TATTERSALLS OCTOBER STARTS TODAY

Tattersalls' flagship October Yearling Sale, which provided four of this year's five British classic winners, gets underway at midday today with high hopes that the recent buoyant markets seen at Keeneland, Doncaster and Goffs can carry through to Newmarket. Vendors were heartened by the presence of the major

buyers inspecting yearlings at the sales paddocks, including Sheikh Mohammed and his wife Princess Haya and a large entourage from Coolmore. There were several different parties from Japan, and it is expected that buyers such as Egyp-

tian-born brewing magnate Ahmed Zayat, who bought a \$4.6 million Vindication colt at Keeneland last month, could also make their presence felt. There are 652 lots catalogued, 36 fewer than in 2005, with some eye-catching pedigrees on show. Siblings to 2006 Classic winners include Lot 17, a Pivotal half-brother to George Washington (Ire) (Danehill), consigned for breeders Roy and Gretchen Jackson's Lael Stables from Bobby Donworth and Honora Corridan's Round Hill Stud; Lot 264, a Red Ransom half-brother to G1 St Leger hero Sixties Icon (GB) (Galileo {Ire}) offered by Trevor Harris' Lordship Stud; Lot 503, a Statue Of Liberty half-sister to G1 1000 Guineas winner Speciosa (Ire) (Danehill Dancer {Ire}) consigned from Lisieux Stud; and Lot 432, a Danehill Dancer (Ire) half-brother to G1 Irish 2000 Guineas victor Araafa (Ire) (Mull of Kintyre), who was bought for 100,000gns as a foal last year by Richard Frisby for Ptarmigan Bloodstock. "It's been a superb year for us on the racecourse, with four out of the five British classic winners all having been sold at our October Yearling Sales," said Tattersalls marketing director Jimmy George yesterday. "We have an outstanding catalogue and all the ingredients would appear to be in place for a successful week."

The A List...

The list of sires represented reads like a "who's who" of the industry, including stars such as Baratheia (Ire), Cape Cross (Ire), Danehill Dancer (Ire), Dr Fong, Elusive Quality, Fasliyev, Forest Wildcat, Galileo (Ire), Giant's Causeway, Gone West, Green Desert, Hennessy, Indian

Among the pinhooked yearlings is Lot 569, a Galileo (Ire) colt who was bought

by Australian owner Paul Makin through agent Grant Pritchard-Gordon for 300,000gns at Tattersalls in November; and Lot 450, a Montjeu colt, who cost €300,000 at Goffs in November and is consigned from Denis Brosnan's Croom House Stud. Lot 149, a first-crop Hawk Wing filly, made 180,000gns when knocked down to agent Richard Frisby at Tattersalls 11 months ago. The sale runs today through Friday beginning at noon each day. Tattersalls October, Part 2, takes place next week. Today's opening session of Tattersalls October Yearling Sale, Part 1, will be televised in the U.S. on HRTV, starting at 7 a.m. EDT.

HIP HAPPENINGS

Hip 11, f, [Sadler's Wells](#)--Bermuda Classic (Ire), by Double Form (Ire)

Consigned by Bugley Stud

Alexandrova (Ire) ensured that Sadler's Wells stayed in the limelight this year with her triple Oaks-winning exploits. This filly is a close relative of 1996 G1 Coronation S. winner Shake the Yoke (GB), as well as being a full sibling to Ballydoyle's smart listed scorer Kournakova (Ire) and a half to the multiple group-winning sprinter Tropical (GB). This is also the family of the three-time Group 1 winner Kutub (Ire).

Hip 17, c, [Pivotal \(GB\)](#)--Bordighera, by Alysheba

Consigned by Round Hill Stud

This colt needs almost no introduction, being a half to this year's outstanding three-year-old George Washington (Ire) and former World Series Champion Grandera (Ire), by Cheveley Park Stud's top-class sire.

Hip 40, c, [Galileo \(Ire\)](#)--Castara Beach (Ire), by Danehill

Consigned by Hawthorn Villa Stud

By the sire of the moment, this colt is bred on the same cross as this year's leading juvenile Teofilo (Ire) and is a half to a stakes performer from the family of this year's G1 Coronation S. scorer Nannina (GB).

Hip 43, f, [Danehill Dancer \(Ire\)](#)--Chalice Wells (GB), by Sadler's Wells

Consigned by Jamie Railton, agent

Danehill Dancer's fillies have been his greatest advertisement this year, with Speciosa (Ire) and Miss Beatrix (Ire) flying the flag. This yearling is out of a sister to the high-class Yeats (Ire), who has established himself as Europe's leading stayer with successes in the G1 Ascot Gold Cup and G2 Goodwood Cup this term. She is also closely related to the stakes winners Solskjaer (Ire) and Tsukuba Symphony (GB) from the family of the smart Bahama Mama (Ire).

Hip 57, f, [Montjeu \(Ire\)](#)--Colorvista (GB), by Shirley Heights (GB)

Consigned by Meon Valley Stud

From Egon Weinfeld's empire, this filly boasts as her second dam Reprocolor (GB), one of the pillars upon which the stud was built. Sadler's Wells brought out the best in this family, with Opera House (GB), Kayf Tara (GB) and Stagecraft (GB), and his brilliant son may have the same effect.

Hip 84, c, [Oasis Dream \(GB\)](#)--Dazzle (GB), by Gone West

Consigned by Cheveley Park Stud

If his parents are any guide, this colt's hallmark will be speed and precocity. His sire was the champion juvenile in 2002 before becoming champion three-year-old sprinter the following year while Dazzle lived up to her name when winning the G2 Cherry Hinton S. at two before returning to finish third in the G1 1000 Guineas in 1997. This is also the family of multiple group-scoring sprinter Danehurst (GB) and Doneraile Court.

Hip 95, c, [Sadler's Wells](#)--Discreet Brief (Ire), by Darshaan (GB)

Consigned by Airlie Stud

Out of the impressive winner of the 2003 G3 Park Hill S., this colt represents the proven cross of High Chaparral (Ire), and has Derby written all over him. His high-class middle-distance family includes 1996 G1 Yorkshire Oaks winner Key Change (Ire), 1988 G1 Epsom Derby hero Kahyasi (Ire), 2001 G1 St Leger winner Milan (GB) and this year's G1 Irish St Leger scorer Kastoria (Ire).

Hip 105, f, [Dr Fong](#)--Dust Dancer (GB), by Suave Dancer

Consigned by Hesmonds Stud

This offering is a full sibling to the 2004 GII Lake Placid H. scorer Spotlight (GB), whose family includes the top-class Claxon (GB) and her daughter Cassydora (GB).

International Sire Mr. Greeley Gets 8th Grade 1 Winner

- FINSCEAL BEO won the Prix Marcel Boussac Royal Barriere de Deauville-G1

NO RAIL PROBLEMS AFTER ARC Khalid Abdullah's G1 Prix de l'Arc de Triomphe hero **Rail Link (GB)** (Dansili {GB}) was reported to be "absolutely fine" yesterday following his success in the Longchamp feature. Juddmonte's Racing Manager Teddy Grimthorpe confirmed that the sophomore, who denied Pride (Fr) by a neck Sunday, will remain in training as a four-year-old. "I've just seen him and he's come out of the race well--he certainly looks well and there are no problems, thank goodness," Grimthorpe said. "It's exciting to have him back next year, he'll stay in training and I hope he'll be back for the Arc."

RED EVIE SORE AFTER CHARIOT FLOP Terry Neill's **Red Evie (Ire)** (Intikhab) was yesterday reported to be showing signs of wear and tear after her disappointing fifth-place effort in Saturday's G1 Sun Chariot S. at Newmarket. Eased down in the mile contest, the G1 Matron S. winner trailed in last of five. Conditioner Michael Bell told *PA Sport*, "She is 100 percent sound and I think her run was probably just a combination of two factors. She is just a tiny bit sore on the splint that bothered her in the summer, and it was probably the effect of a long season, having been on the go since March."

CORRECTION: The country code for **Deep Impact (Jpn)** (Sunday Silence), third in Sunday's G1 Prix de l'Arc de Triomphe, was incorrect in yesterday's *TDN*. The four-year-old was bred in Japan.

Anyone looking for pointers to the direction that the thoroughbred world is taking could do worse than study the 11 Group races contested over the two days of the Arc de Triomphe meeting.

From an American viewpoint, the news wasn't good. Only one of the 11 winners--Mr. Greeley's impressive daughter Finsceal Beo--was conceived in the U.S.A. An explanation for this lopsided picture is that the American industry isn't as richly endowed in the Danzig blood which is proving so ideally suited to European conditions.

The breakdown of the 11 Group winners reveals that the Danzig male line supplied five of the meeting's seven Group 1 winners. Predictably, Danehill once again played a leading role, with one son, Holy Roman Emperor, taking the G1 Prix Jean-Luc Lagardere (Grand Criterium); and another son, Dansili, supplying the winner of the Arc, in Rail Link. This was the fourth time that a son of Danehill had taken the Grand Criterium, but Rail Link's Arc victory was a first for the Danehill line (although Sinndar, the 2000 winner, was by Danzig's grandson Grand Lodge).

Rail Link's excellent victory capped a rewarding week for Dansili, who had earlier notched his ninth stakes winner of the season when Thousand Words took the G3 Somerville Tattersall S. Those nine stakes winners

Dansili Juddmonte.com

include Price Tag, who also crossed the line first in one of Longchamp's Group 1 contests, and the dual Group 2 winner Strategic Prince, who is likely to step into Group 1 company in the Dewhurst S. This string of stakes successes is bound to benefit Dansili's Grade I-winning brother Cacique when he

too takes up stallion duties at Banstead Manor Stud, following his bid for the Breeders' Cup Turf.

The prowess of Danehill's stallion sons was also advertised by Danetime. Although he never won a stakes race, this good sprinter has a fine crop of two-year-olds, including Vital Equine, who took third in the Grand Criterium two days after Danetime's daughter Dhanyata had gone close to winning the G1 Cheveley Park S. Unfortunately, Danetime is no longer around to capitalise on this success. **Insights cont. p5**

Caulfield cont.

Danehill had to share center stage with another branch of the Danzig line--the one descending from the top sprinter Green Desert. This veteran Shadwell stallion provided one of the day's biggest surprises when his son Desert Lord took the G1 Prix de l'Abbaye, but Green Desert was overshadowed by his son Desert Style. This Morrystown Lattin Stud stallion completed a tremendous Group 1 double via Caradak in the Prix de la Foret and Mandesha in the Prix de l'Opera.

This has been a good year for Green Desert's stallion sons, as Cape Cross is again riding high on the back of Group successes by Ouija Board, Halicarnassus and Rising Cross. Then there's Invincible Spirit, the outstanding first-crop stallion who has achieved an impressive proportion of winners, including three stakes winners. Now the attention will move on to Green Desert's champion son Oasis Dream, whose first crop is strongly represented at this week's October Yearling Sale.

Predictably, the sire line which provided the Danzig team with the greatest competition was the one descending from Sadler's Wells. His sons Galileo, Montjeu and In The Wings, respectively, were responsible for Group 2 winners Vendangeur, Montare and Soldier Hollow. Sadler's Wells' three-parts-brother Nureyev also got into the act via his son King's Signet, sire of the remarkable stayer Sergeant Cecil.

This left only two group races for the Mr. Prospector line, which featured through his grandsons Mr. Greeley (Finsceal Beo) and Dubai Millennium (Echo of Light).

The second generation of the 11 group winners provides a telling indication of how much times have changed in recent years. Every single one has a paternal grandsire which was born in the U.S.A. and eight of the 11 have broodmare sires which also carry the (USA) suffix after their name. In other words, the influx into Europe of the best American bloodlines in the 1970s and '80s has been put to such excellent use that Europe is now much more self-sufficient. With the advent of Polytrack, is the day going to come when American breeders need to embrace some of the male lines which have been developing so well in exile in Europe?

Desert Style's Group 1 Longchamp double deserves more than a passing mention. This well-bred stallion shares the same second dam, Canton Silk, as the ac-

Barathea rathbarrystud.com

complished Barathea, but whereas Barathea won the Irish 2000 Guineas and Breeders' Cup Mile, Desert Style won nothing more important than a trio of Group 3 contests. His performances were good enough, though, to earn him a rating of 120 on the 1995 International Classifications. This made him the highest-ranked three-year-old sprinter in Europe, some 7 lbs below the top older sprinter, Lake Coniston.

His lack of a major success was reflected in his fee of only IR£3,000 at the start of his career, but Desert Style quickly overcame this handicap. His first crop produced two colts--Bachir and Cape Town--which were well above average. Bachir pulled off a classic double in the French and Irish 2000 Guineas in 2000, with Cape Town taking third place in the Irish version.

Even though none of his first four crops numbered as many as 50 foals, Desert Style continued to prove to be capable of siring group winners. The speedy filly Jessica's Dream came from his second crop and his third contained Next Desert, winner of the German Derby in 2002.

Desert Style's potential was quickly noticed by the Aga Khan's team, who sent him a minor winner, Caraiyma, in 2000 and another, Mandalara, in 2002. Remarkably both mares went on to produce Group 1 winners. Desert Style has also been represented by the Group 2 juvenile winners Cool Creek and Captain Hurricane, and he already has a pair of listed winners among his current crop of juveniles. This adds up to a very impressive record for a stallion who was available for €10,000 (£7,000) in 2006, and his price is surely set to rise for next year.

The former, who was purchased by Florida pinhookers Tony Bowling and Bobby Dodd, was consigned by Bill Reightler on behalf of Frank and Virginia Wright's Huntingfields. The Maryland-bred, the sole offering by her sire at the sale, is out of multiple stakes-winning Blue Sky Princess (Conquistador Cielo), who placed in the GII Cotillion H. and GIII Martha Washington S. At stud, the 14-year-old mare produced five foals of racing age, including stakes winner Inner Harbour (Capote). The Mar. 7 foal is a great granddaughter to GSW & GISP Dowery, a half sister to GISW Reluctant Guest.

Home Run..

Just when most thought the fireworks were over for the day, agent Buzz Chace came out firing, going to \$200,000 for a filly by Came Home out of the unraced Easy Goer mare Fun Crowd. Consigned to the sale by her owners Willow Oaks Stable, the chestnut is a granddaughter of Populi, who is a half sister to GI Travers S. hero Temperence Hill, and dam of champion handicap horse Vanlandingham. At the conclusion of the first session, 225 horses sold for an aggregate of \$5,574,900, which represented a 12 percent increase over the comparable session in 2005. Average also rose this term, up 5.4 percent, while median increased 7 percent to \$11,500. The number of horses not sold increased to 97, up from 50 last year. The sale continues today, with the action beginning at 10:00 a.m.

VAL ROYAL TO NATIONAL STUD Val Royal (Fr) (Royal Academy--Vadlava {Fr}, by Bikala {Ire}), who set the stakes record of 1:32.05 while winning the 2001 GI Breeders' Cup Mile, will join the stallion roster at The National Stud in Newmarket for 2007. The 10-year-old won seven of his 11 career starts, also taking the GII Del Mar Derby, GII Oak Tree BC Mile, G2 Prix Guillaume d'Ornano and G3 Prix de Guiche, and earned \$1,126,482. He has sired 10 winners to date from his first crop, two-year-olds of 2006. "Val Royal was a remarkable racehorse, and all the signs are that he will be equally as impressive as a sire," said the horse's owner, James Atkinson. Added National Stud Chairman Andrew Parrish, "For the last three years we have been striving steadily to increase the quality and range of sires offered to the British Thoroughbred breeding industry by The National Stud. This deal, coming so close on the heels of the acquisition of Phoenix Reach (Ire), represents further real progress towards that objective." Val Royal, who was at Oak Lodge Stud in Ireland last season, will stand for a fee of £6,500.
