal Ascot, where **Nasheej** and **Race For The Stars** were back in third and fourth. Slow fractions may have been to blame for her second to Rajeem (GB) in the G1 Falmouth S. on Newmarket's July Course July 12, and there is no obvious pace this time. "Echelon is fairly progressive, and if she does stay, it will certainly give us a number of options in addition to all the mile races," the Stud's Chief Executive Chris Richardson told *PA Sport*. "Nannina will be carrying the first colours, but they have never been together before--we'll just have to see how they perform."

Winning Run.

Thursday's back-to-back Saratoga winners – the Bob Frankel-trained Indian Flare and Bill Mott's talented juvenile Cherokee Sheik – are among three winners in an hour for **Cherokee Run**.

Any Limit went gate to wire to break her maiden by 9 1/4 lengths at Belmont in May and made it two in a row in an optional claimer in the mud June 4. The bay battled Indian Flare on the front end before prevailing by a gallant neck in her latest try June 30 and takes her first Grade I test here. Trained by Hall of Famer Allen Jerkens, who won this race with November Snow in 1992 and Society Selection in 2004, she will be joined in the gate by stablemate **Swap Fliparoo**. That filly comes off a second-place finish in the July 3 GII Genuine Risk BC H., where she was beaten a half length by the older Behaving Badly. **Hello Liberty**, on the board in all eight starts, bested **Win McCool** by a neck, with Swap Fliparoo back in third, in the May 6 GII Nassau County BC S. She was beaten a neck when runner-up in the June 10 GI Acorn S. last time out. **Wild Gams** capped a three-race winning streak with a 3 1/2-length tally in the GIII Cicada S. at Aqueduct in March. Freshened after that performance, she changed tactics for the June 9 Queen of Song S., but tired badly after leading early and finished last. Taken off the pace for the July 8 GI Prioress BC S., she finished with a flourish to run second by a neck to Wildcat Bettie B, with **Livermore Valley** closing for the show spot.

CORONATION WINNER TESTS POSITIVE

Cheveley Park Stud's **Nannina (GB)** (Medicean {GB}) could be stripped of her success in the June 23 G1 Coronation S. at Royal Ascot after a positive post-race drug test. Trainer John Gosden revealed that the three-year-old, who will run in today's G1 Nassau S. at Goodwood, was found to have a trace of a "routine" drug in her system after her success in the mile contest. "She was on a well-established routine of veterinary treatment prior to the race," Gosden told *PA Sport*. "It was nothing particularly out of the ordinary at all, it was run of the mill. At the moment, it appears that a tiny trace of that may have remained in her system, but that is on one test and there now has to be another one done. [The medication involved] is something that is routinely used...and it is very strange that, with the long withdrawal period, it has stayed in her. It is a little bit of a mystery right now. It is certainly nothing nefarious and it is a pretty mundane thing, but it is still obviously particularly worrying." The Horseracing Regulatory Authority will nominate a laboratory for the second test, which, if positive, would mean certain disqualification and the awarding of the race to Jaber Abdullah's runner-up **Flashy Wings (GB)** (Zafonic).

Saleh Al Homaizi and Imad Al Sagar watched their Araafa (Ire) finish fourth in Tuesday's G1 Sussex S., but they gained quick compensation courtesy of Hamoody. With just a Newmarket conditions win behind him, the chestnut faced a stiff test, but the market spoke for him and the 5-6 crowd's choice knuckled down to grind out a head success from Bodes Galaxy. "He will keep improving, as he's still a baby," conditioner Peter Chapple-Hyam commented. "I think he's very good, but he's still immature and needs to learn a lot. When he does, you'll see a serious horse." Hamoody's reputation preceded his debut at Newmarket's July meeting, and he justified the hype with a fluent success, despite racing fiercely without cover early. That scenario unfolded again here as Bodes Galaxy rushed across from his wide post to take command and leave the favorite exposed. Despite his exertions, Hamoody had enough in reserve to tackle the long-time leader inside the final eighth and pull out extra for Alan Munro in the final 50 yards. "I wasn't happy, as we were going to drop in, but he hit the gates so well and the horse we were going to follow left us on our own," Chapple-Hyam said. "He needs cover and, when he gets it, he switches off and he's a far better horse. The second horse is a very tough horse, but [Hamoody] is as honest as the day is long. We'll probably give him a break now and let him mature a bit more. We'll wait for the G1 Dewhurst S. [at Newmarket Oct. 14], which will probably be his next race." Stormy Kiss overcame a slight stumble at the break and held off a surging Malibu Mint for her first U.S. stakes score. The four-year-old filly won five of her six starts in her native Argentina, including a Group 1, and closed her South American campaign with an eight-length romp in Group 2 company nearly a year ago. After opening her U.S. account with a fifth-place finish in the May 20 Sweet and Sassy S. at Delaware Park, she wired the field in an optional claimer at Belmont June 14. The dark bay went to the front in her latest, the July 3 GII Genuine Risk BC H., but faded late to be third, 1 3/4 lengths behind Behaving Badly. Sent to the lead again after her early misstep, Stormy Kiss battled Miss Elsie through a half in :45.85 and was all out to hang on to the wire. "I would love to run her here once more," trainer Barclay Tagg said. "I think...she could settle into that stride and stretch out without any problem. She's a good filly, and we'll think about the Ballerina [Grade I, seven furlongs, Aug. 27]." [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). Also Ran: Short Dance, Spinning Queen (GB), Illuminise (Ire), Nidhaal (Ire), She's My Outsider (GB), Dark Missile (GB).

Red Evie has the winning habit and refuses to let go, racking up victory number six in this competitive contest. She has continued to climb the ladder at three and has been faultless in every start, handling maiden, handicap and conditions company alike before her stakes debut in the Listed Sandringham S. at Royal Ascot last time June 21. On that occasion, she rescued what seemed a hopeless cause with her trademark acceleration to cut down the smart La Mottie (GB) in the closing stages. That weapon was called upon again here by Frankie Dettori as she floundered in rear when the pace picked up early in the straight. Finding top gear to pass every rival from the outside, she cut down Makderah in the final 75 yards for an ultimately snug score. "She's crying out for a mile and took almost all of the mile at Ascot to win," trainer Michael Bell said. "She is effective at seven, but she's an amazingly consistent filly who does nothing at home and just goes through the motions. She's got a very good turn of foot and will go for the G1 Matron S. [at Leopardstown Sept. 9]." [Click for the Racing Post race chart.](#)

Thoro-Graph Race of the Week
by Jerry Brown

Sunday, Monmouth Park

HASKELL INVITATIONAL H.-GI, \$1,000,000, 3yo, 9f
PP HORSE SIRE ODDS

1 **Flashy Bull** Holy Bull 5-1

Got going early last year, and improved some this year. His Ohio Derby looks better than it was because he had a rail trip (1w1w, upper left), and got serious weight from the winner. This colt would need to improve a lot to make an impact here, and since McLaughlin horses don't usually develop through a campaign, that's unlikely.

2 **Awfully Smart** Anees 10-1

Showed ability last summer before presumed soundness issues sent him to the sidelines, and showed normal improvement in his first three starts off the layoff. His last, however, was another story--he jumped forward to a figure that would put him right in the thick of things if he can repeat. But one that was a 7-point new top, and 11 points better than he ran as a juvenile. Coming back on three weeks' rest, we would normally expect a bounce, but this barn has been getting some "awfully" big numbers recently, so who knows?

3 **Strong Contender** Maria's Mon 5-2

Ran a big one for a summer two-year-old, which set him back, a big one on his return, which set him back, and then finally cycled to a huge one last time to win the Dwyer. A repeat of that would make him a very likely winner, but another reaction is much more likely. Vulnerable, an underlay as one of the favorites.

4 **Little Cliff** Gulch 20-1

Jumped way forward in his final start last year, but hasn't been able to break through that level despite many shots this year. His short-term pattern is decent and there's a pretty good shot he'll do it now. But he has many lengths to make up, regardless.

5 **Praying For Cash** Songandaprayer 8-1

Ran well when fresh both last year and this, but hasn't developed an inch since his seasonal debut, and only won the local prep because he saved ground on both turns. This barn has been going absolutely nuts, as it did for a while last summer, but this colt is about 3 points (almost six lengths at this distance) short of being a real contender here, and nothing in his pattern suggest that kind of jump, especially in his third start in six weeks.

6 **Victory Lake** Victory Gallop 30-1

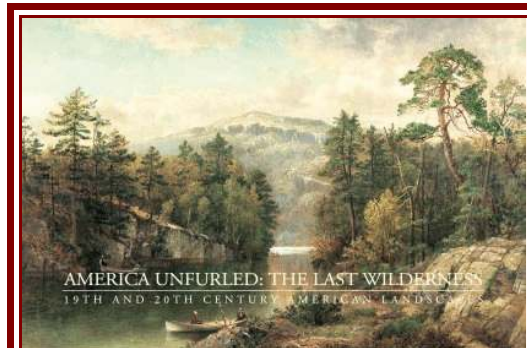

Is a classic late-developing Victory Gallop--his runners TGI improves almost 9 points from ages two to four, while average for the breed is 6. This one didn't do much at two, but his last two were much better than they looked--in the Long Branch he actually earned a much better figure than the winner due to ground loss. It's tough to know what he'll do off the new top and only three weeks' rest, but the Goldberg barn has been on fire, and this one is live for a piece of this at a big price.

7 **Deputy Glitters** Deputy Commander 4-1

Like Strong Contender, has a perfect record of reacting following big efforts, although in this case the bounces may have been exacerbated by slop in some cases and by the distance of the GI Belmont S. This is another barn that is doing very well, but since this horse ran the best race of his life last time and comes back on only three weeks' rest, we have to play for history to repeat itself, and a bounce.

8 **Electrify** Delaware Township 10-1

Shows a very interesting pattern of cycling towards and away from big efforts at about three-month intervals. In late April he cycled to a real eye popper at Calder before bouncing as expected. That forward move last time indicates he may be cycling back around again, at a big price. A return to his top would make him very strong here, and even something a couple of points off that would probably hit the board.

Race of the Week cont.

9 Bluegrass Cat Storm Cat 2-1

Ran well early, like many Storm Cats, and hasn't improved that much since--compare Storm Cat's sire profile to that of Victory Gallop. Other than one non-effort over a quirky Keeneland strip, this colt is very solid if not spectacular, and he actually earned the best figure in the GI Belmont S. when we took into account his 5w trip. Pletcher will have him ready, so it's hard to see him not hitting the board here, but given the outside post and number of horses with similar figures, it's tough to take a short price on him to win.

BOTTOM LINE: Several of the horses that will take money don't have to run well here. **Electrify** looks like a good key, **Bluegrass Cat** is solid, and the Goldberg horses could be interesting at the prices.

Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. Cherokee Jewel posted a 12-1 upset in her Feb. 12 debut at Gulfstream Park, winning by a solid 3 3/4 lengths, then suffered her lone career defeat to date, going down by a head in a turf sprint in Hallandale Apr. 7. Returned to the main track for her next, she made good on a promise of 3-5, scoring by 2 1/2 handy lengths at Monmouth June 8 and prepped for this with a six-length success at 1-5 July 13. The second choice in a competitive field, Cherokee Jewel was checked in a tight spot shortly after the break and raced unhurriedly at the back of the pack. She was able to save ground on the turn, got through a huge gap along the inside in the stretch and outfinished Khalila for the win.

A disappointing fourth in the GI Ashland S. last April, Summerly put that performance behind her emphatically, taking the GI Kentucky Oaks in front-running fashion the following month. Third to Smuggler as the favorite in the GI Mother Goose S. at Belmont Park June 25, 2005, the chestnut was last seen finishing runner-up to the subsequent champion three-year-old filly in the GI CCA Oaks July 23. Scratched from last weekend's GI Go For Wand H., the Winchell runner was the second choice in a small, but high-quality field. Racing with front wraps for the first time, Summerly jumped the gates and led into the first turn, as favored Yolanda B. Too was angled off the rail to track from the outside. Allowed a leisurely time of it on the front end, Summerly repulsed a bid from Yolanda B. Too at the head of the lane and held sway. [Video, sponsored by Taylor Made.](#)

The 7-2 third choice trying two turns for the first time, the Subotnick homebred bobbled soon after the start, but recovered to dictate a reasonable pace along the inside. Challenged briefly by Hunter's Tale (Jad Hunter) on the turn, he kicked clear into the stretch and reported home two lengths to the good. Lifetime Record: 3-3-0-0, \$82,200.

RED ROCK CANYON (IRE) (Rock of Gibraltar {Ire}) ships in for this maiden, which has Chester House, Enrique (GB) and Opera Cape (GB) on its recent honor roll. Michael Tabor's colt is the second foal of the 2001 G1 Irish 1000 Guineas and G1 Epsom Oaks heroine Imagine (Ire), making him a close relative to Horatio Nelson (Ire). He found only the subsequent Listed Tyros S. winner Teofil (Ire) too strong on debut at The Curragh last month and it will be a surprise if he does not go one better for Ballydoyle here, despite the presence of Anna Doyle and Theresa Marnane's **Romanov Dynasty (Ire) (Green Desert)**. He was runner-up to Hamoodly on debut at Newmarket's July festival and represents the Richard Hannon stable successful three times since 1996.

4.50 Galway, Mdn, €19,820, 2yo, 1m 100ydsT
ABIDE WITH ME (Danehill) made his debut in the G3 Anglesey S. at The Curragh last month and, despite finishing seventh, ran with credit over that extended six furlongs. Susan Magnier's son of the 2000 G1 Moyglare Stud S. winner Sequoyah (Ire) is a half to this year's G1 Irish 1000 Guineas and G1 Prix de Diane third Queen Cleopatra and is stepped up two panels by Aidan O'Brien, who has saddled three of the last four winners of this race. He meets Ronan Lambe's **Blue Coral (Ire) (Grand Lodge)**, who was third behind Teofilo (Ire) and Red Rock Canyon (Ire) at The Curragh on debut and represents the Dermot Weld stable responsible for six winners since 1991.

Crosspeace captured the opening race of this meeting when winning the handicap as the heavyweight Tuesday and was back for more with the Mark Johnston barn in flying form. Tuesday's success was Crosspeace's first since ploughing through the mud to win the Listed Serlby S. over a mile and a half at Doncaster in November, a victory which ended a dry spell that started after he won over seven furlongs at Newmarket last May. As tough as he is versatile and durable, he stalked the early pace before playing his cards early in the straight. Grabbing Foxhaven with a quarter mile remaining, he gave extra for Royston Ffrench's urgings to hold on to his hard-earned advantage. "I like to back them up and run them again down here, and maybe we've been a bit complicated with this horse in the past, thinking he needs to weave through big fields," Johnston commented. "I reminded Royston that he won over a mile and a half on heavy, making all, so he just needs a test of stamina. He's totally game and genuine and is always thereabouts, so we'll now start looking at group races."

Sir Mark Prescott specialises in backing up his in-form horses and took advantage of Spectait's well-being to win three races in the space of a week last July. Finishing his sophomore season with a fourth in a Haydock handicap in August, he returned to win a handicap on Kempton's Polytrack May 24 before finishing runner-up on soft ground at Sandown May 29. Stepped up markedly last time, he produced a career-best to run fifth behind Echo of Light (GB) in the July 15 G3 Summer Mile back on the all-weather at Lingfield. Settled behind the leading group throughout the early stages, he made his move inside the final quarter and hooked up with Dunelight soon after. Despite veering left away from that rival, he got on top with 150 yards remaining before drawing clear under a drive from Seb Sanders. "He just wandered about a bit, but that's the way he is and the second horse took a fair bit of getting past," Sanders said. "He was trying to run to the middle of the track and, rather than fighting him, in the end I decided to just let him go that way. When I gave him a crack with my right hand, he found a length and got the race under control quite quickly."

Newmarket, 7.55, Cond, £11,000, 2yo, 7fT, 1:26.16, gd/fm.

TOBOSA (GB) (c, 2, Tobougg {Ire}--Sovereign Abbey {Ire}, by Royal Academy), successful at Yarmouth on his latest start July 18, was hammered down to 2-5 and settled behind the early pace. Taking over at the quarter pole, the 34,000gns TATOCT yearling was driven out to bridge the gap to his rivals and responded by putting eight lengths between himself and Audit (Ire) (Fusaichi Pegasus) at the line. Lifetime Record: 3-2-0-0, £11,712.

SOMERSAULT (GB) (f, 3, Pivotal {GB}--Rash {GB}, by Pursuit Of Love {GB}), a last-out second at Newmarket July 21, tracked the leading pair in third from the outset of this. Pushed along for her bid at the two pole, the 7-1 chance led approaching the final eighth and kept on well thereafter to safely hold Hunters' Glen (Bahri) by 1 1/2 lengths. Lifetime Record: 3-1-1-0, £8,018.
