'PINE' LANDS IN WINNER'S CIRCLE

Pine Island (Arch) came charging down the lane to defeat **Teammate** (A.P. Indy) by 1 1/4 lengths in yesterday's GI Alabama S. at Saratoga.

Pine Island & Teammate
Adam Coglianesi

The Phipps Stable colorbearer was eighth early as Teammate led through a half mile in :47.31 and six furlongs in 1:11.84, but saved her best for the stretch beneath Javier Castellano to deliver as the even-money favorite.

"No matter what, I wanted to make one big run with her," Castellano commented. "She's a big filly with a long stride. Today, she was pretty sharp. She broke well and she wanted to be close. She responded very well. You've got to help her a little bit when she switches leads."

SEVEN RIVALS THROWN INTO THE 'LAVA'

Multiple Grade I winner **Lava Man** (Slew City Slew), unbeaten in five attempts this season, takes on seven foes in today's \$1-million GI Pacific Classic at Del Mar.

Lava Man
Horsephotos

The dark bay boasts wins at the highest level on turf and dirt in 2006, notching the GI Santa Anita H. Mar. 4 and the GI Charles Whittingham H. over the Hollywood lawn June 10. The five-year-old was last seen annexing the July 8 GI Hollywood Gold Cup by a nose after stumbling badly at the start. "To show up and dance every dance all year long, that deserves a lot of credit," trainer Doug O'Neill told *Daily Racing Form*.

"Granted, his victories this year maybe haven't been as impressive, but knock on wood, there's been more in the tank when you get back to the barn." Lava Man finished third behind Borrego as the 3-2 chalk in last year's Classic. **Pacific Classic cont. p6**

NO SLOWING DOWN

"The best family in the world," is how agent Peter Doyle summed up Hip 182 after signing the ticket at €600,000 to top the second session of the Arqana's Deauville yearling sale yesterday. The bay filly, consigned by Haras du Quesnay, hails from the most superb of Juddmonte lines. Her dam, Jiving (GB), is a half sister to Hasili (Ire), herself the dam of top performers Dansili (GB), Banks Hill (GB), Intercontinental (GB), Heat Haze (GB), Cacique (Ire) and the promising Champs Elysees (GB). It is also the family of Three Valleys and Leroidesanimaux (Brz), whose dams are also half sisters to Hasili. "It was a rare opportunity to get into that family, and I secured her for Mr O'Rourke, who bought Plantation Stud from Lord Howard de Walden," Doyle said. "He will race the filly with Richard Hannon, who has long trained for the Howard de Waldens, so the tradition keeps going on. Kevin Buckley [manager to O'Rourke] also liked her a lot, and all Richard has to do now is win a Group 1 race. I thought that she was reasonably priced and is good value on a market where good fillies are very much in demand. Yesterday, I also bought Stormy River's sister for Mr O'Rourke, and she will remain in France with Nicolas Clement. That will be Plantation Stud's first venture in France."

WAITING ON THE EMPEROR

Likely soft going has given connections cause for concern and puts in doubt the participation of Susan Magnier's **Holy Roman Emperor (Ire)** (Danehill) in a hot renewal of today's €350,000 G1 Darley Prix Morny at Deauville. If allowed to take his chance against six other stakes winners, last week's impressive G1 Phoenix S. scorer will seek to provide trainer Aidan O'Brien with a fourth Morny trophy, following the earlier successes of Orpen, Fasliyev and Johannesburg. The last two named also used the Phoenix as a springboard to victory in this six-furlong dash. The Irish representative faces stellar opposition, with leading lights from four other countries set to lock horns. The field includes the unbeaten pair **Sandwaki** (Dixieland Band) and **Dutch Art (GB)** (Medicean {GB}).

The lightly raced Pine Island kicked off her career in fine fashion, scoring on the Gulfstream turf at 28-1 Mar. 9, then adding an off-the-turf allowance at Belmont June 8. She gave division leader Bushfire all she could handle in the July 1 GI Mother Goose S., finishing second by 3/4 of a length, and repeated that effort last out in the July 22 GI Coaching Club American Oaks, placing second behind Wonder Lady Anne L. "I thought she kicked hard the last part of it," trainer Shug McGaughey said. "She got into a good stride. I'm not sure she got to do that in the Mother Goose or the Coaching Club. Today, her running style was much improved over the other two races. I knew they had been going fast enough up front, and the track has been a little bit demanding. I was glad when she shook clear of the field because I knew she could hit her best stride." As for what's next the conditioner added, "If she comes out of this good, I'm going to take a look at the [GI] Gazelle [Sept. 9, Belmont]. The other race we'll think about is the [GI] Spinster on that Polytrack [Oct. 8, Keeneland]."

Arravale capped a big afternoon/evening for Arch, becoming his second Grade I winner on the day after this smart tally. The dark bay began her career with two straight wins at Woodbine last season, including the Sept. 11 Gill Natalma S. She closed out her juvenile campaign with a well-beaten eighth-place finish via disqualification in the Gill Mazarine Breeders Cup S. in her dirt debut Oct. 1. Back on the turf for her sophomore bow, she reported home a 3 3/4-length victress in the Alywow S. June 11, then was third in her first start outside of Canada in the GI American Oaks Invitational S. July 2. Placed in fourth for most of the way here, Arravale was swung out for the stretch drive and rallied to the front under Jose Valdivia, Jr. Take the Ribbon (Chester House) was demoted to fourth for interference in the stretch. Multidimensional found an extra gear in the straight, despite racing greenly, to bag a first stakes victory. The Niarchos homebred's debut was delayed by sore shins, but he created a stir when plundering a mile maiden by 3 1/2 lengths at Newmarket June 24 and doubled up with a narrow handicap win over the same course and distance July 27. His stakes bow did not go as planned and he never managed to land a blow in the Listed Thoroughbred S. at Goodwood last time Aug. 5, but fast ground was to blame for that defeat and he rebounded with gusto here. Restrained in a close sixth throughout, he closed under urging approaching the final furlong and quickened again close home to deny the game Boris de Deauville with plenty in hand. "He hated the fast ground at Goodwood last time and we hoped the softer conditions might help," said Racing Manager Alan Cooper. "He's a very well-bred horse, and credit goes to Henry Cecil and his team, who have done a superb job with him. Now that he's had three races in a month, we might give him a break, as we want to keep him in training as a four-year-old. There's a possibility he may run once more in the G1 Champion S. at Newmarket [Oct. 14]." [Click for the Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).

Welsh Emperor registered a belated first pattern success in the Oct. 14 G3 Bentinck S. at Newmarket and closed out last year with a second in the Nov. 1 G3 Prix de Seine-et-Oise at Maisons-Laffitte. Back this term to win a conditions event at Thirsk Apr. 22, he finished in the rear in the May 17 G2 Duke Of York S. last time out. The veteran timed his grittiest performance to coincide with the first year of this contest's upgraded status. Headbutting the gate upon exit, but swiftly out to wrest control from the pack, he was allowed to dominate through the early stages. Approaching maximum at the quarter-mile marker, he responded to Jamie Spencer's forceful drive inside the last 300 yards to repel the persistent Jeremy in game fashion. "This horse was a Group 3 winner last year, but this is our first Group 2 win," Tom Tate's representative Sarah Phillips told *PA Sport*, adding, "Mr. Tate had spoken to Jamie [Spencer] and given him his instructions, but told him the horse is a law unto himself and if he wants to, let him do his own thing. We were delighted when the rain came yesterday. The more rain we get, the better it suits the horse." [Click for the Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).

After journeying the handicap route, Admiral's Cruise broke through at stakes level when taking the July 1 Fred Archer S. at Newmarket. He came back to be third in the Aug. 4 Listed Glorious S. at Goodwood and displayed ample resolution here to prevail in a dour battle. Reserved off the pace and last of five into the straight, the four-year-old bypassed his rivals to lead at the quarter-mile marker and answered every call under a drive to hold the rallying Guadalajara. "He's done all his winning at Newbury and Newmarket, so we'll stick to the big galloping tracks," Brian Meehan told *PA Sport*. "The owner has been very patient and this horse will repay him big time. We possibly want to be a little bit careful with him this year, but he's on song, on top of his game and sometimes it's a shame to hold a horse back when he's in that sort of form. I think he could be a very good horse and there are a lot of nice things we'll be able to do with him. Maybe next year we could be looking at the Arc or something."

Returning after a successful debut in a Chantilly conditions race July 13, Charlotte O Fraise ran with credit when a close-up fourth in the G3 Prix de Cabourg at this track in her only other start July 30. Making the grade here, she emerged from the gloom and dominated the latter stages of this for a career high. Sent to the stands' side to track the leaders along the rail after a furlong, she eased into contention before seizing control with 100 meters remaining, and kept on strongly in the closing stages. "She was caught for speed in the Cabourg and seven [furlongs] was much better," said winning trainer Rodolphe Collet. "She also showed she can win on any ground and she is easy to ride and that is the sign of a good horse. We have two options. If we want the money we will go for the Goffs Million [at The Curragh Sept. 19]. If we want the glory we will go for the [Oct. 1 G1 Prix] Marcel Boussac [at Longchamp], but we will decide in time."

Frisk Me Now S. May 27, then placing second behind Flower Alley in the June 24 GIII Salvator Mile S. Park Avenue Ball notched his fifth win over this course last out in the July 23 Skip Away S. and was favored to make it two straight. Kept in a stalking second behind Sinister G (Matty G), the Char-Mari Stable colorbearer

began to rally on the turn for home, powered clear in the stretch and had enough left in the tank to hold off the resurgent duo of Survivalist and Master Command. "He wasn't able to get the lead today, but he doesn't have to be in front," trainer Jim Ryerson said. "Sitting second gave him a horse to eyeball, and he was in a good position the whole way. They were wearing him down at the end, but they weren't really coming with a big burst and it looked like he had it. He got it done." Ryerson added, "I think we might sit on him a little and wait for the [GII] Meadowlands Breeders' Cup S. [Oct. 7]. He has been running every four weeks, and he has lost a little bit of weight. Waiting might be in the best interest of the horse." [Click for the brisnet.com chart.](#) [Video, sponsored by Taylor Made.](#)

The dark bay finished second in her Keeneland unveiling Apr. 23, then went one better at Churchill, scoring by six lengths May 21. She finished a well-beaten fifth beneath the Twin Spires in an allowance June 18 prior to her tilt in Ohio. Backed as the second choice here, she rattled off :25, :48.17 and 1:11.95 fractions, with Coolwind tracking her every move in second. Coolwind came

Benoit

within even terms of the pacesetter in the stretch, but couldn't get by and had to settle for second. "She ran real big at River Downs and they called the race a no-contest," winning trainer Tom Proctor said. "I thought it was a very big risk of Mrs. Alexander to run this filly here, giving up \$60,000 [the winner's share of an Ohio-bred stakes race] to run here and try to get this filly some graded black type. We ended up making \$30,000 more, so we did good."

Last year's GI Kentucky Derby victor **Giacomo** ended a four-race losing streak with a head victory over **Preachinatthebar** in the GII San Diego H. July 22. Fan favorite **Perfect Drift** makes his third start in this race, after finishing second in the last two renewals. He heads west after finishing second in the GII Washington Park H. at Arlington July 29. "Our whole agenda was to be here, to win this race," trainer Murray Johnson told *Daily Racing Form*. "We feel like we're in great shape."

Since the turn of the century, Johannesburg, Elusive City and Divine Proportions have placed their perfect records on the line and emerged victorious in this. Though he has yet to race beyond five furlongs, Alain and Gerard Wertheimer's **Sandwaki** aims to fit that profile and will enjoy home support at the windows. Graduating from a Maisons-Laffitte conditions win May 30, the bay homebred garnered the June 15 Listed Prix la Fleche at Longchamp before defeating **Boccassini** in the G3 Prix du Bois back at Maisons-Laffitte last time July 2. "Sandwaki is well, preparations have gone as planned and the lights are on green," conditioner Carlos Laffon-Parias told *Paris-Turf*, adding, "As for the state of the ground and the trip, we'll wait and see, but it doesn't worry me. It's the class of horse that counts." Boccassini rebounded from his Prix du Bois defeat to win the G2 Prix Robert Papin bobber at Maisons-Laffitte July 23. Like Sandwaki, Susan Roy's **Dutch Art** is unbeaten and yet to be tested in excess of five furlongs.

Dutch Art has also yet to encounter soft turf, but returns from an impressive score in the G2 Norfolk S. at Royal Ascot June 22. "There would be a slight worry about the ground [and] we are in the lap of the gods. The horse is in seriously good form and deserves to take his chance in a race like this. I think he is a Group 1 horse," trainer Peter Chapple-Hyam was quoted on his official website *peterchapplehyam.com*. Chapple-Hyam also saddles **Striving Storm**, who ran second to the smart Visionario (Ire) in last week's Listed Prix Francois Boutin at this track and appears on the up-grade. Matthew Green's **Excellent Art** skipped through the mud to plunder the Listed National S. by a geared-down nine lengths at Sandown May 29 before losing his unblemished record when third to **Holy Roman Emperor** in the G2 Railway S. at The Curragh July 2. On likely soft turf, it would be folly to discount his chance.

All carry 123 pounds.

This race was inaugurated in 2004, with Whortleberry (Fr) and Pride (Fr) taking the first two renewals. **Red Bloom**, who split those rivals last year, can take the prize across La Manche for the first time. Successful in the G1 Fillies' Mile as a juvenile, she has also proved her ability at this level, winning the G2 Blandford S. at The Curragh last September. She returned for this campaign with a fourth in the May 18 G3 Middleton S. at York and was a last-out third in the G1 Pretty Polly S. back at The Curragh July 1. **Strawberry Dale** won that May 18 contest at York and rates an obvious danger, but she has not been out since. **Sweet Stream** is another Group 1 winner looking to get back on track. Supplemented to this at a cost of €7,800, the 2004 G1 Prix Vermeille winner has not started since running eighth in the G1 Hong Kong Vase at Sha Tin Dec. 11. **Satwa Queen**, winner of last term's G3 Prix de Psyche here, also returns from a lengthy break, having run second in the Listed Balanchine S. at Nad Al Sheba in her most recent out Feb. 24. **In Clover** should not be discounted and holds claims based on a fourth in the one-mile G1 Prix d'Astarte at this track July 30.

This week's accomplishment: Young riding sensation Leparoux earned his first Grade 1 victory Aug. 12 when he guided Gorella (Fr) to victory in the GI Beverly D. at Arlington Park. The 23-year-old apprentice led the jockey standings at Turfway Park over the winter and is currently riding at Saratoga.

Birthdate: July 13, 1983

Birthplace: Senlis, France

Family: Mother, Nicole and sister, Virginie

Current Residence: Louisville. Although for the next few weeks, it's Saratoga.

Of all the horses you have been around, who has been your favorite and why? Pomeroy. He was just like a friend. He listened to me and knew me. We were buddies. I call him Pom Pom.

If you could change one thing about our sport, what would it be? I don't know. This is something I don't think about.

Any pets? A dog. His name is Cee Sir, he's a chihuahua. He is my girlfriend Michelle's dog, but since he lives with us, I guess he's mine too.

What's playing on your iPod? Right now, Daddy Yankee, French techno, and the song SexyBack.

What is your favorite vacation spot? Somewhere warm. I don't ever go on vacation, so I'm not sure where exactly.

Favorite food or meal? Pasta with yellow pepper sauce. It's Italian.

What's the funniest movie you've ever seen? Le Dinner de Cons.

Proudest Moment? Becoming a jockey.

Perfect Day? To win all the races I ride in a day. That would be a perfect day.

What do you miss most about France? Family and friends; that's it.

Last Purchase? Dinner at Mare Ristorante in Saratoga. I had steak.

CONGRATULATIONS!

from Fasig-Tipton's own Grade 1 Winning Star of the Week **SHOWING UP**. The May '05 Sales Grad won the GI Secretariat S. August 12. Lifetime Record: 6-5-0-0, \$1,080,500.

It has been 45 years since the Wildenstein colors were to the fore in this and **Policy Maker** is the representative hoping to bridge the gap back to Gisors (Fr) in 1961. The six-year-old entire is a highly consistent performer at the group level and was not winning out of turn when landing the June 4 G2 Grand Prix de Chantilly. Freshened by a short break, he comes back off a fourth in the G1 Grand Prix de Saint-Cloud June 25. Last term's G1 Prix du Cadran hero **Reefscape** seeks to provide the Juddmonte/Fabre axis with a first win since Raintrap (GB)'s 1993 score. He ran second in the G1 Gold Cup at Royal Ascot June 22 before a last-out seventh in the Aug. 3 G2 Goodwood Cup. **Lord du Sud** recorded a fourth straight stakes win in the Apr. 1 Listed Prix Right Royal at Saint-Cloud, then ran second in the G3 Prix de Barbeville at Longchamp Apr. 30. He returns off a 112-day break. **Le Miracle** logged a lifetime best when taking the Listed Prix la Moskowa at Chantilly in his latest start July 27.

Juvenile champion **Declan's Moon**, undefeated in four starts at two, recorded his biggest score that year in the GI Hollywood Futurity, winning over Breeders' Cup Juvenile champion Wilko and Giacomo, subsequent winner of the Kentucky Derby. A two-length winner in his only start at three in the 1 1/16-mile GII Santa Catalina S., the Maryland-bred came out of that effort with a chip in his left knee and was sent to the sidelines. Other nagging issues kept the colt out of action until a good second, beaten only a nose by the speedy Desert Boom, in a \$100,000 optional claimer at Hollywood Park July 16. The gelding comes into this off a bullet five-furlong work in :59 flat at Santa Anita Aug. 15. Sure to have something to say about the outcome is Grade I winner **Siren Lure**. A winner of five of his last six starts, the five-year-old came from off the pace to defeat **Areyoutalkintome** by a length in the May 13 GIII Los Angeles H. at Hollywood before giving **Battle Won** all he could handle when taking the GI Triple Bend H. July 2.

TRAVERS HOPEFULS WORK **Bluegrass Cat** (Storm Cat), winner of the GI Haskell Invitational S., and **Strong Contender** (Maria's Mon), third in the \$1-million event, both breezed yesterday. The two will meet again in the Aug. 26 \$1-million GI Travers S. at Saratoga. Bluegrass Cat had his workout over the Saratoga main track, clocking five furlongs in 1:00.55 and galloping out six panels in 1:13. Stablemate **High Cotton** (Dixie Union), also bound for the 10-furlong Travers, went the same distance in company in a bullet :59.64. "Both of them looked good this morning," trainer Todd Pletcher said. "I was really impressed with the way Bluegrass Cat galloped out. He was strong." Strong Contender, trained by John Ward Jr., prepped for the Midsummer Classic on the training track at Belmont Park, going five furlongs in 1:01.08. He could be joined in the gate by stablemate **Minister's Bid** (Deputy Minister), who was second to Bernardini in the July 29 GII Jim Dandy S. in upstate New York. His connections will make a decision after a scheduled work today or tomorrow.

☆ DEAUVILLE AUGUST ☆

Market Remains Strong at Deauville...

A total of 78 horses went through the ring Saturday evening, and there was no slowing the trend nor the demand from buyers. The gross on the evening totalled €6,225,000, for an average €92,910 and a median of €70,000. The clearance rate was a shade under 86 percent on the day. Over the first two days of the sale, the overall clearance rate reached an all-time high of just over 80 percent. It is a bit too early to compare this sale with last year's figures, but the market remained strong and pleased Arqana's management. "We have kept the same diversity of buyers from yesterday and, to reach such a high percentage of horses sold on such a market, is a great feat, outlining the quality of the catalogue," said Managing Director Eric Hoyeau. "Certainly we benefited from the fact that several buyers tried without success to bid yesterday and parlayed their money on the second day. Last year's sale grossed almost €23 million and we stand at more than €20 million after two days [this year]. At this stage it looks like we are on a trend of a 25-percent increase, but all that has to be confirmed in the days to come. So far, so good."

Tears and Emotion...

Trainer Jean-Yves Artu and his wife, Carole, sold the top colt yesterday, getting €290,000 for a son of Montjeu (Ire). The first foal of Listed winner Prudence Royale, who Artu trained for his wife, the bay was consigned by Haras du Mezeray and knocked down to trainer Robert Collet. "Thank you so much," a tearful Carole Artu said to Collet after the sale. But it was not the success of the transaction that brought out the emotion. Sadly, the Artu's 21-year-old daughter Nathanaelle, a professional jockey, was killed in a terrible spill at Le Lion d'Angers just a month ago. Jean-Yves Artu explained, "When I trained Prudence Royale, I received huge offers to sell her, but always turned them down. My daughter was getting more and more involved in running the stable and riding the horses and I thought that one day she would be able to assist me full time. My idea was to keep the filly to breed from and try to have nice babies, and that my daughter would take care of and also have the possibility to ride real good horses. Everything was for her, and she is not with us anymore. We miss her so much."

What They're Saying At The Sales...

Guislain Bozo, bloodstock agent, bought Hip 179 for €170,000

"The market is tough and it is difficult to buy, especially good fillies--which is mainly what I am looking for. Yesterday I was the underbidder on the top-priced filly and on the Elusive Quality filly that sold for €500,000. I am glad I bought this one. She walked very well, looked very genuine and she is well-bred. At least she will have a residual value. I bought her for BS Racing, a Danish syndicate who first came to buy in Deauville last year and who bought five at that time. They are obviously very pleased with the quality you can find here."

Patrick Barbe, bloodstock agent, bought Hip 175 for €170,000

"I bought this filly for Shadai Farm of Teruya Yoshida and I think that she will stay in training in France. She has a good pedigree, the dam being a sister to Group 1 winner Cadeaux Genereux (GB), and Caerleon is a top-class broodmare sire. Whatever happens, being by the top class Monsun (Ger), she will be good value to breed. If she is good, then that will be a superb bonus. I think that the market is a good market, but it is not euphoric. I think that the median price of yesterday, €90,000, is not high enough to say that this is a very good market."

Thoro-Graph Race of the Week
by Jerry Brown

Sunday, Del Mar

PACIFIC CLASSIC-GI, \$1,000,000, 3yo/up, 1 1/4m

PP HORSE	SIRE	ODDS
1 Top This and That	Old Topper	20-1

Is a very sound horse that has done lots of developing, but isn't fast enough to threaten here.

2 Lava Man	Slew City Slew	8-5
-------------------	-----------------------	------------

Ran an enormous race to take last year's Gold Cup, tailed off thereafter, then came around again to run big in this year's Big Cap. Since, he's been solid, but not spectacular. On the plus side, he won't be spotting weight this time, he's fastest on his best, and his early speed helps. The negatives are that he only has the two really big ones, and O'Neill has not been getting as good figures from his runners recently. Strong contender, but tough to take at a short price.

3 Preachinattthebar	Silver Charm	12-1
----------------------------	---------------------	-------------

Is a solid horse that has taken advantage of a weak older male division out west. But he's never run fast enough to make a serious impact at level weights, and his short-term pattern is a little shaky.

4 Giacomo	Holy Bull	3-1
------------------	------------------	------------

Got good at the right time last year, but soon thereafter disappeared. Since his return he has shown no development, and in fact took three starts to get back to last year's top, not a good sign. Note that he backed up second off a layoff this past winter, and Shirreffs in general is better off layoffs than the next time. Since Giacomo would probably need a new top to seriously contend here, he's an underlay.

5 Magnum (Arg)	El Compinche (Arg)	5-1
-----------------------	---------------------------	------------

Came to this country last fall, and gave no indication of being anything special for quite awhile. This year he's a new horse, though he only got close to Lava Man in the Big Cap because he saved ground and got weight. His Lone Star effort was huge, and a repeat of that effort would give him a very big shot here. But it came in the mud, and may have taken a lot out of him. He bounced last time to his worst effort this year. This horse has good tactical speed, which helps, but it's tough to tell how long he'll be feeling the effects of the big effort two back. Contender, tough call.

6 Perfect Drift	Dynaformer	6-1
------------------------	-------------------	------------

Is not what he was at four and five, but he's still pretty solid, and gets better as the campaign goes on every year. He's also shown he can run his race shipping east to west, which many can't.

All of which makes him one of many around the same level on overall ability, and a strong contender if he picks this time to return to his best.

7 Super Frolic	Pine Bluff	8-1
-----------------------	-------------------	------------

Was a decent two-year-old that got better every year, and by the age of five was running major league figures at minor league tracks. Last summer we recommended his purchase to client Ro Parra, and he did very well in his final two starts last year before tailing off badly over the winter. Now he's coming around again, and there are a couple of things to note. First that half of his starts last year resulted in negative figures, and second that he raced on a dead rail in the Gold Cup. Horses that run on a dead rail almost always go forward next time, and this guy's got some big figures to run back to.

8 Good Reward	Storm Cat	10-1
----------------------	------------------	-------------

Has developed with age, improving his top with every campaign. Interestingly, his best race in each of the last two years has come on dirt, though he wasn't rewarded for either effort. This horse, like Giacomo, is coming off a top effort and is only a borderline contender on ability. They also both have the wrong running style for this race. There is little early speed in the race, and with the short Del Mar stretch, closers face the prospect of traffic and ground loss. Still, this one is similar in ability to Giacomo, and will be much longer.

BOTTOM LINE- Giacomo will be over bet. Lava Man is the horse to beat, but no sure thing. Super Frolic looks like the value.

Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. Finlandia started off her 2006 campaign with a fourth behind Elisa's Energy in a 1 1/16-mile \$30,000 optional claimer against state-breds at Belmont May 24 before finishing a close-up second to fellow New York-bred Sabellina in the Mount Vernon H. June 18. Without the luxury of a smooth run, the dark bay still managed to get third in her latest start in the July 15 Irish Actress S. at Belmont Park. Never far behind early pace setter Cayuga's Waters (Langfuhr), Finlandia closed on the lead heading into the final turn, angled out for the drive and drove clear late to record her first stakes victory.

3rd-SAR, \$53,000, Alw, 3yo/up, 1 1/8m, 1:50, ft. A. P. ARROW (c, 4, A.P. Indy--Garimpeiro, by Mr. Prospector) ran well in a pair of starts at the Spa for Wayne Lukas last summer, finishing a neck second in a first-level allowance July 30 before taking a similar event by a head Aug. 21. The chestnut came from behind to miss by a neck in the GII Super Derby in Louisiana Oct. 1 and was last seen finishing a centerfield sixth in the GII Clark H. at Churchill Nov. 25. Making his first appearance for this barn, the half-brother to Geri (Theatrical {Ire}), GISW, \$1,707,980; Clure (Theatrical {Ire}), SW, \$361,349; and Stage Shy (Theatrical {Ire}), GSP, \$132,901, saved ground behind strong early fractions. angled out for the drive and wore down Reverberate (Thunder Gulch) to win by a neck as the 2-1 second choice. Lifetime Record: GSP, 10-3-3-0, \$291,765.

SADLER'S TRICK (c, 3, Favorite Trick--Wild Rumour {Ire}, by Sadler's Wells), third to Point of Impact in a Santa Anita maiden Feb. 16, was fourth to subsequent GSP Simon Pure in Arcadia Mar. 2 and graduated over the Turfway Polytrack Mar. 25. Thrown to the wolves, the homebred was seventh in the GI Toyota Blue Grass S. at Keeneland Apr. 15 and was making his first start since. Trying the turf for the first time, the bay saved ground from midpack, came six wide for the drive and closed nicely to post a 1 1/4-length victory over Thunder Pass (Thunder Gulch). The winner hails from the female family of turf standouts Hap and English Channel. Lifetime Record: 6-2-0-1, \$55,330. O/B-Joseph LaCombe Stables Inc (KY). T-Patrick L Biancone.

PICKAPOCKET (c, 2, Mecke--Lady Cerise {MSP}, by Honor Grades) drew the rail for his July 30 debut and raced inside throughout, crossing the line fifth by 3 3/4 lengths before being placed fourth via disqualification. Dismissed at odds of 14-1 at second asking, the Cherry homebred took the lead and carved out a half-mile in an easy :48.96. Cut loose from there by Garrett Gomez, the bay opened a six-length margin at the eighth pole and was three lengths better than Holiday Trip (Trippi), runner-up in the same July 30 maiden. Lifetime Record: 2-1-0-0, \$31,200.

THOUGHT LEADER (c, 3, **Saint Ballado--Classy Mirage** {GISW, \$716,712}, by Storm Bird) missed by a head in a single start at Belmont Park last June 30 and returned just over a year later to run last of nine carrying these silks for the first time at Belmont July 8. The \$160,000 KEESEP yearling was coming into this off a distant runner-up effort to Rondo on the meet's opening day July 26 and was the 7-2 second choice to finally break through. Settled off the pace following a stumbling start, the half-brother to Mike's Classic (Seeking the Gold), GSP, \$304,799, rallied on the turn, checked slightly and angled out in upper stretch and took a blanket finish by a head. Favored Tawfeer (Storm Cat) was second. Lifetime Record: 4-1-2-0, \$46,415. O-Godolphin Racing Inc. B-Joseph & William Stavola Inc (KY). T-Saeed Bin Suroor.

SAM P. (c, 2, **Cat Thief--Affirmed Legacy**, by Affirmed), a \$200,000 FTKJUL yearling purchase, debuted with fifth-place effort going 5 1/2 panels at Churchill Downs July 16, but was sent off the 2-1 chalk to get the job done here. Off sharply to argue the pace inside of Glamour Guy (E Dubai), the chestnut gradually got the better of that rival late, drawing off to a 5 1/4-length success. Lifetime Record: 2-1-0-0, \$29,400. Up to challenge approaching the final sixteenth, the \$190,000 KEESEP yearling drew clear under steady urging to graduate by two lengths over 7-5 choice Sightseeing (Pulpit). TALE OF THE QUEEN (**Tale of the Cat**) closed well despite running greenly to be second in her debut going five furlongs here Aug. 3. and with her trainer Reynaldo Abreu hitting at 20-percent winners from second starters, she's hard to overlook. Johnny Velazquez gets the call on the Whitney Stable hombred. Making her debut for John Menard and Tomisue Hilbert, **DEBBIE GOT EVEN** (**Stephen Got Even**) showed plenty of zip in her latest works, including a solid four-furlong move in :48 2/5 Aug. 7. Hailing from the Nick Zito barn, the filly, who gets Lasix, will be partnered by Julien Laparoux, giving her a five-pound break. brisnet.com pps

CITRONNADE (Lemon Drop Kid), while under the care of Brian Lynch, proved too much for Woodbine maidens last time out June 10, galloping by nine lengths. Moved over to the Bobby Frankel barn for her U.S. and route bow, the filly held on for a narrow victory at Belmont July 19. She didn't get to go as a main track only candidate in Friday's GII Lake Placid S. and should benefit from the easier spot here. The Frankel barn also sends out **SKY HIGH FLYER (GB)** (**Anabaa**), who placed twice in graded stakes placed in Ireland last year. A winner going a mile at Churchill May 10, the bay finished a respectable fourth following a rough trip in her latest, the GIII Mint Julep H. June 17. brisnet.com pps

 Endless Circle, fifth in his debut going 5 1/2 panels at the Spa July 31, was only second best in favoritism for his stakes bow. Chief Officer wowed the Belmont faithful in her June 30 debut, drawing off to score by 10 lengths against state-breds. Bet down to 3-1 for the GII Schuylerville S. at Saratoga July 26, the bay set the early pace before weakening to be third by nine lengths. Allowed to track the pace from the three path, Chief Officer edged to the front under her own courage, opened up at will and was taken well in hand late.

A maiden and allowance winner at Tampa Jan. 24 and Feb. 19, respectively, Chandelle No. Five was fourth in the Apr. 8 Sophomore Fillies S. on Florida's left coast Apr. 8 and was most recently the 2 1/2-length winner of a 5 1/2-furlong turf allowance at Colonial Downs July 16. The second longest shot in this field of six, the chestnut struck the front while between horses on the turn and opened up leaving the eighth pole to score by daylight.

Marcavelly gave owner Ahmed Zayat his second stakes and third win on the afternoon and provided his sire not only with his third individual stakes winner, but also the distinction of accounting for 1-2 finishes in a pair of added-money events. Marcavelly could hardly have been more impressive in his debut, taking a six-furlong event on the Belmont turf by seven lengths and was a hot favorite to go back-to-back. Off a bit slowly and then settled near the inside by jockey Eddie Castro, raced four wide into the stretch and hit the front at the eighth pole en route to the victory. Chetten County took apart a field of Canterbury turf maidens by seven lengths June 2 before completing the trifecta in the Northbound Pride S. rained off the Shakopee turf course June 24. She made amends in her latest, taking a July 14 allowance by 6 1/2 lengths and was bet down from her morning line of 15-1 in this prep for the Gill Pucker Up S. Void of early speed, Chetten County picked it up rounding the far turn and outfinished Ladyburn for the win.

Street Sense became the fifth winner for his freshman sire (by Machiavellian) with a handy score. The Tafel homebred, from the family of Mr. Greeley, debuted with an excellent runner-up finish to a hot favorite in Unbridled Express at Churchill Downs July 9 and was the 7-10 chalk to go one better. Racing well in hand beneath Calvin Borel, the dark bay bid for the lead from between horses leaving the eighth pole and edged away to score by a deceptive 1 1/4-length margin. Izzie's Halo (Jolie's Halo) bested Piratesonthelake (Lake Austin) for second, with the duo 13 lengths clear of the fourth. The final time was three ticks faster than that of the second-level allowance one race earlier. Lifetime Record: 2-1-1-0, \$26,200. **Click for the [brisnet.com chart](#). The dark bay conceded the early lead to favored Stormy Tricia (Stormy Atlantic) and tracked from second, then ran down that game rival to win by a head on the line. Spirit One hit the board twice before taking a
seven-furlong conditions here Aug. 1. He owed this
first stakes rosette to Dominique Boeuf's enterprise, as
the former champion rode his rivals to sleep in this
valuable undercard event. Up for the lead off a swift
break, the partnership established an advantage of at
least 10 lengths by halfway, and they would not be
reeled in, ploughing effortlessly through the mud and
maintaining a huge buffer in the straight for an impres-
sive score. "I was quite confident beforehand, but had
some concerns during the race as I thought the jockey
was going too fast," explained Philippe Demercastel,
adding, "On reflection, he didn't go too fast. The
horse's stride took him there, as he lengthens all the
time. He might go for the G3 Prix des Chenes
[Longchamp Sept. 16], over a mile, or we might wait
and go for the nine-furlong G3 Prix de Conde
[Longchamp Oct. 15], as I think he will stay."
