As in some of the greatest bouts in boxing history, the result between **Teofilo (Ire)** (Galileo {Ire}) and **Holy Roman Emperor (Ire)** (Danehill) went down to the final bell, but it was the former who had the count to win an epic renewal of the G1 Darley Dewhurst S. yesterday at Newmarket. After a pulsating final 100 yards, when

**Teofilo (right) gets the better of Holy Roman Emperor** *Getty Images*

Teofilo was passed and appeared beaten, the 11-8 pick drew on reserves to answer Kevin Manning's question and prevail by a head. "He's unbelievable," Manning commented. "He doesn't do a great deal when

he gets to the front and is very idle, but he keeps pulling out when he gets into a battle and you can feel him lifting again underneath you. You never feel like you're beaten and we just haven't seen the best of him yet."

(Albert the Great) for an impressive victory in the G1 Champagne S. at Belmont Park. "With every race, he's gotten a little more better (sic)," said trainer Todd Pletcher. "He did what we thought he would do when we

stretched him out. It was a huge race." The winner goes next in the G1 Breeders' Cup Juvenile at Churchill Downs Nov. 4. **Cont. p2**

made yet another trip onto the Keeneland turf course yesterday afternoon to accept the trophy for the G1 First Lady S., won by **Gorella (Fr)** (Grape Tree Road {GB}). In taking her record on the year to four wins from five starts and taking one step closer to earning an Eclipse Award,

Gorella will make her next start across Interstate 64 in three weeks' time. But in which race? **Cont. p5**

**PRIDE GOES ONE BETTER IN CHAMPION**

A narrow runner-up to David Junior in last year's running of the G1 Champion S., N P Bloodstock Ltd.'s hard-knocking **Pride (Fr)** (Peintre Celebre) earned a measure of revenge yesterday, posting a comfortable three-length victory over **Rob Roy** (Lear Fan). "She is a champion; the trainer did a really good job to keep her in excellent condition and this is his reward today," said winning rider Christophe-Patrice Lemaire. **Hurricane Run (Ire)** (Montjeu {Ire}), sent off the 9-4 favorite, inherited the role of pacesetter, but weakened late to be third.

Jim Bolger's unbeaten homebred **Teofilo** had put daylight between himself and Susan Magnier's Holy Roman Emperor in the G1 National S. at The Curragh Sept. 17, but had to dig deeper to withstand that foe this time. Teofilo's iron resolution was evident first time when winning an above-average maiden at The Curragh July 16 and again 13 days later in Leopardstown's Listed Tyros S. He had to call on those qualities again to deny Eagle Mountain (GB) by a head in the G2 Futurity S. back at The Curragh Aug. 26 before his convincing dismissal of Holy Roman Emperor. Missing the kick yesterday, the imposing bay made up ground to track the early leaders and needed all of his considerable muscle to edge through the gaps and lead with 1 1/2 furlongs remaining. He looked held as Mick Kinane rolled by on his arch rival inside the final eighth, but his ground-swallowing stride carried him back to the front in the final uphill climb. "I could see he wasn't that happy on that ground, but was happy with the amount of energy he had when passing the post," Bolger, the colt's owner, breeder and trainer commented. "He doesn't know he's two--he's four really in his mind. That's the sort of mentality he has--he's been strutting around like that since he was a foal." Trainer Aidan O'Brien was looking ahead to next May with Holy Roman Emperor. "He's run a great race, but it was all a bit rough," O'Brien told *PA Sport*. "They are two good horses and the winner looks very good. The ground today was borderline. The horse loves fast ground so this surface was a worry, but the boss said to let him run. I hope we'll be here next year for the Guineas and that's it for the season."

Scat Daddy won a muddy Belmont maiden by an easy 5 1/4 lengths June 3, but did not race again until the Saratoga meeting, adding Lasix for the July 29 GII Sanford S. The colt looked hopelessly beaten in deep stretch, but was along in the final strides for a neck success. He experienced more bad luck as the gates sprang for the GI Hopeful S. Sept. 4, stumbling at the start before settling for a runner-up effort behind stablemate Circular Quay (Thunder Gulch). Getting an extra furlong here, Scat Daddy raced comfortably in midpack as Pegasus Wind set a reasonable pace. Nobiz Like Showbiz had the first shot at the frontrunner and snuck his head in front as they raced past the eighth pole. But by this time, Scat Daddy, who gained four wide on the turn, was in full gear and overhauled the favorite before driving clear to the win. He is likely to be joined at Churchill Downs by stablemates Circular Quay and GII Futurity S. winner King of the Roxy (Littleexpectations). Trainer Mike Stidham is now based at Keeneland and had every opportunity to run Sutra in last weekend's GI Alcibiades S. But he opted for the one-turn mile of the GI Frizette S. and that decision paid dividends as Sutra, coming off a heartbreaking defeat in the GIII Arlington-Washington Breeders' Cup Lassie S. Sept. 10, got through late on the rail for a 1 3/4-length success over 47-1 Enchanting Star. She was sent off at debut odds of nearly 10-1 going six furlongs on the Arlington Million undercard Aug. 12, but rallied from last to win going away. The dark bay raced in midpack in the Lassie and took a short lead past the eighth pole, but was tagged late. Urged along to keep pace early here, Sutra began to find her best stride on the turn, dug in when roused at the eighth pole and inched away late. "At Belmont, you don't want to, but I made the decision to stay inside," said jockey Mike Luzzi. "I had to work on her a little bit, but she took it. You don't want to get beat down on the fence and have that as an excuse, but everything worked out." The winner is likely for the Juvenile Fillies, while the second and third are expected to pass the race. Pride turned in an imperious performance against a stellar cast to join a host of famed distaffers to have annexed this contest. The homebred closed last season with a second in the Dec. 11 G1 Hong Kong Cup at Sha Tin and has benefitted from a softly-softly approach this time around. Stepping up from a fourth in the Apr. 30 G1 Prix Ganay, she bagged the May 29 G2 Prix Corrida, before defeating Hurricane Run with a last-gasp success in the June 25 G1 Grand Prix de Saint-Cloud. Conditioner Alain de Royer-Dupre allowed Pride a summer sabbatical and she came back refreshed to run a tenderly handled third in the Sept. 10 G2 Prix Foy before a close second to Rail Link (GB) in the G1 Prix de l'Arc de Triomphe back at the Bois de Boulogne last time Oct. 1. Adopting the usual hold-up tactics here, the bay accelerated beyond rivals inside the final quarter mile and was clear exiting the dip, requiring minimal encouragement thereafter for an easy score. "She was very relaxed in behind Sir Percy, I just had to follow him and when I asked her to accelerate she did it very well," explained Christophe Lemaire. Vacare, whose three previous victories had all come  
against softer competition at Arlington Park, proved she  
could play with the big girls as well, coming from just  
off the pace to earn a first Grade I victory. Dismissed at  
debut odds 14-1 despite a solid turf pedigree, the bay  
won by four lengths June 9 and tacked on a 5 3/4-  
length victory in a first-level allowance July 26. Despite  
missing an important prep race, she was dispatched the  
2-1 second choice in the Gill Pucker Up S. Sept. 9 and  
came through with flying colors, pulling clear for a four-  
length victory. A touch headstrong as she forced the  
pace outside Vague (Elusive Quality), Vacare settled in  
comfortably for the run up the backstretch. Four wide  
into the stretch, she was roused to the front at the  
eighth pole and stayed on for the win. "I wanted to be a  
little further back early on," admitted winning rider  
Carlos Marquez Jr. "At the 5/16 pole I had lots of  
horse. I was just waiting to let her run. She has a very

Ramonti loves this track and trip and ensured there  
was no hiding place for his rivals when making all and  
winning the hard way under an enterprising ride from  
Edmondo Botti here. Having captured the G2 Premio  
Parioli at the Capannelle last April, he was denied by a  
head the elusive double of the Parioli-Derby double  
when runner-up to De Sica (Ire) in the Derby back at  
that track the following month. Resurfacing for the first  
time since winning a conditions race over this track and  
trip Apr. 4, he was runner-up in the May 1 Listed  
Premio Signorino back in Rome before returning here to  
win the Listed Premio Bereguardo May 13. He covered  
the same mile of this circuit to add the G2 Premio  
Emilio Turati to his tally June 2 before running seventh  
in the G1 Prix Jacques le Marois at Deauville Aug. 13  
and second in the Listed Premio del Piazzale back here  
last time Sept. 17. Always traveling easily carving out  
fractions to suit, he changed gear as Notability and  
Caradak challenged inside the final quarter to record a  
comfortable score.

Master Command, who defeated Andromeda's Hero and Funny Cide to take the May 20 GIII William Donald Schaefer H., had not been out since running third behind Park Avenue Ball (Citidancer) in the Aug. 19 GIII Philip H Iselin H. The chestnut colt set the pace through tepid fractions of :24.06, :47.03 and 1:10.17 while attended closely by Wild Desert. Asked for run in upper stretch, Master Command inched clear to the wire to give trainer Todd Pletcher a record-equalling 92nd stakes win of the year. "It's a great milestone," Pletcher admitted. "It was a record I didn't think anyone could get close to." As for Master Command, Pletcher said, "This horse has always run his best when he gets in the race early. We wanted him to be forwardly placed and it worked beautifully." Jockey John Velazquez added, "We definitely wanted to come out of there running and go into that first turn and make sure we had good position. We inherited the lead going that slow. It was pretty easy from then on." Pletcher said Master Command might have earned a trip to the Breeders' Cup Classic with the win. "I'll savor this one for the moment, then we'll talk to the Joneses and see," he said. Favored Park Avenue Ball broke slowly and had no response in the lane, finishing fifth. The irrepressible Gorella remained unbeaten against her own sex in 2006, scoring a narrow victory over a game Karen's Caper. Winner of a local turf allowance Apr. 19, she was a troubled fifth to English Channel in the GI Woodford Reserve Turf Classic at Churchill May 6. She bounced back with a neck victory in the GII Just A Game H. on the Belmont S. undercard June 10 and was last seen displaying her wicked turn of foot in a 1 3/4-length score in the GI Beverly D. S. at Arlington Aug. 12. Posted at the back of the field behind a solid pace, Gorella advanced along the inside on the turn and was in need of room in upper stretch. The agile chestnut, beneath Julien Leparoux summoned up another flying finish, knifing through between My Typhoon and Karen's Caper inside the final eighth before holding the latter safe. Given her ability to stay at least 9 1/2 furlongs, the temptation might be to start Gorella in the GI Filly and Mare Turf in three weeks. But trainer Patrick Biancone sees a clear choice. "When a horse can run a mile in 1:34 and change, I think the answer [Mile] is easy to find," he commented. Owner Marty Schwartz pledged 10 percent of his winnings towards a scholarship in memory of Kathleen Torok, an administrative assistant to Director of Racing Rogers Beasley who was killed in a car accident Thursday morning. After trying his elders in his last start, Showing Up returned to boss his peers here. Sixth in the GI Kentucky Derby, the chestnut made his turf debut in the June 24 Colonial Turf Cup and rallied from off the pace to a 3 1/4-length victory. Leaving nothing to chance in the GI Secretariat S. in Chicago Aug. 12, Showing Up led past every pole en route to a 1 1/2-length score, but, after racing a bit keenly in his latest, was beaten into third by Cacique (Ire) in the GI Man o' War S. at Belmont Sept. 9. Allowed to settle this time beneath Cornelio Velasquez, the Roy and Gretchen Jackson runner took a short lead three wide into the stretch. He was joined soon thereafter by Outperformance, but dug in gamely and finished well for the win. "He settled behind the speed very nicely. I never expected him to be that cool," admitted winning trainer Barclay Tagg. "When Outperformance came up alongside of him, he kicked in beautifully. My plan is to go to Hollywood with him [for the GI Hollywood Derby, 1 1/4 miles, Nov. 26]."

A maiden winner in four starts at two, Dark Insider returned from a seven-month hiatus to fill the runner-up spot in a Newmarket conditions event Apr. 20. Third in a handicap over the Lingfield all-weather May 23, the bay was 10th in a handicap at Royal Ascot June 22 before taking a Newmarket handicap July 14. Fourth in the Listed Vodafone Thoroughbred S. at Goodwood Aug. 5, the Tattersalls December graduate rolled to a 2 1/2-length victory in a handicap at Bath Sept. 9. Dark Islander broke a bit slowly, then took up a stalking position in the second half of the field. Sent three wide around the far turn by jockey Jose Valdivia Jr., he surged to the front in upper stretch and quickened nicely away from the field. "This is a horse that's been progressive and the ground's gone soft in England now and he's a fast ground horse," said winning trainer John Hills. "It was either come to California or wait for Dubai and we decided to come here and go to the Hollywood Derby [Nov. 26, Gr. I, \$500,000, 1 1/4 miles, turf] after this if it all worked well. The one thing about him in UK is he's a horse who needs a little bit of a gallop to settle. We were worried when there were only six runners with no real natural front-runner. We thought maybe A.P. Warrior would go and make it but he didn't, did he? I said to Jose [Valdivia Jr.], 'Make sure you get a cover.' He rode him beautifully, really, didn't he?"

Sleeping Indian was second when favorite for this last year and returned on the final leg of his farewell tour to reward supporters who kept faith with a gutsy display for a timely career high. Slated to stand at Tweenhills Farm & Stud in Gloucestershire next season, the handsome bay made light of an 11-month break to land the Sept. 15 Listed Dubai Duty Free Cup at Newbury, but endured a troubled trip when off the board in the G1 Prix de la Foret at Longchamp last time Sept. 30. Slipstreaming Welsh Emperor (Ire) (Emperor Jones) in the center of the track until pushed to the fore with 2 1/2 furlongs remaining, he used the dip as a slingshot for added momentum and relished the rising ground in the closing stages to comfortably hold persistent sophomore Killybegs. "The boss [John Gosden] has done a hell of a job with this horse, he's been very patient all year and it's paid off for him," commented winning rider Jimmy Fortune. Reflecting on a fruitless trip to Paris last time, the jockey added, "The race didn't pan out for us at Longchamp, they went quick for half a furlong and pulled it up in front. We got caught in a pocket and things didn't really go our way." Revealing this success to be Sleeping Indian's swansong, Gosden said, "He goes off to stud now and I will miss the old boy. He has always been a very easy horse and has a great temperament, a child could ride him."

Finsceal Beo capped a day to remember for Jim Bolger and Kevin Manning when spread-eagling a competitive line-up to book her own ticket on the plane with Teofilo (Ire) back here next May. Encountering different conditions than when a highly impressive five-length victress at Longchamp in the G1 Prix Marcel Bousac on Arc day 13 days previously, the chestnut demonstrated a versatility that will see her favored in next year's G1 1000 Guineas. Having suffered a hairline fracture after debut success at Leopardstown Apr. 23, she returned with a second as the highweight in a competitive Tralee nursery Sept. 1 before finishing sixth from a desperate draw in the Goffs Million at The Curragh Sept. 19. Having set a new race record over a mile in the Marcel Bousac, she faced softer ground and a penalty here, but made light of those impediments to stalk the pace before making a decisive move approaching the quarter pole. Quickening to lead with 1 1/2 furlongs remaining, she galloped resolutely when in the clear for a commanding success as Rahiyah put distance between herself and the main cluster. "She's good," Bolger commented. "We were viewing today as a Guineas trial, so hopefully we will be back here in May. She has a nice turn of foot and stayed on well today." Malibu Mint, winner of the GI Princess Rooney H. at Calder July 15, missed by just a neck in the Aug. 4 GII Honorable Miss H. before tiring to sixth after a wide trip in the Aug. 27 GI Ballerina Breeders' Cup S. She rebounded with a 3 1/4-length victory in the Sept. 23 Weekend Delight S. at Turfway last time out. Never far back, the chestnut filly angled out six wide for racing room into the lane and outbattled Hide and Chic to the wire. "When I swung her out, she was gone," said winning rider Kyle Kaenel. "It got a little tight going into the turn. She took herself back, made room and that was it." Winning trainer Jim Chapman thinks we haven't seen the best of Malibu Mint. "She's just a good filly and we're still not to the bottom of this filly," he said. "I think she could run long and the grass could move her up." Favored Behaving Badly (Pioneering) was in the mix early, but had no rally in the final furlong and finished fourth. "She wasn't comfortable in between horses," explained Bob Baffert, trainer of the beaten favorite. "She's one of those fillies that likes to go out there and roll. We were afraid to do that with the way the speed was running. We would have been better off just letting her roll, but I'm not sure if she would have won anyway."

Best of Buddies, who came into this effort unbeaten in three turf outings, won a July 29 allowance over the Arlington lawn before missing by just a neck in a Sept. 10 off-the-turfer. He returned to the turf and the winner's circle last out with a course-and-trip allowance win Sept. 29. Pressured on the front end, the dark bay gelding opened a clear lead turning for home and then was fully extended down the lane to hold on for the win. "My only concern was that this race came up so soon," admitted winning trainer Michele Boyce. "It was only 14 days after his last race and he's a delicate little horse. He's not a strapping big colt. I would have liked three weeks between races, but this is the way it came up and he responded to the challenge. He's just a gummy, game little horse." Winning rider Eddie Martin, Jr. added, "I wasn't disappointed with drawing the inside post. He's got good tactical speed. I let him run down the lane and it worked out." Brilliant (War Chant), favored off a win in the Sept. 9 GIII Kent Breeders' Cup S., raced with the pace but tired to sixth. "He offered some [response], but not what I was anticipating," jockey Robby Albarado admitted of the beaten favorite. Click for the [brisnet.com chart](#).

Fifth to Barbaro in the GIII Tropical Park Derby in his turf bow over this course New Year's Day, Can't Beat It rallied wide and bested subsequent GSP Tahoe Warrior in a Jan. 20 allowance on the Gulfstream lawn. A 1 3/4-length winner of the Feb. 12 Hallandale Beach S., the homebred was sixth in the GII Fountain of Youth S. on the main track before earning a rest. Despite making up 14 lengths in his comebacker, he could do no better than seventh in the June 24 Colonial Turf Cup, and ran into controversy in his latest. He crossed the line second in the GII American Derby at Arlington July 22, but was subsequently disqualified to last after testing positive for a pair of Class 4 medications. While connections are appealing that decision, Can't Beat It has been waiting patiently and took full advantage of this field in his return. Slightly worse than centerfield for the opening half-mile, the Live Oak runner commenced a rally while trapped wide on the far turn. That momentum carried him past stablemate Elizabul entering the stretch and he drew off to an easy victory. "[Jockey] Rene [Douglas] rode him perfectly today," said winning trainer Marty Wolfson. "He has a good fuse; it just has to be timed right. I really thought he had these horses over a barrel today." [Click for the brisnet.com chart.](#)

Nkosi Reigns led every step to earn his first victory at the graded level. Winner of Arlington's Cigar S. in August 2005, the dark bay continued to campaign in the Midwest without tasting victory in his next eight starts. He ran fourth in the GIII National Jockey Club Breeders' Cup H. Apr. 22 at Hawthorne, and was given some time off following a seventh on the turf in the Illinois Owners' H. May 7 at Arlington. Third in the Dr. Fager S. on the Arlington dirt July 8, he finished fourth in the Prairie Meadows H. July 29, but came into this contest off a second to MGSW Straight Line--a winner yesterday at Keeneland--in a one-mile optional claimer at Arlington Sept. 6. The Florida-bred was conceded the early lead and he made the most of it, clicking off fractions of :23.94, :48.00 and 1:12.40. He was given a scare by the rallying three-year-olds Big Lover and Rehoboth in the lane, but found the wire in time for a long-awaited victory. "He kind of dragged [Jeffrey Sanchez] up to the lead on his own without much urging," commented winning trainer Ron Spatz. "He's a nervous horse, so it couldn't have gone any better [being alone on lead]." Nkosi Reigns could run next in the \$200,000 Carl Rose Classic at Calder Nov. 11. Barracuda Boy took a bite out of his first graded-stakes test, rolling to a fifth consecutive victory overall. After requiring a van ride to Fort Erie to break his maiden last Oct. 10, the dark bay was fifth in an Oct. 29 allowance at Woodbine and finished fourth in a Tampa allowance Dec. 27 before getting a break. Dipped in for a conditioned \$20,000 tag in his first two starts this season, he responded with victories May 24 and June 21 before transitioning successfully to the synthetic surface July 19. He registered his fourth straight win in a second-level allowance Aug. 20 and was the second choice on the class hike. Sent immediately to the front by jockey Emma-Jayne Wilson, Barracuda Boy set easy fractions of :47.90 for the half and clicked off six furlongs in 1:11.84. He opened up easily in upper stretch and remained well clear as Pellegrino finished runner-up for the second time in as many tries on the main track. "All I can say is it's a matter of confidence," said Wilson, celebrating her fifth added-money win of the season. "They come from a streak of wins where they get their confidence. This is a game of confidence and he was successful. I was anticipating having some speed to stalk. But he broke sharp and put himself in his usual bowed neck position. Being on the front end, he relaxed for me and as we hit the backside, I was very content on where I was sitting."

This race has played host to some of Britain's top stayers in recent years and its honor roll includes the near legendary **Persian Punch (Ire)**. **Hawridge Prince**, who was only tried over extreme distances two starts prior to this, maintained his relentless progress to gain some limelight in a division dominated by **Yeats (Ire)** and his G1 **Prix du Cadran**-winning stable companion **Sergeant Cecil (GB)**. Having recorded his first stakes success in the **Listed Fenwolf S.** at **Ascot** last time Sept. 24, the predominantly sprint-bred gelding continued to defy his pedigree with another imperious display here. Always traveling easily in rear after his slow start, he made up ground effortlessly before hitting the front approaching the quarter pole. Lugging right across **Bulwark** soon after, he lengthened when straightened up by **Jim Crowley** to leave his struggling rivals in his wake. "He's a lovely horse and oozes class," **Crowley** said. "He was traveling really nicely throughout the race and stays two miles brilliantly. He's got a bit of class about him." Click for the [Racing Post chart](#).

Stage Gift burst onto the scene with an impressive success in a valuable handicap on Epsom Derby day June 3 and returned from a break to finish seventh in the Aug. 22 G2 Great Voltigeur S. at York. He built on that effort with a runner-up placing back at that track behind the subsequent G2 Prix Daniel Wildenstein winner Echo of Light (GB) in the G3 Strensall S. at York Sept. 9 and continued his upward progression with a game win here. Settled behind the early leaders by Ryan Moore, the blaze-faced chestnut made his move entering the dip and emerged out of it to chase the long-time leader Windsor Knot. Reeling in that rival with 150 yards remaining, he dug in to prevail in the uphill tussle. "He is a progressive horse and we like him a lot," trainer Sir Michael Stoute said. "After he won at the Epsom Derby meeting, we gave him a break as he had quite a busy time early in the season and we wanted to freshen him up for the autumn. Hopefully, he will make up into a nice horse for next season."

**Gran Premio del Jockey Club Italiano cont.**

**Cherry Mix** returns in a bid to win back-to-back renewals of this contest and provide Godolphin with its third renewal since 2001. Despite not building on his second to Bago (Fr) in the 2004 G1 Prix de l'Arc de Triomphe at Longchamp, Cherry Mix found his feet again following last year's win here. Not disgraced when beaten under five lengths by Hurricane Run (Ire) when sixth in Ascot's G1 King George VI & Queen Elizabeth Diamond S. July 29, he recorded his second success at the highest level 15 days later when annexing the G1 Rheinland-Pokal at Cologne. Rested since his subsequent sixth in the G1 Juddmonte International S. at York Aug. 22, a bold show is expected. "We gave him a break since his last race, which he needs to perform well," trainer Saeed bin Suroor commented. "He prefers soft ground so hopefully he will get that and run another big race." **Laverock** looks to add to his win in the G1 Prix d'Ispahan at Longchamp May 21. Subsequently third behind Pride (Fr) and Hurricane Run in the June 25 G1 Grand Prix de Saint-Cloud and runner-up in the G1 Grosser Dallmayr-Preis at Munich July 30, he has also enjoyed a freshener since finishing a place ahead of Cherry Mix in the International. **Sweet Stream** usually bags a big prize each season and has the 2004 G1 Prix Vermeille and last year's G2 Park Hill S. on her resume. She found only the subsequent G1 Prix de l'Opera second Satwa Queen (Fr) too strong in the Aug. 20 G2 Prix Jean Romanet at Deauville last time. Sweet Stream bids to improve on her fourth, before being promoted to third, behind Shirocco (Ger) and Electrocutonist here two years ago.

All carry 123 pounds.

**Strobilus** looked a colt with a future when registering a convincing success as the highweight in a nursery on Lingfield's polytrack last Friday and will test the home team, as will **Chinese Whisper** and **Kirklees**. Both represent stables successful here in recent times, with the former bidding to add to the two renewals for Ballydoyle, while Kirklees is in line to double Mark Johnston's tally. On the face of it, Chinese Whisper has to improve on his latest second in the Oct. 1 Listed El Gran Senor S. at Tipperary, but Kirklees has major claims on his third in the G2 Royal Lodge S. at Ascot last time Sept. 23. Of the domestic hopes, **Golden Dynamic** took a vital signpost when besting **Walharer** in the Listed Premio Rumon at the Capannelle Oct. 1, while **Moriwood** represents the all-conquering Botti brothers. He is two-for-two and bested the listed scorer Docksil (GB) and Polar Wind in a six-furlong conditions event at this venue last time Sept. 17.

**Daramsar** was third behind the subsequent G2 Grand Prix de Deauville winner Irish Wells (Fr) in the Listed Prix Frederic de Lagrange at Vichy July 20 before winning the Aug. 26 Listed Grand Prix de Clairefontaine. Third again behind the G1 Prix du Jockey-Club second Best Name (GB) in the G3 Prix du Prince d'Orange here last time Sept. 16, he bids to provide trainer Alain de Royer-Dupre with his fourth renewal. Andre Fabre has sent out five winners and relies on **Kocab**, who was runner-up to Montare (Ire) 12 months ago and warmed up for his return by winning the Listed Grand Prix de Sud-Ouest at Toulouse Sept. 9. **Policy Maker** has to give weight away all around, but always warrants respect in these contests, as he proved when taking the June 4 G2 Grand Prix de Chantilly. He returns to middle distances after missing the target in staying races and was only fifth in the G3 Prix Gladiateur at this track last time Sept. 10.

## BREEDERS' CUP BULLETIN

**GEORGE'S HOME SPIN POINTS TO CLASSIC**

The saga surrounding the possible participation of **George Washington (Ire)** (Danehill) in the Nov. 4 G1 Breeders' Cup Classic took another twist yesterday when Aidan O'Brien gave out positive vibes about the colt's Ballydoyle workout. Following the forced abandonment of a gallop on Southwell's fibresand track on Friday, Susan Magnier, Michael Tabor and Derrick Smith's G1 2000 Guineas and G1 Queen Elizabeth II S. winner worked on the Polytrack at home. After the surface was loosened up, George Washington was sent through his paces by Mick Kinane. O'Brien told the *Racing Post*, "We ended up having to use our own gallop and while we did loosen the surface, the kick-back was not the same as it would be in the U.S. or as loose as it would have been at Southwell. We are looking at the work George Washington did positively and the Classic is still a possibility for him. All went well and Mick, who rode him, was very happy with him." George Washington also has the Mile on his agenda and O'Brien revealed that a decision would not be made until the owners had discussed the options. "Plans still have to be discussed with the boss, Michael and Derrick," he added. "None of them was here to see the gallop and there will be a meeting of everyone involved before decisions are made."

**RECORD OCTOBER PART 2 CONCLUDES** Action through the ring was low-key during the final session of Tattersalls October Yearling Sale Part 2 yesterday in Newmarket, England, with 56 lots selling for 639,500gns and an average of 11,420gns. The median was 10,000gns. The top price of the session was the 38,000gns paid for a Medicean (GB) filly ([lot 1789](#)) out of the Danehill mare Jazan (Ire). Tom Goff of Blandford Bloodstock outlasted Tweenhills Stud owner David Redvers and the filly is likely to go into training with John Gosden. Trainer Peter Makin went to 36,000gns for a Choisir (Aus) colt ([lot 1786](#)) on behalf of a Russian-based client.

The five days of the Tattersalls October Yearling Sale Part 2 saw all records broken when 861 lots were bought for 27,700,200gns, a rise of 63 percent on last year's sale, with the average increasing by 20 percent to 32,172gns and the median up 28 percent to 23,000gns. Reflecting on Part 2 of the Tattersalls October Yearling Sale, company chairman Edmond Mahony, said, "Quite simply, this has been a very, very good sale. Part 2 of the October Yearling Sale has produced an outstanding set of figures with records across the board. We have seen buyers in abundance at all levels of the market and, despite over 300 more yearlings than last year, the sale has achieved major increases not only in turnover, which one would expect, but also in average and median which one could not have expected after such a strong Part 2 last year. In 2005 the average price at this sale leapt 75 percent and it has just gone up another 20 percent, second only in Britain to Part 1 of the October Yearling Sale. The turnover has gone up a staggering 63 percent and equally impressive has been the rise in the median and the number of six figure lots sold this week, which has gone from 19 in 2005 to 38 this year. I don't mind admitting that the size of this week's catalogue had caused us a degree of apprehension, but it has been hugely encouraging to see the number and diversity of buyers here from start to finish."

**PLETCHER GETS HIS RECORD** Trainer Todd Pletcher broke the single-season record for number of stakes victories when **Scat Daddy** (Johannesburg) took yesterday's GI Champagne S. It was the 93rd stakes winner of the year. The horseman equalled Wayne Lukas' record Friday night, saddling **Master Command** (A.P. Indy) to victory in the GII Meadowlands BC S. "To be honest, I didn't think it was an attainable record," Pletcher commented. "We had one of those remarkable years where everything has been clicking and horses have been running well. It's been a lot of fun."

Straight Line's biggest career moments to date had come at Churchill Downs, where he landed the Gill Iroquois S. at two and the Gill Ack Ack H. last fall. The dark bay had come up short in his first four outings this year, but he got back on track with a wire-to-wire victory in an optional claimer at Arlington Sept. 6. Sent off as the second choice here, Straight Line assumed the lead, carved out fractions of :23.61 and :46.74 and held on tenaciously to make it two straight. [Video, sponsored by Taylor Made.](#)

Green Vegas, third in the July 15 Birdonthewire S. and Sept. 2 Affirmed S., earned his first stakes victory with a two-length triumph in the Sept. 23 Foolish Pleasure Breeders' Cup S. last time out. Second choice to make it two in a row, the bay colt bided his time from off the pace, made a three-wide move at the top of the stretch and held off a late run from Wonderous Glory. "I knew there was no way this horse could get beat today," said winning rider Julio Garcia.

"When I saw the favorite out there on the lead getting pressured like that, I said to myself, 'Just sit tight, hold your position and wait for him to come back.' I just sat on him until we reached the top of the stretch, then let him do his thing and finish as strong as he could." Bayou's Lassie captured her Apr. 30 career opener in a six-furlong heat over the Calder dirt and added an allowance contest over the same track and trip June 30. She lost her perfect record when seventh in Calder's GIII Azalea Breeders' Cup S. July 15, but has found new life on the turf. The Florida-bred produced a sharp score in a local optional claimer Aug. 12 and promptly added a wire-to-wire win in the Judy's Red Shoes S. Sept. 23 over this course. The crowd's choice assumed her customary spot on the lead, made all the running and continued on determinedly late for her second stakes victory. "I'm in awe!" exclaimed winning trainer Stanley Gold. "I was hoping she would run like she did last time, but you never know. This was awesome--we're really happy. The fractions were solid, but she was just cruising, waiting for someone to come along. Nobody ran at her. We'll enjoy this one and regroup before deciding what's next."

The Maryland-bred came into this contest off a head loss in the Gala Lil S. over a mile at Laurel Sept. 16 and was the second choice. Smart and Fancy, heroine of last year's Maryland Million Lassie S., kicked off 2006 with a victory in Delaware's Beautiful Day S. July 11. Her four-race winning streak stopped when she ran second in the Twixt S. over this track and trip Aug. 19, but she resumed with a 5 1/4-length optional claimer tally over six panels at Laurel Sept. 21 and was favored here. Spectacular Malibu debuted with a 2 1/2-length victory sprinting 5 1/2 furlongs at this track Sept. 27. The gray filly broke inward here, but recovered to press the early pace. She forged to the lead turning for home, led by as many as five lengths and finished well in hand. "The main thing was to get her to relax," explained winning rider Julian Pimentel. "The race set up great for us. I sat behind the three and waited for my opening. When it was time to go, she took off for me." Winning trainer Mike Trombetta added, "She really ran a professional race. She had plenty left. I'm very impressed--she has learned quickly. We're going to give her a chance to catch her breath and then go on from here."

Clifton Park came up a half-length short when third in his career debut, a 5 1/2-furlong maiden at Saratoga Aug. 16. The Maryland-bred promptly graduated next out in the Oliver's Twist S. Sept. 16 over this surface and was the second choice here. A sharp break saw the colt take the lead at the outset and he never relinquished his advantage en route to a 2 1/4-length score.

The third time proved to be the charm for Yesshecandance in stakes company last out when she claimed her first stakes success in the Catcharisingstar S. Sept. 2 at Calder. Favored to make it two in a row, the bay was hounded throughout on the front end, but proved resolute in the final furlong to record an exacta for Yes It's True. There isn't much temptation to stretch her out in distance, according to winning trainer Jose Pinchin. "She is a sprinter and is still learning," he said. "There's a sprint stakes for her early in the Tampa meet and it's restricted to Florida-breds, and that's probably what I'll look at next."

Yesbyjimmy rattled off three straight wins to begin his career, capped by the Fasig-Tipton Dash over a sloppy Calder strip Sept. 2. His perfect record came to an end when he was third in the Foolish Pleasure S. Sept. 23 going a mile and 70 yards over this surface. Dropping back to a sprint here, the bay shook free from an early challenge and drew off to score by daylight. Trainer Eddie Plesa Jr. attributes the lone loss to illness, not the distance. "There is no question in my mind that his performance last time was compromised by the bug in my barn at the time," he said. "I don't think it was the distance. He had just trained too well to run like that, and I'm looking forward to trying him at a distance again at the right time."

Weigelia sped through six furlongs in 1:07 in taking an optional claimer on the turf at Belmont June 17. Third in the GII Smile Sprint H. July 15 at Calder, the bay filled the same spot in the Troy S. over the Saratoga lawn Aug. 14 and came into this contest off a close second to Who's the Cowboy in the Icecapade S. on the main track at Monmouth Sept. 4. The Florida-bred went up to press the pace, put his head in front in midstretch and prevailed under his own courage after jockey Ramon Dominguez dropped his stick.

She takes on Lady O'Reilly's **Lady Shanghai (Ire) (Alhaarth {Ire})**, a Kevin Prendergast-trained half to Dandy Man (Ire) in the race won by subsequent G1 Poule d'Essai des Pouliches winner Rose Gypsy (GB) in 2000.

**ALCAZAR RETIRED** Alcazar (Ire) (Alzao--Sahara Breeze {Ire}, by Ela-Mana-Mou {Ire}) has been retired at the age of 11. Trainer Hughie Morrison revealed to *Racing Post* that he had called time on the career of last year's G1 Prix Royal-Oak winner, who also won the G2 Prix Kergorlay and G3 Sagaro S. in 2003 and 2005. Owned by a syndicate managed by his breeder Islanmore Stud's James Repard, the veteran had broken a leg, his pelvis three times and strained tendons in his career, and his conditioner paid tribute yesterday. "You could write a novel about his career," he told the *Post*. "He was a very brave, very good horse. To still be racing with vigor aged 11, he was exceptionally brave."

This marathon handicap was inaugurated in 1839, but there will be few claims to a more unorthodox preparation than that undertaken by latest graduate Detroit City. Receiving acclaim for winning Grade 1 hurdle events at the Cheltenham and Aintree jumps festivals in the spring, the imposing grey was the subject of a substantial gamble in the wake of a charity race success at Chepstow a week ago and duly obliged to remain unbeaten for the year after a dogged battle. Trapped along the rail for most of the 18-panel event, he responded under continued urging to lead at the eighth pole and bullied his way up the hill to outgame the brave Inchnadamph, who improved one place on last year's third. Winning rider Jamie Spencer, the first jockey to complete the historic Autumn Double of Cambridgeshire H. and this contest since 1885, reflected, "It's a stiff test; we went slow and I was further back than I wanted to be. He fell into the dip, but was refreshed once he got the uphill ground."

Farinelli graduated in his third attempt when taking a seven-furlong Gowran Park maiden very easily last time Oct. 6. Reluctant to enter the stalls, the gelding was smartly away to race keenly in third and was shaken up before the two-furlong marker. Locking horns with Bawaader to dispute the lead at the furlong pole, he eventually headed that rival under maximum pressure 50 yards from the post.
