OUIJA BOARD BYPASSES CHAMPION

Newmarket and instead head straight to the G1 Breeders Cup F & M Turf. Trainer Ed Dunlop, after consulting with the five-year-old's owner-breeder on Wednesday, opted not to risk the six-time Group 1 winner in the face of an adverse weather forecast. He was mulling over that decision at a sun-bathed

Newmarket yesterday. "I made a decision with Teddy [Derby] [Wednesday] not to run with the nine millimetres of rain forecast, as the Breeders' Cup is the aim and she might have left that behind with a hard race on Saturday," Dunlop said. "Looking at today's [dry] weather, I'm thinking have I done the right thing, but she'll follow the usual program and probably travel out the Sunday before the race, but it's not decided yet. We have made provisional plans to take her from the States to Japan, and maybe Hong Kong."

CHEVELEY SIGN UP DUTCH ART

Paul and Susan Roy's G1 Prix Morny and G1 Middle Park S. winner **Dutch Art (GB)** (Medicean {GB}--Halland Park Lass {Ire}, by Spectrum {Ire}) is in the process of being purchased by Cheveley Park Stud, *Racing Post* revealed yesterday. The Newmarket Stud's Managing Director Chris Richardson confirmed that the Peter Chapple-Hyam-trained two-year-old is set to join his sire at David and Patricia Thompson's base when he eventually retires. "The deal has not been concluded, but I can confirm we have approached the owners and are in negotiations," he told the *Post*, while revealing that Dutch Art will continue to race in his current owners' colors.

PAIR TOPS THIRD DAY AT TATTS PART 2

Trade stepped down a level at Tattersalls' October Sale (Part 2) Thursday with two 100,000gns lots sharing top billing on the third day of action. The National Stud's 315-member Never Say Die Club consigned the first of the pair: a Montjeu (Ire) colt knocked down to Charlie Gordon-Watson, with Tim Corby the underbidder. [Lot 1377](#), out of the Machiavellian mare Marciala (Ire), was purchased in utero for 46,000gns at the 2004 December Sale. "He's been bought for a new client of mine to go to Michael Jarvis," said Gordon-Watson. "He was just a really good athlete by the right sire." A Compton Place (GB) half-sister to recent stakes-winning juvenile Dubai's Touch (GB) (Dr Fong) and group-placed Nobelist (GB) and Wannabe Around (GB) also made 100,000gns. Agent Geoffrey Howson outbid Michael Donohoe of BBA Ireland for the Caherass Stud offering. Out of Noble Peregrine (GB) (Lomond), [Lot 1407](#) was a 28,000gns foal purchase. "She's been bought for an American client and will go into training in Ireland," said Howson. "I saw her over the summer and she has a lovely temperament. Obviously, we are hoping for the best from Dubai's Touch, and the idea is definitely to breed from her eventually." At the conclusion of yesterday's session, a total of 181 lots sold for an aggregate of 4,249,700gns, with average topping out at 23,479gns. The sale continues today with sessions starting at 9:30 a.m. and 5:30 p.m.

Master Command has been off the board just twice in his 10-race career, and both of those efforts came when he was shipped to the Midwest. Just a van ride away from this test, he should be in position to fire his best shot. The Monmouth-based four-year-old capped a three-race winning streak with a Gulfstream allowance score in January, then was fourth when making his stakes debut in his next appearance, the Apr. 8 GII Oaklawn H.

He came back to wire the field in the May 20 GIII W.D. Schaefer H. at Pimlico, but failed to factor when sixth in the July 1 GII Cornhusker BC H. at Prairie Meadows. Given a short break after that race, the chestnut colt was gaining on **Park Avenue Ball** when third behind that rival in the Aug. 19 GIII Iselin BC H. at Monmouth, and gets a six-pound weight shift in his favor here. **Park Avenue Ball** was picking up his third win from five 2006 starts in the Iselin, but could do no better than second as the 4-5

chalk in his only prior start over this track, the restricted Garden State H. last October. **Awesome Twist** comes off a solid second-place finish in the Sept. 16 GII Brooklyn BC H.

BORDONARO 50-50 FOR SPRINT

Bordonaro (Memo {Chi}), who earned a season-high 119 Beyer Speed Figure when taking the GI Ancient Title Breeders' Cup S. Oct. 7, may be supplemented for the GI Breeders' Cup Sprint, according to trainer Bill Spawr. "We're 50-50," Spawr commented. "We'll decide by the 23rd. He would have to be supplemented, and I think it's \$130,000, plus about \$50,000 to enter and such, is what I'm told. He's not the best shipper, so we would have to make sure he's comfortable." Prior to the Ancient Title, Bordonaro finished second in the GI Bing Crosby H. at

BREEDERS' CUP BULLETIN

BALLYDOYLE DUO OUT OF BREEDERS' CUP

Ballydoyle Classic winners Dylan Thomas (Ire) (Danehill) and Alexandrova (Ire) (Sadler's Wells) will sidestep the Breeders' Cup extravaganza at Churchill Downs Nov. 4 and instead await next season, according to *Racing Post*. Dylan Thomas, who improved on a G1 Epsom Derby third to win the Irish equivalent July 2, was a non-factoring fourth in last weekend's G1 Jockey Club Gold Cup in his main track debut at Belmont. That start followed defeat of Ouija Board (GB) in the Sept. 9 G1 Irish Champion S. at Leopardstown. "Dylan Thomas didn't run his race in America last weekend on the dirt and may be feeling the effects of a long season, so we've decided to leave him at home," trainer Aidan O'Brien told the *Racing Post*. Offering similar reasoning with regard to Epsom, Irish and Yorkshire Oaks winner Alexandrova, who met with a last-out defeat in the Oct. 1 G1 Prix de l'Opera at Longchamp, he added, "Alexandrova never travelled in the Prix de l'Opera at any stage, and it just wasn't her for some reason. For a filly with a lot of speed that shouldn't have been the case, and she came back sore after France. She might have been feeling the effects of a long season, so we're going to leave her alone, and she won't be travelling to America. We're hopefully going to look forward to next year with her."

SWEET STREAM SUPPLEMENTED TO ITALIAN GROUP 1 Six-year-old **Sweet Stream (lty)** (Shantou)

has been supplemented by Team Valor for Sunday's G1 Gran Premio del Jockey Club e Coppa d'Oro at Milan. The 1 1/2-mile fixture will serve as the swan song for the Italian-bred, who was bought as a two-year-old in her native land by Team Valor. For those connections, she won the G1 Prix Vermeille followed by victory in the G2 Park Hill S. in England, where last year she was the high weighted staying distaffer. John Hammond has named regular rider Thierry Gillet for the mare's finale. Sweet Stream, second behind Satwa Queen at Deauville in the G2 Prix Jean Romanet in August in her only seasonal outing, will be sent to Haras de Capucines after the Italian race to prepare for the 2007 breeding season. This year, the mare was booked to Monsun (Ger), but was never covered as she came into season too late. She will be rebooked to that German-based stallion for 2007.

This week's accomplishment: Co-bred, co-owns and trains GII Norfolk Breeders' Cup S. winner Stormello.

Birthdate: May 28, 1936, Oxford, NC

Family: Wife Betty, son Patrick and daughter Jaime.

Current Residence: West Hollywood, CA

How long have you been in racing and how did you get started? I've been in racing, I suppose, 35 or 40 years.

When I was a little kid I had a love for horses. I started training horses on the show circuit. I switched to Thoroughbreds because all the kids that I taught to ride in the neighborhood--and my kids, too--they all went to university and I had no one to play with. An old man came by with a *Daily Racing Form* and he taught me in 20 minutes how to read a *Racing Form*. And I thought, "This is the most reasonable thing I've ever seen in my life." So I sold all of my show horses and I started claiming some horses and that's when you really get an education. I have between 60 and 70 horses. I keep 20 at Hollywood Park and I own or co-own all of the horses that I have. So tell them all out there, sorry, but this boy is taken.

What is your favorite type of music? Django Reinhardt on the guitar.

Drink of choice? I love Macallan Scotch in small amounts and I love a little glass of wine with either lunch and or dinner. But never to excess because I don't believe in a lot of drinking.

Funniest Movie? The Pink Panther, of course.

Childhood Ambition? I had no ambition, except to flirt with the girls and make a little money selling watermelons or Christmas trees or whatever to get my girlfriend a present.

What do you have in common with Bill Clinton? Clinton was educated at Oxford. I, too, was educated at Oxford. Oxford High School in North Carolina.

First job? I never had a job. Actually, I worked for Conrad Hilton once. I read an article by him one day and he said if you want to succeed you have to put your boat in very deep water. That same day, I wrote to Mr. Hilton. I said I hereby tender my resignation--my water isn't deep enough. And that's why I've been building houses and subdivisions in cities and racing horses ever since.

PROTEST FILED OVER FINISH OF INDIANA DERBY by James Platz, www.bloodhorse.com.

The connections of **Star Dabblers** (Saint Ballado--Meadow Silk, by Meadowlake) have filed a protest with the Indiana Horse Racing Commission centering around the three-year-old colt's dead-heat victory in the \$513,200 GII Indiana Derby Oct. 7. Owner Barry Schwartz and trainer Michael Hushion, who feel their entry hit the wire first, faxed the protest to the IHRC Oct. 9. "I saw the photo picture on the 15-foot screen and I couldn't believe it," Hushion said. "I got in touch with Mig [jockey Richard Migliore] and he thought he had won. He said the fans were screaming at him coming back that he got robbed. He tried to get a hard copy of the photo from the stewards and they would not give him one. Even if you go to Racereplays.com, you can clearly see daylight between his nose and other horse's nose; a good 2-3 inches." Hushion sent assistant trainer Graham Wolfram to Hoosier Park in his stead, instead watching the 1 1/16-mile contest via simulcast. Star Dabblers established the pace before briefly giving up the lead to Cielo Gold in the stretch. Migliore rallied his mount back along the inside to create the photo finish. After a lengthy deliberation, stewards determined there was a dead heat for win. Hal Wiggins, trainer of Cielo Gold, had conceded victory to Star Dabblers. "I felt we had our nose in front every jump except the last one. I honestly thought we got beat," Wiggins said after the race. "I watched the slow motion [replay] and it looked like we had our nose in front and right when they hit the wire it looked like I could see the shadow roll of that inside horse. I thought we probably lost by an inch or so." Schwartz and Hushion wasted little time filing their protest following the Indiana Derby. Now, they must wait for IHRC Executive Director Joe Gorajec to review the submission. According to IHRC Assistant Executive Director Deena Pitman, both Gorajec and the commission's legal counsel are on vacation. Gorajec is not scheduled to return until Oct. 24. "Really, this is kind of a first; we haven't set a protocol yet. That won't be determined until he [Gorajec] gets back," Pitman explained. "They [connections] did what they thought was right, and they did it in a timely manner." Star Dabblers has since been retired after suffering an injury to his left front sesamoid. The three-year-old retires with three wins in seven career starts and earnings of \$319,936, all accomplished this season. He was bred in Florida by Four Horseman's Ranch and The Saint Ballado Syndicate. "He was slightly off when he came back, and it got worse. We took X-rays and he has a fracture of the front left sesamoid," Hushion said. "He was a brilliant horse with a nice family, and we're hoping someone contacts us about stud plans."

He switched to the turf for the Sept. 23 Donnie Wilhite Memorial H., finishing second at odds of 31-1, and was 4-1 facing Keeneland allowance foes. Tapeta Surface for Golden Gate Fields:

Magna Entertainment Corp., owner and operator of Golden Gate Fields, has announced that a Tapeta synthetic surface will be installed at the Northern California track. "I wanted to have the best racing surface available to ensure the health of both horse and rider," said Frank Stronach, chairman and interim chief executive officer of MEC. "We looked at a number of different options available to us and are very pleased with our selection of Tapeta." Construction will begin in May of 2007. In order to comply with a mandate from the California Horse Racing Board, all California racetracks must install synthetic surfaces by Jan. 1, 2008.

Like her sibling Frizzante (GB), Firenze is improving with age and followed a Goodwood handicap success June 10 with a second in the Wokingham H. at Royal Ascot a fortnight later. Third in the Stewards Cup H. back at Goodwood Aug. 5, she put in a rare disappointing effort when only eighth in the Sept. 24 G2 Diadem S. at Ascot on her latest start, but rebounded with a dramatic last-gasp score here. Out the back door and struggling throughout the early stages, the chestnut kept responding to Jamie Spencer's urgings and produced a sustained run up the stands' rail to cut down Ripples Maid in the final stride. "She is a good filly on her day and is very tough," trainer James Fanshawe said. "She has that will to win and a fast-run race like that suits her."

Innocent Air was put away for the year after winning the Listed Washington Singer S. at Newbury last August, but was off the board in her first two sophomore starts in the May 19 Listed Swettenham Stud Fillies' S. at Newbury and July 8 G2 Lancashire Oaks at Haydock. Fourth in the Listed Atalanta S. at Sandown last time Aug. 26, she pulled her way to the front in the early stages before striding into a clear advantage approaching the final furlong. Pressed by Anna Pavlova late, she pulled out extra to deny that rival on the uphill climb to the line.

LADIES BEST (GB) (c, 2, King's Best--Lady of the Lake {GB} {SW-Eng}, by Caerleon), successful at Salisbury last time Sept. 27, was sent off the 6-1 second choice and settled in mid-division throughout the early stages. Making smooth progress passing halfway, the 60,000gns TATOCT yearling rolled to the front with 150 yards remaining before asserting to beat Buccellati (GB) (Soviet Star) by a length. "He is obviously improving and going the right way," trainer Sir Michael Stoute commented. "Kerrin [McEvoy] gave him a lovely ride." Lifetime Record: 3-2-0-0, £9,391.

JALIL (Storm Cat) topped last year's Keeneland September sale at \$9.7 million, making him the fourth most expensive yearling ever to be bought at auction. The brother of After Market, whose dam is a half to Benchmark, debuts in the Godolphin livery and takes on a host of intriguing newcomers, including Gary Middlebrook's **Dance of Light (Sadler's Wells)**, a Sir Michael Stoute-trained filly bred along the same lines as Dr Massini (Ire). Also in the mix is Sheikh Hamdan bin Rashid Al Maktoum's **Madaarek (Kingmambo)**, a homebred colt from the family of Chief's Crown, saddled by Ed Dunlop.

2.35 Newmarket, Cond, £13,000, 2yo, 1mT
PROPONENT (IRE) (Peintre Celebre) looked a colt with a bright future when winning a Newbury maiden on debut last month, but Roger Charlton is taking a softly-softly approach by avoiding stakes company at present. Bjorn Nielsen's half-brother to the smart stakes performer Pont d'Or (Ire) has only one credible challenger to his perfect record in Michael Pescod's **Minos (Ire) (Grand Lodge)**, a Richard Hannon-trained colt who was down the field in the Goffs Million at The Curragh last month.

Striking the front approaching the eighth pole, the 2-1 favorite was pushed out to best Danny Templeton (Ire) (Namid {GB}) by a convincing three-length margin. The hombred, who is the 20th winner for his freshman sire (by Rahy), is a half to Dignify (Ire) (Rainbow Quest), GSW-Fr, SP-UK. Lifetime Record: 1-1-0-0, £5,181. PERFECT STAR (GB) (f, 2, Act One {GB}--Granted {Fr} {MSP-Fr}, by Cadeaux Genereux {GB}), runner-up behind the smart Cumin on debut at Goodwood Aug. 3, broke well and soon enjoyed a narrow advantage. Joined before halfway, the 25,000gns TATOCT yearling looked held when passed by Palamoun (GB) (Mtoto {GB}) at the quarter pole, but rallied gamely to regain the lead passing the eighth pole before asserting to score by a length. She becomes the sixth winner for her freshman sire (by In the Wings {GB}). Lifetime Record: 2-1-1-0, £6,969. O-Dr Bridget Drew & E E Dedman; B-Mrs A M Jenkins and E D Kessly; T-Clive Cox.

TREDEGAR (GB) (c, 2, Inchinor {GB}--ffestiniog {Ire} {SW-GB}, by Efisio {GB}), runner-up on Lingfield's polytrack last time Sept. 27, broke well and raced prominently before gaining the edge approaching the quarter pole. Driven to assert in the closing stages, the 7-2 second favorite held We'll Come (GB) (Elnadim) to score by 3/4 of a length. The homebred is a 1/2 to Eisteddfod (GB) (Cadeaux Genereux {GB}), GSW-Fr, SP-Eng, \$287,945; and Brecon Beacon (GB) (Spectrum {Ire}), MGSP-US, MSP-Eng, \$206,204. Lifetime Record: 3-1-1-0, £4,849.
