**GALILEO COLT TOPS GOFFS**

Trainer Paul Cole, who is enjoying something of a renaissance this season due to the exploits of his star two-year-old Strategic Prince (GB) and the patronage of owner Alfiya Shaykhutdinova, was in a spending mood on day two of the Goffs Millions Yearling Sale yesterday. The Whatcombe trainer had to outbid John Magnier to secure hip 347, a Galileo (Ire) colt from Middlelane Farm. The half-brother to

Godolphin's G1 Irish 2000 Guineas and G1 Poule d'Essai des Poulains winner Bachir (Ire) is also a half to the listed winner Elliotts World (Ire) and was bought for Havana Horse's Andy Smith. "Mr. Smith wanted to buy a good horse and this is one of a handful that could win a Derby or a King George," Cole explained. "He's got the pedigree to do it and his brother is a dual Classic winner."

**Another Topper for Ferguson...**

John Ferguson, who bought the first session's top lot for €1.05 million, was in action again yesterday when securing the top-priced filly of the day. Consigned by Noel O'Callaghan's Mountarmstrong Stud, hip 270 is a daughter of Cape Cross (Ire) out of Lady Alexander (Ire), who took the G3 Anglesey S. and G3 Molecomb S. at two and produced GSW Dandy Man (Ire) from a mating with Mozart (Ire). Ferguson secured the half to the talented G3 Palace House S. winner for €725,000. "She's an outstanding model and is from a very good family," he said. "She is one the best-bred Cape Cross fillies available and he has already produced two world-class mares in Ouija Board and in Seachange in New Zealand." Keeping the connection, Ferguson later purchased a son of King's Best from the same family for €425,000. Sent up from the Irish National Stud, hip 365 is out of an unraced half-sister to 2002 G1 Golden Jubilee S. winner Malhub. "He's a very nice horse and is related to a Group 1 winner," he commented. "He's a very athletic colt and a good example of a King's Best." Ferguson also went to €300,000 for hip 306, a son of Invincible Spirit (Ire) from the family of the top-class Prismatical, consigned by Liam Cashman's Rathbarry Stud.

**Bolger Looks to the Past...**

Galileo continued to set the trend, with trainer Jim Bolger as one of the Coolmore stallion's biggest fans. Having saddled his homebred colt Teofilo (Ire) to win the G2 Futurity S. and G1 National S. in recent weeks, Bolger was on the lookout for new blood and settled on a colt from Lodge Park Stud. Hip 393 is close to his heart, as he trained the dam Park Express (Ire) to be champion three-year-old filly in Ireland in 1986, courtesy of her winning exploits in the G1 Phoenix Champion S. The conditioner was forced to €430,000 to ensure that the half-brother to the sire Shinko Forest (Ire) and to another of his past champions, 1999 G3 Matron S. winner Dazzling Park (Ire), went to Glebe House. "He's not typical, as he's a chestnut and most of them are bay, but there was a lot to like about him," Bolger said. "He's a fine horse and a great goer."

**Other Notables...**

Demi O'Byrne purchased hip **311**, a Fasliyev daughter of 2002 G1 Moyglare Stud S. winner Mail the Desert (Ire). From the draft of Klaus Jacobs' Newsells Park Stud, the filly from the family of Norse Dancer (Ire) was bought for €320,000. "She is a very good walker and a lovely filly," O'Byrne said. "I think she could be one for the Fillies' Million." Later, Newtown Anner Stud paid €390,000 for hip **349**, a filly from the first crop of High Chaparral (Ire). From the draft of Denis Brosnan's Croom House Stud, she is a half to the 2001 G1 Gulfstream Park Breeders Cup H. scorer Subtle Power (Ire). Cheveley Park Stud went to €320,000 to acquire Eyrefield Lodge Stud's hip **402**, a filly by Montjeu (Ire) whose second dam is the champion Marling (Ire). Trade was strong again during the second session, and the overall average of €110,950 represented an increase by 9.5 percent on last year's equivalent. Managing Director Matt Mitchell believes that the Goffs Million races are playing a major part in the buoyancy. "The sale continued to be strong again and the figures are well up," he said. "The races continue to influence the buyers and the market for fillies is strong. People want to buy to win the new million-euro race next year and that is underpinning the market for fillies." Selling continues at 10 a.m. today. Full results can be viewed online at [www.goffs.com](http://www.goffs.com).

Cambiocorsa, perfect in seven previous attempts over the Santa Anita lawn, continued her love affair with the Arcadia turf course with a sharp victory here. The GIII Las Cienegas H. victress had a seven-race winning streak snapped when fifth in the GIII CashCall Invitational S. at Hollywood last out July 1, but was heavily favored to fire fresh off the bench in this one. With Jon Court aboard, she sat in second as Victory Spy (Victory Gallop) rattled off :21.45 and :43.36 fractions. The pacesetter drifted into Cambiocorsa as they crossed over the dirt course on the turn for home, but the gray kept her cool and went on to win for fun.

**CHAMPION PRECISIONIST EUTHANIZED** Cham-  
pion **Precisionist** (Crozier--Excellently, by \*Forli), a  
member of racing's Hall of Fame, was euthanized yes-  
terday at Old Friends near Georgetown, Kentucky,  
according to *The Blood-Horse*. The 25-year-old was  
suffering from an inoperable tumor in his sinus pas-  
sages. "Yesterday he looked at me and said, 'It is time,'"

Precisionist arriving at Old  
Friends in June  
Old Friends photo

Old Friends founder Michael  
Bown told *The Blood-Horse*.  
"[Wednesday], he came out and  
stood by the grave and knew.  
Chris McCarron told me he rode  
a lot of horses that gave 100  
percent, but this was the only  
horse that he rode that gave 100  
percent 100 percent of the  
time." A homebred for Fred W.

Hooper, Precisionist won the  
Hoist the Flag S. at two in 1983 before developing into  
a top performer at three. Winner of the GI Swaps S.  
and three other graded events, the chestnut also ran  
second in both the GI Super Derby and GI Santa Anita  
Derby. He continued his progression at four in 1985,  
when he won the GI San Fernando S. and GI Charles H.  
Strub S. and ran second in the GI Hollywood Gold Cup  
in June. The Hooper colorbearer was sidelined after  
that, but returned with an excellent performance to  
take the GI Breeders' Cup Sprint ([video](#)) in November at  
Aqueduct, defeating Smile and Mt. Livermore, and  
received an Eclipse Award as the nation's top sprinter.  
He added victories in the GI Woodward S. and GI Cali-  
fornian S. as a five-year-old and ran third in the GI  
Breeders' Cup Classic. Retired to stud, Precisionist  
suffered fertility woes and was put back in training. He  
made 10 starts at age seven, capturing the GIII Cabrillo  
H. and Del Mar Budweiser Breeders' Cup. Third to Forty  
Niner in the inaugural NYRA Mile, he ran a close fifth to  
Gulch in the 1988 Breeders' Cup Sprint, then lost a pair  
of photos in the GII Citation H. and the GIII Native Diver  
H. His final career record stood at 46-20-10-4 with  
earnings of \$3,485,398. Precisionist retired to Hooper's  
Florida farm, where he covered a few mares, but was  
pensioned after proving subfertile. He sired just four  
foals; one of those, Preciseness, became the dam of  
GSW Draw Again.

**SECOND OF JUNE EUTHANIZED** Second of June  
(Louis Quatorze--Whow, by Spectacular Bid), a game  
second-place finisher in the GI Woodward S. last out  
Sept. 2, was euthanized Wednesday morning after  
suffering a fractured ankle in a workout at Churchill  
Downs. The 2004 GIII Holy Bull S. victor and GII Foun-  
tain of Youth S. runner-up was preparing for a show-  
down with Bernardini and Invasor (Arg) in the Oct. 7 GI  
Jockey Club Gold Cup at Belmont Park. Owned by  
Barbara Cesare and trained by her son William Cesare,  
the Florida-bred was purchased for \$7,500 as a two-  
year-old in training at OBSJAN. "His injury was similar  
to Barbaro's," the conditioner told *the Blood-Horse*. "Dr.  
[Steve] Allday x-rayed him afterward and said he didn't  
have a shot." Second of June won four of 14 career  
starts and had \$528,800 in earnings.

**'DEEP' IMPRESSION** Makoto Kaneko's **Deep Impact**  
(Jpn) (Sunday Silence) came through his final serious  
work ahead of Sunday's G1 Prix de l'Arc de Triomphe  
Lucien Barriere with flying colors and connections were  
afterwards looking ahead to the Longchamp showcase.  
Having covered six furlongs of the Chantilly racecourse  
under big-race partner Yutaka Take, the four-year-old  
delighted trainer Yasuo Ikee, who commented, "I am  
quite satisfied with Deep Impact's final preparations. He  
is in very good shape. All the staff, including myself,  
were very pleased to hear Yutaka say that he got a very  
good response from Deep Impact today. We will do our  
best from now until the race day to make him 100 per-  
cent fit for the race." Take, who has ridden the Japa-  
nese champion in all of his five domestic Group 1 suc-  
cesses, was impressed. "I think this is the best work  
he's done since arriving here," he said. "I won't talk  
about his draw because if I say what I wish for, it prob-  
ably won't come true, but I would rather it didn't rain  
before the race." The final field was reduced to 11  
yesterday after John Livock's Listed Predominate S.  
winner **Championship Point (Ire)** (Lomitas {GB}) was  
scratched by Mick Channon, and will not feature Prin-  
cess Zahra Aga Khan's G1 Prix d'Astarte and G1 Prix  
Vermeille heroine **Mandehsa (Fr)** (Desert Style {Ire}).  
Conditioner Alain de Royer-Dupre revealed yesterday  
that the sophomore would not be supplemented at  
today's stage. "We want to keep her in training as a  
four-year-old, when the 2007 Arc will be her target," he  
explained yesterday. As a result, Christophe Soumillon  
will partner Baron Georg von Ullmann's GI Breeders'  
Cup Turf and G1 Coronation Cup winner **Shirocco (Ger)**  
(Monsun {Ger}), while Frankie Dettori will be on Paul  
and Susan Roy's **Sixties Icon (GB)** (Galileo {Ire}), who  
will be added at today's supplementary stage.

**SPENCER OPTS FOR EVIE** Jamie Spencer will ride Terry Neill's G1 Matron S. winner **Red Evie (Ire)** (Intikhab) in Saturday's G1 Kingdom of Bahrain Sun Chariot S. at Newmarket. Despite the presence of the Elite Racing Club's multiple Group 1 winner **Soviet Song (Ire)** (Marju {Ire}) in the mile contest, the champion jockey will maintain his association with Red Evie and desert the six-year-old. "It was a hard decision, but I have taken into account that Red Evie will be staying in training and she is my one for next year, hopefully," he told *PA Sport*. "She did well last time out and I am looking forward to the race. I think there is still more room for improvement--you'd like to think there is. She gave me a fabulous feel in Ireland, she is a really nice filly." Matthew Budden, racing manager for the Elite Racing Club, revealed that Oscar Urbina would renew his partnership with Soviet Song for the first time in three years. "He's riding well and he knows her from her early days," Budden told *PA Sport*. "He's followed her career closely and he knows her as well as anyone. He doesn't get that many chances and we are happy to give him the chance."

**'ALEX' RECOVERING FROM HERNIA SURGERY** Afleet Alex (Northern Afleet), champion three-year-old colt of 2005, is recovering from surgery performed on an inguinal hernia, according to a press release. The GI Preakness S. and GI Belmont S. hero is expected to make a full recovery from the Sept. 26 surgery, which was performed by Dr. Rolf Embertson at Rood and Riddle Equine Hospital. He is expected to return to Gainesway Farm later this week.

**JUNIOR ON COURSE** Roldvale Ltd's **David Junior** (Pleasant Tap) was yesterday reported on target for the Nov. 4 GI Breeders' Cup Classic at Churchill Downs. Trainer Brian Meehan is pointing the winner of the G1 Champion S., G1 Dubai Duty Free H. and G1 Eclipse S. at the dirt contest off a four-month layoff. "Although a lot of people think it's a strange thing not to run him for so long, he didn't really have much of a winter off last year," Meehan said. "It seems to be working out really well for him and he's in great shape."

**I-Gaming at Center of Legislative Flurry**

With Congress scrambling to pass a Department of Defense (DOD) authorization bill before the campaign recess that starts this weekend, three law-enforcement measures are under consideration for inclusion: Internet gaming, courthouse security and anti-gang measures aimed at illegal immigrants.

Any or all of the three measures threaten to derail the DOD bill, intensifying the end-of-session politicking among Congressional Leadership, including Senate Majority Leader Bill Frist (R-TN), House Speaker Dennis Hastert (R-IL) and Senate Armed Services Committee Chair John Warner (R-VA).

Should the DOD bill become an unattractive option, I-gaming could be attached to a port security bill or other late-breaking legislation.

The NTRA lobbying team continues to work with Members of the House and Senate to ensure that any I-gaming bill protects online pari-mutuel wagering as authorized by the Interstate Horseracing Act.
