BALLYMACOLL FILLY TOPS DAY ONE

Ballymacoll Stud's outstanding family of Hellenic (Ire) was at the forefront of yesterday's trading during an exceptional opening session of the Goffs Million Sale. A filly named Dune (Ire), the daughter of Darley's Red

Ransom and stakes place-getter Desert Beauty (Ire), had created intense scrutiny before she walked into the ring as hip 105. Opportunities to grab a slice of the late Lord Weinstock's dynasty that has produced Islington (Ire), Greek Dance (Ire), Election Day (Ire), New Morning (Ire) and Mountain High (Ire) are rare, and the superpowers were in force as the half to recent Brighton winner Rose of Petra (Ire) entered the pavilion. With the auctioneer hailing Dune's as "one of the best families in the book," the crowd witnessed John Ferguson push owner Joseph Joyce

beyond his boundary to win the day at €1,050,000. "She comes from a great family with a history of producing top-class horses," Ferguson said of the topper, who was consigned by Peter Kavanagh's Kildaragh Stud. "This filly was beautiful, and Red Ransom has proven himself a good sire." Amanda Skiffington secured the top-priced colt of the session, a bay from the draft of Willie Browne's Meadowlands Stud that was knocked down for a final bid of €525,000. The colt, hip 185, is a son of the late Danetime (Ire), who is responsible for this year's Wokingham H. winner Baltic King (GB), G3 Sirenia S. scorer Dhanyata (Ire) and G2 Champagne S. scorer and Classic prospect Vital Equine (Ire). Hip 185's pedigree is Meon Valley's finest, as his fourth dam is the foundation mare Reprocolor (GB), responsible for Cezanne (GB), Colorspin (Fr) and Bella Colora (GB).

Galileo's Gravity...

Galileo (Ire) has been in the headlines since mid-summer and enjoyed a golden week earlier this month when supplying the first three home in the G1 St Leger and the winner of the G1 National S. in the top-rated juvenile Teofilo (Ire). Not surprisingly, his progeny were in demand yesterday, and Demi O'Byrne was on hand to secure hip 93, a colt from the draft of John Colleran's Grangemore Stud. That County Kildare operation bred the current Ballydoyle incumbent Scorpion (Ire) and was named the outstanding small breeder of the year at

the annual Irish Thoroughbred Breeders' Association Dublin/Kildare Region Racing and Breeding Awards in May. O'Byrne went to €460,000 for the athletic colt, who is out of a half to Scorpion. "The sire is doing really well and this is a lovely colt with a good pedigree," O'Byrne commented. The following lot was another of the Coolmore stallion's progeny and it was Cheveley Park Stud who went to €300,000 for Grove Stud's filly out of a half to the stakes-winner Shemozzle (Ire). David and Patricia Thompson's operation have done well with Allegretto (GB), a daughter of Galileo who took this year's G2 Lancashire Oaks, and were swelling the ranks of distaffers at their disposal. Later in the session, Newtown Stud's brother to The Last Drop (Ire), who filled the runner's-up spot in the aforementioned St Leger, was knocked down to John Warren for €380,000. From Brian Grassick's County Kildare establishment, hip 134 has a Classic pedigree, as his third dam is the 1976 Irish 1000 Guineas winner Sarah Siddons (Fr), whose progeny include the 1984 G1 Irish Oaks scorer Princess Pati (Ire).

Ballydoily Bound...

Demi O'Byrne, making his presence felt as usual, stepped in to buy the sole filly in the catalogue by Kingmambo for €500,000. Consigned by Felipe Hinojosa's Loughtown and Chevington Studs, hip [108](#) is a half to the 2003 G3 Curragh Cup winner Maharib (Ire) from the immediate family of Polish Precedent. Aidan O'Brien is preparing Theann (GB) for a tilt at Friday's G1 Cheveley Park S. at Newmarket, and it was her Pivotal (GB) half-sister offered as hip [44](#) who sparked an early duel. In the event, the daughter of Trevor Stewart's top-class sprinter Cassandra Go (Ire) will be joining her half-sibling, who was fifth in this year's Fillies Five Hundred, after O'Byrne settled the bidding at €450,000. "She looks an ideal type for the Fillies' Million next year," he commented.

Other Notables...

Timmy Hyde's Camas Park Stud were the leading consignors 12 months ago and provided another highlight this time in hip [54](#), a beautifully bred colt who is a product of one of the Niarchos family's best bloodlines. By Kingmambo out of the 1990 G1 Coronation S. winner Chimes of Freedom, the colt is a close relative of the top-class Aldebaran and a half to the 2002 GI Atto Mile scorer Good Journey from the family of Spinning World. He was knocked down to owner Hiroyuki Sonobe for €400,000 and will be trained in Japan. Street Cry (Ire) is responsible for the smart G3 Acomb S. winner Big Timer from his first crop and his filly offered by Meadowlands Stud was in demand. Hip [71](#) is from an outstanding family of Stateside performers and her dam is a half to Excellent Meeting and Crown of Crimson, responsible for the recent Keeneland sale-topping \$11.7-million purchase. Richard Brown of Blandford Bloodstock was on hand to secure the filly for €390,000. "I thought she was one of the stand-out fillies of the day and she has been bought for an existing client," he said. "She'll go into training with Jim Bolger." Blandford had earlier been the name on the docket for Glidawn Stud's hip [16](#), a filly by Darley's freshman Dubai Destination out of the 1996 G1 Moyglare Stud S. scorer Bianca Nera (GB). Tom Goff purchased the filly, whose page was boosted by Saturday's G1 Fillies' Mile winner Simply Perfect (GB), for €360,000. "She was a lovely quality filly and her page is littered with high-class runners," he said. "She will go into training with Ed Dunlop." After a tumultuous first session, the average of €114,214 rose by 17.5 percent on 2005 and the gross exceeded last year's figure by over €5 million. Selling continues at 10 a.m. today. GOFFS MILLION - WEDNESDAY

Hip 241, f, Statue of Liberty--Juno Madonna (Ire), by Sadler's Wells

Consigned by Taroka Stud

Juno Madonna, who produced the 2005 G2 Cherry Hinton S. and G2 Queen Mary S. runner-up Salut d'Amour (Ire), is also responsible for Regime (Ire), who finished runner-up and clear of his own group in Tuesday's Million.

Hip 270, f, Cape Cross (Ire)--Lady Alexander (Ire), by Night Shift

Consigned by Mountarmstrong Stud

Lady Alexander was the only horse to inflict defeat on King of Kings (Ire) during his two-year-old career when getting the better of that foe in the G3 Anglesey S. at The Curragh in 1997. Her son Dandy Man (Ire), who captured this year's G3 Palace House S., has established himself as one of Europe's leading sprinters.

Hip 305, c, Machiavellian--Lunda (Ire), by Soviet Star

Consigned by John Osborne

Lunda, a half to the late-improving top-class middle-distance performers Luso (GB), Warrsan (Ire) and Needle Gun (Ire), has already produced the useful Lundy's Lane (Ire) and Blue Monday (GB). That gelding won this year's G3 La Coupe at Longchamp and the G3 Arc Trial at Newbury and finished third in the G1 Eclipse S. and G1 Juddmonte International S.

Hip 312, c, Hawk Wing--Majinskaya (Fr), by Marignan (Fr)

Consigned by Ballylinch Stud

This colt is a half to the smart homebred fillies Modeeroch (Ire) and Danaskaya (Ire), as well as Ballydoyle's promising juvenile colt Chinese Whisper (Ire). He is from the family of the 1996 G1 Prix de l'Abbaye de Longchamp heroine Kistena (Fr), in addition to the stallions Fruits of Love and Mujadil.

Hip 348, f, Danehill Dancer (Ire)--Morningsurprice, by Future Storm

Hip 354, f, Barathea (Ire)--Musical Treat (Ire), by Royal Academy

Consigned by Rathbarry Stud

Barathea continues to churn out smart fillies such as the Fillies Five Hundred winner Silk Blossom (Ire). This yearling's half-sister is the highly regarded juvenile Finsceal Beo (Ire), who was sixth in Tuesday's Million.

Hip 393, c, Galileo (Ire)--Park Express (Ire), by Ahonoora (GB)

Consigned by Lodge Park Stud

Park Express was a champion and has produced some top-class performers, including Dazzling Park (Ire) and Shinko Forest (Ire). This is also the family of Waky Nao (GB) and Bandari (Ire).

A Word About BRIS Speed Ratings...

BRIS Speed Ratings accurately represent how fast a horse has run. Like other popular speed ratings, BRIS Speed Ratings are based on the final time of the race and, most importantly, include an accurate "track variant" (which measures the speed of a racetrack on a specific day.) Unlike other speed indicators, the track variant is derived by an objective, computer-precise method rather than the subjective opinion of one handicapper. The highest BRIS Speed Ratings (110 and up) will usually only be achieved by the best stakes horses. And, of course, older horses will typically run faster than their younger counterparts. A 2-year-old might win a stakes race with a 95 BRIS Speed Rating or may become a champion with a rating over 100.

Embossed was just three for 17 coming into this contest, but took an instant liking to European-style Kentucky Downs course and staged the 34-1 shocker in a three-horse photo. The Gary Tanaka-owned, Niall O'Callaghan-trained four-year-old, third in last year's GIII Hawthorne Derby, cleared the NW2X condition in his fifth start of the year over Churchill's lawn June 25. Up the track on rain-softened ground in the GIII Arlington H. July 22, he got a brief freshening after that and was returning here as a rank outsider. Always in the mix while pressing in second, he forged to a narrow advantage in the stretch and outbattled Lord Carmen and the late-rallying 10-year-old Rochester for the win. The 4-5 chalk Silverfoot (With Approval) was a listless fifth, with second choice Rock Lobster (Mt. Livermore) just behind. [Click for the brisnet.com chart.](#)

A dual handicap winner last term, Stronghold broke through at stakes level when taking out the Listed Paradise S. at Lingfield on seasonal return May 3, but got stuck in the mud when off the radar in the May 18 Listed Hambleton S. at York next time. Regrouping to finish second in the Listed On the House S. here June 10 and again in the June 21 Royal Hunt Cup H. at Royal Ascot, he maintained form to run fourth in the G3 Summer Mile S. on Lingfield's Polytrack surface last time July 15. Taking a tow from Daniella (GB) (Dansili {GB}) into the stretch here, the bay homebred outgamed Byron under a drive inside the final quarter to post a deserved career high. "He'd had a few hard races including when he won here, when he was nailed on the line in the Hunt Cup and in his all-weather race at Lingfield," Juddmonte Racing Manager Teddy Grimthorpe told *PA Sport*. Grimthorpe added, "[Trainer] John [Gosden] wanted to freshen him up, and now we can give him an end-of-season campaign. His ability to handle cut in the ground should be a useful asset, and I imagine his next race will be in the G2 Challenge S. at Newmarket on Champions' Day [Oct. 14]." ART ON TRACK Paul and Susan Roy's **Dutch Art (GB)** (Medicean {GB}) was yesterday reported on course for Friday's G1 Shadwell Middle Park S. at Newmarket. The unbeaten G2 Norfolk S. and G1 Prix Morny winner pleased trainer Peter Chapple-Hyam in his work over five furlongs yesterday and Frankie Dettori has been booked for the ride. "He worked really well this morning and I'm very happy with him," Chapple-Hyam said. "He'll be taking on some very good horses in the Middle Park, but then he has proved that he is a very good horse himself."

SANDER GROUND FEARS Sir Robert Ogden's **Sander Camillo** (Dixie Union) may be forced to sidestep Friday's G1 Cheveley Park S. at Newmarket if the ground turns soft, connections have warned. Impressive on a fast surface when winning the June 23 G3 Albany S. at Royal Ascot and G2 Cherry Hinton S. at Newmarket July 12, the Jeremy Nosedo-trained filly may be rerouted to the Oct. 14 G2 Rockfel S., according to the owner's Racing Manager Barry Simpson. "We're not looking forward to the prospect of soft ground," Simpson told *Racing Post*. "If it was good-to-soft we might still go, but if it's soft there is always the Rockfel."

LEPAROUX TO RIDE ‘DRIFT’ IN KY CUP In his first start on Polytrack in Saturday’s GII Kentucky Cup Classic, the venerable veteran **Perfect Drift** (Dynaformer) will be partnered with someone who has had plenty of success over the surface: Julien Leparoux. The young Frenchman was the leading rider last winter at Turfway Park, the site of the Classic. Meanwhile, trainer Shug McGaughey confirmed that **Good Reward** (Storm Cat) will join Perfect Drift in the Classic as a first-time Polytracker. The five-year-old horse was a good second to Lava Man in the GI Pacific Classic and is coming off a fourth to Wanderin Boy in the Sept. 16 GII Brooklyn Breeders’ Cup H. McGaughey said the relatively quick turnaround didn’t concern him. “It’s a non-issue in my opinion,” he said. “He came back from the Brooklyn well, and he worked good [Monday].” He worked a half in :48.43 at Belmont Park.

DOZEN REMAIN IN ARC With 12 remaining in Sunday’s G1 Prix de l’Arc de Triomphe Lucien Barriere, the Longchamp feature looks set for a small field despite the planned addition of Paul and Susan Roy’s **Sixties Icon (GB)** (Galileo {Ire}) at tomorrow’s supplementary stage. Among the dozen aspirants are the power trio of Michael Tabor’s **Hurricane Run (Ire)** (Montjeu {Ire}), Baron Georg von Ullmann’s **Shirocco (Ger)** (Monsun {Ger}) and Makoto Kaneko’s **Deep Impact (Jpn)** (Sunday Silence). Trainer Alain de Royer-Dupre will saddle N P Bloodstock’s six-year-old mare **Pride (Fr)** (Peintre Celebre), who could be his only representative after suggesting that Princess Zahra Aga Khan’s G1 Prix Vermeille heroine **Mandesha (Fr)** (Desert Style {Ire}) is more likely to run in the G1 Prix de l’Opera on the same card. De Royer-Dupre issued an upbeat bulletin on Pride, who conquered Hurricane Run in the G1 Grand Prix de Saint-Cloud, but revealed that the three-year-old Mandesha had failed to fire on the soft in a home gallop at Chantilly. “Pride looks very well and did a marvelous gallop this morning on the soft ground,” he said yesterday. “Mandesha worked over a mile in a normal gallop, but the ground was a little bit soft and when it’s like that, she is not the same.”

De Royer-Dupre continued, “She wants firm ground and was not the same as before the Vermeille. I have told the Prince what my opinion is when we discussed it together, and he will make a decision on whether we supplement her to the Arc, with his daughter Princess Zahra, either today or tomorrow.” Hurricane Run and Shirocco’s trainer Andre Fabre is also responsible for Khalid Abdullah’s G1 Grand Prix de Paris winner **Rail Link (GB)** (Dansili {GB}), while John Pearce’s June 3 G1 Epsom Derby runner-up **Dragon Dancer (GB)** (Sadler’s Wells) and Paul Vidal’s G1 Prix du Jockey-Club second **Best Name (GB)** (King’s Best) stood their ground. As expected, Anthony Pakenham’s G1 Epsom Derby hero Sir Percy (GB) was scratched. Aidan O’Brien has left in Susan Magnier’s G1 Irish Champion S. winner **Dylan Thomas (Ire)** (Danehill) and G1 English, Irish and Yorkshire Oaks heroine **Alexandrova (Ire)** (Sadler’s Wells), but both are expected to miss the race in favor of alternative targets in the GI Jockey Club Gold Cup and Prix de l’Opera respectively. Berend van Dal’sen’s G2 Grand Prix de Deauville scorer **Irish Wells (Fr)** (Poliglote {GB}), John Livock’s Listed Predominate S. winner **Championship Point (Ire)** (Lomitas {GB}) and Nelson Radwan’s G1 Prix Saint-Alary winner **Germance** (Silver Hawk) complete the list, although the latter is set to contest the Prix de l’Opera. “I left Germance in after the first forfeit stage and will probably leave her in at the next stage tomorrow to have another look,” trainer Jean-Clude Rouget said. “To run in the Arc to finish fourth or fifth is not very tempting, but to run in the Prix de l’Opera with a first-class chance of winning is much more interesting. At this stage it is 80-20 in favor of the Opera.” According to Championship Point’s trainer Mick Channon, the colt has been left in the race in error and will be withdrawn today. Longchamp was described yesterday as officially “soft” with a largely dry spell expected in the lead-up to the weekend.

CATCH THE WAVE

The Keeneland September yearling sale in 2004 grossed \$324,904,300, a new record for a horse sale, by about \$7 million over the 1999 November Mixed Sale. It marked a \$50-million rebound from 2003, the second of the two MRLS years. After peaking in 2000, the North American market especially dropped for three years, through a combination of the dot-com crash and MRLS. So it was seriously big news two years ago when the September Sale finished up with a gross just short of \$325 million.

Now, two years later, the sale finished about one Book 2 yearling away from becoming the first \$400-million horse sale in history. The huge leap was last year, when the gross jumped by almost \$60 million, to a runaway new horse sale record of \$384,349,900--almost a 20-percent increase from the previous year's record.

Historically, after such a huge jump, the next year almost invariably follows a pattern of consolidation rather than continued double-digit increases. So it proved at Keeneland this year: with exactly 11 more horses sold than last year (3,556 this year), the gross and average each increased 4 percent, to \$399,791,800 and \$112,427, respectively. I so wanted to hear that Keeneland president Nick Nicholson had jumped out of his chair in his office, run down to the pavilion, and thrown in a bid of \$210,000 on the last horse just to satisfy my quest for symmetry and a \$400-million sale, but I shall have to be satisfied with saying 'nearly, in fact very nearly, \$400-million.' In two years since setting a new record, Keeneland September's gross has increased by a further 23 percent while averaging double-digit increases. Whatever the reasons, qualifications, and disclaimers (inflation of value due to number of mares bred to more expensive stud fees, for example), the raw numbers are very impressive.

With Keeneland only having finished only on Monday, it makes the numbers at the opening day of Goffs Million sale yesterday even that much more impressive. Reversing a trend which had seen their top sale lose €10-million in gross between 2002 and 2004, last year's reconstituted Million Sale (still called Orby, in a sort of codeshare, plus the traditional one-day Sportsman's Sale) saw a massive €24-million (77 percent) spike in gross and 49-percent spike in average, to a gross of €54,999,900 (like, you couldn't have bid an extra €100 to round it off?). The three-day Orby/Million sale alone saw 519 yearlings average €99,455.

The three days last year averaged around €17.2-million per day. Through the first 200 of the 230-strong catalogue yesterday, the session was on course for around a €20-million day, and an average near enough to €115,000. Having registered a 77 percent gain the previous year, and looking at Keeneland's 4-percent rise, just breaking the €100,000 mark in average would have been enough to declare this a good sale. To be up 15 percent has to be testimony to the success of the seven-figure sale race concept, as well as to the continuing strength or Ireland's Celtic Tiger economy. The pundits keep saying it can't last, yet every year more and more property millionaires are created in Ireland, and more and more of them are persuaded to 'have a go' in the horse business. Goffs has successfully transformed itself because they've found a way to tap into the rich Irish horse tradition, combined with the continuing wealth creation of the Celtic Tiger.

Yesterday's session produced some interesting examples of how things work these days. The high filly was a Red Ransom, sold by Kildaragh for the storied Ballymacoll Stud, whose dam was a stakes-placed Green Desert half-sister to Islington, second dam Hellenic. Everybody loves these old outfits like Ballymacoll, so everybody's a player. The top colt, on the other hand, was an 'individual.' Judge Amanda Skiffington signed the ticket, at €525,000 for a colt by Danetime with two blank dams, the second dam a daughter of Rappa Tap Tap. Two other names jumped out on the stallion front: Kingmambo (sire of the \$11.7-million saletopper in Kentucky), had a filly bring €500,000 and a colt bring €400,000, his only two in the sale; and Galileo, Europe's wide-margin leading second-crop sire, had six yearlings (from his third crop, probably not the best mares he's seen) average €227,500. That happened for one reason: they were good individuals. Let's not let any 'sale politics' cloud that issue.

No clouding the issue of the best coffee on the grounds, either; our old pal Peter Bark is back with Caffè Fresca. Taking a cue from my years of declaring them 'the best lattes outside of Seattle,' Peter has banners up claiming it is no less than 'The Finest Coffee in the World'. That's the spirit: we are the Celtic Tiger. Catch the wave. **Bill Oppenheim may be contacted at bopp@erb.com. Please cc TDN management at suefinley@thoroughbreddailynews.com.**

Back in 2000 when we were studying the freshman sires, we noticed that an unusual number of Maria's Mon's first crop were out of mares carrying His Majesty or his brother, Graustark. It turned out that this was a pretty good play. In his first crop came G1 Kentucky Derby victor Monarchos, whose third dam was by Graustark; and stakes winner Wedlock, out of a mare by His Majesty. In Maria's Mon's second crop came Grade I winner See How She Runs, whose second dam was by Graustark.

Now, in his first crop of three-year-olds sired since Monarchos's Classic victory, Maria's Mon has another major winner with the Graustark/His Majesty connection in the shape of this weekend's GII Super Derby victor Strong Contender. Incidentally, this crop--the fifth for Maria's Mon--is typical of a "rebound crop" for young stallion who comes back into favor after a bright start: in addition to Strong Contender, it also includes Wait a While, who took the GI American Oaks Invitational S.; the GIII El Camino Real Derby winner Cause to Believe; and other black-type scorers Flying Past Fast, Candy Jo and Charley Tango.

Strong Contender is out of Copenhagen, a daughter of Dynaformer, a horse who, in addition to his deeds as a stallion, is beginning to earn some appreciation as a broodmare sire, his daughters having already produced Grade 1 winners Hollywood Story and Sharp Lisa, and other group and graded winners Diadella, New Girl-friend, Dyna Da Wyna, Hours of Justice and Kilgowan. A half-sister to the Barretts Juvenile S. winner New Aspirations, Copenhagen was an accomplished performer in her own right. She made only five starts--all at two--winning twice, and capturing second in the Green River S. at Keeneland and the Hollywood Wildcat S. at Calder.

		Eternity (Arg)	*Con Brio II Eternelle (Arg)

The distaff side of Copenhagen's pedigree is less familiar. Her dam, Eterna Fe, arrived in the U.S. at the age of six, having spent her entire racing career in her native Argentina. The daughter of the Hyperion-line stallion Good Bloke proved to be a very accomplished runner on her home ground, capturing the G1 Gran Premio Enrique Acebal and G2 Premio Arturo A. Bullrich, and taking second in the G1 Gran Premio 25 de Mayo, and third in the G1 Gran Premio Criadores. In addition to her two U.S. black-type performers, Eterna Fe is also granddam of Eterna Girl, a multiple Group 1-placed performer in Argentina. Eterna Girl is a half-sister to Evershine, who produced Mario Eterno, a Group 2 winner who was also Group 1-placed in Argentina. The family does have earlier connections to the U.S. if we go back to the fifth dam, Eterna, as she is half-sister to Elite, whose imported son Tibaldo won the Michigan Mile and One Sixteenth S. and Westchester S. in the mid-sixties. Tibaldo also stood at stud in the U.S., and although he made little direct impact as a stallion, his daughters appear in the tail-female lines of several stakes winners, including Slew o' Gold's Group 1-winning daughter Golden Opinion, the highweighted European three-year-old filly miler of her crop, as well as current U.S. stakes winners Last Romance and Sweet Forty.

Another half-sister to Eterna and Elite, Enfasis, produced Suiti, an Argentine stakes winner who also took second in the Ladies H. and third in the Distaff H. when imported to the U.S. Subsequently, Suiti became dam of the GII Del Mar Oaks heroine Our Suiti Pie; the granddam of GI Vosburgh S. winner and successful sire Harlan; and third dam of GI Spinaway S. victress Things Change.

At the beginning of the article, we mentioned the high incidence of mares carrying His Majesty or Graustark in their pedigree bred to Maria's Mon in his first crop, and we suspect that this was no accident. His Majesty and Graustark are by Ribot, out of the famous mare Flower Bowl. Maria's Mon is a grandson of Majestic Light, who was by Majestic Prince (dam Your Hostess, a three-parts sister to Flower Bowl), out of a mare by Ribot. Thus, of the eight ancestors in the third generation of the pedigree of His Majesty and Graustark, seven are repeated in the pedigree of Majestic Light. This combination has proved to be a very effective one, and appears in at least 17 stakes winners, including, in addition to Monarchos, See How She Runs and Strong Contender (three of the five highest U.S. earners for Maria's Mon); champion sprinter Kona Gold (the best runner for his sire, Java Gold); GI Kentucky Oaks heroine Lite Light; and GIII Santa Ynez S. winner Queen of Money (the only graded scorer for her sire, Corporate Report).

In addition to the Majestic Light/His Majesty/Graustark connection, the parallels between Monarchos and Strong Contender run almost eerily close. Monarchos was purchased by John C. Oxley from the consignment of Murray Smith at the 2000 Fasig-Tipton Florida Two-Year-Olds in Training Sale, and trained by

Strong Contender
A Coglianese

John T. Ward Jr. Strong Contender was an \$800,000 sale topper at the 2005 Keeneland April Sale, again purchased by Oxley from Smith, and he is also trained by Ward. When we look at the pedigree of Monarchos, we can note that his granddam, Regal Roberta, is by

Roberto out of Regal Road, by Graustark out of On the Trail. Strong Contender's broodmare sire, Dynaformer, is by Roberto out of Andover Way, who is by His Majesty (brother to Graustark) out of On the Trail, and so has a virtually identical pedigree to Regal Roberta.

Cambiocorsa, who is undefeated in seven starts sprinting down Santa Anita's hillside turf course. Over the summer, the four-year-old carried a seven-race winning skein (six of those on the hillside) into the GIII CashCall Mile at Hollywood July 1, but finished a tired fifth that day and was shelved. Her regular

rider, Jon Court, is confident that she's ready to begin a new streak in her return. "From what I hear, she's training very well," said Court. "I know there's speed in the race, but I don't think she has to be on the lead. Doug [trainer O'Neill] has done a spectacular job with her."

Barbaro Update

BARBARO S PROGRESS PLEASES VETERINARIANS

by Gail Luciani, Director of UPenn Office of Communications

KENNETT SQUARE, PA...Veterinarians at Penn's George D. Widener Hospital continue to be pleased with the medical progress of Kentucky Derby winner Barbaro, who remains in stable condition at the hospital. The left hind hoof on Barbaro has grown about 18 millimeters in the heel area, said Dr. Dean Richardson, Chief of Surgery. It has to grow at least three times that, which could take more than six months. It's a very gradual process; the bottom of his foot has to completely heal as well.

"Barbaro continues to be comfortable in his right hind leg cast, so there are no immediate plans to change it. As always, we monitor his comfort very closely, and we will likely change the cast within the next two weeks," said Dr. Richardson. "Barbaro's vital signs continue to be excellent, as is his appetite. He definitely enjoys his daily excursions outside to walk and graze." Barbaro spends about 30 to 40 minutes outside every day, depending on the weather.

Barbaro remains in the Intensive Care Unit of the University of Pennsylvania's George D. Widener Hospital, where he is recovering from injuries suffered at the Preakness on May 20.

For more info on Barbaro, please see www.vet.upenn.edu.

After scraping together minor prizes in her first five starts, Tianshan landed a maiden win at Vichy Aug. 6 and followed up on the sand at Deauville last time Aug. 22. Emerging from the shadows here, she left it late, but was all over the field in the closing stages to claim black type in time for her impending pension. Racing in midfield after a tardy start, jockey Mathias Sautjeau remained cool aboard the bay when holed up in a pocket in early stretch. He found room approaching the final eighth, conjured a devastating run out of the sophomore and she swooped wide and late to deny Tonic Star in the shades of the post. "I'm really happy to win with a filly who doesn't have the best front legs in the world," explained trainer Francois-Xavier de Chevigny. "I think she'll be kept to a mile for the time being, but I don't know where or when she will next run. She will most probably be retired at the end of the season."

Prominently along the rail from the bell, the 57-10 chance hooked up with Brooklyn Boy (Gone West) inside the final quarter and battled gamely under Alexis Badel's drive to deny that rival and the fast-closing Friston Forest (Ire) (Baratheia {Ire}) by slivers. Close up throughout, the 39-10 chance was coaxed along the rail to challenge at the distance and asserted from there to defeat Cinnamon Bay (GB) (Zamindar) by a length.
