LOST IN THE FOG HAS TERMINAL CANCER

Lost in the Fog (Lost Soldier--Cloud Break, by Dr. Carter), the 2005 Eclipse Award winning sprinter, has been diagnosed with a total of three tumors in his abdomen, and his condition as described by Dr. Don

Lost in the Fog and trainer Greg Gilchrist *Horsephotos*

Smith, DVM, is "terminal." After first discovering what was believed to be a cancerous mass in his spleen, doctors at the University of California at Davis yesterday introduced a laparoscope into the four-year-old colt's abdomen and discovered that the cancer had in fact spread. Dr. Smith indicated

that one egg-sized tumor was discovered in a ligament suspending the spleen within the abdomen, but a second, more serious mass, the approximate size of a football, was observed high in the abdomen along the roof of the back and was located in a position that is inoperable, Smith said. During a national teleconference and speaking from his barn at Golden Gate Fields, trainer Greg Gilchrist indicated that **Lost in the Fog** would be returned to the barn as early as today for a period of 10 days to two weeks. "I think we'll bring him back here and we'll keep him here and then the inevitable is going to happen," he explained. "It would not be the right thing to do to prolong the horse's life. We're just going to make him as happy as we can for a while." **Cont. p8**

STRONG, SO STRONG

In a brief ceremony held at 12:30 p.m., just before the Deauville August Sale got underway, the management of the newly-created French sale company unveiled the name under which business will now be conducted. It is **ARQANA** and it certainly brought positive vibrations as business proved very strong on the first day of the sale in Normandy. Foreign buyers were very active in the market and Sheikh Hamdan bin Rashid al Maktoum secured three of the top five lots, all fillies, which overall sold much better than the colts, with the top-priced colt equalling the price of the fifth-best filly. **Cont. p2-3**

PINING FOR A GRADE ONE

Trainer Shug McGaughey and the Phipps family teamed to win the GI Alabama S. in 1994 with the enormously talented **Heavenly Prize** and, while **Pine Island** (Arch) has a ways to go before being mentioned

Pine Island chases home Wonder Lady Anne L in the CCA Oaks *Adam Coglianese*

in that company, the homebred rates the marquee in the meet's crown jewel for sophomore distaffers. The dark bay won her first two career starts, then nearly negotiated the hike to Grade I company, finishing three-parts of a length behind **Bushfire** in the GI Mother Goose S. July 1. She came with a sustained run from last in the GI CCA Oaks going today's distance at Belmont July 22,

missing by 3/4 of a length to **Wonder Lady Anne L** (Real Quiet), but should move forward this afternoon. "I'm hoping she's learned something off her last two races and can put it all together here," McGaughey commented. "She didn't break good in the Mother Goose and she just ran spotty in the last part of the Coaching Club," he added. McGaughey seeks his fourth Alabama victory overall. **Adieu** (El Corredor), winner of the GII Spinaway S. at this meeting last year, whistled home to take the GII Delaware Oaks July 15 and can upset here with the right trip.

Good pedigrees were in demand as Angus Gold explained after signing the ticket for the top lot of the day, hip [93](#), a Monsun (Ger) filly who is a sister to three German Classic winners. She was consigned by Haras du Mezeray and was knocked down for €750,000. "There are very few opportunities to find such a good pedigree in a yearling sale and we didn't want to miss it," he said, adding, "The filly is obviously immature, being a late foal, and on the small side, and

Lot 93

will need time. She is a jewel, walked well and will now be turned out on the farm before being sent into training. Obviously she will stay and there is no rush. Where she goes into training is entirely Sheikh's Hamdan decision, but he usually sends horses bought in France to French trainers." Sheikh Hamdan didn't waste time to secure two other beautiful pedigrees, going

to €600,000 for hip [125](#), a daughter of Diesis (GB) out of G2 winner Turtle Bow (Fr) consigned by Haras d'Etream; and to €500,000 for hip [144](#), from the same Etream consignment, by hot sire Elusive Quality. Out of a sister to G1 winner Anabaa Blue (GB), she is from the superb family of Urban Sea, Galileo (Ire), Black Sam Bellamy (Ire) and King's Best. Of the 137 horses which went through the ring on a bright sunny afternoon, 106 sold for a gross €14,256,000 at an average of €134,491. "We will not draw comparisons now," explained Olivier Delloye of ARQANA. "The format is new, with the sale starting on a Friday afternoon, and we sold more horses today than Agence Francaise did last year on its first day. But we are certainly very pleased with the results. The percentage of horses sold was high and there was a strong demand, for a first day that is very positive and excellent. The demand was especially good for the top horses and we had active buyers from all parts of the world. We could not be more pleased with this start.

"The new format seems to please buyers and for us it is most satisfactory. One figure talks: we sold 19 horses for €200,000 or more on that first day and last year only 13 went over that price in four days. Also, we sold 5 for €500,000 or more today when only 2 sold for more throughout last year's sale. On Sunday evening we will know precisely where we stand." ☆ HIP HAPPENINGS ☆

Hip **175**, f, **Monzun (Ger)--Guanhumara (GB)**, by **Caerleon**
Consigned by Haras du Logis

Gentlewave (Ire) was a high-profile Monzun graduate to stamp his class on the 2006 Classics and this filly is a half to the listed winner Smart Ridge (GB), out of a half to Cadeaux Genereux (GB). This is a family packed with speed, including Ya Malak (GB) and Dominica (GB).

Hip **182**, f, **Fasliyev--Jiving (GB)**, by **Generous (Ire)**
Consigned by Haras du Quesnay

For those wanting to invest in a great family, this filly's dam is a sister to Hasili (Ire), the top Juddmonte mare who has produced Dansili (GB), Banks Hill (GB), Intercontinental (GB), Heat Haze (GB), Cacique (Ire) and the promising group-placed three-year-old Champs Elysees (GB). This is also the family of Group winner Three Valleys and multiple GI winner Leroidesanimaux (Brz).

Hip **210**, f, **Montjeu (Ire)--Pourquoi Pas (Ire)**, by **Nordico**
Consigned by Chevington & Levington Studs

One of 10 yearlings in the sale by Montjeu, this filly is out of the 1995 G2 Premio Lydia Tesio winner Pourquoi Pas (Ire), who was later third in the GI Ramona H. This is the smart American family of the top-class Island Whirl.

Hip **226**, c, **Dalakhani (Ire)--Straight Lass (Ire)**, by **Machiavellian**

Consigned by Haras d'Etreham

This sale acts as the launching pad for the first yearling crop of His Highness the Aga Khan's brilliant 2003 G1 Prix du Jockey-Club and G1 Prix de l'Arc de Triomphe winner Dalakhani. This colt, from the outstanding Ballymacoll family of Pilsudski (Ire), received a significant update in April when his half-brother and today's G2 Prix Guillaume d'Ornano contender Barastraight (GB) took the G3 Prix la Force.

What appeared on paper as a clash between evenly matched fillies turned into a laughter, as GI American Oaks winner Wait a While waltzed to a handy victory over Lady of Venice. Despite breaking her maiden on the turf last fall, the attractive gray filly returned to the main track this year, resurfacing from a three-month absence to roll home by 14 lengths in the GII Davona Dale S. at Gulfstream Feb. 4. Third in the GII Bonnie Miss S. Mar. 5 and runner-up in Keeneland's GI Ashland S. Apr. 8, she finished fourth, but was placed third, in the GI Kentucky Oaks May 5. The wire-to-wire winner of the GIII Sands Point S., rained off the Belmont lawn June 3, the Todd Pletcher runner decimated a quality field by 4 3/4 lengths in the July 2 American Oaks. Blessed with more tactical speed than her French-bred rival, Wait a While went after pacesetting Diamond Spirit (Holy Bull) approaching the stretch and was never threatened. "It was a dominant performance," the winning trainer commented. "You don't see horses in turf races dominate as often as she has. She is one of those special fillies that can do a little bit of everything." [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). Behaving Badly successfully defended her title in this event, maintained a perfect record at Del Mar and made trainer Bob Baffert the all-time winningest trainer by stakes at the Seaside oval. After taking this event in just her third career start last season, the New York-bred lost her next two before taking a Hollywood allowance in December. The easy winner of the GI Santa Monica H. at Santa Anita Jan. 29, she added wins in the GIII Las Flores H. Feb. 25 and the Apr. 7 Bug Brush S., but was upset as the odds-on favorite by stable-mate Pussycat Doll in the GI Humana Distaff H. at Churchill May 6. She righted the ship in her latest, defeating subsequent GI Test S. winner Swap Fliparoo in the GII Genuine Risk Breeders' Cup H. at Belmont July 3 and was a warm item to make it six out of her last seven. Displaying her customary gate speed, Behaving Badly cut out quick splits of :22.20 and :44.68, widened on the lead in upper stretch and remained well clear as longshot True and True ran up into second. bine, the dark bay ran with credit in the GI American Oaks Invitational at Hollywood July 2, losing second in the waning strides. She will be well suited in today's cutback in distance, although Corey Nakatani,

who had the call in the American Oaks, has opted for **Foxysox**, winner of the GIII Senorita S. in early May. **Attima**, eighth as the 5-2 second choice in the American Oaks, took the field wire to wire to post a 1 1/4-length victory over **Sol Mi Fa** in the GII San Clemente H. going a mile July 29, but is drawn wide and could face a much tougher time of it on the front end this afternoon. **Take the Ribbon** was beaten a nose in Churchill allowance company June 15, but punched her ticket to this with an impressive four-length victory in the July 16 Heavenly Cause H. beneath the Twin Spires.

Upgrading this contest to Group 2 status has been met with a pleasant response. **Caradak** will start at short odds to continue Godolphin's recent hot streak and the former John Oxx trainee lines up off a July 21 course-and-distance conditions win, his debut in the all-blue silks. He progressed through the ranks last year, winning the G3 Minstrel S. and G3 Desmond S. en route to a second in the Oct. 1 G1 Prix de la Foret at Longchamp, his penultimate start. The Godolphin colorbearer aims to become the operation's first winner in this race since Lend a Hand (GB) in 1999. "He was a little bit rusty first time out [this year] and needed it," explained Racing Manager Simon Crisford. "He's improved for that run, but it's a really tight race. He has form on soft ground, but wouldn't want too much rain." **Jedburgh** won this year's renewal of the G3 Minstrel S. at the Curragh July 16 and was let go at 40-1 when second to Iffraaj (GB) last time in the Aug. 1 G2 Lennox S. at Goodwood. He finished ahead of **Etlaala**, **Jeremy** and **Mac Love** in that spot, but will be much shorter odds here.

Carlotamix, who was rated France's top juvenile of 2005 after plundering the Oct. 30 G1 Criterium International at Saint-Cloud, has an opportunity to rebuild his reputation while making his third start of the season here. Freshened after finishing sixth in the Apr. 23 G3 Prix de Fontainebleau at Longchamp, he returned with a second in the Listed Prix de Tourgeville over a mile here Aug. 5 and goes beyond that trip for the first time in this. He bids to give Andre Fabre a first success since Val Royal (Fr) in 1999. **Barastraight** graduated from a pair of provincial scores and propelled himself to the upper echelon of domestic sophomores when landing the G3 Prix La Force at Longchamp Apr. 23. He then ran 11th, although not beaten far, in the June 4 G1 Prix du Jockey Club at Chantilly. He is another seeking redemption and returns from an 80-day break. **Sudan** has hit the board in four straight stakes races, earning a lifetime-best when third in the 12-furlong G1 Juddmonte Grand Prix de Paris at Longchamp July 14, but drops to the shortest trip of his career. **Boris de Deauville** complemented his win in the May 10 G3 Prix de Guiche at Chantilly with a close-up seventh in the G1 Prix Jean Prat back there July 9. **Kachgai** is making gradual progress and attempts a career high off a victory in the Listed Prix Pelleas at Chantilly July 9.

Lost in the Fog cont. from p1

Despite being sent to the clinic only earlier this week for what Gilchrist thought was a mild case of colic, Dr. Smith suggested that the recently discovered cancer in the spleen and now in the abdomen had likely been present much longer. "It could have been anywhere from a few months--probably a minimum of four months--all the way up to a year," he said. Gilchrist said that he began noticing changes in the horse a little more than a week ago. "He started going off his feed sporadically, his temperature was consistently elevated by half a degree and he started to lose some of his aggressiveness," the conditioner related. "Then he spiked a temperature last Sunday and that's when we sent him to Davis." Dr. Smith and Gilchrist both hastened to emphasize that Lost in the Fog is not in any acute pain and has responded well to treatment. The doctor likened Lost in the Fog's condition to a stomach ache. Gilchrist added, "If this were a human, he's the kind of guy you'd like to be around." The trainer, who is scheduled to attend the sales in Ocala next week, said that he would definitely be back in Northern California "when the inevitable happens." He suggested that owner Harry Aleo may or may not be in attendance. "Harry's a tough old guy, but I think this is really bringing him to his knees," Gilchrist commented.

A Warrior Wins an Eclipse...

The dark bay became something of a rock star in 2005, winning his first 10 career starts at seven different racetracks, including the GI King's Bishop S. at Saratoga. Seventh as the 3-5 chalk in the GI Breeders' Cup Sprint, he was defeated in his seasonal debut in the Apr. 22 Golden Gate Sprint, but bounced back to win the June 3 GIII Aristides Breeders' Cup H. at Churchill Downs. He was most recently ninth in the GII Smile Sprint H. at Calder July 15. Gilchrist said the tumors could have played a role in the subpar performance in South Florida. When asked what Lost in the Fog has meant to Gilchrist, he answered simply, "I don't train too many Eclipse Award winners."

Adam Coglianese

What a warrior, this horse. I've never had a horse that's come close to this." Ironically, a news conference was to be called this past Monday to announce Lost in the Fog's retirement. Quarter cracks were not healing fast enough to make this year's Breeders' Cup Sprint, *Daily Racing Form* reports.

What They're Saying At The Sales...

Charles Henri de Moussac, Haras du Mezeray, consigned the top price on the day:

"That is a good sale and she went for slightly more than what we expected. But overall good pedigrees sell well and I am not that surprised. There is a strong demand for that type of yearling and we can see that fillies from good families sold very well today. Indeed we had a lot of potential buyers inspecting the yearlings the days before the sale and many asked to look at fillies only, which is quite unusual. The new format is good. To start the sale on a day without racing gives plenty of time for people to look at the horses and the atmosphere seems much more relaxed. The business is good, few horses bought back and a lot of bidding on most of the horses. That is excellent for the new company and it will boost everyone's confidence."

Tim Richardson, Haras de Fresnay le Buffard, consigned the top price colt on the day:

"I am delighted with the sale of this yearling and delighted that he will stay in training in France with Richard Gibson. We liked him a lot, good mover, good walker and he sold for the right price. The sale is strong, solid and there are a lot of buyers looking for good animals."

Belinda Strudwick, Ballygalon Stud, bought the fourth highest priced filly:

"I just love Deauville, I come every year, everything is so nice about Deauville, it is an early sale, everyone is relaxed, the food and the wine are wonderful. This filly had all the right credentials, being by Green Desert with a top class pedigree. I will race her in England and then breed her, possibly to Aragorn (Ire), the good horse that I race in America with Neil Drysdale. Last year I bought a Sadler's Wells filly here, she is in training with Henry Cecil and doing well and we hope to run her at the back end of the season."

Crispin de Moubray, bloodstock agent, bought the third highest priced filly:

"I have bought this lovely filly for a new syndicate of owners. They are not new in the game but they never had horses in training in France and the filly will probably be sent to André Fabre. She comes from a top German family and Galileo (Ire) has proved himself as a sire. The market is very strong for well-bred fillies and I was the underbidder on the Diesis (GB) filly that sold for €600 000 to Sheikh Hamdan. So I am very happy to have bought this one, I thought that she is a very racy type."

John Messara, Arrowfield Stud, bought Hip 52 for €115,000:

"I have always had good links with France, but this is the first time I've bought a yearling and I have to say that I just love this sale. This is a debut for Arrowfield Stud in France and the filly will go into training with Pascal Bary. This way I have opened my account in France."

Georges Rimaud, President of the new sale company ARQANA and racing manager to HH Aga Khan who bought Hip 64:

"We liked that colt and it is our way to support this sale, our stallion Dalakhani (Ire), and therefore show to the breeders that we are capable to participate. To show them that we are there to help them when necessary and not only there to take the dividends."

Teddy Grimthorpe, racing manager Juddmonte Farms, bought Hip 10:

"This colt is a racy, athletic colt, very reminiscent of his sire Oasis Dream (GB). Prince Khalid Abdullah loves Deauville, he has always supported this sale and is pleased buying something by his own stallion."

Stephens Breeders' Cup S. in June, Songster was upset at 1-9 by **Court Folly** (Royal Academy) in the GII Amsterdam S. July 31. Henny Hughes went five furlongs, also on the main track, in :59.56, the quickest of 23 works and nearly a half-second better than the second best move of the morning turned in by **Funny Cide** (1:00.03). Customarily a fast horse in the morning, yesterday was no different. "This was a pretty fast work," commented trainer Kiaran McLaughlin. "There's no settling this horse. He runs fast and trains fast."

The recent honor roll of this race includes subsequent Classic winners Rodrigo de Triano, Lammtarra and Haafhd (GB). Dubai's Touch will bid to become the latest to reach higher levels after scoring in determined fashion. Successful twice in his first four starts on the Northern circuit, he ventured south to finish third in the July 13 G2 July S. at Newmarket and again in the G2 Richmond S. at Goodwood Aug. 4. Positioned on the shoulder of the leader from flagfall here, the joint favorite took over from Pires (GB) (Generous {Ire}) at the quarter-mile marker, but idled once in front. He was gathered together by Joe Fanning at the eighth pole and found abundant reserves in the closing stages to win a shade cozily. "We stepped him up a furlong from Goodwood as that was a bit sharp, and I think it suited him," said Dierdre Johnston, trainer Mark Johnston's wife. "I'd like to think he'd have a great chance if we took him to a group race over seven [furlongs]."

Racing just behind the pace in third here, the \$1,100,000 KESEP yearling was angled off the rail to squeeze through a gap at the three-furlong marker, took it up just inside the quarter pole and was ridden out for a 3/4-length tally over Camrose (GB) (Zafonic) as a 7-4 chance.
